THE DELTA CHI QUARTERLY

Published quarterly at Iowa City, Iowa, by the Delta Chi Fraternity. Editorial and Business Offices at P.O. Box 110, 314 Church St., Iowa City, Iowa 52240. Second Class Postage paid at Iowa City, Iowa 52240 and at additional mailing offices. Printed by The Ovid Bell Press, Inc., Fulton, Missouri.

ADDRESS CHANGES

Send all notices of address changes to the Delta Chi Headquarters Office, P.O. Box 110, Iowa City, Iowa 52240.

MATERIAL FOR PUBLICATION

All material for publication should be sent to the Fraternity's International Headquarters Office at P.O. Box 110, Iowa City, Iowa 52240. Members are invited to send material concerning themselves as well as other alumni. The editor reserves the right to edit and print all letters to the editor. Suggestions regarding the publication of the **Quarterly** are welcomed.

Chapters host Regional Leadership Conferences

Region 1

The Idaho Chapter played host for the Region 1 Leadership Conference on February 24-26 at the University of Idaho Campus in Moscow. Special guests at the Conference included **Michael Moriarty**, "DD", Jim Alex, Regent, and **Bob LaBouy**, Regent Elect and past National Officer for the Fraternity. Other guests present for the occasion were **Bruce Pitman**, Greek Advisor for the University of Idaho; **Doctor Jeanette Driskil**, also from the University Staff; and **Eric Koelsch** "BB".

There was a general assembly the first night of the Conference to open the Conclave. The guests were introduced and each had an opportunity to talk about the fraternity. **James S. Alex Jr.**, regent, reported on the chapters in the region. He noted that Idaho State Chapter was having serious problems and that Washington State looked like a reality for expansion this fall. He also mentioned that the Alumni in the Boise area need a shot in the arm. Michael Moriarty, "DD", spoke on how well Delta Chi was doing around the nation, but how there could be improvements. He pointed out that he would like to see more colonization in the west.

Bob Hathaway was nominated for the Housing Fund Committee, **Jim Belesiu** was nominated for the Qualifications and Review Committee, and **Kurt Kuyper** was nominated for the Constitution and By-Laws Committee. The general assembly decided not to nominate anyone for the position of undergraduate Vice-Regent and noted that they be appointed if needed. Both Eric Koelsch and James Alex were nominated and elected to the position of Vice-Regent. Bob LaBouy was nominated for and elected Regent for Region 1.

Three major topics were discussed at the Conference and they included Management by Objectives, Rush and how to improve study habits. Bruce Pitman discussed the way that fraternities planned their activities. He suggested that the executive officers of the house start planning and start approaching the details of planning. Other points were also discussed including apathy, involvement and committees. Eric Koelsch went through the elements of a good rush program. The major elements were, membership education, publications, summer rush, and the bidding procedure. Dr. Jeanette Driskil spoke on study habits and how noise affects your performance. She also spoke to the group on proper organization of notes from lectures and how to

In the Bond

by Larry Audlehelm

Dear Brother Delta Chi:

As another school year comes to an end, there are two categories of people about whom I spend a good deal of time thinking. My first thoughts are for those Brothers who are graduating and beginning careers in their chosen professions. It is my firm belief that these men will find their way made easier due to the associations and education derived from their Fraternity experience. In a recent discussion with Regent-elect LeRoy Mendenhall, he observed that the most important thing about a Fraternity association is that it allows its members a "supportive environment in which to fail."

His observation is especially cogent to those men who are now about to make their way in business and professional pursuits. Because they have had an opportunity to inter-relate with others, to exert leadership and to manage money, they have an immediate advantage over

their non-affiliated peers. Furthermore, these Brothers have the enormous advantage of already having been evaluated in their performance. Errors in judgment, shortcomings in planning and dropped responsibilities have been pointed out and discussed in an environment which can absorb those errors. He will never again have so good an opportunity to fail and learn rather than be punished, from his errors. Will the graduating Brother remember and properly evaluate this invaluable advantage he has earned through his association with Delta Chi? As he develops his career with confidence, meets people with ease and grace, and enters into close associations with new friends, will the new alumnus remember where those skills were encouraged and developed? And will he remember to support the organization which gave him those benefits so that a new generation of college men may

similarly prosper?

And that question brings to mind the second category of people who fill my thoughts. These are the young men who are graduating from High School in 1978 and heading for the most important educational experience of their lives. How many of them are sons, brothers, grandsons or friends of Delta Chi Brothers? How many of them will share in the advantages described above? If you know such a young man, please submit his name to a chapter rush chairman listed in the Directory section of the magazine.

The membership selection process of Delta Chi chapters is critically important to their long term successful operation. If that job is done well this summer, next year can be the best ever for Delta Chi and its Chapters. Good Luck.

Larry Audlehelm

Regional Leadership Conferences

Continued from page 2

avoid useless or unclear notes.

It was generally felt that the Conference was useful and informative. It was decided that the next Regional Conference for Region 1 will be hosted by the Washington Chapter in Seattle.

Region 2

The Region 2 Leadership Conference was held at the Arizona Chapter on February 17-19. Guests attending the Conference in Tucson included **Larry Audlehelm**, Executive Director, **Dean Kent Rollins**, Senator and Mrs. **Douglas Holsclaw**, Dr. **Dave Nott** and **Bill Moyes**. Kent Rollins, Dean of Students and Advisor to the Greek System welcomed the

California Chapters in his opening comments. Larry Audlehelm then spoke about the General Fraternity. Topics mentioned included field staff visitations, expansion and financing the fraternity.

Members were nominated for the Standing Committees of the Fraternity and elections followed. The men chosen were: **Larry L'Ecuyer**, Housing Fund Committee; **Dana Hume**, Qualifications and Review Committee; **Jeff Bell**, Constitution and By-Laws Committee. These men are all from the Arizona Chapter and will serve as the nominees for those committees for Region 2. **Ken Shepard** was nominated and elected Undergraduate Vice-Regent from Long Beach. **Ben F. Mancuso**, Arizona '76, was then chosen as the new Regent for Region 2.

The morning sessions included workshops on Finances and Budgeting, The Greek Image/Public Relations, and Rush and Membership Recruitment. Ben Mancuso led the Budgeting and Finance workshop and outlined a healthy system of accounting and bill collection. Kent Rollins' report on the Greek Image pointed out the necessity of having successful images on campus and in the community. Several methods were discussed for improving this image. **Glenn Baird** had an excellent response on the topic of Rush and Membership Recruitment. Later in the afternoon, Larry Audlehelm ran a seminar on Pledge Education. Among the areas covered, Larry pointed out that the

Honors: Delta Chi Education Foundation Chapter Scholar. Post-graduation plans: Get a job as an accountant or a securities analyst. Athletics: Wrestling, softball, basketball, swimming.

Regional Leadership Conferences

Continued from page 3

education process of a member lasts more than pledgedship. **Steve Smith** reviewed Chi Delphia programs.

Senator Douglas Holsclaw was the featured speaker at the Saturday evening banquet. The Senator presented the Educational Foundation with a gift of land adjoining the Arizona Chapter House. The following awards were then presented: Largest traveling delegation—USC; Largest Chi Delphia delegation—Arizona; Most spirited delegation—Long Beach; Mr. Congeniality—**Jerry Oliveira**, Fullerton. Larry Audlehelm presented Senator Holsclaw with the plaque for the "Order of the White Carnation." The entire Conference was successful and it was decided that the next meeting would take place in Berkeley and be hosted by the Abracadabra Chapter.

Region 5

Southern Illinois Chapter in Carbondale hosted the Region 5 Conference on January 20-22. **Ray Galbreth**, Regent-elect for Region 4; **Vince Saputo**, Regent; and **Michael Moriarty**, "DD", were the guests present for the Conference. Other notable guests present for the occasion included L. Brown from the SIU "Synergy" Drug Research Center and David Frost from the Alcohol Resource Center.

Vincent Saputo opened with personal comments on the fraternity pointing out problems with accounts receivable and also discussing the Chapter Standards System in use by the General Fraternity. Michael Moriarty discussed fraternity expansion and reminded the undergraduates of the upcoming summer leadership workshop to be held in Iowa City.

Three undergraduates were chosen as nominees for Standing Committee positions. They are: **Dave Miller**, Marquette for the Housing Fund Committee; **Jim Hietala**, SIU-Carbondale for the Qualifications and Review Committee; and **Howard Hamel**, also from Carbondale for the Constitution and By-Laws Committee. **Gene Harding** from Southern Illinois was elected to serve as Undergraduate Vice-Regent. No Vice-Regents were chosen at the Conference. Elections were then held for the position of Regent. **George Schau** was elected as Regent for Region 5.

Ray Galbreth led a group discussion of Rush Organization. The two major points covered were conducting a Rush Seminar and Organization of the Rush Committee. L. Brown and David Frost split a seminar session covering points on Drug Abuse and Alcohol Abuse. Jim Hietala from SIU-Carbondale reviewed chapter finances. The

major points were Structure of Financial Arrangements, Income, Advantages of Alumni Corporation, Payment of House Bills—Discounts and Filing Policies, and Special Assessments. Ray Galbreth then quickly covered the key points of Management by Objectives.

Several awards and special recognition was given to: Illinois State, Traveling Trophy (most miles covered-most men); Purdue received recognition for most innovative chapter; Carbondale was then recognized for the group that contributed most to the Regional and also awarded the "Regent's Cup" for best chapter in Region 5. The 1979 Regional Conference will be hosted by the Purdue Chapter.

Region 7

Region 7 held their annual Leadership Conference in Bethlehem, Pennsylvania at the Lehigh Chapter on February 17-19. Guests representing the National Fraternity were **J. Nick Gray** "AA", **Michael Moriarty** "DD", and **John Bart**, Regent. Mr. William Quay, Dean of Students at Lehigh University, was also a guest of the Conference. John Bart opened with comments on the Region. He mentioned that the increase of field staff visits during the past two years has helped and that there will be awards presented at the Regionals from now on. Nick Gray "AA" discussed the happening Nation-

ally throughout the Fraternity. Michael Moriarty "DD" then reminded the undergraduates of the summer leadership workshop to be held in Iowa City. **Greg Hauser**, Field Secretary, then reviewed possible expansion sites in the Region.

Nominees chosen by Region 7 for the Fraternity's Standing Committee positions are **Keith Crow**, Penn State '79 for the Housing Fund Committee and **Fred Page**, University of Conn. '79 for the Constitution and By-Laws Committee. The three undergraduate Vice-Regents are **Mark Fitzgerald**, University of Conn., **Andy Silverton** from Northeastern, and **Jerry Miller** from Lehigh. It was decided that these undergraduate Vice-Regents would start publishing a quarterly newsletter of chapter activities within the Region.

Michael Moriarty led a discussion on Rush and Pledge Education. Detailed discussion involved the three points of Rush. They included first contact, summer rush, and responsibility of the Rush Committee. Greg Hauser and Mark Fitzgerald reviewed Chapter Management. Officer responsibility and committee systems were pointed out.

John J. Bart was elected Regent for Region 7. The Lehigh Conference was listed as informative and fun for the men attending and it was decided that the Region 7 Leadership Conference for 1979 will be held at the University of Connecticut.

Northeast Missouri Joins Delta Chi

On the evening of March 11, a new Delta Chi Chapter was named at Northeast Missouri. Delta Chi has been on the Northeast Missouri campus for nearly two years to the day before receiving its top honor. Much preparation went into the chartering weekend, and all the hard work paid off for those who were in attendance at the Georgian Room of the Student Union on that Saturday evening.

Approximately 150 persons were in attendance at the chartering banquet. Representing the University was Mr. and Mrs. Michael Kacir. Mr. Kacir is IFC advisor on campus. **J. Nick Gray** "AA" and **John Hess** (Region 4 Regent) were in attendance from National, along with regent-elect **Ray Galbreth**. The new chapter was honored to have brothers from other chapters present for its chartering. Brothers came from Missouri Western, Iowa City, SEMO, Denison, and Missouri colony. The new chapter would again like to thank those who visited the campus and helped make the chartering a success.

The "A" of the new chapter, **Lee March**, recapped the importance for the new chapter to keep up its hard work, and not slack off just because it received its charter. John Hess talked on Brotherhood, and what it means to be in a fraternity. J. Nick Gray was the third speaker of the evening. He spoke on how well Delta Chi has grown in the past year and made a very strong impression on the future of Delta Chi. J. Nick Gray then presented Lee the charter proclamation and Northeast Missouri became the newest chapter of Delta Chi to that date. Following the banquet all joined in a circle and sang the "Bond Song."

A special presentation was made by Brother **Ken Trentham** of a wooden crest he worked on for the past year. This crest now hangs in the living room of the part-time house, where all brothers and friends can view it. After mingling around the banquet room everyone went to the Travelers Ballroom for the chartering party, which capped off a very successful weekend for the brothers of Northeast Missouri.

The chapter would like to make a special thanks to four men who were responsible for the starting of Delta Chi on campus: J. Nick Gray, Larry Audlehelm, John Hess, and Frank Stevenson, who was field secretary for the fraternity at the time of Delta Chi's beginning on campus. Following are the charter members of the Northeast Missouri Chapter:

J. Nick Gray hands the charter proclamation to the new chapter's "A", Lee March.

Lee March "A"
Greg Passmore "B"
Les Dunseith "C"
Dan Niederschulte "D"
Keith Beeman "E"

On Campus

Abracadabra

The year 1978 has been an excellent year at Abracadabra of Delta Chi at the University of California. It was a monumental year in which Abracadabra became once again a full chapter in the ranks of Delta Chi International.

As is the rule generally at Cal, the Fall Quarter was the social highlight of the year.

Abras, continuing in our time honored tradition brought new laurels to the fraternity. Socially, we were most successful. Our relations are especially cordial with Tri Delta and Chi Omega. The highlight of the alumni-related events was the Annual Alumni Banquet. The theme this year was honoring the late Wells Twombly, noted national sportswriter. Many Brothers, parents and alumni attended and enjoyed culinary delights that rivaled some of San Francisco's best restaurants. The alumni were most generous in their support of the House.

Once again Abras shone on the sports field. Particularly strong in soccer and basketball, we placed greatest emphasis on sportsmanship. Recently activated Danny Salvemini (of U.S. Olympic team fame) and "B" Greg Clark won this year's "Wells Twombly Award for Sportsmanship." We have to thank Mrs. Wells Twombly for dedicating this award in the spirit of her departed husband. We also thank her for the gift of her husband's extensive sports library.

The highlight of every year at Cal is, of course, the "Big Game" (against Stanford University). Even though Cal lost the game, we won in spirit. However the best occurrence was when Nancy Weber, DX nominee from Delta Delta Delta was chosen "Big Game Queen" the night before at the Big Game Rally. DX's nominee last won in 1957.

Our pledge class of 15 proved themselves worthy of membership into the Bond. Their Pledge Project entailed a total renovation of the basement bar. Done in blue and gold it is a proud place for relaxation from a hard day's (and night's) studying. The pledges were initiated during first week of classes in January.

Abracadabras of Delta Chi also embarked on an extensive community service project. They were one of the mayor of Berkeley's choices to assist in carrying out the City of Berkeley's 100th Anniversary. Abracadabra of Delta Chi being at Cal since 1895 has played a great role in Berkeley's development. The Mayor has honored us with the city's Scroll of Honor. Back on campus, DX was also well represented at Cal Fair—the annual University weekend of special events and celebrations.

Summer promises to be special as well. Two of our Brothers will be spending time studying at European institutions of learning, one at the University of Sussex (England) and the University of Bonn (Germany).

Abracadabra extends the best to all our Houses and hopes they will visit us in one of America's most exciting areas.

Alabama

The brothers of Delta Chi enjoyed a full, but fun spring semester. The semester began with the annual Delta Chi Blood Drive with the Pi Beta Phis. The annual Delta Chi Miss University of Alabama Pageant was held in February, which was a big success. Miss Kathy Brown, a Kappa Kappa Gamma, was crowned Miss Alabama and awarded a \$300 scholarship, and will represent the Delta Chi's in the Miss Alabama Pageant.

The Indian Party was held in April and was enjoyed by every brother thoroughly. With spring semester winding down to a close, plans are being made for summer rush party and next fall.

Arizona

The 1977-78 school year for Delta Chi has been one of the best in recent years. The fall semester rush of 1977 took in 31 new actives and the spring rush also did extremely well initiating 19 new Brothers. These 50 new actives are all-around men. Another increase in numbers was our Chi Delphia. There are now over 60 energetic girls supporting the house.

One of our highlights this past school year was our first place victory in Greek Week and Glen Vondrick winning the Greek Man of the Year Award.

Our most recent house improvement project was installing a beautiful new shag carpet in our living room.

We were very pleased to have Delta Chi's Executive Director Larry Audlehelm visit us at our Regional Two Conference this semester. Five other Delta Chi Chapters took part in the weekend conference.

In campus activities, Russ Hoover was elected by the student body as a Senator, while many other brothers are in honoraries for their respective class.

This past year we took part in a service project helping the March of Dimes. Money was raised by a haunted house.

Intramurals have been going well. We had brothers place in wrestling, power lifting and track. Our strong point is our softball team which went to the playoffs.

Members of Arizona's Chapter pose in their favorite costumes for a yearbook picture.

The semester ended with our formal being held at a tennis and swim resort.

Auburn

We, the Brothers at Auburn University, have had a very productive year. We had an initiation class of sixteen for Fall Quarter, all of whom have contributed greatly to our chapter, not only in brotherhood, but also leadership. In sports, we came in a disappointing second in football, second in golf, first in bowling and racquetball, and won our league in volleyball, but lost in the fraternity finals. Academically, we are still doing well among all fraternities on campus.

On February 4, our annual formal was held at the JoVonn Inn in Opelika, AL. This is the high point of Winter Quarter activities. At this event, the fraternity Sweetheart, Outstanding Officer, and Outstanding Pledge of the Year were announced. Rachel Arnold was named our Sweetheart; along with Robert Jackson as Officer of the Year, being our past "A" and steward, and Pledge of the Year being Dylan (Jim) Jordan, one of our house managers. Brother Mike Ashburn was elected Rush Vice-President of the Interfraternity Council; he is also our "C".

Spring quarter started off with the initiation of four men into the Bond. These men have already started working in the fraternity and are potential leaders in the future. Our Rush Chairman, Russell Manley '80, is doing a great job; we have one new pledge for spring with the good chance to get three more within the next few weeks.

Spring has been the turning point for us in sports. We won our league in ping-pong and won the overall campus championship in racquetball. We are also undefeated in softball, badminton, tennis, and horseshoes.

The high point of Spring Quarter is our annual House Party. This year's party took place at the Dunes Hotel in Pensacola, FL, on April 28 and 29. Music was provided by Brother Kenny Burdine '81 and his Disco Machine. Like always, it turned out to be a great success for both the brothers and alumni. This success is due mainly to the work done by Bill Woodring "B".

David L. Harden "E"

California State

This Spring was very special for the brothers at Cal State. It marks our fifth year of existence here as a fraternity. A big anniversary formal was held at the Meadowlands Hilton Inn on May 6. It was a great time to meet the alumni again, parents, friends, and brothers from other chapters.

We are currently undefeated in softball and with Greek Week coming up, we are looking to improve last year's second place finish.

We are involved in many projects for us as well as for charity. We held our second annual Spring Film Festival featuring "Dirty Harry," "The Three Stooges Meet Hercules," and many cartoons. Money collected went to the Heart Fund. We also held our first annual tennis tournament. Money also went to the Heart Fund.

Michael Mesko "E"

Central Missouri

The Central Missouri Chapter has had a very productive year and we are looking forward to even better things next year. Chapter membership has more than tripled and rush is going

well. At the Ames Regional Convention in February we received the "Most Improved Chapter" award.

The beginning of Spring term was highlighted by our White Carnation Ball at the beautiful Lake of the Ozarks resort, Tan-Tar-A. Jo Yoder was crowned Chi Delphia Sweetheart there. More recently, however, we have been busy with Greek Week. Our seven piece Jazz-Rock band, arranged by Brother David Willard took first place in the Greek talent competition. Overall, Delta Chi placed highest in our history on campus in all Greek events.

In keeping with our public service policy we have been increasingly active in several campus and community projects. Delta Chi has been the leading fraternity here to participate in energy conservation and Red Cross Blood Drives.

Carlton Oesterle "E"

Connecticut

The spring of '78 saw nine new men initiated into the Brotherhood of Delta Chi.

Delta Chi has continued to lead the fraternity system on campus. The annual Greek Olympics were dominated by the Brothers of Delta Chi with our point total exceeding the combined totals of all other fraternities. A 24-hour marathon softball game was staged for the American Cancer Society with proceeds over \$2,000 generated. Assistance was also given to the recent Red Cross Bloodmobile.

In closing, and making public Les's pardon, the Chapter is confident of continued growth and another year that will be yet one more example of Connecticut Pride.

Richard Kos "E"

Creighton

Another semester is about to end for the Creighton Chapter and this being my last semester as an active this Quarterly holds special significance for me.

This semester was an enjoyable one with our Formal being the high point. Thanks to those alumni who attended—Mike Kemmy, Paul Bacino, John Hess, Nick Patrinos, Rich Anderson, and Terry Cimino and to those responsible for the success of the Formal. Congratulations to the winners of our awards.

Congratulations also go out to the 11 new members who were initiated into "The Bond" this semester.

Eastern Illinois

Eastern Illinois chapter of Delta Chi continued its comeback this past year. The key to continued success is growth, and the key to growth is rush. The chapter is looking forward to a good rush season this fall of 1978. Relationships with the alumni are very good. This spring we had our annual E.Q. chicken fry. There was plenty of beer and food, along with a very good time.

Greek Week gave our chapter a long awaited trophy in the keg toss, we finished in second place. We were proud to take 10 new actives into the bond on April 29. Along with the new actives we have also pledged five excellent young men before summer. The chapter's social program included a Spring formal and many after-hour parties.

Dwight Kensil, past "A", was awarded "Greek of the Year," on Eastern's campus.

Continued on page 11

Charlie Moorer, left, past Georgia Southern "A", welcomes Georgia Congressman Ronald "Bo" Ginn, right, to the Bond.

Continued from page 10

The men of Delta Chi wish to extend a very special thanks to Russel Griffin for his presentation of the Michael Cochran Award.

Erie (Alumni Chapter)

The Spring of 1978 marks the fourth anniversary of the Erie Alumni Chapter of Delta Chi. We presently boast 35 active members, about half of whom live in the Erie, PA area. The out-of-town members are kept informed of social events and other happenings via a monthly mailing containing the minutes of our monthly meeting, and an occasional newsletter.

Although comprised mostly of alumni from the Gannon Chapter, membership in the Erie Alumni Chapter is open to any interested Delta Chi alumni living in the area. Our chapter meets the first Wednesday of each month at 8:00 p.m. The meetings consist of planning six to eight social functions each year, some of which are combined with the Gannon Chapter. Some of these functions include an annual bowling party, a Superbowl party, and a spring dinner-dance.

The 1978 Spring Dance will coincide with the Gannon Chapter's 10th anniversary as a colony of Delta Chi. This year's function, slated for April 22, will be a combined effort between the Erie Alumni Chapter and the Gannon Chapter. It has been in the planning stages for several months and looks to be the year's "Big Event."

In our sports department this is the fourth year that we have sponsored a bowling team in local league. Although we are not in first place, we certainly are first in having a good time.

Officers this year are "A" Brad Colwell, "C" Don McAleer, who handles timely distribution of minutes and newsletters, and "D" Terry Linsted, who sees that we don't spend our entire budget on one party. Since the purpose of our existence is primarily social, our social chairman Dan Albaugh has one of the biggest jobs in the chapter. Dan's excellent planning, assisted until recently by Phil Mago, has allowed several functions to proceed without complications.

Brad P. Colwell "A"

Florida

The chapter has been experiencing the joy of the Bond with the initiation of 25 Brothers winter quarter and just recently the addition of some new Chi Delphas.

Greek Week Activities, though dampened by rain, were enthusiastically carried on. Complete with street dances, exchange dinners between sororities and fraternities, and a field day it was a great success.

Academically, the chapter ranks fourth on campus among the fraternities, while our service committee rolls on. Brother George Schorr devoured 28 chicken wings in ten minutes to raise money for the Epilepsy Foundation. In other service projects the softball team played at a state prison, defeating the inmates twice in as many contests. That same team is now embarking into the intramural season after a furious pre-season display of hitting and fielding. The Chi Delphas have likewise been devastating in their intramural games, reaching the semi-finals in nearly every event.

Bruce Bode "E"

Gannon

This semester started off with house repairs. These included a

new bar, painting of the house interior, and the rebuilding of the stairway leading to the party room.

We have pledged 15 men this semester, second highest on campus.

Intramurals have gone well. Our basketball team finished second in their league. Our volleyball team is currently in round two of the playoffs. The bowling team is holding onto first place by several games.

Our latest service project was a litter clean-up of the neighborhood. This was greatly appreciated by the neighbors in the form of a letter to the Gannon newspaper which was great P.R.

On April 22 we celebrated the tenth anniversary of our colonization. Attending was the president of Gannon College, Dr. Joseph Scottino and Vice President of External Affairs, Rev. Lawrence Spiece. Brother Jon Miles was announced winner of the Luminary Award. John Bart, Regent of Region VII, was presented an award for outstanding service to the Erie Alumni Chapter.

Randy Heemer "E"

Georgia

Spring Quarter found the Georgia Chapter in excellent shape with the encouragement and support of our newly-reorganized Alumni Association. The mood of the chapter was bright, due to our beautiful Georgia weather, and anticipation of a very active and successful quarter.

Lynn Long was crowned Delta Chi Sweetheart at the 1978 Sweetheart Ball, which was held at Lake Lanier Islands.

We placed fourth among 28 in Greek Week competition. High points of the week included Mike Dunagan's win in the Keg Toss event, and the tug-of-war team's display of Delta Chis pulling together and winning.

We won the Pabst Rolling Barrel Award for scholastics this quarter.

Former chapter president and IFC officer Buddy Pickle has been initiated into The Order of the Greek Horseman.

The Luau, our biggest event of the year, capped off an exciting and rewarding Spring Quarter.

Georgia Southern

On January 28, 1978, something good happened to the Georgia Southern Colony. On that day, Congressman Ronald "Bo" Ginn was initiated into the Bond of Delta Chi.

Brother Ginn, who is Georgia's First District Representative to the United States Congress, was extended a bid to pledge the fraternity during a retreat at his cabin on the Ogeechee River last year. Casey Ginn, daughter of the Congressman and a Little Sister of the colony, told us that Brother Bo read his Cornerstone from cover-to-cover that same night. The Sunday after the Congressman had pledged, he wore his pledge pin to preach a sermon. Not much, you say? Well, the truth of the matter is that this was the first time in some years that Congressman Ginn wore anything other than an American Flag pin on his lapel.

He has since been very helpful in our search for a house, which is now becoming a reality, and in advising us in any way he can. We are indeed proud to have this distinguished member of Congress as an alumnus of this colony, and wish to bid a warm welcome to the Bond to Congressman Ronald "Bo" Ginn.

Steve Brunner "E"

Hobart

Under the new administration, we began a new Alumni program, and enjoyed a 30th anniversary weekend, celebrating the founding of our chapter. Highlighted by a formal dinner, wine and cheese party, and the famous lacrosse game, the weekend was a success for all who attended.

Our Fall pledges, Bob Margenson, Georges Prouty and Ken Tolchen were joined with the initiation of 22 pledges this Spring. This large class offered much for the brotherhood far and near. After soundly defeating the Cornell Chapter pledges in a softball game at a get together at our founding chapter, the pledges then went on to "kidnap" our field secretary, Greg Houser. When it was all over, Greg said, "It was a very interesting, and enjoyable experience."

On the campus and community scene, we continue to be active. After our famous "Harvey Wallbanger" party, which brought in a successful pledge class, we helped sponsor a Greek Weekend, and entertained the campus at the chapter house. We are also involved in a community project of helping a nursery school save their playhouse which has been condemned by the town.

Neil Z. Burns "E"

Huntsville

The Spring has seen our new chapter make great advances on the Huntsville campus. We began the new year with the initiation of our first class of pledges since receiving our charter.

A diligent rush brought eight new pledges for the Spring term. All these fine men are working very hard in order that they may soon become Brothers. The Spring has also seen the addition of seventeen new pledges to our Chi Delphia.

In academics our chapter continues to flourish with a 2+ average on a 3 point scale. Our spring softball teams look strong and we are sure to go all the way to the top as we did last year. Our social committee has seen to it that our calendar has been full for the Spring term. Our chapter has been actively involved in the annual Casino Party which is sponsored by the Inter-Greek Council, and our annual Bon Voyage Party is sure to be a success with one brother and his date winning a free trip to Florida.

Our chapter is also working hard to establish an Alumni Association and several activities in regard to this have been planned.

The highlight of our spring term was surely the visit of Larry Audlehelm. He helped us solve several of our pressing problems and we are truly grateful to him.

David H. Lam "E"

Idaho

The semester got off to a good start as we welcomed 11 new men into the Bond, 23 new girls into Chi Delphia, gained three new pledges, and the annual Qirates Dance.

At the annual Alumni Banquet the chapter presented an outstanding alumni plaque to Ray Helbing '44 and Garry Pederson '44, two of the members of our Alumni Board of Trustees.

Again this year the Brothers helped the local merchants with the home and recreation show, held at the University of Idaho Kibbie Dome.

Brother Wayne Jensen was elected IFC Vice President. Also Brother Terry Dolar was elected IFC Greek Pledge of the Year. Sue Johnson was crowned as Queen at the Pirates Dance.

Illinois

Mom's Weekend went exceptionally well this year. Most moms went to the Mom's Day play, followed by a prime-rib dinner later that evening. After the dinner, all the moms were initiated.

The Spring Pledge Class closed with a very respectable thirteen pledges. Formal Rush also went very well, with the pledging of several more future Delta Chis.

Once again the Little Sisters have been kept active with several parties. Some of the activities this semester have included an International Drink Night, an Easter Egg dying party, and initiation.

Improvements in the house were highlighted by the conversion of the cold air dorm into a game room, and the addition of new trees and bushes in the front lawn. The game room, which contains a pool table, foosball table, and pingpong table, was funded by the Alumni and the Dad's Day Fund.

This spring, many of our Brothers went to a nursing home to spend the afternoon with some of the elderly patients there for one of our philanthropy projects. The afternoon was spent walking in a nearby park, playing bingo, and just visiting.

Law Day was an interesting and enjoyable time with the honorable Judge Roger Little as our Guest Speaker. Many of our local Alumni and several Delta Chi Alumni from other Chapters attended the event.

In the intramural U. of I. softball league, both the 12-inch and 16-inch teams remained undefeated through the quarter finals. We would also like to recognize Jim Graham, a freshman on the Illini varsity wrestling team, who competed in the NCAA Wrestling Championships at the University of Maryland.

Our annual spring outing was once again a huge success. This year's event included a side of beef, nine kegs, and both a band

Continued on page 12

On Campus

Continued from page 11

and square dance caller in the evening at Alumnus **Stan Harper's** farm.

Dave Meyers, "E"

Illinois State

Ten men were recently initiated into the Bond at the Illinois State Chapter. At the present time we currently have 45 actives. Our little sister program is also building and currently has seventeen members.

There was a vast amount of improvements in the house this semester. All the brothers have pitched in to help clean, remodel, and paint the house. We built a TV room and aquired a color TV from a Brother's generous parent. This will complement the stereo that was recently installed in our basement.

Our intramurals went over very big this year. After winning the fraternity football championship in the fall of last year, we responded this spring by winning the fraternity championship in co-ed volleyball. Our chances of taking floor hockey also look pretty promising.

Joe Lang "E"

Indiana

The Indiana Chapter has had a fairly good semester. On April 14, this Chapter initiated eight new members into the Bond. We have confidence that these men will be assets to the Fraternity.

Intramurals went well, with our basketball team finishing fourth on campus. Our racquetball and tennis teams have been doing well also with consistent first, second, and third place finishes. Due to the energy crisis, many spring intramural sports, including softball, were cancelled. At the completion of intramural sports, Delta Chi will be awarded fourth place overall. In addition, **George Powell** was named intramural athlete of the year by the intramural office.

The Little 500 season went well for us also, with a tenth place finish in the Little 500 bike race and a fourth place finish in the Regatta paddleboat race. For the third year in a row, Delta Chi had the largest post-Little 500 race party. Two live bands performed in the front yard, and the crowd was estimated between 3,000 and 5,000 people. A great time was had by all that attended.

Thanks to our Alumni, we have had new tile put down in most of the house, and are expecting more house improvements to be completed throughout the summer.

Steve Wagner "E"

Iowa State

This Spring has been one of the busiest ever for the men at Iowa State. So far this spring quarter the house has acquired three new pledges.

The house had 14 couples participating in the Muscular Dystrophy Dance Marathon and they raised over \$1,500. Greek Week was April 9-15. Our bed made it around sorority circle this year. Dad's Day was April 22. Although there was foul weather, the fathers who did come had a good time. Still on the calendar are plans to build a shed, and painting an elderly person's home for the city.

Karl King "E"

Jacksonville State

The spring semester at the Delta Chi House has been another great one.

We held our annual White Carnation Ball in Gatlinburg, TN. There, awards were given to Vicki Salter our new sweetheart, **Clark Hereford**, best pledge of the Fall Semester, **Ralph Stone**, best brother of the Fall, and the Outstanding Alumni was **Bill Meehan '72**.

In intramural sports we placed third in softball, and fourth in Greek Week. This gave us an overall third in the running for the All-Sports Trophy. Also in sports the Jacksonville Chapter is holding a Region VIII softball tournament May 6 and 7 in Jacksonville.

To close a great semester we held our Annual Indian Party within the walls of Fort Chio. The following day our Parents Day Celebration was held at the fraternity house.

Johnstown

The winter term here at Johnstown was a very busy and highly successful one. Evidence of this can be seen in that Delta Chi was voted the most outstanding organization on campus for the 1977-78 school year. Contributing to the reception of this honor were two events held to raise money for "The U.P.J. Flood 77" Scholarship Fund. The first was a Las Vegas Night held in

February, and the second was a Pittsburgh Steeler basketball game held in April. In this game the Steelers played the U.P.J. faculty with much interest being shown by the Johnstown community.

Our winter rush and pledge program culminated in the induction of 19 fine new brothers into our ranks. The quality of these new men will be a great asset next year. We also inducted six proud new ladies into our Chi Delphia organization.

Election was held for Chapter Luminary with our past "**A**", **Jim Hitchner**, receiving this honor. In addition **Jim Williams** was voted alumni brother of the year.

Every year during winter term, Greek Week is held at U.P.J. This year Delta Chi emerged number one out of the four fraternities and four sororities on campus. Events included Greek games, "Johnstown style," in the old gymnasium and skits performed by the various pledge classes.

On March 31, our annual Founders' Day formal was held celebrating our local founding in the winter term of 1971. The evening, which included dinner and dancing, was held at the beautiful Ramada Inn in Somerset, PA.

Graduation exercises were held at the Johnstown campus on April 22. Fifteen members of our brotherhood received their diplomas and now join the ranks of our alumni. Sincere congratulations and wishes for good luck go out to these men.

In conclusion, plans were presently underway for our annual summer party to be held at our chapter house the last weekend of June.

James Sharbaugh, "E"

Kansas

The Kansas Chapter of Delta Chi began the spring semester with the pledging of two men, shortly afterwards activating twelve men from the fall pledge class into the Bond, and 29 girls into Chi Delphia.

Our basketball team played well this year, although we were unable to claim any noteworthy titles. The softball team made it to the quarter-finals.

The Delta Chi Campus Calendar, a philanthropy project benefitting the Lawrence Boys' Club, is in its second year of production. It features one girl from each of the twelve sororities, and is perhaps the most attractive philanthropy project on campus.

At the Regional Convention, held at the Iowa State chapter, **Steve Paddock** was elected as Region IV's nominee to serve on the 1979-80 Constitution and Bylaws Committee for the National Convention. The Kansas Chapter was also awarded the Top Chapter Award for Region IV that weekend.

"May Meeting," a weekend for year-end review and alumni reunion, was once again held the last weekend in April. We were honored with the presence of **J. Nick Gray, "AA"**, and **Larry Audlehelm**, Executive Director.

We will finish out the year with our annual, pre-finals, 18th Century theme party, "Tom Jones."

Phil Thompson "E"

Kansas State

The Delta Chis at Kansas State found April to be a very busy month. On the 23rd we held our Annual Tug-O-War for the benefit of the Big Lakes Development Center. Big Lakes provides educational services for handicapped youth and adults of the area. Nine sororities participated in the afternoon of mud, sweat, and tears.

April 29 was our White Carnation Ball. The brothers decided to break from tradition this year and try a new concept in formals. We chose to attend a dinner theatre production this year rather than have a dance. We all enjoyed "The Last Late Mrs. Adams" at the Waldo Astoria in Kansas City, Missouri and parted afterwards at our president's home in Leawood. Seven of our alumni also attended with their wives.

We were very pleased to have alumni **John Koger, Jr.** and **Dave Alexander** visit us in April. They inspired us to work a little harder at rush and reminded us of our heritage here at KSU.

In campus activities, Brother **Bill Hartman** was elected secretary of the Food Technology Club. Two of our graduating seniors have been accepted for postgraduate studies, one in the College of Engineering at Kansas State and the other at the University of Kansas Medical School.

Joe Hass "E"

Kentucky

In what is becoming a trend at Kentucky, this past Fall's pledge class finished first academically among all fraternities for the fall semester. The chapter held a car wash on a Saturday morning this April and succeeded in making quite a sum of money as well as getting some great sunburns. A portion of the money went to the Salvation Army. Two of the brothers, **Mike Hotchkiss** and **Paul Keehn**, have been valuable members of

U.K.'s Rugby Club of which the chapter is proud.

During Greek Week activities at Kentucky, Delta Chi finished third in the Greek Feud and our Gong Show act was super even though the judges didn't think so. The chapter recently had a rush party at Boonesboro State Park as the Delta Chi "Navy" ruled the lake for an afternoon.

Stephen W. Porter, "E"

Lehigh

As the Lehigh Chapter began its 26th year this spring, the house began its Spring Associate Brothers program. An enthusiastic, well organized rush program brought 19 men into Associate Brotherhood. The ABs are a cohesive group and have been well received by the brothers.

J. Nick Gray, "AA", and **Mike Moriarty, "DD"**, graced our table in February during the Region VII leadership conference held at the chapter house. **Greg Hauser**, field secretary, and **John Bart**, regent, also attended the workshop, as did 40 brothers from nine other chapters in the East.

For the first time in a number of years, the chapter's Alumni Newsletter was published this semester. All alumni are invited to forward their letters, comments and news to the "E" at the chapter house.

Many thanks to **Larry Stauffer '76**, our "BB", for his assistance in getting the Newsletter published.

Intramurally, the brothers did very well this spring. Victories in basketball, baseball and a championship bowling team placed the house high in the University intramural rankings.

Brother **Brad Wyckoff '80**, played in the no. 1 spot on the University varsity tennis team this spring. Brother **Bill Fearod '78**, remained active as an officer in the University's Newman Association chapter. Brother **Jerry Miller '80**, was named managing editor of the *Brown and White*, the University student newspaper, after serving as news editor for two semesters.

The House and Annex look better every day. With the help of the University, major repairs to the Annex roof have been completed, and the stonework around the House is to be repointed this summer. Both buildings are in their best physical condition in many years.

Jerry Miller '80, "E"

Long Beach

Marathon softball game and everybody wins! At this year's annual softball game, the Alumni and Actives fought it out for 15 innings, finally ending in a 5-5 tie.

The atmosphere was casual yet competitive throughout the game. The game not only offered recreation, but gave everyone a chance to get together for a good time.

Following the game, a picnic provided time for the alumni and actives to get together, exchange stories, and renew old friendships. The entire day served as an excellent tool in bettering relations and renewing the alumni interest in the house.

Marquette

The spring semester for the Brothers of Delta Chi at Marquette U. was greeted with gusto. Beginning with Greek Week, the fraternity that made Milwaukee famous once again displayed our undying spirit. Among the activities, we captured second place in men's broom hockey, and beer chugging. Also, our Little Sisters took second place in women's broom hockey.

The chapter has been very active in intramural activities this spring, competing fiercely in basketball, volleyball, and bowling.

Thanks to the hard work and dedication of the brothers here, our house is beginning to look better all the time. Our latest improvements include new panelling for the basement, and new carpeting in various places.

Our Little Sisters combined their artistic talents to make an attractive family tree design, tracing the lineage of our chapter.

Our annual spring dinner dance was held this year in the company of the Oshkosh Chapter. Topping off this evening of pleasure was the crowning of Joann Hughes as our new sweetheart.

We are sorry to lose Fr. F. Landwermeyer, who will be leaving Marquette U., as our fraternity advisor. However, we welcomed **Rick Turpin** and **Carl McGowan** as our new advisors.

Miami

We have had a good second semester here at Miami so far. It got off to a good start as **Bob Graham**, our "BB" was selected to be the Regent of our region at our Regional Conference at Ohio State. And we are looking forward to hosting the conference next year.

Continued on page 13

On Campus

Continued from page 12

Intramural activities were pursued actively this winter and spring as we had teams in basketball, volleyball and softball. All of the teams except the basketball team claimed winning records and two of our volleyball teams made it into the playoffs. We also had a five man golf team represent the house in an inter-fraternity golf tournament and finished in the middle of the field.

We just activated 22 men into the Bond from our winter pledge class. In connection with their pledge projects and their activation the new men made some improvements on the outside yard by planting some grass and trimming around some of the shrubbery, making the outside look nicer. Next year we have plans of putting up some trees and more shrubbery. We also added some new living room furniture to our television room and it added a nice touch to that room.

We also had a successful Spring Rush taking nine new pledges with a lot of enthusiasm to help the house next year. Next year we have made plans with the local city officials to clean up one of the local parks. If this service project works out well we plan to make the service project an annual or semi-annual event.

John Rackliffe, "E"

Michigan State

Uncompromising our "pursuit of excellence" the Michigan State Chapter announces proudly that we continue unchallenged as the largest fraternity on campus with 85 actives and 20 pledges.

Our intramural program rates as one of the best. Placing high in all intramural sports, our basketball team won the all-fraternity championship and our hockey team went undefeated for the season. Our potential for the Spring Term should lead us to the top placing in tennis, track and softball. A new program for spring term is co-recreational softball with our Little Sisters participating, which is sure to be a fun time.

Being service oriented this year, we collected money for the American Cancer Society and had a strong turnout of blood donors in the last blood drive. We assisted public service station WKAR TV in their annual fund raising auction. The Special Olympics, to be held at M.S.U. this year, will receive the help of all our pledges.

Numerous house improvements have been completed this year including a new roof and a new ceiling in our living room. The bar has been rebuilt into the alumni room with composites and awards received over the years. A dark room with equipment, most of which was donated by Brother **Dirk VanDeGraaf** has been added for the camera buffs.

Our 5th Annual Alumni Father-Son Golf Outing is coming up, and we are looking forward to a good Alumni turnout.

Chi Delphia continues to be ever strong. Following a very productive rush, where over 160 girls rushed the house, 38 young ladies were pledged into the order.

As Greek Week draws near, every one is working hard preparing for their individual events. Again the chapter is sponsoring Road Rally and Wrist Wrestling.

Bob Tillotson, "E"

Mississippi State

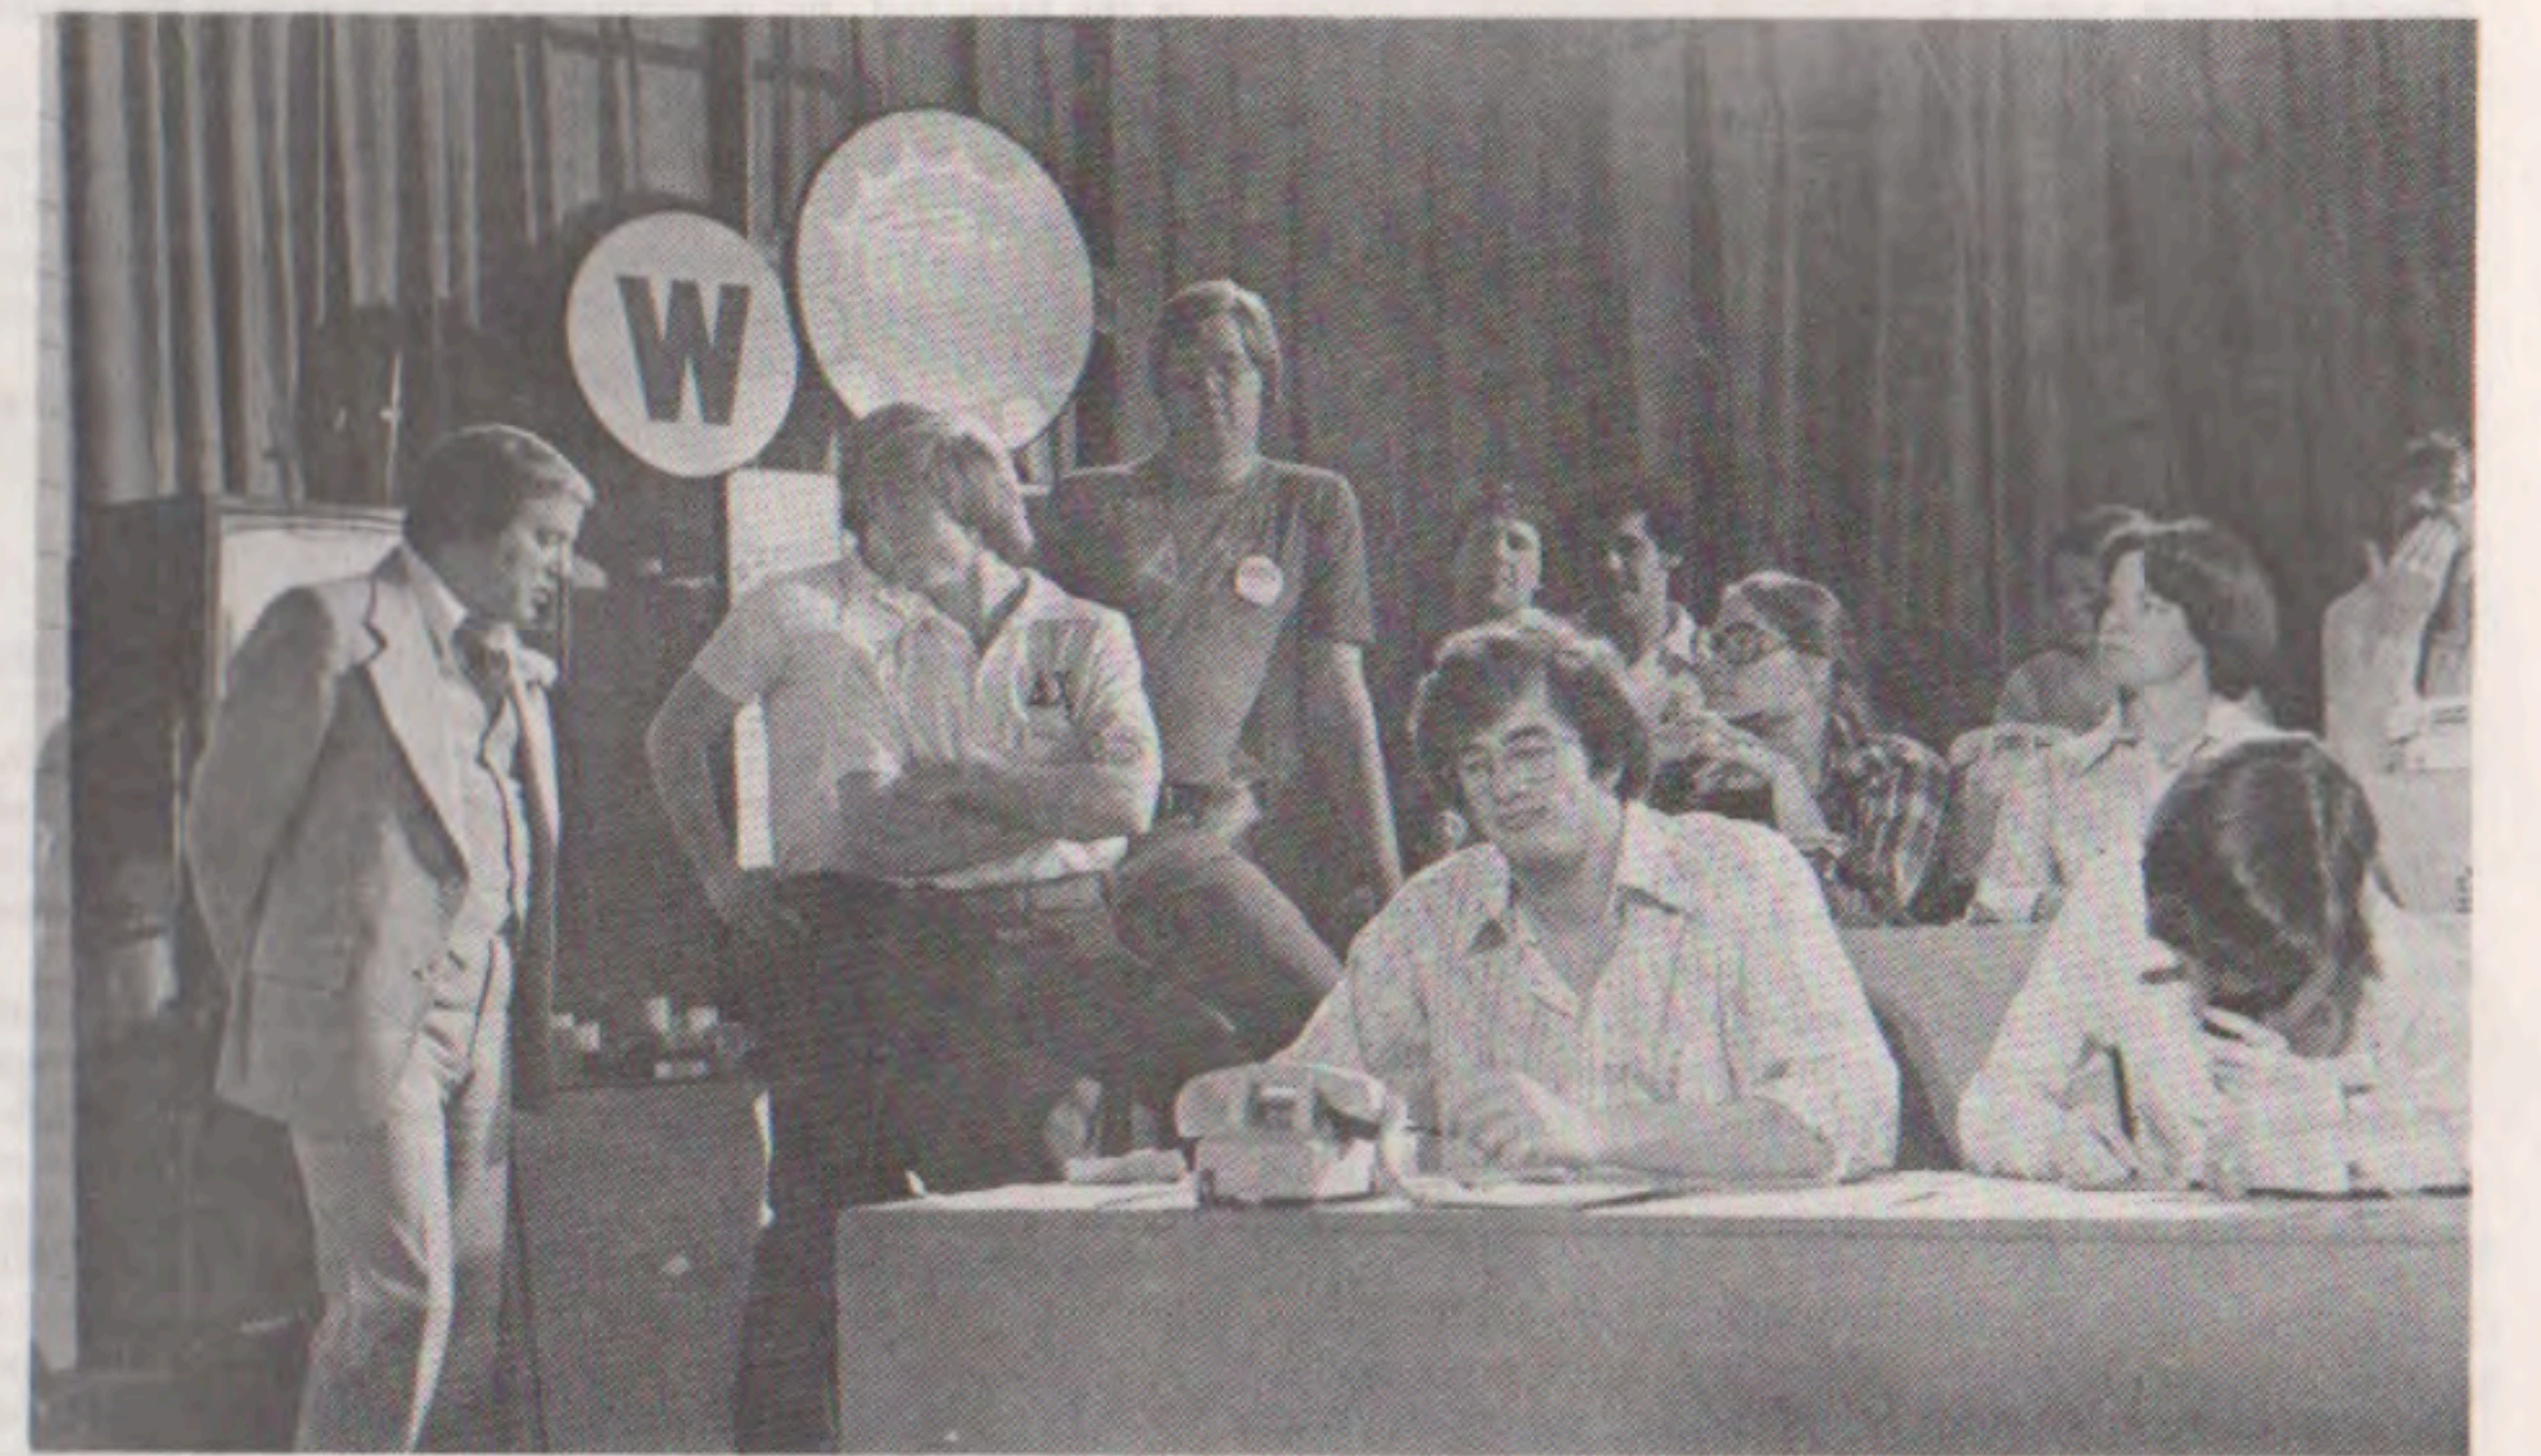

The semester began with our traditional "Work Week" in which we made many improvements both on the house and on the property. Work week coincided with the initiation of five brothers into the Bond. Also, four Little Sisters were initiated into Chi Delphia. This semester our chapter has become more involved on campus with the initiation of several brothers into various honor fraternities such as: General Scholastic—Phi Eta Sigma, Alpha Lambda Delta, Gamma Sigma, Gamma Sigma Delta, and Phi Kappa Phi; Business—Pi Sigma Epsilon; Professional—Phi Tau Sigma, Omega Chi Epsilon, and Tau Beta Pi; Leadership—Omicron Delta Kappa, Blue Key, and Order of Omega. The chapter itself received an award for 30 per cent of our brothers attending our University's 100th birthday, the only fraternity on campus to do so.

The chapter also got involved in the community with a service weekend getting under way with our participation in a Muscular Dystrophy Basketball Marathon. That Sunday we also collected almost \$400 for the American Heart Fund and had Chapter Church. We as a Fraternity are now a member of the Starkville Chamber of Commerce.

This past year has seen the reorganization of the Alumni Board of Trustees. Several brothers enjoyed a midnight swim in Eckie's Pond in early February.

Our annual Red-Buff softball game was held in April with the Buffs outclassing the Reds. The following weekend the Buffs enjoyed the rewards of winning the game. That same weekend we had an Alumni Reunion Party and supper with "yardbirds" being the main course.

Jay Tharp, "E"

Pictured here are some brothers from the Michigan State Chapter assisting public service TV, WKAR in their annual fund raising auction.

Missouri

On April 8 the brothers at Missouri were re-chartered. We were very proud of this because it represented a lot of work and dedication. Many Alumni and National officers were present including **J. Nick Gray "AA"**, **Larry Audlehelm**, **David Rudeen**, **Ray Galbreth**, and **Joe Bivert** the first "A" of the old chapter. Brothers were also present from many other chapters and we wish to thank them for their presence.

On March 19 we initiated, with the help of the Creighton Chapter, four pledges into the bond. We already have some men pledged for next year and are looking forward to a strong rush.

Our intramural bowling team took first place with an average of 210 per man. Brother **Dave Eldridge** took third place in the SigEp Superstars. We are looking forward to a better record next year.

Montevallo

The semester started with the activation of four men into the Bond and four new girls into the Chi Delphia.

Our service projects this semester included a trash pick-up for the City of Montevallo, a sidewalk drive for the Heart Fund and a student poll to determine the outstanding varsity basketball player.

Intramurals are going well, as we placed first in racquetball and are in first in softball. We did well in Greek Week water events, winning the swimming relay and placing second in the freestyle.

Scholastically, two of our brothers, **Steve Acre** and **Steven Condrey**, were initiated into Omicron Delta Kappa.

The semester ended with the traditional "Pig Roast" and the White Carnation Formal.

Northeastern

Spring in New England always arrives on a wave of anticipation that overcomes us all once all the snow finally melts. The Red Sox are off to a winning start as are the brothers of Delta Chi Northeastern. Elections were held for the two openings on the Alumni Board of Trustees which were filled quite adequately by Brothers **Thomas Saulnier** and **Charles Bamberg**.

As chairman of this year's seventh anniversary of our chartering I would like to report that anniversary once again was an overwhelming success with many Alumni and wives in attendance. The celebrations offered our new officers a chance to get together with Alumni who held the same offices in the past with the outcome being a closer bond between alumni and brothers. Anniversary also issued in the new 1978 Delta Chi Sweetheart the pretty Miss Carol Humphries escort of Brother **William Ahern**.

The spring quarter will include many activities to keep the Northeastern brothers busy with Greek Week festivities approaching. Spring softball, once again beckons the Delta Chi nine to take the field in quest of our first softball title in years. Coach Ahern has been heard to say privately that he is pleased with this year's squad. The brothers and pledges will hold a fund

raising car wash with the profits going to our favorite charity, on May 20.

Let me close out by again extending a warm welcome to any of our brothers who will be in the Boston area in the following summer months to stop on in and say hello.

Robert M. Turecek, "E"

Northwest Missouri

Carloads of brothers, Chi Delphians, and alumni flocked to Kansas City April 15 for Spring formal. Like always, the annual event was a terrific success and well-attended. Everyone wine, dined, and got crazy in the luxurious Marriott Hotel at K.C. International Airport.

During the evening's dance, several awards were presented. Shirley Estes was named Delta Chi Sweetheart, **Rick Bowers** was elected the chapter's Outstanding Senior, and **Tom Yepsen '76**, was presented with the Outstanding Alumni Award.

The brothers voted to establish an annual scholarship in memory of **Gary Whigham**, a brother who died in an automobile accident March 13 at the age of 23. The scholarship will be awarded every spring to the active who acquired the most-improved grade point average during that academic year.

Once again, the brothers at Northwest Missouri held a swimathon, with all the proceeds going to the Nodaway County Sheltered Workshop.

In an effort to make some improvements on their house which they purchased in 1971, the brothers plan to hold two work weekends this summer.

And finally, the men of Delta Chi extend well wishes to **Byron Augustine**, faculty advisor and "BB" at Northwest since the chapter's inception nine years ago. Byron has accepted a position in the geography department of Southwest Texas State. We can't thank Byron enough for all those years of unselfish dedication.

Ohio State

Winter quarter was highlighted by our Winter Formal, where Ingrid Diederer was crowned Carnation Queen.

Spring quarter got off to a great start with the formal pledging of three men, and four new girls were activated into Chi Delphia.

We are currently participating in intramurals with a first place finish in basketball and two softball teams heading toward the tournament. We also have a bowling team and a soccer team competing. Everyone is getting excited and preparing for Greek Week, Spring Weekend, and a raft trip down the Cheat River in West Virginia. Several alumni will join the brothers on this adventure.

Seven brothers were treated to a steak dinner for their scholastic achievements, and the house continues to improve overall. Brother **Mark Cross** has been elected to the Honor Society of Phi Kappa Phi. Two other brothers have been appointed to Junior Interfraternal Council, also Brother **Mike Downing** has successfully concluded his term as I.F.C. president.

Continued on page 14

On Campus

Continued from page 13

The quarter was concluded with the annual Alumni Golf Tournament in June.

Chris Merklin "E"

Oklahoma State

"Very Successful," are the words used to describe the Spring Semester for Delta Chi. With the initiation of the Fall and Spring Pledge Classes our house was filled to the capacity of 68 members for the Spring Semester. On a more musical twist the Men of Delta Chi competed with the women of Zeta Tau Alpha in the Annual Spring Sing Show, held during Moms Weekend.

As the Greek System becomes more community conscious with the affairs of the City of Stillwater, Delta Chi does its part. "The Delta Chi Great Race for Cancer" was organized by Brothers **Paul Harris**, **Ross Shoemaker** and **Jerry Smith**. The event was brought about to raise funding for the "Oklahoma Cancer Crusade." Three events were held with over 20 teams competing in each event. A large amount of money was raised for the crusade besides the great deal of fun they had competing in it. Delta Chi ranked fifth over all in Fraternity sports, having done well up to this point and expecting our track team to do even better.

Individual honors that were captured by Delta Chi's on campus this year were Brother **Jay Hefner**, elected to Student Senate; **Phil Ivers** serving on the board of student publications, and **Mark Kirkpatrick** elected to the Blue Key Honorary.

Leading Delta Chi in executive positions next year will be **Mike Platner "A"**, **Randy McDaniel "B"**, **Greg James "C"**, **Mark Dean "D"**, **Steve Hopper "E"**, and **Danny Haynes "F"**.

As the Spring Semester closes and shortly draws to an end we look forward to another "very successful" rush and New Fall Semester.

Randal Kinnear "E"

Oregon State

Winter term ended on a good note with the all-house grade average moving up considerably over the previous terms. We now have our sights set on the top five for spring term.

The 1978-79 Delta Chi Campus calendar promises to be of top quality after we recently picked the calendar girls for the upcoming edition. Despite the adverse publicity about the Delta Chi "meat market" calendar and innuendos eluding to our calendars as just another *Playboy*, we had a record number of girls trying out. This will be the 14th year our chapter has produced the calendar.

Spring term began with the initiation of four new brothers into the Bond. This makes a total of 15 new members so far this year. With a good rush this summer, we can easily be one of the strongest fraternities here at O.S.U.

Tom Box, "E"

Oshkosh

The semester started with a full hearted effort to win the tug-of-war competition of the 1978 Winter Carnival. We celebrated by taking second in the Chug-a-lug.

The intramural bowling team finished with a 35-5 mark and it was good enough for second place and yet another trophy for the house. The softball team did not fare as well, although they did have a great time playing in 40 degree weather.

Greek Week turned out to be a lovely surprise. The brothers and new pledges pulled together to amass first place finishes in rope pull, gunny-sack race, and balloon toss. Couple that with thirds in the three legged race, pyramid building, and ½ barrel toss, and a second in team chug, and you have an overall second place finish.

Spring Formal was held in conjunction with the Marquette Chapter. Elizabeth Van Lanen was crowned sweetheart for 1978.

Purdue

The spring semester of '78 featured many new changes. On February 1, "BB" **Tom Bauch** became our new house father and has since moved in. Improvements such as a new piano, pool table, and a rebuilt patio will add to the beauty of the house next fall. New faces will also appear around the house with the activation of 18 men into the Bond and nine women into Chi Delphia.

The highlights of the semester were the annual Spring Dance and Purdue's prestigious Grand Prix Race. Besides good times for all at the Spring Dance, the special attraction was the crowning of Pam Kirby as chapter sweetheart. Delta Chi's entry in this year's Grand Prix, the 351 Fun Club Special V, fared well

in the race; but, future prospects look good with the recent purchase of a new go-cart.

Scholastically, four of our newly initiated brothers were received into Phi Eta Sigma, Purdue's freshmen honorary for men. Besides our regular contributions to needy organizations, other service projects this semester included volunteer work groups for the American Cancer Society and participation in the Muscular Dystrophy Association's walk-a-thon.

Rick Hill "E"

Southeast Missouri

The Southeast Missouri Chapter has had a very successful spring semester.

In February, members of the SEMO Chapter were guests of the Iowa State Chapter at the annual Regional Leadership Conference. **Ray Galbreth, BB**, was elected as new regent for Region 4. SEMO was also presented the attendance award at the conference.

On April 14, Delta Chi sponsored the first Miss Southeast Missouri State University Pageant. Miss Pam Alcorn was crowned queen and will now advance to the Miss Missouri Pageant. Special guests included Miss Iowa and Miss Missouri. Following the pageant, a dance and queen's reception was held.

The second White Carnation Formal was held on April 28 in which all brothers and guests shared a good time. Awards for outstanding achievement were also presented at the formal. **Brad DePriest '78**, was selected as Chapter Luminary. Brad has served as "A", "C", and "E" since pledging Delta Chi. **Glen Harde mann** was selected as associated member of the year and **Charlie Nenninger** received honors as outstanding athlete of the year. Miss Alice Abbot was crowned as Delta Chi Sweetheart for the 1977-78 year.

During April and May, seven new members were initiated into the brotherhood. Future plans include comprehensive summer rush and extensive house remodeling.

Dan Montgomery "E"

Southern California

This spring got off to a fantastic start with the activation of six men into the Bond and six other men beginning as pledges. The house membership has doubled in the last year and we are looking forward to expanding further in the fall.

At our Alumni Banquet, we were honored to have Robert Mannes, the Dean of Student Life at U.S.C., as our guest speaker. Dean Mannes offered us much encouragement which delighted not only the active chapter, but also the many alumni who attended the dinner.

In sports, we are doing very well as we just captured second place in tennis doubles and are currently undefeated in softball competition.

In campus activities, five brothers are hoping to represent Delta Chi and U.S.C. in the Knights and Squires service organizations. Our major house activity was a Spring Car Wash in which funds were raised for house improvements.

Who says that the Trojans and Bruins don't get along? Well, we will try to dispel that myth at our upcoming party with the Sigma Kappa sorority at UCLA.

Elsewhere, we would like to give special thanks to the Arizona Chapter for their fine hospitality at the regional conference in February. Thanks also goes to their fine choice of women at the big party which followed the dinner banquet. At the banquet, we were proud to accept the award as the largest out-of-state delegation at the conference.

Glenn Wilk "E"

Tri-State

Since the last article, the brothers at Tri-State University have initiated three more men into the Bond.

We have held many service projects during the school year. These include carving pumpkins for the residents of the Lakeland Nursing Home, playing bingo with the residents of the Angola Nursing Home, helping the Boy Scouts with two paper drives, and we ran the WMEE-Penguin Point Multiple Sclerosis Bike-Hike in Angola.

Scholastically, our chapter ranked first in the fraternal system again. Also, three brothers were elected to offices on the Interfraternity Council.

April 21-23 was our Alumni Weekend. **Don Snyder** was elected Alumnus of the Year and **Bob Armstrong** was elected Chapter Luminary. Forty-five alumni came back for the festivities. Many improvements were made to the house before this weekend. They included refurbishing a sofa and chair, repainting and paneling the front entrance, and we repainted the kitchen.

In sports, **Ted Cain** was named most valuable player for the basketball team. During the Winter Carnival, we placed second in the snowman building contest and third in the sled race. Also, our snow sculpture won best overall.

Ted Cain "E"

Troy State

Our quarter began with a lot of transitions as new officers were elected, three men initiated into the Bond, and 20 White Carnation Girls were chosen as Beverly Jones was re-elected Sweetheart.

The annual Beach Party which was held in Gulf Breeze this year and our famous "Luau" party were the highlights of the quarter. We also enjoyed another victorious challenge at Greek Week.

Candidate for governor, Sid McDonald, took time out of his campaign to stop to talk to our chapter on May 9.

We are currently leading in points to take the All-Sports trophy this year as we have taken first in football, third in basketball, and look forward to a good season in softball.

Brother **John Destito** was awarded the Oxford University Summer Seminar Scholarship and will attend Oxford University this summer. We had a brother initiated into Omicron Delta Kappa leadership organization and another brother elected to the cheerleading squad.

We took a clean sweep in politics, as **Keith Wells** was elected President of the Student Government, **Pat Archer** to Clerk, and Little Sister **Lisa Sharpless** won Secretary. **John Stark** is now the Interfraternity Council President and Union Board President.

Sports

and

Delta Chi

Connecticut

Steve Cappezzone

An athlete of many facets and numerous talents, Steve is involved in two of the University's athletic programs. A member of the track team and currently training for fall football Steve displays ably his Connecticut Pride.

Jack Toran

A new initiate, Jack is a member of the Lacrosse team. With the '78 season concluded, Jack will represent a threat that all opponents will be forced to respect in the upcoming season.

Duane Doughty

Also a new initiate, Duane is a member of the track team. After hard work for months he received his return in a fine '78 spring season.

Illinois

Paul Marsillo

Paul Marsillo, sophomore, led the Illini in batting last year with a .346 average, the first freshman ever to do so. He also had 19 stolen bases, the third highest in Illini's history. Paul is the starter at second base.

James Oros

James Oros is Illini's shortstop who earned a .303 average last year. Jim also was second in RBI's for the team with 16 for the year. Jim is a sophomore in LAS.

Robert Renaud

Bob Renaud is a sophomore in biology pre-med. He is one of the top Illini pitchers and has been called to action in many games already this year.

John Peach

John Peach, a senior, has played for the Illini in both football and baseball for the past four years. He plays centerfield and received the Most Valuable Player Award for the Illini last year. John led the team in games played, at bats, doubles, home runs, and stolen bases.

Kurt Steger

Kurt Steger played first base and was also one of the Illini's starting pitchers. Kurt also starred on the Illini football team as the Number 1 quarterback for the past three years. Kurt is now a senior majoring in psychology.

Mike Boehler

Mike Boehler is a senior in agriculture economics. He has lettered twice in baseball as a pitcher. He has especially helped the Illini with his relief pitching this season.

Andy King

Andy King, senior in Business Administration Marketing, is presently a member of the University of Illinois Golf team. Andy is a former captain and has been a member of the squad for four years. Andy also qualified and played in the U.S. Amateur golf tournament last year and will be playing in the Radix Cup Team this summer.

Iowa State

Paul Curtis

Paul was honored this year by receiving the Iowa State University Athletic Council Scholarship Award. He has been on the varsity team for the past three years and is an honor student with plans to attend law school.

Jim Kilmer

Jim is a 190-lb. wrestler on the Iowa State squad. He finished this year by being victorious in four out of five matches. Jim keeps in shape by running, lifting weights, and wrestling with All-American Frank Santana. He is currently the chapter "F" and is majoring in Health Education.

Dick Milburn

Dick has been a varsity wrestler at Iowa State for three seasons. He has wrestled in both the 134- and 142-lb. class. Dick is majoring in Industrial Education and coaching and is minoring in math.

Lehigh

Tennis is a tradition at the Lehigh Chapter of Delta Chi. **Bradley Wyckoff**, '80, carried on the tradition this spring, rising to the top of Lehigh University's varsity tennis team. Brad followed the footsteps of several other brothers, including his coach, **Jack Ridge** '77. **Ernie Dianistasis** '78, a former tennis team member, will become coach of the junior varsity team in the fall.

William Knisely '78, brought recognition to the chapter this winter as captain of the University swimming team. Bill helped guarantee swimming's place at Delta Chi by assisting in bringing two pool-minded Associate Brothers to the house.

Northwest Missouri

The Brothers at Northwest Missouri are lucky to be well represented in various spring sports at the university. Leading the way in the varsity ranks is Brother **Tim McGinnis**, who was voted the Most Improved Wrestler and Most Valuable Wrestler for his efforts during the 1978 season.

McGinnis, who won his fourth letter as a Bearcat grappler, finished the year with a 21-5 record and top honors as a heavyweight in the Missouri Intercollegiate Athletic Association. One of the top eight finishers in the NCAA Division 11 tourney, he plans to teach and coach upon graduation.

Brother **Craig Bushbaum**, a spring of '78 initiatee, was also a wrestling letterman. The 158 pound junior compiled a 7-3 mark, despite spending most of the year on the sidelines due to neck and knee injuries. He finished second in his class at the Kohawk Tournament in Cedar Rapids, Iowa early in the year.

Brother **Phil Jardon** also took time out from his duties as "D" to compete on the varsity wrestling team.

On the tennis courts, Brother **Rudy Zuniga** is lettering for the third year as a member of

Continued on page 17

Mark Peterson and Scott Carter of the University of Washington Husky Crew.

Andy King of the University of Illinois golf team.

Chuck Geier of the Southeast Missouri varsity track team.

Delta Chi bikers peddle way to high 'Little 500' finish

Though rated about fourth in pre-race odds, the well trained Delta Chi team was pedalling smoothly in first place with less than 20 laps to go in DePauw University's Little 500 bicycle race. Then misfortune struck on the 141st lap when one of Delta Chi's riders suffered a fall. This permitted the Beta team to take the lead but the red and buff recovered to place second ahead of favored Sigma Nu.

The race was dedicated to the memory of Anton (Tony) Hulman, longtime president of the Indianapolis Motor Speedway, who died last year.

Meanwhile, down the road in Bloomington, the Indiana University Delta Chis, defending champions in the race at that school, were involved in early wrecks and mishaps during bike exchanges but moved up to finish tenth in a large field.

Alumni News and Notes

Abracadabra

Leon Kaufman '64, is Professor of Nuclear Medicine at the University of California Medical School in San Francisco. As one pre-eminent in his field he chaired the United States Delegation at an International Medical Convention held last year in Moscow, U.S.S.R.

Dan Billings '77, gained a position as a sports newscaster with San Francisco Radio Station K.S.F.O. While a major in Communications at Cal, Brother Billings played a critical role in putting Abracadabra of Delta Chi on its feet after a six-year absence.

Vincent Casalaina '68, is directing the PBS National Television Program "Over Easy" starring Hugh Downs. The program is produced in San Francisco.

J. Gustav White '06, has written a pamphlet on Antique Wit and Wisdom Bits called "Laughing with Oldsters." At 96 he continues to write for the daily newspaper.

Central Missouri

Kevin Cole '70, is a restaurant manager for a Holiday Inn.

Columbia

George Cooley '28, is an Architect and A.I.A. Emeritus.

Cornell

Eugene Stephens III '77, is in the first year

Frank Jantac '30, L. Orville Edlund '33 and Clyde Andrews, Jr. '30, on a Nassau / Freeport Cruise last April.

of a two-year MBA program at Wharton School of Business, University of Pennsylvania.

Connecticut

John Martocci '68, served as finance chairman of the Sammy Davis Jr. Greater Hartford Golf Open (GHO) for 1977. The event is sponsored by the Greater Hartford Jaycees.

Denison

Neil Fackler '76, attends the Graduate School of Business at the University of Chicago where he will be a candidate for a degree of MBA in June 1978. Also "A" side wing for the University of Chicago Rugby Club.

Edwardsville

Thomas Miller '73, is manager of Trumbull Asphalt Refinery. *Continued on page 18*

Sports and Delta Chi

Continued from page 15

the Bearcat netmen, who have captured the conference crown every spring since Rudy's arrival. At the conference meet, Zuniga has been a runnerup twice in singles and was half of the winning doubles team in '75 and '77. Thus far this season, Zuniga's up to his old form with a 10-2 singles record and a 10-0 doubles mark.

Only a sophomore, Brother **Kevin Moore** has established himself as one of the top three men on the NWMSU golf squad. A business management major, Moore's '78 season has been highlighted by a second place finish at the Missouri Western State University Invitational at St. Joseph, where he fired a 76.

Another sophomore, Brother **Shawn Geraghty**, is also a member of the golf team. Geraghty, who is a record-setting field goal

kicker during the fall, has joined the varsity linksmen for the first time this spring.

Along with Geraghty, Brother **Dan Brewer** has made it through rigorous spring football workouts. One of the two will handle placekicking chores next fall on the gridiron.

Oklahoma State

Competing on the Oklahoma State Rowing Crew Team is **Bill Marckesoni**.

Southeast Missouri

Chuck Geier '79, is a founding father of the Southeast Missouri Chapter. Chuck has been on SEMO's varsity track team for three years and has won first place honors at various local and regional meets in the javelin competition.

Troy

Our chapter has two Brothers on the baseball team this year. **Mark Murphy** is an outfielder and **Mark Cleveland** a pitcher. Both are enjoying a fine season.

Brother **Eddie Sullivan** is on the track team as a pole-vaulter. He currently holds second place in the Gulf South Conference.

Washington

The University of Washington boasts one of the best rowing teams in the nation. The team practices almost year round and travels all over the world to compete against other crew teams. Brothers **Scott Carter** and **Mark Peterson** are members of the Husky Crew. Although both are freshmen this year, they have an excellent chance of competing in the varsity lightweight boat next year.

Alumni News and Notes

Embry-Riddle

Dennis Gerle '73, is a jet pilot for the United States Navy. Lt. Gerle will be serving in Texas as a jet pilot instructor.

Patrick Phelan '72, serves as Treasurer for A. D. MacKay, Inc.

Howard Sherman '76, graduated from USAF undergraduate Navigator Training in September 1977 and is currently in USAF Electronic Warfare Training.

Florida

John Fickling '50, ordained an Episcopal Minister March 31, 1974, is serving as a nonstipendary assistant minister in St. Stephen's Parish and the Central Berkshire Area Ministry.

Russ Bobo '70, has formed a new law firm in Tallahassee, FL, MacFarlain & Bobo.

Kevin Lyles '78, is presently in Naval Flight Training at Pensacola.

Ken Brasted '35, Executive Director of Delta Chi 1967-1975, has retired from his position with Ambassador College, Pasadena, where he was Professor of Public Relations and Chairman of the Mass Communication Department. His wife, Margaret Ann, has also retired from her post as Assistant Professor of Business Administration and Director of the Office Administration Area (shorthand, typing, etc.). They will continue to live at 421 E. Live Oak, Apt. 109, San Gabriel, CA 91776. Ambassador College has moved its undergraduate division back to Big Sandy, Texas, which was where Dr. and Mrs. Brasted first affiliated with the college upon Ken's resignation from Delta Chi.

James W. Jones, Faculty '73, is a sales accountant for the IBM Corporation in Statesboro, GA.

Florida State

Joseph Blunk '65, moved to Houston in September 1977 with promotion to Personnel Programs Manager at IBM's Federal Systems Division in Houston, TX. The Houston facility supports software for the Space Shuttle Program.

Gannon

Ronald Mertz '73, is a tank trailer salesman.

Charles Phillips '65, was Manager of Business Analysis and is now Controller, Eastern Hemisphere Operation, Pullman Kellogg Stadium Way Wembley, Middlesex, England. He is planning to be in London for a few more years before returning to Houston.

Raymond F. Borelli '58, business manager in the department of physics of the University of Illinois at Urbana-Champaign, has been awarded a scholarship for the university's Executive Development Program. The award was announced March 9, 1978 by Morton W. Weir, vice chancellor for academic affairs. Borelli was selected by a campus review committee from nine applicants. The scholarship was established in 1976 by the vice chancellor's office. Borelli will attend five weeks of summer classes, three in 1978 and two in 1979. The program is offered by the Executive Development Center in the UIUC College of Commerce and Business Administration. The program is designed to develop insights and skills needed to manage large organizations. Corporation executives from throughout the United States enroll in the program, for which tuition is \$3,250. Borelli's scholarship covers this fee. He joined the University staff in 1965 as a part-time student and full-time employee, and in 1976 earned a master of business administration degree. As business manager of the physics department, he is responsible for supervision of non-academic personnel; for management of department fiscal matters including purchasing, grants and contracts, and for the improvement of administrative services. He also serves as affirmative action officer for the department.

Illinois State

Terrence J. Donlon '77 is now employed as a boss control engineer for Sentry Insurance.

Indiana

The Vesper Memorial Hospital of San Leandro, CA has named the operating suite for eye surgery, the John R. and Arthur F. Steinmetz operating theatre for

Continued from page 18

eye surgery in honor of **Arthur F. Steinmetz M.D.** '29.

The Educational Foundation

The Delta Chi Educational Foundation has long been concerned with the identification of multiple means for both encouraging superior academic achievement among members of the Fraternity and providing vehicles or programs which can act as catalysts in "assisting" members of the Fraternity "in the acquisition of a sound education."

Over the past years we have concentrated on the first of these—the recognition of superior academic achievement—through a series of chapter, regional, and national awards. We intend to continue this type of reward program; although the future program may change slightly just as the past programs have evolved over time to their present status.

At the same time we recognize that we have not been as effective as we might have been in providing meaningful assistance to a chapter, a colony, or an individual who wants to *improve* their academic record. In part this is due to a lack of financial resources; in part because the Foundation lacks an "idea bank" from which it can develop one or more programs which can be successfully implemented on a wide variety of campus situations. During the 1978-79 school year the Delta Chi Educational Foundation hopes to be able to implement, at least on a trial basis, a program which will remedy this shortcoming.

In order to build up an "idea bank" from which to construct meaningful and innovative programs, the Delta Chi Educational Foundation is pleased to announce an ESSAY COMPETITION.

A first prize of \$250 will be awarded for the best essay on the following topic:
How the Delta Chi Educational Founda-

tion and the Delta Chi Fraternity can assist in the Acquisition of a Sound Education.

Lesser prizes will be awarded as appropriate. The following rules will apply:

1. **ELIGIBILITY.** Any pledge, active, alumnus member or faculty advisor to a chapter or colony may submit an entry except members of the Foundation's Board of Directors, the Fraternity's Board of Regents or standing committees and full-time employees of the Fraternity.
2. **ENTRIES.** Must be typed and not less than 500 nor more than 3,000 words in length. All entries must be received by the Headquarters Office (P.O. Box 110, Iowa City, IA 52240) on or before Founders' Day (October 13), 1978.
3. **PRIZES.** A first prize of \$250, and lesser prizes as appropriate, will be awarded for the best paper. Prize money will be awarded directly to the author of a winning paper if he is a full time student (graduate or undergraduate) for the 1978-79 school year; or to his chapter or colony if the author is not a full-time student. A prize-winning author of a non-active chapter may designate a chapter or colony of his choice.
4. **JUDGES.** The papers will be judged by the Managing Director and Vice President of the Delta Chi Educational Foundation.
5. **NOTICE.** The judges may decline to award any and all prizes if suitable entries are not received. All entries become the property of the Delta Chi Educational Foundation and may be used or adapted as it deems appropriate, including publication.

SOME FOOD FOR THOUGHT:

Have you ever thought how much your undergraduate fraternity experience has meant? The social confidence you gained from your membership in the chapter; the good times "out on the town" with the Brothers; the joys of victory and the disappointment of defeat playing on or cheering for the Delta Chi team; a safe and comfortable home-away-from-home while at college; the special camaraderie with those we are proud to call Brothers.

The dictionary considers memory to be the retention and recalling images of objects and or situations of past experience. But our memories of Delta Chi are not static, like a photograph. They are fluid and move through time, even as a flame bends and flickers with the invisible movement of the air around. In the words of the contemporary poet Malcolm Muir:

If you should forget that you have lived,
Burning a hole in the universe,
Just remember one candle flame,
One high moment that blazoned your
being once,
And with that moment linger.*

Won't you help the Delta Chi Educational Foundation in making the Delta Chi experience for men in the future as good and deep and memorable as your Delta Chi experience of the past. Your tax-deductible gift will do just that.

* From the poem "Landscape" in the collection of poems by Malcolm Muir entitled *Premature Exits*, American Poets Fellowship Society, English Countries Press, Charleston, Illinois.
