INDIANAPOLIS, Indiana – The Delta Chi Fraternity is deeply saddened by the tragic passing of our esteemed fraternity brother, Riley Strain. Our hearts go out to Riley's family and loved ones during this incredibly difficult time as we work to provide support and resources to all those affected by this tragedy.

The Fraternity's Campus Assistance Program, which provides in-person resources and professional support, is available to our members 24/7 as they navigate through this challenging time. Additionally, we are working closely with University of Missouri authorities to ensure our local chapter members have direct access to campus support resources.

We ask for respect and privacy for Riley's family and our Fraternity brothers during this incredibly difficult time.
