Member Resources

The ABT Philanthropy & Service Advisor should....

- Counsel the Executive Board and those leading service and philanthropy initiatives (committee chairs, project leads, etc)
- Read and familiarize yourself with BRIEFS and resources regarding philanthropy and service
- Assist the chapter/provisional chapter to create a signature philanthropic fundraising event that meets all of Delta Chi's standards
- Assist the chapter/provisional chapter to create service goals and long-term service plans, including identifying a local service partner
- Advise the chapter/provisional chapter in the development of their Week of Service initiatives
- Educate the chapter/provisional chapter about the difference between service and philanthropy
- Promote the use of CrowdChange platform and the chapter/provisional chapter pages that can be used for fundraising
- Encourage the chapter/provisional chapter to develop a relationship with the office responsible for community service opportunities on your campus
- Encourage the chapter/provisional chapter to develop relationships with local non-profits and service-based organizations in your local community
