HOW THE CHAPTER-TO-CHAPTER BRACKETS WORK

In addition to individual brackets, the Delta Chi Bracket Challenge includes chapter-based competition that puts chapters head-to-head throughout the tournament.

WHAT ARE THE RED & BUFF BRACKETS?

- Chapter's are placed into Red & Buff brackets similar to a The Big Dance style tournament
- Advancement is based on chapter fundraising performance, not basketball picks
- As the tournament progresses, chapters "advance" when they raise more than the chapter they are matched against
- Think of this as fundraising The Big Dance, where your dollars raised move your chapter forward

HOW ADVANCEMENT WORKS

- Each chapter starts in either a Red or Buff bracket (this will be the same division that your chapter is in when we give awards in the late spring/early summer)
- At designated checkpoints during the tournament
 - Fundraising totals are reviewed for accuracy
 - Chapters with higher totals advance to the next round
- Brackets continue to narrow until a Red & Buff Champion are crowned!
- Delta Chi IHQ Staff will update brackets regularly and share progress on social media and online

Note: Chapter advancement is based ONLY on fundraising totals, not basketball picks

WHAT YOUR CHAPTER SHOULD DO?

- Treat each matchup as a mini fundraising push
- Share messages like:
 - "Help us beat [Chapter Name] this round!"
 - "We're \$200 away from advancing, donate now!"
- Celebrate every advancement publicly on social media and in chapter communications
 - Be sure to tag the V Foundation in your posts on Instagram (@thefoundation), Facebook (facebook.com/thefoundation) and TikTok (@thefoundation)

YOUR CHAPTER'S GOALS

- Before you begin, decide on what success looks like for your chapter
- Recommended goals:
 - Increase number of chapter participants
 - Increase on campus involvement
 - Raise money for the V Foundation's Dick Vitale Pediatric Cancer Research fund
 - Increase visibility of Delta Chi on campus

Tip: Write your chapter's specific goals down and share them with your executive board and members

 - Since 2006, The Delta Chi Fraternity and the V Foundation for Cancer Research have worked together to fight cancer. Recognizing the prevalence of cancer among its own communities and the urgent need for research and cures, Delta Chi has raised more than \$2 million for the V Foundation to date. Delta Chi's fundraising efforts currently support the Dick Vitale Pediatric Cancer Research Fund at the V Foundation, helping to advance innovative childhood cancer research.
- In total, the V Foundation has awarded over \$107.4 million in pediatric cancer research grants to the nation's top scientists. The V Foundation was founded in 1993 by ESPN and the late Jim Valvano, legendary North Carolina State University men's basketball coach and ESPN commentator. Valvano's "Don't Give Up...Don't Ever Give Up!"® spirit is alive now more than ever. With continued support, the V Foundation will continue to accelerate Victory Over Cancer® and save more lives.

The easier it is to sign up, the more participants you'll have

CAMPUS & CHAPTER ENGAGEMENT IDEAS

VISIBILITY

Kickoff event or bracket draft party

- Host during a chapter meeting or study hours
- Bring snacks or pizza and walk everyone through registering together
- Project the registration page on a screen during a meeting to help members sign up

Tabling or pop-up visibility

- Table for 1-2 hours in a high traffic area around campus with a QR code that links to the Bracket Challenge signup page
- Use a simple sign: Delta Chi Bracket Challenge – Benefitting the V Foundation, The Big Dance for a Cause – Scan to Join

Sidewalk chalk or flyer blitz

- Chalk short phrases like: “Beat Cancer. Build a Bracket.” Support the V Foundation or “\$10 = Big Impact”
- Post flyers with a QR code in approved campus locations

Social media takeovers

- Run a one-day Instagram story takeover showing:
 - Members building brackets, Fundraising totals climbing, Countdown reminders

SOCIAL EVENTS

Watch parties for major games

- Host in the chapter house, a lounge, or common space
- No formal programming needed - just food, games on TV, and a donation reminder

“Bracket Busting Night”

- Pick a high-upset game day
- Offer a small prize for the most “busted” bracket or biggest upset pick
- Use it as a reason to re-promote fundraising

Halftime fundraising push

- During a watch party, set a 15-minute fundraising goal
 - Example: “Let’s raise \$100 for the V Foundation before halftime ends!”

Mini teams meetups

- Encourage small groups (AM classes, Mentor groups, members with the same major or who play on the same sports team)
- Each mini-team sets a shared fundraising goal

INCENTIVES

First “X” number of people to register get:

- A chapter t-shirt
- Free food at the next chapter event
- Shoutout on social media

Small rewards for top performers

- \$5 coffee gift card
- Choice of icebreaker at chapter meeting
- Bragging rights

Chapter-specific leaderboard

 - Most money raised, Most donors recruited, Biggest fundraising jump

Tip: Recognition often motivates more than expensive prizes.

STORYTELLING & IMPACT

Don't just talk about brackets, talk about why this fundraiser matters.

WAYS TO SHARE IMPACT

- Share who the V Foundation supports:
 - Cancer is the leading disease-related cause of death among both children and adolescents

 - Private funding through organizations like the V Foundation has become a critical component of pediatric research support

 - The good news is cancer research is working! Since 1970, the cancer death rate has declined by 70% in children and by 63% in adolescents
