## 1893 Charter Returns to Northwestern!

Delta Chi's  
Eighth Charter  
Reactivated  
page 2

After originally chartering as Delta Chi's eighth law chapter on May 5, 1893, closing in 1909, and laying dormant until recolonized on January 15, 1997,

# Northwestern Returns as an Active Chapter in Delta Chi!

After Delta Chi was selected out of over twenty applications for the honor to expand at Northwestern, **Kevin Vought** Western Michigan '95 and **Ray Paschal** Appalachian State '95 were sent to the campus to begin the process of forming a new colony of The Delta Chi Fraternity. At the first informational meeting, few knew anyone in the room, and many were skeptical of the idea of building a new colony from the ground up. But something happened that night, something that no one who was there has ever been able to explain to others, but something that everyone could feel. It was the beginning of brotherhood, the beginning of an uncommon bond. From that first gathering came the first group of associate members at Northwestern who went on to be Founding Fathers.

Our brotherhood, just a noble thought back in the beginning, had been tested and forged in two and a half years of effort, setbacks, and victories. Our numbers had grown from a handful of brave souls to 52 initiated brothers and three associate members. Even beyond undergraduate members, the bond has expanded to include many Delta Chi alumni, who have volunteered their time to aid and guide the Northwestern brothers through the trials of the early period in the life of a colony.

The bond was on display on April 24, 1999, at the Northwestern Delta Chi Chartering Banquet. Held at the University Club in downtown Chicago, the banquet was a gathering

of over 250 brothers, guests, alumni, parents, and members of the Northwestern community. The planning for the event, under the leadership of Chartering Chairman **Jason Lichtman** '00 and the rest of the Chartering Committee began at the beginning of the school year. After all of that time and effort, it was truly gratifying to see all of the work come together in one spectacular evening.

---

## Northwestern's Chartering Banquet was an evening not to be forgotten.

---

The program for the evening began with some remarks from key brothers who had made the chartering of the Northwestern Chapter possible. ABT President **Chris Harnack** Western Michigan '83 talked about the importance of building and carrying on tradition, and presented a gavel from the ABT

to the chapter to start a new tradition. Chapter "BB" **Russ Gunther** Iowa State '88 told a moving story about the lifelong bond that is the brotherhood of Delta Chi, and Housing Corporation President **Wayne Rapp** DePauw '60 chronicled the trials of setting up a new colony and a new colony house.

The alumni speakers were followed by the presidents of the Northwestern Colony, both past and present. **Joel Griswold** '99, the colony's first "A", recounted many of the highlights and low-lights of the first years of the colony at Northwestern. **Nicholas Hofmeister** '01, the outgoing "A", gave many wise truths about the nature of the colony in a humorous take-off of the "Wear Sunscreen" speech. Finally, the current "A" **Mike Mueller** '01, reminded everyone that the journey of the Northwestern Chapter is not over with chartering, but continues with new challenges.

After a wonderful meal, the keynote speaker for the evening, **William Sessions** Kansas '52, came to the podium. A former Federal Court Judge and the former director of the FBI, Judge Sessions proved to be a truly entertaining speaker and guest, regaling the brothers with many stories and anecdotes. His genuine enthusiasm for the event and his interest in the new Northwestern Chapter impressed everyone in attendance. His speech focused on the need for service and dedication to a cause, and the important role of the law and law-enforcement in our society.

**DELTA CHI QUARTERLY** (USPS 152-660) Published quarterly at Iowa City, Iowa by The Delta Chi Fraternity. Editorial and Business Office at P.O. Box 1817, 314 Church St., Iowa City, Iowa 52244. Periodicals Postage paid at Iowa City, Iowa 52244 and at additional mailing offices. Printed by The Ovid Bell Press, Inc., Fulton, MO. One-year subscription \$10.

**ADDRESS CHANGES:** Send all notices of address changes to Delta Chi International Headquarters, P.O. Box 1817, Iowa City, IA 52244-1817. Phone: (319) 337-4811; FAX: (319) 337-5529; e-mail: DChiHQ@deltachi.com Editor: **Raymond D. Galbreth**, MO '69. Please visit our website at [www.deltachi.com](http://www.deltachi.com)!

The culmination of the evening was the actual chartering presentation ceremony. The event was conducted by "AA" **Bill Williams** Gannon '81, and "CC" **Scott Klinefelter**, Northern Iowa '78. One of the special parts of the presentation was the return of the original charter of the Northwestern Chapter. The Northwestern Chapter was the eighth chapter of Delta Chi, founded in 1893, but had been dormant since 1909. This original charter, held in safekeeping at the Headquarters all these years, was signed by the first international officers of the Fraternity: "AA" **Owen Lincoln Potter**, "BB" **John Milton Gorham**, "CC" **George Nall**, and "DD" **Albert Wilkerson**. This makes the document one of the oldest surviving documents of the Fraternity, and an important part of the history of the entire Fraternity. It is an honor to be the keepers of this piece of history.

Another important piece of history was created that night, this time by the hands of the Northwestern brothers. To have another document to remember this night by, the brothers wrote a proclamation to be read to everyone in attendance and then signed. Many brothers pointed to the signing ceremony as a special part of the evening. "It really made it seem real to me when we signed the proclamation", said **John Achenbach** '01, the Assistant Chartering Chair. "It felt like it was made official at that moment."

The Northwestern Chapter's Chartering Banquet was an evening not to be forgotten. "I will definitely never forget it," said Founding Father **Damian Marshall** '00. "It's nice to see so much work come together in such a huge way."

Credit for putting together the event must be given to the Chartering

Committee, who put in amazing effort for this event. These members are: Chartering Chair **Jason Lichtman** '00, Assistant Chair **John Achenbach** '01, **Jeffrey Austin** '01, **Michael Boyle** '00, **Jeffrey Higbie** '01, **Nicholas Hofmeister** '01, **Matthew Manes** '01, and **Michael Mueller** '01. Thanks should be given to all of the Housing Corp., especially **Wayne Rapp** and **Jim Ferrara** Michigan State '81 and Housing Corp. Treasurer, who helped put together the finances for the evening.

*Clockwise: Founding Colony "A" **Joel Griswold** '99 holding the 1893 Charter with the signatures of **Owen Lincoln Potter**, **John Milton Gorham**, **George C. Nall** and **Albert T. Wilkerson**, the Northwestern Chapter Brothers, singing *The Bond Song* after the Charter presentation and, pictured with Keynote Speaker, Judge **William Sessions**, Kansas '51 are **Jeff Austin**, "E" and **Amy Curren**, Chi Omega.*

# CAMPUS SCENE

## ALBERTA

We decided to hold an event honoring those teachers whom we deemed to be outstanding educators. On February 23, five outstanding professors were honored at the Delta Chi Teaching Excellence Appreciation night. The guests, which included the deans of all of the faculties on campus, were treated to memorable speeches by some of our members and a keynote address from the Chancellor of the University.

Many of our guests left the event with an increased awareness of the character of Delta Chi. Shortly after the event, one of the honored professors sent us this note: "My impression of fraternities stems back to my days as an undergraduate. I did not think highly of them. After this event, I now have a different opinion of fraternities. I would be proud to have a Delta Chi in one of my classes."

This event will become a new Alberta Chapter tradition, because it is a huge step in improving the public's perception of fraternities, and one which we feel will elevate Delta Chi's reputation on campus.

## APPALACHIAN STATE

Spring semester focused on community service. We have completed at least one project a week for the community. These events ranged from a polar bear plunge to raise money for the Special Olympics, to a road clean up that consisted of everything from a truck bed in a tree to broken

down washers and dryers. We also received the highest GPA award for all social fraternities on campus. Last, we are in close running for the top intramural spot for the Greek community.

## AUGUSTA

In October, we had a successful White Carnation with over 75 alumni and undergraduates present. We concluded October with an excellent Halloween Bash.

For philanthropy, we spent over 150 hours building houses for Habitat for Humanity. We also assisted the 'Make a Wish' Foundation with a benefit concert at a local pub. By kidnapping the mayor of Augusta, Bob Young, we raised over \$2500 ransom to assist a local high school student, Rett Sechler, with his cancer treatment.

Academically we are the reigning Academic Challenge Champion of ASU. **Spasko Popducev** received a Presidential tuition waiver, and **Charles East** was awarded the SEMA Chemistry Scholarship. The ABT has been conducting alumni ceremonies which has significantly increased alumni involvement with the chapter.

## BEHREND

Last spring was busy with many activities and projects. Brothers who serve on IFC have made strides to improve Greek relations and strengthen Berhrend's overall Greek system. Spring Rush brought us six associates who were initi-

ated in April. Throughout the semester we were busy with philanthropic events. Our annual Bowl-a-thon proved to be successful again this year raising money for the Second Harvest Food Bank of Erie. We also participated in our adopt-a-highway cleanup. Our ninth annual White Carnation formal was held at the Holiday Inn in downtown Erie. We had a strong turnout of alumni who were able to meet and talk with the newest brothers.

Once the weather broke, we spent our time raising money through car washes held at local convenience stores.

## CORNELL

Hard work on behalf of the brothers as well as alumni has helped us continue to move in the right direction. During the spring we initiated 24 associates, one of the largest classes on campus. These new brothers have helped us regain our strong presence in the Cornell Greek system.

The house has also made many strides physically. New gutters and roof tiles were recently installed, thanks to the help of alumni **Dave Weber** and **Mike Nadler**, and many more improvements are scheduled for the future.

As far as intramural athletics go, our chapter has remained in the top five among fraternities all year thanks to second place finishes in basketball and soccer, as well as good showings in numerous other sports.

Furthermore, we have had numerous successful social functions including our recent annual Parents Formal. Overall, things have been going well at the Mother Chapter and many developments continue to take place as we go through a critical and transitional time in our chapter's history.

## DAVIS

Our annual Picnic Day barbecue was a grand suc-

cess, with a large turnout for alumni and their families. Faces long overdue for a visit came by to stop to see their former colleagues and friends. Even founding fathers paid a visit, which was very good to see around the chapter. They were pleased to see that we still had our house.

This year marks the 10th anniversary of our chartering. We are planning a banquet, and inviting all the guys to come, on Founder's Day. Spring quarter was a busy time, with numerous functions such as our formal/awards banquet and Greek Week festivities. We are also engaged with our traditional philanthropy, supporting the education and prevention of sexual assault by raising money through a bike-a-thon.

## DUQUESNE

We held our annual Red-Buff Football game this past fall and most brothers escaped injury. Our hockey team took 2nd place this year in fraternity sports competition. **Jeff Buccì '01**, played drums with the brothers of Gamma Phi in this year's Greek Sing.

Our philanthropy activities included our annual cleaning of Bigelow Blvd., in the Adopt-a-Highway program, and working with the boys and girls at StokenRox Club. We will be doing a Greek Carnival next fall with the sisters of Sigma Sigma Sigma.

## EASTERN ILLINOIS

The whole Greek community at Eastern Illinois cheered and screamed for one week at the annual Greek Week Tugs Competition. Both of our teams, The Little Men and The Big Men had been practicing as early as February. Each team had to put tremendous time and effort in the weight room to make sure they were as strong as could be. After years of frustration and disappointment, The Little Men domi-

*Augusta Brothers invade Paris Island for Nick Armstrong's Boot Camp graduation.*

nated and were victorious. The Big Men followed up the prior year's championship by rolling through all the opponents this past spring. There was no room for doubt as to who were the champions.

### **EMBRY-RIDDLE**

Many of us have concluded that it wasn't our best semester in recent years, but it is hard to hide from the good things that came out of the spring of 1999. To start off, **Kenny McCoig** dedicated much of his time in rebuilding the chapter's idling website. We are all proud of what he has done and the site deserves a lot of attention. If you are interested in seeing what we do around here, check out our website through the Delta Chi main website.

Philanthropy was probably what we spent most of the semester doing, and many Saturday and Sunday mornings were dedicated to this community. Along with rolling two barrels up seven miles of beach to raise money, we also gathered sponsors to run the Clancy's St. Patty's Day run (a 5K race that happened to take place at 8AM on the FIRST day of Spring Break). The proceeds were given to "Our Children First" charity and will help terminally ill children in making their dreams come true. A few weeks ago we participated in the GRACE project, which was a gathering of Greeks to help sort an entire audio tape library for the blind.

We can say that our basketball team has no where to go but up. It is obvious that there is MUCH room for improvement so I will spare anyone from embarrassing the team any further. Our floor hockey team on the other hand has once again taken the trophy and continues to rule the universe here at Riddle.

On a parting note, we would like to recognize **Jacob Cross** for being elected as SEIFC Vice President.

### **FERRIS STATE**

On May 1st, the Ferris State Colony became the Ferris State

*Cornell undergraduates and alumni singing the "Bond Song" at the house.*

Chapter. We would like to thank "AA" **Bill Williams**, "CC" **Scott Klinefelter**, and past regent **Monte Johnson**, alumni, parents and guests for being able to attend our chartering banquet.

This semester was a very busy one for the brothers. For all of our philanthropy projects we received an outstanding community service award from the university. Our intramural basketball team made it to the semi-finals. We also started a new fund-raising project working at the Van Andel Arena running concession stands. Congratulations to **Jeff Scott** for being the Brother of the Year. All of the brothers are looking forward to the fall semester and a strong rush class as we strive for our future as a chapter. Check out our webpage at [www.geocities.com/CollegPark/Classroom/2693/](http://www.geocities.com/CollegPark/Classroom/2693/)

### **GEORGIA TECH**

Winter and spring quarters were packed with activity, and along with that, fun. Our annual formal dance was held in New Orleans, LA, on February 27, 1999. The brothers and associates enjoyed the excitement of Bourbon Street the first night, and then the next day were graciously hosted by undergraduate **Rajiv Saigal** and his family for an excellent lunch and reggae party. The dance was that night, and spawned many memories that will last for years to come, including **David Garrett** proposing to his girlfriend.

Also during winter quarter, we hosted the annual Alumni Pool Tournament and the Red & Buff football game. **Mark Williams '95** and **Mark Tarabolous '94** were the winners of the pool tourney, and in football the older Red team conquered the younger Buff team for the second year in a row. Both events were a great time for alumni to get together with old college buddies and to meet the current chapter members. In the spring, we enjoyed our annual Reggae Weekend on Memorial Day, a combination of band parties, the celebration of our 8th chartering anniversary, and a river float trip down the Chattahoochee River.

### **HOBART**

On May 1st, we celebrated our 51st anniversary, hosting alumni to a BBQ on Saturday, followed by brunch on Sunday. We have continued to keep up our service to the community by donating our time to the Lakeview Mental Health Group; as well as Day of Service, where we aid in the improvement of the community as a whole through painting, cleaning the park, etc. Our club softball team is on the verge of another championship season after going undefeated last year, the club has made a great start once again.

We performed quite well in this year's Greek Week competition. You can get all kinds of other information through our website: [www.hws.edu/~deltachi](http://www.hws.edu/~deltachi).

Special thanks to **Stuart Pilch '82** for donating 5 million dollars to Hobart College.

### **IDAHO**

We finished the year off strong. Our grades improved drastically although actual numbers are not yet available. In intramurals we also finished strong by coming from fourth at fall semester's end to second by the end of the year. We ended the intramural season with an emotional victory in softball. We also continued our philanthropic efforts with our highway clean. The 64th Annual Pirates Dance went perfectly. After a week of work the house had a true pirate look that made it all worthwhile. Also, the end of the year camping trip turned out to be a fun time for all who attended.

This summer we are planning on remodeling a few of the rooms that are in poor shape. Many of the rooms have not been renovated since they were built in the 70's. We also hope to see many alumni and undergraduates at this year's Golf Scramble. Information should be coming your way soon. In addition, information will be mailed for the 75th anniversary celebration soon if it has not already arrived. We hope you had a great summer and we hope to see as many of you there as possible.

### **ILLINOIS**

Delta Chi has remained one of the top chapters on campus.

*Eastern Illinois "Little Men" Tug-of-War Team after winning the Championship!*

We would like to thank our alumni for setting this standard of excellence and encourage them to stop by for a visit anytime.

We have recently revamped our web page and this will be our central means of communication for the house. If any alumni would like to see what the chapter is up to, just visit our web sight at [www.uiuc.edu/ro/deltachi](http://www.uiuc.edu/ro/deltachi). We have recently added a rush database that has already been accessed by some high school seniors.

We had one of the top social calendars on campus this year with exchanges with Delta Delta Delta, Thetas, Kappa Delta, and Sigma Delta Tau. The pinnacle of this semester's social events was our trip to the Cubs game with the ladies of Delta Delta Delta. Next semester's social calendar is just as promising. Our intramural basketball teams did well with both the "A" and "5'9" and under" teams advancing to the playoffs. Hopefully, we will win it all next year. Also, our GPA was above the all fraternity average.

This year's philanthropies included our participation in AOPi's 'Run for the Roses', DZ's 'Crazy Bowl', Delta Gamma's 'Anchor Splash', and our organization of a clothing drive that included several other houses. For brotherhood this semester we went rock climbing and paint balling. Our Mom's Day auction went exceptionally well this year and included a formal dinner prepared by our new chef.

Our annual alumni golf outing was held over Labor Day

weekend this fall. The festivities included 18 holes of golf, a football game against Arkansas State and a barbecue with the ladies of Chi Omega.

Finally, we would like to thank **Raymond Borelli '58** for his years of service to our chapter and wish him luck in his future endeavors. Borelli was a past "D" and rush chairman of our chapter, he served as the "AA" for two terms, is a member of the Sir Edward Coke Club, and is currently serving as the Assistant Vice President of the Upsilon Alumni Corporation. He will be retiring to Florida at the end of this year.

### **INDIANA**

Everyone enjoyed our 69th annual Kelly's Wake party. Brothers and their dates dressed in 20's gangster-style clothes for the party. Little 500 was also a great time. We paired with Alpha Delta Pi and hosted many parties throughout the week of the race. Our bike team finished 10th, one lap behind the winner, in a field of 33, after fighting back from a penalty and crash early on. The bike team made up over a lap after being down. Their strong comeback showed our entire house and this campus what hard work and dedication can accomplish. We are very proud of them.

In philanthropy, we participated in a variety of successful events. We hosted a blood drive with the Red Cross, a community clean up day, played "Capture the Flag" to benefit a shelter for battered women and played bingo at a

convalescent home. Also, we placed third out of the 33 fraternities on campus in the Spirit of Sport competition, which benefits the Special Olympics.

Our house is being wired for the future. The cabling has been installed in our house, which will benefit us academically and give us a cutting edge for fall rush.

### **JAMES MADISON COLONY**

We are Here!! What a time getting started it has been. A

*The Founding Fathers of the James Madison Colony.*

big thanks to Leadership Consultants **Joe Burak** and **Corey Rasmussen** as well as Director **Mike Arrillaga** for setting up Delta Chi here at JMU. We have 50 founding fathers, which is way above campus average, and we've only just begun!

We began the semester by taking second in Greek Week and having well over 100 hours of community service. One of the highlights was Delta-Palooza thrown by Tri-Delt Sorority. It is an annual philanthropy event for a local children's hospital in which all

Greek organizations can help out by having different booths of activities. The Greek organization with the best booth signs the check. We had the best booth-a-kareoke booth. We definitely showed the other guys on campus that we are not going to be just another fraternity. We are The Fraternity! Delta Chi forever!

### **JOHNSTOWN**

This spring we were extremely busy with Greek Week, intramurals, and various activities for the community. With total participation by all of the brothers, we successfully prepared a recreation complex for the young children of the surrounding area. Trying to advance our already strong philanthropy program, we collaborated with a few other fraternities on campus to refurbish the school's nature trail. We had a strong finish in Greek Week as well as intramural competition.

As they have done in the past, our alumni once again

proved to be the backbone of our chapter, with social visits, donations, and the construction of the Golden Triangle Alumni Chapter home page. As the climax of a fun and productive semester, we had our annual spring formal in early April. The formal was a memorable experience for all of those who attended.

### **KANSAS STATE**

This past spring proved to be as rewarding as our fall semester. We experienced our largest spring AM class to date, with a total of 19 men. Added to our 22 associates

from last fall, we produced the largest percent increase in membership of the 26 fraternities on campus.

We succeeded in securing our strongest homecoming pairings to date for next fall with Chi Omega Sorority and the FIJIs. Earthball, our annual philanthropy project with Kappa Kappa Gamma, raised \$2500 for the Manhattan Emergency Shelter.

Our Mom's Day tradition continues to grow in size and importance. This year, over 50 moms were in attendance, largely due to the efforts of "A" **Tony McClain**, and his mother. The event helped raise over \$2000 which was donated to the Kansas State Delta Chi Education Foundation.

**Aaron Otto**, Chair of the Education Foundation and recent alumnus, has announced a new scholarship for the fall semester, the **James Komatz Memorial Scholarship**, in memory of Brother Komatz who lost a hard battle to leukemia this past summer. He was 23.

We had one of our larger alumni turnouts this semester at our annual Hackfest Golf Tournament and Alumni Banquet. Over 15 alumni were in attendance, and several even came in a day early to be a part of our spring initiation. Our chapter "E" has established a listserv for our alumni and currently have 58 alumni signed on. The list grows every week.

We had a successful showing at the annual K-State Greek Awards banquet, earning three awards. **Corey Lafferty** won the Leader By Example award (and our mastermind behind our web page), **Matt Porter** won the Best New Member Award, and **Cody Sudmeir** won the Best Committee Member Award.

With all of our accomplishments of this last semester, we look forward to this fall with determination to continue and outdo all that we have attained this past year.

### **KETTERING-B**

We wrapped up spring rush and are looking at adding seven

to ten new Associate Members. In addition we have just recently initiated ten men, making us a 38 man chapter.

As always we are striving to be the best. We have broken all of our own records this term philanthropically and athletically. We racked up over 400 hours of philanthropy and took third place in competitive intramural volleyball. Some of the contributions that we have made in the community are: the sorting of perishable foods for The Food Bank of Eastern Genesee County, tutoring, helping out at a haunted house, various Kettering sponsored events, Thanksgiving Hunt, and College Campus Olympics with the Easter Seals.

Our biggest accomplishment was raising the most money for Alpha Sigma Alpha's Links for Charity. Each link costs 50 cents and the organization at the end of the week that has the most links gets all of their donated money back to give to a charity of their choice. We have decided to donate the money to **Joe Santorine** FAC '90, whose daughter has been diagnosed with leukemia. The money will be used for a bone marrow transplant once a donor is found.

It is finally official, our Housing Corporation is running and in the process of buying our house. We are now beginning to get our Housing Corporation created thanks to **Steve Schneider**, who is our current Housing Corporation President. We have also just received a grant to replace all of

the windows in our house from Flint West Village.

### **MANKATO**

Coming into the 1998-99 year we held the highest over all GPA for the male Greeks on campus, which was higher than the all men's, with a 2.93.

Last fall had also brought in many victories for the fraternity during Homecoming. With the hard work of all of us we won the float contest along with a few other events. As the year went on so did many changes. With a younger executive board new programs were implemented. A new scholarship program along with a new alumni relations program were passed. With more ideas, brother events became more frequent and expectations rose.

At the end of Greek Week we brought home the trophy. This was important to us because it was a goal set at the beginning of the year. We were also involved in the first Children Miracle Network Dance a Thon held in Mankato. **Ty Decker** was the marketing director of the event and was supported by his entire chapter as we raised the most money for the Children's Miracle Network.

**Michael Sorenseen**, the past "A", stepped up to IFC president. Not only has he accomplished this task, but he has also helped the new younger executive board find their direction.

### **MARQUETTE**

We had the largest associate member class in over ten years,

raising our numbers to a level at which we will no longer be on probation with Delta Chi. Our former Outstanding "C" **Michael Spica** instituted a study program to help earn the "Most Improved Chapter GPA" Award from the University. We once again participated in Hunger Clean-up the largest community service project in the nation by planting trees around Milwaukee.

At Greek Week we were awarded third place with members placing in almost every event. These outstanding achievements were recognized by the Greek Community at Marquette when Delta Chi took home the "Chapter of the Year" Award.

Most recently actives and alumni alike gathered to celebrate the White Carnation Formal on May 1st, followed by the annual softball game. This semester our "E", **Joe Kramer** was elected president of the IFC with **Keith Eppers** being on the executive board as vice president of External Affairs. We are proud of our accomplishments and will continue to improve upon what we have done, especially in the areas of recruitment, academics and alumni relations.

### **MICHIGAN STATE**

We had a tremendous participation in Greek week activities. All the brothers braved a cold day outside to participate in field events. It all paid off because we took first place in field events,

*Massachusetts alumni sharing in the Bond.*

*Minnesota brothers enjoying their new porch.*

third in songfest, and fifth in battle of the bands. We also had great support for our athletic teams. The turnout was tremendous and that only made the games more fun to watch and participate. We took second in volleyball, track, and basketball and first in hockey, swimming and golf. We had a very good year for sports teams but unfortunately fell short of the all sports trophy.

One major change here is the Greek system is going dry, all fraternities had their last parties. Ours was a traditional toga party and the brothers turned out in great numbers to celebrate the ending of social functions within fraternity houses.

### **MINNESOTA**

Thanks to the Housing Corporation, renovations have changed the visual appearance of the house interior. New paint on the walls and ceiling, carpeting and light fixtures have dramatically improved the condition of the chapter house. This, in addition to our new front porch, has been a tremendous source of pride for the membership this year. Future plans include refinishing the front and dining room floors.

Last spring there were many social activities where we were able to show off our

new look. We participated in Spring Jam, a week-long festival sponsored by the University, FarmHouse Fraternity, Alpha Sigma Kappa and Tri-Delt. We also held our 'Duluth Trek' Philanthropy coupled with our sorority 'Heartbreaker Competition.'

### **MISSISSIPPI STATE**

In February we sent 13 brothers to the Regional Conference at Georgia, which we are proud to say was the largest contingent of all the visiting chapters. Next year, we will be hosting the Region VIII Conference.

Housing plans are currently being worked on, and hopefully construction will begin sometime this summer. We could not have done this without the help of our dedicated alumni and our building corporation. Also, because of his continued support of the chapter, **Steve Ashmore** was named "Alumnus of the Year" for the second straight year.

In April, we held our annual Wet-n-Wild weekend. During this weekend we had the usual crawfish boil, water slide, and a gathering of alumni. A lot of alumni made it back to reminisce and relive some old times. The weekend was great for both alumni and the chapter. Also, we held the annual Delta Chi-Chi Omega

canned food drive. It was a big success with all the canned foods and proceeds going to the Salvation Army.

### **MONTEVALLO**

The spring yielded us many outstanding accomplishments and events. We have increased our involvement in campus life by holding more SGA positions than any other Greek organization. We finished second in grades for the second consecutive year.

Our fundraising events were successful, working NASCAR races at Atlanta and Talladega Superspeedways. We held our annual Alumni Pig Roast, which brought back many alumni and their families for an afternoon of barbeque and softball. Socially, we are the most active fraternity on campus, our largest spring parties included *Knight Errant Party* and *Toga Party*, which both turned out to be excellent.

Greek Week awards included: "A" **Jeremy Emerson** winning "Mr. Greek Week," and O. J. Carson as "Faculty Advisor of the Year." We also became more active in the community with philanthropy work, volunteering at a canned food drive with the local area troops of the Boy Scouts of America. We feel that through these accomplishments we have had a productive semester, which puts our brotherhood at an all time high going into the fall.

### **NEW HAVEN**

We are going through a rebuilding stage since we lost a lot of brothers to graduation. We have a lawyer working on setting up the Housing Corporation. We have already looked at a couple of houses and are waiting to hear back from one of the owners. We are also in the process of creating a database that will allow us to keep in closer contact with our alumni. We have a lot of guys who are excited about the fraternity and want to help the chapter grow.

### **NORTHERN ARIZONA**

As the largest fraternity on campus, we gave over \$1140.00

to local charities and we contributed over 1700 philanthropy hours. We were also successful in intramurals, winning football, basketball, waterpolo and softball. We are also proud to announce the updates on our website and invite everyone to give it a look. We would like to thank **Tim Heuer '96**, for his help on the website.

### **NORTHERN IOWA**

This past spring we initiated two members. We also had a fantastic formal in March. We had a good showing of alumni and their spouses. The undergraduate turnout was also excellent.

The best time was Greek Week in April. **Andrew McConnell '01** won the Greek God competition the first night! Not bad for a new member. We also won the Penny Wars, far exceeding any of the other fraternities. We also won awards in recognition of our thorough representation at Greek Week. As long as we keep great new members coming in, and keep our actives up in participation, there is nothing Northern Iowa Delta Chi can't do.

### **NORTHWESTERN**

The excitement of receiving our charter has yet to wear off. A black-tie gala held at Chicago's University Club was the amazing culmination of two and a half years of hard work by all the members, the ABT and housing corporation since the founding of the colony. Special thanks to **Chris Harnack**, **Wayne Rapp** and "BB" **Russ Gunther**. We look forward to continuing the hard work and making Delta Chi an even greater presence at Northwestern, now as a full-fledged chapter.

We initiated 15 members this spring and added three new associates during spring rush. Social events included an exciting evening of whirlyball with Chi Omega, Delta Zeta, Theta Chi and Chi Phi to celebrate Gone Greek

Night and the Third Annual White Carnation Formal at the Blackstone Hotel in Chicago.

Five members represented Delta Chi in NU's Dance Marathon. They and four other brothers who represented dorms and other organizations danced for 30 hours. Delta Chi raised over \$4500 for the Children's Heart Foundation.

### **OSHKOSH**

This spring we held our first annual aerobithon for the St. Jude's Hospital Fight Against Cancer. Over a four hour period, there was an average of 50 people in attendance, and we raised close to \$1,500. We also raised a sizable amount of money with our three-on-three basketball tournament and through the all-campus Pro Volleyball Tournament. Our GPA has moved up five positions.

Although it took some longer than others, we had four men graduate in May. Not only do they deserve recognition for holding numerous executive board positions, but they played an integral role behind the scenes, maintaining brotherhood and keeping the chapter alive. We will miss them.

### **PURDUE**

Over "Mother's Weekend" we treated our mothers to lunch and spent an enjoyable day with them around the house. Our Spring Formal again took place at beautiful Culver Cove, IN where we spent a fun evening of dancing. We enjoyed several functions with sororities including being paired for Purdue's annual Grand Prix week for the first time in four years. During this week, we sponsored several fun events including a scavenger hunt, two band parties, a swing dance lesson, and topped it all off with a cook-out before the big race.

### **RADFORD**

This past semester we initiated six brothers who are eager to begin taking leadership responsibilities. We had an excellent showing in Greek Week, placing first in field day, first in tug of war and placing third

overall. We were honored to have **Thad Herron** recognized for his outstanding academic achievement in receiving a 4.0 GPA at the IFC awards banquet. We have also installed a new mentoring program for our associate members which was written by **Jerome Turner** and which will be adopted by IFC, to set a new standard for all on-campus fraternities in the fall 1999 semester. **Jon Durkee** was elected to IFC and attended a leadership conference in Georgia this past spring.

Our White Carnation banquet was a huge success held on the Virginia Dare cruise line on Smith Mountain Lake in Virginia. We received a great deal of support from all of our alumni who attended. Planning is in the works for our first alumni/brother golf outing scheduled for spring 2000 and also a spring alumni weekend.

### **ROWAN**

**Neal Eggers** was elected Inter-Greek Council President for the coming school year, and was also named Greek Man of the Year. **Mike Jensen** was elected Executive Vice President for Student Government. Our faculty advisor, **Phil Lewis** was awarded the Greek Advisor of the Year Award. **Matt Johnson** was given the New Member of the Year Award. We also have numerous members involved in campus activities such as the Rowan PROS, Residence Life and Residence Assistants, SGA, and IGC.

We initiated ten associate members in the spring, bringing our membership to 51. These young men are already looking forward to taking key roles in chapter operations.

Our intramural basketball, indoor soccer, and softball teams competed with unrivaled intensity and although we were not able to capture any championships, we were able to finish in the top three in each sport.

We competed with the sisters of Delta Zeta in this year's Greek Week activities and performed superbly, yet comically in the week's events.

Finally, at the Region VII Leadership Conference we made a strong representation with our brothers and our leadership capabilities and were awarded the Spirit Award by **Ken Sousa**, Regent. We are also proud to say that we will be hosting next year's Conference in Atlantic City, NJ.

### **RUTGERS COLONY**

After three years, the Rutgers Colony of Delta Chi will be no longer; we will soon be an official chapter. In 1996, 41 students founded our colony and since then, we have been trying to acquire our charter. The Delta Chi Board of Regents said that getting the charter depends on our ability to excel in academics, community service, intramurals, management of finances, and recruitment of new members.

After a great deal of hard work and dedication, we demonstrated our progress and the petition was approved for us to become an official chapter. A formal banquet will be held this fall where Delta Chi representatives will officially present our charter.

### **SACRAMENTO**

After another successful rush this spring, we pinned twelve associate members, bringing our chapter total to over 50 members. This spring was a semester that truly defined and built a brotherhood of a lifetime. We would deeply like to thank all our brothers across the nation for the sup-

port that we received after the tragic loss of **Michael Grant Naddolski**. Mike's desire and determination to keep Delta Chi on top was truly inspirational, and will never be forgotten.

This spring was an active semester that was full of many events. Once again, we proved to everybody how strong our brotherhood remains after taking first place in a large majority of our Greek week events. We ended our Greek week with our 15<sup>th</sup> annual White Carnation formal, which was a night that will never be forgotten for those who attended. We also enjoyed our fourth annual Cinco de Mayo party, and hosting our annual 1999 Delta Chi World Cup indoor soccer philanthropy. We also have a new web site: <http://www.csus.edu/org/deltachi>, and encourage all our brothers to come and visit us.

### **SOUTHWEST TEXAS**

This past year we volunteered at the Willie Mae Mitchell Center. We tutored and helped the children with homework. On April 24th, we held an Alumni/Parent Weekend celebrating our 5th anniversary of our chartering. We took second place in the Greek Week Alcohol and Drug Awareness game show. Spring athletics kept up our winning tradition. We reached the playoffs in basketball, soccer, and with both softball teams. The co-rec team with the Alpha Omicron Pi reached the semifinals before suffering a close loss. We participated in the 4th

*The Montevallo Brothers gather in front of their house.*

*It's Delta Chi time at Radford!*

annual Rose Bowl sponsored by Alpha Omicron Pi.

Last fall we initiated ten brothers. This spring we initiated another nine into the Bond. The chapter would like to acknowledge our increasing alumni support. The house received a minor face-lift by extending the front deck. Thanks to alumni help we also added new sand to our volleyball court. We also took brotherhood trips to Tarleton and South Padre Island.

### **SOUTH FLORIDA COLONY**

We began spring semester with Greek Week; a week long competition designed to raise money for a selected organization. This time it was the McDonald's Training Center. We performed well during Greek Week, teamed with Kappa Delta and Sigma Chi, winning three trophies: Philanthropy Day, Best Banner and runner-up for the Most Spirit.

We had our first ever formal dance on March 27. It was a very special occasion and went without a hitch. The music was superb and the dance floor never emptied as brothers, associate members and their dates danced all night long. Formal helped us all focus on what Delta Chi is all about . . . Brotherhood. Without a doubt, formal was the time of our lives.

**Randy Moss** was recently inducted into the Order of Omega honor society, the first Delta Chi here to achieve this honor. In addition to this, **Eric Steinbach** was recently selected

as the Senior Justice of the Student Government Court.

We have also been working to help others. We volunteered to help out at the NCAA Final Four, logging over 150 philanthropy hours during the two day event. We also recently started participating in the Adopt-A-Road program. We selected a piece of road near the campus and started cleaning up. It was hard work since this was the first time this piece of the road had been cleaned, but it was well worth the work knowing that we were helping out the environment and spreading the good name of Delta Chi.

### **STEPHEN F. AUSTIN COLONY**

We began the spring semester by initiating 31 men. In addition, we have three associates.

We are quickly setting new standards on campus by emphasizing academics, brotherhood and gentlemanly behavior. Already, we have the highest GPA among fraternities.

This spring we competed in intramurals and won the Chi Omega Spring Sing with Alpha Chi Omega, who invited us to be partners. Our theme was "Generation X TV Shows." In addition, we've had several social activities with sororities, including pinnings at Alpha Chi Omega and Tri-Delt and dinners at Alpha Chi Omega, Delta Zeta and Zeta Tau Alpha.

Our philanthropic project is the Nacogdoches, Texas, Boys' Ranch, where we interact by playing games, listening to problems and serving as positive role models.

We had an end-of-the-semester alumni barbecue at the home of Dr. **Gary Mayer**, Texas '63, a SFA journalism professor who's our faculty advisor and "BB." Summer activities included a canoe trip down the Brazos River and a brotherhood retreat.

### **TARLETON**

This past semester finished out successfully with a good turnout to our 11th anniversary formal dinner. We had a fun filled weekend with alumni and family. Thanks to all alumni who attended and were there to support us this semester.

We hosted the Region III Regional Conference in Ft. Worth and were very happy with the results. We would all like to thank **Doug Jarnagin** for all his help in getting everything in order for the conference.

We initiated one man from the Alpha Delta class. Our social calendar has been keeping us busy with sorority mixers. Our philanthropy efforts are also keeping us busy with local charitable events. We participated in Greek Olympics and for the third year dominated every event. This past April we had our third annual Del Tiki volleyball tournament and once again it was a huge success. We have also been working hard to make several improvements to our house, including closing in our garage to make another living quarter, and continue to improve it everyday.

### **TEXAS A&M**

We are proud to announce that **Jeff Hilliard** is the first

Delta Chi to be elected IFC President at Texas A&M. He has served as the chapter's "A" and "B" in previous years.

In April, we participated in the Big Event with the Phi Beta Chi Sorority. This is the largest single day, student run service project in the nation. We painted three houses and picked up trash along a two-mile section of the highway.

We are excited about the prospect of building a brand new house in the near future.

In intramurals, our softball team took second place in the Greek Tournament and finished third in the All University Tourney. Our outdoor soccer team also finished second in the Greek Tournament. During Greek Week, we won the wacky olympics and the flag football championship. We are proud to announce that we have won back the 12th Man Cup this year; this annual award goes to the fraternity that wins the most points per member in the six designated intramural sports.

### **TRI-STATE**

Seven initiates brought our total membership to 31, although we lost five to graduation. We are particularly proud of our GPA of 2.94, ranking us third in campus scholastics and we added nearly 800 hours of community service for the year.

In intramurals, our A-league basketball team won the fraternity championship, and this spring we fielded three volleyball teams, one of

# A Flower in the Garden

By Steve Bossart, Kent State '90

There is a hearse sitting beside the Amasa Stone Chapel. I have never seen that before. The Chapel has been the site of thousands of joyous events in its history. It was dedicated in 1911 and has seen hundreds of graduation ceremonies, university convocations, guest speakers and other activities. Some of my friends were even married there. But today, there is a hearse sitting outside.

From my seventh floor office, high above campus, I can see well-dressed students walking from different parts of our urban campus toward the chapel. They are huddled against the wind and their heads are down. For a gray, winter day, this day has an aura of sadness around it that is unusual, even for the bleak wintertime of north-east Ohio. A young person has died.

Stephen Donnelly was a freshman at Case Western Reserve University. I went to his funeral. It was packed, with every seat taken and people lined up in the aisles. The crowd of 725, I am told, was the largest crowd ever in the Amasa Stone Chapel. There were sobs from the front. Sniffles in the back. As I sat there, I began to wonder. Do young people with absolutely nothing going for them ever die? It seems like every time a tragedy strikes, the victim is a well-liked, talented, gifted person with a loving family and lots of friends. Stephen was just that. I know, because I sat and listened as his friends eulogized him. A pretty young woman told of their short time together and looked at his coffin and told Stephen she loved him. His best friend and roommate told of their relationship and how his friend had inspired him to work hard and have fun. And he told Stephen he loved him. Stephen's father told of how three people are now living with Stephen's donated organs and of the kind of person Stephen was. And he told Stephen he loved him.

Stephen's rabbi told a parable that says whenever God needs flowers for the garden in heaven, he does not pick old, wilted flowers. When the garden becomes depleted, God picks young, vibrant, beautiful flowers that will fill the garden in heaven with beauty. Stephen was young and vibrant and beautiful.

I am not sure why I went to the funeral. I don't think I ever met Stephen, although I did do a presentation to his fraternity last fall on fraternity values. It is funny because the first thing I asked the Zeta Psi Chapter assembled in front of me that evening was, "What do you stand for as an organization?" They were unable to answer that question for me. I quoted to them their own mission statement from the Zeta Psi handbook, and it was almost like they had never heard the words

before. Some of them gave me answers about the brotherhood and such. We talked about rituals and values, and it was the beginning of a good dialogue, but I really don't know if the dialogue continued after that.

As I sat at Stephen's funeral, I realized that Zeta Psi really did know what it stood for. The President of the Chapter stood and eulogized their friend and told everyone in attendance why they pledged Stephen Donnelly. He described the type of person they wanted to join their fraternity. They wanted people of character, with charisma, with a genuine commitment to other people and with a desire to work hard and succeed.

They found all of those things in this young man, and in this whole process of friendship and now grief, they discovered their values.

About four years ago I wrote of a young man pictured outside of his fraternity house in Iowa City as the lifeless body of one of his brothers was wheeled from the house, the victim of alcohol poisoning. I said then that I wish every Delta Chi could feel what he was feeling at that moment without having to experience what he was experiencing.

As I sat at Stephen's funeral, I found myself wishing that every Delta Chi was sitting there with me. Then, after the funeral, I could go into a separate room and ask all of my brothers one simple question. "Why do you think this can't happen to you?"

Stephen Donnelly was smart. He had a 3.8 grade point average at a university where many of us could not even get accepted based on our academic performance and test scores. He was popular and sociable, not a social recluse as many book worms are. If it can happen to a smart, well-liked, good-looking guy from a good family, how can anyone reading this think it could never happen to them? That is just not logical thinking.

The only way this type of tragedy will never happen to you is if you simply don't allow it to happen. And that means you have to change your actions. You have to look out for each other. You have to pay attention to the risk management policies of the Fraternity. Take a stand. Don't let drinkers drive

(notice I didn't say drunks, I said drinkers.) Care about your brothers and friends. Don't dare them. Shots kill young people. I have never heard of anyone with alcohol poisoning who simply drank beer. When your brothers and friends are doing shots, and I realize they probably will do shots, they are beginning to play with their lives. Don't let them. That is your job. Just say "enough."

Have fun, but not at the expense of someone's, maybe your own, safety and well-being. Believe me, there is nothing fun about how Stephen's life ended this week.

The Amasa Stone Chapel is built in the style of fourteenth-century Gothic architecture similar to the impressive Cathedral Church of St. Peter and St. Paul in Washington, D.C. The dean at that institution pointed out why the structure is distinctive:

*To pretend that man is the measure of all things is arrogant. A Gothic cathedral, with its pointed arches and dissymmetry, stands for the fact that the ultimate reality is not man but mystery.*

There is a lot of mystery surrounding the death of Stephen Donnelly. There is also a lot of certainty. You are not immune from this type of tragedy. And you can make sure it doesn't happen to you or someone you care about. That much is certain.

Steve Bossart, Kent State '90, served as a member of the Fraternity's staff from 1990 to 1998. He is currently working as Director of Annual Giving for the College of Arts and Sciences at Case Western Reserve University in Cleveland where Stephen Donnelly was a freshman prior to his death.

Donnelly, 18, died Monday, February 15 after being found unconscious in his residence hall's bathroom. He was from Hudson, Ohio, and a member of Zeta Psi Fraternity. He and some friends had attended a party at another fraternity on that Saturday evening. They returned to Pierce House after the party. Donnelly became ill and friends assisted him until approximately 4:30 a.m., when he went to his room to sleep.

Around 1:50 p.m. Sunday, he arose and went to the bathroom. Fellow residents found him there around 2 p.m. and contacted CWRU Security. Campus security found him lying unconscious on the floor and bleeding from an injury to the back of his head. Cleveland Emergency Medical Service (EMS) arrived within minutes and transported Donnelly to Mt. Sinai Hospital. He was later transferred to University Hospitals of Cleveland, where he died. The Cuyahoga County Coroner indicated that the injury to his head was the cause of death.

# ALUMNI NEWSMAKERS

## ARIZONA

**Glen Vondrick '78** has been named FaceTime Communication Inc.'s Vice President of Worldwide Sales.

Part of Vondrick's initial charter will be to help e-commerce sites implement FaceTime's unique person-to-person online sales and customer service solutions, which include instant messaging and email management, in time to generate holiday revenues.

Glen Vondrick brings to FaceTime over 20 years of experience in sales. Prior to joining FaceTime, he was Senior Vice President of Americas Operations at Inference Corporation, a leading supplier of customer care knowledge management solutions for call centers and Internet self service. Prior to Inference, Vondrick developed and built Autodesk, Inc.'s worldwide OEM technology licensing program, which became that company's fastest growing sales channel.

## IOWA

**Larry P. Audlehelm '71** has joined Merit Resources as a Sales Representative. Larry is a past Executive Director, member of the Board of Regents, "DD", "CC", and "AA" as well as a current member of the Iowa Chapter's ABT.

## NEW HAVEN

**Ron Martin '87** was voted "Hero of the Year" by IGA stores in recognition of his raising over one million dollars for charity in Connecticut and his lifetime commitment to community service. His list of community service work is indeed impressive and too numerous to list here. Most recently, his work with the area Junior Achievement led to his being named to their Board of Directors where he became vice chairman for funding and fi-

nance. He was elected as Corporate Secretary at the local Goodwill Industries. He is approaching the three gallon level as a blood donor and is on the national bone marrow donor list.

## PENN STATE

**Stephen B. Spencer, '54** and Professor Emeritus of Dairy and Animal Science, The Pennsylvania State University, was the 1999 recipient of the Distinguished Alumnus Award from the Department of Dairy and Animal Science. Steve is recognized for his innovative leadership and program development in optimizing milking systems and improving milking management in the dairy industry.

Steve has received numerous awards in recognition of his contributions. These include the American Dairy Science Association's American Cyanamid Award, Pennsylvania Dairyman's Association Award for Meritorious Service, Dairy of Distinction Founders Award, Distinguished Service Award of the Pennsylvania Association of Dairy Sanitarians and Dairy Laboratory Analysts, State Ruby Award of Epsilon Sigma Phi, Honorary Keystone Farmers Degree from the Future Farmers of America, Distinguished Service Award from the National Mastitis Council, and the Image Award from the Pennsylvania All-American Dairy Show.

(Campus Scene Continued from page 10)

which finished second in B-league tournament play. We also finished third in Greek Week events.

The spring also saw our 30th Anniversary. Some 70 alumni and their guests attended the banquet honoring the landmark event, and we were also proud to have in attendance Region 5 Regent **John Dörner** and "AA" **Bill Williams**. They presented us with a 30th Anniversary commemorative plaque, which was a much appreciated surprise.

## WESTERN MICHIGAN

This past year we experienced a turnaround. Down to eight men in the fall, we had just moved into a house on the Fraternity Village Drive and did not have any active alumni. Now we are proud to announce that Delta Chi at Western Michigan is not dead, better yet, we are on a comeback. Our membership grew from eight to 21 with only one senior graduating.

Thanks to **Matt Spaulding '92**, we have an ABT and a group of 34 alumni that actively support us and who have donated \$3,000 to help pay off the debt on our land. We would like to express our foremost gratitude to Matt and the other alumni that stepped up and helped us out this year.

No matter our size, we are known for interfraternalism, scholarship and involvement in the community. That and many other actions that we took last year earned us the most prestigious Golden Award at this year's Greek Week closing ceremonies. We are proud to be Delta Chis!

## THE DELTA CHI FRATERNITY ALUMNI DIRECTORY THEY'RE ON THEIR WAY!

Our Delta Chi Membership Directory project is nearing completion and soon the directories will be shipped.

This comprehensive new volume is a compilation of the most current data available on over 80,000 Delta Chi members. Information was obtained from questionnaire mailings, telephone verification and/or from member records. Now the distribution of this impressive edition will begin.

The directories are scheduled to be released in Winter, 2000. All members who reserved a copy of the directory during the verification phase of the project should be receiving their copies two or three weeks after the release. If you have a question on your order, or if you wish to place an order, please contact our publisher directly at the following address:

Customer Service Department  
Bernard C. Harris Publishing Company, Inc.  
22 Koger Center  
Norfolk, VA 23502

Phone: 1-800-877-6554

To those who returned their questionnaires - many thanks for your cooperation. And, to those who ordered a copy of the directory - enjoy!

## KEEPING IN TOUCH

### ALABAMA

Born to Brother and Mrs. John Freeman '87, a son, John David, Jr., on January 6, 1999.

### APPALACHIAN STATE

Born to Brother and Mrs. **Robb Chapin**, a son, Brady William, on June 24, 1999.

### BALL STATE

**Craig Stahly** '95, married to Nicole Geiger on July 10, 1999.

### BRYANT

**Jim Marasco** '93, married to Terri Bejtlich on June 26, 1999.

### CENTRAL MICHIGAN

Born to Brother and Mrs. **Jon E. Driscoll** '90, a daughter, Megan Elizabeth, on May 19, 1999.

### CENTRAL MISSOURI

Born to Brother and Mrs. **Tom Mullaney** '96, a daughter, Reilly Breeann, on July 26, 1999.

### CHICO

Born to Brother and Mrs. **Jeffrey Albright** '87, a son, Connor Hayden, on August 31, 1999.

### COLORADO

**Garrett Truax** '86, married to Beth Swanson on September 11, 1999.

### CONNECTICUT

**Mark Aulette** '89, has joined the Boston based Winter, Wyman & Company, New England's leading placement firm as a consultant, specializing in the placement of Information Technology professionals.

### GEORGIA TECH

**Andrew B. Smith** '94, married to Shayna M. Brodie on August 14, 1999.

**James Kenyon** '96, married to JoAnn Sanchez on April 24, 1999. James also recently won the 1998 S.D. Heron Award for most outstanding research accomplishment in the Air Force Research Laboratory Propulsion Directorate.

**Lyle Sprinkle** '96, married to Koren Harris on April 17, 1999.

**Christopher Ustruck** '96, married to Julie Lodge on May 15, 1999.

### GORHAM STATE

Born to Brother and Mrs. **Jeffrey Cook** '91, a son, Jordan Jeffrey, on June 23, 1999.

### IOWA

Born to Brother and Mrs. **Bob**

**Hamlin** '86, a daughter, Olivia Anne, on May 29, 1999.

### IOWA STATE

Born to Brother and Mrs. **Dan Stewart** '95, a son, Benjamin Daniel, on March 23, 1999.

### KANSAS STATE

**Jeff Liang** '94, married to Renee Laird on April 10, 1999.

### KENT STATE

**Steve Bossart** '90, has been promoted to Director of Annual and Special Gifts for the College of Arts and Sciences at Case Western Reserve University in Cleveland, Ohio.

Born to Brother and Mrs. **Rob Truex** '95, a daughter, Natalie Rose, on August 4, 1999.

### KETTERING-B

**Joel Tantzer** '98 married to Jennifer Bur on April 17, 1999.

### LSU

**Trip Green** '97, married to Kathleen Luce on August 8, 1998.

### LIVINGSTON

Born to Brother and Mrs. **Matt Hicks** '97, a daughter, Shelby Brianne, on May 14, 1999.

### LOUISIANA TECH

Born to Brother and Mrs. **Lee Crowson** '96, a son, Leslie LeRoy Crowson, IV, on July 1, 1999.

**Keith Snook** '97, married to Heather Selman on June 26, 1999.

**Jesse Reich** '98, married to Natalie Martin on May 29, 1999.

**Matthew Claflin** '99, married to Megan Markwick on May 29, 1999.

**Joseph DiAntoni** '99, married to Kelly Cavanaugh on June 5, 1999.

### MISSISSIPPI STATE

Born to Brother and Mrs. **Joe Cole** '86, a daughter, Rachel Elizabeth on April 4, 1999.

Born to Brother and Mrs. **Thomas F. Massey** '88, a son, Abraham Ward, on July 7, 1999.

### NEW HAVEN

Born to Brother and Mrs. **Edwin Renaud** '93, a boy, Jonathan, on May 2, 1998.

**Jeremiah McElligott** '99 married to Jody Festa on December 19, 1998.

### OLD DOMINION

Born to Brother and Mrs. **Thomas Bounds** '96, a son, Willian Kenan, on May 5, 1999.

## FAREWELL & PARTING

*These men have lived amongst us for a time, and we have been honored to call them Brothers. Now they are gone and we bid them a fond farewell at this parting.*
