I am very honored to be working for such a great organization. Delta Chi was there to kick start my college experience and is still part of my life to this very day. Many of us say we are who we are today because of Delta Chi; this is true for me. After now serving on staff for over a year, I have gained great experience, and made many new friends. I am looking forward to another exciting school year!

In the Bond,

Justin Sherman  
 Director of Chapter Services
