

DELTA CHI

FRATERNITY

OFFICER DESCRIPTION: SCHOLARSHIP CHAIR

FROM DELTA CHI LAW:

- Each undergraduate chapter is expected to have a minimum cumulative combined (grades for that academic term of all chapter members combined) chapter grade point average at or above the all-men's or all-fraternity grade point average at their host institution or a 3.0 grade point average (on a 4 scale), whichever is lower.
- If the all-men's or all fraternity grade point average at the host institution is below a 2.7 grade point average, or if the grades are not available from the host institution, then the minimum standard shall be a 2.7 grade point average to be in good standing.

WHAT DOES THAT ACTUALLY MEAN?

- Foster a culture of academic excellence and encourage superior academic performance and a desire to excel within the chapter/provisional chapter.
- Develop a scholarship program ([see example here](#) or review the [Scholarship BRIEF](#)) and chapter/provisional chapter goals for the academic year that encourage, support, and celebrate academic excellence.
- Hold members accountable if they do not meet the academic standards set by the chapter/provisional chapter.
- Assist the Recruitment Chair in evaluating the academic potential and qualifications of prospective members.
- Promote academic resources available on campus, including any applicable financial scholarships and appropriate deadlines.
- Promote [Delta Chi Foundation scholarships](#) and applicable deadlines and be aware of any Chapter Scholarship Account options available through the Delta Chi Foundation.
- Chair the Scholarship Committee and meet regularly with the ABT Scholarship Advisor and/or Faculty Advisor.
- Meet with Interfraternity Council Academic/Scholarship Officer or other campus governing council peer officers as needed.
- Attend annual officer transition retreat and chapter retreat.
- Work with fellow chapter/provisional chapter executive board officers and chairs to develop action plans for the chapter/provisional chapter.
- Prepare and organize transition materials, and save all materials to an online cloud/database prior to transition.
