Dues Reduction Details

On March 21, 2020, Delta Chi Fraternity's Board of Regents unanimously approved a dues reduction for spring 2020. In order to reduce future cost to the Fraternity, the Emerging Leaders Academy scheduled for summer 2020 was canceled. This reduction of dues is intended to offset the impact of the COVID-19 pandemic that has been felt at the local chapter and colony level.

How much is it?

Delta Chi Fraternity will be providing a credit of \$24.00 billed in the Spring of 2020. Colonies that receive a reduced rate for membership dues will see either a \$7 (if charged \$23) or \$14 (if charged \$46) per man credit. The amount of men credited will be the amount of membership that was billed.

How will it work?

The per man credit will be done through "Vault." This is a credit to your chapter or colony statement from Delta Chi Headquarters. The respective credits are scheduled to be issued by March 27. Chapters and colonies that have no balance will receive a credit to offset the billed amount of future dues.

Note for chapters and colonies that have an outstanding dues balance:

During this difficult time, it will be vital for all chapters and colonies to have a plan in place to pay off any remaining balance. In order to achieve a zero balance plan, all chapters must clearly communicate with each of their individual members. Chapters & Colonies that have an outstanding balance should be in contact with their chapter coach to discuss a plan. If you do not have a coach you should be in contact with James Ratliff, Director of Finance, at jratliff@deltachi.org or (319)621-2567. Please be advised that the plan referenced is not a formally acknowledged payment plan with the Fraternity. Formal payment plans can only be authorized by the "DD".

Your chapter or colony "D" is strongly encouraged to attend the [officer roundtable](#) on Monday, March 30 at 4pm ET. Please bring any best practices or questions you may have to the roundtable of your peers.
