The college fraternity stands for excellence in scholarship. It seeks, as a part of its college, to promote diligent application to study by the fraternity member, not only in order that the requirements of the college be met, but also that achievement above the average level may be attained. The college fraternity adds its reward for intellectual attainment to those given by the college.

## Florida Shows The Way

BY C. WOODY THOMPSON, ILLINOIS '22  
NATIONAL DIRECTOR OF EDUCATIONAL ACTIVITIES

Heretofore, my annual report has been entitled: SCHOLARSHIP. For this report, let's be realistic and admit that our fraternity has no scholarship worth mentioning. So, instead of detailing the statistics chapter by chapter, I shall simply be content with highlights.

The brightest spot in the entire picture is occupied by the Florida Chapter. In my report for 1949-50, I took occasion to compliment that group for winning the improvement trophy. And, because it seemed to me that its improvement was no accident, I also described the "Florida plan" by which that progress was accomplished. (See p. 99, of the May, 1951, issue of the *Quarterly*). Now that the record for 1950-51 is complete, our Florida Chapter did even better than I had predicted a year ago. Specifically, here it is by years:

|               |        |
|---------------|--------|
| Pre-war years | +15.50 |
| 1947-48       | -16.11 |
| 1948-49       | -10.63 |
| 1949-50       | +12.27 |
| 1950-51       | +26.71 |

This record is remarkable in two respects. First, the year 1950-51 surpasses the pre-war record. That was no

mean accomplishment, because a plus fifteen was second place back in those days. But even more remarkable is the speed with which the Florida Chapter accomplished its scholastic revival. In one year, it jumped from deep red (-10.63) to deeper black (+12.27); within three years, it moved up from 23rd place in our rating to first place, or a jump of 42½ percentage points. NO OTHER DELTA CHI CHAPTER CAN MAKE THAT STATEMENT. So, it goes without saying that to the Florida Chapter goes the National Scholarship Trophy for 1950-51.

The Improvement Plaque, left, and Scholarship Trophy were awarded for 1950-51 to the Texas Chapter and Florida Chapter, respectively. This is the third time the Florida Chapter has been awarded the Scholarship Trophy and the chapter has won the Improvement Plaque upon two occasions. This is also the third time the Improvement Plaque has gone to the Texas Chapter. They were winners of the Scholarship Trophy in 1936-37.

A few other chapters made a respectable showing in 1950-51. In other words, they had group averages above the all-men's average of their respective campuses. In the order of their performance, they were:

- 1. Florida
- 2. Texas
- 3. Miami (Florida)
- 4. Washington State
- 5. Michigan
- 6. Iowa

All of these chapters are to be congratulated. The Miami (Florida) Chapter is a new one, and thus sets a real example. In addition, it was first on the campus. For the Iowa Chapter, it made twice in a row that it had a "plus" average, thus breaking with an unbroken tradition of poor performance. Michigan, too, is to be complimented. In a three year period, it has moved up from the bottom of the Delta Chi scholastic pile to fifth place.

It will be noted that the Washington State Chapter maintains its place in the "plus" group for the fourth year in a row. It has, however, dropped off sharply—from first place three years running to fourth place in 1950-51. That decline has dropped it from first place to fifth on its campus. The greatest improvement goes to the Texas Chapter. In one year, it moved up almost twenty percentage points. So, to the Texas Chapter goes our trophy for greatest improvement.

What of the other 27 rated chapters? Well, they range from barely under the all men's average at Arizona, California, Hobart, Nebraska, and Ohio State to a deep, brackish red at Washington. In fact, these 27 chapters divide into two groups, as follows:

Near Respectable

|            |              |
|------------|--------------|
| Arizona    | Miami (Ohio) |
| California | Minnesota    |
| Cornell    | Nebraska     |
| Hobart     | Ohio State   |
| Illinois   | Oklahoma     |
| Indiana    | Penn State   |
| Iowa State | Purdue       |
| Kansas     | S.M.U.       |
| L.S.U.     | Stanford     |

Union

Disgraceful

|                     |
|---------------------|
| Alabama             |
| A.P.I.              |
| Kentucky            |
| Michigan State      |
| Oklahoma A. & M.    |
| Oregon State        |
| Southern California |
| Washington          |

The dividing line between the above groups is a minus ten, or 10 percent below the campus all-men's average. Those in the "near respectable" group range from 0 to -10; those in the "disgraceful" group were below -10. The former can easily attain a plus average; those below appear to be doomed to continued poor performance. Of course, any of them could improve as Florida did, but most of them probably won't! If this be doubted, here is a summary of the five lowest in 1950-51:

| Chapter             | Chapter rank, by years |         |         |         |
|---------------------|------------------------|---------|---------|---------|
|                     | 1947-48                | 1948-49 | 1949-50 | 1950-51 |
| Alabama             | -13.87                 | + 1.91  | - 1.36  | -12.95  |
| A.P.I.              | —                      | —       | —       | -18.47  |
| Kentucky            | - 9.69                 | -17.42  | -11.88  | -19.38  |
| Southern California | - 7.82                 | -15.75  | - 7.43  | -11.87  |
| Washington          | - 6.69                 | - 8.37  | -13.64  | -20.87  |

What should be done with chapters with such consistent poor performance? Under our fraternity regulations, they should be placed on probation. If within a two-year interval, they have not markedly improved, their charters should be withdrawn. About all they contribute now to the fraternity world is a plentiful supply of ammunition to the critics of the fraternity system.

It will be observed that only 33 chapters are reported for 1950-51. That leaves eight for which I have no information. They are:

|               |              |
|---------------|--------------|
| Arizona State | Missouri     |
| De Pauw       | Osgoode Hall |
| Idaho         | Rollins      |
| Lake Forest   | UCLA         |

For some of these, no observations are possible. Arizona State, Lake Forest, and Missouri are recent installations. DePauw and Rollins in the past have had records of good performance, but these schools now refuse to publish scholarship ratings. Ratings have never been available for Osgoode Hall. Idaho is not rated because of its failure to turn in a membership list in the second semester of 1950-51. This is the second time since the war that this chapter has failed to turn in a membership list to the University. It was in the deep red the first semester, and so probably belongs in the "disgraceful" performance group. For two consecutive years, we have had no ratings on the UCLA Chapter. Earlier ratings were "minus" however.

In summary, about all that can be said for our scholarship is that we have continued our post-war pattern of twenty or less percent of our rated chapters with averages above their campus all-men's average. Before the war, the pattern was forty percent of them above. Nationally, we are well down the list of N.I.C. fraternities, ranking between fortieth and fiftieth place, and probably nearer fiftieth. So, about all that can be said for our overall performance is that it is a disgrace. If the fraternity system should suffer a set back in this country, the bulk of our chapters will have contributed their fair share to the disaster.

Lone Star Football

BY AL HARTING, S. M. U. '39

(Editorial Note: No one would expect a story about Texans, written by a Texan, and all of them Delta Chis, to be bursting with modesty. Yet there is no denying that big and noisy pro football news is being made in Dallas by a potful of Delta Chis.)

As he painfully lifted his husky but bruised anatomy from a dent in the sod and squatted down once more to meet the fierce onslaught of the ATOs, it suddenly dawned on lineman Giles Miller of the S.M.U. Delta Chis that playing football was an exceedingly unpleasant way to spend an afternoon. The year was 1940 and the scene was a rock-hard stretch of real estate on the SMU campus at Dallas reserved for intramural head-butting contests.

Twelve years later, in 1952, Giles Miller doesn't play football but he is involved in it up to his fertile, black hairline. As president and one of the principal owners of the franchise of the now-defunct New York Yankees of the National Professional Football League, Giles once more is discovering that the gridiron sport is without peer when it comes to dislocating the serenity of life in the Lone Star State. A similar realization has come to his stocky and bespeckled brother and fellow-executive in the propigskin business, Connell Miller, also a Delta Chi from the S.M.U. Chapter. Place strong ditto marks beneath the names of their spouses, whom they met on the S.M.U. campus, and who have been led innocently into the bedlam that appears to be a grid team owner's greatest occupational hazard. Giles's wife, Betty Jane, Pi Beta Phi, and Connell's better half, Martha, Delta Gamma, are stockholders in the team and agree that "things were never like this" back in the good old days when their football activities were limited to sitting in the stands watching the S.M.U. Mustangs in action.

Dubbing their acquisition the "Dallas Texans", Giles and Connell are devoting most of their time these days to evading swarms of job seekers, blinking at photographers' flash bulbs, trying to think up answers for reporters calling

and dropping in personally from every corner of the land, and figuring out how to assemble a team capable of scrambling out of the cellar position warmed up for it last year by its antecedent, the New York Yanks. They know that Texans and Dallasites, in typical style, want no truck with a loser and they agree that, from a purely business standpoint, it behooves them to manufacture a real champ.

To lead the way they have hired Yank Coach Jimmy Phelan and Yank Business Manager Frank Fitzgerald. So far, they haven't hired a publicity man and, having already worn out two sets of scissors on press clippings, they don't appear to need one.

Simultaneously, Giles and Connell are doing their level best to attend to matters relative to the Texas Textile Mills which they own and operate and each day they make brave efforts to function properly at the office. Looking on in awe—and in some degree of dread, lest they be sent onto the gridiron this fall to plug holes at tackle or tote water buckets—are two associates in the textile world, John Miller (no relation) and Scott DeLee, both Delta Chis and pals from undergraduate days at S.M.U.

Giles always has been an enthusiastic football fan and admits that every now and then he even enjoyed the tang of battle in the padless raiment in which he carried Delta Chi's colors into intramural contests. However, he really preferred handball. Connell, on the other hand, didn't pretend to be a football player, preferring to amble about the campus with his camera snapping landscapes and co-eds frolicking across the street from the chapter house. Connell's cameras are as much a part of his wardrobe as his sox and he probably wouldn't be recognized if he appeared in public without one slung around his neck.

(Continued on Page 70)

Leaders in purchasing the franchise of the Dallas Texans, the former New York Yankee Football Team, were Giles Miller, left, S.M.U. '41, and his brother Connell Miller, S.M.U. '42.

# Unique Honor

Delta Chi was paid a unique honor at the Cornell Law Association Luncheon on January 25, 1952, held at Hotel Commodore, New York City, on the eve of the 75th Anniversary Meeting of the New York State Bar. Every table was numbered at the luncheon, except one, and that one was clearly designated "Delta Chi".

The distinguished Cornellians who sat around the "Delta Chi" table were: Hon. Nathan D. Lapham, '95, former Justice of the New York State Supreme Court, now Official Referee, Geneva, New York; John J. Kuhn, '98,

former "AA" and "DD" of Delta Chi and Past Chairman of the National Interfraternity Conference, Lawyer - Oeland & Kuhn, New York City; A. Raymond Cornwall, '05, Lawyer, Watertown, New York; Winthrop Taylor, '07, Lawyer, New York City; Franklin R. Brown, '07, Lawyer, Buffalo, New York; George F. Rogalsky, '07, former Editor of the *Quarterly*, Vice President - Cornell University, Ithaca, New York; Francis L. Durk, '07, Lawyer - Cullen & Dykman, Brooklyn, New York; Hon. Hugh V. N. Bodine, '10, County Judge and Surrogate, Chataqua County, Jamestown, New York; Walter J. Evans, '10, Lawyer, New York, New York; Walter R. Kuhn, '12, former business manager of the *Quarterly*, Lawyer - Oeland & Kuhn, New York, New York; J. Arthur Jennings, '18, Lawyer, Rochester, New York; Hon. John R. Schwartz, '19, County Judge, Dutchess County, Poughkeepsie, New York; Frederick E. Bailey, '19, Lawyer, New York, New York.

Presiding at the dais this year was Randall J. LeBoeuf, Jr., '20, Lawyer, New York, and President of Cornell Law Association. Therefore, he was not able to sit at the "Delta Chi" table.

(Continued on Page 69)

Giles attended the University of Texas for a year before transferring to S.M.U. in 1939 to earn a B.A. degree in government in 1941, after which he studied in the university's law school. He yodelled in the campus musical organization, *Script & Score*, and was chief clerk and then president of Phi Alpha Delta law fraternity. He was Phi Alpha Delta national historian for two years. He and Betty Jane have three sons.

Connell got a B.B.S. in statistics in 1942, and went about clicking his shutter in behalf of the yearbook and the student newspaper. Today he is known around Dallas as the Big Chief of the town's caper-cutting Bonehead Club. Connell is "BB" of the S.M.U. Chapter. He and Martha are keeping up with Giles and have an equal number of male offspring—three. If Giles and Connell can't buy football players, they will grow them.

The Millers stirred the imagination of the entire country when it was announced early in the year that they had led a group of Dallasites in buying the Yankee franchise from Ted Collins, better known as Kate Smith's announcer, who had tired of it all and had financial red bruises to prove it. Sports fans everywhere feel that football-conscious Dallas will make its team both a competitive and a financial success and that the presence of a winning pro eleven down Deep In The Heart Of will be stimulus to the game generally.

Delta Chis can feel that, in a sense, they own a chunk of this club and can point proudly to the "Dallas Texans" as an outfit "run by a couple of our fraternity brothers". Being real sure nuff Texans, as well as real sure nuff Delta Chis, Giles and Connell in all probability will make this the rootin'est, tootin'est gang of bladder-busters in football annals.

# Blind Date

BY CARL A. PETERSON, '52, PENN STATE "E"

Several months ago we of the Penn State Chapter secretly began work on what seemed to be a very important and difficult undertaking, but one which we had thought would be scarcely noticed by the general public. However, much to our amazement, we received international recognition and publicity for our work.

It is customary here at Penn State to arrange blind dates for "big" dances if a member has no date for the big affair. Well, we have a member in the chapter from England and he is engaged to a girl from his home town of Wardley, England—but he hadn't seen her for two years. Our annual pledge formal was coming up in a month and he didn't think he could have his fiancée make a 6,500 mile round trip all alone for the big dance. So he agreed to the offer of having a blind date with his roommate's sister for the evening. Little did he realize that all fifty-one of the members and pledges here in the house knew, two months ahead of time, far more about his date for the elaborate dinner-dance than he did himself.

What was our big secret? Perhaps it is best to go back to September, 1950. Shortly after the chapter house was re-opened for the fall semester several of the members met a young English graduate student who had just arrived in the United States. He, Derek Turnbull, was here at The Pennsylvania State College to begin work for his M.S. in Mining Engineering. Derek was invited to visit the chapter and shortly thereafter he was pledged. After his pledge training period he became Brother Turnbull. In February, in accordance with his ECA scholarship which specified that Derek spend two years in the United States, the fall semesters studying at the College, the spring semesters and the summer vacations traveling around the United States and Canada observing mining techniques and methods of manufacturing mining equipment, Derek began his journeys about the country, returning whenever possible throughout the semester to visit the chapter. Then last September Derek returned for his final semester on campus with us.

All of us knew about Derek's fiancée "back home". We felt we almost knew Gladys Robson from seeing Derek's "picture gallery" of her, from the daily letters we saw him receive from England, and from the many conversations in which he described her to us. We also knew

that he had been hoping that Gladys might make a trip to the United States, but we learned later they had decided, with the devaluation of the pound, that such an extensive trip would be financially impossible.

Then, last October, John Nypaver and John Harris got a splendid idea. Without Derek's knowledge, they secretly discussed with us individually a plan whereby members of the active chapter would finance Gladys's trip from her home in Wardley, England to State College. Each member pledged what he could afford, but still we were short of

our estimated goal. We contacted alumni who had been active members during Derek's first semester in the house, we sold raffle tickets among ourselves in the house, and we returned case after case of soft drink bottles for the deposit refunds. Sooner than we had hoped our goal was reached. Then we outlined our plan in a letter to Gladys, airmailed it to her, and carefully guarded the mailbox to be sure that Derek would not discover our secret.

Almost sooner than we had hoped we received an enthusiastic answer. Gladys had arranged with her employers (she is a British Government Secretary) for a two-month's leave of absence for her trip. She wished us to keep her arrival a complete secret from Derek, rejecting our alternative plan of telling Derek about our arrangements as a Christmas present. We immediately contacted a Philadel-

# Motor City Alumni Chapter

Last spring a group of alumni in Detroit, who had been meeting informally for the past two years, became interested in becoming a chartered alumni organization. The article in the March, 1951 *Quarterly* entitled, "We Dare Them All" was a challenge to the Detroit group to be more than a fellowship group.

Realizing the importance of the objectives that were set up by the Philadelphia Alumni Chapter a year ago, the Detroit alumni decided to adopt similar goals. The objectives are four-fold in order to satisfy the diversified interests of the members. The objectives fall into four categories which are: Fraternal, Social, Business, and Service.

During the summer of 1951 the group was very active and enthusiasm ran high. Committees were appointed by John Haas, temporary chairman at the time, for the purpose of drawing up by-laws, to increase membership and to petition the National Fraternity for a charter.

The Executive Board and the active chapters subsequently approved the petition, and arrangements were made for the installation which took place November 14th at the Detroit-Leland Hotel.

Presenting the charter for the National Fraternity was John B. Harshman, Ohio State '07, member of the Executive Board and former "AA". Mr. Harshman also

phia travel agency that completed all arrangements with the steamship lines and, through their London office, assisted Gladys with credentials and other arrangements.

A representative of the agency met Gladys when the *Il de France* docked in New York on January 10th and arranged for her immediate trip by train to Harrisburg, Pennsylvania, where nine sleepy and giddy Delta Chis met her at 2:00 A.M. After a hundred mile drive from Harrisburg to State College, Gladys was brought into the house and told to wait in the first floor guest room while one of the pledges was sent upstairs to awaken Derek. To get him up and dressed at 4:30 A.M. the pledge had been instructed

delivered the message on "The Fraternity's Place in American Life".

Over fifty Delta Chis were present representing eleven chapters. Harold H. Emmons, Michigan '98, was the patriarch of the group. Younger members included active members from the Michigan and Michigan State Chapter.

Officers of the Detroit Delta Chi Alumni Chapter are: John C. Haas, Michigan State '49, "A"; John J. Albert, Michigan State '49, "B"; Wilbur L. Walter, DePauw '32, "C"; M. Craig Miller, Iowa '26, "D", and Robert T. Sheppard, Michigan State '50, "F".

Many plans have been made for the coming year, some are already a reality and committees are completing work on others. A banner year is anticipated for the newest alumni chapter of Delta Chi!

Climaxing the installation of the Detroit Alumni Chapter was the presentation of the charter by John B. Harshman, standing right, member of the Executive Board and former "AA", to John C. Haas, President of the Detroit Alumni Chapter. Others seated at the table are, left to right: Dick Reed, "A" Michigan Chapter; Henry de Koning, "BB" Michigan Chapter; John J. Albert, Vice President of the Detroit Alumni Chapter; Joseph F. Lacchia, "BB" Michigan State Chapter, and Richard Heise, "A" Michigan State Chapter.

to tell Derek that Herb Metz, a close friend of Derek's, who had graduated earlier, had stopped over briefly at the house while traveling through State College on his way to accepting a position in California and that Derek probably would not have the opportunity to see him before returning to England next September. The couple's immediate reunion took place in privacy, but fifty Delta Chis were lining the balcony and hall to greet the couple when they appeared, beaming tearfully, a few moments later.

We were determined from the start, in the fall and throughout the winter, to prevent our plan from being misinterpreted as a "publicity stunt". Our single object was

# Editorial Comment

(Editorial Note: The following editorial, which appeared originally in the *Star and Lamp* of Pi Kappa Phi, does not place the financial obligations of membership in a new light, but does call attention to an inescapable and irrefragable fact that all too often is forgotten or purposely ignored. While the procedures and mechanics of handling delinquent accounts differ between Pi Kappa Phi and Delta Chi, the underlying concepts are not at variance one whit.)

Just recently we received from an undergraduate a letter which ran something along this vein, "What kind of a brotherhood is this? Through circumstances beyond my control, I happened to get \$86 behind in my account to my chapter. I told them I would pay it when I could, but they sent my name in to the National Office for disciplinary action. Today, I received a notice that unless the account was cleared up within 90 days, I would be expelled.

"It seems to me that a fraternity should be one place where kindness and charity should rule supreme. Brothers should help one another, and not resort to sordid things like expulsion. Some people don't seem to realize that expulsion from a man's fraternity might be a very serious blow to him.

"And after all, we should not try to run a fraternity like a business for it is not a business but a spiritual brotherhood."

Oh how righteous doth become our indignation when we are challenged for being parasitic. What kind of a brother is one who would permit his \$86 bill to be split up among his brothers for payment by them? Should not the same kindness and charity he so sanctimoniously mentions, rule supreme within the individual also? If so, how, in the name of honor, can he call upon—rather demand his brothers to accept his word that "I will pay it when I can?" These men, like him, need their money too.

This man rebels at the expulsion method of discipline. It is strange to note that these same 100 men, who annually, complain that they cannot pay, pay right on the line when they find their membership in Pi Kappa Phi at stake.

So fraternity is not a business. Well, neither is a Sunday School picnic or a group fishing trip—but, by the Lord Harry, everyone is expected to pay his share on gasoline and the deviled eggs!

Our hats are off to those chapters which conscientiously report to the National Office those brothers who have accounts delinquent. After all, those members have 90 days grace during which they may restore themselves to good standing. We stand for a brotherhood where men

carry their load without expecting their brothers to pay the freight for them.

(Editorial Note: This editorial first appeared in the *Quarterly* in 1918. It was reprinted in 1942. With the present armed defense program exerting such an influence on college enrollments and fraternity plans, the editorial seems no less appropriate at this time.)

As is the nation, so is Delta Chi passing through one of the greatest crises in her history. The first call to arms materially reduced the numbers on our Chapter rolls. Further calls will more greatly deplete them. We do not complain. We are proud to make the sacrifice - proud to know our men are so loyally responding to their country's needs. But those of us who must remain must see to it that our fraternity is not overcome. The Active Chapters are the fountains from which flow new life. If they die, Delta Chi ceases to grow. And Delta Chi must go on.

On you, Men of the Active Chapters, will fall the brunt of the effort. It will be a hard and ceaseless task. Your work will not be easy. Your numbers will be less, your field of selection smaller, your expenses greater. You must assume not only your own duties, but the burdens laid down by those gone to serve their country. You must take them up willingly, resolving that your chapters shall be kept strong and secure against the return of the absent brothers. The difficulties opposing you will be great, but if you work with a vim and a determination, you can prevail. Conditions will change. Your present methods of conducting your chapter affairs may suddenly become impracticable. Keep alert. Watch for the new obstacles, and be prepared to meet them.

And you, Men of the Alumni, must assist. The burdens devolving upon the active men will at times be greater than they, unaided, can bear. Without you they will falter. They will need your labor, your advice, your guidance - sometimes your money - but more than all your encouragement. Make them feel you are behind them to the last ditch, that come what may they have your support. If they are in distress, realize their path is not of their own choosing, nor roughened by their dereliction. Our chapters, like nations and individuals, are suffering the effects of the personal ambitions of a Hun who seeks to rule the world. Our nation will prove unconquerable. We, active and alumni, must fight to make the same true of our fraternity.

## Alumni Dues

### IF PAID FOR LIFE

\$72.50 — if you were initiated prior to August 1923 and have not since that time paid up your life subscription to the QUARTERLY

\$60.00 — if you were initiated after August 1923, or if you were initiated prior to that time and paid up your life subscription to the QUARTERLY

(In August 1923 the Fraternity provided for life subscriptions to the QUARTERLY at \$12.50 payable at the time of initiation, although any member initiated prior to that time may become a life subscriber by the payment of this amount. In order to be eligible for commutation of alumni dues for life a member must be a life subscriber to the QUARTERLY. If he is not already such a subscriber, he must pay in addition to the \$60.00, the QUARTERLY life subscription of \$12.50. All members who pay their dues for life receive the QUARTERLY for life.)

### IF PAID YEARLY

\$5.00 — if you are not a life subscriber to the QUARTERLY

\$3.00 — if you are a life subscriber to the QUARTERLY and have been out of school more than ten years.

\$2.00 — if you do not come in either of the above classes

(All members who pay alumni dues annually receive the QUARTERLY as well as those who have commuted their dues for life. If you were initiated prior to August 1923, however, and have not since paid your life subscription to the QUARTERLY, the amount of your dues, \$5.00, includes an annual \$2.00 subscription to the QUARTERLY.

If you were initiated after August 1923, or if you were initiated prior to that time but have since paid your life subscription of \$12.50 to the QUARTERLY, your dues are only \$3.00 since you are already a life subscriber to the QUARTERLY.

At the time the alumni dues plan was adopted at the Yellowstone Convention in 1935, it was decided to make the amount less for recent graduates, and that explains the reason for the \$2.00 dues for members who have not been out of school for more than ten years. All of these members paid their life subscriptions to the QUARTERLY at the time of initiation.)

# With the Active Chapters

## Intramural Activity

**Alabama.** After winning the intramural championship in softball last summer, the chapter started off the fall semester with all intentions of capturing the rotating trophy which is presented just before the end of the spring semester to the fraternity with the most points in all athletics. Although Delta Chi placed only third in our league in football, we were the third highest point gainer out of twenty-six fraternities in the football field meet held last fall. Delta Chi had two tennis teams which advanced far into the playoffs, capturing points toward the rotating trophy. In golf, we won the runner-up position. Intramural basketball is still underway on the campus. We are confident of getting in the playoffs for we have only one defeat in four starts with two games left to play. Our softball team should have an excellent season as usual this next spring. As it stands now, Delta Chi ranks sixth in points toward the trophy. With our outlook for spring athletics being as good as it is, we intend to climb even higher on the ladder.

We are in the midst of our rushing program at this time and expect good results although there is keen competition among the fraternities as enrollment has fallen off. Our rushing program seems to be well worked out under the direction of Jack Whetstone.

The Alabama Chapter feels extremely proud of its housemother, Mrs. Bernice Shad, who has been here since the fall semester. After being with us during several summer sessions, we felt that the house would not be the same without her. Under her direction, the house atmosphere and appearance have improved noticeably. — ALAN STELZENMULLER, "E"

### Alabama Pledges

Jerry Baker, Barry Bradford, Benny Ray Cleveland, Jerry Cornelius, Jim Dismukes, Buddy Deason, Gene Dollar, James Edwards, Johnny Gibson, Glen Hammett, Hugh Harris, Bud Harvey, Walter O'Clair, Bill Roberson, Hurley Robbins, Jim Scruggs, Murray Smith, Lee Stegmeyer, Hoy Taylor, Sam Wells, Jack Wood.

## Intramurals

**Arizona.** The school year 1951-52 promises to be one of the highlights in the history of the Arizona Chapter.

Officers elected for the fall semester were: T. J. Case, "A"; Dave Riese, "B"; Mickey Bernstein, "C"; Bill Mattinson, "E"; and Sid Kain, "F". Don Watson and Jim Girard were appointed "D" and "co-D" respectively, for the fall semester by the Alumni Board.

We have a better chance than ever of taking the Intramural championship this year. At the end of the first semester we led by approximately seventy-five points. Delta Chi took first place in fall swimming and basketball. We placed a close second in track and third in cross country.

Our rushing program was very successful. We pledged men all through the year and at the present time have thirty-six pledges.

Don Watson and Wayne Tuttle were elected to Sophos, Sophomore honorary. Elected to Chain Gang, Junior honorary, were Vaughn Horman and Harold Watson, pledge — W. MATTINSON, "E"

### Arizona Pledges

Bob Bauer, Darrel Bruner, Joe Butot, Jerry Carter, Bob Davis, Evo DeConcini, John Eaton, Don Funk, Walter Gillespie, Roddy Griscom, Bill Hancock, Jack Hitchcock, Eino Jacobson, Charles Joyce, Dick Keefe, Dick Mattinson, Gaston McKnight, Larry Monier, Bill Reed, Dave Sakrisson, Charles Snider, Jim Starky, Dick Stern, Frank Stiller, Fred Thomas, Gary Vance, Gordon Whisler, and Art Wilkinson.

## Scholarship

**Arizona State.** We found that we would have been in third place in the scholarship competition during the spring semester of 1951, but due to an administrative error we were not officially entered. Our scholarship during the past semester has improved considerably and although the final results have not yet been computed for all fraternities on campus, to all appearances we are strong competitors for first place. Of our pledge class only one man failed to make his grades and with his completion of one incomplete course we will have had a perfect record for the semester as far as pledges are concerned.

We acquitted ourselves well in intramural football, taking third place, suffering one defeat during regular competition and reaching the semi-finals of the playoff tournament.

The upstairs of our house has been completely remodeled into dormitory sleeping quarters and we are about to embark on a project of building a dancing patio around the barbeque pit in our side lawn.

A house party was held on the night of the Arizona-Arizona State football game, at which the members of our chapter consoled the members of the Arizona Chapter about the lopsided score. The traveling trophy was removed from its place of honor in order to be presented to Joe Tameron, our "A".

Officers were elected for the coming semester: "A", Jerry Rice; "B", Tom Besich; "E", Chuck Findlay; "F",

John Elliot. In November Doug Todd, '51, was elected "BB", and Major Manley H. Dale, faculty advisor.

Our chapter alumni have held several meetings during the past semester and the number of alumni seems to get larger with each meeting. — CHUCK FINDLAY, "E"

### Arizona State Pledges

Donald Horn, Albert Caroppa, Ben Chavez, Marvin Hall, Austin Lynn, Paul McKissack, John Todd, Charles Van Driel, Lester Watkins.

## The New Look

**California.** With the cooperation of alumni, a new look has been given to our house; re-painted interior, a barbeque pit, and our back yard seeded to make a lawn.

Scholastically, our house is in the upper third of all the fraternities on the campus. Members with especially high scholarship are Ken Hopkins and Ed Clark.

A good social program was carried out the past semester, the main affairs being a Barn Dance after the U.S.C. football game and a semi-informal dance after the Stanford game. Three exchanges were held with womens' living groups and three with other fraternities. Next semester we will hold our Spring Formal and Hawaiian Dance. "California, The Toast of the Coast" was the theme of the homecoming parade and Delta Chi received the largest applause for its float.

Our chapter has been very successful in intramural activities the past two semesters. Championships were won in softball and handball and we finished high in other sports. Out of fifty-one fraternities we finished twelfth. This semester we have entered teams in softball, track, swimming, handball, volleyball, horseshoes, and bowling, and we expect to win at least two championships.

Letter winners were Johnny Pappa and John Obradovich, who made their letters in football. Pappa was one of the key players in Cal's defeat of Stanford by scoring two touchdowns. Obradovich was defensive captain of the Ramblers.

The new officers for the Spring semester are: John Obradovich, "A"; Bob Bland, "B"; Ken Hopkins, "C"; Ken Colt, "E"; and Dave Mills, "F". Continuing as "D" is Tom Herron. — KEN COLT, "E"

### California Pledges

Fred Harrison, John Tate, Merv Curtin, Charlie Eggleston, Ed Jenkins.

## Junior Weekend

**Cornell.** Thirty-two Delta Chi couples participated in the between-terms Junior Weekend, lasting from January 30 to February 3. Among the featured events of the weekend was a soap box derby race in which the house was

represented by the Delta-Xpress, a 12-foot, all metal creation driven by Don Cromwell.

The racer was damaged after crossing the finishing line of the first heat when it crashed into a dozen spectators, but no one was injured. Following a quick repair job, the Xpress was eliminated in the semi-final race which saw one of the fastest clockings of the afternoon.

House events on the weekend agenda included a "casino party" and a "coolie-how party," the latter offering coconuts containing refreshments. Dave Smith was chairman of the social committee.

With the fall term completed, scholarship chairman Tom Norton reports that unofficial compilations of the chapter average show nearly a one point increase over the fall term of last year. It would appear that Norton's rejuvenated policies are beginning to reap benefits.

Bill Marsh and Joe LaFollette have won parts in the Dramatic Club's forthcoming production, "Desire Under the Elms".

Activities chairman Roy Payne has infused the personal atmosphere into his job this year, concentrating on interviews with each active and pledge in an attempt to determine their present and future interests, and to direct them into activities which would best suit them. — BEV BENSON, "E"

## Scholastic Emphasis

**DePauw.** After plodding our way through the first semester and hurdling successfully the final exams that concluded it, we of the DePauw Chapter began the new semester with a newly found hope and expectancy for the days to come. The Air Force R.O.T.C. unit which was acquired by DePauw just this year is one of the main factors accounting for this air of optimism for the future. The men of Delta Chi feel more secure now than they have since the outbreak of the Korean War.

The new semester found a new set of officers taking over the executive duties of the chapter. They are Dave Morehead, "A"; Don Tomes, "B"; Hank Dornbusch, "C"; Norm Strasma, "D"; Dale Swihart, "E"; and Don Archer, "F".

The previous semester has been one of substantial improvement in the chapter house physical plant. In an attempt to better the rather temperamental heating unit, we have installed new stokers and also a new hot water heating unit. The parlors have received the addition of a new blonde cabinet Zenith radio-phonograph console. In an effort to show our housemother, Mrs. Hilda Tomlinson, our appreciation for her four years of invaluable service to us we have completely refurbished her quarters with furniture matched in limed-oak.

Again this year the DePauw chapter is placing great emphasis on scholastic achievement. This fact is shown in the record made by the chapter last semester. Although

The Board of Directors of Delta Chi of DePauw, Incorporated, gathered for their regular meeting at Homecoming last fall. The group has provided valuable help and suggestions pertaining to chapter finances and future plans. Seated from left to right are: Tom Stevens, "A"; Howard Petry, '27, Ed Strasma, '30, Bob Justice, '33, and Jim Obear, '27, "BB". Standing are Dale Swihart, "D", and Norm Strasma, Assistant "D".

expects to rank extremely high on the basis of an unofficial house compilation of grades by the scholarship chairman. Twenty-five men in the house hold scholarships; we doubt that few chapters of any fraternity can boast that fifty per cent of their men hold scholarships.

Delta Chi again has an excellent intramural program. In the season's only completed major intramural sport, speedball, the "Big Red" team placed second in the league. Basketball is now in full swing, and with rebounding height, speed, and experience, the sharpshooting Delta Chi squad should make an excellent showing. — R. DALE SWIHART, "E"

### New Home

**Hobart.** The best news to report is that the Hobart Chapter has obtained a house on Pulteney Street which we moved into on February 1. This completely renovated white frame house accommodates fourteen men with ease, the maximum number that the college will allow to live off campus. The entire chapter is well pleased with the new home and we are anticipating a gala social season next term. The new house successfully climaxes a search that began when our old house was torn down last summer to make room for a new state highway.

Under the leadership of Bill Rosing, Jack Durland and Ev Brazie the basketball team is sporting a three wins and one loss record. Delta Chi is currently in second place in the fraternity league but we still have hopes of repeating the championship we won last year. The one loss was by the slim margin of a single basket in a double over-time period.

Rushing was hampered last fall by our lack of a house,

but our Wednesday night coffee hours in Medbury Hall were well attended.

Just before Christmas vacation the Red Cross Bloodbank stopped at Hobart. Delta Chi led all other fraternities in blood donations.

The new officers of the chapter are: Richard Opperman, "A"; James Bird, "B"; James Moriarty, "C"; Ronald Isaac, "D"; and B. Allen Bladen, "E". — B. ALLEN BLADEN, "E"

### Bloodbank Record

**Idaho.** With the end of the first semester, the Idaho Chapter can look back on one of its most successful fall terms.

Delta Chis have participated in many activities, lending almost 100% to the recent campus blood drive, in which Idaho established a new national college record. Even with loss of blood the chapter was not slowed down. Gaylord Androes received a fellowship in Physics and Bob Paulus a fellowship in Plant Pathology. Don Johnson has been elected chairman of the Northwest Province of Newman Clubs.

Rush week was climaxed with the pledging of twenty new men to the Idaho Chapter; this is one of the largest pledge classes in recent years. In addition to the new pledges we also have an exchange student from Germany, Hubert Bucher, living with us for the school year.

While digging out from under a record snow fall, we found time to elect the following officers: Ben Nicholas, "A"; Wayne Anderson, "B"; Alton Harris, "C"; Bob Rowett, "D", and Don Mann, "F". — JUDD KENWORTHY, "E"

### Spring Carnival

**Illinois.** The beginning of a new semester also starts the long road toward Spring Carnival, the biggest event of the year here at Illinois. The proceeds go to the Campus Chest, an organization on campus similar to the Community Chest. Jack Brummer is chairman of our show.

We won the wrestling championship in intramural sports. Finalists were Bill Arenberg, Bob Willis, and Ted Sladek. We also finished first in our league in water polo. In the swimming meet between Illinois and Northwestern, one of our pledges, Bob Kramp, took first place in the 440 free style, and Bob Scholz, another pledge, finished second in the 100-yard free style. This is the first time Bob has taken anything but first in the 100-yard style.

We have received two new red imitation leather couches which improve the parlor considerably. Also new fluorescent lights have been added to our chapter room.

Results of our fall elections are: Herb Hoover, "A";

Steve Birkeland, "B"; Terry Davis, "C"; Jack Schmacker, "D"; Gene Gandrau, "E", and Jack Dau, "F". — GENE GANDRAU, "E"

### Illinois Pledges

Dick Nash, Carman Dodaro, Bill Zanetakes, Carl Kramp

### Trophies

**Iowa.** The fall spotlight focused upon our football team which won the Social Fraternity Championship, the second in three years. Both our lightweight and heavy weight basketball teams are presently playing in the University Finals.

Our pledge class of last spring won the Interfraternity Pledge scholarship cup for the highest grade point average ever earned on the University of Iowa Campus - 3.20. This cup plus our first place football trophy make two very worthy additions to our fireplace mantle.

The newest addition to our chapter house will be found in the north lounge. We are now the proud possessors of a television set.

Two new officers were elected this coming semester. They are Grant Gilbert, "C" and Jack Goggin, "D". Continuing as "A" is George Knoke and as "E", Ed Hunting. — ED HUNTING, "E"

### Iowa Pledges

Jack Burrows, Donald Blome, George Calvert, Lynne Caslavka, David Doebel, James Frost, James Gorackowski, Walter Homsey, David Iverson, Walter Jacobs, William Kafka, Jr., Harold Marquis, James Moyer, Whitford Niehaus, Jerry O'Neil, Kaye Ruske, John Spies, Carl Turk, Donald Williamson, Fred Zamberleth.

### Big Plans

**Kentucky.** The biggest news is that our alumni are making arrangements for a new chapter house. Even though it is still in the planning stage, we are confident that in the not too distant future we will be living in the newest and best chapter house on the campus. However, we are not lying idle in our present house. During the past two months, we have painted the entire inside of our domain in colors that would drive a modern design artist crazy with joy. We have not been too radical though - an interior decorator would beam with approval if he could see how nicely the colors of the rooms and the hall blend into each other. In fact, Seth Nuckols, who does window decorating for some of the stores downtown, helped us out by choosing some of the colors and giving expert advice about the different types of paint we were planning to use.

By the time this goes to press, we will have eaten our first meal in the chapter house on Aylesford Place. It will be quite an experience for us because up to now we have had neither a dining room nor adequate kitchen space.

Again Seth has helped us out and has painted a huge Delta Chi Coat-of-Arms which covers most of one wall of the dining room.

The new officers for this semester are: William R. Price, Jr., "A"; Charles A. Dodson, "B"; David A. Parry, "C"; Robert H. Doumas, "D"; Craig H. Ritchie, "E"; Samuel E. Welch, Jr., "F"; James S. Kostas, Pledge Master; Geroge W. Pendergrass, Jr., Rush Chairman; Craig H. Ritchie, Social Chairman. — CRAIG H. RITCHIE, "E"

### Kentucky Pledges

Charles W. Willilow, Robert E. Lee, Joseph C. Buchanan, Thomas E. Densford, Paul G. Terhune, Richard S. Bonn, F. Lowell Fields, Mart V. Mainous, Ronald J. Clark, Robert L. Iverson

### New Rugs

**Lake Forest.** To the casual observer the scene at the Lake Forest chapter recently might well have reminded him of a Moslem mosque in North Africa. The neat rows of shoes lined in the doorway and the sight of everyone in stocking feet would lead one to believe this. The reason for this foreign custom was not the occasion of a dance, but the arrival of our new hallway rugs. Everyone is attempting to take good care of our new addition.

In addition to the new rugs, the chapter is striving for further improvements for the second semester. The actives have taken over the job of painting the hallways while the pledges are completely redecorating the third floor.

At the close of the first semester two of the members were honored with awards. James Thompson received the Iron Key which is the highest award the college gives for scholarship, leadership, and achievement. James Blessing was voted the Most Valuable Football Player Award. Jay has four varsity letters in football and three in basketball.

Lake Forest Delta Chis have scheduled several fraternity functions this semester. The annual dinner-dance for the pledges and the Interfraternity Sing started the list of activities. Our social activities for the spring include our Spring Formal, a picnic sponsored by the Mothers Club, and several parties in which we entertain the sororities.

The new chapter officers for the second term are: William Fisher, "A"; James Thompson, "B"; Robert Felgen, "C"; Henry Reinke, "D"; Robert Waller, "E"; Kenneth LaPlant, "F", and Donn Wright, Pledge Counselor. — ROBERT WALLER, "E"

### Lot Purchased

**Miami.** Our chapter has made more than just a step towards a new house. A lot has been purchased. Mr. Rollin Rosser, a Dayton architect, has been contracted to draw plans for the new house, and construction should be started

this spring. Ed Southwick, '49, has led the alumni chapter in supporting the construction of the new house. Most of the funds for building have accumulated through the House Association, a corporation formed by the alumni of the chapter for the sole purpose of constructing a new house.

The "big" social event of the first semester calendar was the winter formal which went under the theme of "A Delta Xmas." The dance was held in the Brandt Room of Ox College. An attendance from the alumni body helped to make this dance a success.

The officers of the Miami Chapter are Doug Zellers, "A"; Blair Algie, "B"; Hal Stead, "C"; Ron Brown, "D"; Bill Bechtol, "E", and Dean Phillips, "F". — BILL BECHTOL, "E"

### Spirits High

**Michigan.** The Michigan Chapter hit the fall of '51 with extraordinary high spirit and turned our uninhabited house of the summer into the upside-downness that comes with use. Large quantities of paint were used along with new plaster which all together gave the house an attractive new look. But the biggest boost of all was given by our new cook, Juanita. We look to the future confidently and even expect to outdo our scholastic record of sixth among campus fraternities last year.

We topped the homecoming displays in size if in nothing else. Our giant football player with blasting drain pipe rifle towered 24 feet above the ground. The player, pursuing gophers, were set in motion by an ingenious little machine, which alas, failed to work at the time of the contest. Our theme of "We are the Gopher Boys, we hunt for gophers" was broadcast by an amplifier in a song which attracted many people to the display.

Intramural football saw us reach the finals in the second place play-offs, where we tied 13 to 13, only to lose in an overtime dispute for yardage. Then we dropped one more heartbreaker in our snow storm game with the Michigan State Chapter, 7 to 6, after leading up to the last minute. Though intramural basketball is barely under way and the team has only played one game, one of the starting five has turned to baseball and is warming his arm for the varsity team.

The newly elected officers for the spring semester are: Jim Sutter, "A"; George Owers, "B"; Don Shaffer, "C"; Fred Roneker, "D"; Willie Cortwright, "E", and Earl Sobisek, "F". — WILLIE CORTWRIGHT, "E"

### Activities

**Michigan State.** Last fall term saw the many activities

of the Michigan State Chapter continue as before plus new ones started.

For the fourth consecutive year we retained the "Red and Buff" jug, symbol of football supremacy between our chapter and the Michigan Chapter.

Our intramural program continued at the pace that placed the house third on campus last year. The bowling team was runner-up in the IFC race, the basketball team seems destined to finish high in the standings, while the swimming team rates as a strong favorite to repeat as IFC championship.

Another highlight of the fall term was a trip to Detroit by members of the chapter for the installation of the Detroit Alumni Chapter. Former Michigan State Delta Chis were instrumental in starting this chapter.

Elections were held at the end of fall term and the officers who took over winter term were: Pete Cook, "A"; Jerry Johnson, "B"; Chuck Champ, "C"; Jerry LeFevre, "D"; and Stan Kurzman was retained as "E".

The following men were initiated during the fall term: Ed Brazelton, Ted Dundas, Jerry Feldman, Bruce Harrington, Lou Kasischke, Dick Line, Jerry LeFevre, Elwin Meyers, Dick Pollack, Don Russell, Dick Sterner, Phil Thrope, and Lou Vargha. Initiates for winter term were: Jack Aylesworth, Bill Dietrich, Ross Heath, Ed Matthews, Wes Nelson, Paul Nyquist, Jim Lammy, Art Shubert, and Ed Towe. — STAN KURZMAN, "E"

### House Improvements

**Minnesota.** Primarily due to the devotion and spirit of Charlie Hatch, "BB", and Robert St. John, improvements in our house have come fast and sure. Three thousand dollars were invested in new acoustic ceilings, doors upstairs to replace the old wood decorations, and tile for the floors.

Then came a rushing program led by Eben Gillespie. Since the beginning of the winter quarter, we have pledged eight fine men and initiated two.

New officers recently elected are: John Walker, "A"; Dave Doty, "B"; Tom Vogt, "C"; and Jerry Murray, "F". — HARMON STANCH, "E"

### A Brighter Outlook

**Nebraska.** After a rather unsuccessful rushing program

during the first semester, we have embarked on a more successful one the second semester. Weekly rush dinners are held and many rushees have been attending. Already, several men have pledged due to this stepped-up method of entertaining from six to ten men each week. Rush Chairman Claus Uggle has generated a lot of interest among the members concerning this new program. Carried out to its fullest extent, this program can do a great deal for the Nebraska Chapter.

The Delta Chi rifle team is tied for first place in intramural rifle shooting. A playoff will decide the all-university champion. — MERRILL REAM, "E"

### Thirty-eighth Pledges

**Ohio State.** Our chapter began the new school year with a very successful Rush Week. Thirty-eight men were pledged as a result of an intensive program under the supervision of Gerry Lawhun. This brought the total chapter roll during Fall Quarter to seventy-nine. Eight men were initiated during the quarter. They were: Tom Evans, Al Bock, Anthony Gerzina, Bill Merkel, Fred Wilson, Herb Poston, Steve Howison, and Ian Donovan.

We again entered teams in all intramural sports, but so far have failed to uphold our tradition of winning at least one trophy. The football team was runner-up in its league, however.

On March 2nd our chapter was chosen as the "Fraternity of the Year" on the Ohio State campus by *Makio*, the year book. The announcement was made by the editor of *Makio* in the *Latern*, Ohio State daily newspaper. We topped fifty-one other fraternities in keen competition and will be featured in the Greek Organization section of the *Makio*.

The house has taken on a new look since the Holidays. The Mothers' Club purchased new draperies for the living and dining rooms and the Wives' Club purchased a new fireplace set and screen. These clubs have been working very well in cooperation with our new housemother, Mrs. Addie Adams. — BOB EDWARDS, "E"

### Striving Forward

**Oklahoma.** The University's policy, stating that all freshmen must live in university owned dorms, has necessitated an intensive campus rush this year. Rush Chairman Charles Waite has done well in selecting qualified men and has been well backed by pledges and members alike.

The chapter's "New Years" resolution is to endeavor to act with the harmony and efficiency of a single individual. This has been facilitated by house meetings to augment chapter and pledge meetings. Great strides have been taken to make this resolution a reality.

The chapter has enjoyed a very successful social season this past semester. The annual tea given for the faculty at Christmas received much favorable comment on campus.

At the union fair held on the Oklahoma A & M Campus recently, the Delta Chi Chapter was awarded a trophy for their queen candidate, Miss Cathy Temple, who won the title "The Fairest of the Fair". Boyd Baker, left, chairman of the Student Union Activities Committee, looks on as Miss Cathy Temple presents the trophy to the president of the Oklahoma A & M Chapter, Bob King.

Mother Vernon has been an invaluable aid in the promotion of all chapter events.

Results of the spring elections placed Ronald Barton in the office of "A" and Charles Matuszak is the new "B"! Other officers are: Charles Waite, "C"; Bill Massey, "D"; Thomas Lowery, "E"; Everett Dwees, "F"; Ed Lichtenstein, scholarship chairman; Danny White, pledge counselor; Harry Wahl, social chairman, and Charles Waite, rush chairman. — THOMAS LOWERY, "E"

### The Fair

**Oklahoma A & M.** The Student Union Activities Committee sponsored a fair in which organizations on the campus took part. Our chapter was very successful in its participation in the fair. We sponsored a horse racing booth. Art Kraft donated the use of his "miracle Foto Finish Derby" record, on which a different horse wins every time. Only one thing went wrong, we figured the odds wrong,

and didn't take in as much money as expected. Proceeds went to the Campus Chest Fund.

Most living groups on the campus sponsored a co-ed to vie for the honor of "The Fairest of the Fair". Our candidate, Miss Cathy Temple, took the honors, and reigned over the fair. The chapter was presented with a traveling trophy, a loving cup.

The Mother's Club has been operating in full swing since its beginning two years ago. During the past four months the group has sponsored two rummage sales and a quilt raffle, which netted a considerable sum of money. From the funds raised at the rummage sales and quilt raffle, the Mother's Club presented the chapter with two new dining room tables and some matching chairs.

Since the majority of the Mother's Club members live in Oklahoma City, their meetings are held there every two weeks. Once each semester the group holds a tea and business meeting in the chapter house so that as many mothers as possible may participate.

We have inaugurated a new scholarship program for the second semester, and hope to make it a permanent program. The program consists of a record of progress throughout the semester of each course taken by the actives and pledges. When actives or pledges are notified of an exam, they report the date of the exam and the course to the scholarship committee. If a low grade is made, one member of the committee, along with the active or pledge concerned, makes an appointment with the instructor of the course to determine the cause for the grade. The committee meets every two weeks and reviews the progress of each active and pledge.

The chapter recently held an election of officers in which the following men were elected: Bob King, "A"; Art Kraft, "B"; Max Greene, "C"; Buddy Miller, "D"; Charles Ueltschey, "E"; Duane Oyler, "F"; Wally Fisher, Social Chairman; and Ken Gates, rush chairman. — CHARLES UELTSCHHEY, "E"

**Dad's Day**

**Oregon State.** An enjoyable weekend was spent with thirteen Dads staying at the house during Dad's Day. Activities included movies, a smoker, and a basketball game between O.S.C. and Bradley U., with O.S.C. winning.

Bob Thomson's father brought with him a pet for the chapter - a black crow named Oscar. We are trying to teach him to talk, but so far this has been unsuccessful. We believe he is the only crow on the campus.

Elections were held in January with the following men taking office: Kamps Jones, "C"; Rollin Siefken, "D"; and Chuck Jensen, "E".

A well-rounded program of intramurals is in full swing now with basketball, handball, boxing and wrestling all

being pursued. At the next meeting of the handball team, Ted Richard and Daren Webster will decide the league championship. The basketball team has not been too successful, losing two out of three, but lots of fun and interest has been created. Wrestling is expected to start soon with seven men participating. Boxing is in the limelight with thirteen men entering the bouts. — CHUCK JENSEN, "E"

**New Furniture**

**Penn State.** The biggest event recently in the Penn State Chapter was the arrival of Gladys Robson from England and of all the work the chapter did for this visit.

However, there have been other achievements well worth noting. The Finance Control Board has signed a contract with a Philadelphia firm for \$8,700 worth of new furniture for the complete refurnishing of second and third floor study rooms. The contract covers study desks, chairs, burcaus, easy chairs, and large mirrors for each study room.

In the past few weeks the study rooms, in preparation for the new furniture, have been re-painted in pastel green, blue, and rose. Together with new drapes for the dining room and club room, and a completely re-decorated guest room, the chapter house is more colorful and luxurious than it has been for some years.

The result of recent elections held in the chapter are: Frank Williamson, "C"; Bob Frame, "E"; and William Bloemker, Pledge Counsellor. — BOB FRAME, "E"

**Entertained Alumni**

**Purdue.** The weekend of October 20th was a very successful Homecoming. To make it easier for the alumni to get together at the game with Wisconsin, a block of one hundred seats was reserved. This was the first time for this plan, and its success has called for an increase next year. A house jam session entertained the many alumni who gathered at the house for the evening.

Upon entering our chapter house, one is now confronted by a spectacular change. The first floor has been completely re-decorated. The old chandeliers were removed, and the floors were refinished. The dreary buff room was transformed with a modern spanish color scheme - deep green walls, white ceiling, and gray fireplace. Perhaps the greatest improvement are the new drapes and cornices, donated by the Mothers' Club. All we need now is new furniture, and ours will be the best looking house on campus.

Through determination and hard work, our chapter made its way into this year's Varsity Varieties, the annual all-student show at Purdue. Combining talents with the

Sigma Kappa Sorority, we gave an act depicting school life one hundred years from now.

Our chapter is picked as a dark horse in the inter-fraternity intramural race. At the present time we are in eighth position and moving up fast. Points gained in American ball, fall tennis, cross country, archery, golf, and softball played an important role in edging our chapter closer to the leaders in the race for the Fraternity Participation Trophy. We are hoping for a first place in the current basketball tourney.

On the scholastic side, the Purdue Chapter did very well last semester. With a house average of 4.15, we jump into eleventh place in the fraternity standings among 37 fraternities. This marked the highest ranking and the highest average in our history on campus. The average was well above the all-fraternity average of 4.01 and the all-men average of 4.02. — BILL NOTZ, "E"

**"Help Week"**

**Rollins.** Just as the National Fraternity took the lead in abolishing "Hell Week" a number of years ago, so the Rollins Chapter is leading the way toward the installation of "Help Week" on the campus. This year's pledge class, under the direction of Tim Lofton, "A", and Ralph Seidel, Pledge Counsellor, is doing much constructive work around the campus and formulating plans to branch out into projects that will aid and beautify the surrounding community.

Already much work has been accomplished on the lake front of the college. Through the pledges' efforts the shores of Lake Virginia have been rid of all weeds and unattractive undergrowth, and a new lot, recently acquired by the college for expansion purposes, has also been completely cleared.

Tentative plans call for painting and repairing the homes of many of Winter Park's needy plus additional work around the campus. The local chapters of other fraternities are soon expected to join in the movement and it is hoped that the members of all the fraternities combined can cooperate on some project within a short time.

The Rollins Chapter got off to an outstanding start this year with the pledging in November of the largest pledge class in the chapter's history. A fast moving and well organized rushing program led by Bob Peck resulted in nearly one-third of the freshmen taking the oath in November.

Not only the chapter as a whole but several of the individual brothers have been honored lately. Em Hunter, "D", and Tim Lofton, "A", were recently tapped by O.D.K., and elected a member of Who's Who in American Colleges and Universities. Ralph Pernice, "E", was one

of ten students in the college to receive an Algernon Sydney Sullivan Award.

In the intramural wars, the chapter has not been faring quite so well. However, we managed to snare the runner-up spot in tennis and are currently holding our own in basketball. — RALPH L. PERNICE, "E"

**Rushing**

**S. M. U.** In January new officers were elected for the spring semester. They are as follows: Eldred Barrick, "A"; Barclay Fox, "B"; Walter Watson, "C"; Dick Williams, "D"; Charles McGregor, "E"; Bill David, "F"; Laurel Miller, Rush Chairman; Putt Shaw, Social Chairman; Lonnie Land, Pledge Counsellor; Don Dozier, I. F. C. Representative.

In connection with the election of new officers, one in particular deserves special commendation for a job well done. He is Laurel Miller, rush chairman. Although only forty-one boys went through Spring Rush at S.M.U., the chapter pledged nine of those with fourteen fraternities competing. Three more have been added in open rush.

The chapter's intramural program has progressed steadily, winning the league title in tennis and ping pong. The chapter is now in third place in the race for the All-Sports Trophy. — CHARLES MCGREGOR, "E"

**Spring Picnic**

**Texas.** As a climax to a semester of hard work and of varied social activities, the Texas Chapter held its traditional Christmas party. The center of the decorations, a huge cedar tree, nearly filled the room. Main event of the evening was the presentation of suitable gifts to the various guests. Among the guests were numerous alumni, their wives, and various school officials.

Following Christmas vacation all too closely were finals. This hurdle, once past, left the way open for another brief respite from studies. Soon after the beginning of the new semester, initiation activities started.

Besides the usual social activities of the year, the plans for the coming semester include a picnic in May, which is becoming an annual affair. Usually held at Blue Hole, Wimberley, this picnic has in the past attracted a sizable representation of alumni. Those of us who were present at

the picnic last year are looking forward to it this year and hope that it will be better than ever. — JOHN PITTMAN, "E"

### Improvements

**Union.** The advent of the spring season finds our house and grounds undergoing large scale improvements. Two committees, the H.I.P.C. (House Improvement Planning Commission) and the garden committee are directing the work. A new roof is going on, the kitchen is being remodeled, and new furniture for the living room has been purchased. It has been an uphill battle to improve the house which the Alumni Association purchased in 1947. The way things are shaping up now the members will have a physical plant in which they can take justifiable pride.

Despite the waning participation in extracurricular activities which seems to prevail generally on this campus, the chapter has a large number of men participating in many campus organizations. Bob Kottman is a high jumper on the varsity track team and Jack Stuck played halfback on the soccer team this fall. George Nony, Bill Richardson, and Ron Woodruff sing in the College Glee Club which appeared recently on a local television show. Hu Plummer, Ralph Prusok, and George Cole all hold offices in Alpha Phi Omega, service fraternity. Dick Breault, Bill Graves, Norman Jankowski, and Hu Plummer are active in the College Radio Station, WRUC. Joe Schultz and Fred Sears are members of the Ham Radio Club W2GSB. The intramural sports season is not over yet, but Delta Chi's prospects for a high place are excellent.

The new term's officers were installed at the December initiation. The chapter showed its approval of Ed Knight's fine job as "A" last term by re-electing him for a second term. The rest of the roster of officers includes: Hu Plummer, "B"; Joseph Schultz, "C"; Jack Stuck, "D"; George Cole "E"; and Bob Cassidy, "F".

Thus with improvements to the house itself and with a new set of officers, several of whom are members of the large sophomore class upon which the chapter depends so heavily, the Union Chapter looks toward better days ahead. — GEORGE A. COLE, "E"

### Founder's Day 1952

**Washington.** Along with final examinations which closed the fall quarter, came chapter elections. The newly elected officers are: Leif Overby, "A"; John Zimmerman, "B"; Willis Barnhouse, "C"; Ted Osborne, "D"; Paul Petry, "E"; and Bennett McCord, "F". The quarter was closed with the tri-annual end-of-quarter party, held this time at the Green Mill. Christmas vacation saw some of the members skiing at Sun Valley for a week or two, while others headed for sunny California for the holidays. When

the boys returned to school after the New Year, they found the chapter house suffering from the damage caused by frozen and burst water pipes and radiators.

Many new changes are taking place in the chapter house this quarter. Redecoration of the dining room by the Mother's Club included changing the color scheme, adding window cornices and hammered brass wall pieces, and rearranging the drapes. As an addition to the pool room and dance floor which were installed last fall, a new card room and coke bar is under construction now, taking place of the old outside basement.

A delegation representing an alumni group from northern Washington met at the chapter house recently. Ways to stimulate a more active Alumni Association was the purpose of the meeting. Plans are now underway for the Founders' Day Banquet of 1952 to be held at the Elks Lodge in Everett, Washington. This active Everett alumni group promises a successful banquet and meeting this year.

Once a year at the University of Washington "Religious Emphasis Week" is observed. This year it took place the first week of February. As part of the program, prominent religious personalities on or near campus circulated among the organized houses to talk about religion. Well known among students on this campus is Father William D. Dooley, O.P.S.T.D., who spoke to us after dinner at the chapter house.

The newly formed rushing committee has been working on an extensive informal winter rushing program this quarter, and as a result we are proud to welcome two new pledges, Dan Barton and Bill Van Skyhawk, into the chapter.

The chapter also welcomes the following initiates: Doug Abel, Bruce Beatty, Don Bodine, Ron Bright, Phil Canyp, Ed Dahlgren, Don Gallagher, Bud Hazelgrove, Frank Herzog, Dick Lay, Pete Lotsfeldt, Roger McNeill, Erwin Rumery, Jerry Sheller, Herb Wilke, Whitney Wilson. — PAUL PETRY, "E"

Members of the Washington Chapter and their guests at the annual Winter Formal held at the Seattle Tennis Club.

### Pledge Program

**Washington State.** A new pledge program was initiated in the chapter last semester. The program is a merit system and has six main points; house jobs, cooperation, social manners, scholarship, activities, and pledge work. A maximum of 40 points can be made in each category, with 26 points being considered average. Thus to obtain membership a pledge must earn at least 156 points. One of the main objectives behind the program is to bring about an improvement in pledge scholarship. The pledge class grade average improved from a 2.08 at mid-semester to a

2.3 average at the end of the year. From an over-all view, the pledge program has improved to some extent, but there is still room for a good deal of improvement, especially in scholarship.

Bernie Benndroff, an exchange student from Germany, is staying at the house. Bernie is majoring in business administration.

The new officers were installed just prior to Christmas vacation. They are: Tom Brown, "A"; Jim Mildes, "B"; Dayton Holloway, "C"; Paul Anderson, "E"; and Rex Davis, "F". — PAUL ANDERSON, "E"

(Continued from Page 72)

to see a very happy and deserving couple from England enjoying themselves at our Pledge Dance. Bob Frame, whose neighbor is the editor of *The Pittsburg Press* casually questioned Bob during Christmas vacation if there was any possibility of a brief article appearing in that paper. However, by the time Gladys docked in New York, the story had passed completely over our heads. Seven reporters, sensing a human interest story, met her at the docks. The following morning the story, as an Associated Press newsfeature, appeared in all leading newspapers in the United States. Friday and Saturday the Penn State Chapter played host to photographers, news reporters, telephone inquiries, and commendatory telegrams.

The greatest surprise to the chapter, perhaps, occurred during the Pledge Dance that Saturday evening when Wally Krieger, "A", received a call from New York, re-

questing Gladys and Derek and two Delta Chis to appear on "We the People", which is televised weekly over NBC. The couple, with John Nypaver and Paul Bossart (Derek's roommate), enjoyed an expense-paid weekend in New York City and appeared on the regular Friday evening show.

On February 13, Miss Robson and Derek left for New York City, and two days later she sailed for Southampton aboard the *Il de France*.

We had only anticipated, in our plan, for a small personal reunion for Gladys and Derek. We expected nothing more than having the pleasure of a guest from across the sea and the delight of witnessing her reunion with our fraternity brother. But, in reality, we resulted in bringing not only our chapter, but the Penn State fraternities, the entire Delta Chi Fraternity, and the fraternity system in general, before the public in a constructive manner.

*I expect to pass through this world but once. Any good things, therefore, that I can do, or any kindness I can show to any fellow human being, let me do it now. Let me not defer nor neglect it, for I shall not pass this way again. —Grellet.*

## The 1951 Directory

Many alumni have written recently requesting copies of the 1951 Membership Directory. Because of this great demand, we have instructed the printer to make a second run.

The Membership Directory contains an alphabetical and a geographical listing of the entire membership of the Fraternity. The geographical list includes, in addition to the member's name, chapter, class year, and address, his occupation when available. It also contains pertinent information about the Founders and Government of the Fraternity, active and alumni chapters, and the National Officers.

Each alumnus who paid alumni dues in 1950-51 received a copy of the Directory free. If you would like to have a copy of the Directory, you can obtain one by writing to Delta Chi Fraternity, 16 South Clinton Street, Iowa City, Iowa. The price of the paper bound Directory is \$5.00

The remaining supply of handsome leather bound copies (shown below) is extremely limited, but copies can be obtained while the supply lasts. No more copies will be bound in leather. The leather bound copy, bound in red grained genuine leather, is priced at \$10.00. Make checks payable to Delta Chi Publications.
