GOOD SAMARITAN POLICY

This is the case even if the member who is assisting was a contributing factor to the emergency, so long as the member did not intentionally cause any physical injury. To be eligible for the benefit of this policy the member must fully and truthfully cooperate with any Fraternity investigation regarding the incident. An individual may benefit from this policy more than once, though repeated use of the policy may receive stricter scrutiny.

2. CHAPTER/COLONY: A chapter that seeks immediate and appropriate medical assistance for a person in need related to the use or consumption of alcohol, drugs, or to another medical emergency, may be eligible for mitigation of the level of corrective action imposed for violations of Delta Chi law and this Risk Management Policy. To be eligible for this potential mitigation, the chapter and its leadership must fully and truthfully cooperate with any Fraternity investigation regarding the incident. A chapter may benefit from this policy more than once, though repeated use of the policy may receive stricter scrutiny.
