Conway Appointed Vice President of Yuba Consolidated Industries

Michael E. Conway, Wisconsin '42, has been named Vice President-Public Relations for Yuba Consolidated Industries, Inc., of San Francisco. The announcement of his appointment was recently made by John L. McGara, the company's president. Yuba operates nineteen manufacturing plants in the United States, and is engaged in mining operations here and abroad.

Conway was formerly the Public Relations and Advertising Director of General Metals Corporation of San Francisco for four years. He held a similar position with the Pacific Car and Foundry Company of Seattle for eight years.

Brother Conway is a former "A", "C", and "D", of the Wisconsin Chapter. He now resides in San Mateo, California, with his wife Jeanne and their four children.

—ΔX—

Hayes McKinney, Prominent Chicago Attorney, Dies

Funeral services were held in La Jolla California on November 23 for Hayes McKinney, Northwestern '03, a widely known Chicago attorney.

In the 1920's and '30's Brother McKinney, a Democrat, gained fame as a prosecutor in several taxpayer suits seeking to smash a so-called paving contractors' ring. Also he was counsel for several insurance companies. In 1934 he was the president of the Chicago Law Institute and he was elected president of the Chicago Bar Association in 1937.

Brother McKinney had lived in California since 1953. He is survived by his widow, the former Alice Smalley.

Island Named For J. Henry Blount

The county commission of Florida's Duval County has paid tribute to J. Henry Blount, Virginia '14, for his long service to the county by naming an island after him. On September 8 the commission voted unanimously to name a 1,500 acre island area in the St. Johns River, J. Henry Blount Island. The property, actually several islands, was deeded to Duval County by the state of Florida in May, 1958.

Brother Blount has served as county attorney for Duval County for over 20 years. The city of Jacksonville is the principal city in the county, and the island is in the heart of a proposed port and industrial development area. In a resolution Blount was cited by the commission for his "outstanding ability, integrity, and keen perception of justice" in guiding the legal affairs of the county.

The resolution went on to state: "As a result of the acquisition of these islands after a long, discouraging, but victorious battle against seemingly insurmountable and overwhelming odds, Duval County today stands on the threshold of unlimited horizons for port and industrial development . . .

"This board wishes to adhere to the usual custom of honoring one whose untiring efforts and inspired determination have done more than any other person to vest the ownership of these islands in Duval County."

The resolution went on to say that County Attorney Blount is "a man of quiet and unassuming dignity, who has always kept faith with the responsibilities of his office and his own conscience." It also called him a modest man "who does

not seek or expect recognition, but who has so richly earned and deserves the same . . ."

Brother Blount is a native of Coffee County, Georgia. He began his law practice in Jacksonville in October 1914, and represented Duval County in the Florida State Legislature in 1931. From 1926 to 1931 he was chairman of the Florida State Board of Law Examiners and in 1927 he was president of the Jacksonville Bar Association.

—ΔX—

Kansas Chapter Hosts Dads

The Kansas Chapter held a Fathers' Weekend October 17th and 18th. It was the first activity of its type for the Chapter, and plans call for it to become an annual, if not a biannual, affair.

The fathers began the weekend on Saturday by attending the annual Kansas-Kansas State football game which was followed by a reception at the Chapter House. A steak dinner was served in the evening. The weekend was completed by church attendance and Sunday dinner the following day.

—ΔX—

Michigan Victrola

The following is an excerpt from the minutes of a Michigan Chapter meeting dated February 20, 1928, as submitted by Barry Wood, "E".

"On recommendation of Brother Bobrink, chairman of the Victrola Committee, it was moved that a fine of one dollar be imposed upon any man who winds the Victrola while it is still running. Motion lost for lack of support."

Belle Mansfield . . .

DePauw's Woman Delta Chi

Editor's Note: Though there are no records in the Headquarters Office to actually substantiate Mrs. Mansfield's membership in the Fraternity, there is evidence that she was very closely connected with the early DePauw Chapter, if not an actual member.

By Paul Stewart, DePauw "E"

The DePauw Chapter of Delta Chi is proud of its heritage as a law fraternity, and especially of Mrs. Belle Aurelia Mansfield, Delta Chi's first and only woman member.

Though it was sixty-six years ago that Mrs. Mansfield was initiated among the ten charter members of the early DePauw Chapter, her work is still remembered as an important part of the university's growth, and an honor to Delta Chi.

Belle Aurelia Babb was born in Burlington, Iowa, in 1846, and prepared for the Burlington Academy. Her many interests and capacities were seen there and

subsequently at Ohio Wesleyan, where she received her A.B. degree as a Phi Beta Kappa in 1866. In 1869, Belle went before the Iowa committee of law examiners and proved her right to practice law in that state. She then met a "hearty welcome" on the part of the bar association as the first woman in the United States to be admitted to full standing.

Putting aside any intention to practice law, she re-entered Ohio Wesleyan that same year, and emerged in 1872 with A.M. and L.L.B. degrees added to her already long list of achievements.

A year of study at universities in London and Paris followed Belle's marriage

to Dr. J. M. Mansfield, and the two returned in 1874 to teach at Iowa Wesleyan for four years.

In 1879, the Mansfields first came to DePauw, where Dr. Mansfield assumed a professorship of biology. Belle at once distinguished herself as a patroness of church and cultural groups in Greencastle, Indiana, and in 1886, she took over the office of university registrar.

From then on, Belle Mansfield became an increasingly important part of DePauw. She was the first professor of history, and preceptress of Lady's Hall from 1886 to 1890, and then also a professor of aesthetics for four years.

She was initiated into the Law Fraternity of Delta Chi early in 1893, and added to that recognition her appointment as dean of the School of Art in the same year. In 1894, she became dean of the School of Music in addition. Until failing health led her to resign in 1911, Belle carried out her responsibilities with unprecedented success. The continued existence of those schools under her dean-

ship is attributed to her insight during that trying period in the university's financial history.

As a Delta Chi, Belle was material in promoting the young Chapter at DePauw. Her dynamic personality and conversance in many fields of thought were invaluable to the members, and her influence was a definite aid to the Fraternity's standing. In spite of all efforts, however, DePauw's School of Law did not fare as well as those sections under Dean Mansfield, and in 1894 the charter members of Delta Chi transferred the charter there soon after, leaving an absence of the fraternity on the DePauw campus for the next forty-four years.

Today, Belle Mansfield is remembered by Delta Chi and DePauw not only for her unequaled personal achievements and ability to give aid to what she saw was worthy, but also for the spirit of capability which she fostered everywhere, and which remains as a part of her Fraternity.

Below is pictured the Illinois Chapter Founders' Day Banquet.

Founders' Day Message From the "AA"

October 13, 1959

Dear Brothers in the Bond of Delta Chi:

On this sixty-ninth birthday of our beloved Fraternity we are gathered at the various chapter houses and banquet halls throughout the land to celebrate this memorable day.

To the Alumni, this day should be a day of reassurance in knowing that our 45 active undergraduate chapters are carrying on well the responsibility entrusted them.

To the Actives of our chapters, this day and its observation by our Alumni should be an inspiration to each and every Active to carry on still further with great enthusiasm and determination.

This is the day of the year we gather to honor our Fraternity, and pay homage to our Founders.

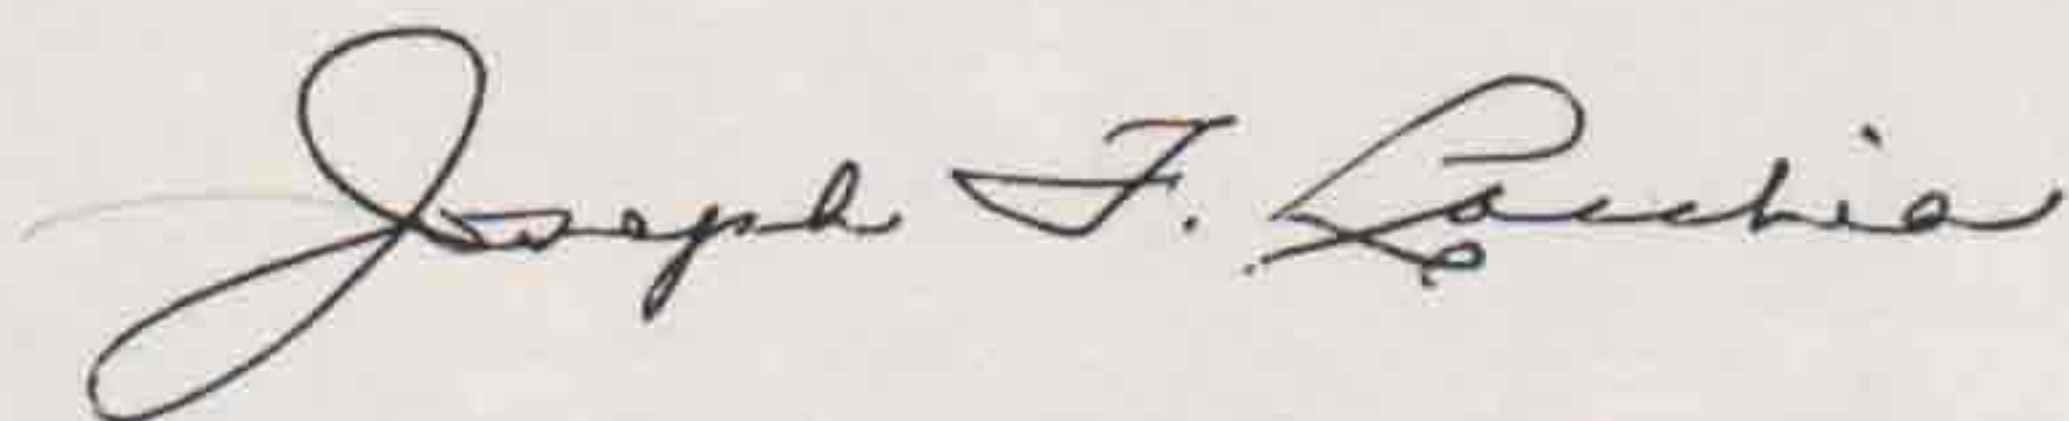

This is the day we bow our heads in reverence and respect for our Brothers who have gone beyond and will never more answer the roll call.

This is the day we take inventory as Actives and Alumni, and pledge and dedicate ourselves to further the glory of Delta Chi.

And so with great pride and extreme pleasure let us embrace as Brothers in the Bond of the Delta Chi Fraternity, and

"I'll bid you raise your voices high
And sing what to your heart lies dearest
The praise of dear old Delta Chi."

Yours in the Bond of Delta Chi,

Joseph F. Lacchia, "AA"

Chapters Observe Founders' Day

ALABAMA

It seems that Alabama Chapter's Founders' Day celebration has outgrown the Chapter House. The event was moved to the Alabama Union Ball Room and was a great success. A large number of alumni and faculty members were on hand for the occasion. University of Alabama president, Dr. Frank Rose, was the guest speaker and gave an inspiring talk on youth and the importance of forming good value judgments while still in college. Jeff Coleman, past "AA", and now director of the Alumni Affairs at Alabama University, gave a combined history of the General Fraternity and the local Chapter.

Annual trophies were awarded as follows: Stan Williams, most outstanding active; Jim Vickery, most outstanding pledge; Dick McLaughlin, highest scholastic average, and Bill Cate, scholastic improvement.

Dr. Frank Rose, President of the University of Alabama, is shown as he speaks at the Alabama Founders' Day celebration.

AUBURN

Founders' Day Banquet, celebrating the 69th Anniversary of Delta Chi's founding, was held by the Auburn Chapter on October 22 at Noble Hall's Banquet Room. With 125 attending, the program began as Bryant Crutchfield, "A", read the "AA's" annual message to the actives, pledges, and guests. Guest speakers for the celebration were Harold Grant, Assistant Director of Student Affairs; Bill Dorne, the new "BB"; and Claude Layfield, "DD".

Layfield, in his speech, told of the Chapter's beginning ten years ago, pointing out the trials and tribulations with which the charter Brothers were confronted. Dorne followed with a salute to the Chapter for its very successful rush week and stated his desire to be one of the best "BB's" Auburn has ever had. "Anchor man" was Harold Grant whose interest in young chapters on campus is unquestionable. In his speech, he expounded on the future of Auburn's fraternities and said that a spirit, such as Delta Chi's, has made the fraternity system what it is today and will aid in its future development. The Auburn I.F.C. has, for the past four years, been voted first and second places by the National Interfraternity Council.

Faculty members present included Brothers O. L. "Swede" Umbach, varsity wrestling head coach; Professor John Henry, industrial management; and Ken Ware, head dietician of Magnolia Dormitories who prepared the menu for the banquet.

BALL STATE

On the Anniversary of Delta Chi's founding, the Ball State Chapter held a banquet in the house. Present at the banquet were members of the Chapter's Alumni Finance Control Board and sponsors. Those present were Edwin Warner, DePauw '38; Don Roberts, Purdue '28; Dr. David Shepard, "BB" and member of the Ball State faculty; Edward Zahndt, '59, and past "A" of the Ball State Chapter; and Mr. George Welker,

faculty sponsor.

The program was composed of an introduction of the housemother, Mrs. Hazel Tuttle, introduction of guests and new pledges, a reading of the Delta Chi history from past to present by Brother Charles Auxier, and singing of *The Bond*.

CONNECTICUT

The Connecticut Chapter awoke on the morning of the Thirteenth of October to find the house full of white carnations. The members proceeded to celebrate Delta Chi's sixty-ninth birthday by wearing the carnations to class on their suits. Later a formal banquet was held. The guests of honor were Mr. and Mrs. T. Foster Lindley. Mr. Lindley, an assistant professor in the Philosophy Department, is the Chapter's faculty adviser. Also present at the dinner were Mr. and Mrs. David Hart, Mr. and Mrs. Bernard Halla, Don Chase, "BB", Dave Pope, Willy Myrnchuk, and Paul Monaco.

Barry Atwood, "A" presided over the dinner and opened the festivities with a congratulatory toast to the entire Fraternity. The banquet was concluded by a reading of the history of Delta Chi by John Peloso, "C", and the singing of *The Bond*.

CORNELL

The Cornell Chapter observed the sixty-ninth anniversary of its founding by toasting Delta Chi with champagne. With co-ed guests, the Chapter members heard a written speech by the "AA", Joseph Lacchia, and a speech by the "A", Fred Schmitt following a formal dinner.

Jim Fisher, "BB", delivers a speech entitled "What Delta Chi Means to Me" at the Florida Chapter's celebration of Founders' Day.

FLORIDA

A Founders' Day banquet was held in the Chapter House on October 13th with all actives and pledges attending. Alumni attending were Wayne Sandefur, '36; Manuel Amor, '53, and Bill Rouse, '58.

After a speech entitled "What Delta Chi Means to Me" by Jim Fisher, "BB", the group retired to the living room where the pledge class presented a program featuring pledge president, Richard Crook reading the theme of fraternities entitled, "Who Am I?" Following this, three pledges were formally announced as being acceptable for initiation into the Bond of Delta Chi. The program was concluded with the singing of *The Bond*.

HOUSTON

The Houston Chapter celebrated Founders' Day on October 14 with a banquet held in the new Chapter House. After dinner speeches were made by Tom Drum, "BB", Jim Brown, and Rowland Manatt.

IDAHO

Founders' Day was celebrated in a quiet fashion by the Idaho Chapter. A formal dress dinner was held, and several faculty men, who are Delta Chi alumni, gave short talks on the history of the Fraternity with personal recollections and comments on the Idaho Chapter. New Chapter pledges were addressed later by a Delta Chi alumnus who explained the history of the Fraternity in detail.

ILLINOIS

The Illinois Chapter celebrated the 69th anniversary of the founding of the Fraternity by holding a banquet in the Chapter House. A turnout of eight alumni created the proper atmosphere for the occasion. After the meal was over a few Delta Chi songs were sung. Following the singing a speech was given by alumnus Ben Stiritz on the history of the Illinois Chapter. Walt Schramm, Chapter "A", read a letter of greeting from Joseph F. Lacchia, "AA".

INDIANA

The Indiana Chapter of Delta Chi celebrated Founders' Day with a banquet in

the Chapter House. R. C. White, Chapter "A", gave a short talk on the international and local history of Delta Chi.

The banquet was a formal dinner, with an appetizer and hors d'oeuvres served before the meal. The brothers wore suits and white carnations all day. The meal was followed with a short talk by Brother Wayne McLean, urging members to further the Chapter. Ceremonies ended with the singing of *The Bond*.

IOWA

Again this year, Iowa Founders' Day ceremonies were observed in conjunction with the Iowa Homecoming. Following a Hawkeye victory over Michigan State, a buffet dinner was served at the Chapter House for all returning alumni, parents, and guests. Following the dinner, an active meeting was held commemorating the birthday of Delta Chi with a number of the alumni attending.

IOWA STATE

On October Thirteenth the Iowa State Chapter celebrated the sixty-ninth birthday of Delta Chi by holding a dinner for the alumni in the Des Moines and Ames area. This occasion was to serve several purposes; the first, of course, was to commemorate the founding of the Fraternity; the second, was to consider the founding of an alumni chapter in Des Moines to serve the many alumni who live in that area; and, the third, was to further the interest of alumni in the Des Moines and Ames area in the Chapter.

Although many from the Des Moines area were unable to attend, Bill Svenson, '56, arrived and discussed the proposed alumni chapter. Also present were Ronald Rubin, '58; Ken Muller, '57; Vern Achterman, '58; Dick Nelson, '59, and Ray Donels, '28.

KANSAS

The Kansas Chapter observed Founders' Day by attending the third annual Founders' Day banquet held by the Kansas City Alumni Chapter at the Golden Ox in Kansas City. Groups represented included men from the Kansas, Missouri, and Kansas City Chapters, as well as the Kansas City Alumni Chapter, and Kansas State Colony.

After dinner talks were given by Roger

Penner, representing the Kansas City Alumni Chapter and Dave Hubbard, Regional Representative.

LEHIGH

The Lehigh Chapter held its Founders' Day celebration with all the traditional ceremony. The "A", Charles Munigle, read the commemoration letter from "AA", Joseph Lacchia; he followed this with a few words of his own on the Chapter's progress this past year in its new house. Following this talk, pledge Stephen Burrick gave a speech on the historical aspect of the General Fraternity followed by a short history of the Lehigh Chapter. He then gave his views of the Chapter as it impressed him during his first semester.

The celebration ended with a talk by the Reverend George Ensworth who discussed the role of religion and its effect on college students. A discussion period followed.

MIAMI

The Brothers of the Miami Chapter climaxed Founders' Day by having a banquet at the Chapter House. Following the banquet all actives and pledges gathered in the living room to hear Dr. John Norman, former "BB", give a brief history of the Chapter. Dr. Norman, Miami '42, stressed the ideals of the Fraternity and the goals for which its members should continually strive. Rich Holmes read the Founders' Day message from Joseph Lacchia, "AA". The evening program was closed by singing of *The Bond*.

MICHIGAN

Founders' Day was celebrated at the Michigan Chapter with a banquet and speeches by the "A" and Brother Wilbur Nelson, head of the Aero Engineering Department at the University. Brother Nelson spoke of the aims and purposes of the Fraternity and also gave a brief resume of the record of the Michigan Chapter. After reading the message of the "AA", Jerry McDonald, "A", spoke briefly of the plans and aims the Chapter has for the new year. After the completion of the meal *The Bond* was sung and informal conversation dominated the remainder of the evening.

MICHIGAN STATE

Michigan State Delta Chis celebrated Founders' Day with a formal dinner. Joseph Lacchia, "AA", arrived in time to give a short talk and brought the Chapter good news. It now owns a plot of land adjoining the Chapter House which will provide for added parking facilities and a future addition to the house.

MINNESOTA

The Minnesota Chapter celebrated Founders' Day with a banquet held at a downtown dining room on October 27. This was well attended especially by the younger alumni who were in charge. A "surprise" guest was L. O. "Swede" Edlund, retiring "AA", who arrived unexpectedly on a business trip to Minneapolis and returned to Chicago late that same evening. Tom Vogt acted as toastmaster and genial Bob Gillespie, Sr., was the highlight of the evening with his stories and serious admonitions to the Active Chapter and alumni.

OKLAHOMA STATE

"We are young men with a future," may well have been the theme for the Oklahoma State Chapter's Founders' Day Banquet. The stylish candle-lighting tables and tasty three-course meal highlighted by speeches from Leonard C. Ehlers, "BB" and faculty advisor, and Gene Johnson, a graduating member.

Brother Ehlers commented on the rapid growth of the Oklahoma State Chapter and reviewed the history of the Fraternity with an address prepared by the Chapter historian, Noel Noble.

Brother Johnson's speech, entitled, "Don't Lean on the Past," encouraged members and pledges to dedicate themselves to growth while keeping a discreet eye on the future.

PENN STATE

The Penn State Chapter celebrated the sixty-ninth birthday of the Founding of the Fraternity with a formal dinner. After the dinner, the members and pledges gathered in the clubroom where "A", Hans Gregeresen, and "B", Paul Chiavacci, presented

speeches concerning the aims and ideals of Delta Chi Fraternity, and the meaning of Founders' Day.

PURDUE

As per tradition, Founders' Day was celebrated by the Purdue Chapter with a formal dinner at the Chapter House.

One of the guests for the occasion was Paul Quick, an advisor to the Chapter. Brother Quick gave the main address of the evening, a talk on the history and accomplishments of Delta Chi.

SOUTHERN ILLINOIS

Founders' Day was observed by the Southern Illinois Chapter on October 11. Among those in attendance were members of the Chapter and members of the Alumni Finance Control Board. Donald Canedy, advisor to the Chapter, was also in attendance.

John Crowell, "A" served as the master of ceremonies and because Col. A. R. MacMillan, "BB", was away on a business trip, Jim McKinstry, served as the main speaker.

Jim spoke on the history of the Fraternity and also prophesied its future. The banquet ended with the singing of *The Bond*.

STANFORD

This year the Stanford Chapter, along with the California Chapter, held an alumni reunion on Founders' Day at the Marine Memorial in San Francisco. The festivities were prefaced by a cocktail party at which the actives met the alumni. At dinner fraternity songs were sung and representatives of the two chapters discussed each chapter's progress. The highlight of the evening was a speech concerning the meaning of a fraternity delivered by Joseph Lacchia, "AA". At the conclusion of his talk, Brother Lacchia received a standing ovation.

UNION

The Union Chapter celebrated Founders' Day on October 10, coincident with Union College's Homecoming celebration. Saturday afternoon, alumni watched an out-classed football team lose to the University of Rochester 62-8. Half-time ceremonies

honored Union's undefeated teams of 1914, 1937, and 1949. Delta Chi's Harry A. Petrak, '51; Robert P. Hallenbeck, '47; and Richard D. Kearns, '40, were among the players honored.

A buffet dinner was served following the game at Hanna Hall, the college theatre. A party in the evening topped off the day's celebration.

WASHINGTON

With the Washington Chapter's new swimming pool, the fifty-first annual Founders' Day Banquet was held on October 2, as another school year began. The scene of the banquet was the College Club in Seattle, a popular spot for the Founders' Day Banquet in past years.

Among the prominent guests present were: John Hanson, member of the Finance Control Board; Loren Davidson, Chapter Advisor and head of the Finance Control Board; Al Rossi, past Fraternity administrative secretary; Lew Armstrong, "CC" and member of the Finance Control Board; Biff Scholostein, chairman and toastmaster of this year's banquet; Don Abel, chairman of the Washington State liquor board; Tom Kelley, treasurer of Delta Chi Club, Inc.; Ty Hollander, president of Seattle Alumni Chapter; Larry Edwards, president of Washington Chapter of Delta Chi, and Dan Goodwin, an officer of the Seattle Alumni

Chapter.

Edward Allen, one of two surviving charter members of the Washington Chapter, has attended all of the Founders' Day Banquets for the past fifty years. Star Pinkham, the only other surviving charter member was unable to attend due to illness.

Highlights of the evening were the introduction of Washington Chapter's 26-member pledge class, an interesting talk by Don Abel, and two entertaining songs featuring the new swimming pool, written and sung by the Washington Chapter alumni's own barbershop quartet, composed of Loren Davidson, Lew Armstrong, Dan Goodwin, and John Hanson.

—ΔX—

Laurent Killed in Crash

Thomas C. Laurent, Washington '59, was killed in an automobile accident in August just three days after he had been graduated from the University of Washington in business administration.

Brother Laurent was born in Minot, North Dakota, and had lived in Tacoma, Washington, for eight years prior to his death. He is survived by his parents, Mr. and Mrs. Wallace A. Laurent; a sister, Mrs. Jerry Irwin; and a grandmother, Mrs. Clark Hovey.

The impressive gathering shown above is the Washington Chapter and Seattle Alumni Chapter Founders' Day Banquet held at the College Club in Seattle. A total of 165 persons were present. Among those seated at the head table are Lewis Armstrong, "CC"; Al Rossi, former Administrative Secretary; Edward W. Allen, one of two surviving founders of the Chapter, Loren Davidson, Washington "BB"; Tyre Hollander, Seattle Alumni Chapter President; Don Abel, principle speaker of the occasion; and Larry Edwards, Washington Chapter "A".

The Oklahoma State Chapter's first home.

The Chapter's second home with its annex.

Oklahoma State's new three-story brick home located at 703 West University Avenue in Stillwater.

OSU Chapter Buys New House

Third House for Group Since Founding in 1948

By Bob Fitzgerald
Oklahoma State "E"

The Oklahoma State Chapter has recently purchased its third new home since the Chapter's founding, October 9, 1948. The Chapter's first home was a small, one-story, brick house. In the fall of 1950 the Chapter moved to its present property which consists of a two-story frame building. Since then a dining room and a dormitory have been added to this house plus the acquisition of two annexes.

In the fall of 1958 it became apparent to the alumni of the Chapter that something needed to be done concerning the housing of the Chapter due to its increasing growth. At this time a committee consisting of George Hill, chairman, Bill Bates, Ken Webb, Connie Fisher, and Gene Johnson was established to look into the possibility of purchasing new property.

Due to the moving of Past "BB" George Hill from the Stillwater area, Gene Johnson became the head of the committee in May of 1959. Also, Del Chausse and Vernon Askew were appointed to the committee at that time. This group soon learned that the Kappa Delta Sorority house was for sale. Following an extensive investigation, this property was purchased in July of 1959 for a price of \$80,000.

Because of the newness of the Oklahoma State Chapter, a purchase of this size could not have been accomplished without a large amount of financing. After much painstaking labor the committee was able to finance the purchase

100%. Currently, there are three mortgages outstanding on the property amounting to \$50,000, \$25,000, and \$5,000. Considering that all of these mortgages were financed under the national interest rate and that no fund raising campaigns of any sort were required, the Chapter feels that the committee did an outstanding job.

The new house is a three-story structure with a full basement, constructed principally of brick and tile. The second and third floors contain living quarters for fifty-five men. Included on the third floor is a large sleeping dormitory.

The downstairs portion of the house consists of a library, den, formal living room, dining room and kitchen facilities, a servants area, and a housemother's apartment. In the basement a large chapter room, a recreation room, more living quarters, and numerous storage space may be found.

The house is fully carpeted wall to wall and a complete remodeling and refurnishing will be undertaken before the Chapter moves in January. The house is located on Oklahoma State's Fraternity Row. The address is 703 West University Avenue, Stillwater, Oklahoma.

—ΔX—

Changes Name to Auburn Chapter

By Executive Board action, the name of the A.P.I. Chapter was officially changed on November 27. Henceforth the Chapter will be known as the Auburn Chapter. For many years the Alabama Polytechnic Institute has unofficially been known as Auburn. By official state action the institution is now known as Auburn University.

Kansas Initiates Beverly Hills' Davis

By John Harvey, Kansas "E".

Last year at the Kansas Chapter's annual May Meeting, William B. Prugh, Kansas '14, and Don Isett, Kansas '24, suggested that the Chapter look up George W. Davis, the mayor of Beverly Hills, California, for possible initiation into Delta Chi. Mr. Davis had attended the University of Kansas in 1913-1914 and had been initiated into a local fraternity, Sigma Phi Sigma, which later became the Kansas Chapter of Delta Chi. After a one year period he was forced to leave the university for financial reasons.

George W. Davis was born in Nebraska and reared on a Kansas farm. His parents died before he was eight years old. Because he always had a desire to study and learn more about the world, he completed high school by night study, while teaching at a country school. After he finished high school he attended the University of Kansas. An opportunity came to him to go to Salmon, Idaho, to

teach a school and so he sold his old buggy and a blind horse in order to get enough money to make the trip West. After completing a successful year he decided to join his fraternity brother, J. Christy Wilson, in the management of a daily newspaper in Idaho Falls. It was there that he became a columnist, operated a linotype, and sold advertising. Next he went to Washington D.C. where he entered the Internal Revenue Department, and in 1917 he enlisted in the Army and served his tour of duty at Ft. Monroe, Virginia.

Davis then returned to Idaho Falls, Idaho, where he entered a bank as a file clerk. To gain further knowledge about bank accounting he entered the Gem City Business College in Quincy, Illinois. While there he had an offer to take a banking position with the Ohio Savings and Trust Company in Akron, Ohio. He was later invited to become cashier of the Citizens National Bank in Salmon, Idaho, and although he was progressing nicely in Ohio, he could not turn down the thought of going fishing and deer hunting, and at the same time managing a bank. It was in Salmon that he married the daughter of one of the local merchants.

Mr. Davis then moved to Seattle, Washington, and organized the trust department for the Metropolitan National Bank there. Next he bought into a bank in Vernonia, Oregon. After he sold his interest in the bank he went to California where he organized the trust department

for the First National Bank of Berkeley. Later this bank was taken over by the Bank of America and he held an important trust position in the San Francisco office.

Moving onto Beverly Hills in 1929 he organized the trust department for the Beverly Hills National Bank and Trust Company and during his 12 years with that institution he handled the business of many motion picture stars including that of Will Rogers.

In 1942 he took over the management of a small savings and loan association which has grown until today Perpetual Savings and Loan Association has assets of approximately \$65 million.

In 1956, Mr. Davis was elected mayor of the world's most glamorous city, Beverly Hills, California, and is now in his second term as mayor. He has previously served on the Beverly Hills City council.

Davis has had many honors bestowed upon him. He has been president of the Southern California Savings and Loan group; president of the Beverly Hills Men's Club; president of the Beverly Hills Chamber of Commerce; and in 1955 he was nominated Beverly Hills Man of the Year. Mr. Davis is also a director of the Federal Home Loan Bank of San Francisco, which has under its jurisdiction the savings and loan associations of nine western states including Alaska and Hawaii. Mr. Davis finds time for such hobbies as woodworking in his workshop and playing bridge and gin rummy. He still loves the newspaper as evidenced by the fact that he writes a column for the Beverly Hills Press entitled "Horse Sense".

Mr. Davis was contacted last spring and with great enthusiasm accepted the invitation to be initiated. On November

15, he and his old friend and fraternity brother, William Prugh, came to Lawrence for the initiation and initiation banquet afterwards.

Fred B. Townsend Dies

Fred Blair Townsend, Syracuse '07, died September 14 in a Phoenix, Arizona, hospital. Townsend was a prominent Arizona attorney, a founder of the American Legion, and an active Delta Chi alumnus.

Townsend had practiced law in Phoenix since 1910. He had long been prominently identified with the development of natural resources in the State of Arizona, particularly that of petroleum products.

In 1919 Townsend was appointed as a delegate to the St. Louis Caucus of the American Legion. It was at this meeting that the national service organization came into being. He was a member of several important committees in the newly organized group including the committee which designed the emblem of the organization and the committee which selected its name. Townsend was the first adjutant of the American Legion for Arizona and in 1937 he was elected national president of the Society of American Legion Founders, a military organization conferred and authorized by the United States Army and an act of Congress.

Brother Townsend was instrumental in the establishment of the Arizona Chapter of Delta Chi. He is the subject of a feature story in the Summer 1954 edition of the *Quarterly*.

He was a member of the Elks Club, the Lawyers Club of New York, and the Phoenix Christian Church. He was also a Noble of the Mystic Shrine and a 32nd Degree Mason.

George W. Davis is shown being congratulated by Larry Kevan, "A", while Rex Fowler, "C", looks on. Davis had just been initiated by the Kansas Chapter.

Steve Hastings and Gary Frazer put finishing touches on pool.

Three Washington Delta Chi's make a splash while their Brothers and two feminine bathers look on.

Admiring Alpha Delta Pi's take a first look at the new pool.

Washington Chapter Builds Pool

Back Yard Swimming Pool Fraternity First on Campus

By Doug Hubner
Washington "E"

It's just 15 feet from the showers to the Washington Chapter's recently completed swimming pool. You can make it in two seconds if you're fast.

The \$30,000 heated pool was finished just before rush week and is the first one on the University of Washington's Greek Row.

The 20 by 40 foot pool constructed on the Chapter's back lot was financed completely through the Seattle Alumni Association. The original idea of putting such a facility in the back yard had been announced by members of the Alumni Finance Control Board just one year before. Plans for lowering the surface of the back yard four feet and putting basement rooms on ground level were also included in the reconstruction program.

Pool construction and basement remodeling began in the early summer. By October the pool and remodeling were completed. The results turned out to be the best physical plant among any of the 36 fraternities on the University of Washington Campus. A huge patio surrounding the pool has made possible swim exchanges and parties on the patio. Being the first pool on the campus, Delta Chi Fraternity continues to be one topic of conversation everywhere. Sorority women appear to be the most impressed with the pool, but because Washington fraternities do not have housemothers, Univer-

sity ruling forbids girls to visit the Chapter for more than 10 minutes without a chaperone. Nevertheless, the improved physical plant has been a definite boom in the rushing program. The remodeling has made possible more study rooms. As for the pool, it has proved even more useful and practical than was at first thought.

The pool, with all its possibilities, is not without disadvantages, however. Strict rules are necessary in avoiding accidents. Standards of pool behavior have been established for just such a reason. Pool hours have had to be set; the pool has been placed out of bounds for all 75 Delta Chis during study hours.

Some jealousy has been created among members of other fraternities because of the Washington Chapter's unique new facilities. Vandals have attempted several night-time forays to the Delta Chi backyard. However, the Chapter has alleviated nearly all the trouble by holding an Inter-Fraternity Council meeting at the house, using the pool in an after-meeting party. An open invitation has been given also to members of other fraternities.

The pool, however, is protected after dark with a plastic cover. A large fence has been placed around the Delta Chi back lawn and the pool is nearly out of reach to anyone off the property. It can be approached only by passing through the house proper.

The pool has made possible new types of recreation for both stag and date affairs. With proper chaperones, party possibilities are numerous. Several "by the

(Continued on next page)

pool" dances have already been planned.

Other houses are planning now to begin construction of pools. But until they do, Washington Chapter of Delta Chi holds the distinction of being the chilliest, hardest, wettest, house on campus.

Southern Cal Plans Golden Anniversary; L.A. Alumni Regroup

By W. Lee Smith

Director of Alumni Relations

On April 9, 1960, the Southern California Chapter will celebrate its Golden Anniversary with a banquet and memorable program. The Chapter has established a proud campus record; many of its alumni are outstanding men in their communities, and several of the original charter group will be present.

The Chapter's Golden Anniversary is the time to reflect and applaud the attainments of the yester-years and to pledge continued devotion and support to the boys in the chapters who are carrying on the traditions and who will meet the campus challenge of the tomorrows.

Reorganized L.A. Alumni

The Delta Chi Alumni Association of Los Angeles, comprising several hundred Brothers from the various chapters, has been revitalized. Regular monthly luncheon meetings will be re-established. A larger and more helpful influence will be exerted within the local chapters and more frequent chapter visitations, more co-operative relationships with universities, and other favorable conditions will

be created that will enable more active fellowship among the many Brothers.

All Brothers residing in the Los Angeles area are cordially invited to affiliate with the association and become a part of the "Delta Chi Helpful-Forward Movement." *No Chapter is better than its alumni support and attention.*

For information contact Edward G. Vierhelig, 933 Encanto Dr., Arcadia, California.

Lacchia Speech

(Continued from page 13)

drive, give Christmas parties for the needy and indigent children, operate student exchange programs, sell Easter and Christmas Seals, give and assist in the collection of clothing for the needy and refugees, raise funds to fight heart diseases, cancer, cerebral palsy, and in many, many other ways help local community, American, and world society, isn't it very odd and peculiar that these deeds should go unnoticed?

Such are some of the deeds of fraternities, but yet these critics continue to shout "Yes, what about 'hell-week' and 'discrimination'?" Yes, to these critics I very gladly and unequivocally say "what about them?"

People who complain about occasional "hell-week" abuse do not seem to hear, see, nor care that fraternities themselves are eliminating archaic hazing practices. No segment of the American society has been more shocked or distressed over the relatively few "hell-week" tragedies and "hell-week" in itself than college men and women of Greek letter societies. Here we are very proud to note that Delta Chi was one of the first, if not the very first,

social fraternity to ban and stamp out hazing and "hell-week". This was done three decades ago — long before most of you first saw the light of day.

The protest against alleged discrimination is only shadow-boxing. For statistics clearly prove that most fraternities have eliminated, and the remaining few are in the process of eliminating, restrictive membership clauses based on race, color, national origin, or creed. Nevertheless the right of selectivity in the choice of members cannot and will not be denied — for this is an American heritage — a basic fundamental of the American way of life.

We must be cognizant of the fact that fraternities exist by the grace of the colleges and universities — for without them we would not have a common meeting ground. It, therefore, behooves you to be ever loyal to your college — for loyalty to the college spells loyalty to the fraternity.

We must bear in mind that were it not for the individual fraternity members, there would be no fraternity. Therefore, the strength of a chapter may be said to be weak or strong contingent on the weakness or strength of its members. Here the axiom, "a chain is no stronger than its weakest link" applies to the chapter and to the general fraternity.

In conclusion, may I very strongly urge upon you, as fraternity men — men of Delta Chi — a full participation, not only in the activities of your own Fraternity, but also in your college, and in the fraternity world of which you are a part. Be loyal to your colleges and to your Fraternity. Be an enthusiastic and proud fraternity man, and above all, live up to the principles and ideals of the Delta Chi Fraternity — for you will benefit from

your fraternity life in the same proportion as you contribute — "as ye sow so shall ye reap." Don't just be a wearer of the pin. Don't be a negative member. For you, and you alone, will be the greater loser.

The interested and active fraternity man is compensated for his contribution by a lifetime of close and confiding friendships, and the satisfying knowledge that he has made a similar contribution to the lives of others. There can be no greater reward in this troubled world of ours, where friendships amongst men are very sorely needed; but where greed, avarice, and the selfish desire for power have caused a split amongst men and nations, which at times seems to threaten our civilization. This situation presents an unavoidable challenge which you men must meet. I am sure that your college and fraternity life, in a large measure, will adequately prepare and equip you for the task. This is your opportunity. This is your challenge — so make the most of your fraternity life, for

"No man is born into this world
Whose work is not born with him.
There is always work and
Tools to work withal for those who will
And blessed are the horny hands of toil.
The busy world shoves angrily aside,
The man who stands with arms akimbo
set.
And he who waits to have his task marked
out
Will die and leave his errand unfulfilled."

—ΔX—

When did you last make any kind of a contribution toward the progress of your Fraternity? Better late than never!! Please now!

Campus Scene

Tops on Campus

Alabama. In a very successful Homecoming at the University of Alabama, the Crimson Tide defeated the Mississippi State Bulldogs and Delta Chi walked off with the Homecoming Float Trophy for the third consecutive year. *Tops*, the theme for Homecoming, also denotes Delta Chi's position on campus.

Parties after Rush, to date and scheduled for the remainder of the year include: The Arabian Nights Party, parties at the Cedars Club in Birmingham after the Tennessee, Georgia Tech, and Auburn football games, parties after the three home games and the annual Christmas party. Nine pledge swaps with sororities have been scheduled to introduce the pledges to the new coeds. A House party will be held in Panama City, Florida, during the Spring Holidays. This will be the first out-of-state function for the Chapter and it has already generated great enthusiasm.

The downstairs was given a new look when it was repainted, and new drapes and a picture were added to the dining room.

Individual members making news around campus are: Wendell Feltman, who was Chairman of the Elections Committee; Bobby Wilbanks, who was elected Associate Editor of the *Mahout*, a campus humor magazine; Fagan Thompson who was elected Vice-president of the Interfraternity Council; Bill Cardwell, a pledge, who was elected President of Rho Alpha Tau, a freshman service fraternity; Dick McLaughlin, who was recently initiated into Alpha Epsilon Delta, a national Pre-medical Honorary; and Jim Hinton who was elected president of the Chemistry School. LeGrant Scott signed a professional baseball contract with the Detroit Tigers, and spent the past summer antagonizing opposing pitchers. He wound up the season with Charleston, a Class "AAA" team, and played for them

in the playoffs. His season batting average was a healthy .333.

Chapter officers for this year are as follows: Mark Anderson, "A"; Johnny Barnes, "B"; Dick McLaughlin, "C"; Neil Segars, "D"; Mike Quarles "E"; Conrad Scarbrough, "F"; Henry Collins, Social Chairman; Jim Hinton, Scholarship Chairman; Fagan Thompson, Publicity Chairman; Bob Busby, Sports Chairman; Clifton Darby, IFC Representative and Jim Main, Historian.

In intramural sports, the Varsity and Mullet football teams are pressing the leaders from second position in their respective leagues. Both teams are improving with each game and it looks like the Delta Chi's will have to be contended with this year too.

In an attempt to bring the Active Chapter closer to the Alumni, we have again revised the old *Delta Chi Tider* and the next issue will appear in November. — Mike Quarles, "E".

Pledge Class of 41

Auburn. The spirit and determination with which Auburn Delts returned this Fall can readily be seen in a new pledge class of 41 strong as a result of Rush Week. 'Nuff said.

To bolster the active ranks, five men were initiated into the Bond this quarter. The new Brothers are: John Condon, Bill Cross, Terry Hinote, Jim Morris, and Jerry Vick. The Chapter is hoping that the present pledge class will supply an even greater number of initiates next quarter.

Leading the pledge ranks are Warren Stuart, president; Charles Higgins, vice-president; Jim Vandiver, secretary; Doug Smith, treasurer, and Gene Doss, sergeant-at-arms. Under the able leadership of Buster Smith, pledge counselor, and these men, we are expecting a pledge class well educated in the ways of Delta Chi come initiation time.

On the social front, parties have been

held before, after, and during each football game. The really big event this quarter came at the hands of Alpha Omicron Pi Sorority in our annual joint "Hill-billy Party." Sipping apple cider and trying to "snow" the new Alpha Omicron Pi pledges made the party very enjoyable. Alumni had their night October 31 at our annual Homecoming. We have ten years worth of alumni and expected a good percentage of them at this annual event. Later in the quarter, a joint Alabama-Auburn party is always held after the game which is played in Birmingham each year. At this party, the Charles M. "Dean" Thompson Scholarship Trophy is awarded the Chapter having attained the highest scholastic standing in its respective school.

During Homecoming Week three trophies are awarded to outstanding men in the Chapter, past and present. The "Outstanding Alumnus" award went this year to Bill Dorne, our new "BB". Brother Norman Hubbard was elected "Outstanding Pledge" for the 1958-59 school year. This year the "Outstanding Scholarship" award went to Harold Brewer for his high scholastic averages last year.

Concerning house improvements, a new nylon-wool carpet purchased through funds donated by actives and pledges has been laid. For future house improvements and for possible future construction of a new Chapter House, a building fund has been adopted. This will be supplied by actives and pledges paying one dollar per month while they are in school. It is hoped that this fund will accrue to \$10,000 within ten years. — Tim Battle, "E".

107 Strong

Arizona. Due to fine cooperation of the brothers the membership of the fraternity, the Arizona Chapter has grown to 107, including 70 actives.

The Chapter started off rather slowly this year toward capturing the intramural banner but Sandy Clark, our intramural manager, expects us to pull back soon as almost all of last year's championship football team is returning.

Preparation for the Homecoming float was

Public service to the Auburn campus and community is demonstrated in this safety check by three Auburn Delta Chis. The check was sponsored by the Auburn Police Department and the Safety Committee at Auburn.

—ΔX—

handled under the able direction of Fritz DiLorenzo and Jim Aiello. The theme this year emphasized an early period of the University of Arizona's development.

Recently, John Muller (6 years hopeful) captured the coveted Most Eligible Bachelor award. John hopes this will end the major part of his troubles but no evidence has arrived yet.

Our social life has been highlighted by exchanges with Gamma Phi Beta, Pi Beta Phi, and Alpha Delta Pi. To climax the fall's social events, a Christmas formal was planned for December 11 under the leadership of John Jeffries, Social Chairman.

The Arizona Chapter recently added the campus Scholarship Improvement Cup to its accomplishments by rising from 17th to 5th place among 27 fraternities.

On October 11 Delta Chi chapters from Arizona and Tempe helped initiate a new chapter at Flagstaff. Twenty-one men in all were added to the Brotherhood of Delta Chi. Founders' Day for all three chapters was held at Flagstaff in conjunction with the initiation.

The building of our long awaited new fraternity house will become a reality February 1, 1960. We are now in the process

of selling our present house to assist the funds coming from a loan from the Federal Housing Bill. — George Wallace, "E".

Busy Fall in New House

Ball State. September found the Ball State Delta Chis moving into their new home, a brick, fully air-conditioned house at 700 Riverside Avenue, Muncie, Indiana. Much work was needed to make the building suitable for fraternity living, but the Active Chapter, with the aid of a few alumni, did the job itself. It certainly makes the Chapter feel good to see the Delta Chi coat-of-arms in the front of its own house.

Our new housemother, Mrs. Hazel Tuttle, of Muncie, is really helping to give the Chapter the spirit it needs. During the fall rush, after a smoker held at the house, we came up with seven pledges, the third largest pledge class out of the ten fraternities on the Ball State Campus. We're looking forward to Ball State's spring rush with equal enthusiasm.

Homecoming found the Ball State Chapter full of life, for this year we not only entered the float parade, but also had to prepare house decorations. Although we didn't place in either contest, it's a well-known fact that the many alumni that visited the Chapter this year could be proud of the wonderful showing their chapter made. Our float theme was "Spin to Win" with spirals and tops, and the house decoration theme was "Caught In A Web" with a DePauw tiger being caught by a Ball State Spider in a web. By the way, Ball State trounced DePauw 30-24.

This year we are beginning a program that we hope will carry through future years of Delta Chi at Ball State. Among these additions is a Dad's Day program, when fathers will be invited to spend a week end with us. Included in the day will be a football game, a fraternity sing, and various other activities.

Among the many things that Delta Chi has originated at Ball State is a supper for the housemothers and presidents of the other fraternities on campus. This is a step forward in interfraternal relationships on campus. Present at the banquet were representatives from Lambda Chi Alpha, Theta Chi, Sigma

Phi Epsilon, Sigma Tau Gamma, and Sigma Delta local fraternity.

Delta Chi at Ball State is planning its first pin serenade since it has been on campus. It will be held with Sigma Kappa Sorority and will be the first triple pin serenade ever to be held on the Ball State campus.

We are growing already! Work was begun in the middle of October at bricking in our three car garage and finishing it up for future living space. In the meantime, it will be used for additional recreational space and a television lounge. — Carl R. Brehmer, "E".

Studies, Intramurals, and Parties

California. The Chapter has had a busy time this fall dividing its time between studies, intramural sports, and parties. After being low on the grade totem pole for a couple of semesters, we pulled our grades up until we are now very respectable. As to parties, the big one of the fall was our Hallowe'en masquerade ball. Our intramural program has been going great guns thus far. We have won many more games than we have lost, and we are headed for a much higher position in the standings than we had last semester.

The Chapter is still looking for a new house, and although some progress has been made in that area, we will continue looking until we find a suitable location. The new residence halls which were built by the University have taken a lot of people away from rushing, but we think that we can hold our own.

Carl Elliger won the scholarship trophy last semester with a grade point average of 3.7. He is majoring in Chemistry. Chuck Maas and Carl were initiated at the beginning of the term. — Gary Robinson, "E".

Plan Policy

Connecticut. This year's program got under way with a meeting last August, which was attended by a gratifying number of the Brotherhood, at the home of Dave Lindsey, our Chapter "B". In this way we were able to get a good head start on things, and several decisions were made and policies established. Among these was the decision to

diversify some of the responsibilities for the operation of the Chapter. Thus, we now boast a newly formed Ritual Committee, headed by Don Bottaro, which will take charge of all ceremonial activities, including initiations. Ed Darcy is the Public Relations chairman while Bob Gilson is Activities chairman. The former will relate the activities of the Chapter to the campus; the latter will relate the activities of the campus to the Chapter. At the moment various methods are being considered by our Alumni chairman, Phil Ostapko, for the betterment of alumni relations. The purpose of this diversification is not only to enable these functions to be better executed, but to enable more men to join in the government of the Chapter — and also to train men for the major positions of leadership in the Fraternity.

It is with pride that we announce the election of Don Chase as our Chapter "BB". Don graduated from Connecticut in 1956 and is presently living in Coventry, just a few miles from campus.

The weekend of October third was given over to the initiation wherein the following men were entered into the Bond of Delta Chi: Tom Jensen, Erwin Ruch, Bill Scala, and Jack Schofield. Two of these men have already distinguished themselves on the athletic field. Erwin is playing right wing on the varsity soccer team, and Tom will be doing some varsity wrestling this winter.

Speaking of athletics we cannot but mention Tom Strong. Last summer Tom was pitcher for not one but *two* teams: the Weathersfield A.C.'s and the Royal McBee in Hartford. For the not inconsiderable feat of pitching sixteen wins in eighteen games for the team last mentioned he was given the Most Valuable Player award by the *Hartford Courant*. Tom is now playing center forward on the varsity soccer team — where, clearly, he is the leading light: seven goals in eight games.

Thanks to our "A", Barry Atwood, we were again this year able to be hosts at the Military Ball's "Queens' Coffees". This is a polite kind of beauty contest which chooses, over a two week period, the most beautiful and eligible young lady to be the "Co-ed Colonel" at the annual Military Ball. Thanks to Barry we were able to spend several hours

Connecticut Delta Chis Jack Ciak, left, and Barry Atwood, "A", chat with two potential Military Ball Co-ed Colonels during "Queens' Coffees" to which the Connecticut Chapter played host.

—ΔX—

with some twenty very fetching damsels as their escorts and guide them through the emotional rigors of the judging. — Bill Hegeman, "E".

Have Homecoming Festivities

Cornell. On the weekend of October 17 approximately forty alumni couples returned to the Knoll for Homecoming '59. After a cocktail party, a buffet dinner was served. Following dinner the actives and alumni settled down for a two-hour Delta Chi Association meeting which resulted in major changes in the method of electing the Alumni Finance Control Board members. The business of the week end dispensed with, we all settled down to a party with "Buck" Rogers on the drums, "Chuck" Frankenfield, Phil Gilman, and the Repetto brothers livening up the party, and ever-present "Pop" Findlay astounding our dates with his legerdemain with cards.

The next morning the active members proved their physical prowess and adroitness at the masterful sport of football by trouncing the alumni, although the latter did put up a good fight. — John Gordon Canyock, "E".

Accelerate Social Program

DePauw. Delta Chis at Depauw are enjoying an accelerated social program this

year with many special events added to the regular schedule of weekly faculty dinners or sorority exchanges. Occasions of the first semester included a house outing to McCormick's Creek State Park, a backyard barbecue, a Hallowe'en hayride, and of course our winter formal, "Moonlight in Vermont."

Special DePauw University weekends, those of Old Gold Day (Homecoming) and Dad's Day, proved to be especially successful at Delta Chi. Our homecoming display won second prize for ingenuity, appropriateness, and beauty with its Don Quixote vs. Windmill theme. And on Dad's Day we had the pleasure of hosting 75 guests.

Individual Delta Chi's continue to make outstanding contributions to the campus. Rich Havlik continues his service as president of both the Student Senate and the Student Body. Don Driemeier is secretary of the Interfraternity Council. Bill Crawford served as a member of the University Orientation Staff, while Tom Smith is student resident counselor for the freshman men's dorm for the fall semester. Of the 12 Delta Chi's holding positions at radio station WGRE, two men, Dick Findley and Jack Giesecke hold two of the five student directorships. Finally, the director of the School of Music Opera Workshop was Larry Clarkson with Don Pettit serving as personnel and technical advisor.

Delta Chi at DePauw on the international level this year continues tradition with Peter Price and Chuck McConnel studying in England and Don Jessamen in The Netherlands. Our European pledge for 1959-1960 is Otto Dolman of The Netherlands.

Plans for an addition to the physical plant continue to be developed. As always, the suggestions and support of alumni are solicited toward the continual improvement of Delta Chi at DePauw. Even better than a letter to this end would be your stopping in for a visit at any time you find convenient. — Paul N. Stewart, "E".

Make Much Progress

Florida. Three pledges were initiated into the Bond in October. They were Bill Tisdale, Sam Cannella, and Don Harper.

The fine effort that Field Secretary Sammy Ginn has given us has certainly been appreciated. In September of 1958 the Florida Chapter was having a difficult time of it. There were few members returning to school and the situation looked quite bleak. However, in the past 14 months much progress has been made, and today the Chapter is once more strong. We are continuing to pledge good men so as to make it an even better Chapter.

Homecoming was a great success and many of our alumni spent the weekend with us. The 7 piece orchestra of the "Carr-Tunes" provided the music for a dance at the Chapter House during Homecoming.

With the aid of our new housemother, Mrs. Suggs, the house has had quite a facelift inside with new furniture, new pictures, newly-painted walls and many hours of elbow grease. The result has been quite worth the effort. — Jesse Grant, "E".

Move into New House

Houston. The Houston Chapter has moved into its new house at 3422 Southmore. The new house is more elaborate, has more rooms, the rooms are larger, and the general condition of the new house is an improvement over the old one.

We lost out in the football intramurals after beating Sigma Epsilon twice. Both our losses were to Sigma Nu. — Frank Fuel, "E".

Active Alumni

Idaho. The Boise Valley Alumni Association recently sponsored a reception for the Idaho Delta Chis who attended the Utah-Idaho football game in Boise.

A new rush program has been set up in the Chapter, headed by Warren Wubker and Stan Sales, which will try to make use of the Alumni in the Northern and Southern parts of the state. It is believed that a better rush can be effected by a closer degree of cooperation between the rush committee and the Active Alumni in each particular town. — Peter L. Welch, "E".

Edlund, Trussell Visit Chapter

Illinois. After another successful summer rush program, the Illinois Chapter started the school year with formal rush week. Under the leadership of rush chairman, Denny Stehlik, we obtained a very good pledge class.

Brothers L. O. Edlund, retiring "AA", and brother John Trussell, Region 5 Representative on the Executive Board, took time from their business to come to the Chapter House for a day and speak to the rushees on the history and traditions of Delta Chi and also give them an insight into the scope of our Fraternity.

Initiation of pledges who made their grades during the Spring semester was held on October 3. New brothers in the Bond are: Roy Gurd, Bob Beyaert, Denny Brunnenmeyer, and Jim Breyer.

On October 24, Delta Chi held its traditional Pledge Dance in the Chapter House. The title of the dance was "Out". It centered around a "beatnik" atmosphere.

We hope to make it a good year in the way of intramurals. Last year we were all-university softball champions among the 58 fraternities. We hope to maintain that standing. In other events we usually win our division in volleyball, football, and basketball. It looks like a good year ahead and we hope to really rack up the intramural points.

Our social life is going strong. The pledges have had many exchanges during the year, and the house has many exchanges lined up with sororities. We are in co-recreation volleyball with Alpha Omicron Pi, which will provide many hours of fun for everyone. — Dan Mills, "E".

Enlarge Parking Lot

Iowa. Shortly following Rush Week on the Iowa campus, the Brothers were pleased to see a construction crew begin work on the parking lot. Now, with the newly landscaped lot, parking space has nearly doubled — a much appreciated improvement for most any fraternity. Another major improvement includes the new shower room, made possible through the generous efforts of Brothers Stan Doerr and Charles Blunt. Although

these two men were graduated last spring, their great contribution to the improvement of the house will long be remembered. Other improvements include a new grand piano and new television set.

On Thursday, October 29, the Brothers were pleasantly "tricked or treated" by the Pi Beta Phi sorority. Chanting weird songs, they converged upon the house in some of the most imaginative costumes to be found. Also along the more "social activities" line, the Annual 49'er costume party was celebrated at the Chapter House October 31. Other social events of the semester included the "Den Party" and the annual Winter formal dinner dance, December 4. — John Hohl, "E".

Obtain New Furniture

Iowa State. The Delta Chis returned this year to discover the loss of their living room furniture and music room rug, which were damaged or destroyed in a fire at the building where they were stored over the summer. Only a few short weeks remained until rush week, so fast action had to be taken to order and receive new furniture. It was close, but they made it on time — the replacements arrived the night before rush week started.

We initiated four new men into the Bond this fall. They are: Donald Nielson, John Bradley, John Cecil, and Roger Barcus. The chapter officers are: Dick Johnson, "A"; Darold Plate, "B"; Warren Hadley, "C"; Bill Trout, "D"; Bill Nolan, "E"; Steve Stenstrom, "F"; Reg Soldwish, Steward, and Benny Hillbery, Pledge Trainer.

Other than the new furniture, many improvements have been made in the house since last Spring. Wall to wall carpeting was laid in the music room to replace the rug that was destroyed. The three sofas in the music room were modernized and reupholstered. Tile has been laid in the laundry room and most of the rooms on third floor have been repainted. In the near future, possibly next quarter, either a new television set or a hi-fi set will be purchased. Also landscaping of the area around the house is being considered.

For the second year in succession the

Chapter has ended up in the black. At the end of last spring we were \$1700 ahead. Expenses for replacement of damaged furniture this summer amounted to \$1800. The insurance settlement amounted to \$1000. The upholstering of the music room furniture cost \$300. The \$600 balance will be used for new mattresses and perhaps the new T.V. or hi-fi. Any remainder will be padding for our bank account.

We initiated our social program this year with a fireside at the house. Originally a hayride was planned, but disagreeable weather caused a change. Dancing and refreshments were the mainstays of the evening, supplemented by an early movie. Both the pledges and the actives have had exchanges with sororities on campus since the beginning of the year. Also a second hayride was planned, this time enjoying perfect weather. We toured the countryside for a couple of hours and then retired to a local clubhouse, where informal dancing and refreshments were enjoyed. Our social activities for the quarter include the pledge party, executed entirely by the pledges, and more exchanges.

As you can see, it is another busy year for the Iowa State Chapter. Many activities are on the agenda for the next few months, and we hope they are as successful and rewarding as those to date have been. — Bill Nolan, "E".

Initiate Seven

Kansas. The Kansas Chapter got off to a good year by initiating seven men into the Bond of Delta Chi. Those initiated are: Dean Daniels, Chanute, Kansas; Fred King, Kansas City, Missouri; Gary Stubbs, Kansas City, Missouri; Royal Field, Kansas City, Missouri; Dale Noble, Kansas City, Missouri; Bob Lynn, Kansas City, Missouri; and Bob Green, Kansas City, Kansas.

The night before rush week began we held our annual train date in Kansas City. This party climaxes summer rush and gives rush week a good beginning. After dinner Otto Schnellbacher, Kansas '48, gave a very interesting speech on the advantages of fraternity life in general and life with Delta Chi in particular. The next morning rush

week began formally. Rush week was a great success this year thanks to the fine efforts of our Rush Chairman, Stan Washburn.

This semester got off to a bang with our annual Five Scamps party on October 2 at the Golden Arrow here in Lawrence. Then we held our first Annual Father's Weekend on October 17 and 18 which was the weekend of the Kansas State-Kansas University football game. The pledges had their annual Honeymoon party on the night before (October 16). Coming up on the Social Calendar are the annual Christmas Party for the Old Folk's Home in Lawrence which we give with the Chi Omegas, the annual Christmas Formal on December 12, and the Christmas Stag and gift exchange on December 17.

On November 15 we held a special initiation for Mayor Davis of Hollywood, California. He was a member of Sigma Phi Sigma here at Kansas University which was the local that became the Kansas Chapter of Delta Chi in 1923.

Since last Spring we have had a new roof put on the Chapter House, new paint on the outside, and a new parking lot in back. These improvements really helped the appearance of the house and we are very proud of them. — John Harvey, "E".

Clean House

Lehigh. The year started off with a bang when we held our annual pre-semester work week. This is the time when the entire house is cleaned inside and out by the new pledge class. We feel that it starts the new pledges off on the right foot by initiating class unity, even though this unity is usually used to devise means to thwart the brothers. Besides cleaning the house, the pledges also painted several study rooms upstairs and did a very fine job on decorating our party rooms in the basement.

The party rooms received another big improvement when new furniture was purchased, the donations for which came from the parents of the members and pledges of our Chapter. This furniture was installed before the Parents' Day party held on October 17, 1959, so that the parents could see that their donations were put to good use. The mothers were especially happy with the

results of their donations and proceeded to give us more advice on decorating the house.

The Chapter has gained one new member since the last *Quarterly* — Frank Garland. We have also pledged two new men — James Bois and Stephen Burrick. Our formal contacting period starts in January and we hope to have another successful year under the plans of Rushing Chairman, Bob Scavuzzo.

The intramural season at Lehigh is well underway, with our house planning the teams it will use for the different scheduled sports. Our football team has played five fraternities so far, and we have compiled a very good 4-1 record. Our lone loss, 13-6, coming at the hands of a team that has been burning up our league. Thus we have a very good chance to finish second and improve on last year's third place.

The social side of our life is not being neglected either. Houseparty, our big fall weekend, was held on October 30 and 31, with the theme this year being Voo Doo. The bands of Larry Elgart and Elliot Lawrence provided the music for the formal dance on Friday evening. On Saturday, the Chapter had a very fine band of its own which played a nice mixture of dancing music. This party was especially great since Lehigh defeated Bucknell in an upset victory that day. The weekend really turned out to be a great one, and as usual, it took several days for the excitement to calm down enough so that we all could get back to work. — Keith A. Garverich, "E".

Wins Homecoming Float Trophies

Lake Forest. The Lake Forest Chapter of Delta Chi is very proud to announce that for the third consecutive year we have won the homecoming float contest, and for the past two years we have won the Homecoming Sweepstakes trophy. As a result we have retired the float award and the Sweepstakes trophy.

With the great abilities given our various teams this year by the great abilities of Don Clausius, Tom Wallingford, and Chester Strzelczyk we plan to win intramurals. Now

that basketball season is here Jim Wehrheim, our team captain, says that prospects look good and we should take the basketball intramurals with little trouble.

The trend this year, more than ever, is toward a higher total accumulative grade average within the house. Quiet hours are being strictly enforced by all members in the house. A scholarship program has been instituted for both the pledges and the actives.

The newly elected officers this year are James Macke, "A"; John Wilson, "B"; Allen Bells, "D"; Allen Klotzsch, "D"; Harry Herslof, "E"; and Brian Fulmer, "F".

Delta Chi has really started off well by getting five excellent pledges. President of the pledge class is Jim Wilson. — Harry Herslof, "E".

Sesquicentennial at Miami

Miami. The Homecoming Weekend of October 24 was the biggest event of the current school year at the Miami Chapter. It was the Sesquicentennial Homecoming at Miami, and the Chapter made a supreme effort to have the best homecoming in its history. Homecoming decorations included a twenty-foot high tufted cake in honor of Miami's 150th Anniversary and a background of a football field which covered the entire front of the Chapter House. To help the Active Chapter celebrate Homecoming a record number of forty-five alumni, their families,

—ΔΧ—

Above is pictured the house display built by the Miami Chapter for their school's Sesquicentennial Homecoming.

and their dates appeared. A buffet dinner was held in honor of the alumni.

Greeting the alumni were seventeen new members initiated into the Bond on October 9, 1959. They are: Mike Acton, Jerry Gubeno, Jack Hoag, Dave Hatfield, Bob Johnson, Fred Lewis, Bill Long, and Frank McCown, Jim McNamee, Brian Nagle, Duane Neal, Bill Neil, Harold Penn, O. B. Porter, Gary Shreiner, Bob Stegemiller, and Ed Stehmeyer. In addition to seeing the new initiates, the alumni were able to see the improvements made throughout the Chapter House. The spring pledge class of 1959 arrived at school one week early to repaint all study rooms as their pledge class project. Other improvements are new carpeting on the front stairs, new tables and chairs for the dining room, and two new refrigerators for the kitchen.

Scholarship at the Miami Chapter has improved from fifteenth out of twenty-one fraternities on campus to ninth. This places Delta Chi in the upper half in scholarship rating and the Chapter plans to keep this rating going upward.

The Chapter has a well-filled social calendar this semester which includes a "Beatnik" Party, a Hallowe'en Party, the Winter Formal and several sorority parties.

Officers for the fall semester are: Terry Webster, "A"; John Bowser, "B"; Jim Wil-

liams, "C"; George Kaschak, "D"; Jim Burgett, "E"; and Dawson Price, "F". — James A. Burgett, "E".

Improves Physical Plant

Michigan. Physical plant improvement has been the big thing at the Michigan Chapter this year. A new steel fire escape has been installed through the efforts of the Building Corporation. A new commercial refrigerator and a large freezer were also purchased. Contracts have been let for a complete renovation of the upstairs lavatories and the installation of a shower room.

Rushing was under the direction of Frank Spies and a pledge class of three was obtained. The fraternity system as a whole reported smaller pledge classes and the lack of men rushing and pledging was attributed to inclement weather which has its effects on our particular rush system.

The Chapter has had quite a few exceptional social events thus far and some really good football luncheons thanks to the fine work of John Bostater, steward.

New officers elected at the start of the year were: Jerry McDonald, "A"; Robert Cole, "C"; Jim McCombe, "D"; and Barry Wood, "E".

As a final note, I would like to add that I had the pleasure of visiting the U.C.L.A. and Southern California Chapters this summer and was treated cordially in both places. I met brothers from Arizona, Illinois, U.C.-L.A. and Southern California and there was the air of a small convention during the visit. — Barry Wood, "E".

Busy Fall

Michigan State. The Michigan State Delta Chis returned this fall to find the house professionally cleaned and ready to begin another successful year. Rush, Homecoming, Intramurals, Founders' Day, and many other campus activities have kept the brothers very busy.

Rush proved to be very successful and eighteen new pledges will try and prove themselves capable of fulfilling the obligation of becoming an active member. Bill McLenahan was fall rush chairman.

After winning a trophy last spring in The Water Carnival, Delta Chi once again put full effort forward in hopes of adding another to the case. However, after many hours of effort, we received fifth place in the fraternity competition of Homecoming displays. The Homecoming activities brought back a great number of Alumni members eager to be brought up to date on current events. They were honored guests at a buffet luncheon served after the Michigan State-Indiana football game (incidentally Michigan State won 14-6). It was interesting to note the fraternal friendships again renewed at this homecoming. Composites hanging in the halls of years back mean so little to present actives, but brought back many pleasant memories to past actives of Delta Chi. The alumni inspected the house and pointed out their pictures and trophies won when they were proud active members of the Michigan State Chapter.

Intramural sports have attracted great interest this fall. Delta Chi is leading the league in bowling. Losing only one game in football, due to the loss of "Blanche Bridgeman," many points have been received toward the all sports trophy in the minor sports.

We would like to welcome Bruce R. Bancroft and Ronald E. Parzych into the Bond of Delta Chi. — James E. Browning, "E".

Interfraternity Alumni Organize

Minnesota. The Minnesota Chapter got off to a good start for the year 1959-1960. A week before school about 15 of the men returned to the house and did the most complete job of house cleaning, painting, redecorating and floor refinishing that our house has ever experienced. Before this, and under the leadership of Robert Roetman, '49, and J. L. Chestnut, '52, with the help of many others, funds were raised which resulted in beautiful wall-to-wall carpeting in the living and card rooms. Many of the men have individually purchased drapes, rugs, and furniture for their own rooms. We expect to buy new dining room furniture this quarter.

We now have 26 men living in the house which is well above our average. We have

a closely knit, cooperative group of men. Last summer we rented out rooms and made a profit of about \$800.00.

An organization of great importance on campus is the Minnesota Interfraternity Alumni Association. This was organized largely through the efforts of Charles Hatch, '22, who is vice-president. Each fraternity is represented by a dedicated business man from the Twin City area. A year ago this association was incorporated and is recognized by the University Administration as a firm all over governing body of campus fraternity life. The Administration has cooperated fully with this group and appreciates it as a strong factor in general University development and administration. This unity of alumni has resulted in greater good will between all active chapters.

Jim Hove returned from a Canadian hunting trip with a gigantic bull moose. As a result, the boys are buying a much larger freezer for it was impossible to get the moose and antlers into the old freezer.

Many of the younger alumni have taken a renewed active interest in the Chapter and constitute somewhat of a junior control board. They are filling a great need and their assistance is inestimable. They will assist in rushing, pledge training, banquets, and many other categories.

Robert Roetman was re-elected "BB" for the next two year term. Bob has been great help to the Chapter.

Some explanation is due at this time as to why Minnesota did not elect a Chapter Luminary last year. Many were nominated for that position but each in turn refused to accept the honor saying that they did not feel that they were truly deserving so worthy designation. — James Johnson, "E".

High in Scholarship

Missouri. We would like to officially welcome eight brothers who were initiated into the Bond, October 9, 1959: Jack Donahue, Henry A. Deutsch, Donald Godi, C. F. Haynie, Don Kolasch, George Manor, Jim Sohm, and Willie Swinea.

We are very pleased to report that the Missouri Chapter placed third out of 33 fraternities on campus scholastically last

Pictured here are the 1959 Homecoming decorations built by Michigan State Chapter members in front of their house.

year. Also for the same year we ranked second in scholastic achievement.

Newly elected officers for this semester are: Dale Coerver, "A"; Gary Schmedding, "B"; Dave Marose, "C"; Jim Cleary, "D"; Ernie Gutting, "E"; and Wayne Harrell, "F".

Homecoming was a successful week end as many alumni visited the Missouri Chapter to watch Mizzou trounce Nebraska, 9-0. The only unfortunate part was that Hurricane Gracie blew our palm trees down as well as ground-looped our Orange Bowl bound aircrafts (Homecoming Decorations). For the first time since the founding of our chapter, our pledge class has failed to get a portion of the goal post due to an athletic department which refused to let them be torn down.

Brothers Owen Luecke, Dale Coerver, and Al Weaver were initiated into Gamma Theta Upsilon, a national honorary geography fraternity. Brother Weaver was also elected treasurer of the Business School Student Council. Brother Gary Schmedding was initiated into Kappa Tau Alpha, a national honorary journalism fraternity. Brother Schmedding was also selected as co-editor of *Harlequin*, the campus humor magazine. — Ernest D. Gutting, "E".

Ohio State. The Ohio State Chapter placed fourth out of forty-eight social fraternities in scholarship in the Spring Quarter last year, and twelfth in scholarship for the year. With a new year ahead we hope to better all of last year's records.

With the advent of Rush Week the Brothers once again descended upon the Ohio State Campus. This was, of course, the busiest week of the quarter for the Chapter. Under the guidance of Ben Gottfried, the Rush Chairman, the Chapter completed a successful Rush Week resulting in eleven new pledges.

Bill Brown, social chairman, is planning a full social program for the year. The big social event of fall quarter was the Homecoming Dance. Before the dance the Brothers attended a smorgasbord at the Riverside Restaurant. The dance was held at the Bexley American Legion Hall. Other Fall parties

included the Paris Party and the Combo Party.

The new Chapter officers are Don Steffy, "A"; Frank Goldsmith, "B"; Tom Besenyodi, "E"; and Jon Bailey, Pledge Counselor. Still in office are Dick Hill, "C"; Joe Ohler, "D"; and Al Slife, "F". — Tom Besenyodi, "E".

Second in Scholarship

Oklahoma. The Chapter moved up from fourth place in the fall semester to second this past spring, making a 2.782 average for 26 men. The average for the membership was about a three point; however, the pledge average was only a 2.282 bringing the total average down. The Beta Theta Pi fraternity came in first, being ahead by .081 of a point.

Work week at Oklahoma University started September 2. The upstairs hall was painted, the basement stairway received a new wall, and in general the overall appearance of the house was improved greatly.

New initiates are Neil Gunderson, Jim Vondra, Jack Vondra and Bob Jones.

An active intramural program is in the making this semester. We plan to participate in football, basketball, golf, boxing, track, softball, and bowling in the coming year. Elmer Cleveland has been appointed Intramural Chairman, after receiving the "BB's" Outstanding Athlete Award last spring.

Fred Hammert, Delta Chi Field Secretary for last year, has returned to the Oklahoma Bond. Fred is finishing the requirements for a BBA, a BA, and is doing some work on a Masters Degree.

Our social calendar is completed for this semester. Our Rush Victory Party was held on September 11, and we have had blind dates with the Chi O's and Delta Gammas. A record party was held after the Colorado game in celebration of Oklahoma University's first victory. A big inter-chapter event was held on October 10 when the brothers of Oklahoma got together with the brothers of Texas University and S.M.U. in Dallas. The party was a celebration honoring the Texas victory over Oklahoma University. Texas won another skin!

The rest of the parties for this semester are the annual Harvest Party, Dad's Day Dinner, the Christmas Tea, The White Carnation Ball, and a Finals Party on January 15.

Newly elected and appointed officers are: Jim Houston, "E"; Jack Vondra, Publicity Chairman; Fred Schumacher, Scholarship Chairman and Neil Gunderson, Special Committees Chairman. — Fred Schumacher, "E".

New House

Oklahoma State. The 1959-60 school year has really started out with a bang for the Oklahoma State Chapter of Delta Chi. School started right off with a very successful rush week during which fourteen men pledged. This brings the pledge class to a total of twenty-one men, a number of which we are quite proud.

During the summer a new Chapter House was purchased and plans are already being made to move in at mid-term. This purchase along with winning first place in the house decorations in the men's fraternity division has pushed the Chapter spirit right back to the high level at which it was when school ended last spring.

Again, we here at Oklahoma State are looking forward to some real good parties. The pledges have thrown a very successful house party, an annual affair called "306 Club." We are also very thankful for the lively party the alumni gave here after the homecoming game. Parent's Day is fast approaching and we are anxiously waiting to see Mom and Dad come by with all the goodies and news from back home. Our Playboy Formal should be a real fine affair this year. We are combining this party which is sponsored by the popular *Playboy* magazine with our Christmas party. We don't know who will be coming down the chimney — a big rabbit or Santa Claus.

Our football team had a mediocre season; but we are all anticipating a fairly sharp basketball team this year, since we did not lose anyone due to graduation. Incidentally, if any of you alumni know of a good quarterback in high school, talk to him about Delta Chi; we need another good

Three Oklahoma State Chapter members get used to the furnishings in their new house.

—ΔX—

quarterback for football next year. — Bob Fitzgerald, "E".

Hold Hawaiian Dance

Oregon State. Graduation and summer marriages left us with the fewest number of returning men we have had in years. This, plus the lack of men going through rush this year, hurt us as it did all fraternities on campus.

Noteworthy events of the term include the finishing of our party room in the basement; our Fall costume dance, "Hawaiian Holiday"; and our homecoming celebration, which this year honored retiring Dean E. B. Lemon.

On the athletic scene we find John Hadraba, '61, starting at center on the varsity team, and Norm Uyeda, '63, playing tackle on the freshman team under the supervision of Coach Ted "Pump" Searle, '59.

If we can manage to acquire a few more pledges to fill up the existing vacancies in the house, the outlook should be good for another very successful year here at Oregon State. — Jim French, "E".

"A" Holds Party

Osgoode Hall. To celebrate the return of our absent members the Chapter "A" held a party in his flat. All the actives were there and many of the alumni who were available. Everyone arrived but the Chapter "A" who forgot all about it and arrived three hours later. When he walked in he was greeted by a flood of water bags, shaving lotion, etc. It was a grand celebration and although a bit wet, everyone thoroughly enjoyed themselves.

Welcome back to Paul Terry, John Kapusta, Hugh McDonald, Lawrence Foran, and Hugh Poulin who have returned to Toronto after a year's absence due to articling throughout Ontario.

The alumni have agreed to advance the funds necessary to redecorate the lower floor of the Chapter House on Bedford. The Ward Wright Room and the living room are the rooms mainly to be affected. — Fred D. O'Connor, "E".

Finishes High in Intramurals

Penn State. Brothers and pledges returned to the Chapter House on Saturday, September 12, and within a week, the physical plant was in top shape and ready for the semester's activities. Our active membership was brought up to 34 with the addition of the following who entered the Bond of Delta Chi last month: Richard Cowling, Edward Obrist, John Nicely, Robert Isham, and William Hess. The addition of 18 new pledges brought the house up to capacity.

Last semester we finished ninth out of fifty-four fraternities in intramural sports due to our championship swimming team and our other excellent squads.

We are still in the process of making improvements to the Chapter House. During the Summer, the first floor was repainted, and new lighting fixtures are to be installed in the near future. Plans for redecorating the recreation room are now being made.

We are very thankful to Brother George Lehr, '18, for our new 49 star Old Glory which we received last semester. This flag along with a new 12 foot Delta Chi burgee, donated by the graduating Seniors of 1959,

is proudly displayed in front of the Chapter House.

Everyone is now looking forward to a good year in all fields. Homecoming week end, Junior Prom, and Pledge Dance are the main social events of the semester. — Frederick R. Brandt, "E".

Welcome Back Housemother

Purdue. The fall semester brought with it concentration upon the improvement of the physical facilities of the Chapter House. An entire week was spent painting the living rooms, putting in a new sidewalk, resurfacing the parking lot, and in general a repairing of the entire house.

We have a beautiful new rug in the living room, around which the entire room was redecorated.

We feel that the hard work and time put in by the brothers on this work was well justified, for we now have a Chapter House of which we are extremely proud.

Delta Chi enjoyed another successful season of fall sports. Our softball team was undefeated and the Chapter is in the top ten in golf. We are looking forward to the same success as basketball season gets under way.

Our annual dance honoring the pledge class was held on October 16. The theme was "Paddle Bounce". A huge paddle was constructed across the front of the house, and favors were paddles with each brother's and his date's name inscribed on them.

The first semester saw the return to Delta Chi of our housemother, Mrs. Ruth I. Patton. Mom Patton had been housemother of the Purdue Chapter from 1953 to 1957. We are all happy that Mom Patton has returned to Delta Chi. — Dick Gibson, "E".

Appear in Guys and Dolls

Rollins. School opened the first week in October and the Rollins chapter has been completely absorbed in Rush. Pledge Sunday was October 25 and the Chapter welcomed 15 new pledges. Included in our pledge class are Pete Kellogg, president of the freshman class, and Paul Brennan, Treasurer.

Despite the rushed "rush" period the

Chapter has been very active around the campus. In the Theater Arts production of *Guys And Dolls*, Bob Bunim is assistant director and Alan Coleman plays one of the lead roles while six members of our new pledge class also appear. Delta Chi challenged the Kappa Kappa Gamma's to a softball game. It was hard fought and ended in a three inning 5-5 deadlock. The house also had a Beatnik house party October 24 which seems to have been quite a success.

In intramural competition Delta Chi has fielded a good team and are in contention for first place. — David MacMillan, "E".

Hold Pizza Supper

Southern Illinois. The Southern Illinois Chapter initiated the new year with a very successful rush. A total of twenty-eight men were formally pledged.

The Chapter held their sixth annual Pizza Supper on Parent's Day, November 7. The chairmen were Don Wittnam and Ron Miller. Homecoming was celebrated by the Chapter members with an after dance party at Benton Country Club. Several men attended a party the weekend of October 23 at the home of Alan Swailes in Normal, Illinois.

Members of the Chapter are very happy with the appointment of Ray Gimney, an alumnus of the chapter, as Delta Chi Supervisor of Field Services.

Recently initiated into the Bond of Delta Chi were: Jim Bruhn, Ken Orstead, David Delay, Bob Searles, and Howard Hood.

Neil Maxwell was recently elected Mr. Freshman on the Southern Illinois Campus.

The Chapter officers for the fall quarter are: John Crowell, "A"; Ken Reichel, "B"; Mel Myers, "C"; Jerry Maxwell, "D"; Ron Miller, "E"; and Alan Swailes, "F". — Ron Miller, "E".

Plans for New House

Texas. The biggest item confronting the Texas Chapter is a new house, which we are planning to have for next semester. We are taking a big part in intramurals and this fall were in the middle of a three way battle for first place in intramural football.

Under the leadership of Otis Parchman,

newly elected "A", we plan to have a very successful year. Also elected to Chapter offices were Ray Skipping, "B"; Sherwood Lynn, "C"; Don Witcher, "D"; Richard Corso, "E"; and Al Hendricks, "F".

Two major social events were planned prior to the Christmas holidays. — Richard Corso, "E".

Temporarily Housed in "Y"

Union. This year the Union Chapter is faced with the problem of having no house. The Brothers are temporarily housed in a private section of the Schenectady YMCA. All Brothers living in the "Y" are automatically granted "Y" membership which allows them to use the "Y's" two gyms, track, weight room, pool, bowling alleys, and handball and squash courts. Dinners are served in a dining room at the "Y" where meetings are also held. Lunches are not a group activity due to the distance from campus. A well-oiled car pool shuttles the Brothers to and from classes.

Many problems were met and overcome during rushing. Local restaurants near the campus were rented for lunches and the Brothers drove the freshmen to the "Y" for dinner. Lively weekend parties were held at the college Rathskeller. At the end of the two-week rushing period Delta Chi had sixteen new pledges.

The big thrill for the Union Chapter was the winning of the Alumni Council Plaque for the fraternity with the greatest scholastic improvement. Delta Chi had an index of 2.791 for the 1958-59 academic year — an increase of .591 over the previous year. This raised the Chapter from thirteenth of seventeen fraternities to third. Eliphalet Nott Scholar Ted Bruhn, '61, helped a lot in making the gain possible, as did many other Dean's List scholars.

Plans for the new house are still not definite, but even without a house the Union Chapter is proving that it is still a fraternity. The Brothers are working together to overcome a difficult situation. — Charles R. Martin, "E".

New Pool, Other Improvements

Washington. The 1958-59 season appears to be another big year for the men of Wash-

ington Chapter of Delta Chi. The formal rush week that ended just three weeks ago gave to the Chapter what is considered the biggest and best pledge class on Greek Row. Each of the 26 pledges have brought with them honors, both socially and scholastically, from the high school from which they came.

High on the list of Washington Chapter news includes the extensive remodeling of the house, the new heated swimming pool, the huge patio and the new wall-to-wall carpet in the living room. The second and third floor of the Delta Chi house has also been carpeted. We are proud of our physical plant — largest on Greek Row.

We are on the road to another big intramural season. The big goal this year in intramural sports is to retire the all-university intramural trophy given to a group outstanding in intramural sports.

Socially Delta Chi plans to put to good use the pool in the back lot. Patio parties and swimming exchanges have been planned already for this quarter. The formal is to be held in the Olympic Hotel. The Halloween Hoe-Down was a costume affair.

The Fraternity this year is beginning a new program for firesides and exchanges. In order that the pledges may know women in every sorority, parties with each of the 20 sororities have been planned.

Scholastically, Delta Chi ended 11th among the 36 fraternities at the University. There is no reason why we cannot do even better this year. The pledge class last year was "number one" grade-point-wise of fraternity pledge classes. It looks as if this year's first year men might also cop the same honor.

The Chapter was one of the first to note the importance of high scholastic standing in the Greek system. Washington Chapter is stressing high scholarship as a new necessity.

Homecoming with USC brought honors to the Chapter. The Delta Chi Band "brought down the house" at the All-Greek Village Band contest. Audience approval gave the fraternity first place.

Loren Davidson was re-elected as the Washington Chapter "BB". Officers for the house are Larry Edwards, "A"; Gary Frazer, "B"; L. J. Foster, "C"; Jack Graham, "D"; Doug Hubner, "E"; and Fred Smith, "F". — Doug Hubner, "E".

Monopoly of Campus Leaders

Western Michigan. There once was a law passed stating monopoly was unlawful, but there is an exception to that rule here on Western's campus. The Delta Chi members have obtained most of the high campus offices, and have various members scattered about in other activities.

Such positions are held as: President Ronald Petersen, past Chapter "A"; Secretary Don Quick of Mens Union Board. Members on Student Council are: Larry Turnan, President; Treasurer, Dave Kollat, present Chapter "B"; Parliamentarian John Andrews, present Chapter "A"; plus seven alternates. From here we travel to Men's Court where we are represented by Jack Rummel, Court Recorder and Justice John Andrews.

From the political lime-light representatives we go to other various activities, such as the crack Torch and Blade troop headed by Ron Weimer, who is also our song director. Weimer obtained top honors in R.O.T.C. this past summer at Fort Riley, Kansas. In athletics we are proud to host the Captain of the Bronco football team, Dick Omstead.

It would seem with so many members engaged in different activities that our scholastic average would be somewhat low. Again we are the exception to the rule, because our over-all point hour was 2.589, second only to another organization with a 2.61.

The house has undergone some improvements for the new year. The sleeping dormer had a new floor laid this past summer by brothers Wayne Sharp and Roger Rasner. Some rooms have been rewired and painted. Our bathrooms have been enlarged for more shower and lavatory space.

Homecoming week end has passed leaving the brothers first place in the Fraternity float division under the guidance of our Float Chairman Dennis King. Another Delta Chi victory.

New Chapter officers for 1959-60 semester are: John Andrews, "A"; Dave Kollat, "B"; Dave Brew, "C"; George Burnard, "D"; Roger Rasner, "E", and Wayne Sharp, "F". — Roger Rasner, "E".

alumni notes

Alabama

- Phillip R. King, '52, holds the position of administrative assistant to the chief engineer of construction of Southern Railway Company, Atlanta, Georgia.
- Frank Eddens, Jr., '48, is in the Marine Corps and has been stationed in Japan for the last two years.

Auburn

- Hilton R. Thornton, Jr., '57, works as an engineer for North American Aviation, Incorporated, Culver City, California.
- James T. Mosley, '57, is in the Air Force and holds the position of a maintenance officer, serving with the 43rd Organizational Maintenance Squadron, at Davis-Monthan Air Force Base, Arizona.

Arizona

- "Rick" Moriarity, '32, on vacation from his position with the Goodyear Corporation in Goodyear, Arizona, visited Southern California recently, staying with his parents at their Santa Monica residence. He "re-unioned" with Hollywood columnist Lowell E. Redelings, Southern California '32, who was a roommate of his at the Southern California chapter house during the early '30's, by attending shows at the Moulin Rouge and other Hollywood glamour spots.

Ball State

- William Haworth, '59, teaches in an elementary school at Oak Park, Illinois.
- John Osborne, '59, is stationed in Florida with the United States Air Force.
- Isaac Lewis, '59, teaches physics and chemistry, in the Clayton, Indiana school system.
- Don Keith Shafer, '59, teaches physics and chemistry in the Royerton, Indiana, schools.
- Tom Henderson, '59, works in the Indianapolis, Indiana school system.
- Don Imler, '58, is an accountant with an Indianapolis, Indiana firm.

- Larry Lesh, '59, teaches in the Ft. Wayne, Indiana, school system.
- Dwight Keck, '59, has a graduate assistantship in physics and math at Michigan State University, East Lansing, Michigan.
- Edward Zahndt, '59, is an assistant to the president at Ball State College, Muncie, Indiana.
- Jerry Woodring, '59, is publications manager for the Ft. Wayne, Indiana, public schools.

California

- George L. Collins, '15, is Baptist pastor at San Jose State College. "Shorty" served as campus pastor at the University of Wisconsin for almost 30 years and in 1957 was transferred to San Jose.
- Herman D. Nichols, '23, is vice-president of Tubbs Cordage Company in San Francisco. "Herm" finds time from his busy position to enjoy membership in several clubs — Pacific Union Club, Stock Exchange Club, and the San Francisco Commercial Club.
- Lee W. Wilson, '57, is employment security officer for the California State Department of employment.
- Charles R. Kaupke, '52, is an agricultural engineer with the University of California, Davis campus.
- A. Bartley McIntyre, '50, has resigned as deputy health officer of Albany and has taken an assignment as director of sanitation with the government of American Samoa.

Chicago

- Irving C. Reynolds, '21, and his wife, the former Ruth Hamilton, are going to Madras, India, where Brother Reynolds will conduct a dairy products exhibit at the International Trade Fair. This is the sixth "milk run" to which the Reynolds have been adding their efforts to others who attempt to promote the sale of dairy products to people who need them, and to aid in nutritional build-up of many nations. He is officially a rep-

representative of the Dairy Society International, of which he a past president. Brother Reynolds is also chairman of the board of The Franklin Ice Cream Company of Toledo and Cleveland.

Connecticut

- Major William R. Perry, '44, writes that he enjoys his "out of this world" work as chief in training 1st Strategic Missile Training Squadron. He directly supervises the training associated with the current Vandenburg Air Force Base Missile launchings at Vandenburg AFB, California.
- Richard M. Conti, '59, is a 2nd lieutenant at Fort Benning, Georgia, where he is attending paratrooper and ranger schools. It is anticipated that he will be shipped in the near future to the European theatre.
- Ron Topping, '58, works with the Counter Intelligence Corps in California.
- John Schramm, '59, is completing six months training at Fort Dix, New Jersey.

Cornell

- Alexander G. Lewi, '22, former president of Macy's Kansas City department store has retired and purchased a home in Ponte Vedra, Florida.
- Don Farley, '56, has been awarded a NATO post-doctoral fellowship to study physics at Cambridge University for the current school year.

DePauw

- Dr. A. Dale Allen, '24, is now assistant chairman of the Department of Education and Psychology, Pennsylvania State Teachers College, Indiana, Pennsylvania.

National Interfraternity Conference.

DELTA CHI QUARTERLY

VOLUME 56

NUMBER 4

1960

From the Headquarters Office

Abolishment of Hell Week: A Heritage That Must Be Maintained

By RAY GIMMEY
Supervisor of Field Services

All Delta Chis are no doubt aware of the intense criticism that the fraternity system is now undergoing by lawmakers, administrators, and the general public. In some instances the criticism may be unwarranted, caused by the misinformed and the misled, but all of it cannot be brushed aside as meaningless charges. Incidents, such as those that occurred at the Massachusetts Institute of Technology and University of Southern California, in which the lives of two students were lost, are not, in any sense of the word, meaningless.

Fortunately, Delta Chi has never been guilty of taking the life of a man through the abnormal, immature, and primitive acts called "Hell Week" or "Informal Initiation". The word "fortunately" was used because we know that, to some degree, chapters are still living in an archaic fraternity atmosphere, using methods to

"train" pledges that were antiquated when the first fraternity was born. It is only by the grace of God that Delta Chi has not experienced such sorrow, humiliation, and embarrassment as have some fraternities.

Delta Chi Fraternity went on record during the 25th International Convention, held in 1929, as being opposed to "Hell Week" practices. We pride ourselves with the fact that we were the first national fraternity to so go on record. However, not many of us know what was written or said at this most important convention, therefore, we tend to regard it as another Delta Chi "first" and in doing so look upon it as a meaningless trophy. To renew the words of our heritage, the following is quoted exactly as it was written thirty years ago.

"Hell Week"

"We come now to the question of 'Hell Week' or 'Rough Week', as it is sometimes known. Without further ado,

Texas

• Lt. Joseph O. Hayhurst, '52, has been transferred to 2nd Armored Cavalry Regiment, Nurnberg, Germany.

• Michael A. Wiley, '57, was released from the Navy in September, 1959, and works for Geophysical Service, Incorporated, Dallas, Texas.

Union

• First Lt. Ronald G. Madsen, '57, is in the Air Force and assigned to the 1272AACS Squadron at Evieux, France, as maintenance and supply officer. His travels during tour of duty have taken him over most of Europe. He visited with Ed Langholtz, '57, in Paris on July 27-29, 1959.

• Norman W. Jankowski, '52, has received his doctor of osteopathy degree from the College of Osteopathic Medicine and Surgery, Des Moines, Iowa. He will intern for one year at Brentwood Hospital, Warrensville Heights, Ohio.

• Bernard W. Kearney, '14, has received special permission from the Congress and the President to wear the Philippine Legion of Honor decoration he received a few years ago. Kearney, who retired from military service with the rank of major-general, served in the 78th to 85th Congresses, inclusively.

• Charles G. Carl, '57, is now teaching English at Ballston Spa, New York, High School. Fred S. Frank, '57, and Richard W. Lewis, '57, are also teaching high school English in the Schenectady area.

• Charles F. Hackenyos, '57, has changed schools again. He is now an English teacher at Frankford High School, Philadelphia.

• Robert B. Jessen, '58, is doing social work for Dutchess County, New York.

• John F. Thompson, Jr., '59, is a member of the American Academy of Dramatic Arts, New York City. His current contract assures him of parts in two off-Broadway productions for the 1959-60 season and parts in many stock productions during the 1960-61 season.

Washington

• Richard P. Pharis, '58, attends graduate school at Duke University, Durham, North Carolina, and hopes to receive a master's degree in forestry in June, 1960.

• Edward P. Rich, '58, works for the public accounting firm of Touche, Neven, Bailey and Smart, Tacoma, Washington.

Western Michigan

• Lt. William Huntsinger, '55, served with the U.S. Army, Kagneu Station, Field Station, Asmara Eritrea. Eritrea is an Independent State although a part of Ethiopia. Before going to Africa, Bill was assigned to the Walter Reed Hospital, Washington, D.C. as welfare and recreation director. The Huntsinger family plan to return to the States in December, 1960.

• 2/Lt. Robert W. Middleton, '59, completed his military orientation course November 6, 1959, at Brooke Army Medical Center, Fort Sam Houston, Texas.

—ΔX—

Menyhert Named Regional Agency Director of Life of Virginia

Coleman R. Menyhert, Ohio State '49, has been appointed a regional director of agencies for the Life Insurance Company of Virginia, it was recently announced by Charles A. Taylor, the company's president.

Menyhert will assist Eugene E. Verdon, second vice president, in supervision of combination agency sales, service and personnel. His responsibility will cover agencies in Ohio, Michigan, Indiana, Kentucky, Maryland, West Virginia, and the District of Columbia.

Brother Menyhert is a native of Shaker Heights, Ohio. He joined Life of Virginia as an agent in the Cleveland area following graduation from Ohio State. He has served as manager of the company's Baltimore No. 2 district office since 1956.

MILESTONES

ALABAMA

Married

Joan Chapman to Ed Powell, '61; July, 1959.
Wesley Smith to Jim Merrell, '58; July, 1959.

Mitzie Brown to Ken Lindsay, '59; August, 1959.

Carol Andrews to Hugh Donald Wages, '59; August, 1959.

Joan Swindell to Lecil Colburn, '61; October, 1959.

Barbara Heath to Joe Davis, '61; June, 1959.

Born

To Mr. and Mrs. Jyles Machen, '58; a daughter; June 15, 1959.

To Mr. and Mrs. Farrell Blackburn, '60; a son; September 26, 1959.

ARIZONA

Died

James E. Rodgers, '56; Buckeye, Arizona.

BUFFALO

Died

Wortley B. Paul, '10; Buffalo, New York.
Chester M. Bliss, '19; Bolivar, New York.

C-K

Died

J. C. McGinley, '31; December 7, 1959; Hinsdale, Illinois.

COLUMBIA

Died

J. G. Colantuono, '42; Locust Valley, New York.

Philip Maguire, '29; September 5, 1959; Poughkeepsie, New York.

CONNECTICUT

Married

Susan Leever to David M. Hart, '60; August 15, 1959.

Kathryn Atcheson to Bernard Halla, '60; September 12, 1959.

Lyn Russell to John Christie, '60; June, 1959.

Connie Ryder to Michael Lengel, '58; September 12, 1959.

Nancy Zak to Walter Lefco, '59; June 20, 1959.

CORNELL

Married

Sarah E. Swan to Robert D. Bradford, '57; February 14, 1959.

Born

To Mr. and Mrs. Bud Bairstow, '57; a daughter, Susan Helen; July 21, 1959.

To Mr. and Mrs. Dave DeBell, '56; a daughter, Terri Louise; August 19, 1959.

To Mr. and Mrs. Dick Haggard, '58; a son, Marshal Case; May 10, 1959.

Died

George T. Culbertson, '15; September 26, 1959.

Hiel G. Rider, '10; December 1, 1956.

DEPAUW

Married

Sandra Jean Ballinger to Thomas A. Jameson, '55; August 16, 1959; West Mansfield, Ohio.

Martha Jean Bull to Phillip E. Arnold, '58; August 1, 1959; Cleveland Ohio.

Frances Bagby to Charles E. Ray, '58; August 29, 1959; Ft. Wayne, Indiana.

Katherine Keith to David G. Milne, '59; July 19, 1959; Plymouth, Indiana.

Dona Glenister to Frederick B. Fisher, '59; August 29, 1959; Chicago, Indiana.

Marcia Meyer to Bruce H. Stewart, '60; June 6, 1959; Greencastle, Indiana.

Kay Langford to Robert M. Brown, '60; August 22, 1959; Peoria, Illinois.

Born

To Mr. and Mrs. Donald Archer, '53; a son, Thomas Edward; January 17, 1959.

To Mr. and Mrs. Howard Bensen, '45; a son, John Christopher; September 30, 1959.

To Mr. and Mrs. Max Coats, '55, a son,

Daniel E.; March, 1959.

To Mr. and Mrs. Richard Holland, '52; a son, Richard Samuel; May 31, 1959.

To Mr. and Mrs. John R. Kerr, '54; a daughter, Jennifer Sue; April 21, 1959.

To Mr. and Mrs. C. Robert Platt, '54; a daughter, Candice Nicola; July 1, 1959.

To Mr. and Mrs. David A. Waller, '51; a son, Paul; June 10, 1959.

To Mr. and Mrs. George Bedell, '44; a daughter, Barbara Ellen; April 11, 1959.

DICKINSON

Died

Herbert F. Laub, '06; May 24, 1959; Easton, Pennsylvania.

FLORIDA

Married

Elbia Garcia to J. C. Coe, '61; August 22, 1959.

Carol Presson to Jesse Crant, '61; September 5, 1959.

Gwen Zeigler to Jerry Flint, '61; July 10, 1959.

Born

To Mr. and Mrs. Charles C. Humphries, '49; a daughter, Charlene Adele; April 4, 1959.

Died

Claud Ellett, '30; November 23, 1959; Phoenix, Arizona.

Dr. John MacLachlan; September 2, 1959.

GEORGETOWN

Died

Lawrence R. Ormiston, '31; April 25, 1954; Watertown, New York.

Robert B. Dawkins, '18; September, 1959.

Joseph H. Hagan, '25; August 13, 1959.

ILLINOIS

Married

Marry Gee to Larry Hausman, '60; June, 1959.

Kay Hill to William Huffman, '60; August, 1959.

Joan Lloyd to James Smock, '61; June, 1959.
Cynthia McGrath to Allan Harvey, '59; June, 1959.

Born

To Mr. and Mrs. Herbert C. Spiering, '52; a son, Scott Charles; July 12, 1959.

THE BADGE OF MATURITY

On campus and off, fraternity insignia today has a powerful new appeal . . . always smart, always in good taste, worn by discriminating college men and women who respect their heritage of rich traditions.

JEWELRY'S FINEST CRAFTSMEN

your committee unhesitatingly recommends that the Delta Chi Fraternity go on record as unqualifiedly opposed to the vicious practices which by common agreement come within this category. These include, to borrow our thought from the able report of the 'CC', 'deprivation of sleep to the point of uselessness in or out of class, paddling so severely that in some instances medical attention is required, physical abuse to which any competent coach would refuse to subject his athletes, including night runs and walks, lifting weights and carrying bundles, and consuming liquids or solids that cause a violent altering of the normal acts of nature'. Such and similar juvenile idiocies are not and should not be made prerequisites to the conferring of any ritual worthy of the traditions of Delta Chi. Immature, puerile, childish, silly, abnormal, uncivilized, unintelligent, primitive, and futile, the richest vocabulary fails adequately to describe the feelings of revulsion and of repugnance which these must arouse in all full grown men.

"And Delta Chis who are not manly are nothing. Delta Chis are no longer children. They are not adolescents. Nor are they the possessors of savage, arrested mentalities. They typify the highest caliber of the finest breed of American college men. As such they should personify in and out of the fraternity ceaseless opposition to the medieval survivals of the 'Hell Week'. 'Hell Week' provides deadly ammunition to those who would destroy the college fraternity system. As men of ordinary sense, let Delta Chis assume leadership or, at least, cooperate with other men of adult stature, in scotching this undoubted evil from the American College campus.

"Delta Chi from its earliest formative years fought against obvious fraternity shortcomings of another day. Therein lay the secret of her rapid rise to acknowledged greatness and leadership in the fraternity world. The snobberies, social pretenses, and unrealities of the gay nineties were foreign to the nature of Delta Chi. It is time to make abolition of policy of the glorious Delta Chi of

our day, in whose lexicon there should be no place for abnormal rough house, vulgar or indecent practices of any kind."

So it was, gentlemen. Your predecessors saw fit to alienate Delta Chi from "Hell Week" by adopting this resolution unanimously. In doing so, they committed each and every Delta Chi to work toward the extinction of all such practices which are associated with "Hell Week". It is imperative that each one of us be awakened to the dangers inherent and take an unyielding stand against "Hell Week" in theory and practice, not only for the personal moral and legal aspects, but for the welfare of Delta Chi. It must be done if Delta Chi is to grow and prosper.

—ΔX—

NIC Attendees Meet; Discuss NY Alumni Chapter

Nine Delta Chis attending the National Interfraternity Conference held in New York City, November 26 through 28 met at a luncheon to discuss and make plans for a New York City Alumni Chapter.

Taking part in the discussion were Brothers Joseph F. Lacchia, Ed Hunting, Dr. Marsh W. White, Ivan Culbertson, Bill Feustel, Alan Hill, Charles D. Burges, Adrian De Young, and Ray Gimney. Four of these men live either in New York, or within commuting distance, so that there already exists a good nucleus for the proposed alumni chapter.

Brothers interested in the proposed chapter should contact Charles D. Burges, 320 East 42nd Street, New York 17, New York.

Al Rossi Resigns Administrative Post

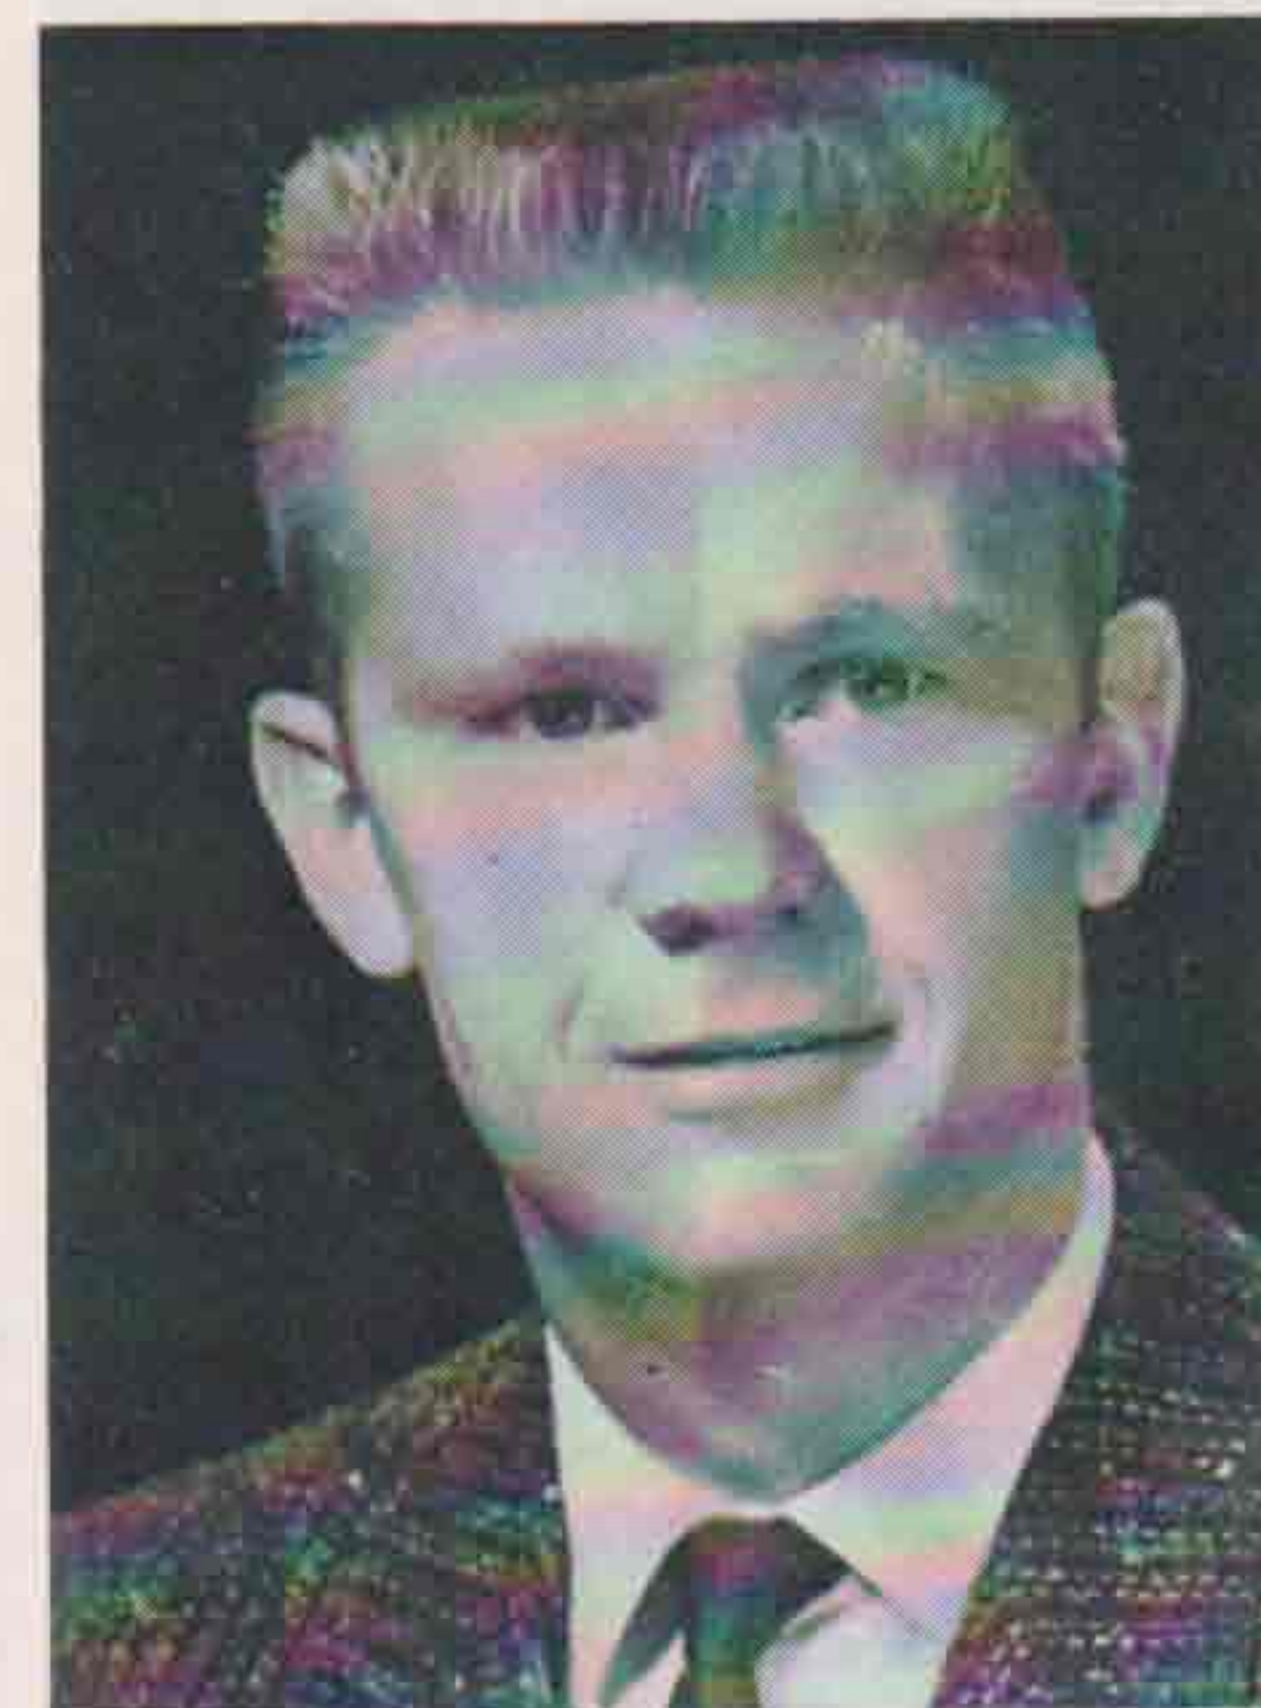

Al Rossi, Washington '53, has resigned as Administrative Secretary of the Fraternity. He and his family have moved to Auburn, Washington, where he has become associated with Cugini Florists.

At the post-convention meeting of the Executive Board held at Lake Texoma in August, 1958, Brother Rossi was appointed to the position of Administrative Secretary, and moved to Iowa City shortly afterward. He had previously taught business administration at Highline High School in Seattle, where he also served as coach of junior varsity basketball.

During his undergraduate career at the University of Washington, Rossi became well known because of his athletic achievements and his service to the school. In 1952 he and the four-oared Washington racing crew were chosen to represent the United States in the Olympic Games held at Helsinki, Finland. In his senior year Brother Rossi was elected to membership in "Fir Tree" an honorary organization whose members have exhibited outstanding service to the University of Washington.

Ray Gimney, Southern Illinois '59, has been named by the "AA" as Supervisor of Field Services, and as such will assume many of Brother Rossi's duties. A veteran of four years of service in the United States Air Force, Gimney was graduated last June from S.I.U. with a major in industrial science. He was active in campus and interfraternity activities and served the Southern Illinois Chapter as "A" and "C". Following graduation Brother Gimney assumed the position of Field Secretary for the Fraternity.

John R. Crowell Named New Field Secretary

John R. Crowell, Southern Illinois '60, has been named as a new field secretary for the Fraternity. The appointment was made by Ray Gimney, Supervisor of Field Services.

Brother Crowell was graduated from S.I.U. at the end of the first quarter. He served the Southern Illinois Chapter as "A", "B", "D", and House Manager. He was selected by the Chapter as its Chapter Luminary for 1959, and was a delegate to the 1958 International Convention.

John participated in many extra-curricular activities at S.I.U. He was the secretary-treasurer of his senior class and president of Phi Eta Sigma, a freshman scholastic honorary fraternity. He was also active in the student council, the student union council, and the IFC.

New Arizona State College Chapter Installed at Flagstaff

The Brothers of the Arizona State College Chapter pose for this group picture.

Seated at the head table at the Installation Banquet are, from the left, Ray Gimney, Supervisor of Field Services; Joseph C. Rolla, A.S.C. Dean of Men; Ivan Culbertson, banquet toastmaster; Joseph F. Lacchia, "AA"; Douglas Holsclaw, Sr., Regional Representative; and Dr. J. Lawrence Walkup, President of A.S.C.

Admiring the new Arizona State College Chapter Charter are, from the left, Chuck Philipian; Bev Basham, "A"; Dr. Eldon Ardery, "BB"; and Mark McGrew.

Installation Banquet Climaxes Months of Preparation by Colony

On October 11, 1959, the final step was completed in a chain of events which has led to establishment of Delta Chi's newest Chapter — the Arizona State College Chapter at Flagstaff, Arizona. On that date formal installation ceremonies were held for the Chapter together with a banquet at the Hotel Monte Vista in Flagstaff.

Twenty-two members were installed as charter members of the new Chapter by representatives of the General Fraternity. Members of the installation party were Joseph F. Lacchia, "AA"; Douglas Holsclaw, Regional Representative; Ray Gimney, Supervisor of Field Services; John Richtars, Delta Chi Colony advisor.

Toastmaster for the Installation Banquet was Ivan Culbertson. Appearing on the program were Joseph C. Rolle, dean of men at Arizona State College; Dr. J. Lawrence Walkup, president of Arizona State College; John G. Babbitt, member of the Arizona Board of Regents; Don Wolslagel, A.S.C. Inter-fraternity Council representative; Norman Popkin, Arizona Chapter "A"; and Dick Mariscal, Arizona State Chapter "A".

Greetings from alumni were extended by Milford Devine, University of Arizona; Robert Stump, Arizona State University; and Dr. O. A. Simley and J. Ferrell Coltun, Flagstaff Alumni group. Guest speakers were Brothers Lacchia and Gimney.

Installed as charter faculty members were Dr. Eldon A. Ardrey, director of liberal arts at Arizona State College and "BB", and John G. Babbitt, member of the Arizona Board of Regents. Arizona State College Chapter charter members are Beverly Basham, George Bates, Rene Beshear, Richard Bingham, Keith Christensen, Thomas Davis, Patrick Ferguson, Rex Edgar Johnson, Elwood Koivu, Mark McGrew, Gerald Marchal, Marvin Peterson, John Richtars, John Senseney, Parker Sutton, Harry Lee Walter, and Jersuey Woo.

Officers of the newly installed Chapter are Beverly Basham, "A"; Gerald Marchal, "B"; Harry Walter, "C"; Patrick Ferguson, "D"; and Jerald Peyton, "E".

In addition to the installation ceremonies and banquet, the members also had the distinction on the same day of having all three Arizona Chapters together to celebrate Delta Chi Founders' Day. With the three Chapters all represented, and in the presence of the "AA", Don Tolliver of the Arizona Chapter read the "AA"'s Founders' Day Message. Each person wore a white carnation in honor of the event.

It was truly a great day for all concerned, and was certainly an event everyone in attendance will long remember.

History

The October Installation Banquet was a climax of events which started in April of 1958. At that time a group of twenty-seven students joined together to form a local fraternity under the Greek name

(Continued on next page)

of Kappa Kappa. This fraternity was composed of socially interested students who felt a keen need for fraternal fellowship and wanted to be an asset to their campus, as well as to themselves.

Kappa Kappa, although newly formed, had many capable men, and they immediately started striving to be recognized on the A.S.C. Campus. They also started looking ahead to the day when their group could become a member chapter of a strong, respectable national fraternity.

In striving towards these two goals, the fraternity drew up a constitution to be approved by A.S.C.'s Inter-fraternity Council, and also let it be known to the various national fraternities that they were interested in joining such a group. This was not done in a haphazard way, and as different representatives came to look the local fraternity over, the Kappa Kappa members were also being very observant and careful in discussing and evaluating each fraternity that was interested in them.

Finally, during the Fall Semester of the 1958-59 school year, Kappa Kappa local became a Delta Chi colony and continued striving towards the goal of full chapter status. During this interval of time, the fraternity had already been accepted on the Arizona State College campus.

In trying to give the colony all the help possible in getting ready to become a full-fledged chapter, Douglas Holsclaw, Sr., Region #2 Representative to the Executive Board, and the Arizona Chapter sent a representative, John Richtars, to help explain the methods, ideals, and organization of the General Fraternity. With the invaluable help of John Richtars and the sincere desire of the members of

the colony, the final and biggest goal of the group was slowly coming into realization.

On October 9th, 1959, the first phase of the final step took place when John Richtars, Don Tolliver, Douglas Somers, and Jim Aiella, the initiating team from the Arizona Chapter, formally initiated twenty-two members into Delta Chi. The Installation Banquet followed two days later.

Now that a Delta Chi Chapter has been established on the Arizona State College Campus, the work of the Fraternity there has just started. Although there are no fraternity houses located on the campus at the present time, plans are already being discussed concerning a fraternity quadrangle which would house all the present A.S.C. fraternity chapters.

John Wallace Lauded By Insurance Company

John M. Wallace, Oklahoma '33, was recently lauded by his company, the University National Life Insurance Company of Norman, Oklahoma, for outstanding work done in sales and organization work. Wallace recently organized a sales force in the state of Mississippi which has demonstrated remarkable salesmanship ability. Wallace himself has set an outstanding sales record.

Brother Wallace was President of the Jefferson Davis Life Insurance Company of Biloxi, Mississippi and recently joined the University National team in a merger. He previously had been associated with Mutual Life of New York.

Wallace, his wife, and their two sons are living in Jackson, Mississippi.

L. A. Alumni Celebrate Founders' Day; Award Plaque to Justice White

The Los Angeles Alumni Association and the Southern California Chapter celebrated Founders' Day October 9 with the annual banquet at Rodger Young Auditorium in Los Angeles.

Ben Franklin, Southern California '36, president of the Association presided over the program which was highlighted by the presentation of a plaque honoring Thomas P. White, Southern California '11, who has recently been appointed to the California Supreme Court at Sacramento. In Justice White's absence the plaque was received for him by Clement D. Nye, Southern California '17 and Julius V. Patrosso, Southern California '12,

both Superior Court Judges.

W. Lee Smith, Kentucky '16, delivered the keynote address. Jack Rider, "BB" gave a report on the activities of the Southern California Alumni Finance Control Board, and members and pledges of the Chapter were introduced by Jim Marshall, "A".

Association officers for the coming year were elected at the banquet. Roy Gormsen, Southern California '28, will serve as president. Edward G. Vierheilig, Southern California '50, was elected vice president, and Lowell E. Redelings, Southern California '32, was re-elected secretary-treasurer.

Judges Clement D. Nye, left, and Julius V. Patrosso, center, accept a plaque honoring Hon. Thomas P. White in his absence. Making the award is Ben Franklin, president of the Los Angeles Alumni Association. White, who was recently appointed to the California Supreme Court, was given the award by the alumni group in view of his outstanding services to Delta Chi.

Allen Writes of French Explorer

Author, attorney, collector of rare books and maps, and chairman of the International North Pacific Fisheries Commission — these terms all apply to Edward W. Allen, one of the founders of Washington Chapter.

Brother Allen's interest in an 18th Century French explorer, Count Jean Francois de la Perouse, and his avid research for rare editions has combined to produce a book written by Allen called "The Mysterious Disappearance of La Perouse." The book was published in November by Charles E. Tuttle & Co. of Rutland, Vermont.

Allen, a partner of the Seattle law firm of Allen De Garmo, and Leedy, has one of the most extensive collections of rare books in the Northwest. In his Seattle home are to be found over 3,000 volumes, mostly on voyages, maritime subjects, the Pacific Northwest and Alaska. To supplement these, he has numerous maps prepared by early cartographers. Volumes relating to La Perouse occupy four and a half bookshelves of the Allen home. "We seldom hear of him in the United States," says Allen, "but the French revere him as their Captain Cook."

A French naval officer, La Perouse was stationed on the island of Mauritius prior to the French Revolution. When he was 44 he was selected to command a round-the-world exploring expedition and left on the mission from Brest in 1785. He sailed to Alaska, south along the North American Pacific coast, and finally across the Pacific to Botany Bay in Australia, where he arrived in 1788. After he left

Edward W. Allen is pictured leafing through one of his rare editions.

Australia he was never heard from again. The wreckage of his two ships was found in 1826 on the island of Vanikoro, in the Santa Cruz group, near the Solomon Islands. Following La Perouse's disappearance many suggestions were made as to his fate. Several books and plays were written as explanations.

Allen says that most all of the written material about La Perouse deals with his famous Pacific voyage, and that he was unable to find a good accounting of his early life. In order for Allen to gather such material, it was necessary for him to piece details together from books, articles, and personal research in France.

Brother Allen's interest in the sea is reflected in the many governmental positions he has held. He was appointed by President Hoover in 1932 as the United

States member of the International Fisheries Commission, now called the International Pacific Halibut Commission, and served alternately as chairman or secretary of the group. In 1937 President Roosevelt appointed him as a member of the International Pacific Salmon Fisheries Commission, and in 1954 President Eisenhower named him to the International North Pacific Fisheries Commission. He is currently chairman of the latter group. He has also served as the advisor to the United States delegation to the Geneva United Nations Conference on The Law of the Sea and advisor to the United States delegation to Japan to negotiate a fisheries treaty among Japan, Canada, and the United States.

Allen is ex-president of the Seattle Municipal League, the Pacific Northwest Trade Association and the World Trade Club of Seattle. He has served as secretary of the Washington State Park Commission. In 1947 he was awarded the title of Alumnus Summa Laude Dignatus of the University of Washington.

Other books Brother Allen has written include "North Pacific," "Dancing Tails and Other Fishy Jingles," and "Le-prouse, A Check List," another book about the French explorer. In addition, Allen has written many articles on International Law, Alaska, and fisheries.

Lemon, Rideout Elected Rotary District Governors

Two members of Delta Chi have been honored by Rotary International, worldwide service club organization.

Erwin B. Lemon, Oregon State '11,

Eugene W. Rideout

E. B. Lemon

and Eugene W. Rideout, California '23, have been elected as district governors of Rotary International for the 1959-60 fiscal year. During their term of office they will visit each of the local clubs in their districts to offer advice and assistance on Rotary service activities and administration.

Brother Lemon retired last summer as the Dean of Administration at Oregon State College at Corvallis, Oregon. The resignation completed 52 years of service to O.S.C., the longest continuous administrative service of any staff member in the history of the school.

In Corvallis, Dean Lemon has served as president of the Chamber of Commerce and the Board of Education, and as a director of the United Fund. He has been president of the Pacific Coast Association of Collegiate Registrars and vice president of the American Association of Collegiate Registrars.

E. W. Rideout is the district sales manager of the Pacific Telephone and Telegraph Company in Chico, California. In Chico, Brother Rideout is a director of the American Red Cross chapter. He has been a director of the Chambers of Commerce of San Luis Obispo, Santa Rosa, and Marysville, California, and a director of the Santa Barbara and the Buttes Area Councils of the Boy Scouts of America.

"...character, culture, and critical power."

An address delivered by Joseph F. Lacchia, "AA", at the installation banquet of the Arizona State College Chapter, Flagstaff, Arizona, October 11, 1959.

We are here today to give birth and to pay homage to the newest chapter of the Delta Chi Fraternity — the Arizona State College Chapter. In a sense this is your "Commencement Day" because it is the beginning of a new life — a big chapter in the book of your college career.

You have singularly and collectively been initiated into the Bond of the Delta Chi Fraternity, and with it you have assumed the positive and grave responsibility of carrying on, fostering, and promulgating the ideals and principles of our Fraternity.

Great men have come forth from our fraternity. The roster is replete with prominent men in all branches of endeavor. The Delta Chis in Arizona have made a very generous contribution — for it is indeed unusual and unique in the annals of the entire fraternity world that

Delta Chi should have two of its sons who were pledged and initiated into the University of Arizona Chapter, and who in later life became governors simultaneously of two great neighboring states in the North — Indiana and Illinois. Time does not permit my enumerating other Nationally prominent Delta Chis from Arizona — let alone from our fraternity in general. But I do want to make it very clear that you, as new members, are charged with carrying on and promulgating this tradition or pattern. I know that you will measure up to this task.

Fraternity life imparts into an individual intangibles which are not found in books nor can they be secured nor digested by cramming. It is a positive asset which is acquired slowly, and its full value is not fully appreciated until later years. It is a well known fact that social

polish and poise are acquired from Fraternity life.

The ideal fraternity life is mainly composed of character, culture, and critical power. Character is first on the list and a fraternity without character is unworthy of the name. It falls to the lot of a chapter to develop character of its members. Culture teaches one to understand and enjoy the beauty in conduct, in literature, in art, and in nature. Critical power is knowledge well formed and properly directed. All of these qualities, however, necessarily include selfmastery and perseverance — for these two are essentials in a complete fraternal life.

Our fraternal life can always be mainly one of pleasantness that will prove to be, in later years, a source of joy and comfort. Yes, a memory that cannot be buried beneath the chilling frosts of forgetfulness even when we wend our way through life realizing or not our cherished hopes and dreams.

Scholarship is of utmost importance. We cannot stress this too much. It is indeed interesting to note that several years ago a survey was made of 275 institutions of learning. The results were very revealing for 180 endorsed the Fraternity as predominantly educational in its function, and only a half a dozen — mind you — only six out of 275 — could not subscribe to this characterization while the remainder were non-committal.

The trend during the past quarter century from the purely academic concept of education towards broader educational objectives, has brought very important changes in the American college pattern. Significant among these changes is a growing concern amongst educators for the student's out-of-class hours. Extra-curricular activities, such as fraternities, have

assumed a new importance to the point that many colleges have assigned full-time advisors to assist in the co-ordinating of fraternity programs. College administrators are very well aware of the importance of fraternity life and the part fraternities assume in the responsibility of adequate scholarship, finance, housing, maintenance, government, and a program of activities.

And so it is, that there are about 13,000 chapters of college fraternities with a gross membership of about 5 million undergraduates and alumni. Significant, perhaps, is the fact that colleges and universities who have never had national fraternities continue to join the ranks of "Fraternity Schools." During a four-year period, 1948 to 1952, more than 40 campuses opened the doors to fraternities and invited them with opened arms. Thus, fraternity life will continue to flourish because fraternities exist to answer genuine student and college needs; because fraternities help in the attainment of worthy educational, social, and personal goals.

And yet these goals and deeds, unfortunately, are sometimes clouded — for only the freak prank makes the headlines; only the tragic slip arouses righteous indignation. For the misdeeds of a few, some people are quick to blindly pass judgment and to cry out that fraternities should be driven from the land like the plague. The anti-fraternity cliques are innocently joined by the misinformed and the misguided. But when fraternity men give their blood to the Red Cross (and campus statistics prove the average of givers is highest among fraternity men), assist their college in its social program, help and give to the community chest

(Continued on page 32)

New Pledges Listed By Active Chapters

The following is a list of men pledged by the various Active Chapters following fall rushing. Some Chapters follow a system of deferred rushing which accounts for the short lists of upper classmen or the complete absence of new pledges.

Alabama. Jerry Campbell, Bill Cardwell, Johnny Carlson, Russel Carothers, Reggie Dunn, Howard Lee Gentle, Bobby Hopper, Fred Johnston, Benny Little, John Lowe, John McHaffey, Gary Meyers, Lloyd Moore, Gary Osborn, Biff Reed, Mickey Scarbrough, Leonard Sington, Tommy Stewart, Louis Surles, Mike Walker.

Auburn. Eddie Allbritton, Robert Broadway, Bill Burgess, Jimmie Carnes, Bob Clayton, Jimmy Coston, Jerry Cotton, Jerry Crabtree, Mike Daniel, Johnny Davis, Malcolm Fancher, Tyrone Gautney, Bobby Gillespie, Robert Guinn, Donald Huey, Butch Johnson, Robert Lisenby, Wayne Little, Robert Melvin, Jimmy Mercer, Joe Miller, Gordon Nix, Joe Pope, Pat Rigg, Jerry Robinson, Douglas Smith, Alan Stanfield, Jimmy Storey, Jerry Thomas, Harold Turner, James Vandiver,

Thomas Vardaman, Larry Webster.

Arizona. Norman Algert, Dave Areingdale, George Bell, John Bergman, Gary Brittain, Rod Cleveland, Doug Cushing, Rich Dimberg, Dennis Downing, Tony Felix, John Firestone, Ray Foust, Bobby Garcia, Dick Heffelman, Harold Herberger, Louis Heyden, Vic Holmes, Jack Hudson, Bill Long, Dick Lord, John Mansour, Steve Merrit, Steve Mocsy, Tom Nordale, Dick Neasham, Jim Roberts, Paul Shoecraft, Gary South, Dick Spackman, Dennis Warner, Tom Wilcox, Jerry Willis.

Arizona State. Allan Carroll, Alex Kritsedemos, Brad Luckingham, Steve Montgomery, Danny Philips, Mike Redman, John Robinson, Bob Splawn, Phil Temple.

Ball State. Gregory A. Babb, William J. Bergin, Roger Boop, Robert Branyon, Paul C. Broadwater, James B. Cooper, George C. Kistler.

California. Ben Bacigalupi, Dennis Webb.

Connecticut. Thomas Berardi, John Flannery, Victor Gervasio, Howard King, Joseph Krawczyk, Ronald Rosenbaum, Robert Watson.

Cornell. James Boyle Rogers.

DePauw. Ed Berghausen, Dan Blunt, John Cowan, Mike Cripe, Dave Dent, Bill Ewing,

Steve Fischer, Chuck Johnson, Dion Loveless, Bob Mann, Don Norris, Jerry Parker, Ray Parker, Grant Scott, Bill Snyder, Steve Stafford, John Throckmorton, Bud Walters, Jim White.

Florida. Newell Atkins, Charles Baldwin, John Carmichael, Michael Chiles, Bruce Clark, Richard Crook, Bill Fowler, James Ishee, Joe Johnston, Don MacDonald, Robert Newman, Tom Weber.

Houston. Regan Ainsworth, William Dozier, Bill Groce, Frank Lucas, Jerry Matthews, Lonnie Moody, Scott Smith, Ted Spafford.

Idaho. Jim Assendrup, Steve Gibson, Richard Gully, Larry Ham, Gary Hughes, Jerry Hustead, Mike Kimball, Harry Labbee, Dave Mulally, Vic Rae, Dick Wisner.

Illinois. Bill Aiken, Larry Ball, Don Bergen, Jack Besig, Bruce Creamer, Lynn Dueser, Mark Gaynor, Del Gordy, Corwin Holmes, Al Kersten, Richard Lohner, Frank McGinty, Howard Partch, James Pohlig, Tom Stuart, Dave Watt, Charles Woltz.

Indiana. Wayne Ballard, David Michael Berry, John William Bodyek, Robert Cellini, James Evans, Jr., James W. Flockencier, Ivan O. Hawk III, Gary Hayes, John Johnson, Robert Johnson, Donald Mayhew, William Mazzier, Clark Mercer, John Phill, William Precht.

Iowa. Ted Bailey, John Calhoun, Norval Clemons, Robert Graef, Tom Gray, Harold Hatfield, Larry Howard, David Huff, Ron Karr, Patrick Lawrence, Jim Morrison, John Mullen, Jerry Rotello, Mike Smith, Larry Stoltzenberg.

Iowa State. William Bell, Robert Cochran, Paul Dana, William DeBerg, Ronald Force, Jack Hayes, Norman Herzog, Kimo Jadrnicek, Keith Landheis, Donald Linn, La Verne Van Donselaar.

Kansas. Ted Albert, Jerry Andre, Carson Black, Larry Borcharding, Gary Boxberger, Ron Boyle, Bill Bunyan, Jim Carr, Leland Cole, John Fletcher, George Mack, Larry Midyett, Tom Rich, Paul Rogers, Steve Stazel, Dale Steinert, George Tiller, Jim Thomason, Doug Walcher, Dale Willey.

Lake Forest. Phil Berge, Larry Kaine, Bob

Marshall, Tom Wallingford, Jim Wilson, Richard Yeager.

Miami. Bill Gross, Art Lewis, John McCarnes, Dave Stowell.

Michigan. Bruce Balas, Gregory J. Kaiser.

Michigan State. Mike Alexander, William Braidon, Robert Brown, Ray Chase, George Chesley, Hank Collier, Gifford Cummings, Thomas Fassbender, Jim Featherston, Joel Heiman, Daryl Kiebler, Joe Lacchia, Jr., Frank Lewis, Thomas Stahl.

Minnesota. Mike Carrier, Jim Dietz, Jim Hayes, Jim McCrea, Dennis Nelson, Jim Schible, Harry Stone, Dave Young.

Missouri. Ed Barnes, Tom Daniels, Jim Jones, Richard Lake, Gene Kelly, Richard Kerr, Joe Kolasch, Jerry La Fevers.

Ohio State. Jerry Boerger, Joe Chupas, Ron Crane, Al Daniels, Phil Hershey, Bill Homsher, Don Maxwell, Jim Rawlings, Dave Roth, Herb Russell, Paul Stevens.

Oklahoma. Bob Austin, Vincent Buzzo, Ronald Capshaw, Ronal Eden, Edward Linderfelt, Gene Massey, Richard McLagan, Don Perry, Edward Sizer.

Oklahoma State. George Abbey, Bill Cross, Lloyd Culver, Ray Grimes, Paul Hahn, Jim Hendricks, Jerry Holt, Andrew Hickham, Jim Robertson, Kenny Scarritt, Dale Stockton, Jim Walker, Clark Walton, Dave Welch, Andy Young.

Oregon State. Aaron Funk, Ray Gerlach, Ralph Golik, Dave Gundle, Jerry Hitchcock, Jim Lemery, Leroy Stevenson, Daryll Walker, Mike Wheaten, Norman Uyeda.

Osgoode Hall. Bill Andrachuk, Wally Ancuta, Bill Babe, Peter Coldbrik, Dick Cole, Calvin Duthie, Bob Granger, Bob Hart, Don Hersey, Dunc MacFarlane, Ross MacFarlane, Doug McDermid, Charlie Miller, Burns Proudfoot, Colin Rayner, Don Reo, Al Root, Ernie Zsebic.

Penn State. Dale Brechbil, Donald Butcher, Robert Drenning, John Furlong, Thomas Henderson, Mel Israel, Eric Linger, Robert MacLean, Edward McBairty, Gary Patterson, John Potochny, Dennis Ream, William

The 1959-60 Alabama Chapter pledge class.
