

ABT Member Safety Advisor Position Description

The ABT Member Safety Advisor should....

- Support and work with the chapter/provisional chapter “F” and risk management committee
- Help the “F” plan and implement relevant risk management practices and education for all members, including the implementation of the "F" Talks series
- Work with the Member Education Advisor to ensure that the chapter/provisional chapter is educated on the risk management policies
- Assist the “F” and other chairs in planning events that are compliant with all relevant Delta Chi and campus risk management policies
- Support the “F” to help educate the chapter/provisional chapter on various health and wellness topics
- Participate in ongoing educational opportunities from Delta Chi, including “Open Door” webinar series and all required member safety programs .
- Understand and articulate Delta Chi Law and risk management policies, as well as the policies of your campus community
- Read and familiarize yourself with BRIEFS and resources regarding risk management
- Foster open communication and partnerships with campus offices and resources available to our members (i.e. Counseling Services, Health & Wellness Office, mental health resources, etc.)
- Support the chapter/provisional chapter in operating a judicial board to help maintain standards and expectations
