Many of you do not even stand for creditable scholarship in your respective interfraternity councils. You allow carry-over of pledges where they should be dropped for poor scholarship. You do not put a chapter on social probation for falling down below reasonable standards. You would do much to improve public relations not only with the public at large, but also with the college administrations, if you laid down certain basic rules contemplated to improve scholarship and rigidly adhered to them.

ILLINOIS CHAPTER OFFICERS FOR THE SECOND SEMESTER, 1952-53

If honest leadership with high standards of integrity does not come out of our institutions of higher education we will not have such standards in this country; and if the organized groups on the campuses of the colleges and universities do not themselves take the responsibility for the development in themselves, by every possible means, of all these high standards of integrity, we are not likely to have them in this country. —JOHN W. White House Business Manager

On January 14th, President Eisenhower announced a new White House office of director of operations, or business manager, together with the appointment of Roger Steffan, Ohio State '13, to fill the post. Roger retired as Vice-president of the National City Bank of New York on January 31st.

Typical of the esteem in which he was held by his business associates was the testimonial presented to him by his associates in the Personal Credit Department of the National City Bank at a dinner on December 1, 1952. The testimonial reads:

To
ROGER STEFFAN
January 31, 1953
From
His Associates
In

THE NATIONAL CITY BANK OF NEW YORK
And

CITY BANK FARMERS TRUST COMPANY

Born January 29, 1893 - grocery boy - Phi Beta Kappa student - newspaperman - army officer - advertising executive - educator - banker - avocado grower:

Sir, we salute you as you retire, from one position of great responsibility and trust, to a further career as resourceful, as challenging, as inspiring as your past.

Banks throughout this land, the great financial institution which you have served so well for more than thirty-three years, and we who are your friends and admirers first and your business associates second, are and will continue to be the beneficiaries of your vision and wisdom. But the true beneficiaries of your talents are the countless millions whose paths you have made easier and whose futures you have made brighter because of the savings which you persuaded them to make and the funds which you lent them in their hour of need. These - the little people of our country - are indebted to you far more than they know.

And, so, Roger Steffan - deservedly cited by the Society of Phi Beta Kappa Associates and the American Bankers Association as the "Father of Consumer Credit in Commercial Banking", native Ohioan, New Yorker since 1919, Californian by adoption - we say neither good-bye nor au revoir, for we know your wisdom will continue at our disposal, as we assure you that you will always have our affection.

At a dinner in Roger's honor on December 8, 1952, the following appeared in the printed program:

Roger, we are but a few of your many friends, in and out of the Bank, who have been most intimately acquainted with you, your life work, and your accomplishments.

You have served your Bank, your generation, and your country with diligence, thoughtfulness, and integrity.

Roger Steffan, Ohio State '13, newly appointed director of operations at the White House.

The thirty-three years of your service with the National City Bank are nearly one-fourth of the entire one hundred forty years of its existence. Yet, in that relatively short time, the ideas you have conceived and adopted for the broadening of the Bank's deposit and credit facilities and your tireless efforts in their execution brought credit to your institution in the banking profession and the thanks of those countless customers of the Bank who have benefited.

May the blessings of good health and good cheer attend you as you leave us, not simply into retirement from present responsibilities but to even fuller, richer experiences and achievements!

Roger Steffan entered the National City Bank employ in 1919 not long after war service as a First Lieutenant in the Infantry. His first chance really to prove his business mettle came in 1923 when the bank authorized him to put on a campaign, his own suggestion, to boost the resources of its Compound Interest (savings) Department. Nothing like this had been attempted before. Under his leadership, the campaign netted 45,266 new accounts totaling \$3,259,335 in new deposits.

This job attracted the notice of bankers the country over. Roger followed it up by directing the organization of the bank's new Business Extension Department in 1924 - an enterprise which added nearly \$4,500,000 to the bank's deposit resources.

By this time nation-wide attention in business and financial circles had focused upon him. He left the Na-

tional City Bank in 1925 to become an "account executive" with a large Cleveland advertising agency, but was called back a year later to accept the position of assistant vice-president of the National City Bank.

The National City Bank pioneered a personal and consumer credit service, under the effective leadership of Roger Steffan, which has maintained a leading position in its field. As many as five thousand men and women come to the sixty-seven domestic branches of the Bank daily for financial help. Steffan has had a great influence on the whole consumer credit movement, both in encouraging its development and in teaching sound practice for its conduct.

Roger has been active in Delta Chi affairs from the time of his initiation into the Ohio State Chapter in 1909. He served as "E", "C", and "A" of his chapter as an undergraduate. In November 1916 he became editor of the *Quarterly* and held this position until February 1918. He again served as editor from May 1919 to September 1923. He was also a member of the Executive Board of the Fraternity from 1921 to 1923, serving as "EE", and has attended nine Conventions of the Fraternity. He was among the first alumni to pay life alumni dues when the plan was inaugurated in 1935.

Delta Chi extends its congratulations to Roger Steffan on his new position in Washington and wishes him every success in this undertaking.

At one of the undergraduate sessions, a most comprehensive picture was presented of the role that the National Interfraternity Conference might play in the program for higher education. Its forthright character, its definiteness, and its practical suggestions won emphatic approval. This was offered by Fred H. Turner, dean of students at the University of Illinois. A resolution was passed calling for a reconsideration of a more efficient central service organization which shall include the employment of a paid executive.

Fraternity autonomy was the subject of an important resolution which urged each member fraternity to study the questions and the problems involved and be prepared to come back to the 1953 Conference with definite views and decisions.

The proposal to be considered at that time follows:

"That in the opinion of the National Interfraternity Conference each member has the right to be selective of its own members, free from any interference or restriction by a non-member with respect to such membership.

"That any attempt to restrict or regulate the right of a college fraternity to choose its own members from among students in good standing in a college or university is an inadvisable interference with the fundamental right of free association guaranteed by the United States Constitution as the right of people peaceably to assemble.

"That in accordance with such principles the National Interfraternity Conference declares itself in

favor of fraternity autonomy with respect to fraternity membership."

Also passed after considerable discussion were the following resolutions:

"Resolved: That the National Interfraternity Conference recognizes the lifetime nature of both individual and chapter membership in its member fraternities and views with regret the slowly growing tendency of chapters to transfer allegiance from one member fraternity to another member fraternity; and be it further

"Resolved: That it is the sense of this Conference that these actions are detrimental to the continued sound growth of the college fraternity system, engendering and encouraging as they do the disregard of national affiliation; and be it further

"Resolved: That it is the sense of this Conference that member fraternities granting charters to resigned or disassociated groups primarily representing a previously active chapter of another fraternity within a period of five years from the date of such resignation or disassociation shall be considered as having violated the principle of interfraternity comity, except that in cases where the member fraternity of original membership shall officially notify the secretary of this Conference, in writing, that all rights have been waived by them then the aforementioned censure shall not apply."

Other resolutions called upon member fraternities to rid themselves without delay of members "whose aims, objectives, and activities are contrary to the best interests and welfare of the American college fraternity and antagonistic to fraternity ideals". National Fraternities were asked in separate resolutions to take an active interest in Greek Week and Help Week programs through their magazines, national offices, traveling secretaries, and alumni associations. They were also requested to abstain from circularizing colleges and universities or sending questionnaires to educational institutions or to fraternities generally without first checking with the National Interfraternity Conference to see if the information desired is already available or to find out if the circular or questionnaire may unwittingly contravene or impair some policy already established by the fraternities in their common agreement at the Conference.

The Executive Committee was instructed by a resolution to establish more alumni interfraternity councils and expand their sphere of influence to secure reports from existing councils of their activities and programs for dissem-

ination to colleges and universities that are without such councils, and to encourage through the national headquarters of fraternities the participation of alumni in this movement.

Charles E. Pledger, chairman of the National Interfraternity Conference, addressed the Undergraduate Conference on the subject, "Problems Fraternities Face."

He stated that the basis for fraternity problems lies in the conduct of individual fraternity men. If there were no individual fraternity members, there would be no fraternities. The individual members, whether weak or strong, determine the success and character of a fraternity.

He went on to say that one of the real problems facing the fraternity world today is poor scholarship among fraternity men. Since fraternity men are hand picked, chapters should pick men who will have an average equal at least to the all-men's average. If the individual fails in this role, he is not fulfilling what should be his mission in going to college.

Pledger also brought out the fact that the drinking habits of a great many fraternity men do not reflect credit on the fraternity system. He went on to say, "The matter of drinking is the individual's responsibility. If he over-indulges and conducts himself in an obnoxious manner, however, it then becomes the fraternity's responsibility and also the responsibility of the institution in which the fraternity is located."

He stressed the necessity of "Help Week" as a substitute for "Hell Week". Much good work is needed on the part of fraternities to eradicate one small bit of adverse news appearing in widely circulated newspapers. Many colleges and universities are substituting interfraternity workshops, interfraternity week ends, Help Weeks, and Greek Weeks for "Hell Week".

He also stated that another deplorable aspect is the failure of fraternities to honor their financial obligations. This unfavorable impression gives the public ammunition to further criticize the fraternity system.

In conclusion, he urged fraternity leaders not only to participate in the activities of their particular fraternity but also in the fraternity world of which they are a part.

National Interfraternity Conference

Marked by a record attendance of educators, a serious attitude toward the problems affecting fraternities at the present time, and resolutions dealing with such, the 44th annual session of the National Interfraternity Conference was held at the Waldorf Astoria, New York City, November 27-29, 1952. Four hundred eighty-seven were in attendance, including twenty-three presidents of national fraternities. Those representing Delta Chi were Marsh W. White, "AA", Henry V. McGurran, "AA"-Emeritus, Warren W. Etcheson, Executive Secretary, and Don G. Isett, Executive Board member.

The smoke of the DePauw chapter house forced the firemen to retreat outside the dorm onto the fire escapes. Smoke rose over one hundred yards in the air. See page 73 for a full story on the fire.

Delta Chi Scholarship 1951 - 52

BY C. WOODY THOMPSON, ILLINOIS '22
NATIONAL DIRECTOR OF EDUCATIONAL ACTIVITIES

This report on our Delta Chi scholarship for the school year 1951-1952 is in reality the final section of my general report given at the 1952 convention. (See the September 1952 issue of the *Quarterly*.) Therefore, this presentation will be limited primarily to two tables and comments thereon. Table 1 is presented primarily for the record. Table 2 is a new form and contains significant facts about our scholarship since the close of World War II. Below are what seem to be pertinent conclusions. They are drawn primarily from Table 2.

1. Texas appears to be the winner of the trophy for the chapter having the highest scholarship in 1951-1952. This makes it two years in a row for the Texas chapter. How about making it three in a row? To the chapter at Miami University (Ohio) goes the trophy for greatest improvement over the previous year.

2. In some ways the results for 1951-1952 show improvement. It will be noted that the number of chapters having respectable ratings rose both absolutely and relatively. As a result that group now constitutes approximately 30 percent of total rated chapters. Lest, however, too much be made of this improvement, I remind my brothers that the percentage of respectable chapters in the prewar years was generally 40.

3. Certain consistent "repeaters" will be noted in Table 2. The chapter at the State College of Washington appears in the +column for each of the five years shown in Table 2. Other chapters appearing frequently in the same classification are DePauw, Florida and Miami (Ohio).

4. It will be noted that there are some consistent chapters among those with -ratings. The following chapters appear three or more times with ratings lower than -10.

Alabama
California
Kentucky
Washington

5. In the five years covered by Table 2, 26 chapters appeared at least once in the lower than -10 groups.

6. I want particularly to direct attention to those chapters rating below -15. It will be noted that certain of them appear all too frequently. Even more discouraging, however, is the fact that in 1951-1952 three chapters established all-times low in poor scholarship. They are Kansas, Miami (Florida) and Oklahoma A & M. The over-all performance of the lower than -10 group has now fallen to the level of 1947-1948. In other words in the past year and in the earlier year cited about 35 percent of our chapters were below a -10 rating.

Further comment seems unnecessary. If with this record are read my comments made at the 1952 convention, it will be observed that about all that can be said is that it is a disgraceful performance. If the defense of the fraternity world were to rest on the Delta Chi scholarship record, the case would be irretrievably lost.

The Improvement Plaque and Scholarship Trophy were awarded for 1951-52 to the Miami University Chapter and Texas Chapter, respectively. This is the first time the Miami Chapter has received a scholarship award and the second time the Texas Chapter has won the Scholarship Trophy. It was winner in 1936-37 and has also won the Improvement Plaque three times.

DePauw Fire

BY DALE SWIHART, DePAUW '53

A serious fire gutted the upper structure of the DePauw Chapter's house on October 7, 1952. The fire broke out at a most inopportune moment, since it was discovered at 5:30 P.M. when the great majority of the men were attending a speedball game. Only several waiters were in the house, and they were on the basement floor, helping to prepare the evening meal.

The men smelled the smoke from the fire and upon discovering a huge column of smoke arising from the dorm windows, they telephoned the fire department. While awaiting the arrival of the trucks, the four men who discovered the fire tried to put it out with the four available fire extinguishers.

About this time the rest of the brothers were returning from the game. As they came south on Locust Street they could see a great gathering of people, and looking up they could see smoke rising over one hundred yards into the air. The fire department arrived about the same time as the bulk of the chapter. Upon arrival, the house officers formed the men and other DePauw students into a "chain gang", which succeeded in carrying out most of the personal property and belongings from the house. The furniture was also carried out of the blazing and smoke filled house, as the water started to gush through the floors.

The fire was under control at 7:00, but smoking mattresses in the dorm still ushered forth smoke, and the fire department and members of the chapter threw these mattresses down from the dorm onto the patio below. The furniture and clothes, and other property was stored in the houses and garages of the neighbors, who throughout the crisis lent valuable aid and support. From 6:00 until 8:00 food was served in the unharmed kitchen to satisfy the weary fire fighters.

A small fire broke out again in the dorm at 10:30 P.M. but the fire department was summoned and the blaze was quickly extinguished.

The fire was confined, for the most part, to the dorm itself, where it destroyed or badly damaged the beds, luggage, walls, floors, blankets, intramural equipment, and other house and personal belongings. The water which spilled from the third floor dorm through all the floors to the basement on the south side of the house, caused much damage to plastering, rugs, and other furnishings.

For almost five hours after the fire started in the DePauw chapter house, it was impossible to see anything in the dorm beside smoke.

At 9:00 that evening in a special meeting of Kappa Tau Kappa, the campus interfraternity council, Delta Chi was given a unanimous vote of help in any way that the other fraternities were able. During or after the fire, every fraternity on campus called to see in what manner they could help. Many sororities also called wanting to aid with blankets, coffee, etc.

Immediately after the fire, conferences with the insurance adjuster were begun. After about a week of surveying and work, the house and the adjuster worked out a settlement for \$10,600 for damage to the house structure, and \$5,600 for damage to the house contents. According to the adjuster, the cause of the fire was unknown, but the probability is that improper wiring in the dorm was the cause.

Two weeks after the fire the contractors started work in the dorm, and the chapter officers began purchasing new equipment for the house. Although some of the men lost their personal property in the fire, most of them were able to recover from their family insurance policy, since usually in a policy on house contents 10% of the value may be applied on goods destroyed away from home.

Although the fire has placed a great burden on the chapter at this time, the spirit and drive of the men of the chapter is at a high pitch. By now, most of us have accustomed ourselves to sleeping in other buildings, studying somewhere up campus, and eating in our own dining room. We await with anxiety the finish of the contractor so that once again we may get back into a normal swing of campus life.

This tragic event bears a message for all other chapters of the Fraternity. Each and every chapter should make a re-appraisal of its insurance program on its house and contents now before it is too late. The close contact between the Building Corporation or the Finance Control Board and the chapter proves to be invaluable at a time like this. The DePauw Chapter would have in all probability suffered a huge loss had it not been for the assistance of the Building Corporation when it came time for settlement with the insurance company.

With the Active Chapters

Winning Float

Alabama. Our chapter participated in Homecoming festivities this year by entering a float in the annual parade. The judges awarded first prize to our float which consisted of an elephant's head, covering the cab of a truck, a preacher and a devil standing over a casket, representing the opposing team, and a group of mourners following the truck.

As a special feature in celebrating Founders' Day this year, our chapter selected from a field of twenty-five candidates, Sue Eskridge, Alpha Gamma Delta, as Founders' Day Sweetheart for 1952. Also, at our banquet, the Chapter awarded cups to the outstanding active, the outstanding pledge, and a scholarship award. These awards were made by our faculty adviser, Paul Thomas, of the school of commerce.

The new officers for the chapter are: Rick Manley, "A"; Jack Mohan, "B"; Jack Bailey, "C"; Leroy Lord, "D"; Benny R. Cleveland, "E"; and Hugh Harris, "F". —BENNY R. CLEVELAND, "E"

Losses

A. P. I. The Chapter is now in the midst of a building program that in the near future will make Delta Chi one of the largest on the A. P. I. campus.

Although we lost only one member after fall-quarter graduation, we were hit hard by the large number of men who dropped out for one reason or another. A large-scale rushing program got us ten new pledges and they are carrying Delta Chi to new glory.

The Chapter so far this year, with the exception of one game, has had a perfect season of losses in intramural sports. We have lost every game.

The Chapter would like to pay special tribute for the fine work that is being done by our two faithful members of the control board. They are Claude Layfield, "BB", and C. T. Roberts, Florida '31, who are helping us. Without the sincere effort put out by these two men, we are sure we would not be as far on the upward road as we are. —JEROME JACKSON, "E"

Alumni Return

Arizona. The Arizona Delta Chis were honored to have a visit from Alumnus William G. Stratton, '34, governor of Illinois, in November. A dinner was given in his honor at the chapter house and many alumni attended to renew their friendship with Stratton.

The social life of our chapter has been quite varied this year. Exchange dinners and picnics with many of the sororities on campus filled the semester with fun. The pledges held a dinner dance in honor of the actives in the fall. The floorshow, menus, and decorations all followed the theme of a sidewalk cafe in Paris. The crowning event of the year was the Christmas formal at which Priscilla Bonham, now the wife of Paul Simmons, '54, was crowned Delta Chi Sweetheart.

The Mothers Club presented the house with a beautiful new radio-phonograph combination this Christmas and bought new drapes and a carpet for the living room. We couldn't get along without our "Moms".

We have our eyes on the intramural championship again this year. We've won first place in football, basketball, swimming, and wrestling and second spot in the cross-country meet, track, and golf.

The newly elected officers of Arizona Chapter for the second semester are Doug McPherson, "A"; Gaston McKnight, "B"; Ray Hannapel, "C"; Ned Thompson, "D"; Dave Meeker, "E"; Dick Rice, "F"; Don Funk, social chairman; and Jack Dickson, song leader.

With an extensive rushing program last semester we brought in twenty-five new pledges and we are looking forward to pledging new men who have registered for the second semester. —DAVE MEEKER, "E"

Bololiver

Arizona State. In November, under the guidance of the capable hands of John Elliot and Caesar Cipolla, the pledge class and members entered a float for the Homecoming parade. Although the competition was tremendous, we made a very good showing. In the afternoon, we had a buffet dinner for the alumni.

In December we had our annual Christmas dance which was held at the house. Every year this dance is one of the highlights in the chapter. The pledges, under the leadership of Tom Kay, did a fine job decorating the house in the Yuletide spirit.

The plans for this semester's rushing activities are centered around the formation of an accurate file on prospective pledges. This month our activities will be composed mainly of rushing.

The house has a new member this year. His name is "Bololiver", our half shepherd and half boxer puppy. He is at the present time head of the household.

The newly elected officers for the coming year are: Caesar Cipolla, "A"; Don Horn, "B"; Jerry Rice, "C"; John Elliot, "D"; Austin Lynn, "E"; and Albert Catroppa, "F". The pledge counselor is Austin Lynn. —AUSTIN LYNN, "E"

Extensive Rushing

California. The California Chapter of Delta Chi is very active with an extensive program of rushing. We have many good prospects and more are expected to come to the house under this program. However, the enrollment of the University has dropped cutting down the number of prospects. We still hope to get our share of new pledges and are working diligently toward that end.

Several pledges were initiated during February, ending the occasion with an initiation banquet and pledge dance. Many of our older alumni attended these affairs. The dance was as successful as those of the past have been.

We are pleased to have back with us this year Jim Miller who has just returned from the navy; however, several of our members are still in the armed forces. R. D. Bridgman, '51, is now in Korean waters serving with the Navy aboard the U. S. S. Shelton. He was recently promoted to the rank of Lieut. J. G. Burt Melner, '52, now in the Army is attending Cryptography School at San Luis Obispo, California. John Obradovich and Bob Mulligin are attending Leadership School at the army training camp at Fort Ord, California.

The highlights of this year's activities will be our annual Hawaiian Dance and formal which will be held April 18 and May 30 respectively. —KENNETH COLT, "E"

Rushing

Cornell. Junior Weekend was celebrated between terms, although the turnout was not so great as in the past years. The university adopted a policy of registration before finals instead of after, allowing students to go home between terms without having to return early to register. Bob

Michalski followed up his excellent Fall Weekend performance by spelling Buddy Morrow's orchestra at the formal dance held at Barton Hall.

Now that the new term has started, the house has settled down to a full-scale rushing program. This was necessitated by the unusually small pledge class of last fall and the fact that five men were lost at mid-year. Bill Marsh and Tom Norton graduated, Jerry Haines transferred to Syracuse University, and John Weenink and Tom Ryder dropped out of school. Sam Bixler, though, returned from a term's leave of absence, giving us a head start in our quest to bring the house to its full complement. At the time of this writing two pledges have been added to our roster.

Cornell faces the possibility of deferred rushing sometime in the near future. A series of new dormitories is being erected to replace the old temporary units, and the possibility of contract eating in these dorms is being studied by University officials. If contract meals are served, which remains somewhat doubtful judging from past experience, rushing would probably be deferred to ensure the university of greater participation in this system. Under the present system, freshmen pledges of fraternities commence taking meals at their houses immediately after pledging in the fall. —GEORGE COLEMAN, "E"

Epidemic

DePauw. Optimism is the matter of relative importance for the DePauw Chapter now that the first semester has ended in a rather hurried and unusual manner. After a week's vacation due to the flu epidemic which hit the campus in early January, our finals were pushed into a period of four days. But we have successfully passed them and are now secure in our new home - or should I say remodeled home! Since early October when fire swept through the dorm, the workmen have worked constantly until the damage has been completely taken care of. The men of Delta Chi feel that the new improvements have added a great deal to the house, and they have the opinion that the physical structure is in better shape than it has been for many years. Our optimism is also shown in the Air Force R.O.T.C., for the chapter hopes that the heavy demands of war will not cause Villa Lante to lose any of its members.

A new set of officers has assumed the responsibilities of the executive positions of the DePauw Chapter for the coming year. Loren Pitcher of Pontiac, Illinois, has taken over as the new "A"; other officers include Jack Beabout, "B"; Chuck Doeneck, "C"; Dick Krueger, "D"; and John Kerr, "E".

As far as the physical improvements of the house are

concerned, the damage created by the fire has been replaced by several new items. Our dorm has been completely refinished, and Villa Lante has a completely new wiring system. In the parlors and the upper hall new acoustic ceilings have been provided for. Mother Tom's quarters, along with all the study rooms on the second floor, have new ceilings and have been painted in soft colors. Another addition to the house this year, not a result of the October fire, is a modern bumroom with a television set and television furniture.

As in the past, the DePauw Chapter is placing much emphasis on the scholastic achievement of the chapter. Delta Chi again expects to rank among the highest in fraternity scholarship, this being the opinion of our scholarship chairman. The grades of the pledge class are outstanding, since we had three eligible for Phi Eta Sigma, freshman men's scholastic honorary, at the end of last semester. Only two of the pledges failed to obtain a grade of C or better, quite a record for a class of sixteen. Twenty-four men in the chapter hold scholarships, and we are fairly certain that Delta Chi boasts more scholarships than any other fraternity on campus.

In the athletic system at DePauw this year, Villa Lante sports several outstanding athletes. Juniors Jack Beabout and Dick Sharp received major football letters. Both of these boys were used on offense and defense by Coach Snavelly, Beabout being used as a halfback and Sharp holding down the right-end position. Coming up from the sophomore reserve squad is Jim "Moose" Wysong, a good prospect for a varsity tackle position. Of course, the spring will bring in the track season, and Dick Krueger and Don Archer should be consistent winners in the hurdle events. Both men have Little State championships to their credit. Along with track is tennis, and Delta Chi has some excellent prospects in the pledge class, four of the rhines coming from high school varsity tennis squads.

Intramurals have an important place in Delta Chi, and the house has been fluctuating in the first six places this year. We had a mediocre speedball season, but we expect to place high in basketball with the rebounding height, speed, and experience that the "Big Red" squad now possesses. Delta Chi is well represented in the organization of the intramural program, since John Kerr is the assistant intramural director for the campus and Bob Kimbell is the indoor manager. Three freshmen are assisting Kimbell as freshman managers.

Campus activities again have claimed Delta Chi as an integral factor. Senior Dave Morehead is business manager of *The DePauw* and president of Alpha Delta Sigma, national advertising honorary. Dave is also the past "A" of the DePauw Chapter. Debate has had increased popularity by the men at Villa Lante this year, as Dale Swihart, Ken Curtis, and four promising freshmen are quite active in the expanding activities of the debate organization. Swihart is the president of Delta Sigma Rho, national forensic honorary. Bill White has had three top positions in

the activities of the pre-theological field, and Bob Platt is the president of the men's glee club. —JOHN R. KERR, "E"

Chi Delta Meeting

Florida. During the past semester, we have done much to increase our intramural standing. Our football team, led by Dale Dewberry, Kieth Berry, Harry Black, Bob Merrill, and Bert Trice, captured the first place trophy and the entire first team was named to the first and second all-league teams. Our team reached the semi-finals in tennis and placed well in track, swimming, and table-tennis. We ended the semester in third place, only forty points behind the leaders.

The pledge class decorated the house and gave the actives a Christmas party. The highlight of the party was a skit given by the pledges mimicking some of the more outstanding actives. The pledge class also entertained the Kappa Delta, Alpha Delta Pi, and Sigma Kappa sorority pledge classes with dinners and informal dances.

For Fall Frolics, sponsored by the I.F.C., we danced to the music of Tommy Dorsey and held our own "Suppressed Desire" costume party on the following night.

Between semesters, Mother Hatfield, while visiting South Florida, held a luncheon for the mothers of the members and pledges from Hollywood.

Chi Delta Alumni Association held a meeting during the White Carnation week-end of March 27-28 and reports were given by Bill Usher, '26; Conrad Demro, '48, and Warren Davis, '43, on the Finance Committee; Ed Cothron, '52, Jim Hartly, '50, and Jim Vensel, '51, on the Building Committee; and from Joe Floyd, '43, and Moe McKinney, '41, who are investigating the possibility of selling our present house. These reports gave us a full picture on the progress made towards the possibility of building a new house on Fraternity Row.

Jim Robbins was recently elected president of Sigma Tau, honorary engineering fraternity, and Bob Desiderio has been named associate editor of the school newspaper, "The Alligator".

Chapter officers elected at the close of the semester were: Tim Poulton, "A"; Joe Trice, "B"; Tom Brady, "C"; Phil Springer, "D"; Ed Meserve, "E"; John Moore, "F". —ED MESERVE, "E"

Transformation

Hobart. The Hobart Chapter has just completed a very successful and profitable semester. The chapter was fortunate enough to maintain a high position in the intramural competition, entering teams in basketball, football, and bowling.

The members and the seven pledges have recently refinished the cellar of the house, transforming it into an enjoyable location for our numerous social affairs.

Our social activities under the leadership of Al Bladen have been "tops". Along with numerous banquets and week-end parties, we sponsored a Christmas party for twenty-one less fortunate children from the surrounding area. Our "A", John Kenny, climaxed an afternoon of games and refreshments when he arrived as "Santa" to distribute gifts.

Basketball Champs

Idaho. The chapter finished the first semester successfully. The annual Pirate Dance, Theta Christmas party, and the joint fireside with the Washington State Chapter were the main social highlights.

Delta Chi ranked high in intramurals by winning the Greek basketball championship. Hopes are high that we

will win the all-campus play-off which is coming up. Intramural bowling is under way, but league standings are not yet determined.

Mid-semester rush, with Jay Buhler as chairman, was a great success with the addition of six new pledges into the chapter. Dinner parties and movies provided the entertainment. Now wearing the Delta Chi pin are Ray Mundt, Tom Howard, Lee Foltz, Ray Kelson, Walt Brown, and Dick Jukich.

Carnival Coming

Illinois. Plans are now underway for the spring carnival in April. The chapter is out for another win this year. Two years ago we won third place with the show "Voo Doo". By a preferential selection, the house is matched with Delta Phi Epsilon this year.

Our annual warehouse dance was held the first part of March. This has been an outstanding campus dance for a number of years. Our pledge formal this fall was also very successful. The house was decorated with the fraternity colors and an archway was built over the patio.

Illinois lost to the Purdue boilermakers in its homecoming game, but the Illinois Chapter won second prize for its outside decoration. This is the first time the house has won a trophy for homecoming decorations since before the war. The theme was "You Can't Stop the I Bomb With a P Shooter."

In intramural sports, the chapter is holding its own by winning the swimming and volleyball championships. The house, as a whole, won six trophies in swimming. Bob Sullivan won first in diving, Jack Moskiewicz, pledge, won first in the 100-yard and 50-yard free-style. Carl Kramp, pledge, won first in the 200-yard free-style. James Crossley captained the volleyball team to its championship. In tennis, Bob McNally, pledge, went to the quarter finals. Right now we are getting ready for basketball and indoor track.

The new officers elected for the second semester are: William Stimart, "A"; Gene Gandrau, "B"; Charles Morris, "C"; John Menz, "D"; Richard Nash, "E"; and Robert Sholz, "F". Founders Reunite

Indiana. We here at Indiana, having completed our first semester, feel that the year will be the best ever in the history of Delta Chi of Indiana.

Among the noteworthy happenings of the past semester was the reunion of the founders and old alumni which took place October 8, 1952. Those prominent Delta Chis who were present included R. P. Good, '26, Russell A. Demotte, '27, Gene Hazel, '28, Lewis Raven, '28, Earl Pulse, '30, and Paul Jasper, '32. Some of these men had not seen each other since college days.

Elections were held recently. The new officers are: Resto D'Andrea, "A"; Dick Good, "B"; Dave Raven, "C"; John Galvin, "D"; and John Tibma, "E". Bob Uhleman is pledge counselor and Bob Tolbert and Jim Cammack were appointed intramural managers. At the present time Delta Chi stands third in all intramural sports.

Norman Miller, '49, is our new "BB". The new financial control board is composed of Lloyd Griffin, '28, John Hudelson, '28, Don Glancy, '50, and the "D" and "A".

Initiation was held December 13, 1952. New initiates were Jim Walter and Mac McDaniel. At the present time there are fourteen pledges. —JOHN TIBMA, "E"

Interior Decorators

Iowa. Redecorating study rooms to individual taste has been the objective of many hours of work by the Iowa Chapter Delta Chis. So far six rooms have been attractively painted and several more are nearing completion.

Along with the work, the chapter members have found time during the months of ice and snow to have several relaxing social events. The highlight of the holiday season was the "Winter Formal" held in a cozy atmosphere of evergreen boughs and mistletoe with plenty of blazing logs in the fireplaces. Guests of the Iowa Chapter at the formal included several faculty members and Warren Etcheson, Executive Secretary of the National Headquarters of Delta Chi.

The annual Inter-fraternity dance was held in the Iowa Memorial Union January 16, with Vaughn Monroe and his orchestra providing exceptionally good dance music. The Vaughn Monroe Caravan radio program was also broadcast from Iowa City that week end.

Intramural sports have given our chapter a chance to display the athletic talent we are proud to possess. Our

basketball team, which averages over six foot, has beaten some of the best teams on the campus and has its eye on a trophy.

Clyde Feltes, pitcher on the varsity baseball team, is looking forward to a good season. Wrestler Jim Moyer has already proven his ability on the university team. Several of our pledges are also showing promise for next year's competition.

Bob Stevens, "A", has been accepted into medical school. We hope he will be an example to the other pre-medical students in the house. New pledges during the first week of the second semester are Don Williamson and Bill Seawrite. —WHIT NIEHAUS, "E"

"Gold Dust"

Iowa State. At last our new chapter room is completed! Over Christmas vacation the chapter hired a contractor to install a new ceiling and inset lights. The contractor also installed benches along three sides of the chapter room. After vacation the pledges and actives alike set about to finish the room. The redwood benches were sanded and varnished and the room was painted a light green.

On February 1 three new men were taken into the bond. They were Everett Dencklau, Dale Jensen, and Jerome Woodard.

The Delta Chi Winter Formal was held on February 14. The house was decorated to portray the theme "Gold Dust". The music room and dining room were decorated in black and gold. Bob Peterson and his band from Ames played for the formal. Special guests were: Mr. and Mrs. Griffith Brogan, '27, Mr. and Mrs. Don Johnson, '50, and Mr. and Mrs. Clarence Rogers, '28. Several members from other fraternities on campus also attended.

So far this quarter we have had two dinner exchanges, one with Pi Beta Phi and one with Kappa Delta. Before the quarter is over, we hope to have several more with some of the other sororities on campus. —WILLIAM HOPEWELL, "E"

this year by Bob Garrity, a business major. The officers were installed January 12, 1953.

Our Annual Christmas formal was held on December 8 at the chapter house and it was considered a great social success by all. Our annual costume party was held on February 28.

Togas and Sandals

Lake Forest. The month of November found the members of the chapter very industriously decorating the house for a Roman party given for Gamma Phi Beta. The party was most unusual since everybody came dressed in Roman togas and sandals. A moat, complete with two goldfish, and a bridge guarded the entrance to the house. The chapter room was decorated with Roman pillars and appropriate statues. During the evening, several girls were "auctioned" off to the highest bidder along with our president, Jack Nash. The grand climax of the party was the appearance of a roast pig, complete with an apple in its mouth, after which two pledges staged a gladiator fight. After eating and drinking to the background of soft Roman music, everyone agreed that it was the best party that had been given all year.

The chapter continued its fine record in intramurals since we are at this writing well out in front in bowling and in second place in basketball.

We were greatly honored to have Dr. Ronald B. Williams assume the task of chapter "BB" after serving for twenty-seven years as faculty advisor. Dr. Williams replaces John C. Trussell who recently became a member of the Executive Board of the Fraternity.

On February 8, three men were initiated. They were Phil Gibbs, Roger Keene, and Charles Nier. The officers for the second semester are: Bob Waller, "A"; Henry Reinke, "B"; John Armbruster, "C"; Phil Lauman, "D"; Lyon Day, "E"; and Tom Mazur, "F". —LYON DAY, "E"

Rusty Rushing

Miami. Since the beginning of the new year, the primary interest of the Miami Chapter has been rushing. This year our rush chairman, Bill Powell, felt that the members were a bit rusty on their rushing techniques, so he planned a practice rush party to sharpen the boys up. High school

seniors from the general locality were brought to the chapter house, and the party was conducted as though it was a bona fide rush party. The party turned out to be a success, for not only did we smooth our rushing practices; we also gained contact with a fine group of high school boys, who may sometime be good Delta Chis.

Looking at the intramurals, we find the Miami Chapter holding its own. Although neither our basketball team nor our bowling team is at the top, they are both full of fight all the way. Captain Jim Breen's bowling squad has managed to cop four of its last six games to stay in the league running.

Still in our minds is the vision of a new house in the not too far future. This vision seems to come closer to materialization every day, as the plans have been drawn and the necessary money is slowly oozing in. —JOHN PARRISH, "E"

J-Hop

Michigan. After the fall semester and the frantic cramming for finals were over, the chapter cleaned house in preparation for the annual J-Hop held on February 6. The girls took over the house for the week end, as usual. This is one time of the year when even the mothers would consider the house looking respectable.

The important events in the last few months have been mostly social. We held our Christmas formal on December 13 at the chapter house. The house was decorated with holly and mistletoe. Three Christmas trees were placed in appropriate spots on the first and second floors. Dick Youngblood and Earl Sobisek (both '52) were present and are fast becoming our most "faithful" alumni.

Then on New Year's Eve, Len White, '53, turned his home in Detroit over to the chapter for what proved to be one of the best parties of the semester. Some of the members from the Michigan State Chapter attended and also several students from Wayne University in Detroit. With the spring semester coming up, we are looking forward to the chapter spring formal, I.F.C. Ball, and the usual number of parties in honor of the season's pinnings.

Michigan Delta Chis made a good showing down at the Intramural Building last semester. We took second place in the volleyball division and are now in the middle of a hectic basketball campaign.

For the next month or so the chapter is going to concentrate on rushing. We pledged a total of nine men last semester and are aiming for ten more this spring. During the last two years, rushing at Michigan has been rather meager in both the number of rushees and the number pledged. This year, however, things are looking up, thanks to the interest and hard work on the part of Bill Zerman of the I.F.C. More men were pledged last fall than in any

semester for the past two years. Consequently, the chapter should have a full house and then some, come next September. —PAT CARNEY, "E"

Welcome Mat Out

Michigan State. Returning from the Christmas holidays, the members were greeted by the newly elected officers, Robert Frost, "A", Ron Grim, "B", and Leroy Smith, "C". Al Meyers assumed the position of "D".

The first two weeks of this term were devoted to carrying out an extensive rushing program initiated by Tom Drum, our present rush chairman. The program consists of inviting men we are familiar with on campus to dinners, house parties, and athletic events. Although we take pride in quality, sixteen new pledges, who represent nearly all campus athletic and extra-curricular activities, have also given us quantity.

The chapter was pleasantly surprised by John P. Brady, N.Y.U. and Cornell '27, executive for Union Mutual Life Insurance Co., when he visited the chapter. John and Joseph Lacchia, "BB", were classmates at N.Y.U. Seeing a brother like John promptly brought suggestions for additional alumni gatherings. The Lansing alumni group, which consists of members from fourteen different chapters, "came to dinner" at the house late in January.

After winning the Homecoming display last fall, house interest is at an apex in intramural sports. We placed well in touch football and the Turkey Trot. Paced by sophomore Leroy Smith, the Big Ten Doubles and All-Events Champion, the bowling team was a semi-finalist in the all-college tournaments. At present our basketball and swimming teams are undefeated.

Although we have started planning for the annual Interfraternity sing to be held in April, we have not made any definite selection of arrangements. This spring we are hoping to better our second place standing of last year. —BILL DAMON, "E"

New Peak

Minnesota. The Minnesota Chapter has now reached its strongest peak in membership in the past several years. The chapter is made up of nineteen actives and sixteen pledges. The active chapter was recently enlarged by the initiation of seven new members on January 18, 1953. The week started out with full participation of the chapter and initiates in general house clean-up and repair. Outstanding repairs were the tiling and painting of the chapter room. This room is now much more attractively suited for the many fraternity functions. The initiation period was brought to a successful close with the help of several alumni who were in attendance. Those initiated were William Lockhart, Parker MacDowell, Dave Mills, Doug Myhre, Don Stechmann, Don Paulson, and Bruce Peterson.

An important control board meeting was held on February 5. Final steps were taken at this meeting to liquidate the chapter's debt to the National Fraternity. All funds were raised by voluntary contributions. Alumni present at the meeting were Cy Chase, '05, president, William MacGregor, '14, Alan Sulerud, '26, Robert Gillespie, '26, Harry Carson, '08, Charles Hatch, "BB", and others. Refreshments were served by the chapter following the meeting.

A testimonial dinner was held on February 23, in honor of our "BB", Charles Hatch. The dinner, which was put on by the entire chapter, was held at the Curtis Hotel in Minneapolis. The program which followed consisted of speeches of appreciation and presentation of a clock to the guest of honor who has done much to further our fraternity along with the fraternity system as a whole.

The intensive rushing program which got into full swing last summer is still continuing at a fast pace. Prospects for the remainder of the year are very bright and we

Victorious Actives

Missouri. We had election of chapter officers several weeks ago and new officers are: George Nitchy, "A"; Clark Cummins, "B"; and Roger Willsie, "C". We decided to wait until after initiations to elect the "D", "E", and "F". We want to wish these men success in their new jobs.

The pledges challenged the active chapter to a football game this fall. The actives won by a score 26-0. A trophy was given by the pledges to commemorate the occasion. The chapter has decided to make the pledge-active football game an annual affair.

Several members from the Kansas Chapter visited us over our Homecoming week end. They came down to see the annual Missouri-Kansas football game. They bet us a sheepskin on the game which Mizzou won 20-19.

Pledge Jim Martin made second team of the all Big-7 Conference. Jim is only a sophomore and plays both offensively and defensively.

On the intramural point list we have climbed seven places above where we were a year ago at this time. We took second place in our division in touch football this

year. We were beaten in our last game 6-0 on a trick play by Alpha Sigma Phi.

Ever Active

Ohio State. The members of the Ohio State Chapter of Delta Chi opened the new year of 1953 with their hopes set high. The new slate of officers consists of: Jim Thabet, "A"; Bob Monroe, "B"; Paul Davison, "C"; Al Leyerle, "D"; Dan Kenny, "E"; and Bob Wolter, "F". The actives were forced to give the pledges a party when the pledge class point hour exceeded that of the active chapter.

Delta Chi, with Alpha Chi Omega sorority, sponsored its annual Christmas party for underprivileged children. A turkey dinner was followed by an appearance from St. Nick, who had presents and candy for all.

Delta Chis are again active in campus functions. Loyd Turner was appointed co-chairman of the 1953 Military Ball. "Buz" Lukens, president of the Arnold Air Society, was appointed publicity chairman for the function. Dave Deppner is serving as the first junior editor of the "Agriculture Student". Many other Delta Chis are active in various organizations on campus.

The very active Wives' Club of our chapter sponsored a Sunday evening supper recently with the proceeds going for improvements of the chapter house.

Fraternity spirit is displayed admirably by both the active and pledge basketball teams. They both were tops in their leagues. With the winter formal held on January 30, the new year of Delta Chi started with a promise. —DAN KENNY, "E"

We expect to have the highest scholarship rating for the fall semester than we have shown in several semesters. Our scholarship development program has resulted in a remarkable trend of improvement during the past two semesters.

Our participation in basketball was marked by fervid interest in the sport, even though our team was none too successful. Currently, our table tennis teams are showing a promising number of victories.

Strong Bond

Oklahoma A & M. The dream of the few members and pledges that came back to school in the Fall of '52 has practically become a reality in the spring of '53. The comparatively new chapter here at A&M has grown from twelve to twenty-four men during that rather short space of time. We are still losing men to Uncle Sam, but in a sense we have gained. New men constantly wish to come into the brotherhood of the chapter, and we believe these men will fit perfectly in with us.

The group we have now is essentially a true fraternity. The strong bond is insured by our size, because we learn to know each other so well that we can trace our brothers' family trees back to their sources. This is essentially what our founders believed in. A strong bond of fellowship is developing here at this chapter. Our desire for this bond is almost as strong as any in the nation, we think. —RICHARD SIMMONS, "E"

Mr. International

Oregon State. Dick Stockman, '56, one of our pledges, won the Mr. International contest held by the Associated Women Students. It was part of the International Week Carnival sponsored by the same group. Dick was clad in the dress of a Scottish Highlander and really looked and acted the part.

The chapter initiated four men January 18. They were R. William Perrott, Robert D. Murphy, Richard F. Taylor, and Michael C. Lanham. Rushing is being carried on even with a full house. Roland Hendricks, '50, is back doing graduate work in Agriculture Education. Charles Larsen, '54, returned winter term after serving in the army for two years. Chuck is a business and Technology major, and was recently elected rush chairman.

Dad's Day was held February 13 and 14. All the members invited their Dads to see the campus and meet the fellows in the chapter.

Alumni En Masse

Osgoode Hall. Under the guiding hand of Grant Murray, the formal dance committee worked doubly hard to insure that both active and alumni received a royal time at our fraternity formal. The dance was held in January and was preceded by a coffee party held at the house. Then it was on to the Forest Hills Golf and Country Club to spend an enjoyable evening of dancing. As usual we thank John T. Clement, '54, for entertaining us during intermissions. The turnout of alumni in force gives rise to many thanks to Harold Elliott and his hard working Mailing and Names Committee. Harold's task at times proved difficult but he always managed to solve the difficulties.

The rush season has ended successfully. The pledge class as a whole is an enthusiastic group and is at present engaged on projects to improve the chapter house. These projects include the painting and decorating of the kitchen, the redecoration of several of the members' rooms, and the laying of tile in the leading hallway. —T. H. VAN SICKLER, "E"

Marked Achievement

Penn State. The spring and fall of 1952 have been marked by achievement in our chapter. Four of our brothers received scholastic honors, while three were elected to top offices in honorary organizations.

Don Blasche, enrolled in Geology and Minerology, received a Van Dyke Foundation scholarship of \$800. The award, given for excellence in scholarship, is awarded by the Foundation through the Atlantic Refining Company.

Bill Fennimore, who made the Dean's list last semester, received a \$250 scholarship from Golden Guernsey, Inc. The scholarship is a special award given to outstanding dairy students.

Dave Shultz, another Dean's list student, received a \$200 Scholarship from the Interstate Advertising Managers Association. The conditions of the award provide that it

be given to the most deserving advertising major in the journalism curriculum.

Another of our noteworthy scholars is Andy Harvey. Andy graduated Cum Laude in Mechanical Engineering in the spring. He is presently working for his masters degree.

Those elected to positions in honorary organizations were Paul Sappie, president of Alpha Kappa Psi, Commerce and Finance fraternity; Bob Frame, commanding officer of Arnold Air Society, Air Force honorary; Ed Steel, president of Alpha Delta Sigma, Advertising fraternity.

Bigger and Better

Purdue. Homecoming this year was bigger and better than ever, as more than seventy alumni returned with their families and friends. The chapter bought a block of 120 football tickets, so that the alumni could sit together to watch the game with Iowa. A typical Homecoming celebration was held after the game with plenty of hand-shaking and tongue-wagging as old friends met once again.

Last year we redecorated the house, so this year new furniture was purchased to go along with the redecorating. Tile floors were put down in the foyer, chapter, and dining rooms, to add the finishing touch.

Along with the new furniture, Biscay Villa also added a new housemother, Mrs. Hughes Patten. On Sunday, October 5, the boys really "put on the dog", and gave a tea in honor of Mom Patten. The tea was a huge success as more than 500 people dropped in to meet "Mom".

Once again our chapter made its way into Varsity Varieties, the annual all-student show at Purdue. We combined talents with the women from Wood Hall to produce "Monster Rally" an act depicting the weird and supernatural.

As in previous years, our chapter is again among the top ten fraternities in the race for the Fraternity Participation Trophy. Although our softball team was defeated in the play-offs for the championship, our American ball team is still undefeated in league play. With volley ball and basketball ready to begin, we hope to pick up the points needed to boost us to the top.

On the scholastic side, the Purdue Chapter continued to rise in the fraternity scholastic ratings. After last semester, we moved up to ninth place in the standings among the thirty-nine fraternities on campus. The house index of 4.27 beat last year's record high of 4.15. Our index

this year was well above the all-fraternity average of 4.00 and the all-men's average of 4.02. — CLYDE HAUGAN, "E"

Jerome Wood, pledge counselor, has set up a program for the class to include house improvements and an excursion along the Florida east coast to Miami with each pledge given a character-building assignment to be completed.

S. M. U. This chapter after many hours of hard labor was awarded "first prize" for the most beautiful homecoming float. We had a four hundred pound horse standing in front of a replica of Dallas Hall. The float was trimmed with red, white, and blue crepe paper made into flowers.

Just before our Christmas vacation, we held our annual Christmas dance at the Dryfus Club. We honored our house mother, Mrs. H. C. Chandler, who has been with us for twenty-three years. She will be leaving us at the end of the spring semester.

For spring rush, we have prepared a paper called "The S. M. U. Delta". Information concerning the chapter and its activities was compiled to be given each rushee. Stanford. Stanford Chapter is now recuperating from a very successful rushing season. After the usual rounds of parties we ended up with twelve top men. The climax to rushing came with the annual pledge party at the Marie Antoinette Hotel in Menlo Park.

Tom Little, a pledge, was recommended to us by his father, an alumnus of the Fraternity. The chapter is always interested in pledging good men and if more alumni would

send names of prospective members here at Stanford, it would be greatly appreciated.

Our pledge program under the able direction of Bob Tennyson shows signs of being one of the best we have ever had. Bob has plans of having the pledges paint the front of the house and put the final touches on the patio in back of the house in addition to the regular pledge training.

We are looking forward to our Rogue's Ball, an annual all-campus dance which we have in the spring. Last year the dance was a big success and we hope to have a bigger and better one this year.

Most of our members seem to have taken up interior decorating. Our rooms now range from bright yellow to dark red and metallic orange. Conrad Zion has fixed up the attic into a very comfortable room which is destined to be much in demand by the more studious members of the house. —JOHN BUSKIRK, "E"

"Texdelt"

Texas. Our annual Christmas party was held on the thirteenth of December at the chapter house. Various members, their dates, and alumni, including Clint Small, "BB", George Dacy, '48, and Ora Davis, '43, were present. The festivities included dancing, presentation of gifts and awards, and a skit by the pledge class. In keeping with our western traditions, the skit depicted the exploits of Slopalong Cassidich and the Cisco Kid - Krisco for shortening.

Most of the pledges were initiated in February, but several who pledged late in the semester will be initiated in May. Following the initiation the chapter held a banquet at the Hitching Post for the new members.

The January 1953 issue of *The Texdelt*, the chapter paper, was completed in January and sent to the alumni of the Texas Chapter and the parents of the members. Any alumni who did not receive *The Texdelt* should write to Phil Isett, 2606 Whitis, Austin, for a copy. Although *The Texdelt* contained considerable chapter news(no alumni news was available. *The Texdelt* staff had intended to include as a regular feature a column of alumni news. The chapter would appreciate items for this column from the Texas alumni in time for the spring edition.

Persistent rushing has been rewarded with more pledges than at any time in the last three years. In order to maintain the trend of improvement the chapter is planning an extensive rush program which will depend to a large extent on help from the Texas alumni since the chapter membership is still too small to do much without aid. —JOHN PITTMAN, "E"

Union. The last chapter meeting of 1952 saw the election of George R. Mills as "A"; Robert P. Cassidy as "B";

Hugh H. McKelvey as "C"; Robert P. Stewart as "D"; William F. Graves as "E"; John H. Steidl as "F"; Joseph G. Schultz as Social Chairman; and Stanley C. Newins as Rushing Chairman. After the meeting the annual Christmas party took place and was a rousing success, complete with Santa Claus, tree and humorous gifts such as toy cars, tops, balloons, etc. As the cliché goes, "A good time was had by all."

January at Union was a time of preparation, both for exams and the spring semester. The "intensified studying" (more commonly referred to as cramming) for exams was well done as it appears that the chapter will be among the academic top of the campus. With rushing deferred to the second semester this year, Stan Newins and his committee have been able to make thorough plans for gaining the favorable opinion of Union's freshmen. At the time of this writing, it appears that the many hours expended will provide us with a fine group of pledges.

Under the editorship of George Cole and Bill Graves, this year's issue of "The Deltic Eye", the chapter newspaper, has been published. Its purpose was two-fold - an alumni news letter and an information sheet for the freshmen concerning the chapter and its members.

Bob Kottman and Joe Schultz have been accepted at Syracuse and Albany Medical Colleges respectively - quite an honor for two juniors.

This time of year is a busy one, academically and extra-curricularly. Under the new leadership and with the continued enthusiasm of the actives and pledges, Delta Chi's position among the fraternities at Union will prosper as before. —BILL GRAVES, "E"

Clyde, The Mascot

Washington. Without a doubt the best known dog on the University of Washington campus is Clyde, the mascot of the Washington Delta Chis. Since Clyde first came to the house after being rescued from the Seattle dog pound and a five o'clock date with the gas chamber, he has risen from virtual obscurity to the point of being known by hundreds of Washington students. Usually to be found in one of the campus coffee shops dodging waiters bent upon ejecting him, Clyde, despite his many hours a day spent at coffee, attends classes fairly regularly although we lament to report that he sleeps through most of them.

Aside from following the antics of Clyde, the Washington Chapter has had a busy and enjoyable year to date, highlighted by the annual Winter Formal, held at the Seattle Tennis Club. The beginning of winter quarter also brought the election of new chapter officers and the initiation of thirteen new men into the active chapter. The new officers are Ted Christy, "A"; K. Holland, "B"; Whitney Wilson, "C"; and Ed LaBelle, "F".

Ray Mathisen, scholarship chairman, has reported that the entire house's grade average for fall quarter was high enough (2.5) to raise our standing among local men's living groups from 36th to within the first ten.

One of our most ambitious sophomores is Bud Myers who, in addition to being a professional magician and a member of Club Encore, campus entertainer's organization, is the producer of "Kings Kamera" a presentation of KING-TV in cooperation with the University of Washington. Bud, in handling the program, not only chooses the topic and speaker but manages all other matters necessary to the functioning of the show. Buffalo Alumni Meet

BY JAMES M. SHAW, CORNELL '45

The Buffalo Chapter of the Delta Chi Alumni held its annual dinner at the Styvestant Hotel in the Dutch Terrace Room last October. Forty-seven brothers, ranging between the classes of '01 to '51, were present.

The affair started with the cocktail hour at which old acquaintances were renewed and new ones made. An excellent dinner followed, after which the election of officers was held.

The Honorable Carlton A. Fisher, NYU '21, succeeded Manley B. Tillou, Buffalo '20, as president. The newly elected vice-president is Richard W. Werner, Buffalo and Cornell '08, and the newly elected second vice-president is Joseph Swart, Buffalo '20. James M. Shaw, Cornell '45, succeeded Robert C. Findlay, Cornell '42, as secretary-treasurer.

Ed Miller, Cornell '37, made a report on the National Convention and pertinent comments to the group were made by Bill Gorman, Buffalo '01, Dick Werner, Elmer Miller, Buffalo '15, Frank Brown, Cornell '07, James McIvor, Buffalo '21, and Frank White, Buffalo '23.

The newly elected president, Judge Fisher, anticipating great committee activity on the part of the group, appointed the following people to the various Committees:

As chairman of the Scholarship Fund, he appointed Judge Leslie F. Robinson, Buffalo '14, with Elton M. Dale, Buffalo '20, as his assistant. As chairman of the Sunshine Fund, he appointed Justice George H. Rowe, Buffalo '09, with Joseph Swart, as his assistant. As chairman of the Flower Committee, he appointed Judge William H. Munson, Cornell '10, with Manley Tillou, his assistant. Bert G. Weber, Buffalo '19, was appointed chairman of the Publicity Committee.

In the more serious trend of thought, the organization approved funds for the purpose of purchasing a law book to be presented to an outstanding student of the University of Buffalo, the presentation of which would be made by Judge Fisher, President of the Chapter.

The following brothers were in attendance:

Frank S. Anderson, Michigan '10; Gilford M. Berg, Buffalo '26; G. M. Blackmon, Buffalo '08; Franklin R. Brown; Elmer O. Carlson, Buffalo '25; Laurence E. Coffey, Buffalo '11; John F. Wright, Jr., Buffalo '32.

War is on its last legs; and a universal peace is as sure as is the prevalence of civilization over barbarianism, of liberal governments over feudal forms. The question for us is only How soon?

R. W. EMERSON, 1849

FORTY YEARS OF BALFOUR CRAFTSMANSHIP

DEDICATED TO FRATERNITY SERVICE

As we celebrate our 40th Anniversary year, the L. G. Balfour Company is proud to look back on its record of service to the fraternities and sororities. Founded on December 13, 1913, the L. G. Balfour Company was dedicated to serve the fraternities in the manufacture of their insignia, made for the first time in exact accordance with official contract specifications.

Such insignia is made from dies to give uniform gold content and exact design assuring the fact that each pin or key is identical.

Having surmounted the difficulties of two world wars providing vital defense work while serving the fraternities all the while, the L. G. Balfour Company on this 40th Anniversary pauses to rededicate itself to the service and satisfaction of the fraternity men and women.

You may be proud to wear your pin or key, fashioned by the skilled and experienced hands of Balfour craftsmen.
