Founder's Day Message

As Delta Chi celebrates its 85th anniversary we must not only reflect on our past, but look to the future. Our Fraternity faces many challenges in the coming year. With our 1975-76 biennium watchwords "Progress Through Responsibility" in mind, we can find solutions to most of our problems. Our success will come from our combined efforts, undergraduates as well as alumni.

The undergraduates realizing the impact of inflation have raised their fees for the first time since 1968. Last year we pledged and initiated the most men since 1970. If our chapters continue this trend and improve their cooperation and communication with the Headquarters Office, they will have certainly done their share.

The alumni participation level, both monetarily and personally, is at an all time low. In the long run, only alumni interest can provide the continuity necessary for strong chapters. We ask you, the alumni, to visit, call or write your chapters to let them know you support them and are interested. Simply taking the time to inform a local chapter of a good potential rushee will serve not only to support that chapter, but will also add new men to the Bond. Many small acts will sum up to a deed of service.

If alumni were to keep their chapter and the Headquarters Office informed of address changes, needless costs in wasted postage could be eliminated. Attending a Founders' Day or Homecoming celebration are expenditures of good will that can serve to bolster chapter attitude and confidence.

Additionally, if the General Fraternity is to offer worthwhile programs to the chapters, we need your financial support. There is the opportunity in the September *Quarter* for you to assist by sending your 1975-76 alumni dues.

We are entering a new era in our Fraternity's history. We have a young and energetic staff who are working on innovative and dynamic programs to help the chapters help themselves. Together, each participating in his own way, we can truly achieve "Progress through Responsibility."

New Executive Director

Larry P. Audlehelm, Iowa '71

As Delta Chi Fraternity began its 1975-76 fiscal year, the Fraternity was faced with the task of filling the office of executive director, left vacant by the sudden resignation of Dr. F. Kenneth Brasted.

Dr. Brasted assumed the position of executive director on September 1, 1967, and during the eight years of his service, the Fraternity saw a period of growth, expansion and organization. Accordingly, the Executive Committee sought to retain these qualities as well as to provide dynamic leadership for the Fraternity. A search was begun for Dr. Brasted's successor. Applications were immediately solicited from members of the Fraternity.

On Sunday, August 3, 1975, a four-way conference call was held between James C. Steffan, "AA"; Robert LaBouy, "CC"; Marcus Gary Monk, "DD"; and Marsh W. White, "AA" Emeritus (selected as a member-at-large to join with the Executive Committee in their search), when the selection process was discussed.

During this conference a Screening Committee was selected consisting of Boyd W. Boehlje, Legal Advisor to the Educational Foundation; Frank Granat, Jr., Retiring "AA"; and Marsh W. White, "AA" Emeritus. This committee was charged with the task of interviewing applicants at the 40th International Convention and then subsequently recommend to the retiring Executive Committee their choice of qualified applicants for the executive director position.

On Sunday, August 17, the retiring Executive Committee made their recommendation to the newly installed Executive Committee who would make the actual selection and whose task it was to arrange for a suitable contract and terms of employment.

At the post-convention Board of Regents Meeting on August 17, it was reported by Gary Monk, "AA", that the Executive Committee had reached a decision on a new executive director.

After careful consideration, the Board Unanimously approved the selection of Larry P. Audlehelm, Iowa '71, as executive director of the Delta Chi Fraternity.

A native of Osceola, Iowa, Larry Paul Audlehelm was graduated from the University of Iowa in 1971 with a Bachelor of Science in General Sciences. Since August, 1971, he has been employed by the Johnson County (Iowa) Extension Service. His work has included the administration and development of 4-H and Youth Programs on both the county and state levels. In 1973, he was instrumental in securing federal funding for 4-H Youth Program Development in Urban Areas. During the past year he has been working on his Masters degree in college student personnel in the Division of Counseling at the University of Iowa.

In the Fraternity, Larry has served as the Iowa Chapter "A", "B", "E", and rush chairman. He is a member of the Iowa Chapter Alumni Board of Trustees and Housing Corporation.

In 1972, Larry was elected Regent of Region 4 which includes much of the Midwestern part of the country. As a Regent, he has visited all of his chapters on several occasions and has done extensive work in the development of multi-chapter rush clinics.

On the personal side, Larry is a voracious reader and a "Greenhouse Gormet." When he isn't cultivating his collection of indoor plants, he may be found donning his chef's guise as he tries to beat today's restaurant prices. His art collection includes several original pieces, and he has fine taste in both popular and classical music. He is an avid swimmer and likes to bicycle when he finds the time.

Administrative ability, experience with volunteer leadership, and experience in personnel and public relations as well as an abiding interest and love for Delta Chi admirably qualify Larry Paul Audlehelm for his new position.

Alumni Leadership

Continuing his outstanding service to the Fraternity, Marcus Gary Monk, Auburn '65, has been elected "AA" at the 40th International Convention.

A Birmingham, Ala. native, Brother Monk received his Bachelor of Science in business administration from Auburn University in 1965 where he had been active in the fraternity as president and vice-president of his Chapter. As an undergraduate, he also founded the Troy State University Chapter of the fraternity in Troy, Ala.

After his graduation, he served for a short time as a traveling field secretary for Delta Chi until his induction into the United States Marine Corps in 1965. He served with the Marines until 1970 when he was given an honorable discharge with the rank of Captain.

"Gary" recently served his fraternity as both a vice regent and a regent prior to his election as "DD" at the 39th International Convention in 1973. As a vice regent he was responsible for the founding of the East Texas State University Chapter in Commerce, Texas.

In 1972, he received his Master of Business Administration from East Texas State and is currently employed as a pilot from Delta Airlines. He and his wife, the former Alice Venable, live in Atlanta, Ga. They have one daughter, Cathi.

Selected to succeed Robert P. LaBouy as "CC" is John Nicholas (Nick) Gray, Missouri '56.

Prior to his election, Nick served the Fraternity as vice-regent in Region 4 covering much of the midwestern part of the United States. He has been very active in the Fraternity's expansion throughout Missouri. He has also served as the "BB" for the Northwest Missouri Chapter since 1969.

"Brother Missouri Delta Chi" would be a fitting title for this dedicated man. He was a member of the Alumni Board of Trustees of the Missouri Chapter, 1959-65. His continuous efforts to get Delta Chi back on the Missouri campus at Columbia culminated last year in the organization, with the help of many alumni of the old chapter and of our new Missouri Colony. He was likewise instrumental in securing a purchased Chapter House for the Northwest Missouri Chapter.

Brother Gray is a 1956 graduate of the University of Missouri and is currently a self-employed manufacturers representative in the decorative accessories field, J. Nick Gray and Associates, of Maryville, Mo. He has also been active in Missouri politics, serving as chairman of the Missouri Republican State Committee from 1970 through 1972.

Robert P. LaBouy, Washington '66, has been elected to succeed Gary Monk as "DD" of the Fraternity.

Brother LaBouy graduated from the University of Washington in 1966 with a Bachelor of Arts in political science. As an alumnus, he has served the Washington Chapter of the Fraternity as alumni adviser, alumni board of trustees member, rush adviser, and co-chairman of the University of Washington Adviser's Association.

Prior to his election as "CC" in 1973, LaBouy served the Fraternity as Regent in both Regions 1 and 2, covering much of the west and southwestern parts of the United States.

LaBouy is currently the district taxpayer service division manager for the Seattle District of the Internal Revenue Service. He is a resident of Seattle, Wash.

Reflections: 40th International Convention

The 40th International Convention of the Delta Chi Fraternity concluded Sunday, August 17, 1975, but not before delegates from across the country combined Brotherhood, Business and Fun.

The Palmer House in Chicago was the setting for this event which was hosted by the Michigan State Chapter. Fifty-nine chapters were officially seated; seven chapters were present but were not seated. Four colonies and eight alumni chapters were also represented. Total attendance at the convention was 276.

The First General Session was opened by "AA" James C. Steffan at 9:40 a.m. on August 15. "AA" Emeritus Marsh W. White was asked to give the invocation. His prayer set the tone for the entire convention, and the guidance of God seemed present in every session. "AA" Emeritus Joseph Laechia was selected sergeant at arms for the convention and George Obea was elected parliamentarian.

The Honorable Mayor Richard J. Daly of Chicago extended the City's cordial greetings to the members of the Fraternity by telegram. Best wishes were offered for a most rewarding meeting on the 85th Anniversary of the Fraternity.

Nominations

This year, in keeping with the election procedures established by the 39th Convention in 1973, the Qualifications Review Committee was called upon to make its report to the convention. The Committee reported that it found Boyd W. Boehlje, Iowa State '61, and Marcus Gary Monk, Auburn '65, qualified to run for the office of "AA". Stephen B. Spencer, Penn State '54; Robert LaBouy, Washington '66; and Raymond Borelli, Illinois '58; were all qualified candidates for the office of "DD". There were no presubmitted nominations for "CC".

Nominations were then taken from the floor. J. Nick

Left: Victor Johnson, first member, Order of the White Carnation. Above: "AA" James Steffan and past "AA"s Joseph Laechia, Lew Armstrong and Frank Granat.

Gray, Missouri '56, and Paul W. Bohlman, Ohio State, '70, were nominated for "CC". The Qualifications Review Committee subsequently found these men to have met the requirements for that office.

Order of the White Carnation

During the First General Session, it was announced by George Obea that the Board of Regents, at its pre-convention Board meeting, had authorized the creation and establishment of a new award, to be known as THE ORDER OF THE WHITE CARNATION. The text of Brother Obea's presentation follows:

The Constitution of the Fraternity provides that "The Fraternity flower shall be the white carnation." The By-Laws provide for Officers Emeritus and states: "Such designation shall be only the meritorious and conspicuous service to the Fraternity."

But no award is now provided for meritorious and **inconspicuous** service.

We hope and suggest that through future experience and tradition the "Order of the White Carnation" may become more than a treasured award and become an honorary degree of the Fraternity. An open and informal degree, not secret, but honored highly.

The guidelines for finding a proper recipient of this award and degree could well include:

- Consistent and meritorious service to at least one and, preferably, to several chapters;
- Frequent and consistent attendance at Delta Chi gatherings — at chapters, at regional conferences, at alumni meetings;
- Attendance at several or perhaps most national conventions;
- Generous and consistent contributions of his time, efforts and personal funds for the good of the Fraternity, its programs and members;
- Service to the Fraternity which has been truly unselfish and which, for the most part, has been inconspicuous (perhaps almost anonymous) without seeking or receiving national office or recognition.

We have in mind a brother who meets all such guidelines in full measure.

We would hope that future members of the "Order of the White Carnation" might meet similar tests. However, we recognize that it might become possible for a former lettered officer, who had been rewarded for "conspicuous"

services by election to office to later be rewarded with the White Carnation for his additional "inconspicuous" service. It may become appropriate to so reward a brother for extra meritorious and "inconspicuous" services to just one chapter or to just begin one Region.

We do suggest that, if the creation of the "Order of the White Carnation" be accomplished — the guidelines remain strict, be developed through tradition and experience, and that membership be truly limited to those who have truly rendered meritorious and inconspicuous service. That future awards of such honor be granted only by the Convention and, when feasible, only with the approval or upon the recommendation of the then members of the Order.

THE FIRST AWARD OF THE ORDER OF THE WHITE CARNATION SHALL BE TO VICTOR T. JOHNSON, NOW CHAIRMAN OF THE EDUCATIONAL FOUNDATION.

Brother Johnson was the first pledge to be initiated by the then newly chartered Purdue Chapter. He has aided and helped create and install several chapters. He has attended numerous regional conferences. He has consistently attended the conventions of the Fraternity. He is the one person now most responsible for the continuing progress of the Educational Foundation. And he has consistently and generously contributed his time, effort and funds to the Educational Foundation since its inception about twenty years ago.

Further, Vic has never received nor sought any national office or recognition.

His labors for Delta Chi have been consistently meritorious and consistently unpublicized and inconspicuous.

Accordingly, we now call Victor T. Johnson before the convention, confer upon him the degree of Order of the White Carnation, require the sergeant at arms to pin a white carnation upon his lapel, and we now charge this convention, all future conventions, chapters, conferences and all formal gatherings of the Fraternity to pin a white carnation upon the lapel of Victor T. Johnson, whenever he be in attendance, in order to honor him and to the end that his many meritorious and inconspicuous services to Delta Chi no longer remain unnoticed.

Finally, we suggest that the motto of the Order of the White Carnation be the latin word "succurri" which translated means "I ran to help" and is the appropriate response to our ritualistic cry for help.

Election of Officers

The Second General Session began with the election of the new officers of the Fraternity. Selected by the delegates to serve the Fraternity for the next two years on the Executive Committee were:

"AA" Marcus Gary Monk
"CC" J. Nicholas "Nick" Gray
"DD" Robert P. LaBouy

(Biographical sketches found elsewhere in this edition of the **Quarterly** — Ed. Note)

Following the elections, George Obea was then called upon to read the memorial resolution honoring the 300 brothers who have died during the last biennium. Special recognition was given to Wade Coleman, Jr., Alabama '27; Charles Hatch, Minnesota '22; Allen Sulerud, Minnesota '22; Elmer Evans, Dickenson '15; and John Edward Marshal, Southern California '24.

State of the Fraternity

Brother James C. Steffan, "AA", then addressed the convention with his "State of the Fraternity". The text of Brother Steffan's speech follows:

"Greetings to our friends in Delta Chi Brotherhood. At this 40th Convention in the 85 years of history of Delta Chi you are attending the largest meeting this Fraternity has ever enjoyed. We have 276 delegates representing 65 chapters, 4 colonies, and 8 alumni chapters. Two years ago the total attendance at New Orleans was 234.

"This means our 1975-77 Biennium — 'Progress Through Responsibility' — should continue to show growth of a substantial nature; 1890 to 1990 means our combined efforts will bring us 'Toward a Century of Brotherhood' of excellence and outstanding growth.

"Many of the delegates here today have never attended a Delta Chi convention previously. I would like to have a showing of hands of all delegates in attendance for the first time. Because of these new delegates, we feel it necessary to repeat some items discussed in past conventions, so that we all share in the methods of operating our International Fraternity.

"In the Constitution you find: The government of the Fraternity shall be vested in: (1) The Convention (2) The Board of Regents (3) The Executive Committee, and (4) The Chapters.

"Your Fraternity is divided into 8 regions. Each academic year there is a Regional Leadership Conference in all Regions to keep the undergraduates always well informed about the Fraternity. We want to continue this democratic procedure so all of our members are a part of the governing policies.

"At the previous conventions you had reports from your 'AA' as well as the executive director. This year I am reporting to you as the only speaker on 'The State of the Fraternity'.

"By now you all know that April 18, 1975 the Executive Committee received the resignation of Dr. Brasted as executive director. Your committee met on April 24, 1975, accepted the resignation and cancelled the two years remaining on a four year contract. His services to Delta Chi were completed on May 30. Since then the Executive Committee and the Headquarters Staff have been operating all functions in a very satisfactory manner.

"A 'Search Committee' is now interviewing prospects in an effort to select a new executive director. The new Executive Committee and your Board of Regents will announce their decision as soon as possible. You will be kept fully informed.

"Now as to this 40th Convention: There will be three general sessions and four conference sessions. Remember all delegations must answer the roll call at these seven meetings so you will be eligible for reimbursement after the last session. Watch the convention program carefully and be sure to answer each roll call.

"I would like to call your attention to a very important matter. Over recent years the Hotel Association has black listed some fraternities and will not permit their conventions in prominent hotels. We are proud that our conventions have received excellent ratings. Let us keep this fine record. Do not cause any damage to hotel property and handle yourselves as gentlemen with proper dignity at all occasions.

"Now let us look at the two year records. At present we have 67 Chapters, 8 Colonies and 16 Alumni Chapters. Since New Orleans we have installed four new chapters as follows: East Texas State University — November 10, 1973; Southern Illinois University at Edwardsville — May 4, 1974; California State College, Pennsylvania — December 14, 1974; University of Kentucky — October 18, 1913 — April 26, 1975.

"In your packet you received a very complete "Statistical Information" form as of July 1, 1975, giving the delegates a complete record of all fraternity matters, so I will not burden you with figures that you already have in these statistics.

James C. Steffan

Regent, "AA", "AA" Emeritus
Delta Chi Fraternity: 1968-1975

August 21, 1899 – August 16, 1975

The Fraternity has been shocked and saddened by the sudden death of Brother James C. Steffan, on August 16, 1975, during the 40th International Convention of the Delta Chi Fraternity in Chicago.

James C. Steffan was born on August 21, 1899, in Osborn, Ohio, and was initiated into the Bond of Delta Chi at the Ohio State University Chapter on October 10, 1918. Jim served his Chapter as the Chapter "E" and as house manager.

During his undergraduate years, his brother Roger was serving the International Fraternity as "EE". It was subsequently through the efforts of Roger and Jim Steffan that Delta Chi made the transition from a legal to a general fraternity in 1921. After Jim was graduated by Ohio State University in 1922 with a degree in electrical engineering, he served as the Ohio State Chapter "BB" and as a member of their Alumni Board of Trustees. It was not until his retirement as president of the Chicago Steel and Wire Company that he came to the forefront in serving Delta Chi.

From 1968 through 1973, Jim served as regent of what was then Region 7, and during that time he made several outstanding contributions to the Fraternity. The organization of successful chapters at both Youngstown State and Denison Universities can be almost entirely attributed to his unselfish effort.

His active participation with the Columbus Area Alumni Chapter quickly led to the establishment of a weekly alumni luncheon with Delta Chi's who live and work in the Central Ohio area.

One could not begin to explain the amount of support he has given to his own Chapter at Ohio State. Countless hours of work and what seemed like unlimited financial support from Jim has brought the Ohio State Chapter through some extremely tough years.

Jim was always interested in working with college youth and took an active role in the Alumni Interfraternity Council at Ohio State and the Fellowship of Christian Athletes. Both of these groups have greatly benefited from his term of office.

At the 1973 Convention in New Orleans, Jim was elected "AA" of the Fraternity—something which very deeply moved and thrilled him. As "AA" he served the Fraternity in a prestigious manner. He traveled the country attending regional conferences and charterings. There were times when his health held him back, but he managed to overcome this handicap and visited chapters throughout the Midwest and southern states. Jim's 57 years of membership and dedicated service to the Fraternity he so dearly loved were culminated in his terms as "AA" and his leadership and direction of the 40th International Convention.

Delta Chi has suffered a great and immeasurable loss in the passing of James Clarence Steffan and all should take pride in the fact that we knew him, and that he called us friend and Brother. To his wife, Marcia, and to their son and family, the Fraternity expresses its profound sympathy and gratitude for sharing Jim with us and letting each of us be what he so affectionately called "my boys."

At the time of Jim's death, Mrs.

Steffan requested that contributions be made to the Delta Chi Educational Foundation in lieu of flowers. Accordingly, the James C. Steffan Memorial Fund has been established by the Foundation. Contributions to this fund will be acknowledged both to the donor and to Jim's family.

All chapters are requested to drape their charters for a thirty-day period, beginning on Founders' Day, October 13, as a memorial tribute to our Brother in the Bond, James C. Steffan.

Reflections on the 40th International Convention (cont. from 7)

"In the 1973-74 year we had 1,280 pledges and 992 initiates. In 1974-75 the new pledges increased to 1,365 and initiates to 1,129. This year just completed is the best record of new members for five years. Let us hope you will all go back to your chapters and increase your memberships substantially.

"One year ago at the non-convention board meeting in August, 1974, a special fund was voted for expansion purposes. The efforts were disappointing although our field secretaries still hope to establish colonies in some locations where early contacts were made last year.

"We are very hopeful of reestablishing our chapter at Western Michigan this year.

"During the past year, with the cost of travel increasing, the Executive Committee and Dr. Brasted agreed to each attend two regional conferences. This gave us good coverage without duplication of effort.

"I know I am repeating facts, but feel our new delegates should understand that all elected officers, regents, committee members and 'BB's serve without pay and only receive reimbursement for travel on Delta Chi trips. The Headquarters Staff and field secretaries are on salary. Our budget for the new year will be carefully followed. In order to increase service to the chapters and colonies, we must have more income from new members so let us all put a special effort on 'Rush' this year.

"Adjusting the Endowment Fund to cash value we have a true picture of our assets this year, showing an increase of \$15,573.09 total equity for the two year period. The budget as adopted by the Board must be maintained. Careful management should bring us excellent results in the next Biennium.

"Go back to your chapters with a determination to have your officers fulfill their duties by reporting promptly to the Headquarters Office with all necessary reports. Communications both ways are most important. Help the Headquarters Office with your reports and they can better serve you. Also, our accounts receivable from the chapters must be reduced. Insist on your members paying their obligations to the chapters regularly and remit to national as you are billed. Let us put our houses in order and live up to our responsibilities. We will all be happier as we grow stronger with these policies.

"Permit me to recognize eight wonderful gentlemen that have served Delta Chi in years past. Today we have these men back with us, all "AA" representatives of these former years: (1.) Dr. Marsh W. White (1952-54); (2.) Jefferson J. Coleman (1954-56); (3.) L. Orvill Edlund (1956-58); (4.) Joseph F. Lacchia (1958-60); (5.) Lewis A. Armstrong (1960-62); (6.) Claude B. Layfield (1964-66); (7.) George W. Obear (1969-70); (8.) Frank Granat Jr. (1970-73).

"I want to make mention of Chi Delphia activity. In my travels in the past two years to regional conferences and individual chapters, I always found a great spirit when the Chi Delphia girls were present. They have participated in the regionals with great success. Those chapters that have not added this program to your schedule, should do so at once. I feel the day will soon be here that we can add Chi Delphia participation to our national conventions. A good active program with these gals will help you in your "Rush" plans. They are an asset to any chapter.

"Now as I close my two-year period as 'AA', this will mean 57 years in Delta Chi. It is time for others to serve as your officers. I will be in touch with many of you in the years ahead. Thank you for giving me the privilege to serve you as 'AA'. I was not able to do all the things that I had planned two years ago but with the help of the Executive Committee, your Board and the Regents we did keep in touch with the chapters. I will always serve Delta Chi to help make our Fraternity a finer group for all of us as we develop 'Progress Through Responsibility.' God Bless you all in our Brotherhood."

Constitution and By-Law Changes — Finances

The delegates to the convention took significant issue with the fraternity's finances following the report of the Committee on Constitution and By-Law Changes. Several proposed amendments to the present pledge and initiation fee structure were presented and discussed at great length by the delegates. It was decided that there should be an increase — the first since the present fees were put into effect in 1968. Finally, the convention voted that after July 1, 1976, the pledge fee would remain at \$25; the initiation deposit would be increased \$10 from \$65 to \$75 and active members of undergraduate chapters would be assessed \$10 per academic year during the spring semester. This increase will add \$25,000 per year into the Fraternity's general operating fund.

Several amendments were presented and discussed; however, it was decided that no action would be taken on these amendments at that time. During the Third General Session the delegates voted that all other constitutional changes would be decided through mail balloting. This will enable the delegates to discuss the matters with their respective chapters.

An additional amendment was then made from the floor regarding the Housing Fund Committee. After debate and discussion, it was decided that the Constitution be amended so that any member of the Housing Fund Committee could be removed from office by a two-thirds vote of the Board of Regents and two-thirds vote of the chapters. It also requires that an additional Housing Fund financial report be submitted to the chapters with the Fraternity's semi-annual financial statements.

Convention Sites

The Convention Site Committee reported that they had taken several sites under consideration for the 41st International Convention in 1977. The committee decided that they wanted a site near a large metropolitan airport and a nearby Delta Chi Chapter and campus facility. The choices in order of preference follow: Kansas City, Mo.; Columbus, Ohio; Minneapolis, Minn.; and Omaha, Neb. Each site will be investigated by the Headquarters Office.

Awards

No convention would be complete without recognizing outstanding service, dedication and performance of our chapters, chapter officers and alumni in the Fraternity.

In September of 1974, the Executive Committee of the Fraternity suspended the Charter of the Northern Arizona Chapter. At that time, it was indicated that the Chapter would be closed; however, such was not the case. This action prompted several members of the Chapter to rebuild. After a semester of hard work, the Northern Arizona Chapter was once again back in business. At the convention, it was moved and carried that the Charter of the Northern Arizona Chapter be returned. Michael Hobbs, the delegate from the Chapter graciously accepted the Charter from "AA" Gary Monk.

Charters were also presented to delegates from the Edwardsville and California State (Pa.). Both of these chapters had received their Chartering Proclamations during the last biennium. The Kentucky Chapter was also recognized, but, at the time of convention, their Charter had not yet been received from the engraver.

Volunteer to support your Fraternity

There is no gift too small to help support your Fraternity. Stop and consider; if each of our 30,000 Alumni Brothers were to contribute \$1 to their Fraternity, there would be enough money in the Fraternity's operating budget to add two full-time field men to our staff as well as money to develop and provide better programming and services for our chapters and alumni.

Your support helps insure that the next generation will receive the benefits from the same fraternity experience that you enjoyed as a Brother in your Fraternity. In actuality, your support helps perpetuate the Bond of Delta Chi.

With this thought in mind, why not join the growing number of Alumni Brothers who are volunteering their support by mailing your check today.
