Layout and Design Charlotte Larson

Cover photo: Brothers of the Michigan State Chapter are shown nearing the completion of their effort for the pyramid building contest during Greek Week, 1978. The moment was captured by Eric Samuelson, Michigan State '78. The same photograph is featured on the cover of the 1978 Educational Foundation appeal brochure. Michigan State received the President's Cup as the Outstanding Chapter of the Fraternity during the 1977-78 academic year. The Chapter has also received two consecutive Awards of Excellence.

THE DELTA CHI QUARTERLY

Published quarterly at Iowa City, Iowa, by the Delta Chi Fraternity. Editorial and Business Offices at P.O. Box 110, 314 Church St., Iowa City, Iowa 52240. Second Class Postage paid at Iowa City, Iowa 52240 and at additional mailing offices. Printed by The Ovid Bell Press, Inc., Fulton, Missouri.

ADDRESS CHANGES

Send all notices of address changes to the Delta Chi Headquarters Office, P.O. Box 110, Iowa City, Iowa 52240.

MATERIAL FOR PUBLICATION

All material for publication should be sent to the Fraternity's International Headquarters Office at P.O. Box 110, Iowa City, Iowa 52240. Members are invited to send material concerning themselves as well as other alumni. The editor reserves the right to edit and print all letters to the editor. Suggestions regarding the publication of the *Quarterly* are welcomed.

Winners named at Leadership Conference

Seventy-six undergraduate delegates, representing 29 chapters attended the 1978 Summer Leadership Workshop June 16-18 in Iowa City.

After registering Friday afternoon, delegates met on the banks of the Iowa River for a barbecue. Afterwards, Dave Rudeen, field secretary, and Ray Galbreth, regent, presented a comprehensive slide presentation on the founders and early history of the fraternity.

Saturday morning the seminars got underway. These included: Management by Objectives, Goal Setting, Membership Education, Finance and Rush.

Brother John Elkins, Southern Illinois '63, gave presentations on Management by Objectives and Leadership Development. Expertise also came from four professionals on the University of Iowa Student Affairs staff: Nancy Parker, Dave Crandall, Eddie Peters and Vearl Brumwell.

Saturday night, Greg Hauser, field secretary, led a detailed and informative discussion on the ritual. Many appreciate the special experience of the ritual which ties all Delta Chis together.

Sunday morning, the Awards Banquet was held in the Ballroom of the Union Building. Larry Audlehelm made the long anticipated Chapter Excellence Awards, along with the Most Improved Chapter Award. J. Nick Gray, "AA" then announced the winner of the 1978 President's Cup — and the Summer Leadership Workshop came to an exciting end.

In the Bond

Developing the September issue of the *Quarterly* is typically very rewarding. It is this issue which recognizes those alumni brothers who have contributed to the Fraternity; it is this issue which highlights the excellent performance of select "E"s and "C"s; it is this issue which announces new Board members and, in Convention years, details the election of new national officers. This is also the only issue which is mailed to the entire membership of the Fraternity, whether or not these brothers have maintained a subscription to the magazine. And while this mailing reviews the accomplishments of the last year, my staff and I, along with the volunteer leadership of the organization are looking ahead to the 1978-79 academic year. It is a curious juxtaposition which invariably creates some reverie on my part. So while the rest of the magazine concentrates on past accomplishments, I would like to deal with the coming year and some attitudes which will be more fully developed among our brotherhood in our Pursuit of Excellence.

In late April, the brothers of the Kansas Chapter were kind enough to invite me to their annual alumni weekend. I have attended this fete several times now and always enjoy the program immensely. One of the more significant events is the "A"s report which summarizes the year the Chapter has had. With his permission, I am reprinting here the concluding portion of former Kansas "A" Fred Dunsing's report. It is one of the most stunning analyses of the fraternal commitment I have heard.

"Many of the qualities crucial to a fraternity's continued vitality are the qualities of youth: vigor, flexibility, enthusiasm, readiness to learn. It is an ever renewing system. Perhaps the most important characteristic of the ever-renewing system is that it has built in provisions for vigorous criticism. It protects the dissenter and non-conformist. It knows that from the ranks of the critics come not only troublemakers, but saviors and innovators. If a fraternity becomes more concerned with precedent and custom, it comes to care more about how things are done and less about why they are done. The man who wins

by Larry Audlehelm

acclaim is not the man who gets things done, but the one who has an ingrained knowledge of the rules and accepted practices. Whether he accomplishes anything is less important than whether he conducts himself in an appropriate manner. The body of convention, custom, and tradition, when taken too far, exercises such an oppressive effect on creative minds that new developments crucial to the success of our fraternity may never be brought to life. The number of our men who exhibit some measure of creativity, and the extent to which they exhibit it, depends very much on the climate in which they find themselves.

"We must educate our members for versatility and renewal. If we indoctrinate a young pledge in an elaborate set of fixed guidelines, we are insuring his early obsolescence. The alternative is to develop skills, attitudes, habits of mind and the kinds of knowledge and understanding that will facilitate the growth of the individual members. All too often we are giving our young members cut flowers when we should be teaching them to grow their own. We are stuffing their heads with the products of earlier innovations instead of teaching

them how to do the innovating. In other words, listen to each other, learn from each other, grow together, and inevitably, so will the Fraternity."

Little more needs to be said. We face another year in which we can pursue excellence as individuals and as an organization. The extent to which we dare to be creative and innovative is the extent to which we will share a vigorous and renewing association. The degree to which we listen and care for all our members is the degree of brotherhood and commitment we will experience. Our ability to hear and fairly judge new ideas will be the measure of our commitment to creating a better Fraternity.

Father Lawrence Speice served as faculty advisor to the Gannon Chapter for five years. During the last academic year he asked for permission, and was granted it, to be initiated into the Bond of Delta Chi. Father Speice had this comment after his initiation, "A fraternity is an organizational commitment to brotherhood which is vastly different than any other organizational commitment. A fraternity is a public statement of love." There seems to be no better statement with which to begin another challenging year.

A Special Request

In just over a decade, Delta Chi will celebrate its centennial anniversary. Several special projects are already in the planning stages for that event. Among those projects is the compilation of a definitive work on the history of the Fraternity. To that end, a call for help is being issued. We hope to collect the following:

1. Any information you may have regarding the founding of Delta Chi itself or the founding of your Chapter.
2. Charters from several inactive Chapters are missing. Charters, correspondence and pictures from inactive Chapters are needed.
3. Items of personal memorabilia which are significant to Delta Chi history, i.e., pledge pins, active badges, meeting reports or notes, songs, correspondence with and from national officers, etc.

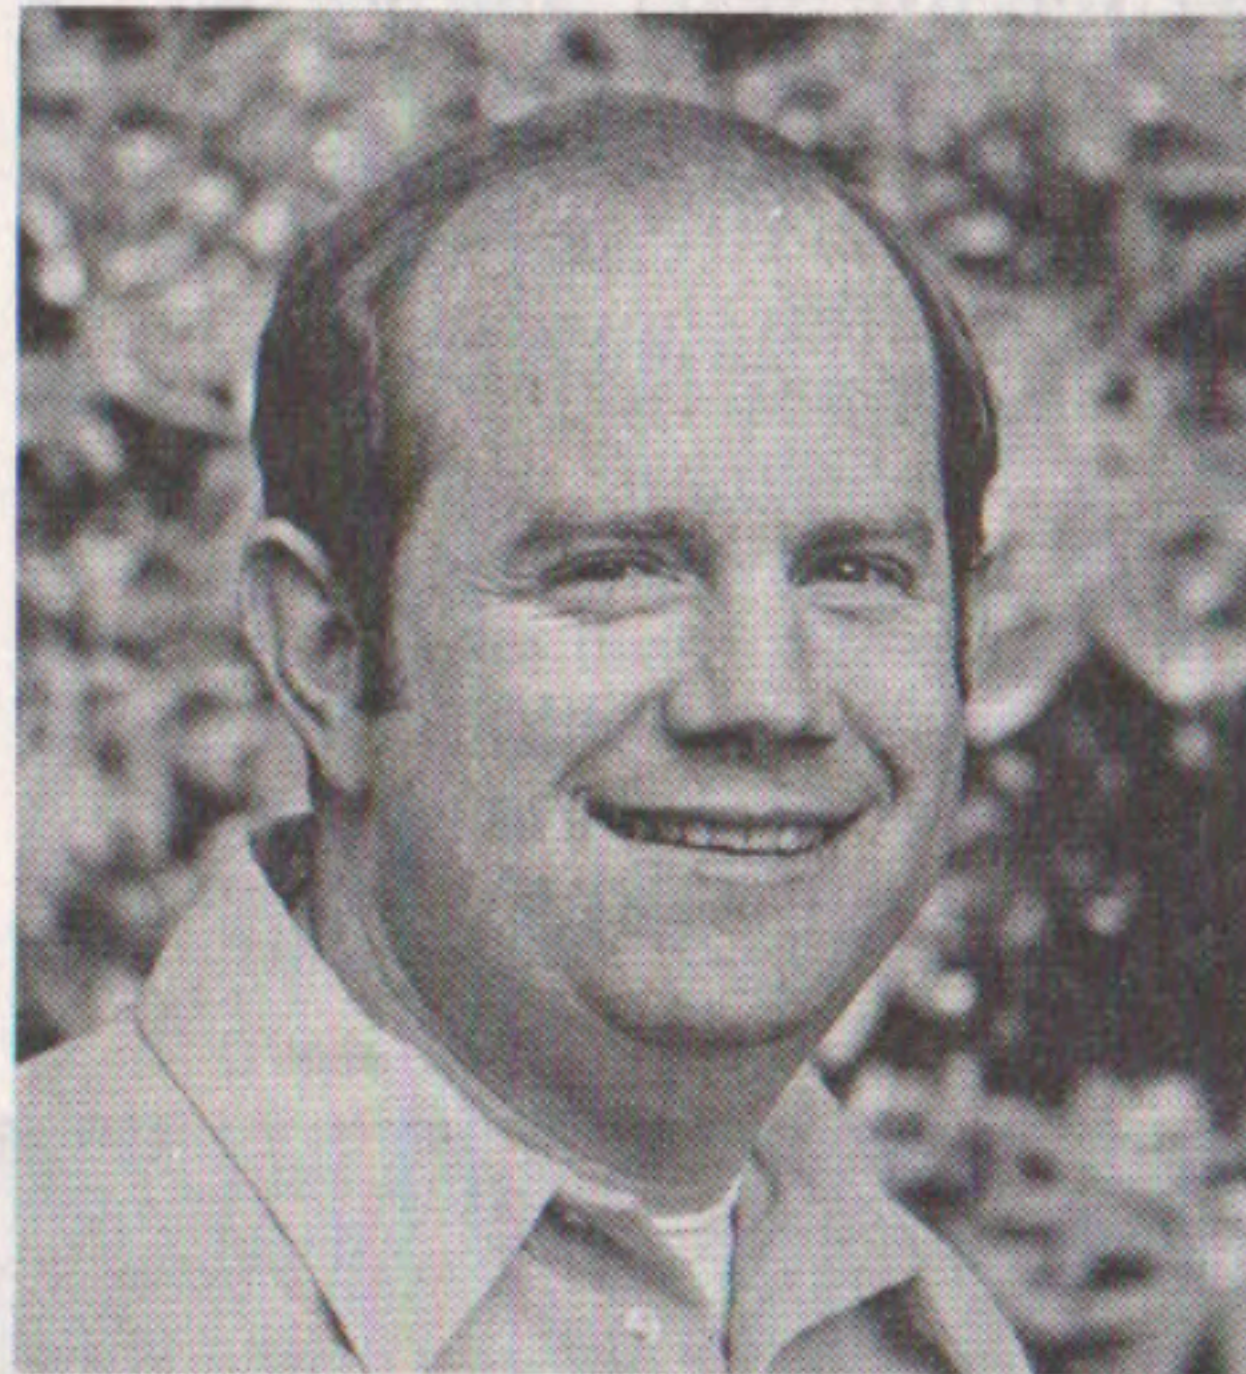

If there are items in your possession with which you do not now wish to part, would you consider sending detailed listings of those items to the Headquarters Office? It appears now that many of the earliest documents and pieces of memorabilia are missing. So the existence of such items will be important to know. If you are not now willing to part with such items, would you consider making them part of your bequest planning?

An attempt is also being made to develop a library of books by and about Delta Chi Brothers. If you have written a book on any topic and would care to donate a copy of it to the Fraternity, your thoughtfulness would be sincerely appreciated. Similarly, if you have volumes that are about Delta Chis, your contribution of that material would be greatly appreciated.

New Regents assume office

**Duties include
visits, directing
management**

At the Regional Leadership Conference in even numbered years, each Chapter and colony is entitled to vote for an alumnus who will represent that Region in the Board of Regents. These men assume office on June 15 of that year and serve a two-year term. Members of the Board are eligible to serve two consecutive terms. These men have answered the call to serve and have assumed leadership positions on the Board of Regents. Along with the Executive Committee, these men are responsible for directing the management of the Fraternity between Conventions. They also visit Chapters in their Region and conduct Regional Leadership Conferences.

Robert P. LaBouy

Region I: Robert P. LaBouy was initiated by the Washington Chapter in 1965. Regent LaBouy is employed by the U.S. Treasury Department in Seattle, where he works as a Program Manager for the Internal Revenue Service. LaBouy returns to the Board after serving as "DD" of the Fraternity for the 1975-77 biennium. He had previously served as "CC" and has been the Regent for both Regions I and II. As an undergraduate, Bob served as chapter social chairman, rush manager and summer house manager. He has been a member of the Washington Chapter Alumni Board of Trustees since 1967. LaBouy has attended every Regional Leadership Conference in Region I or II since 1965, and he has attended four International Conventions.

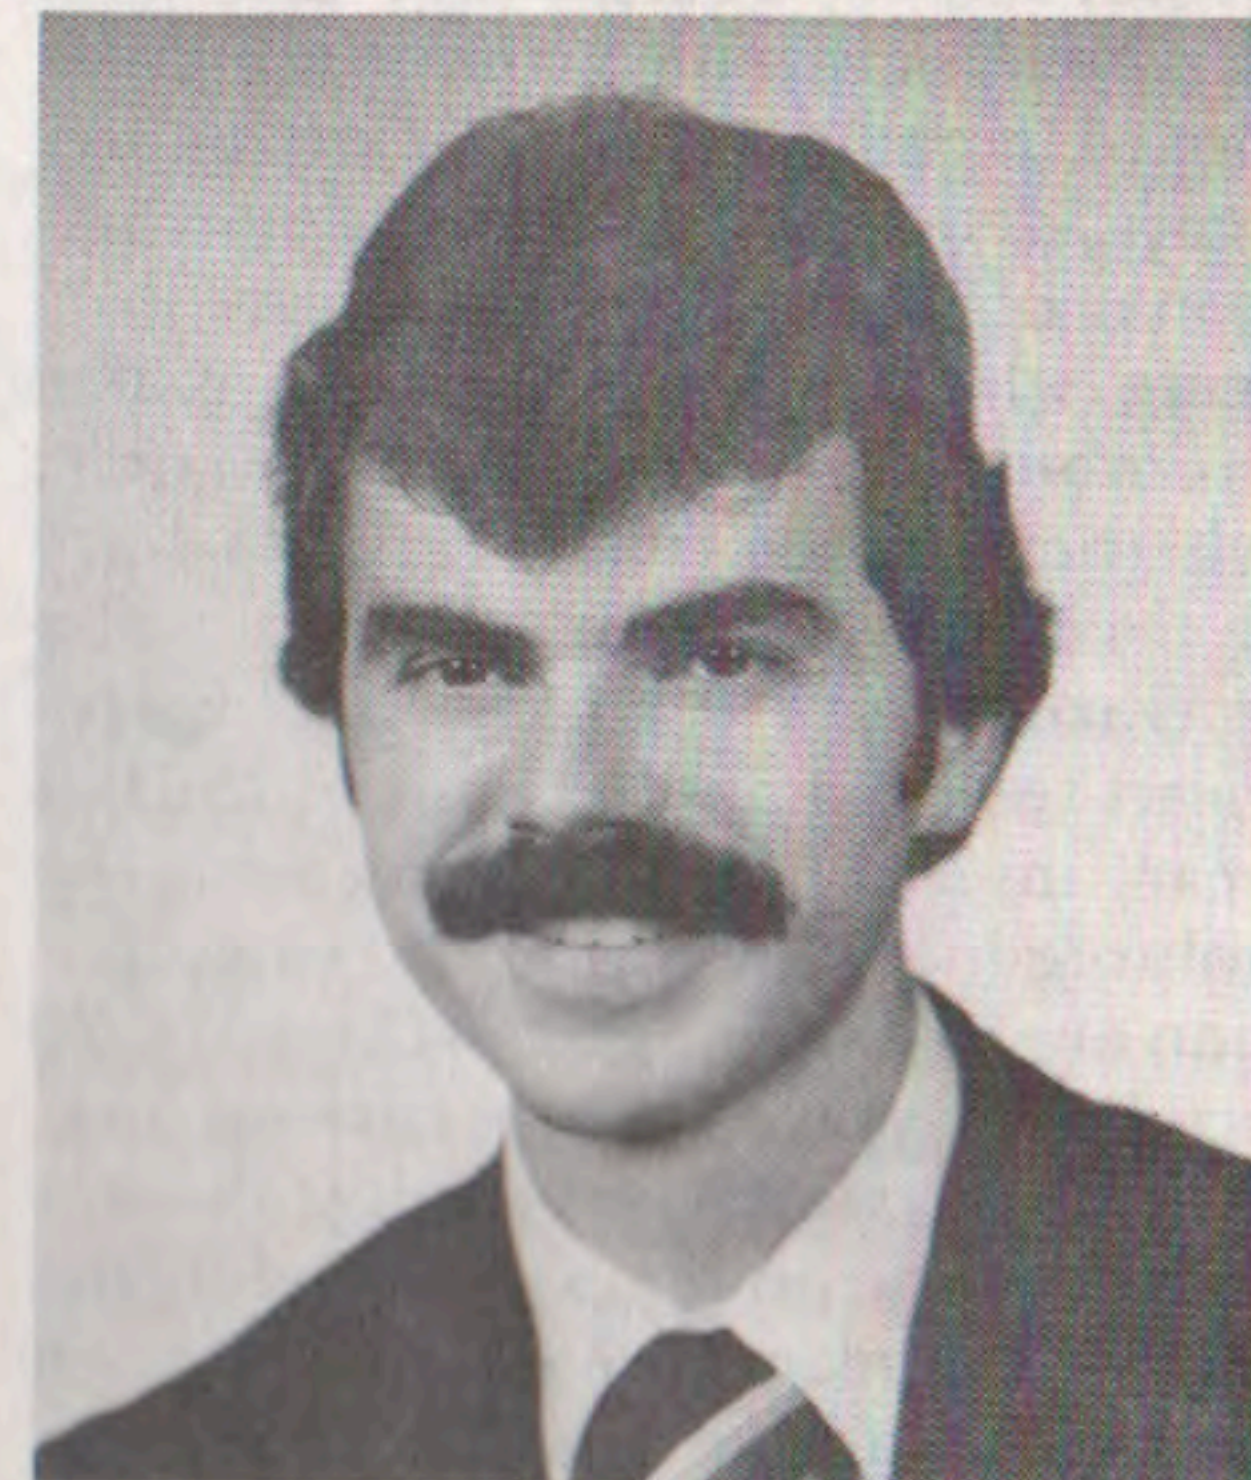

Benjamin F. Mancuso

Region II: Regent Benjamin F. Mancuso was initiated by the Arizona Chapter in 1974. He is currently enrolled at the University of Arizona as a full-time graduate student pursuing an MBA. He will earn that degree in December, 1978.

Mancuso served as "D" for the Arizona Chapter and was instrumental in establishing fiscal procedures which made the Chapter a solvent operation. He also worked as Kitchen Manager of the Chapter. In 1977, Ben was a Field Secretary for the Fraternity with special assignments in the area of chapter rejuvenation.

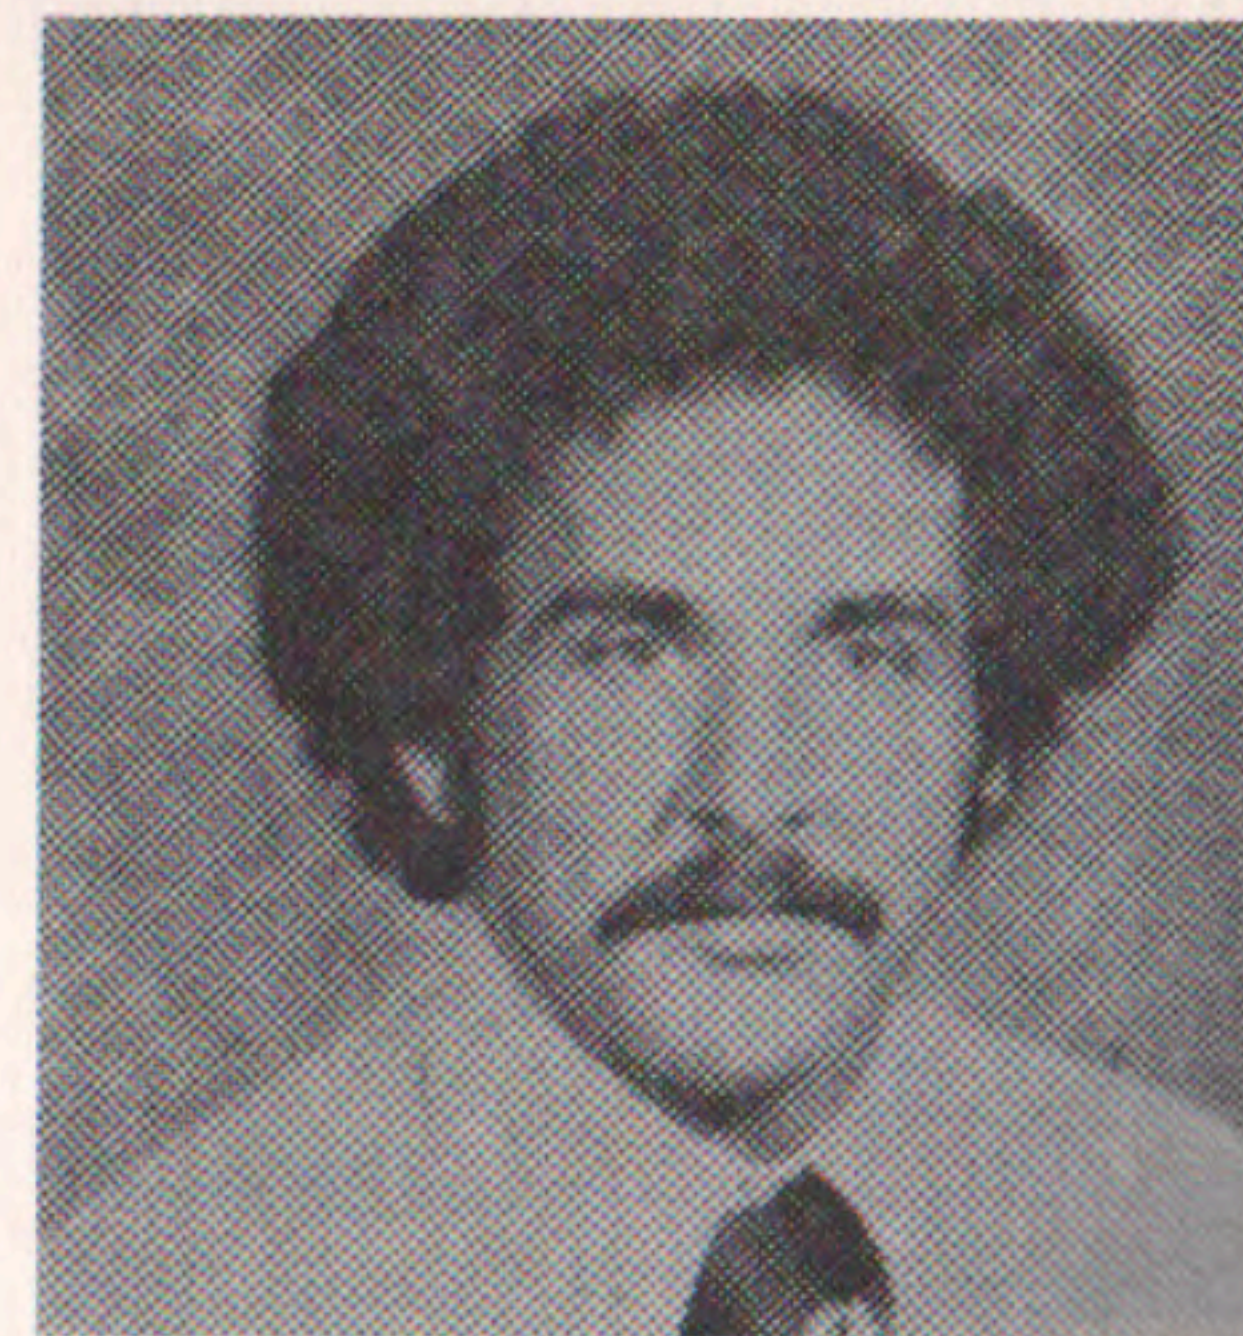

He has attended two Regional Leadership Conferences in Region II.

Robert W. Weisensel

Region III: Robert W. Weisensel is a 1971 initiate of the Oshkosh Chapter. He is currently employed as a Building Materials Buyer for Aramco Services Corporation. Aramco is the Saudi-Arabian American Oil Company. Weisensel served as his Chapter's "A", "B", and "F". He was employed by the General Fraternity as a Field Secretary from 1974-75. During his employment with the Fraternity, he also served as Convention Coordinator for the 1975 Chicago Convention. He is also a member of the Marquette Chapter Building Corporation and a member of the Oshkosh Delta Chi Alumni Association. Weisensel has attended two International Conventions and seven Regional Leadership Conferences.

In approaching his position as Regent, Weisensel says, "The Fraternity must continue the programs and leadership which have kept it at its currently strong and stable condition, but set goals for continued alumni participation, especially at the local level; continued membership increases by building new chapters and colonies is also important for an increased financial base. We must strengthen the chapters and colonies we have and create strong additions to the roster."

Raymond D. Galbreth

Region IV: Raymond D. Galbreth is a 1966 initiate of the Missouri Chapter. Galbreth is an Assistant Professor of Management at Southeast Missouri State University. He has previously served the Fraternity as a vice-regent for Region IV. He has attended two International Conventions and three Regional Leadership Conferences. Galbreth has also attended the two National Leadership Conferences which have been held.

Ray has set as goals for the 1978-79 academic year the establishment of at least five colonies and creating a Director of Expansion position. Ray is also interested in evaluating the feasibility of a staff position to deal with alumni relations and the *Quarterly*.

George E. Schau

Region V: George E. Schau is an alumnus of the Southern Illinois Chapter at Carbondale where he was initiated in 1969. He currently works for the James Anderson Company of Lake Forest, Illinois as a Civil Engineer. As an undergraduate, Schau held the posts of "A", "C", Rush Chairman, "E" and Pledge Counselor.

He has attended one International Convention and three Regional Leadership Conferences.

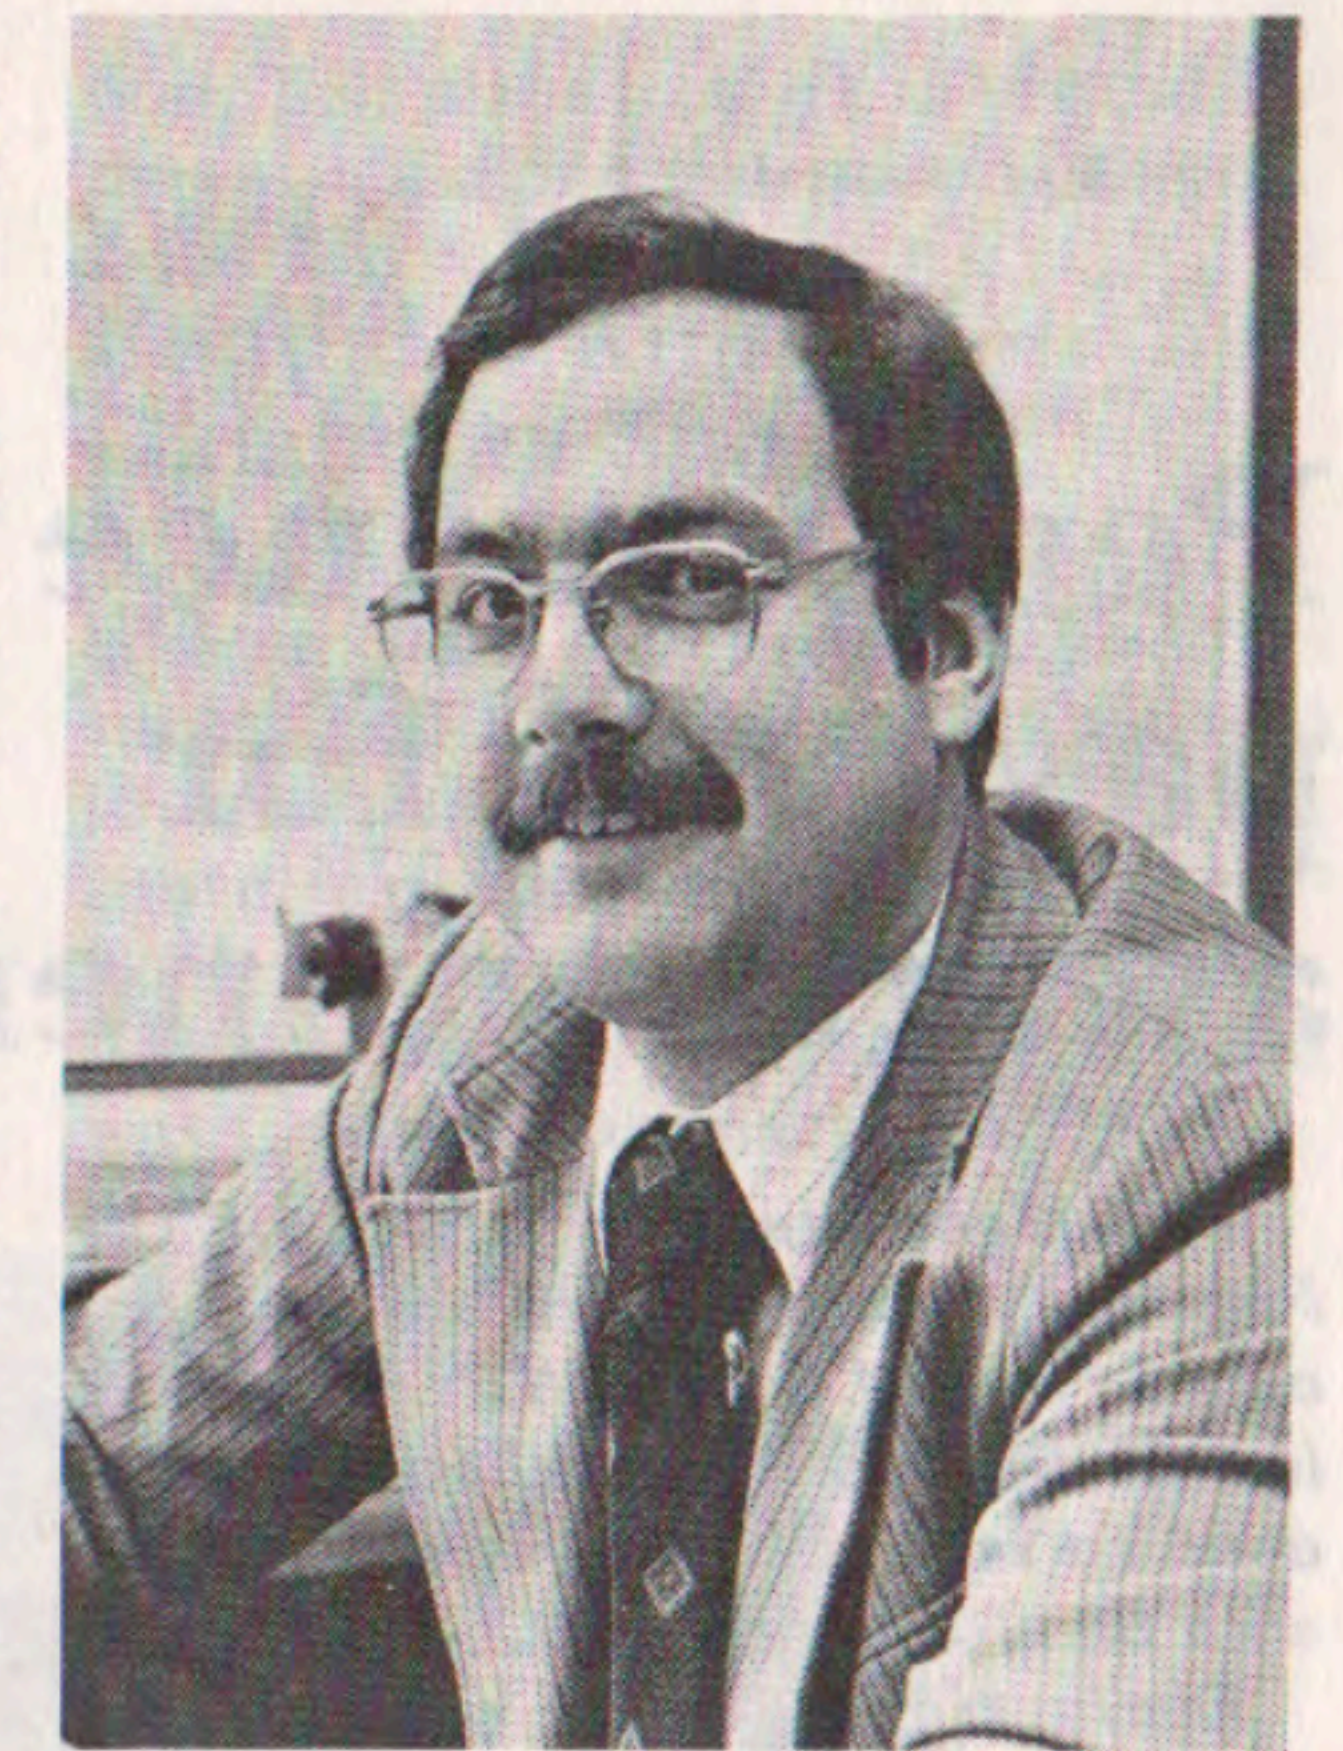

Schau states three major goals as he enters his post as Regent. "My first objective is to insure that each chapter is working from a sound financial base. They don't need a lot of money, but they must put the money that is available to proper use. This can be accomplished through proper budgeting, consolidated collections and proper payments and reserve funds. I also want to bring about more involvement of the Alumni Board and Building Corporations in the operation of the Fraternity. They can assist in the establishment of long term goals and objectives. Finally, I want to help each chapter in developing a more productive Alumni Association — not necessarily to assist the chapter so much as to aid in continuing the Bond beyond the college level."

Robert B. Graham

Region VI: Robert B. Graham is a faculty initiate of the Miami of Ohio Chapter. He was initiated into the Bond in 1968. Graham is a Counselor at the Student Counseling Service at Miami University. He has served as the "BB" of the Miami Chapter for several years and was named an Outstanding "BB" at the 1977 Convention in Kansas City.

Graham has attended four Regional Leadership Conferences. Like his compatriots, Graham expresses concern about the fiscal solvency of chapters in his Region. He also hopes to visit all the Chapters in the Region and become acquainted with their officers. Graham expresses a desire to meet "all Chapter advisors and "BB"s during my visits" and believes a key to strengthened operations is "promoting better communications among Chapters."

John J. Bart

Region VII: John J. Bart was initiated by the Syracuse Chapter in 1969. He is self employed as a consultant in business operation. He served as the "A" of his undergraduate chapter, Gannon and was that Chapter's chartering chairman. He is currently serving as "A" of the Erie Alumni Chapter. He has been Luminary of both his undergraduate chapter and the Erie Alumni Chapter.

Bart has attended three International Conventions and three Regional Leadership Conferences. He is returning to the Board for a second term and hopes to continue the programs for fiscal solvency which he began in his first term on the Board.

**LeRoy A. Mendenhall
(Photo not available)**

Region VIII: LeRoy A. Mendenhall is a 1965 initiate of the Kansas Chapter. He is the Director of Counseling and Testing at the University of Alabama in Huntsville. LeRoy was given the responsibility for developing a Greek system on that campus three years ago. He has served as the "BB" for the Huntsville Colony and Chapter and was closely involved in the success of that unit.

Mendenhall attended the International Convention in Kansas City in 1977 and served as the Sargeant at Arms for the Convention. He has attended one Regional Leadership Conference.

Performance "C" pays off for award winners

The Headquarters Office of the Fraternity has evaluated the performance of each Chapter "C" during the last year and has chosen those who have done an exemplary job for recognition with the "Outstanding 'C' Award."

Evaluation of these officers was based on the faithful performance of their duties including submission of Chapter Meeting Reports, pledges and initiates lists, graduating senior list, summer addresses, house plans, and Personal Record Forms.

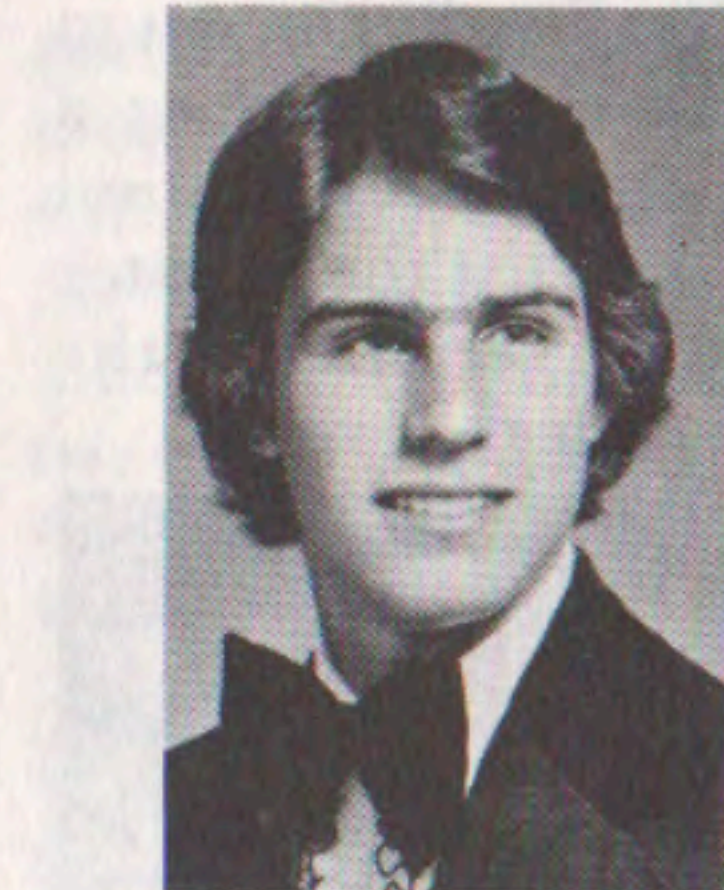

The "C" is the primary link between the General Fraternity and the local Chapter. Winners of the "C" award this year are:

Phil Yang—
Abracadabra '80

Phil is an Architecture major at UC, Berkeley. He is a member of the student's chapter of the American Institute of Architects, The Californians, California Scholarship Federation, Honor Student's Society, and is a Delta Chi Educational Foundation Scholar. Phil enjoys all types of sports, music, dancing, backpacking, and has interests in Real Estate and Interior Design.

Michael Ashburn—
Auburn '78

Mike majored in physics-premedicine at Auburn. He attended Auburn on a AFROTC scholarship and is a member of the Arnold Air Society. Mike was active in IFC, marching and concert bands, student government, Editor of the "Greek Way," and a member of Sigma Pi Sigma, a physics honorary. Besides receiving the Outstanding "C" Award, Mike was also voted the "Brother of the Year" by the Auburn Chapter.

Tim McMurtrey

Mark C. Lavoie

Mark is currently a senior at the University of Southern Maine (Gorham State) majoring in psychology. He plans to attend graduate school and is active in writing, mime, comedy, and tennis. This fall Mark will be serving as pledge counselor at Gorham State.

Timothy W. McMurtrey—
Idaho '80

Tim is a elementary education major at Idaho. He was initiated into the Intercollegiate Knights and was Pledge Class "C", participated in the United Way Fund Drive, and Red Cross Blood Drive. He is now serving as "B" and is active in intramural swimming.

Brian C. Gulick—
Johnstown '79

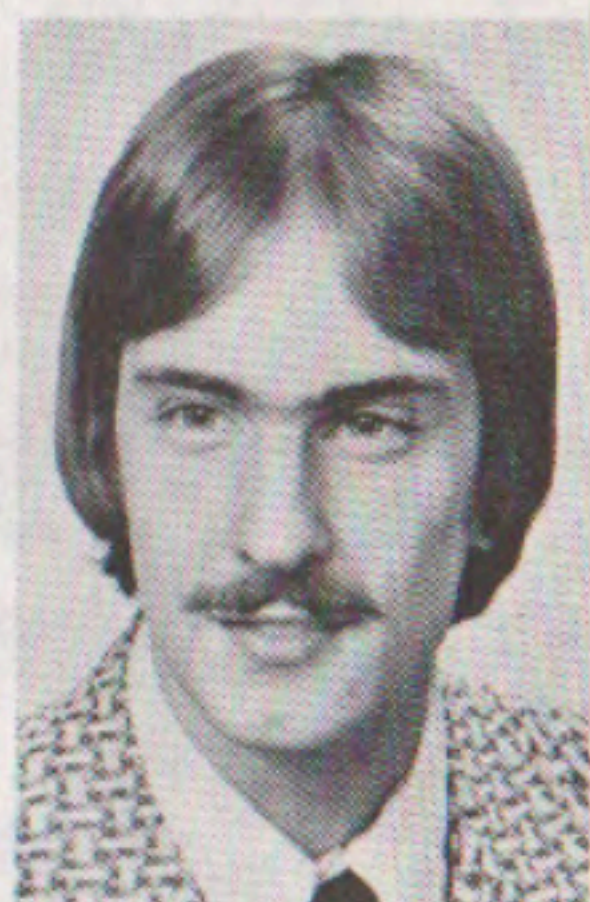

Brian is a mechanical engineering technology major at Johnstown. He is also a member of American Society of Mechanical Engineers, and Society of Undergraduate Engineers. Brian pledged as a freshman, and his interests include music, bicycling, reading, and most sports.

Phil Yang

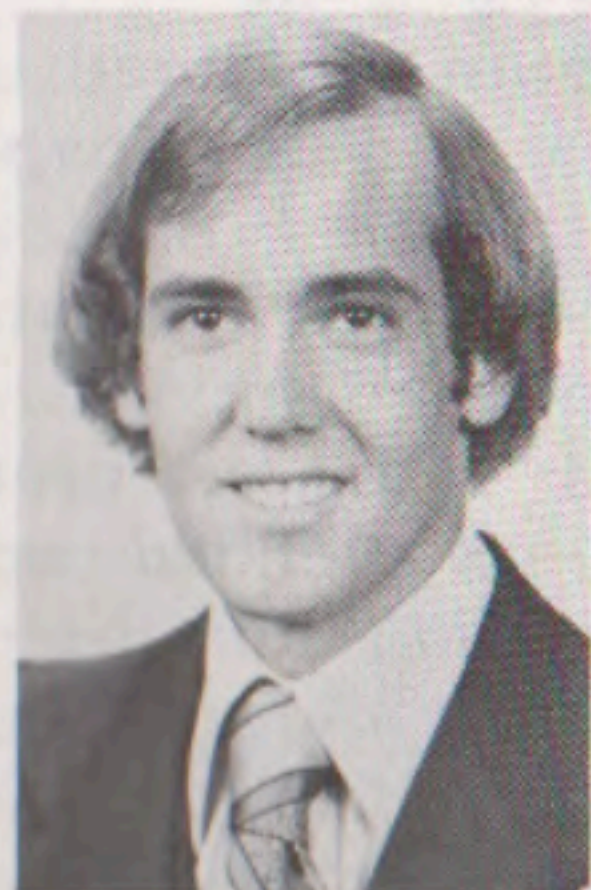

Mike Ashburn

Mark Lavoie

Brian Gulick

Paul Knapp

Paul E. Knapp—
Oklahoma State '79

Paul is a senior majoring in computer science with a minor in mathematics. He has held the positions of "C", assistant "E", Alumni Relations Committee Chairman, Internal Affairs Committee, Region 3 Regional Leadership Conference Co-Chairman, and delegate to the 41st International Convention. Paul has maintained a standing on the Dean's Honor Roll during college and is now serving as Undergraduate Vice-Regent for Region 3.

David J. Tanaka—
Washington '79

David is majoring in electrical engineering with emphasis on biomedical engineering. After graduation he hopes to attend medical school. David is a member of International Electrical and Electronics Engineers and Tau Beta Pi. He also received the Delta Chi Education Foundation scholarship award and a certificate of high scholarship from the Dean of Arts and Sciences.

David Tanaka

Quarterly contributors honored

Each year Delta Chi awards the outstanding "E"s from Chapters across the country with the "E" Key. Recipients are chosen by the Quarterly editor for outstanding performance of the duties of the "E".

To be eligible a Chapter "E" must have submitted articles for at least two issues of the Quarterly. The "E" is responsible for "Campus Scene" articles for the June and December editions and "Alumni News and Notes," as well as "Milestones" for every issue. The "E" is also required by the Constitution to submit semi-annual lists of alumni address changes. This year alumni address changes were a critical factor in determining award winners. "E"s this year sent in more address changes than any other year in the history of the Fraternity. The recipients of the 1977-78 "E" Keys are:

David L. Harden—
Auburn '79

David, a senior from Orange Park, Florida, is majoring in vocational agriculture, with concentration in horticulture. Upon winter quarter graduation, he plans to teach on the vocational high school and junior college level. He also plans to work in the family's retail nursery and landscape business.

George E. Devitt—
Florida '80

George is majoring in Management and is active in Navy ROTC. He has served the Chapter as Service Chairman, as well as "E" twice. He has received the "E" Key Award both terms in office, and was also "Outstanding Pledge" in his pledge class.

not pictured
Kurt D. Kuyper—
Idaho '81

Kurt is from Boise, Idaho, and is a sophomore majoring in medical technology at the University of Idaho.

Karl King—Iowa State '80

Karl is currently a junior at Iowa State majoring in finance. He has plans to go into investment analysis or brokerage work after graduation.

Ted L. Cain—Tri State '80

Ted is a Civil Engineering major at Tri State. He is a member of Circle-K, American Society of Civil Engineers, and is the Rush Chairman for the Interfraternity Council. After graduation,

Ted plans to work in central Indiana on major construction projects.

Randal J. Kinnear—
Oklahoma State '78

Randy is a recent graduate of Oklahoma State, where he majored in speech education communication and theatre arts. While in school he was active in student government, Yearbook Section Editor, and University Theatre Guild. He served as "C", and was Chapter Luminary in 1978.

Founders' Day message

by J. Nick Gray, "AA"

Dear Brothers:

It gives me great pleasure to report that since October 13, 1977, Delta Chi has made considerable progress.

First and foremost, we have installed four new Chapters. At the University of Alabama at Huntsville, Delta Chi becomes the first Chapter of a National Fraternity in a new system. I was particularly proud of the quick progress of our Huntsville brothers, which allowed us to beat out two other strong Nationals for the honor of being pioneer at Huntsville.

The second Chapter installed was a fine group at Northeast Missouri State in Kirksville, MO. This quality group joins eight other fraternities in a strong medium sized system.

Probably my greatest thrill came at the re-chartering of my own Chapter at the University of Missouri in Columbia. I am proud to have had a hand in reviving our 1951 Chapter at Mizzou, and proud once again to have Delta Chi a part of one of the nation's strongest fraternity systems — now 29 chapters with Delta Chi. I was also proud to be associated with the five young men who make up our Chapter at Mizzou. We now have seven active

Chapters in Missouri.

Another great moment came with the re-chartering of the Abracadabra Chapter at the University of California at Berkeley — reviving a group whose roots date back to 1895. I particularly enjoyed meeting both the fine young men and the many alumni who attended the chartering. It was a real pleasure for me to attend these charterings and see four fine new Chapters join the Bond.

We have recognized two new colonies in the past year, and I look forward to welcoming in the near future Southwest Missouri State and the State University of New York at Buffalo, which will revive an 1897 Chapter.

In addition to our expansion success, the Fraternity has enjoyed one of its best financial years in history, due in no small part to the efforts of our able Executive Director, Larry Audlehelm, and his staff. I particularly want to thank last year's Field Staff for their excellent efforts and wish them much success in their future plans. Pat Constantine of Gorham State, who left us in January, Dave Rudeen of

Idaho, and Greg Hauser of Michigan State all gave outstanding efforts. Our financial operations were so successful that it appears we will be able to pay off our Headquarters Office in Iowa City 12 years ahead of schedule, saving thousands of dollars in interest.

More than eleven hundred new brothers joined the Bond this year and pledgings were also greatly increased.

For the second year in a row our loyal alumni set a new record in financial contributions to our cause.

Now a look to the coming year. We should see at least two or three of our present colonies chartered. We plan aggressive efforts to colonize at a number of points, including strong recolonization efforts at Florida State and Washington State. We start the year with three new Fieldmen of great promise, and in January we hope to fill the office of Director of Expansion authorized last January.

It is a pleasure to head up a dynamic growing organization like Delta Chi, and I am proud of every undergraduate and alumnus who has worked to make this year's progress possible.

Meet new Field Secretaries

Mike Gallagher Brad DePriest Ken Shepard

These men are looking forward to this year's chapter visits. All three of them have excellent experience in chapter operations, in addition to having gone through a comprehensive training program at the Headquarters Office this summer.

In addition to chapter visits, field secretaries also investigate campuses for future chapter sites, work on colonization efforts, and present Rush and Chapter Leader's workshops on certain occasions.

Mike Gallagher, from Havertown, Pa., is a March '78 graduate of Penn State, where he received a B.A. degree in foreign service. While at Penn State, he served the Chapter as "A", "B", and Rush Chairman.

Having attended the Chicago and Kansas City Conventions, Mike accepted the President's Cup for most outstanding chapter on behalf of Penn State at Kansas City.

A sports enthusiast, Mike's interests also include International Relations — a field he hopes to pursue as a career in Washington, D.C.

Brad DePriest graduated from Southeast Missouri State University this past May with a B.S. in business administration. He is a Charter Member of the Southeast Missouri Chapter. As an undergraduate, Brad served as secretary of his pledge class, Chapter "C", and "A". Brad was also elected as the first president of the Southeast Missouri Chapter's Alumni Association. His awards and honors include Outstanding "C" 1977; Convention Recorder, Kansas City Convention; and Chapter Luminary, 1978. Brad's interests include 1966 Mustangs, photography, tennis, and racquetball.

Ken Shepard is from Costa Mesa, California and is a 1978 graduate of Long Beach State University. He holds a B.S. in business administration finance. Ken served the Long Beach Chapter as "D", "F", Social Chairman, and Chi Delphia Chairman. His interest includes tennis, skiing, soaring, and backpacking.

Contributors increase

The 1977-78 fiscal year has presented dramatic advances for Delta Chi. Chartering four colonies is perhaps the most important single development. Charters were granted for the first time at Northeast Missouri State University and at the University of Alabama at Huntsville. Chapters were reestablished at the University of Missouri, Columbia and at the University of California, Berkeley (the Abracadabra Chapter). The account of both reestablishments appears elsewhere in the magazine.

There are signs of increasing chapter health and fiscal solidarity. Average chapter size increased slightly during the fiscal year. The number of reported pledges was up nearly 10% over the corresponding period at the close of this fiscal year. While numbers of initiates remained virtually identical for the period, the increase in pledges indicates even more chapter growth for 1978-79. Of equal importance is the fact that chapter accounts receivable to the General Fraternity are at a new low in a non-Convention year. Since outstanding accounts with the General Fraternity are usually in direct pro-

portion to uncollected accounts among chapter members, the implication is that members and officers have been more attentive to internal business functioning than in the past. One of the most meaningful assertions one can make about the importance of a fraternity experience on undergraduate campuses is that the experience affords a unique opportunity for young men to be involved in what amounts to major business operation environment. These gains in quantifiable measures of business acuity make good that claim and increase the validity of the fraternity experience for undergraduate members.

As in 1976-77, the most exciting story is the increasing amount of alumni participation in all levels of the fraternal experience. The fiscal year brought the recognition of two new alumni chapters — Central Iowa and Portland — and several new inquiries about developing that unique association. At the close of the fiscal year, significant progress had been made in the redevelopment of the New York Metropolitan Alumni Chapter. This is an area of operations which has been neglected in

Delta Chi for many years. Increased alumni interest has resulted in the creation of a program for alumni chapter development which was accepted by the Board of Regents at its meeting in August.

And again in 1977-78 alumni support in terms of dues payments and contributions has increased significantly. Gifts this year totaled \$37,139.25 from 1,498 Voluntary Dues contributors and 497 brothers who gave gifts in amounts greater than the \$20.00 requested. This level of contributions represents a 7% increase over contributions in 1976-77. That in itself is significant, but more impressive is the fact that the level of giving in the last fiscal year is nearly 70% higher than in 1975-76.

Listing the names of those men who have given to the Fraternity is a small way of saying thanks and paying some degree of recognition for their generosity. Alumni contributions in 1977-78 represented nearly 30% of Delta Chi's income. It is the single most important factor in the continuing fiscal solvency and stability of the Fraternity. Thank you for that support.

Alumni News and Notes

ABRACADABRA

Robert S. Manlove '43, is currently President of the Board of Trustees of Alta Bates Hospital, and President of Manlove and Associates, Inc., manufacturers of food processing equipment.

John M. Tate '56, is President of Tate Rentals, a firm dealing with air pollution control equipment.

Francis A. Watson '27, has retired as President of Mechanics Bank in Richmond and is now living in El Cerrito.

ARIZONA

David W. Hall '57, has accepted a position as a Senior Research Chemist with the Loctite Corporation in Connecticut.

BALL STATE

Leigh E. Morris '58, has become the Administrator of the La Porte Hospital in La Porte, IN.

CORNELL

Mark A. Truhlar '75, is currently employed as an Electronic Design Engineer with the Digital Equipment Corp.

David A. Gleason '64, is presently assigned to the staff of the Commander of the Naval Surface Force, Atlantic Fleet in Virginia Beach, VA.

CHICAGO

Dr. Wilton M. Krogman '25, was featured in an article in the recent edition of *Modern Maturity* magazine. Dr. Krogman is a physical anthropologist and has done consulting work for archeological expeditions and the Federal Drug Administration. He is currently the Director of Research at the H. K. Cooper Institute for Research, Education, and Rehabilitation of the Lancaster (PA) Cleft Palate Clinic.

DENISON

John R. Boyd, Faculty '69, retired from his office as Grand Master of the Grand Council of Royal and Select Masters of Ohio, a branch of the York Rite of Masonry, in October of 1977.

DEPAUW

Scott Fencik '78, has signed a two-year, free agent contract with the New York Giants. Scott was a 1977 co-

captain of the DePauw Tigers and led the team in punt returns and yardage.

HOBART

Arthur Mills III '57, has been named the New Associate of the Year with Mutual of New York's Poughkeepsie agency.

James Moriarty '53, is an Administrative Law Judge with the Unemployment Insurance Appeal Board in Rochester, NY.

IDAHO

Edward B. Greef '45, has just returned from three years in Tehran as a regional manager for the Fuller Co., a manufacturer of heavy industrial equipment.

KANSAS

Ward L. Keester '30, was honored this past June by selection to the Kansas Teachers Hall of Fame. Mr. Keester spent 38½ years in the Kansas school system, 35 of which he served in a superintendent position.

KANSAS CITY

L. Elliot Shubert '66, was recently promoted to the position of associate professor of biology at the University of North Dakota, and has been the recipient of over \$100,000 in research grants to study the ecology and physiology of algae. He has also authored more than twenty professional publications.

MIAMI

Anthony J. Spena '68, was named Equitable Life Assurance Manager of the Year in Cleveland in 1977 and 1978. He won the National Citation Award in both years and the National Leaders Corp. in 1978.

MISSOURI

Harold G. Thurston '62, is the Export Manager for Latin America and the Far East for the Vertical Turbine Pump Division of Worthington Pump in Shawnee, OK.

OREGON STATE

Donald E. Hopkins '60, is the School Administrator for the Ranch on the River. He is also a member of the School Board and Hospital Board in Sweet Home, OR.

Michael W. Riley '59, is a Comman-

der in the Navy and is presently Executive Officer of the NROTC unit and an Associate Professor of Naval Science at the University of Washington.

PENN STATE

J. Arthur Stober '48, is head of the Radio/TV Section of the Penn State Office of Public Information and Relations.

S.M.U.

Dr. Charles Max Cole '37, Chief of Surgery at the Presbyterian Hospital of Dallas, was recently honored by the Award of Excellence of the North Dallas Chamber of Commerce.

TRI-STATE

Colonel and Mrs. John Martinelli have returned to their residence on Beaumont Place in Newark, NJ after an East African Safari to Tanzania, Zambia and Kenya with stopovers in London and Khartoum in the Sudan. The trip was taken in celebration of Colonel Martinelli's 23rd year of retirement from the U.S. Army at Fort Bliss, TX. They visited Africa's highest peak, Mt. Kilimanjaro, the world famous Victoria Falls and cruised the Zambezi River between Rhodesia and Zambia on the riverboat Makumbi.

UNION

J. V. Straub '28, is the senior partner of Hinman, Straub, Pigors, and Manning in Albany, NY. He is also the President of the Board of Trustees of the Albany Law School, Chairman of the University Council of the State University of New York, Vice President of the National Savings Bank, and Chairman of the Board of Directors of CMP Industries, Inc.

Anthony J. Palermo '22, has been on the faculty at Union, St. Francis College in Brooklyn, and was a consulting engineer for the Westinghouse Electric Company. He now has ready for publication a 33,000-word manuscript entitled "Heart Attack" and would appreciate the help of any fellow Delta Chis in the publishing business.

WASHINGTON

Reginald E. Lester II '65, is currently the news anchorman for KSRO in Santa Rosa, CA.

A Farewell and a Parting

These men have lived amongst us for a time, and we have been privileged to call them Brothers. Now they have gone and we bid them a fond farewell at this parting.

FLORIDA

Leonard C. Bailey '32, April 9, 1978

MARQUETTE

Richard J. Bartsch '79, May 13, 1978

ILLINOIS

George E. DeLong '56, died suddenly of a heart attack Sunday, May 14, 1978 while painting the family home in Concord, MA. Brother DeLong received his M.S. from Drexel University in Philadelphia in 1962. He had been associated with RCA for the past

21 years, and was a resident at MIT Lincoln Laboratories where he was a leader in the RCA Lexington Radar Support Group. Brother DeLong is survived by his wife Kay, and three sons, Douglas, Jeffrey, and Bradley. During the funeral service, the members of Jeff's baseball team returned to the DeLong home and finished painting the house for the family.

PURDUE

Glen W. Foster '51, died Tuesday, June 6, 1978, in Indianapolis, IN. Brother Foster was president of Glen W. Foster and Associates, and vice president of Foster Engineering Co., Inc. He was also an active member of the Masonic Lodge. Brother Foster's surviving family includes his wife

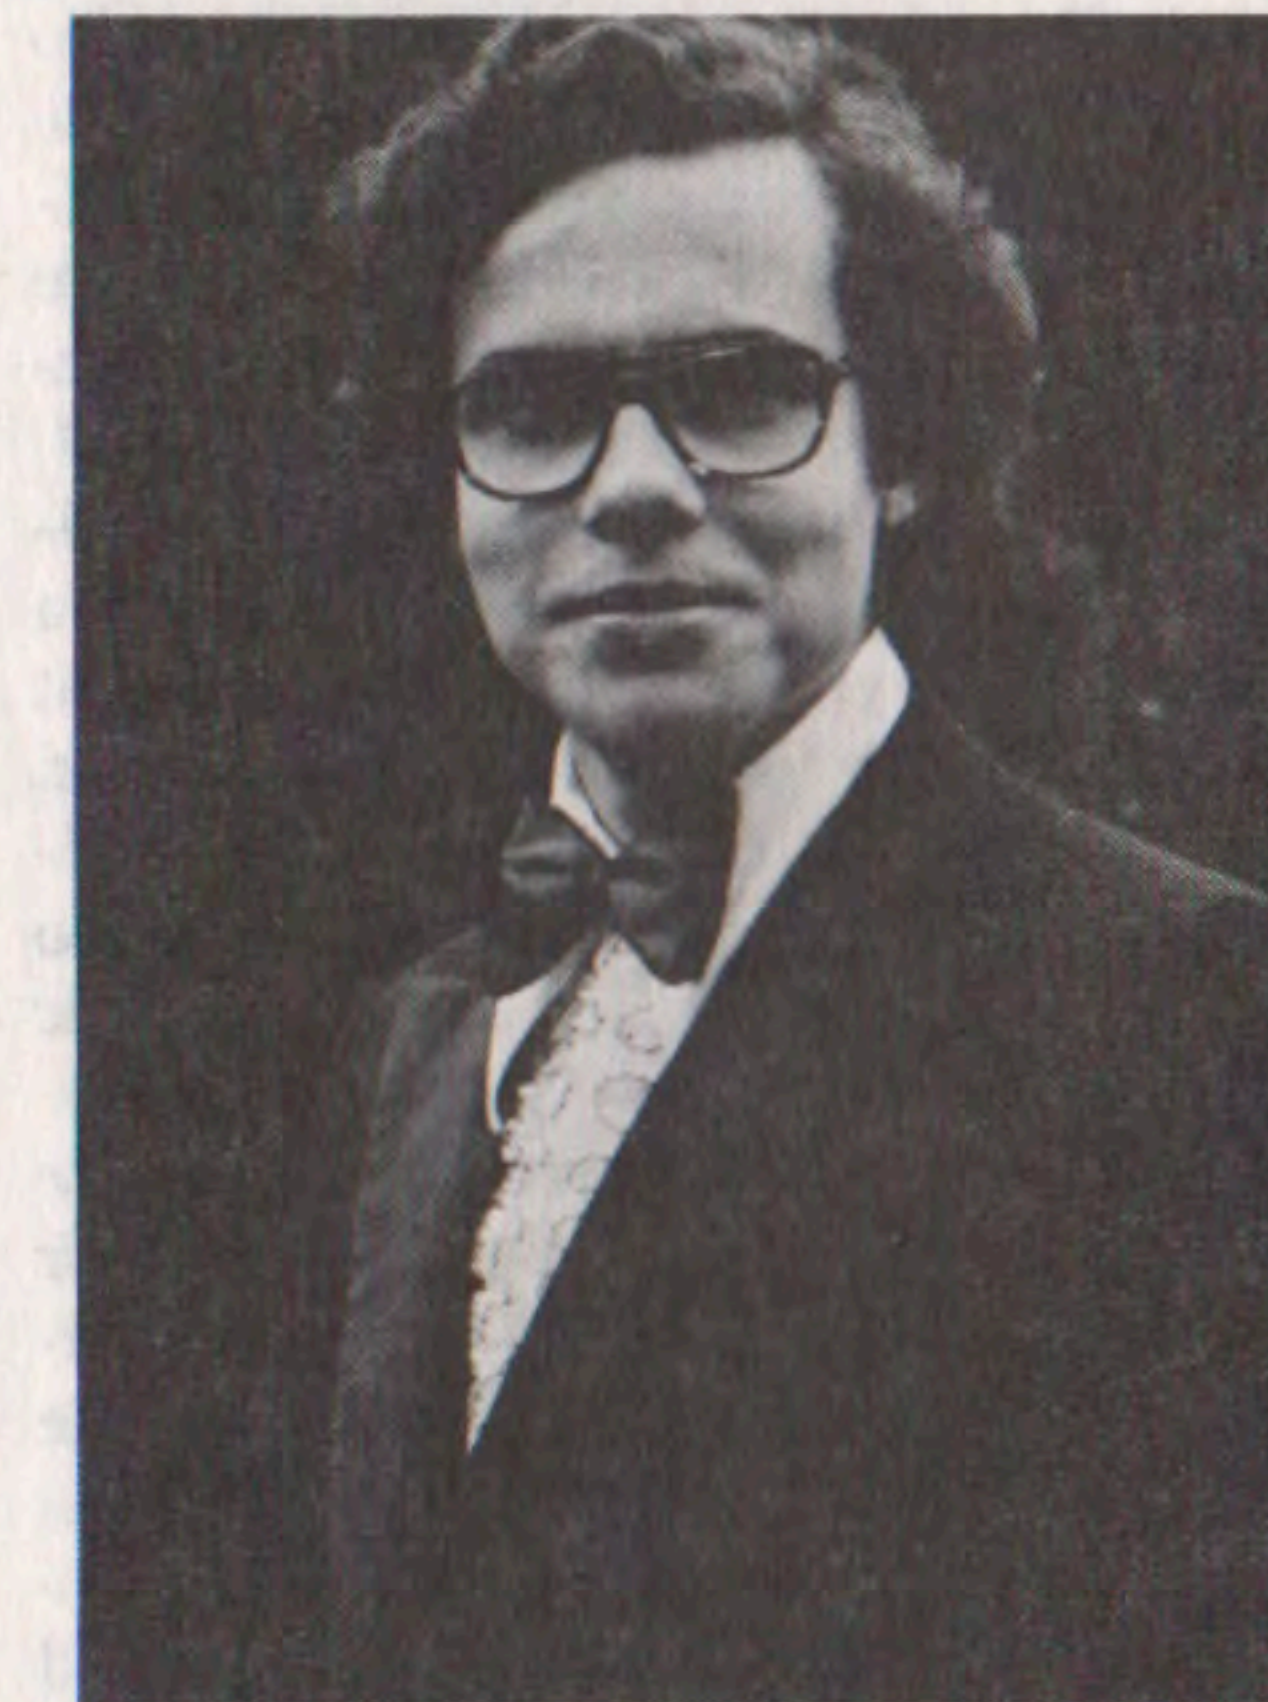

Helen, and his children, Charles, Howard, and Janet.

WASHINGTON

Tyre H. Hollander '21, died this past May in Seattle. After receiving his LL.B., Brother Hollander remained a faithful alumnus and missed only one Washington home football game in the past 55 years. He was active in the local Republican Party where he served as his county's Central Committee Chairman from 1944-48. Brother Hollander was a delegate to the Republican National Conventions of 1948 and 1952. He retired from an active law practice in 1966. Brother Hollander's surviving family includes his wife of 64 years, Vivian, a son, Barry, also a Delta Chi, and a daughter, Bettyann.

Peers Hennes, "A" Michigan State '79 accepts the President's Cup Trophy recognizing his Chapter as the most outstanding in Delta Chi. "B" Kirk Cramer and "BB" John Walters look on.

Salvador Arias, Huntsville '79, was one of three Brothers who earned Top National Scholar Honors from the Delta Chi Educational Foundation. His photograph was inadvertently omitted from the March, 1978 issue of the *Quarterly*.

Delta Chi welcomes Berkeley

Abracadabra resumes campus association

by
Christopher Reyes '78 and Ray Seed '80
Abracadabra

On May 13, 1978 the Abracadabra Chapter of Delta Chi was rechartered at the University of California, Berkeley. Approximately 200 persons were in attendance at the chartering banquet. The event celebrated the end of a three-year recolonization effort, reviving Berkeley's 69-year association with Delta Chi.

It was on that day at the Claremont Hotel, nestled in the Berkeley hills, that J. Nick Gray, "AA", handed over the scroll proclaiming chartering to Brother Patrick Ransil, "A". That was the culmination of an evening that honored various elements that constitute a truly successful Fraternity. Among those present were representatives from the University, the City, parents, and seven decades of alumni, as well as the proud 42 brothers who comprise the Chapter membership. Housing Corporation President Clifford Egan and "BB" Marc Hynes were the evening's official alumni representatives.

The festivities began with an address by the University envoy Dr. Ira Michael Heyman, Vice Chancellor at the Berkeley campus. A renowned legal scholar, Dr. Heyman encouraged Abracadabra of Delta Chi to contribute further to Cal's academic excellence.

Following Dr. Heyman came the Honorable Warren Widener, Mayor of the City of Berkeley. Mayor Widener expressed his appreciation for the way the Chapter has involved itself in civic affairs. Thanking us for our association with the City, he presented to the Chapter an official City Scroll of Honor.

Other representatives honoring the renaissance of Delta Chi at Cal were the head of the California Alumni Association and the Dean of Students, Dean Anne B. Hawley. In an emotional address, Dean Hawley con-

veyed her dedication to the Greek system and to Abracadabra of Delta Chi in particular.

Messages of congratulations, communicated by people unable to attend, were read to the 200 plus guests. California Governor Jerry Brown, Senators Cranston and Hayakawa and Representative Ron Dellums conveyed sentiments of support. Former President Gerald R. Ford expressed his support of the Fraternal idea and wished long life to California's best Fraternity. President Jimmy Carter conveyed his congratulations with a press release through the Office of Presidential Messages.

Before the actual handing over of the Proclamation, Brother Noel Johnson, one of our Founding Fathers of 1975, recounted reminiscences of things past — a potpourri of events, persons, lingo and emotions that characterized three years of bringing Abracadabra back into the Bond.

The highlight of the evening was when J. Nick Gray, "AA", and Larry Audlehelm, Executive Director, consigned to the Brotherhood assembled the Charter proclaiming Chaptering. The popping of champagne corks and the strains of the Bond ended the official part of the celebration. Soon thereafter, music, laughter, tears and alumni recollections characterized the spirit in the room.

The California Chapter of Delta Chi, originally chartered in 1909, was one of the first colonies after the Founding at Cornell. After 70 years on the Berkeley campus, it closed its doors in 1969. Along with many other fraternities in Berkeley, it fell victim to a movement away from traditions, a movement which became the center of attention of much of the Berkeley campus in the late 1960's.

By the middle 70's, a new spirit appeared on the Berkeley campus. Dan Billings '77, who had transferred to

Brothers Whit Manley, Greg Clark and Phil Yang prepare to sell concessions at the annual U.S.-U.S.S.R. track and field meet in San Francisco.

Delta Chi was the only organization to have concession rights for the event and is using the proceeds for its housing fund.

Berkeley from the Long Beach Chapter of Delta Chi, met with Larry Audlehelm to discuss the possibility of recolonizing the Berkeley Chapter.

They met in a dormitory which was to become the first informal meeting hall of the young Colony. For the next two years that dormitory became the center of a tremendous effort on the part of first two, then three and finally after two years, 24 very persistent young men. The going was seldom easy but the rewards brought great satisfaction. All the triumphs, and even the setbacks of those first two years forged a bond of true brotherhood among the members of the Colony.

Today, the Abracadabra Chapter of Delta Chi is a strong house with 42 active members and a projected membership of 50 this year.

The house ranks second on the Berkeley campus in scholarship and one of the brothers was this year's Honor Society President. Academics are far from the only strength of the house. In fact, its greatest strength is its diversity. The brothers competed on 19 intramural teams this year and the house soccer team, led by Dan Salvamini, this year's Captain on the United States Olympic Soccer team, won the Fraternity championship.

In its first full year on campus, the house was very active socially, taking a leading role in Greek Week activities, and participating in several major community service projects. One of the Little Sisters, Nancy Weber, was chosen as the University Big Game Queen.

The men of the Chapter lived this

year in what has become known as the Delta Chi House, but the house was not owned by the Chapter; rather it was rented from another fraternity. After doing a great deal of work to renovate the house and make it their home, the Chapter was informed mid-year that the house would not be available to them for next fall. The men of the house gathered in the chapter room the night they heard that news and pledged once again their dedication, not only to Delta Chi, but also to each other. From that night on, they have knocked on doors all over Berkeley looking for a replacement for their house, although they were told time and again that there would be none. Several months ago they found one. A variety of circumstances made available a house that was not just adequate but ideal. Working quickly with the Alumni Board of Trustees, the necessary arrangements were made and the Abracadabra Chapter of Delta Chi had a home.

When the brothers of Delta Chi returned to Berkeley in the fall they will again face the task of renovating their house, but this time it really is their house, and with its new Charter and a permanent home, the Abracadabra Chapter looks confidently towards the future.

Abracadabra of Delta Chi is the synthesis of two proud traditions at the University of California. The Chapter is a fraternity unique to the University, being founded there in 1895, and boasts many alumni who later dedicated themselves to the University, including "Mr. University," Robert Sproul.

TO THE PARENTS OF DELTA CHIS: Your son's magazine is sent to his home address while he is in college. We hope that you enjoy seeing it. If he is not in college and is not living at home, please send his new permanent address to Delta Chi Fraternity, P.O. Box 110, Iowa City, Iowa 52240.

POSTMASTER-If undeliverable send notice on Form 3579 to Delta Chi Fraternity, P.O. Box 110, Iowa City, IOWA 52240.
