Because minor changes and additions do take place in such a schedule, alumni interested in attending one or more of these career weekends should check in advance with Stephen M. Campbell, president, Lendman Associates (telephone: 804-583-5921).

DELTA CHI FRATERNITY

THE DELTA CHI QUARTERLY

Published quarterly at Iowa City, Iowa, by the Delta Chi Fraternity. Editorial and Business Offices at P.O. Box 110, 314 Church St., Iowa City, Iowa 52240. Second Class Postage paid at Iowa City, Iowa 52240.

MATERIAL FOR PUBLICATION

All material for publication should be sent to the Fraternity's International Headquarters Office at P.O. Box 110, Iowa City, Iowa 52240. Members are invited to send material concerning themselves as well as other alumni. The editor reserves the right to edit and print all letters to the editor. Suggestions regarding the publication of the *Quarterly* are welcomed.

ADDRESS CHANGES

Send all notices of address changes to the Delta Chi Headquarters Office, P.O. Box 110, Iowa City, Iowa 52240.

College Fraternity Editors Association

Cover

The cover design for the winter issue of the Delta Chi Quarterly was submitted by Stephen Overcash, Mississippi State, '79. Steve is majoring in architecture.

During the Holiday Season, I often become reflective about the "gifts" I have received from many people. The most deeply treasured of these gifts are not material. They are personal, nearly spiritual, in nature. They consist of long talks, an evening with friends, events in which I have been given the opportunity to share of myself and receive from others. In the last several weeks a number of these "gifts" have come my way because of my association with Delta Chi.

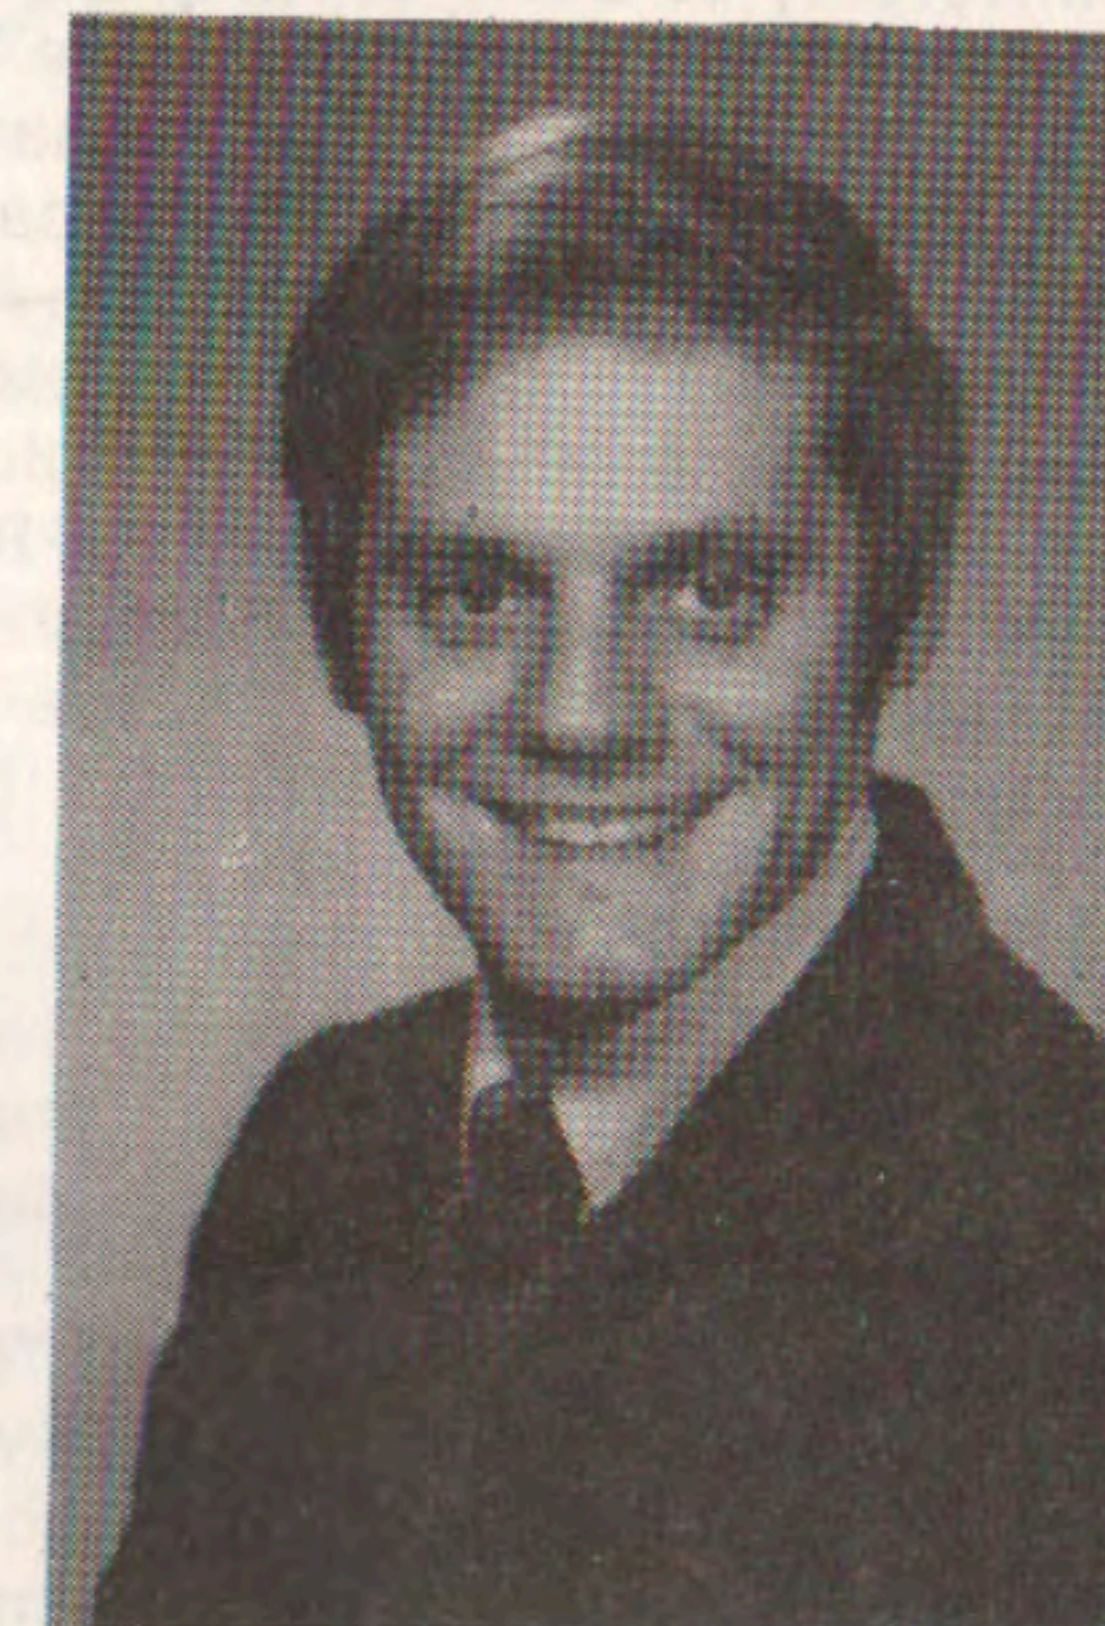

The first such gift was a visit to a newly organized colony. It is a unique experience to spend a few days with men who have recently identified a common purpose and goal. The sense of excitement and commitment which pervades such a group of people is refreshing and renews one's own sense of commitment to the ideal. It is inspiring to meet people whose identity with Delta Chi is just beginning to take shape.

From meeting the members of this newly formed colony, I then went directly to the 50th anniversary celebration of a chapter. The differences between a newly formed group and one celebrating fifty years of organization are not so great as one might assume. The same sense of freshness and excitement about our association which was apparent in the colony was evident in the chapter as well. The only real difference in the two groups is the rich heritage and tradition from which the chapter can draw. While the colony draws upon its legacy as a unit in Delta Chi, the chapter is able to rely on its own unique heritage as well. During the banquet on Saturday night, I had the privilege of sitting beside one of the chapter's founders. At one point, the gentleman turned to me after looking over the large crowd that had assembled for the celebration and said, "We could never have known what we began." I have thought about that statement often, and it had a particularly special meaning for me later

In the Bond

by

Larry Audlehelm

that weekend.

After leaving the anniversary celebration, I was able to attend the initiation ceremonies at yet another chapter. After the instructions were completed and 12 new Brothers had come into the Fraternity as full members, we gathered together to sing the Bond Song. At this happy time, the members were careful to explain to the new initiates that their experience was the same that has been enjoyed by every Delta Chi; their pledge to our set of values is the same pledge that has been taken by every Delta Chi. And I wondered what had been begun there that night. Which of these men would become a chapter officer, regent, national officer? Which of these men would really stop to reflect on the promises he had made; which of these men would live by those values?

I was also struck with the realization that we were standing at a particular point on a continuum of experience that stretches back more than 85 years to our founding. And beyond that, those new initiates were beginning their full membership in a system that is as old as America, beginning with the founding of the first Greek letter society in 1776. In projecting ahead, one can see many challenges for our particular Fraternity and for the system as a whole. How can we be more responsive to the needs of today's university student; how can we plan to more adequately prepare our members for their career and life plans; how do we better guide our members to fulfill the promises they make during their induction into the Fraternity?

The concerns mentioned above are but a few which confront Delta Chi today as it prepares for the future. They are the challenges which confront those of us who have shared in a fundamental and important gift — Brotherhood in Delta Chi.

Two new colonies

Augusta

On the 86th anniversary of Delta Chi's founding, the Augusta Colony was officially recognized. The men of the Colony were drawn together in much the same way as our Founders. They shared the common goal of establishing a new and better Fraternity on the Augusta College campus. Its membership currently stands at 18 men, most of whom are freshmen. The Colony has grown largely through the efforts of Wayne Roberts, GA '71. He worked last spring and throughout the summer to increase the group's size. Wayne is now the "BB" of the Colony and has continued to work for the Colony.

This fall was a busy time for the Colony with many duties and functions new to its members. Even with initiation on their minds, the Colony has proceeded to establish much of its organizational structure. The officers are Louis Navarro "A", Chuck Miltin "B", Joe Neely "C", Mark Tinley "D", Eddie Butler "E", and Paul Boulus "F". The Colony has begun to work on overcoming many problems unique to a commuter campus. These include an effective rush, membership education, and social program. Their creativity has surfaced with an invitation going out to their parents to attend the pinning ceremony. It was a tremendous success and it eased many parents' reservations about fraternities. The Colony is also in the process of searching for housing. They hope to acquire a house which will compliment Delta Chi at Augusta. Many members

Huntsville

The newest addition to the Delta Chi Fraternity system is the University of Alabama at Huntsville Colony. It is part of the new Greek system just begun at UAH this fall. The Huntsville Colony is by far the largest and

Brother Joe Bagwell and a friend at the "Big Brothers Day", Dec. 12, 1976, held by Huntsville Colony for Harris Home orphans.

Brothers getting ready for an Augusta College basketball game.

are interested in fraternity housing and are hopeful that they will soon have a house. The Colony is currently planning a large rush in the spring and hopes to boost its membership over 30 men.

The members of the Colony were initiated on Nov. 20, 1976, at the Georgia Chapter. The Colony is working towards chartering and is anticipating it for next fall or spring. They are hoping that their numbers will be in the forties. The entire Fraternity wishes the men of Augusta continued success and growth.

most active Greek organization on campus. Its membership currently stands at 37 members, two of whom are undergraduate transfers of our Alabama Chapter.

The Huntsville Colony was officially recognized on November 3, 1976. The ceremony was conducted at the Noojin House at the UAH campus. At UAH Delta Chi is fortunate to have two active alumni. Leroy Mendenhall, Kansas '68, is the Director of Counseling & Testing and will be serving as "BB" for the Colony. Dr. Robert Shannon, Oklahoma State '55, is a faculty member in the Department of Science and Engineering and will serve as their Faculty Advisor. Both men will be a valuable asset to the Colony along with interested area alumni.

Along with establishing a strong organizational structure, the Huntsville Colony has been active in the social and service area. The group has had social functions with all three sororities on campus and all have been complete successes. As a fall project, the Colony members treated some children from an area foster home to a day at NASA and a picnic.

The Huntsville Colony is planning for a busy winter and spring. They plan on conducting two rushes, forming an ABT/Housing Corporation, and begin to look for housing.

Congratulations Huntsville!

"... and assist in the acquisition of a sound education."

The phrase is familiar for a good reason. It is one of the organizational principles outlined by the Founders when they established Delta Chi. The publication of the winter issue of the Quarterly is a particularly appropriate time to examine this goal of our Fraternity. This issue contains the names of many outstanding chapter and colony scholars who are being recognized by the Delta Chi Educational Foundation. This issue also is printed at the beginning of the long uphill grade that crests at summer vacation. For whatever reason, it seems to be more difficult to perform up to high academic standards in the latter part of the academic year. It is well, at this time of year, for chapters to examine their own scholarship programs and to maintain their organizations as co-curricular institutions on their respective campuses.

In an historical sense, fraternities were established as a reaction to the "classic" educational regime that pervaded American learning until late in the 19th century. The Founders of Delta Chi, like the founders of most fraternities, were interested in establishing an environment which fostered "liberal" education and the pursuit of academic and intellectual excellence in an atmosphere of mutual friendship, respect and affection. "Liberal education" did not mean sitting in at the Dean's Office, pass-fail grading systems or making excuses about academic slovenliness. Rather, a "liberal education" meant one which encouraged the student to question, reflect and interact with his/her learning environment. Students were concerned that they should be proactive in acquiring knowledge rather than reactive in absorbing professorial dogma. The heritage of fraternity membership is one which demands both intellectual and academic excellence, and to the extreme that fraternal organizations in general, Delta Chi particularly and Delta Chi chapters specifically can foster this pursuit of excellence, they can lay just claim to being vital, co-curricular segments of their host institution.

It is the responsibility of each chapter's membership to foster an

environment which expects and succeeds in achieving a sound education. While an "air of academic achievement" is a diffuse idea, it is achieved through planned and specific activities. Most chapters appoint a scholarship chairman, but they do not then supplement that position with specified duties and programs against which his performance can be measured. There are several ways in which a chapter scholarship chairman can perform to underscore the co-curricular function of the Fraternity. By spending a little time with the campus counseling service, a scholarship chairman can relay to the general mem-

"The heritage of fraternity membership is one which demands both intellectual and academic excellence ... Delta Chi chapters specifically can foster this pursuit of excellence, they can lay just claim to being vital, co-curricular segments of their host institutions."

bership facts about campus tutoring programs, career interest and skills testing services, and workshops that relate to improving study habits. Any of these services could have a positive effect for the Brother who is having academic difficulties. A chapter of one fraternity has, for several years, begun its school year by offering a "How To Study" course led by an education professor. The course is open to anyone on campus and freshmen are specifically invited to these sessions.

Beyond identifying services which support study skills and career planning needs, the scholarship chairman can work with the chapter to identify topics of general interest which could be illuminated by guest speakers. The possibilities for stimulating programs of this sort are limited only by the diverse interests of a diverse Brotherhood. The pool of speakers could include foreign students, local business people, some-

one to talk about etiquette, fraternal orders, the women's movement, applying for jobs, submitting resumes or how to come across well in an interview. Some members might be interested in local, state or national politics, selecting cuts of meat, or learning about specific careers. Despite the highly touted sophistication of "today's youth", some chapters have had very successful program series on dating and marriage. Other chapters have done intensive work in helping their members learn how to procure educational grants and loans. With only a moderate amount of thought and creativity, an astute scholarship chairman can broaden his horizons greatly beyond maintaining the scholarship files and can begin to address the academic and intellectual needs of the membership.

The scholarship files mentioned above are usually an entirely different matter than people suppose. These files are widely reputed to be locked away with the "secret stuff" and be an invaluable crib tool for the "frat rats". In actuality, most chapter scholarship files are poorly maintained, if at all, and contain little of substantial merit for any purpose, least of all swinging an "A" in a course for which one is not prepared. Fraternities themselves are largely to blame for this misconception, and chapter members do, on occasion, suffer the biases of an instructor who is certain they have ready access to "cheat sheets."

It is well within the prerogative of a fraternity chapter to maintain scholarship files. These should not be handy repositories to aid the academically laggard in his pursuit of an easy grade. Rather, scholarship files can be organized in such a way as to contain reference and study materials which will be useful to the academically curious Brother. Reference materials, papers written by Brothers, class notes left behind by good students, and legitimately acquired examinations are all part of the materials which should be maintained by the scholastically oriented chapter.

Delta Chi Briefs

Founder's Day Dinner—Southern Cal

A turnout of 80 actives and alumni celebrated Founders Day at a dinner Oct. 13 at the Los Angeles Athletic Club.

Greg O'Brien, '67, the retiring Southern California Alumni Association (SCAA) Chapter president, opened the evening's program by introducing Rod Dedeaux, '35, U.S.C.'s highly successful baseball coach.

The program honored two outstanding alumni. Ashley S. Orr, '40, is a lawyer and past president of the SCAA and a member of the University's Board of Trustees. Herbert G. Klein, '40, is the Vice-President of Metromedia and a former communications official in the Nixon Administration. Each received a plaque.

Gavels were presented to Ed Farrell, '52, SCAA president in 1974 and George Mack, '38, SCAA president in 1975. The gavels were given in appreciation of service both to the Board of Trustees and Alumni Association.

CALIFORNIA STATE (PA.) CHAPTER Young, Growing, and Involved

by Jeff Molnar

Here at California State College Delta Chi was founded in an attempt to establish a strong Brotherhood by helping the college community. Now, with most of the founding fathers graduated, we are faced with upholding these ideals and also creating our own set of goals. As we look at what we wanted most for this semester, two things stood out: a good rush, and a successful homecoming.

In order to achieve our first goal, we devised a series of small steps that are essential to a suc-

MIAMI CHAPTER DEDICATES NEW HOUSE

by Randy Steineman

The Miami Chapter usually closes out the school year with our annual Fort Lauderdale Party. This year, the event turned out to be more than just a party, as the chapter formally dedicated our new house on May 22 in conjunction with the party.

Attended by more than 300 persons, including such luminaries as Miami President Philip R. Shriver, Robert LaBouy, "DD", and Regent Paul Bohlman, the dedication proved to be a smashing success.

Thanks to generous contributions from alumni over the years and revenue from within the chapter itself, the dream of a new house was finally realized after 42 years from our chapter's founding in 1932. Construction began in the spring of 1974 on the site which was formerly occupied by the old house and annex.

The chapter itself has also seen some significant changes. From a house membership of 37 in 1973 we can now boast a chapter of nearly twice that number. We foresee this past year's initiation of 35 men into the bond as an indication of our ever increasing role as a leading fraternity on campus.

After dedication speeches from our guests and House President Jim Rosby '77, various awards were presented. First of all, Brother Bohlman presented the chapter with a plaque recognizing us as the top academic house in Region 6.

Successful rush. First, we sent out a letter to all the incoming freshmen acquainting them with our fraternity. This letter briefly discussed what we are based on, what we have done, and what we are planning to do in the near future. Along with the letter, we

The Quarterly is pleased to announce the addition of "Delta Chi Briefs" to the magazine. "Briefs" will be a regular feature containing information and happenings of alumni, brothers and Delta Chi functions across the country. We encourage brothers to submit articles. Articles submitted should follow the general guidelines for material to be published as specified in the "E" manual.

Mr. Robert B. Graham, a counselor at Miami and our nine-term advisor was recognized during the ceremonies for the time, hard work, and dedication he has put into the fraternity. He has been a main factor in the building of the house and the resurgence of our chapter.

Recognized for being the top scholars in their class were: Brother Ted Kagy, '78, our "B", majoring in International Studies; Brother Dave Young, '77, our former "D", majoring in Zoology; and Brother Mike Mooney, '76, our former "F", who graduated with honors in Finance.

Following the presentation of awards, Brother Rosby was assisted by Miami President Shriver and Bob Graham in the ribbon cutting ceremony which marked the official dedication of the house.

The rest of the day was spent with the alumni recalling the days when they were active and singing some of the old fraternity tunes that were popular when they were here.

The alumni also got their first glimpse of the plans for our Alumni Room, which we hope to have finished by fall, 1979. Contributions towards this project totalled over \$400.

Later in the evening everyone enjoyed themselves at the annual Fort Lauderdale Party. All in all, the chapter was very pleased with the way things went. All the planning and hard work really paid off.

weekly distributed new rush posters with key sayings and catchy mottos printed on them. These posters were put up on every sign and bulletin board across the campus. As a result we got 17 pledges, the biggest pledge class in our history.

Alumni News and Notes

Arizona

Randy Silver, '66, of Napa, state executive director of California Human Services organization, has been elected to the Board of Directors of the National Association of Statewide Health and Welfare Associations.

Silver, who holds a masters degree in Marriage, Family and Child Counseling, is co-director of the Family Counseling Center in Vallejo and teaches at the University of California, Davis.

He is the president elect of the Association of Family Therapists of Northern California, a consultant to the California Association of Marriage and Family Counselors Bay Area Chapter, and serves on the ad hoc committee on Marital Discord of the Napa County Services Coordinating Council.

Silver, who resides with his wife Tula and children Nick and Erica, was a social worker in Napa and Solana countries for a number of years prior to his involvement on the state and national level.

Randy Silver

Ball State

David McNabb, has been accepted and will enroll in law school at Stetson University in Florida.

Gerant Maitlen, will continue his education by enrolling in law school at either the University of Arkansas or the University of Tennessee this fall.

Conneticut

Matthew L. Rogall, '58, is a Professor of Eco-

nomics at Northern Essex Community College, Haverhill, Ma. He is also the past president of the Faculty Association and the father of three young women.

Depaw

Larry Zurcher, '74, was honored by scoring first on the Nationwide Uniform Certified Public Accounting Examination, outscoring 41,456 other perspective CPA's. After graduating Phi Beta Kappa from Depauw, Larry attended Illinois Business School and graduated last spring with a perfect accumulated grade point average. This October Larry received the American Institute of CPA's Sells-Award Medal.

George W. Obeer, '30, has been reelected to the Board of Directors of the Delta Chi Educational Foundation.

At commencement this spring, **Francis James Gilck** retired from teaching organic chemistry and biochemistry for 22 years at the University of Minnesota, Duluth. Previously he taught at four year colleges in Michigan and Illinois preceded by seven years at the Allied Chemical Corp. in Buffalo, N.Y.

Denison

John R. Boyd, '30, is the new grand master of the Grand Council of Royal and Select Masters of Ohio, and order of Masons. He heads nearly 31,000 Cryptic (Council) Masons in Ohio. Boyd earned a bachelor's degree in chemistry from Denison University in 1930.

John R. Boyd

East Texas

James Edward Tindall, '76, is teaching third grade at Eisenhower Elementary in Grand Prairie, Texas.

Florida

Carey Cavanaugh, '76, is working on his Masters in International Relations at Notre Dame. He is attending on a full scholarship.

Robert Falks, '76, is working as a pharmacist for Walgreen Drugs in the St. Petersburg area.

John Mica '76, is running for the Florida House of Representatives on the Republican ticket.

Ron May '74, is Administrator of Pasco-Hernando Community College in Dade City, Fla.

Denny Hoyt '75, is working as an accountant for the CPA firm Arthur Anderson & Co.

Robert Fobes '70, is working on computer systems in Atlanta.

B.K. Roberts '28, announced publicly that he will retire from the Florida Supreme Court in January. He has served as justice for the past 27 years, longer than any other justice.

Fullerton

Capt. Thomas Garrett, '68, received an M.S. in Logistics Management from the Air Force Institute of Technology.

Ken McCune, '69, promoted by Massey Sand and Gravel, Indio to chief accountant.

Gannon

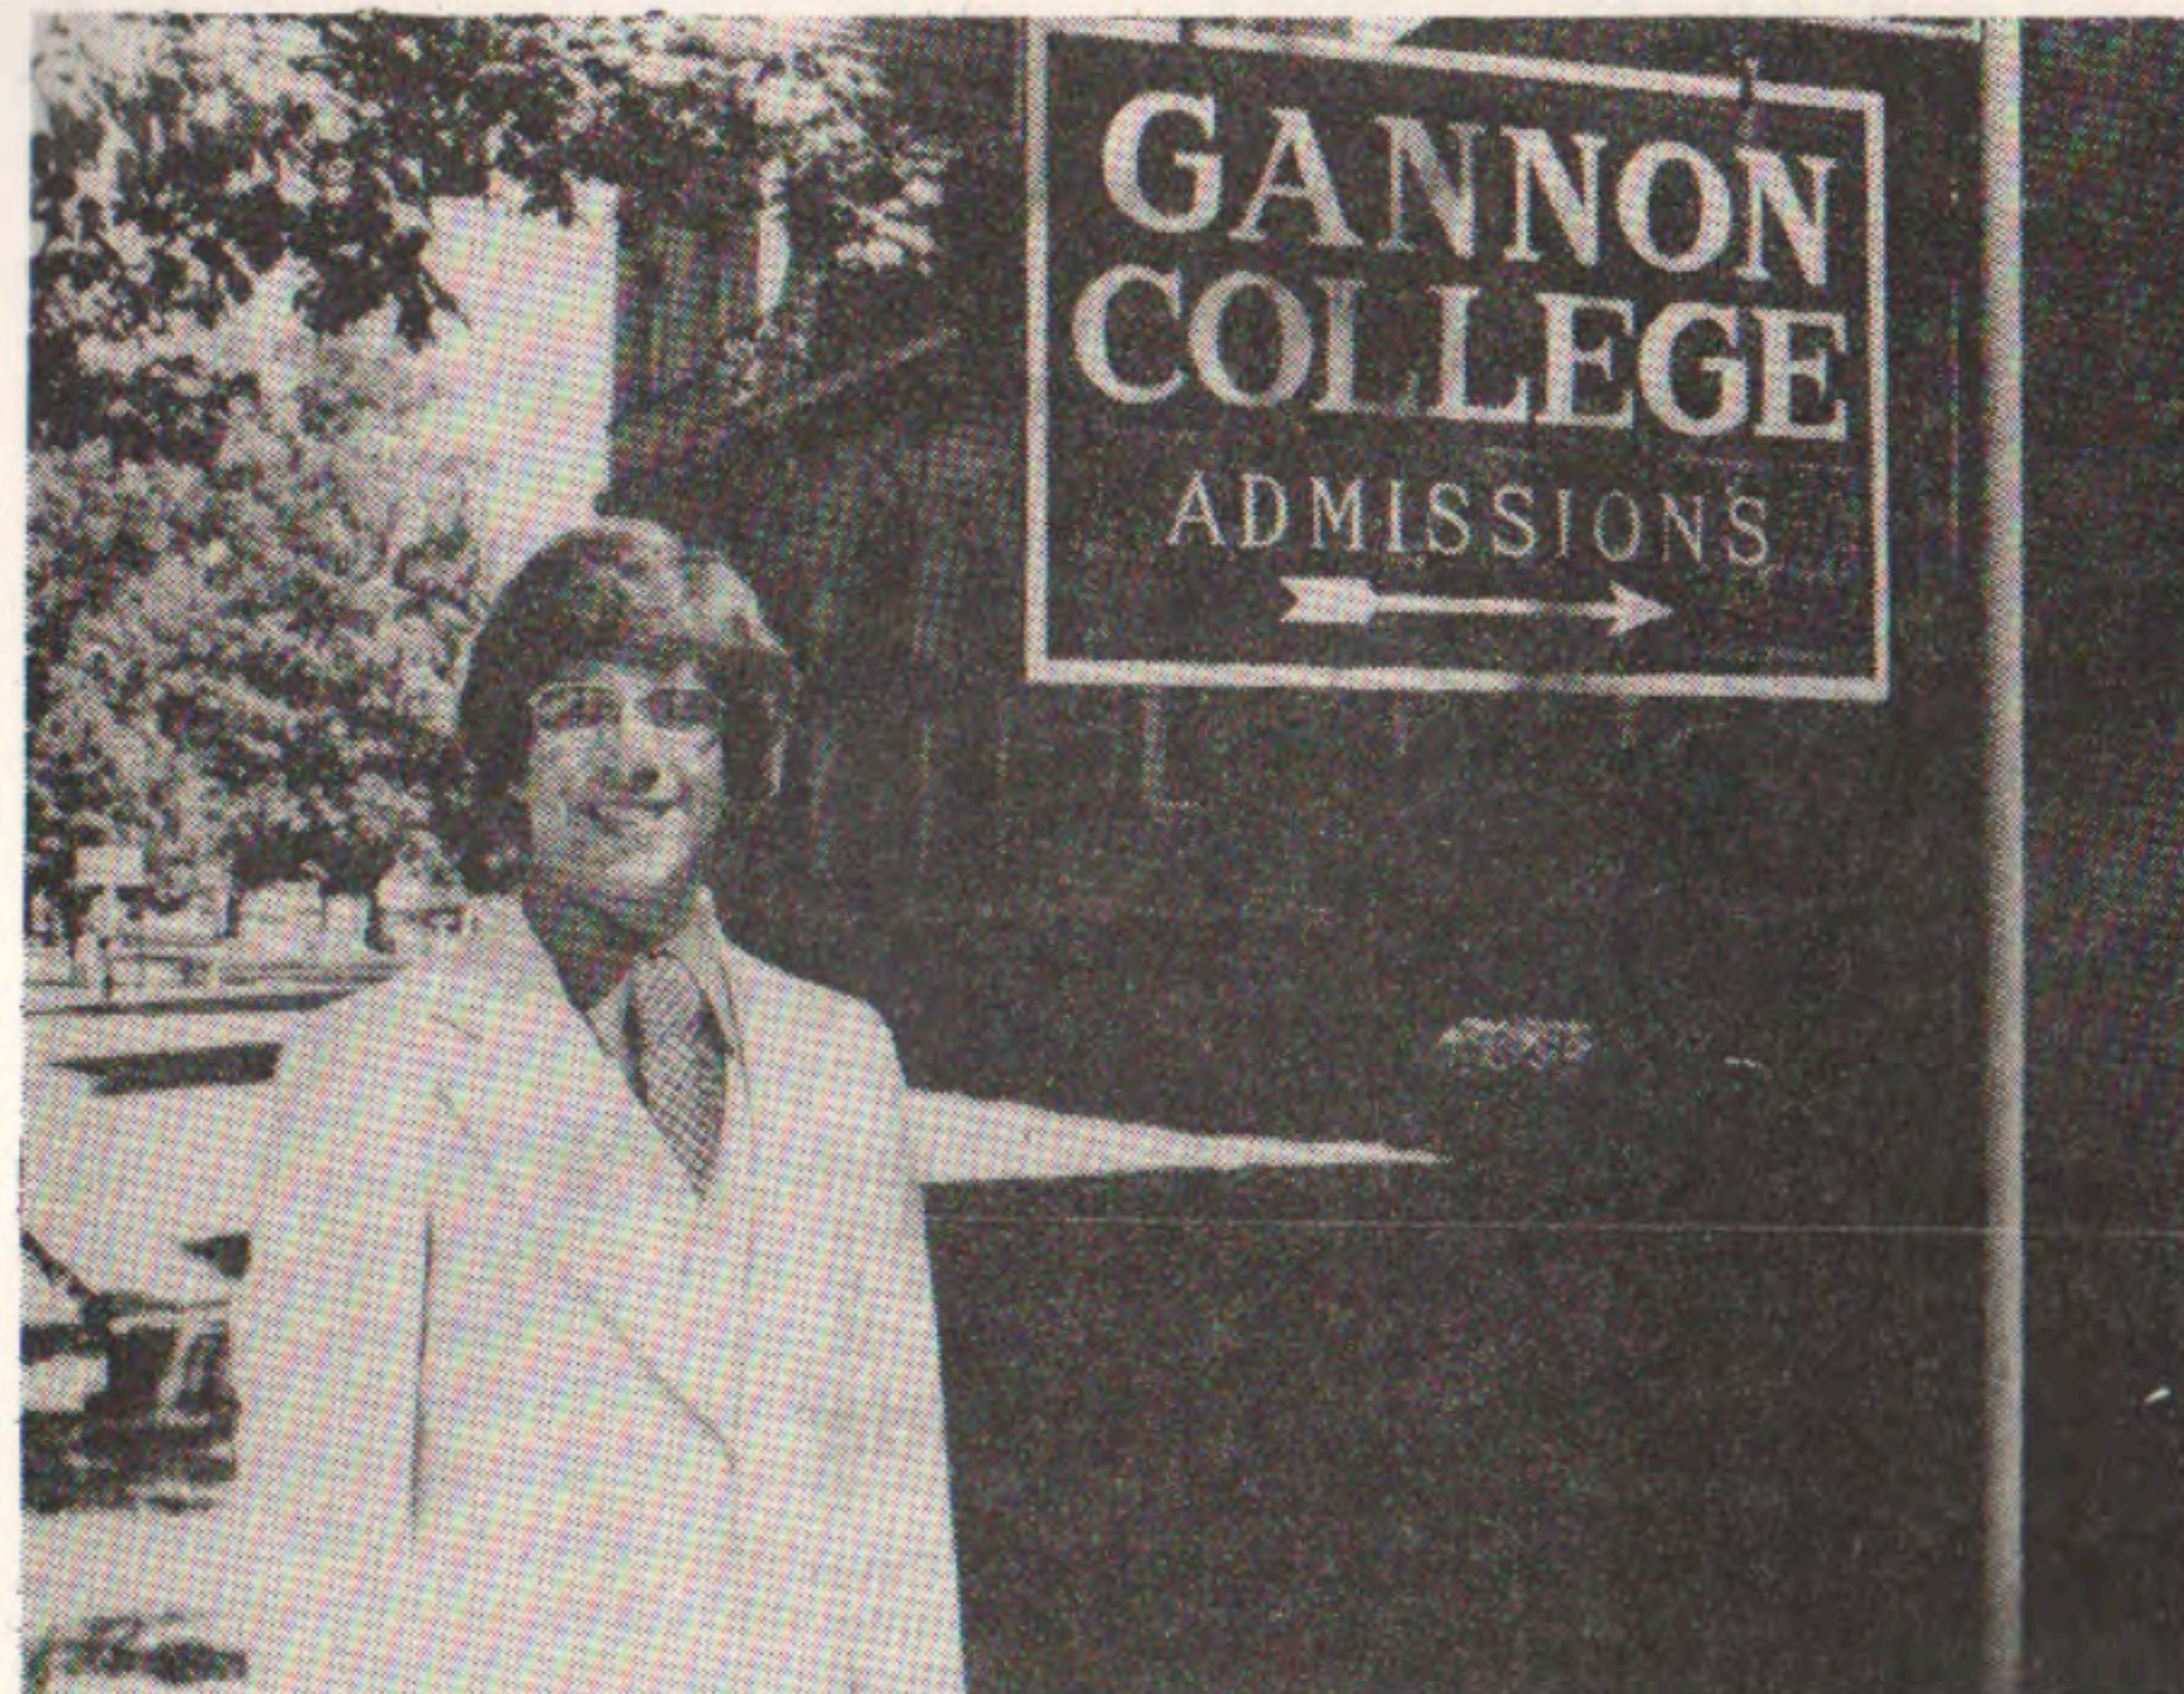

Joseph Felix is now employed by Rherig Pacific.

Frank L. Stephenson Jr., '74, has been named an admission counselor of Gannon College. He obtained a B.S. in business management in December of 1974. For the past two years he has been employed as field secretary.

Gorham State

Robert Surret, '78, is a service technician for Xerox Corp in Peabody, Massachusetts.

Robert Palmer, '74, is currently the town tax assessor for Calais, Maine.

Frank L. Stephenson, Jr.

Daniel Hodgen, '74, is teaching at Saccopsee Valley High School.

Garth Grenier, '74, has been elected the new 'BB'.

Hobart

Paul Peterson, '68, was a little surprised to read in his **Rebuff** (Hobart Chapter's newsletter) that he was listed among those we've managed to "lose" over the years. He writes that his address is 128 Longacre Rd., Rochester, N.Y. 14621, that he enjoys hearing from the house and his old friends.

His current activities include getting married on November 20th, working as a Marketing Support Manager for Computer Consoles, Inc., in Rochester, and racing a Formula Vee car at places like Watkins Glen and Nelson Ledges in Ohio. The **Rebuff** staff apologizes for the error.

Illinois State

Greg Mitchell, '76, graduated this summer with a M.S. in Industrial Technology and is now working as an OSHA inspector in the Chicago-land area.

Bryce Sides was named director of corporate communications for Country Companies, an affiliate of the Illinois Farm Bureau.

Indiana

The Delta Chi fraternity wishes to congratulate **Gov. Otis R. Bowen** on his re-election as governor of Indiana.

Jacksonville State

Bill Shipman, '74', received his masters of science in Education.

Ken Coward, '75', is now working for Social Security in Birmingham.

Kentucky

Russ Thomasson, '76, is working for the Agricultural Department of the State of Kentucky.

Mike Cocke, '76, is working for Citizens Fidelity in Louisville, Kentucky.

Long Beach

The Long Beach Chapter would like to extend a special welcome to our new Alumni. They are; **Richard Stanton, Bob Wolfe, Brad Remp, James Miller and Darryl Carlson**. All of these brothers will be a valuable asset to our Alumni Association.

Alex Acceta was elected "BB" for the next two years.

Massachusetts

John Almelda, '75, has been appointed the new "BB" for the Massachusetts Chapter.

Frank Balaska, '75, is currently in the Navy undergoing Nuclear Power Training in California.

Lt. Ken Cowen, '76, reported to Mather AFB, California, to undergo Undergraduate Navigator Training.

Ira Kilgerman, '75, has received his masters degree from Columbia University, and has accepted a position as a Head of Residence at the University of Rhode Island.

Miami

Dave Durica, '61, currently with the U.S. Department of Agriculture, Foreign Agricultural Service working on a joint project with NASA and NOAA to measure crop production using data collected from satellites.

Dale Steinlage, '73, transferred from First National Bank of Mercer County, Ohio to a new position with the Mercer County Savings and Loan Association.

Minnesota

On Monday evening, April 11, the Minnesota Chapter of the Delta Chi Legal Fraternity was instituted at the West Hotel by the initiation of the following members of this department: W.E. Rhentan, O.M. Corwin, W.R. Brown, H.H. Merrick, O.K. Wilson, F.A. Hutson, H.R. Robinson, C.M. Hamblin, H.B. Fryberger, A.G. Braden, A.W. Stacy, H.E. Fryberger, A.W. Shaw, and G.W. Buffington.

Mississippi State

Tom Lindsey, is now Chief Industrial Engineer at Hogale Industries, Inc., in Ozark, Mo. Tom was the former "BB" at Mississippi State.

Northern Arizona

Ward T. Bell, '73, salesman, National Life Insurance Co. of Vermont, Phoenix, Az.

Kent A. Brooks, '73, promoted to district sales manager, Motorola Inc., Phoenix, Az.

Steve Garner, '75, American Tube Co., Phoenix, Az., promoted to product manager, razor-ribbon division.

Lee Peebles, '74, athletic director, Superior Junior High School, Superior, Az.

Rowlie Simmons, '74, Motorola Inc., Phoenix, Az., market sales manager.

David S. VanDenburgh, '74, American Tube Co., Phoenix, Az., promoted to vice-president and general manager.

John P. VanDenburgh, '70, American Fence Co., Phoenix, Az. President.

Northern Iowa

Scott Klinefelter, '76, has been elected as our new "BB". Scott is employed as a sales representative with the Office Products 1 Division of Control-O-Fax in Waterloo. Scott is also an advisor to a Junior Achievement Company sponsored by control-o-fax.

Dave Heath, '76, has accepted a marketing representative trainee position with the National Cash Register Co. as a financial systems specialist.

Stan Lynch is teaching American History and Government in the Bondurant school system. Stan is also coaching junior high football.

Doug Schneller, '76, is teaching Industrial Arts at New Hampton High School. He is also Coaching freshmen wrestling.

Craig Campbell, '76, is teaching elementary school in Iowa Falls.

Greg Petersen is teaching in Cedar Rapids.

John Wessels is teaching in Richardson, Texas.

Jerry Witt has been transferred to Algona, Iowa as an Area Representative for Gibbs Cook.

Sheldon Peterson, '75, is an assistant manager to the Nishnabotna REC in Harlan, Iowa.

Oklahoma State

Gene A. Johnson was promoted to the position of vice president of Marketing of The Expansion Joint Division of the Holz Rubber Company, Lodi, Calif. He joined Holz as Marketing Manager of Expansion Joints in September of 1974. For the past 13 years, he has been associated with the rubber industry. In his new position, he has the over-all responsibility of development and implementation of sales and marketing programs of the Holz Expansion Joint Products line.

Gene A. Johnson

"... and assist in the acquisition of a sound education."

(Cont. from 10)

The next logical extension of the scholarship file is the chapter library. Again, some chapters have made great strides in developing high quality study areas in their own houses. These rooms are well lighted, contain a set of reference materials, professional journals and study tables. Depending on the orientation of the campus and the membership, the chapter might also invest in drafting tables, periodicals, literary reviews and film processing equipment. Such a scheme requires long range planning and a sizeable expenditure of funds. However, with careful planning it is possible to arrange for tax deductions on the part of alumni who wish to contribute to such a venture.

To a large extent, the academic tone of the chapter is a tradition passed from active to pledge just as surely as are the secrets of the ritual. Professional educators are expressing increasing concern over grade inflation and the quality of learning provided by academic institutions. At one large state university, the problem of cutting class has become so acute that the administration has mandated compulsory attendance for all freshmen and sophomores enrolling in the 1977-78 academic year. This university also has a large Greek population which apparently has subscribed rather wholeheartedly to the general air of laxity about class attendance which pervades the campus. A chapter which is truly concerned about a Brother's academic and career success does little to demonstrate that concern when the Brother is allowed to sleep in day after day. The academic performance of every member is certainly the concern of the general membership. His ability to succeed in school is not only related to his ability to succeed in life, but is also directly related to the financial stability of the chapter. The

nicest guy on earth does little to strengthen the chapter after he fails school and starts digging ditches.

Academically superior, intellectually alert people are not boring. If anything, just the opposite is true. Intellectual people generally have something to talk about. A well organized chapter scholarship program which supports the academic endeavors of its members can also supplement the social program and the financial stability of the chapter. Every campus offers a variety of support services and exciting speakers for those who take a few moments to explore. A dinner with invited guests supplemented with a good speaker can bolster the social program and provide an alternative to the standard TGIF brand of creativity. Certainly a chapter which concerns itself with the academic success of its members can count on most of those members being around for four years and being productive with that time. All phases of chapter operation are interrelated. Those chapters which take the time and exhibit the concern to provide an academically stimulating and supportive atmosphere also handle their other operational areas well. Similarly, members of such chapters develop a kind of certainty about themselves and their abilities which translates into their increased efficiency and productivity as members and officers.

Simply put, the well organized chapter realizes it has a responsibility to provide an academically sound and supportive environment for its members. A newly pledged member deserves to have examples of academic and intellectual achievement set before him in word and action. Initiated Brothers have the task for setting such examples and the right to demand an atmosphere which supports their ability to complete that task.

Delta Chi Pride Award

The Executive Committee of Delta Chi is pleased to announce the creation of the Delta Chi Pride Award in cooperation with the J. O. Pollack Company, the official jeweler of the Fraternity. The name of recipient chapters/colonies and the date of awarding will be inscribed on the plaque. The plaque is suitable for display and should become a central part of the recipient unit's display area. Winners will be announced at the 1977 International Convention in Kansas City.

In order to qualify for the award, a chapter/colony must meet one of two stipulations. The award will be given to any chapter/colony in which 100% of the active membership of the chapter/colony has purchased a Delta Chi badge. The award will also be given to any chapter/colony in which 100% of a pledge class numbering 25 or more members have purchased Delta Chi badges.

Until 1970 every Delta Chi had to order a badge in order to be fully enrolled in the Fraternity. That requirement was changed by the delegates to the Delta Chi International Convention in Dallas. For a new initiate to be fully enrolled in the Fraternity now, he must do three things: pay his pledge fee, pay his initiation deposit, and complete his Personal Record form.

After the 1970 Convention, badge orders dropped off dramatically. However, in the last two years, badge orders have been on the increase. Some chapters mandate that each new initiate must purchase a badge shortly after his initiation. But even in chapters that do not have this requirement, there is increasing interest on the part of members to purchase the badge.

The Delta Chi badge has remained unchanged since the ori-

ginal design was accepted in November, 1890. Founder Sweetland made the original proposal of a monogram badge with the Delta superimposed on the Chi.

To order a badge, a member must be fully enrolled. Order forms are sent to the chapter/colony "D" each Fall by the J.O. Pollack Com-

pany. When the order forms are completed, they are returned to the Headquarters Office in order that the purchaser's enrollment can be substantiated. Assuming he has met his obligations for full enrollment, the Office clears the order and the badge is sent directly to the purchaser.

The Delta Chi Educational Foundation

On Sept. 11, 1976, the annual meeting of the Board of Directors of the Delta Chi Educational Foundation was convened in Iowa City, Iowa. Members in attendance were Victor T. Johnson, Purdue '32; Richard F. Kauders, Cornell '69; Dr. John H. Hogeland, Iowa '48; Boyd W. Boehlje, Iowa State '61; and Kenneth M. Snyder, Illinois '30. Other alumni included J. Nick Gray, "CC" of Delta Chi Fraternity; Larry Audlehelm, Managing Director; and Dean A. Worby, Delta Chi Accountant. The following are highlights of the meeting:

The election of new officers was held. They are Victor T. Johnson, President; Richard F. Kauders, Vice-President; Mark Putney, Iowa '51, Secretary; Kenneth M. Snyder, Treasurer; Dr. Marsh W. White, Penn State '20, Educational Advisor; and George W. Obear, DePauw '30, Director.

The Board discussed in detail the incorporation of certain of the Foundation's named funds into the General Fund account of the Foundation. A motion was passed to consolidate these funds, thus making maintenance of them easier. It was the consensus of opinion of the Board that future memorial funds which are donated to the Board should be accepted "in the name of" the person designated by the donor and not carried as separate named accounts.

Discussion was held on the Awards Program and it was explained that it has been well received by undergraduates. This year the availability of the program will be announced in a flyer with streamlined instructions on the reverse side. It is believed that this will elicit greater participation by the undergraduate chapters.

The Board voted to continue to support the Interfraternity Institute at Indiana University. Scholarship monies will continue to come from the Prusok Fund and will pay for the tuition of one Greek Advisor to the Institute each summer.

The Delta Chi Educational Foundation is a nonprofit corporation which encourages and rewards scholastic achievement. Gifts to the Foundation are tax deductible and have been growing in number.

Campus Scene

Arizona

The new fall semester got off to a great start with the pledging of twenty new members and the tapping of twenty-two new Chi Delphians.

The house is really fired up coming into this semester after taking second in Spring Fling which is a rather large event on campus, plus winning Greek Week.

Presently we are third in scholastic out of 16 other fraternities, and also holding the scholastic award for Second Region.

In sports we finished just a few points out of first last year and currently are in second place, and pushing awfully hard for first.

With the Little Sister program going strong we crowned MISS CAROL ANGLAND, as our new Sweetheart.

We have many Brothers active on campus. Four of them are in varsity sports, ranging from wrestling to swimming. The Honorary Men's clubs on campus as well as important committees are either run by Delta Chi, or very well represented.

Kevin M. Kirmse, "E"

Auburn

Delta Chi started the new school year with a whole new outlook. With plans for a new house to be constructed within the next four years and only 41 Brothers, it became imperative that rush become a success. As a result, we have one of the largest and finest pledge classes at AU that we have had in quite some time. At the moment, we are getting plenty of work out of our new pledges and we expect leadership to follow.

Sports are and always have been important to us. Last year we won the All-Sports trophy for the second year in a row and for the third time in four years. Since we were steadily running out of room to put our trophies, we built a trophy case to put them in. Sports, as is not expected, fosters rather than deters scholastic achievement at our house. We were sixth out of 30 fraternities last year and we are looking for improvement this year. Tom Hurst was the top marketing student last year and Bill Pace was the top undergraduate fisheries student.

Homecoming this year was a success, not only on the football field, but at the Delta Chi house. The house was packed for the cocktail party and lunch. Some old faces, new to some of us, were there and some old friendships were rekindled. We want to thank everyone that came because we enjoy talking with the alumni as much as they enjoy seeing the brothers they graduated with.

The ABT has worked hard to come up with plans for a new house and we appreciate their endeavors. The plans are to build on the new fraternity row and we are to move there in the fall of 1980. For many years we have been working to get a new house and we are enthused that the final plans have been set.

John Bedi, "E"

Ball State

Last spring we had good luck in the annual Bike-A-Thon here at Ball State. We didn't win the race, but we placed high in the field and along with Sigma Kappa sorority we managed to capture the first place Spirit Award which earned us a very impressive 3 foot trophy for our efforts.

The Brothers were honored to initiate four new men into the bond last spring. All of these new Brothers are real assets to the chapter.

Our Fall Rush was a busy time, with the All Campus Pig Roast and Dance, the highlight of the Rush Program.

The house has received a remodeling this fall thanks to a loan from National. We have new carpeting, a furnace, furniture in the living room and many more improvements. All of this and the work the Brothers have done on their own rooms has made the house much more attractive and was a big plus in this year's rush.

The annual Homecoming Brunch for the Alumni was held at the house again this year with many Alumni and their families in attendance. Then after the game the annual corporation meeting was held and the following Alumni Brothers were elected officers for this coming year and they are Cliff Lewis, '70, Rich Dunifon, '73, Bill Grauel, '74, Tom Forkner, '72 and Carl Allen, '79.

We also have 17 Little Sister pledges this fall and they are planning such things as a dinner for the Brothers and a "nightie" auction to make things more exciting around the house.

Michael A. Stirn, "E"

Cal State

The fall semester here at California State is proving out to be quite a memorable one. With the acquisition of 17 pledges, the enthusiasm grows daily. Our 25 active Brothers are ready to once again strive hard for another semester of accomplishment.

Our homecoming efforts this year were well rewarded with one of our Chi Delphia, ANNA MARIA COSTABILE, making court. Also, all the Brothers took time to collect money for Children's Hospital, and our president, BILL FLACK, presented them with a check of \$500 during the halftime of the football game. This was all topped off by a private party for Brothers and Alumni alike. Both the Delta Chi and Chi Delphia Alumni turn-out was fantastic.

Finally, congratulations go out to one of our alumni, DINO DIBERNARDI, in his appointment as field secretary.

Jeff Molnar, "E"

Central Missouri

Fall term has gone well for us, as we have eight pledges soon to be initiated, and are forming a Winter class. Our Fall pledge class conducted a car smash to raise money for the Higginsville Home for Retarded Children.

Chi Delphia is doing extremely well, as they have 14 pledges to add to the five actives. They held an extremely successful White Carnation sale, making over \$100. Both Chi Delphia and Delta Chi pitched in to build our Homecoming float. Our Homecoming dance, Oct. 16, was very successful, with an impressive alumni turnout.

Once again, our illustrious football team made it through the entire season without scoring a touchdown, but we had a lot of fun. Our bowling team is a bit more successful, as we are in contention for our third straight trophy. Volleyball is coming up next, and we are preparing to go all the way to the top.

Randy McArthur, "E"

Cornell

The Brothers on the Knoll would like to thank our Alumni for their tremendous support during one of our most successful Homecoming celebrations. From our old reliables of the 20's to the recent graduates of the 70's we were able to reunite friends and strengthen relations with the Alumni that truly believe in Delta Chi at Cornell. It was unfortunate that national could not find the time to respond to our invitation on a weekend so close to Founder's Day.

Rick Hill, '77, has turned in an excellent job as president this fall. From his sound leadership and smooth operation of the house to his outstanding work with our Alumni, he has been able to pull Delta Chi together in this critical year.

New Alumni Board members Dan Bronson, Faculty Advisor; Dave Harlor, "D"; Mark Brower, "A"; Charles Ray, '58; Del Lord, '31; (the new "BB"), and Malcolm Frost, '75, huddle around charter member Ed Strasma, '30, at the DePauw Chapter's 50th Anniversary Dinner.

The Rush Program is well underway and we are confident of an excellent pledge class thanks to the work of rush chairman Mark Puccia, Dave Demme, and Rich Truhlar. Rich Solazzo has been well educated in the process of running a social program, with the help of Gene Leone, Kirk Franceschini, and Social Emeritus, Eric Sickles we have had several excellent parties including the 86th Annual Role on The Knoll.

Churchill Evans, "E"

Creighton

The fall semester here at Creighton has been a busy one for all of the Brothers. Our first week back brought Rush as the primary goal. After the week was up we were quite pleased to have gotten six excellent pledges. They are now under the guidance of Jim Koval, '78 and Nick Patrinis, '78.

The weekend of September 24-26 was Alumni Weekend. We were happy to see so many alumni at the activities. Friday featured a T.G.I.F. Saturday everyone attended the dinner prepared by the Chi Delphia and our new "BB" Terrance Cimino. Sunday afternoon the actives and alumni played a game of football and enjoyed a few brews afterwards.

The next weekends included visits to Minnesota and Iowa State. Traveling with Regent John Hess '75, several of the Brothers observed initiations at each chapter. Those who did go wish to extend a big "thank you" for the hospitality received when we visited.

On Founders Day, all of the Brothers celebrated the occasion. White carnations were sold by the pledges and our annual ceremony was held at the house. That weekend we went to the University of Kansas at Lawrence for pledgeskip.

Lowell Wright, "E"

DePauw

Last year's successes provided us with the chance to make several needed improvements during the summer. These included the painting of the front of the house, re-decoration of both the parlor and the foyer, putting barn-siding and carpeting in the television room, and the addition of one unexpected decoration: the Delta Chi National Scholastic Chapter Trophy!! This new look and a successful rush program provided us with a full house including 16 fantastic pledges.

On Old Gold Day, October 9th, we shared our new look with our alumni at a 50th anniversary celebration. That's right!! On Old Gold Day of 1926 Valla Lante, or The Ranch as we call it now, opened its doors. The celebration was attended by approximately 30 alumni and is the beginning of what we hope will be a new era of alumni involvement. Toward this goal, we have made several efforts, the most

important being the reestablishment of the DePauw-Delta Chi Corporation board of directors. Alumni elected to the board were: D. E. Lord '31 "BB", Malcolm Frost '75, Charles Ray '58, Dan Bronson (our faculty advisor).

Keith Sankorn, "E"

East Texas

The Brothers of the East Texas Chapter of Delta Chi have had a busy semester, starting off with rush which produced 15 good men for our fall pledge class under Tim Rose as Rush Chairman.

This year we are working hard in the field of Alumni Relations. So far everything is beginning to go together and we should have one of the best ABT's around.

In intramurals, we have just started off our football season with a record of 2 and 1 and have high hopes of having a good season.

Last, but not least, our Little Sister organization has pledged 13 beautiful women and have 10 actives making a total of 23 Little Sisters. If all goes well, we will be 40 active strong by this spring.

Rick Mullaney, "E"

Eastern Illinois

This fall has been very productive and rewarding for the members of the Eastern Illinois Chapter. We have been working very hard on rush, campus relations, and on the chapter house itself.

So far this fall we have added nine new pledges with several others on the way. These new members are a very ambitious and industrious bunch of guys and show every sign of being very productive actives!

The house itself has never looked better. Under the leadership of President Barry Anderson and the house manager, Rick Burgett, the house has taken on an entire new look. New carpet has been laid on the first floor with the old carpet being placed on the second floor. Much painting has brightened things immensely. The second floor bathroom has been completely redone and is a welcome and needed improvement for the house. A special thanks must be given to Steve Borah and Scott Hoover who put a lot of time into the improvement. Steve is one of the founders of our chapter and has just completed his second masters in Business Administration.

Oct. 30 was Homecoming here at Eastern Illinois University and it was very rewarding for the actives and the returning alumni.

Saturday morning during the Homecoming Parade and in the afternoon during the game the Alpha Phi sorority and our members dressed in costumes and collected for UNICEF.

Again this year, our Chi Delphia program shows a promise of great success. We recently culminated an active rush program with the pledging of 20 lovely young ladies. They have already proven to be a great aid to the chapter. Their enthusiasm is at a high, and we're sure it will remain there for the remainder of the year.

William Roberts, "E"

Edwardsville

The Brothers of Delta Chi at Edwardsville held the Founder's Day banquet at the Roundtable Restaurant October 17, 1976, in Collinsville, Illinois. The dinner was well attended and we were happy to see many of our Alumni and Chi Delphia there. We were honored to have as speakers Richard Schutte, past president of the Edwardsville chapter, and Vincent Saputo, present regent of Region 5, and an Alumni of our chapter.

Rush week at Edwardsville was held from Oct. 11-15. This week was a very busy, but a very successful one. Through our rush efforts we recruited a ten man pledge class. We are looking forward to activation later this quarter. We also recruited eight new Little Sisters.

The annual Shell park rush party was held on Oct. 15, and was a big success. We would like to thank everyone who participated in this annual affair, and would also like to thank the women of Gamma Sigma Sigma for their help in this rush function.

Dave Sampson, "E"

Embry-Riddle

The Embry-Riddle Chapter of DELTA CHI has been pretty busy since the beginning of the fall term. Rebounding from a very successful rush party, which netted 12 pledges, we've been working to clean up our house for various social functions as well as staying busy with the school and community.

Several welcome back parties with open bar at the house helped start Rush off right. At our meetings, we got our committees back in shape. Everything has been run-

Arlene Piskor, Homecoming Queen, Gannon College 1976.

ning smoothly ever since.

We're trying something this year that we've never tried before. It's called a pig roast. We bought a couple of the "porkies" and are going to let them simmer over some nice hot coals for about 15 hours. Ticket sales to the student body, faculty, and community will accompany the roast with the profits going into a new beer cooler.

Speaking of sports, DELTA CHI ended up with second place in our division of intramural football. Relying on our virgin defense (not scored upon in the first four games) for back-up, the offense ran up 51 points to break the backs of our opponents. With a slight hint of over confidence, we went down to defeat in our final game. It was a mistake that won't be repeated next year.

The sisters of CHI DELPHIA held their initiation ceremonies October 28 with five new lovelies being inducted. We're lucky to have such a fine organization working with us.

For a service project, the pledge class is donating about 300 man hours to the American Red Cross. The Red Cross is very active in the Daytona Beach area, so the pledges should stay on the go for a while.

We have an event coming up for our alumni. It is the second bi-annual reunion, which is set for April 1, 2, and 3. There are about 100 alumni from the Embry-Riddle Chapter, so we hope to see many of them here.

Paul White, "E"

Florida

We made two major improvements to the house before the school year began. First, the kitchen underwent major renovation, receiving a new stove and oven, a new refrigerator, and new deep-fat fryer, along with several other improvements. Also, a new shag carpeting was put into the living room and upper deck, and the old carpet was installed in the hallway. Along with the usual fall maintenance, the house was ready for rush.

After a pretty successful rush, we ended up with 32 pledges. Little Sister rush was also this quarter and we now have 27 new Little Sisters. One of them, Mardi Morrall, is the daughter of Miami Dolphin Quarterback Earl Morrall. For a service project, we helped administer the swine flu shots on campus and in the community. Service chairman John Van Hise is also planning a service project to help the United Way.

In sports, the volleyball team got off to a great start, winning its first four games before losing to Alpha Tau Omega. The Delta Chi football team is getting ready for the upcoming season.

We had a social with Alpha Omega Pi sorority and we're scheduled to have three more socials with other sororities this quarter. At Homecoming we held a banquet in honor of the Florida Chapter's 50th anniversary.

Several of us went up to Jacksonville to help the Brothers at the Jacksonville colony with their rush party. Then a week later, they came down to our chapter to initiate their spring pledges.

Two more Delta Chis have become active in campus activities. Rich Lessirard is Assistant Director of Legal Affairs and Ralph D'Angelo is the Special Functions Chairman of Homecoming.

Mike Matson, "E"

Fullerton

The Fullerton Chapter closed the 1975-76 school year by initiating eight men into the bond.

The semester was topped off with an awards banquet where the new actives presented the Chapter with \$450.00 ... in pennies. The money will go towards house improvements, once counted. Reatha Klemme was named Sweetheart.

During Week Of The Titan, Delta Chi finished second in activities that included a pie-eating contest, a Bug stuff, and a Ms. Elephant beauty pageant. On the athletic field, Delta Chi ran up against some strong competition in defending its intramural crown, and finished 2nd among the fraternities, and 3rd overall. Mike Hooper was named "Athlete Of The Year".

Delta Chi participated in the Lions Club Carnival at C.S.U.F., and raised money by operating a fireworks stand. Other events that the Brothers took part in were the Regional Leadership Conference hosted by Northern Arizona. Fullertons' Ken Rodgers was elected Vice-Regent, and many Brothers attended. Also, Brothers Dave Strege, and Jim Jarvis travelled to the workshop in Iowa City.

The Fullerton Chapter closed a successful Fall Rush by pledging 17 men, and 11 Chi Delphia. The semester continued with the annual alumni football game and party. During Homecoming, Delta Chi participated in many of the festivities, and finished 2nd among the fraternities. The Halloween party followed, with a service project in which the Brothers took neighborhood children trick or treating.

Jamison P. Reed, "E"

Gannon

This semester we started with our house being just repaired. We painted the outside of the house as well as fixing the inside. We also had our house rewired and all new plumbing.

We celebrated Founder's Day on Oct. 16, 1976 at the Ramada with a dinner and dance following. We also invited the parents which was very nice to have them celebrate our 86th anniversary with us.

Homecoming weekend was a very good weekend for us here at the Gannon Chapter. Our candidate was Arlene Piskor, sister of Brother Tom Piskor. She was picked Homecoming Queen 1976 at Gannon College. To finish the weekend, Sunday afternoon we tromped the Tau Kappa Epsilon fraternity by a score of 27-6. We came from the game very muddy and cold but joyous.

This semester we nominated an "E-ELECT". His job is to help the "E" with all the work. Also he knows the job as "E" for the elections in December if he wants it.

We will be rounding out this busy semester with our fall weekend on Dec. 4 and a dinner put on by Chi Delphia on Dec. 11 with a Christmas party following.

Patrick M. McDonald "E" and Kevin R. Dieterle "E-ELECT"

Gorham State

Our fall rush here at Gorham has netted us five pledges. Car washes and community projects have been keeping them busy while under the watchful eyes of pledgemaster Tim Clough and his committee.

Our Founders Day banquet was held in conjunction with homecoming weekend. The banquet was followed by the Homecoming Autumn Ball with several area alumni showing up.

A Delta Chi sponsored Hayride was one of the high points of Greek Weekend. It was the largest turnout ever at this event held semestery, and people are already talking about next semester.

In sports our football team had a winning season but placed third in the playoffs. Our service committee headed up by Mike Cuskelly has also been active in campus improvement projects.

Jim Doughty, "E"

Hobart

The Hobart chapter started off the school year with a couple of semi-formal cocktail parties. Instead of the usual beer-blast, Brothers, dates and friends got a chance to dress up and talk without competition from a stereo. The whole affair came off quite well and we were able to have two parties instead of the usual one beer-blast.

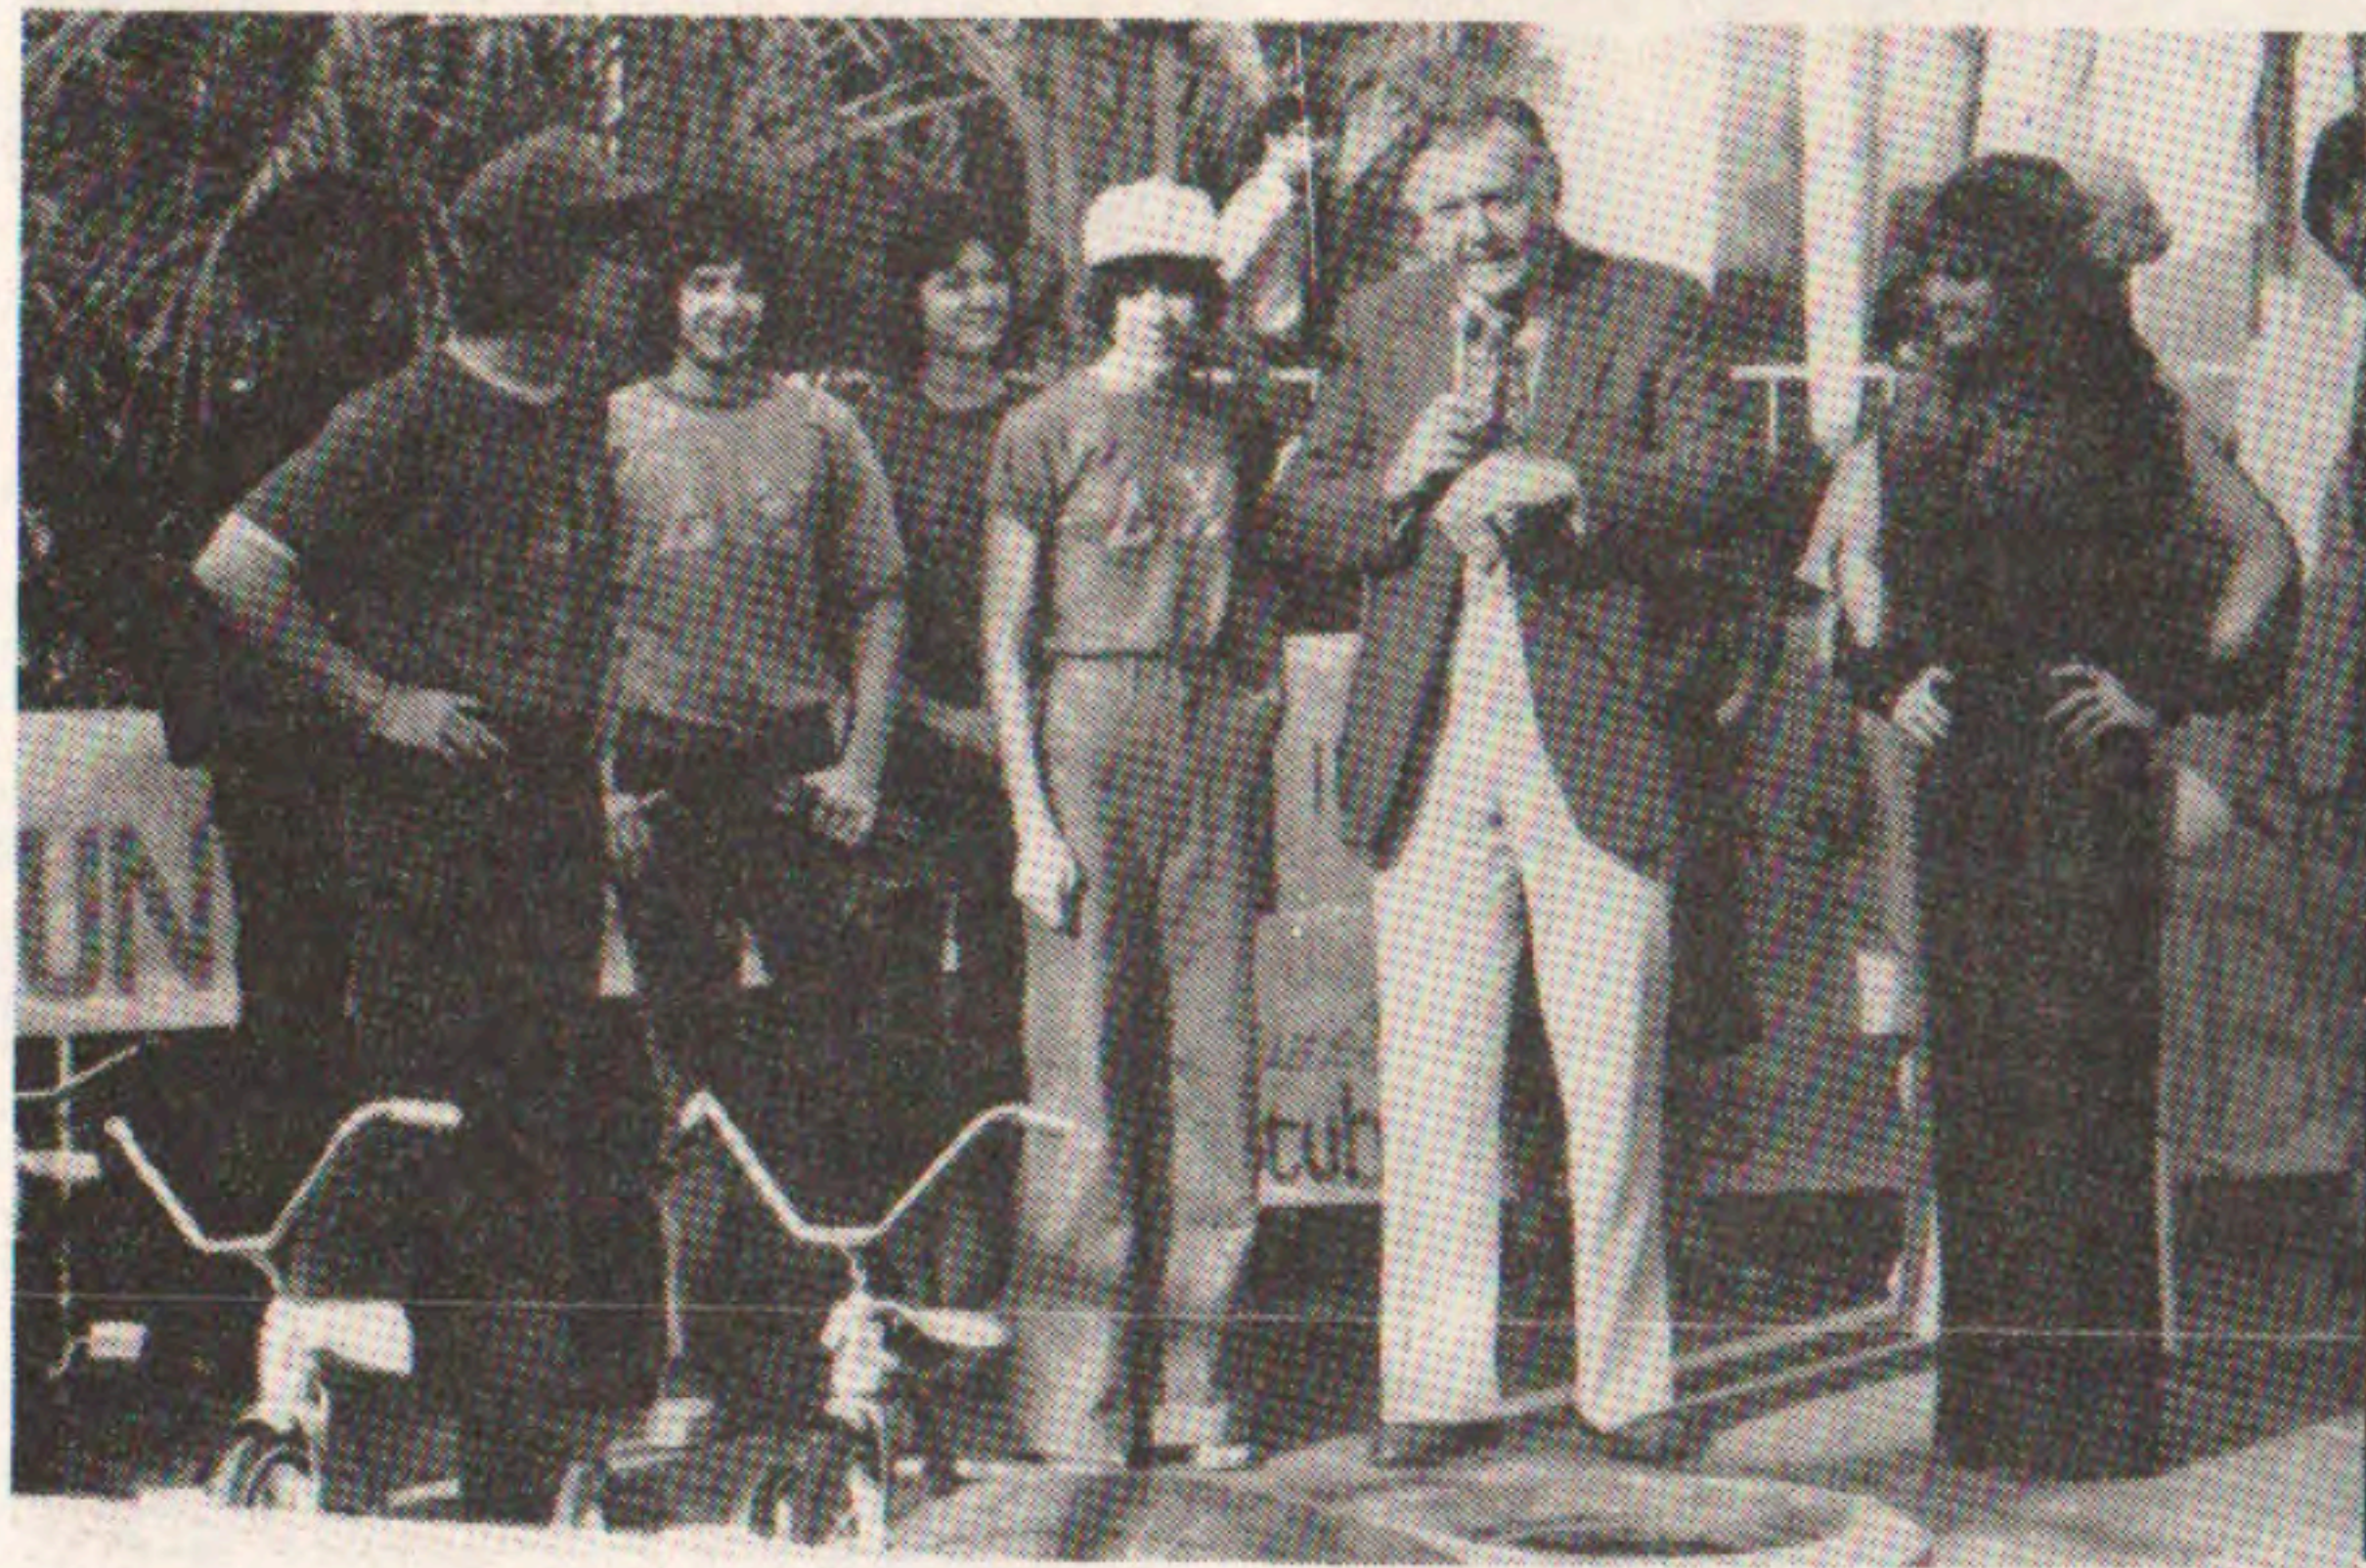

October 23rd was Parents' Day and the house was at its best for them and prospective Brothers. Of course, everyone had a great time.

Kappa Sigma Fraternity held its annual Fall Nationals and our driver Dickie Gates brought us in fourth place.

Wayne Butler fixed the hole in the living room ceiling and rumor has it he's working on the front porch with Bros. Gates and Allison.

By Christmas, the house will be completely refurbished in the living room and the Alumni room. Thanks to the ABT, we'll be getting new furniture in those rooms, along with a paint job to go along with the other renovations.

Stas Lotyczewski, "E"

Houston's Delta Chis drum up a little public relations on a local television station with the Penthouse Pet of the Year, Aneka De Lorenzo.

Houston

Delta Chi's twentieth year in Houston was recently celebrated by our chapter. The date wasn't observed with a lot of fanfare, instead, it was marked by a quiet evening at our house where we discussed our past, present, and future. Also the concern and love of our brotherhood. The evening turned out to be quite meaningful and enriching.

On Halloween night, Delta Chi came on strong and helped with a big March of Dimes fund raiser at the Astro-dome here in Houston!

This summer, **Charles Smith** and **Pat Hancock** visited several of Delta Chi's Chapter houses. They reaffirmed the idea that a national brotherhood exists. We would like to thank all the brothers who made our trip an enjoyable one.

Pat Hancock, "E"

Idaho

Again this semester the men of the Idaho chapter are working to improve the house in all areas. Fall rush was successful in pledging 16 men, bringing the house total to 46. The pledges quickly became adjusted to fraternity life and represented the house in the annual United Way fund drive.

We have also been successful in improving our standings on campus both academically and athletically. Our study atmosphere has been greatly improved resulting in our highest grade point average in four years. We have become a power in intramurals as we finished high in football and won the Turkey Trot (cross-country race). We are hoping to win basketball, too, as our team averages 6'4" in height.

Our alumni relations program is in full swing as we sent out our first membership directory and continued with our newsletters. Homecoming was a great success thanks to the many alumni who attended. Many tall tales

Illinois State Brothers on Founders Day, Oct. 13, 1976.

and memories were shared between the Brothers and winning the football game afterwards added to everyone's good time.

Thanks go to the alumni who came to see us and to those whose support has helped to make us a strong chapter.

Van Campbell, "E"

Illinois

All of us were proud to initiate 14 men into the Bond at the start of this semester. This, with the addition of 20 new pledges, assures us of a strong house next semester. Also, our Chi Delphia program got a big lift this semester with the activation of 50 new Little Sisters.

Dr. Jack Peltason, Chancellor at the University of Illinois, was our honored guest and speaker this Founder's Day. His remarks were timely and all were generous with praise for his effort.

The annual Dad's Day celebration was again a great success. All Dad's enjoyed themselves and also agreed to work toward replacing the carpeting in the house.

Homecoming proved to be the highlight of our semester. Many alumni were able to join us for dinner and the dance at the Ramada Inn. In general, it was an evening not soon to be forgotten.

Our I.M. football team was beaten in the finals and thus finished second in the largest Greek intramural program in the country.

Larry Coughlin, "E"

Illinois State

The Delta Chis at Illinois State are having another great semester. Our new house is finally shaping up after a lot of hard work by the Brothers this summer and earlier this semester. Thanks to **Kent Graves**, '76, who designed and built 5 rooms in our basement, we now have a fantastic party room with a 30 foot bar. The bar was christened on Founder's Day by **T. J. Gawlik, "A"**, during our big Founder's Day bash.

Our intramural program is nothing to be ashamed of either. After sweeping the fraternity league with a record of 8-0, our softball team placed fourth in the university. We are really proud of this feat because no fraternity has ever placed that high in softball at Illinois State. Our football team is, also, doing well in intramurals with a 4-1 record.

Homecoming at Delta Chi was a good time again this year. Everything went smoothly because of the thorough planning and tireless efforts of **Fred Lotter** and **Mike Girote**. Our Fourth Annual Alumni-Active Football Game was again won by the actives this year which ties the series at 2-2.

We had a good rush this fall which produced a 10 man pledge class. They have come pretty far along in their pledgship and should be initiated into the Bond before this is published.

Our chapter is hosting our regional convention this year. Everything is all set and we are trying to make this event something to remember. We are hoping to see everyone from Region 5 here at ISU in February.

Jack Kester, "E"

Indiana

The 1976-1977 school year here at Indiana found us in our new chapter house at 1100 N. Jordan Ave. The newer and bigger house fired up the guys for an intensive rush program beginning in May and continuing through September. The rush efforts, well worth their while, resulted in a 17 man pledge class, one of the largest in our chapter's history.

In sports this year we achieved national honors as well as campus recognition. Three Brothers, **Wayne Stetina**, **Dale Stetina** and **Steve Dayton** took first, sixth and ninth place respectively in the National Bicycle Road Race in Louisville, Kentucky. On October 17 Dale again claimed a championship victory in the campus wide Criterion Bike Race. On the local level we acquired numerous trophies in racquetball singles and doubles; tennis singles and doubles and cross country went to the house along with an all campus third in volleyball. An added surprise this year was winning a skin from the Brothers in the Iowa Chapter when the Indiana Hoosiers beat Iowa 14-7.

Coming up Nov. 20 we will have the traditional Kelly's Wake dance for the first time in the new house. The dance, along with preparations for I.U. Sing and fall rush, should keep the Brothers busy until next semester.

We would like to recognize and thank all our Alumni especially **John Hurt**, **Larry Banghart**, **Gene Tanner** and **Ed Hudelson** for their time and efforts in the acquisition of our new house. The election of our new "BB" **Mike Farnier** will hopefully continue and strengthen our alumni relations.

Mike Bergeron, "E"

Iowa

The Delta Chi organization is growing right here in River City. We have 13 new pledges and 10 new initiates in Chi Delphia. The pledges took their skip up to the Minnesota chapter. All but three actives were captured and drug along.

We have placed first in the Blood Drive out of all the other organizations on campus.

Our football team was third in their division. **Jeff Chapman**, pledge (81) placed first in tennis, the trap shooting squad got fourth, and we placed fourth social fraternity in a bicycle race with 85 contestants. Overall we are ninth on campus out of the social fraternities.

The house improvements have been many: a fire alarm system, ice machine (thanks to a ten dollar donation from each of our mothers), paint, tile, and carpet where needed. We also have a new cook, **Larry Hartsell**, from California.

We had a buffet dinner for Dads Day and a roast pig for Homecoming. Quite a few alumni showed up on Home coming but not enough. We'd like to encourage alumni participation.

Dave Stout '77 is arranging the regional conference to be held here in Iowa City in February.

Brad Lewis, "E"

Dave Rudeen of Idaho finds running room against the Phi Deltis in a playoff game.

Iowa State

A big rush added 13 new pledges to the house this fall. One new initiate joined the Bond this quarter. **John Hess**, Regent of Region IV was present for the initiation.

Steve Magnuson, "BB" for the University of Minnesota, paid us a visit this fall. Earlier in the fall several Brothers went to Minnesota to help them with their rush program.

We had Brothers traveling to Colorado as well. This year we rented a bus for the annual football migration. Brothers raised their voices in song again for the parents during Parent's Day. This event again featured a pot luck dinner.

Everyone coming back this fall was impressed by the new front entrance way with the crest on it which **Ross Peterson** designed.

In intramurals our football team made it to the quarter finals. The rifle team placed first in the fraternity division.

We would sure like to see more alumni at the Banquet next year. How about it Brother?

Leonard Olson, "E"

Jacksonville

The Jacksonville University Brothers have welcomed five new Brothers into the Bond. They were initiated at the University of Florida, the mother chapter and founder of the colony on October 10, 1975.

The Field Secretary, **Berardino DiBernardi**, visited with us on September 20-25.

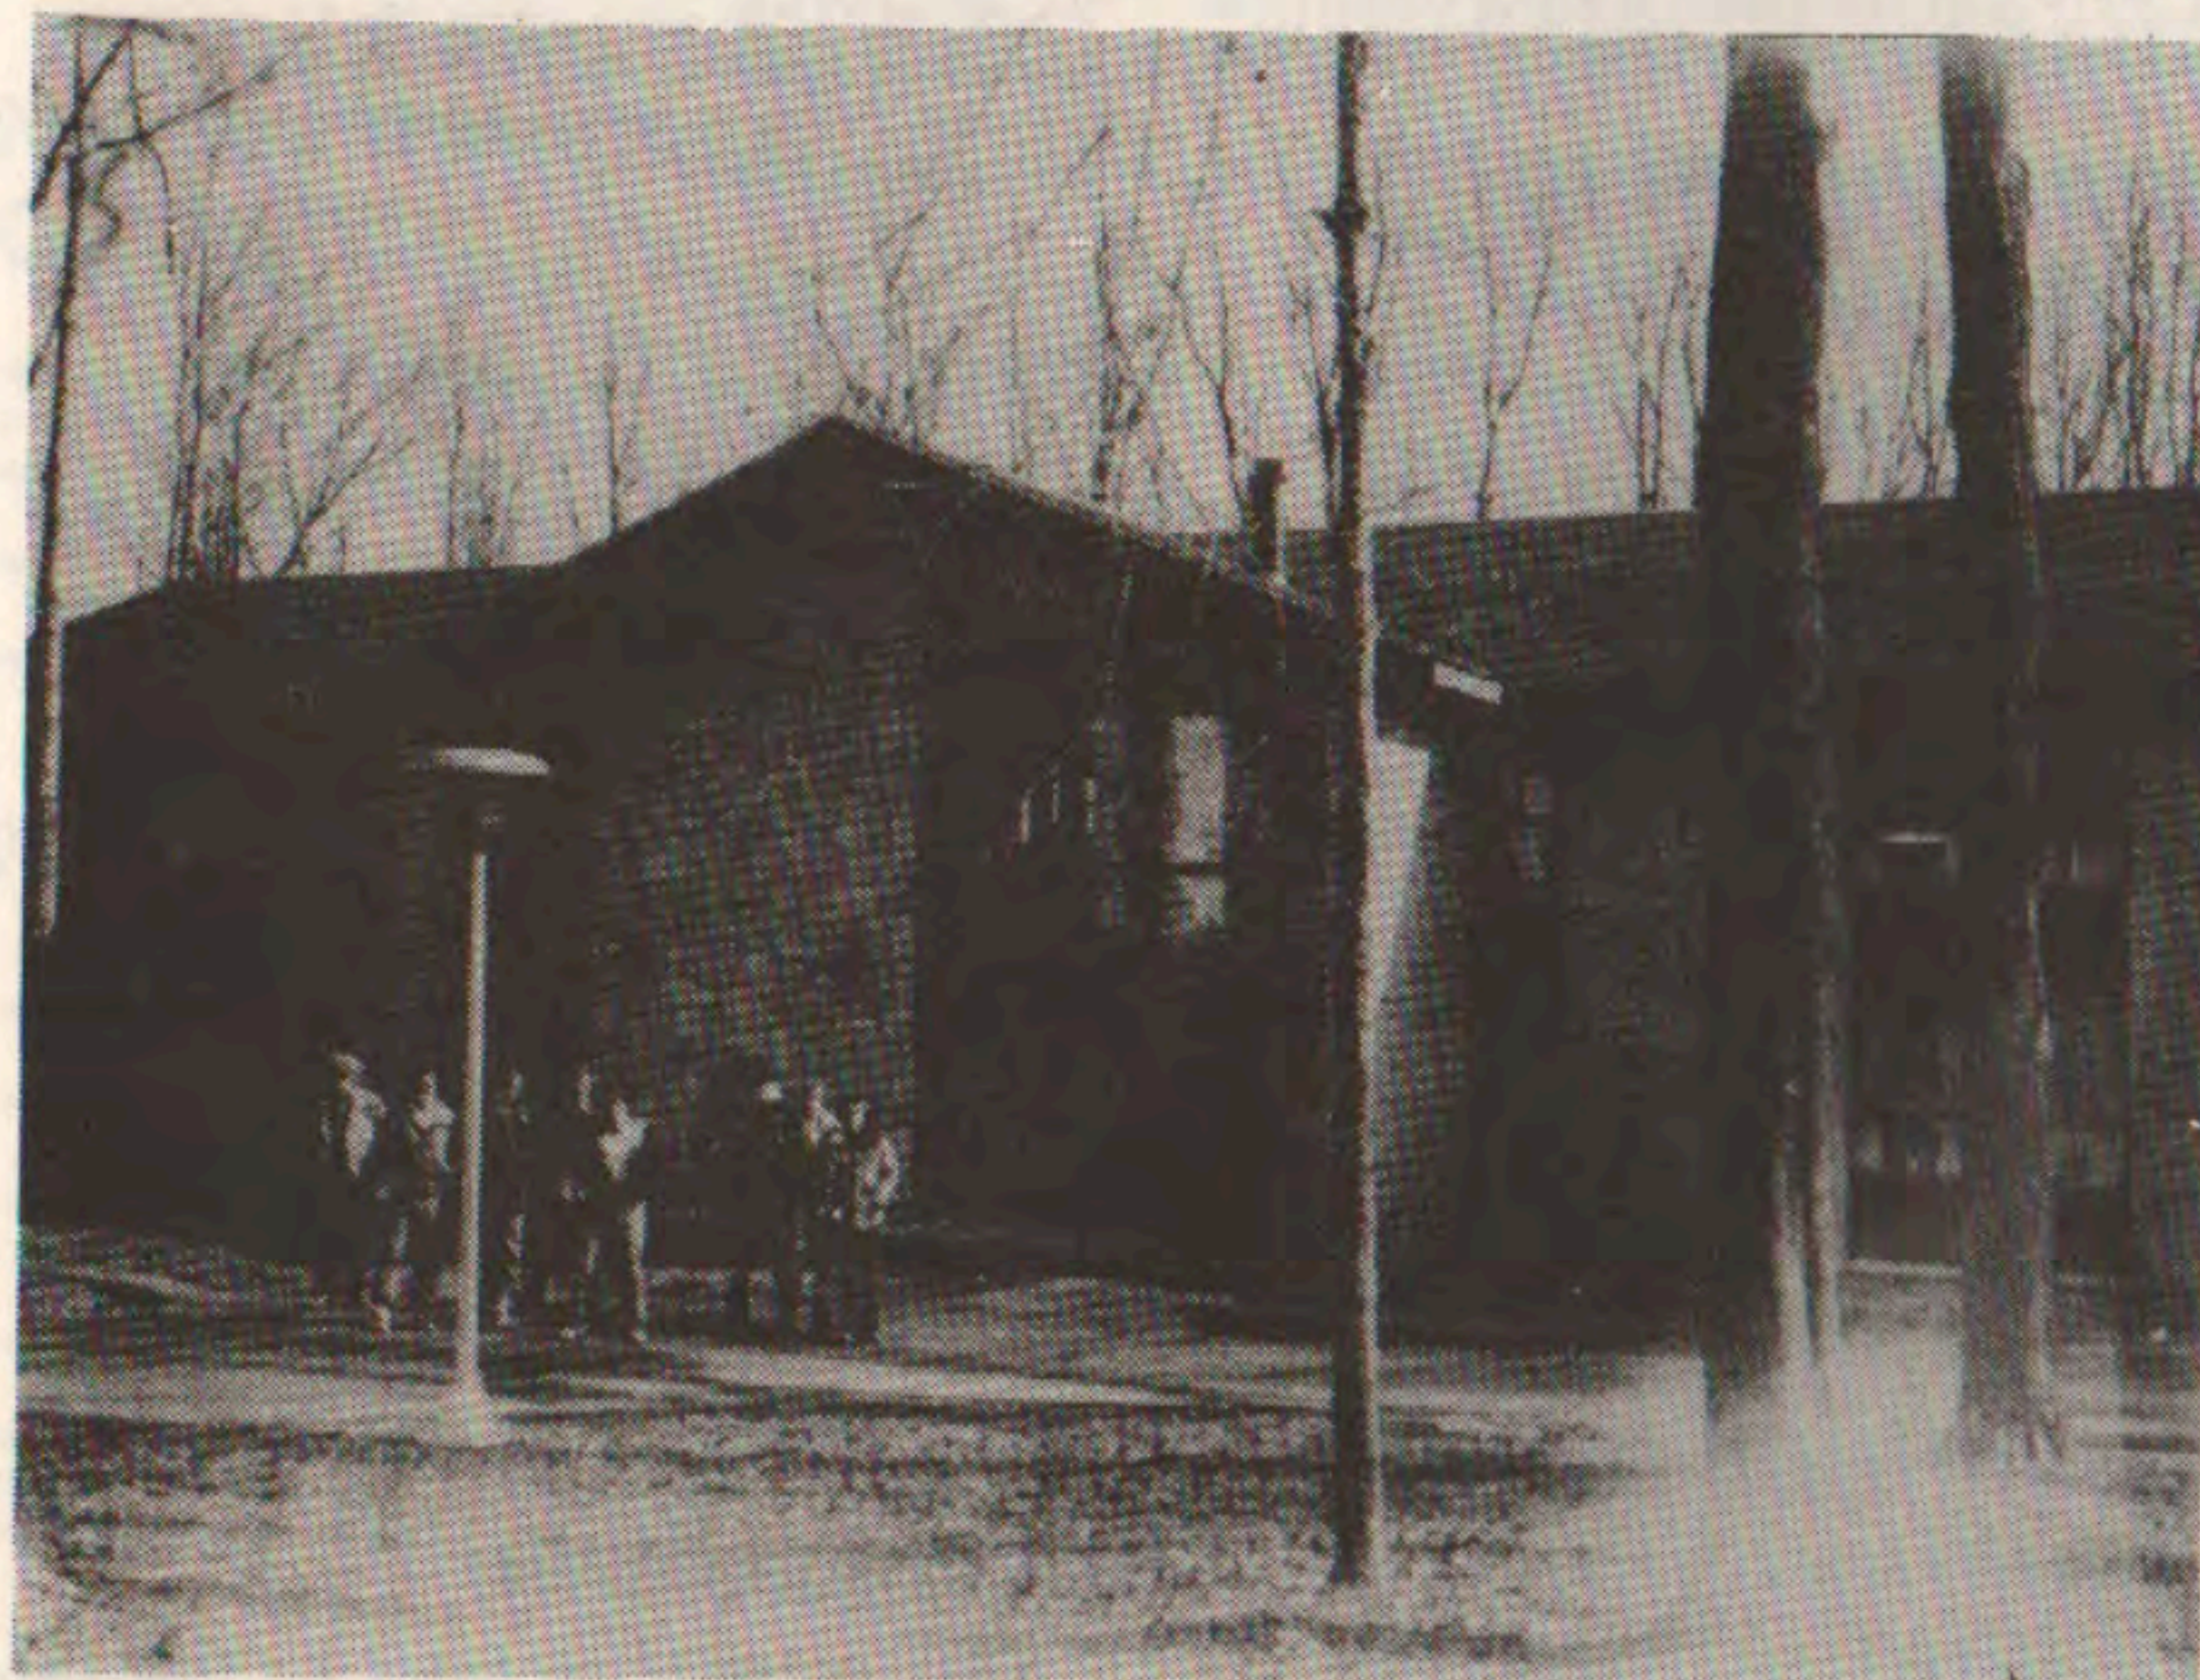

Jacksonville Colony has a fraternity floor this year where all the Brothers live together. We are participating in the One to One Program here in Jacksonville. Its purpose is to help school children with reading problems.

Mark Wickliffe, "E"

Jacksonville State

On October 13, 1976 the Jacksonville Chapter observed Founders Day. The event was held at the Downtown Motor Inn with special guest speaker, Mayor Phillip Treadaway of Jacksonville. Special awards were given. Receiving were **Jimmy Jackson**, Best Alumni; **Winfield Moon**, Best Brother; **Charlie Beecraft**, John Martin Memorial Award; **Richard Powell**, Best Pledge; **Tom Generro**, Scholarship Award; and **John Guthrie**, Best Athlete.

For our service project the Brothers, Little Sisters, and Pledges collected for Cystic Fibrosis and collected \$250. First prize was a free pizza dinner, and was won by Brothers **Ray Carroll** and **Bobby Franklin**. This project was headed by our "B", **Lee Manners** who was Chairman for Jacksonville.

Johnstown's new house which houses 32 of the 47 active Brothers.

With the purchase of a new stereo our Homecoming '76" was full of good music. All the Alumni were very pleased with the appearance of the house. A new club was set up by the Alumni called the "120" club, where each alumni pledges 10 dollars a month for one year, response to this was great.

We are planning to end the semester with a Christmas Party with an Alumni-Active flag football game.

Ray Carroll, "E"

Johnstown

The Brothers of the Johnstown Chapter of Delta Chi wish to thank all the alumni who helped make our Homecoming festivities a total success.

Some of the alumni who attended our activities were **Carl Brinkhoff**, **T. J. Kohler**, **John Hope**, **Bill Schneider**, **Jon Sunner**, **Mike Strank**, **Tom Portante**, **John Bognoski**, **Den Sepety**... just to name a few. We'd like to encourage all the alumni to visit our chapter, meet the new Brothers, and see the new Delta Chi house.

Our Homecoming candidate, **Ann Uschak**, was crowned Homecoming Queen, and our float received third place in the parade. Also during that weekend our new tap system was initiated into full service by a thirty-seven hour drink ing marathon rallied by alumnus, **John Hope**.

Pledging is now in full gear and we have six enthusiastic pledges.

Plans haven't been finalized yet, but the date for our Fall formal has been set for the weekend of December third.

Jon Borcik, "E"

Kansas

The highlight of the year for the Kansas Chapter has been the presentation of the "Top Chapter" award by Delta Chi **Executive Director Larry Audiehelm**. Audiehelm presented the award during our Homecoming week-end on October 16.

In addition to the "Top Chapter" award we also were awarded the first place trophy for our homecoming display. Homecoming displays are built each year by the various living groups on campus.

We got the year off to a good start by pledging 27 men during the summer and formal rush programs. By pledging 27 men we filled our house to capacity and for the first time in several years we accepted a number of social members.

Chi Delphia rush was also very successful this fall by recruiting 58 women. Chi Delphia have had several parties so far this year.

Once again we have been active in the University's intramural program. Following a winning season our football team was eliminated in the second round of the playoffs. We are now beginning the intramural volleyball and basketball season.

Greg McNeely, "E"

Brother Jim Pate, faculty advisor and dean of general studies at Livingston

Kansas State

This semester so far we have been honored with visits from our National Field Secretary **Pat Constantine**, and **John (Hondo) Hass** our Regent.

All the Brothers worked hard on our Homecoming Float, which was displayed Nov. 13 for the Homecoming Parade.

We are really involved with Chi Delphia this semester and the girls are doing a great job. On Nov. 1 we tapped nine new girls into Chi Delphia. We've had numerous functions with our Little Sisters this semester including our annual Barn Party November 20.

Gary Orth, "E"

Kentucky

Over the summer many Brothers got together and repainted practically the whole house. Besides a new paint job, the living room was carpeted wall to wall. A new patio was constructed for Rush. Many thanks go to Brothers **Gene Ressor** and pledge **Dave Drury**.

We had the highest scholastic average of all the other 21 fraternities on campus last semester. We were all very pleased.

Brother **Chris Johnson** is running Rush this semester. We held our first "Admirals Day Party" in the Kentucky Room, where Brothers paraded their boats.

Jame F. Simpson, "E"

Lehigh

The Delta Chis here at Lehigh have started the fall semester with numerous house improvements. Of most notice is our newly expanded bar. After much deliberation, especially on the part of **John Piehl**, '78, our house manager, and **Mr. Yniseley**, head of buildings and grounds at Lehigh, all the Brothers now enjoy its benefits. We dedicated the new bar on Friday, September 17th to our good friend and companion, Uncle Sy.

Parent's weekend fell on October 16th, and despite a narrow 21-28 loss to Rutgers, the day was still a good one. The Brothers look forward to Alumni weekend (November 19th) and the big game against our traditional rival, Lafayette. This fall has also brought to us 16 new Brothers, along with the start of another good rush program. Intramurally we continue to excel, especially in soccer. We are presently undefeated and look forward to becoming number one.

Brian T. Anderson, "E"

Livingston

Things have been very busy for the Livingston Delta Chis so far this year. For the past five months the Brothers have been remodeling the chapter house. Work is now underway building a brick patio behind the house and making general improvement on the front of the house. Faculty advisor Brother **Jim Pate** and Alumni **Leslie Gaston** have been instrumental in the improvements on the house.

Homecoming this year saw many alumni revisiting the Chapter for the first time. Delta Chi won the spirit award during the Homecoming Pep Rally and placed third in the Homecoming Parade.

Our Delta Chi Football team, running a wishbone offense, lost its first game in three years, however we are still in first place and beginning another winning streak.

The L'ston Chapter is again sponsoring the LU Band Booster Club. Much publicity was received last year on this project. Brother Walt session, Project Chairman, has set a goal of \$2,000 for the fall quarter.

Chi Delphia has been very active in making house improvements keeping the house clean. Fund-raising projects have been very successful for them in raising money for the Chapter.

Libby Lyles was named Sweetheart during the Founders Day Banquet. Brother **Gary Lester**, Social Chairman, somehow managed to get sixty-five Brothers, pledges and their dates into a room that will only hold fifty. Guest speaker was Brother **Jim Pate**, dean of General Studies and Delta Chi Faculty Advisor at L'ston.

Plans are being made to have the biggest and best White Carnation Ball ever. With the coming of our 10th anniversary in May, many Alumni will be celebrating early at the White Carnation Ball in February.

Fall Quarter Pledge class is fast setting the pace as the most active pledge class in recent times. The 12 men are out to show the Brothers how bad they want to be a Delta Chi.

Brother **Bruce Kincaid** and Chi Delphia **Nancy Harless** are on this years Cheerleading Squad while Brother **Steve Kling** calls the plays from the Press Box.

Joe Chance, "E"

Long Beach

One of the first functions of the summer was our Little Sister Picnic. This was to honor our Little Sisters for their valuable help in our many chapter functions. A great time was had by all.

A big event this last semester was our Active vs Alumni baseball game (Actives won). One alumnus, **Henry P. Griggs Jr.**, '69, came all the way from Arizona to support the Alumni. There's dedication for ya.

We had our annual Luau. Much food, beverages and fun was had by all. Also turning work into fun is part of our chapter. Our monthly work parties have not only helped the image of the house but has brought the Brothers closer together.

One of the highlights of the year is our semi-annual Delta Chi Weekend. The chapter enjoyed the Labor Day trip to the Kern River.

James Hill, "E"

Marquette Colony

Armed with new spirits and great hopes the Brothers of the Marquette colony set themselves immediately to work at the beginning of the school year improving the

colony both physically and internally. A new and much improved bar and tap was built by the Brothers as soon as they returned. Two new lounges were set up on the second floor of the house through the planning and creativity of the house members. Because our house was filled to capacity, extensive remodeling of the kitchen and a bedroom addition were contracted out and are now quickly reaching completion. Also wall to wall carpeting is being installed in our living room and study. All these improvements would not have come so quickly and in such fine quality has we not the help of our advisor Brother **Michael Moriarty**.

The colonies executive board met for several intensive policy oriented seminar's and from these meetings emerged the setting for a new image for the colony, plus a stronger, closer Brotherhood between all the members of the colony. Because of these improvements and the hard work of our members we began the fall pledge program with nine impressive pledges.

To guide these men in to our colony Brother **Philip Porretta** has been elected pledge master, and to assist him Brother **Jack Simunek** has been elected assistant pledge master. Brother **Michael Zolcinski** is also involved in a new job being elected judicial vice-president for the Inter-Fraternity council.

David Miller, "E"

Massachusetts

The new academic year has been progressing very well at the Massachusetts Chapter. We currently have several new pledges and a new rush program will be initiated soon.

Several house improvements have been made this semester. Among them is the complete renovation of the kitchen including the addition of a new refrigerator. Also the interior of the house has been given a fresh coat of paint, which always adds new life to the house.

Homecoming this year was October 23rd. Several events were held including a formal dinner and a football game between the alumni and Brothers. We had a good turnout of Alumni this year which included Ken Cowen, John Almeida, Mike Barszewski, Mark Betz, Gary Fitzpatrick, Gerome Egan, Dick Leonard, Ira Kligerman, Vinnie Masticola, Bill Ormond, Tom Simpson, Freddy Sullivan, Bob Mullen, Tim Wollard, Bob Sullivan, Bill Worden, and Al Powell.

Artie Berehulka, "E"

Miami

Fall semester's activities at the Miami Chapter have been keeping the Brothers very busy. Eleven men were activated into the Bond, and we activated 37 new girls into Chi Delphia. With these new additions the chapter can now boast 73 actives and 60 Little Sisters.

In intramurals the "A" football team finished an impressive second place for a record of 4-1. Volleyball is also underway. We have six mixed teams of Brothers and Little Sisters. In Greek Week activities, we took third place in the

Michigan Brothers putting up banner for open house.

Trivia Bowl and made a strong showing in swimming.

Our service project this semester involved the selling of coupon books, "The Oxford Bonus Book," in conjunction with the Alpha Omicron Pi Sorority. Every Brother pitched in to help raise a combined total of over \$1100.00 for one week's work. Proceeds went to the National Arthritis Foundation and The Center for Community Involvement, a local charitable organization.

We were pleased to have **Donald "Buz" Lukens**, State Senator of Ohio on hand to help us celebrate Founder's Day. Lukens, a Delta Chi alumnus, spoke briefly and then everyone sat down to a roast beef dinner. The Chi Delphia actives and pledges were also there for the celebration.

Homecoming weekend this year proved to be very successful. Not only did Miami win its first football game of the season, but the Delta Chi float received an honorable mention (fifth place) in the homecoming Parade. Several alumni came back to visit. Many went to the game and then came back to the house to a sit-down dinner and a party afterwards.

Our storage room is being converted into an Alumni Room for all the alumni to enjoy when they come back to visit the chapter. The ceiling has been painted, nearly all the panelling is up, and a bar is being built.

The house now has a new mascot. "Spot," who belongs to Brothers **Jim Spisak** and **Gred Maurer**, is part huskie and part German Shepherd. He more or less adopted the house before the house adopted him.

Randy Steineman, "E"

Michigan

Wednesday, October 6, the chapter was honored with a visit by **Gary Monk** our "AA". Arriving about 1:00 P.M., actives had considerable time to discuss current ideas and problems with Gary. After a dinner with "free milk" there was an informal meeting on Rush etc. in which Gary Monk presented some appreciated suggestions to increase our membership. In attendance of a waterpolo game, accepted bid, and sorority serenade I hazardly guess that Mr. Monk's impression was as favorable as our's. It was a pleasure to have you Gary.

This fall the house was really fired up for Homecoming (Oct. 30). With the largest membership in several years, several alumni reunions and a supposed tough game with Minnesota, the house was a fantastic madhouse Saturday. The chapter headed by **Terry Haid**, '78, Homecoming Chairman, and the sorority Alpha Delta Pi are currently building a fifteen foot football player lawn display which will forcefully put a Minnesota gopher in its proper place. The alumni and parents will hopefully be pleased with our new living room furniture and numerous house improvements.

Bruce Koelsele, "E"

Michigan State

Spooks, witches, ghosts, goblins, and Delta Chis roamed the streets Halloween weekend. While the spirits were busy haunting the locals, the Brothers and their dates were out trick or treating for UNICEF. Three hundred and sixty dollars were collected before everyone returned to the house where spirits of a different kind awaited. **President John Woomer** won first prize for best costume as he

dressed up as a Playboy bunny.

Rush went extremely well under the leadership of Brother **Chuck Toombs**. We had the largest rush on campus and 17 men are now on their way to joining the Brotherhood. Our Little Sisters also held a successful rush, over two nights more than 150 girls attended keeping all the Brothers quite occupied.

New carpeting found its way into the foyer the week preceding Homecoming. It received plenty of use right away as a large number of Alumni turned out for the pre-Homecoming game brunch. Brother **Chuck Goudi** was runner-up in the University's Homecoming King competition.

Terry Gray, "E"

Missouri Colony

It has been over a decade now, but the University of Missouri - Columbia once again has a worthy representative of the Delta Chi Brotherhood in its midst. Having secured a house last spring, we've been hard at work since then trying to get off the ground.

About the house - prior to our renting it, it was a half-way house for ex-criminals, and quite frankly, it was a dump when we first moved in. However, since August, we have improved the houses' appearance immensely, doing everything financially and contractionally possible. It has been a struggle, but we are very proud of our home and what we have done so far.

House organization and upcoming events are also keeping us busy. Homecoming was October 16 (No comment about the outcome of the game); we had a "purple-passion" party that night at our house, at which Brothers from Northeast Missouri State and Southeast Missouri State attended, as well as several of our Alumni. Other activities include our never-ending rush, intramural sports, various on-campus activities (we won our first trophy at the Sigma Pi Chug-For-Charity Kegger - the whole house averaged just under 19 beers per man!), getting together all of the house and fraternity committees and activities, and of course, there's always homework.

The pledges now outnumber the actives at Missouri Colony 20 to 5. We are planning our first initiation on October 30. Merry Christmas, and Happy New Year!

Randy Templeton, "E"

Northeastern

The brothers at Northeastern have spent the summer channeling our efforts towards the important fall rush that lies ahead, under the guidance of pledge master **John Renzella**.

Summer activities included IFC softball, and of course our annual trek to Duxbury Beach on Aug. 21 for Delta Chi's big clambake bash. Homecoming is scheduled for Oct. 30, and for the first time in five years, floats will be allowed during the football game.

Joel Perlmutter, "E"

Northeast Missouri Colony

Founder's Day was a big success at Northeast. A banquet was held in the Student Union Building and we were privileged to have Charles J. McClain, President of Northeast Missouri State University in attendance.

One new officer was elected this semester **Chad Johnson** was elected to the post of 'D'.

Our Delta Chi intramural volleyball team is doing very well in the volleyball competition this semester.

Craidd Davidson, "E"

Northern Iowa

This semester we pledged six men into our chapter and we also pledged 17 girls into Chi Delphia.

We were pleased to have over 20 alumni return for the Homecoming dinner dance.

This year our Homecoming float received an Honorable mention. Several of our Brothers participated in the homecoming parade as clowns.

This semester we placed first in the fraternity division intramural football.

This semester we have had several work days when the chapter got together and worked on house improvements and house maintenance for a day. These have proven to be successful and we hope to have more in the future.

Jeff Jung, "E"

Northwest Missouri

The fall semester has proved to be an extremely busy and successful one for Delta Chi at Northwest Missouri, beginning with the pledging of 13 young men.

Rush was followed closely by Homecoming and our chapter made its best showing since winning the Supremacy Trophy in 1973. This plus the attendance of 37 alumni made Homecoming a tremendous success.

Intramurals are also going at Delta Chi is currently ranked second overall, on the strength of a second place finish in tennis.

Our third annual Parent's Day at NWMSU also proved to be a huge success with more than 250 attending the banquet and other festivities October 30th.

House improvements have occupied the remainder of our time as we have repaired the front porch, added new carpet, and repainted much of the interior of the house.

Bruce A. Becker, "E"

Ohio State

The Ohio State Chapter has seen a progressive year in all corners of fraternity life. A most important point is the progress in rush we've made. With the help of many loyal backers, we have been able to not only sustain ourselves, but in these times of supposed fraternity decline, we have actually been able to grow. We have recently initiated four new Brothers, and no sooner was that done than we pledged four new pledges.

Our sports world has shown an upswing recently. We are currently climbing toward first place in the overall category. We are participating in volleyball, basketball, football, bowling, and the like, with many of the sports having two or more teams representing our house.

Academically we have shown the greatest improvement than in recent times. This is more than likely due to the caliber people we have in the fraternity. Many of our Brothers are active in the college and greek community affairs.

Our social life is strong with many activities going on and new friendships arising out of them. Our Little Sister organization is largely responsible for many a function as well as interhouse TG's.

To sum it all up in the words of our president **Ted Myzswinski**, our house is beginning to move on campus again.

Rick Hunt, "E"

Oklahoma State

Chi Delphia is off to its greatest start ever. We have just activated nine new Chi Delphia after a three week pledgship.

The Oklahoma State campus is still marked by the common sight of the Delta Chi jacket. Brother **Phil Ivers** will coordinate the OSU Campus Chest activities next fall as well as serve as chairman of the Homecoming Publicity Committee as the Student Government Public Information Board. Brother **Mike Galiga** will resume his seat in the Student senate in the fall after a successful stint at Greek Week Chairman. **Randy Kinnear** will also assume a new position on the yearbook staff; a job that will tax Kinnear's role as

Oregon State's five foot stained glass crest over the fireplace.

Co-chair of Oklahoma State Homecoming. **Rick Linstead** was named Staff Photographer on the "Redskin" Yearbook. To keep the campus in line, Brother **Ed Slovacek** will sit behind the bench as Supreme Court Justice for Oklahoma State University.

Once again Delta Chi is a familiar name on campus in spring sports. An all-university champion at one hundred twenty-six pounds, **Jim Stamper** led our wrestling team to a strong fourth place finish. With the dedication of Brothers **Jack Kilkeny** and **Dennis Cook** we also won the Greek Championship in Badminton. Our track team won second place in this year's tournament and broke three intramural records. Out of twenty-four fraternities, Delta Chi ranks fourth.

Steve Walkup, "E"

Oregon State

The Oregon State Chapter is off to a year extraordinaire! Our Delta Chi Campus Calendar is now in its 12th year of publication. With 16 Chi Delphians returning and 32 pledging, we are hopelessly outnumbered! A six o'clock kidnap/wake-up breakfast in honor of our new Little Sisters couldn't have been better.

House improvements include new carpeting on second and third floor, a new dishwasher, and most importantly Golda our new and FANTASTIC cook.

The livingroom is now complete with a five foot stained glass crest of Delta Chi over the fireplace. After months of

The fall of 1976 Ohio State Chapter at Homecoming after their victory over Purdue.

"Now why did you play that card?" says Brother Brad Remp to Little Sister Joyce Flechman at a recent Long Beach party.

work I finished it the day before formal rush began. Just a reminder, our doors are always open to Brothers in the area!

Tom Cortright, "E"

Penn State

It was a very hectic and productive fall term for the Penn State Chapter this year with rush, campus homecoming activities, alumni homecoming, initiation, and a Fall Pledge Formal filling our schedule.

We are proud to welcome our new Brothers initiated on October 21st. With fall rush coming to a close we will soon pledge in about eight men for the next class.

This year Delta Chi joined with The Alpha Phi Sorority for Homecoming "76". Competition consisted of painting a store front window, making a banner, and building a float for the Homecoming Parade. The theme this year was Penn State through the years. Our entries were a salute to Fred Waring, one of States famous alumni, and big band leader of the 40's.

Our Alumni homecoming was also very successful although the turnout was somewhat smaller than in the past, due to a shortage in tickets for the Homecoming game. Those that did return received typical Delta Chi hospitality and enjoyed the reunion with old friends.

The Fall Pledge Formal this year was bigger and better than ever with the theme being the "Lights on Broadway". It was a night of excellent dining, dancing and entertainment presented by the pledge classes of winter and spring 1976.

The chapter intramural team moved ahead with Delta Chi football having a winning season and coming just short of the finals. We are looking forward to an equally rewarding season for basketball, bowling and swimming.

In the area of Alumni Contributions this has been a record high year for the chapter. This was in part due to the ingenuity of distinguished alumnus **Dr. Marsh White**, "20". It was his idea to commission artist James Ingraham to paint a watercolor of the chapter house and sell prints of it to alumni and brothers for a nominal sum. This project alone raised an extraordinary sum to be used toward house improvements, plus providing alumni and actives with a fine reproduction of the house.

For house improvements the A.B.O.T. has approved a project to remodel the chapter library and television room. The television room project was also made possible by contributions of materials from alumni **Tom Arens**, "37" and **Walt Aymen**, "70".

Carl Claus, "E"

Purdue

After a long summer, most of the Brothers returned to school early to clean up the house. During this time the house was really whipped into shape. Our major improvement this year was the painting of the houses' exterior. The Brothers really pulled together, and after a couple days we had most of the red and white paint splashed on.

During the next several weeks Little Sister rush was our primary concern. Once again, our chapter pitched in with two neighboring fraternities and had the traditional "Island Fling", which accounted for the majority of our Little Sister pledges. After about three weeks of hard rushing, we pledged 32 new Little Sisters.

Fall rush this year was again very successful. Due to the hard work and great organization of the rush committee headed by **Todd Smith** we came up with several interesting theme parties, which made rush much more enjoyable and easier. The two best parties during rush were, the Vaudeville show, and the barn dance. The Vaudeville show, consisted of ten great skits put on by the Brothers and the Little Sisters. At the present time we have a pledge class of 16 members, and are hoping for another good spring rush so that we can obtain an annex.

Up to this point, the biggest event of the year has undoubtedly been homecoming which took place on Saturday, October 16th. The day started out with a big luncheon for all the alumni around noon. Everyone then headed out to the stadium to see an exciting football game between Purdue and Illinois, in which the fighting Illini won 21-17. The Alumni then returned to the house and had their traditional meeting, in which they discussed plans for the 50th anniversary celebration. Following the meeting we threw a party for the alumni that featured the band "Pure Pleasure".

Congratulations are in order for Brothers **Patrick Velasco** and **Robert Shofstall**, who were recipients of the Victor T. Johnson Purdue Scholarship Grant.

Bob Shofstall, "E"

SIU

Our rush this fall ended up with us pledging 14 young men. This number combined with our actives gives us a total of 32 members.

Our Homecoming festivities were a tremendous success with approximately 33 alumni and their wives joining us for the weekend. Only a few people decided to brave the driving rains and go to the football game. After the football game there was a steak dinner at the house followed a little later with a band in our living area. The planning for Homecoming was, for the greater part, done by our super alumni association led by **Mr. Gary Strell**.

Our alumni association also donated a nice sum of money to help us along with our construction of a bar in our basement. This is our main project for the semester. Our softball and football teams did not fare so well this fall and we did not make the playoffs. Basketball season is next in which we know we will have a respectable team.

Our pledges were very active in the blood drive and also painted the patio wall behind the house.

Once again we have several men assisting the YMCA in their programs.

David R. Zielinski, "E"

SMU

The SMU Chapter is off and running toward a new fall semester of social, athletic, and academic achievements. The Brothers are both participants and spectators in fall sports as we organize for intramural sports and travel *en masse* to watch and cheer on the Mustangs at football games. Our inspired rush and social chairmen, **Brothers Tim Reifsteck** and **Ray Katz**, have devised combined rush-social events such as TGIF's with freshman girls' floors in order to add spice to our upperclass fall rush.

Prominent among many planned social events for the fall is a pledge trip to Shreveport, Louisiana, for the SMU-Arkansas game, a Pre-Game Homecoming Brunch to be held for the Dallas alumni in honor of the Founders Day, and the celebration of the Mangosteen—an after-game bash and get-together with the Houston Chapter.

All is not just play at SMU: The Delta Chi's have maintained a traditional standard of highest fraternity grade point average at SMU for the 1975-1976 school year and we're fired to do it again this year. The chapter is engaged in a community service project to help repaint old, faded sidewalk house numbers as part of our fund raising projects for this semester. The excellent "Explore Delta Chi" posters are once again being offered to Delta Chi chapters everywhere and we hope to provide everyone with some of these great eye-appealers.

The Brothers of the SMU Chapter send their best wishes to Brother **Scott Marcus** who was injured in an auto wreck this summer and cannot be with us this fall. We're anxious to welcome him back to SMU soon.

Randy Pletzer, "E"

Troy State

With 62 active Brothers, 32 pledges, 10 White Carnation girls and 10 advisors, this fall quarter, Brotherhood of Troy State University Chapter of Delta Chi is one of the strongest ever.

As usual in all areas, for example, this quarter Delta Chi has six Brothers in the Student Government, five Brothers as cheerleaders, six Brothers as football players. Delta Chi again leads the Greeks in intramural sports.

As a new addition, the Alumni Association has set up a Century Club for the Delta Chi Alumnus. As of now there are six members, all of whom have contributed \$100 each to the Alumni Association.

True bonds of Brotherhood were felt as we exerted a unified effort in service to a community Barbecue. We enjoyed this unique experience. A canoe trip which is planned for Thanksgiving week-end is sure to be a memorable experience also.

John R. Destito, "E"

Washington

Things are busy at Washington. Oct. 23 was Founders Day. This year we had an excellent return of 104 alumni. Including a brief visit by the notable Sen. Henry M. Jackson. This year again had the triple legacy of Tyre, Barry, and Kipp Hollander.

Our social calendar is full. The house is once again strong in intramurals. With all of this and studying we're kept pretty busy around here.

After a very successful rush the house has 28 new faces. This year we have a well rounded pledge class.

This year should be an excellent year at the house. With good alumni support and great set of rookies we have the promise of nothing but good times.

Colin Malone, "E"

West Liberty

The Brothers of the West Liberty Chapter are trying to make this year as successful as last year if not more so. We are off to a good start.

For the 6th time in seven years, the Delta Chi's have sponsored the winning Homecoming candidate. This year's winner was Miss Joanne Gagich, who is a junior with a double major in Art and in Elementary Education.

This year we have to the credit of the Delta Chi's, the largest fall pledge class we have ever had.

We are currently holding the 2nd position in the intramural races without the points awarded for handball where Brothers **Dave Wright '77** and **James Fuentes '78**, beat Brothers **Greg Aston '78** and **Pat Durkin '79** for the championship.

The Brothers sponsored an Alumni Weekend on October 9th, in which our guests included many founding Brothers. The event proved to be a success.

On November 6th, there will be a service project when the Delta Chi's will host a Senior Citizen Day. The Brothers will escort them to lunch and during the West Liberty-Fairmont football game.

James T. Fuentes, "E"

Whitewater

Homecoming is upon us again here at Whitewater and our chapter will be active in all the homecoming festivities which include a tug of war, team beer chugging, pumpkin carving, leap frog, corn shelling and a pep and bed rally.

A concert at Williams Center featuring Head East and Megan McDonough in which 12 Brothers will be ushers is also part of our homecoming program. The homecoming football game between Whitewater and River Falls and a dinner-dance the same night conclude all the festivities.

Our chapter alumni were invited to attend the Homecoming football game. They will join the active chapter in a pregame fire-up which should be an excellent time for all those involved.

This fall's pledge class is coming along nicely. The pledges are involved in many fraternity functions and their spirit and enthusiasm is great. Initiation is only a few weeks away and is greatly anticipated by all those involved.

Greg Wolak, "E"

Windsor

The Windsor Delta Chi Chapter is nearing the end of another busy and eventful fall semester. Four new Brothers have been initiated into the bond and now all Brothers look forward enthusiastically to a successful winter rush program in January of 1977. Major renovations have just been completed on our basement which will heighten the general atmosphere in the house.

Our annual Homecoming festivities were a roaring success, with a large turnout of our local alumni. Once more Delta Chi had a float in the parade which awed all competition and got second place, the trophy now adorns our mantle along with all the others. At our Halloween Costume Party the spirit of Halloween could be seen in full force by the wide and highly unusual assortment of disguise. Everyone was present from Hawaiian dancing girls to Quasi Moto to the Hunchback of Notre Dame. The neighborhood children came Trick or Treating in hoards and got more than they bargained for when met at the door by a gift-bearing Quasi Moto.

We are all anxiously awaiting visitations by our Brothers in the United States Chapters. We would like to end this report in an invitation to all our American brothers to come northward to Windsor and sample our Canadian Hospitality, in the land of the Beaver and the Maple Leaf.

Tony Puzara, "E"

Corrections

In the September issue of "The Quarterly", the byline of the author who wrote the article entitled "Energy Bucks" was omitted. Robert Turvey, associate dean of men at The University of Kansas at Lawrence, wrote the article. We regret the omission.

Also in the September issue, we erroneously reported that Wilbur R. Boerger, Purdue, '29, has passed away. This was incorrect and we regret the error.

In Memoriam

Arizona State

Kenyon Turner Palmer, '24, died May 12, 1976 in Carefree, Arizona. He received his law degree in 1925. During college he was a member of the Delta Sigma Rho, the national honorary forensics fraternity; Phi Kappa Phi, the national honorary scholastic fraternity; a member of the debate team, and a member of Phi Alpha Delta, the national professional legal fraternity. In 1940 he was a Republican candidate for U.S. Congress. Brother Palmer also wrote the fascinating book, "For Lands' Sake", a history of real estate development in the Scottsdale, Pinnacle Peak, Carefree area.

Wylie Karl Peterson, '28, died March 17, 1976 in La Mesa, California, at the age of 70. He received his M.A. in 1937 and attended two years of law school. Peterson was in Delta Sigma Rho, Phi Delta Kappa and Phi Alpha Delta and also the debate team. Brother Peterson spent much of his time devoted to Delta Chi and Delta Chi activities.

Delta Chi Jacket Sales

This year Delta Chi will offer jackets for sale. By eliminating the middle men we can offer you quality merchandise at prices equal to or below those of comparable goods purchased elsewhere. Any profits will go directly and totally to the Fraternity treasury.

This is the necessary material to order jackets. The deadline for orders to be received in the Headquarters Office with a check for **payment in full** is February 20. *Only full payment orders will be accepted.* Make checks payable to the Delta Chi Headquarters Office.

Quoted prices include cost of mailing directly from the factory to your chapter. Delivery will take four to six weeks after all orders are received at the Headquarters Office.

Five styles of jackets in three colors will be offered through this program. Each jacket will have either a white or black ΔX on the upper left side.

Refer to the charts below and the enclosed brochures to make your order. Orders must be filled in completely and accurately and be accompanied with *payment in full*.

Colors: White - Black letters
Navy - White letters
Red - Black letters
