

ABT Member Education Advisor Position Description

The ABT Member Education Advisor should....

- Support and work with the chapter's Associate Member Counselor (AMC) and member development/education chair
- Read and familiarize yourself with BRIEFS and resources regarding the Associate Member experience and ongoing member development opportunities
- Ensure the Associate Member (AM) program is written and followed. Groups are required to utilize the program provided by the International Headquarters
- Arrange for alumni participation in the AM process and ongoing membership development opportunities
- Meet with each AM class to educate on matters such as hazing and lifetime involvement in Delta Chi
- Assist the AMC work with the executive board to create meaningful chapter/provisional chapter programming all year
- Assist the Executive Board in creating safe brotherhood development activities
- Work with the Risk Management Advisor to ensure that the chapter/provisional chapter is educated on the benefits of assimilation as compared to hazing
- Encourage members to engage with continual education opportunities
- Promote participation in ongoing development opportunities for members available through Delta Chi; this includes Regional Leadership programming, International Convention, Workshops, Webinars, Delta Chi Mentorship Network, and the online learning platform.
- Promote participation in ongoing development opportunities for members available through your campus, including efforts from the Fraternity and Sorority Life office, leadership retreats, conferences, etc.
