by Raymond D. Galbreth

What does it take to have a successful chapter?

Think about it. Is it a big house? Active alumni? Intramural championships? What?

When we look around at what we consider to be the successful fraternities we see big houses, active alumni, and intramural championships. We then take those as the reasons those chapters are successful and conclude, if we are lacking any of these, that we cannot be successful because we don't have these things.

I believe we are confusing the issue. Those big houses, active alumni, championships, or whatever are not the causes but the results of a successful chapter; and results occur from action taken or not taken. That big house didn't just happen. It was worked for, alumni help (in terms of ideas and time as well as money) was solicited, and committees were organized. All these active alumni were cultivated through the establishment of a well thought-out and implemented alumni program. Designed with both the chapter and the alumni in mind. Those championships, like most everything worthwhile, took weeks of practice and hard work.

So we can say that successful chapters do things that make them "successful." Things that unsuccessful chapters fail to do either altogether or simply with less conviction. Two important points can be made here:

First, if you want to be successful, form the habit of doing things that failures don't like to do. Plan. Organize. Rework ideas. Try again. You won't like to do them either

but you WILL like what they enable you to achieve.

Which leads to the second and most important point. Successful people are motivated by the desire for pleasing RESULTS while failures are motivated by the desire for pleasing ACTIVITIES.

A good example of this can be found in rush. Let's compare two different approaches. The first chapter selects almost all its new members from the friends of its current membership. The only attempt at contacting anyone else is through a mass mailing inviting "interested" people to their "rush parties." The chapter continues to lack diversity and often complains about the poor turnout of rushees at their parties. Later on, they wonder why so many of their actives only show up for parties and don't remember that that was how they introduced "fraternity" to them.

The second chapter takes the list of prospective members and either calls them on the phone or visits them personally. They make an attempt to get to know the individual. They introduce him and often his parents to the meaningful side of fraternity first and solidify his (and many others') decision to join by having a party where he can meet all the actives as well as his future pledge brothers. Not only friends of the current membership are contacted. Diversity and strength are not only encouraged, but sought out.

As a result, the second chapter has not only the number of men it needs, but more importantly, the quality. The other fraternity hides behind false claims of "quality not quantity" as they pledge four men for the second year

in a row. They fall further behind in their payments and suffer through another year of meager social activities, due to lack of money. Simply put, the fraternity that went out and talked with friends, and total strangers alike did well in rush (thus obtaining pleasing RESULTS) while the other fraternity, which was motivated by pleasing activities (talking with friends and partying), did poorly in rush.

Think of your own chapter and decide if it is motivated by activities or results. Think of all the things your chapter has been willing to do without in order to avoid doing the things "it" does not like to do.

We still haven't traced success back far enough. Since every action or inaction first has its origin in a thought or an idea, we need to look at attitude.

There is a native tribe in South America which has been dying from a strange disease for many generations. Finally, it was discovered that the disease was caused by the bite of an insect which lives in the walls of their adobe homes. The natives have several possible alternatives. They can kill the insects with an insecticide, they can destroy and rebuild their homes, they can move to an area which does not have these insects, or they can continue to live and die early in the same way they have for generations.

They have chosen to stay and die early. They have resisted change. They have chosen the "easy way out."

Welcome to Convention

Convention City and Area Attractions

Iowa City, the site of the Delta Chi Forty-Second International Convention, is a city of 60,000 with an educational-cultural reputation that is international. The home of the University of Iowa, Iowa City is known worldwide in such widely different fields as hydraulic engineering and creative writing, orthopedic surgery and cosmic ray research. It is a pre-eminent regional center for health care and for the performing arts. It is a city of great historical interest and significance which anchors a region of nearby historic places in Iowa.

Many Amish live to the southwest of Iowa City, in the vicinity of Kalona and Wellman. Members of the "old order" of this religious sect preserve their earliest customs, including reliance upon the horse and buggy for transportation.

The seven villages of the Amana

Colonies are located a half hour to the west of Iowa City. Once a communal and now a corporate society (Amana refrigerators and freezers are manufactured there), the Colonies retain an old-world charm. They also retain a solid reputation for master craftsmanship in their production of furniture, woolens and fine German food (served family-style).

The pioneer home of President Herbert Hoover and the Hoover Presidential Library are located in nearby West Branch. The graves of the late President and Mrs. Hoover are there, on a hillside overlooking the Library.

Iowa City's historic Old Capitol is unique among national landmarks. The State of Iowa itself was born in the building. Built in the early 1840's, it was used by Iowa's lawmakers and government officials until 1857, when

westward expansion drew the state government to Des Moines. Old Capitol housed the University's administrative offices from 1857 to 1970. At that time the building was designated for historical restoration. The continuing restoration of Old Capitol is made possible from public and private funds and the contribution of period furnishings. The landmark is open daily for inspection.

While touring the historical sites many also enjoy the camping and water recreational facilities nearby. Outdoor enthusiasts enjoy the 17-mile-long Coralville Reservoir immediately north of Iowa City and the adjoining Lake Macbride State Park. Fishing, camping and boating facilities are available.

Iowa City and all the surrounding points of interest should make your convention stay a memorable one.

As August 9-12 draws near, the General Fraternity anxiously anticipates a record turnout of undergraduate delegates. These men will have the chance to be a part of the legislative process of the General Fraternity, and as such, will gain insight into the organization not apparent on a local chapter level. National Officers will be elected, and goals will be mapped out for our New Executive Director and recently expanded Chapter Consultant Staff.

42nd INTERNATIONAL CONVENTION

"Personal Growth Through Brotherhood"
August 9-12, 1979 — University of Iowa — Ironmen Inn

Please type or print all information requested. Headquarters will forward your room reservation requests to the hotel.

NAME _____ CHAPTER _____ YEAR _____

Home address _____

Business address _____

If your wife will be attending please enter her name below.

Wife's name _____

MAKE YOUR HOTEL RESERVATIONS BY CIRCLING THE TYPE DESIRED:

Room Rates per day:

SINGLE — \$21.00

DOUBLE (twin beds) — \$27.00

TRIPLE — \$32.00

All rates are subject to 3% state tax.

Indicate name(s) of person(s) and their chapter(s) you desire to share room with

Indicate mode of travel _____ Expected arrival time _____

Will you be participating in the Pre-Convention Golf Tournament? _____

REGISTRATION FEE: \$34.50 for all attending Delta Chis.

DEPOSIT OF \$15.00 MUST ACCOMPANY THIS REGISTRATION (non-refundable after July 8, 1979).

REGISTRATION FEE INCLUDES all events and four meals. (Hotel room additional.) Meals can be purchased at registration for wives or guests.

Special instructions _____

CHECK THIS OUT BEFORE CHECKING IN:

Those planning to attend the Convention are advised of the following policy of the host hotel concerning payment of charges there.

—All hotel guests must pay by credit card or cash UPON ARRIVAL.

DIRECTIONS

The Iowa City-Coralville area is conveniently located adjacent to Interstate 80. Delegates arriving at the Ironmen Inn should do so via Exit 242 (Coralville). The Ironmen is located directly north of the exit, and is easily visible after leaving Interstate 80.

CONVENTION PROGRAM

Thursday will be the start of registration with undergraduates registering from 2:00 p.m. to 6:00 p.m. There will be a pre-convention golf tournament starting at 12:00 noon with an entry fee of \$5.00. This will be an excellent opportunity to meet other brothers socially and play a friendly round of golf. If you plan on participating in the tournament, you may want to arrive on Wednesday. If so, please indicate this on the registration form so your hotel reservation will include Wednesday. Thursday will also include the meeting of the Board of Regents, private problem consultation with staff (at the request

of chapters), and a get-acquainted party in the evening.

Friday things will turn to business as two General Sessions will deal with committee reports, legislative proposals, ritual exemplification and officer elections. The day will feature a lunch banquet and convention photograph.

Saturday will find the undergraduates and alumni in a more informal atmosphere of learning through participative workshops. There will be special workshops for alumni concerning "BB"s, Alumni Chapters and Associations, General Fraternity services, and Alumni Volunteer participation. These programs are designed

for you to expand your knowledge and expertise. Saturday evening will host a semi-formal dinner banquet in honor of attending alumni with guest speakers and an informative slide show.

Sunday morning there will be a closing legislative General Session with an awards brunch following.

There will be a wives program including tours of the Old Capitol, and Amana Colonies, along with a floral design presentation and time to just relax and enjoy the pool, whirlpool, and other facilities of the Inn. Your reservations can include your wife by simply indicating so on your reservation form.

CONVENTION SCHEDULE

Thursday — August 9, 1979

- 12:00 noon Pre-Convention Open Golf Tournament
- 1:00 p.m. Standing Committee Meetings
- 2:00 p.m. Registration Opens
- Meeting of the Board of Regents
- 8:00 p.m. Welcoming Party

Friday — August 10, 1979

- 9:00 a.m. First General Business Session
- 11:30 a.m. Lunch Banquet
- 1:00 p.m. Convention Photograph
- 2:30 p.m. Second General Session
- 8:00 p.m. Standing Committee Meetings

Saturday — August 11, 1979

- 9:00 a.m. First Conference Sessions
- 10:45 a.m. Second Conference Sessions
- 12:00 noon Lunch Banquet
- 2:00 p.m. Third Conference Sessions
- 3:45 p.m. Fourth Conference Sessions
- 8:00 p.m. Alumni Dinner Banquet

Sunday — August 12, 1979

- 8:00 a.m. Third General Session
- 11:30 a.m. Awards Brunch — presentation of "E" Keys, Outstanding "C" Award, Award of Excellence, Outstanding Chapter, and Most Improved Chapter Awards.

Delta Chi Recharters New York Metropolitan Area Alumni Chapter

On March 22, a group of Delta Chi alumni from all over the New York area met at the Cornell Club in midtown Manhattan and signed a petition to the Board of Regents to reactivate the New York Metropolitan Area Alumni Chapter, and recognition was extended by the Fraternity on March 27. Originally the site of Delta Chi's second oldest alumni chapter, there has been no organized alumni activity in New York for several years. The rebirth of the chapter is symptomatic of the resurgence of alumni interest that has occurred throughout the Delta Chi world in the last two years, and has been responsible for the chartering of five other alumni chapters in that time. The New York chartering brings the total number of active Delta Chi alumni chapters to fourteen.

The foundation for the re-chartering was laid during discussions initiated by David Read and Churchill Evans, both Cornell '78 and former "A"s of the Cornell chapter, with Field Secretary Gregory Hauser, Michigan State '75, when he visited the Cornell chapter in the fall of 1977. Brother Evans was returning to his home area of Long Island for employment after

graduation, and Brother Hauser was due to begin law school at New York University in New York City in the fall of 1978. They decided to see what needed to be done to reactivate the chapter. Brother Read also found himself heading to New York City for a job with the federal government.

With the cooperation of the Fraternity's headquarters office, a mass mailing was sent to the approximately one thousand Delta Chi alumni in the New York area in July, 1978. Over the next few months, almost one hundred alumni responded with expressions of interest to participate in the effort. Their graduating years ranged from 1921 to 1978, and they represented 33 different chapters. Twenty-four responded to the call for the first meeting and were enrolled as charter members.

The next meeting was planned to take place in mid-May, when the chapter would adopt by-laws, elect officers and designate delegates to this summer's international convention. The chapter hopes to continue with monthly or bi-monthly meetings in the evening at the Cornell Club, and to initiate a monthly luncheon gathering somewhere in Manhattan

for those working and living close to the center of the metropolitan area. Weekend events, such as group attendance at a home game of the World Champion New York Yankees or one of the area's race tracks are also envisioned as events that alumni from all over the area will be able to attend. To serve all the interested members, the chapter will need flexibility in the location of events, since travelling times within the metropolitan area can be as much as three hours or more. In addition, the members have already discussed holding a major function sometime close to Founder's Day in October.

In addition to the New York area chapter, the General Fraternity is most pleased to announce yet another rechartered alumni organization — the Toronto Area Alumni Chapter, which includes many of our distinguished Osgoode Hall Brothers. And finally, the Fraternity most sincerely welcomes the Southeastern Idaho Alumni Chapter which was chartered in early April. The General Fraternity congratulates all those involved in organizing these groups, and looks forward to the combined growth of our alumni programs.

In the Bond

(Continued)

How many of our chapters have chosen the "easy way out"? How many of our chapters have resisted change and resigned themselves to a life of "permanent potential," possessing the ability to be better but not taking advantage of it?

When they could have changed their pledge program to develop not good pledges but better actives, they talked about it, but somehow slid back into the old ways. When it was suggested that they should hold a rush seminar to overcome the lack of rush skills, they said they couldn't find a date when everybody could be there. When their scholastics looked suspect they resisted all attempts to improve their grades. Quiet hours were "too restrictive." Steak and bean dinners were "too embarrassing." Scholarships "only award brains and not ef-

fort." When it was pointed out that if they would pledge more men they could operate in the black (for a change), and increase their social budget, they countered with "we want quality, not quantity."

We simply put forth far more effort trying to adapt ourselves to the hardships of a poor living than it takes to adapt ourselves to the hardships of making a better one.

We seem to have placed on ourselves an "invisible ceiling" which won't allow us to "stand up straight." We walk around stooped over claiming we *could* stand up but don't. That invisible "ceiling" is our assumptions and these assumptions determine our performance by placing artificial limitations on our behavior.

How can *YOUR* chapter be successful?

It is not enough to say it wants to change. It must truly WANT to change. It must talk, eat, think, sleep, CHANGE. We become what we think

and we move in the direction of that which we dwell on. We must change not just for one rush week but for all time. Not just for one pledge class but for all pledge classes.

Don't expect it to just happen.

The key to success is in that moment when the chapter could go either way: regress to the old ways or move on to the new. *That* moment is *not* the time to give up but to redouble your efforts or to try a new approach. The proof of the quality of the men in your chapter is in their actions and reactions when that time comes and it may come more than once.

With effort, *your* chapter could be one of the best, if not THE best, fraternities on campus. That is a FACT. If it already is the best, then you can widen the gap between you and second best.

Stop saying "I'll believe it when I see it" and start saying "I'll see it when I believe it."

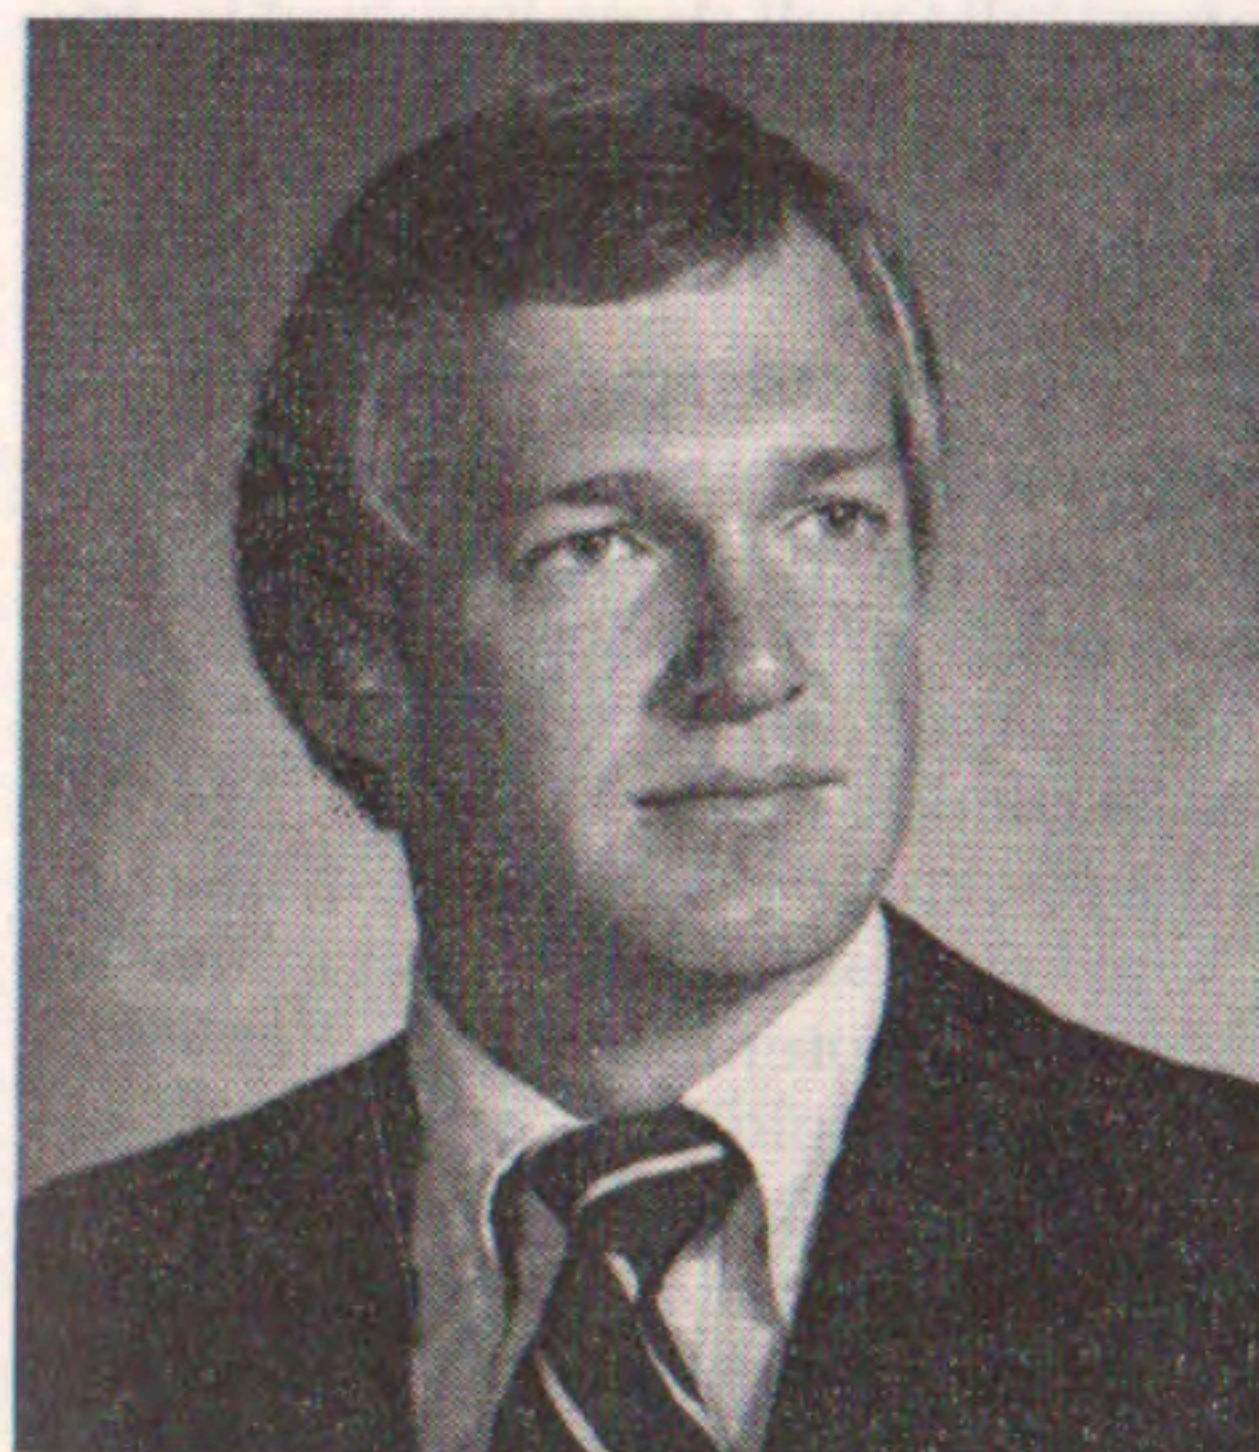

Success is ATTITUDE.

Entry Deadline: August 1, 1979

Vlahakis' restaurant famous for decor, food

Angelo Vlahakis, Michigan State '51, was featured in the February/March 1979 *MSU Alumni Magazine* for his operation of Jim's Tiffany Place, a restaurant with a good deal of history. Originally the restaurant was owned and operated by Brother Angelo's father, Papa Jim. The restaurant was founded 65 years ago. The clientele included governors and as Papa Jim used to tell it, "the big shots have come in here for years."

In 1946 a serious illness forced Papa Jim to seek help from Brother Angelo. However, it wasn't until 1964 that he officially took over and some changes were made. The most apparent move was the Tiffany lamp collection which began in 1967. Jim's Tiffany Place now houses one of the

three largest and finest collections of authentic Tiffany-era lamps in the world.

This past summer Brother Angelo opened a greenhouse cafe in place of a sidewalk cafe. While there have been changes in management and decor, the fine Greek cuisine still remains. Brother Angelo attributes that to the family recipes which they still use.

Chandler honored by Dallas Rotary

Herbert S. Chandler, Texas '22, was honored in the *Dallas Rotogram*. Brother Chandler worked for Southwestern Bell in Texas and Missouri, and in 1938 established the Chandler Sound Equipment Co. He retired in 1974. He has been a Rotary member for 14 years. He is Past President of Dallas Electronics Club, Governor of the Society of Mayflower Descendants and Sons of Colonial Wars, and

member of the Dallas Executives Assn., and Salesmanship Club.

Ruggieri voted into Hall of Fame

Frank Ruggieri, Purdue '43, was inducted into the Indiana High School Coaches Hall of Fame, February 23. Three representatives from the Purdue Chapter attended the ceremony. Brother Ruggieri was a member of both the football and wrestling team at Purdue. He played right guard and earned a spot on the honorable-mention squad of the All Big Ten Team. As a heavyweight wrestler he won successive Big Ten titles in 1942 and 43. He also captured second and third places in the National AAU meets. During these same years, Brother Ruggieri was the only man to ever defeat former Purdue gridiron coach Alex Agase.

To Brother and Mrs. Gary Drew '74, a

A Farewell and a Parting

These men have lived amongst us for a time, and we have been privileged to call them Brothers. Now they have gone and we bid them a fond farewell at this parting.

W. Feagin Hood

W. Feagin Hood, Oklahoma '29, died Sunday, February 11, 1979, at Baptist Medical Center. Brother Hood was born in Washita County and later moved to Norman. He graduated from Norman High School and received his bachelors degree in political science from the University of Oklahoma, attended Merton College in Oxford on a Carnegie Scholarship,

and graduated from Oklahoma City Law School in 1940.

He retired from the Internal Revenue Service in 1965 after working 32 years. He served as chief of the Miscellaneous Tax Division, deputy collector, chief of the Income Tax Division, head of Comptrollers Division and chief of the Collection Division. After retiring from the IRS, he became director of the Division of Research Statistics for the Oklahoma Tax Commission until retiring in 1970.

He was a member of Shrine India Temple, Delta Chi Fraternity, Scabard and Blade, Pi Sigma Alpha, AF & AM of Oklahoma, and the 32nd degree Guthrie Consistory. He was president of his senior class at the University of Oklahoma as well as a member of student council and civilian International. Brother Hood served in the Army until retiring in 1960 as a lieutenant colonel. During his military career he was battery commander, Battery C, 372 Field Artillery, 99th Division.

A Farewell and a Parting

These men have lived amongst us for a time, and we have been privileged to call them Brothers. Now they have gone and we bid them a fond farewell at this parting.

Norman A. Greig

Norman A. Greig, Columbia '30, died March 20, at age 71, in Columbus, North Carolina. Brother Greig was president, general manager, and one of the owners of Chimney Rock Park for 38 years until his retirement in 1970, after which he moved to Mill Spring where he was a photographer.

Among his many other activities, Brother Greig was a member of the Chimney Rock Post of the American Legion, the Asheville and Tyron Camera Clubs, the Professional Photographers Association of North Carolina, the Rutherford County Library Board, the Rutherford County Club and Friends of the Library, and was on the Board of the Vakley Clinic and Hospital in Bat Cave.

Brother Greig also served as a medical technician in the U.S. Army overseas during World War II.

Paul Gerald Gonzales

On March 3, 1979, two days after his 20th birthday, Brother Paul Gerald Gonzales was killed in an automobile accident in Troy, Alabama. He was president-elect of Troy State Chapter for the coming year, he served on the "E" Board for the past year, and received the Best Pledge Award in the Fall of 1977. Brother Gonzales was from Keystone Heights, Florida.

Memorial services were held at the chapter house March 4, 1979 with one of the Troy State Brothers delivering an eulogy to about 200 persons. Funeral services were held March 6 at St. Williams Catholic Church in Keystone Heights. Two Delta Chi Brothers served as active pallbearers and the rest of the chapter served as honorary pallbearers. Out of love and respect for Paul, a motion was passed at the March 4th Troy State chapter meeting to rename their Outstanding Brother Award (the highest honor that can be given to a member of their Chapter) as the "Paul G. Gonzales Outstanding Brother Award."

During his short time as a Brother, Paul was very active in the administration of the Fraternity. He was loved and respected by all of his Brothers and they have experienced a great loss because of his absence from the Bond.

If your chapter is not listed above, please refer to the Delta Chi Directory on the back cover and send your letters concerning prospective rushers to the chapter house address.

On Campus

Abracadabra

As the 1978-79 academic year comes to a close, the biggest news for the Abracadabra Chapter of Delta Chi at Berkeley was the purchase of a house, something the Abras had to do without this year. The signing of the deal, which was officially announced March 1, culminated an extensive search process which lasted for nearly a year. The new house is located on 2721 Channing Way in Berkeley, in the heart of the Greek area, and has an occupancy rate of 35. It is presently being used as a boarding house. The three-story building has full kitchen facilities, a downstairs living room and dining area, and 15 upstairs bedrooms. The Abras have already planned a number of remodeling and house improvement projects, which they hope to complete over the summer. On this note of extreme optimism, the Delta Chis at Cal can reflect on a year which earned them respect inside and outside of the Greek System.

The Abras enjoyed a successful athletic program winter quarter, gaining prominence for both group and individual effort. Abra teams fared well in the two winter sports, reaching the quarterfinals in Interfraternity Council (IFC) soccer and basketball, the finals in intramural coed soccer, and the third round of the IM basketball playoffs following an undefeated league season. Yet the big story in Delta Chi sports was **Danny Salvemini '79**, a two-time All-American soccer player at Cal who was selected in the first round of the North American Soccer League (NASL) draft by the Washington Diplomats.

Danny, a graduating senior and physical education major, recently completed a star-studded career for the Cal varsity soccer team. In addition to being selected for All-American honors as a sophomore and a junior and to being a four-year letterman, Danny served as co-captain of the U.S. Olympic team which competed in the Pan-American Games in the summer of 1978. Though he played center halfback for the Bears, he was their top offensive threat when in the lineup. Towards the end of the 1978 season, Danny incurred a knee injury which sidelined him for the balance of the year. He is currently undergoing rehabilitation on the knee following surgery, yet he is still highly optimistic about his future.

Socially, Delta Chi at Berkeley has proved to be an extremely active organization, with its 1978-79 social calendar highlighted by the White Carnation Winter Formal in San Francisco. The event was held at the St. Francis Hotel, May 3, with the local band "All As One" providing the musical entertainment.

Another noteworthy date on the Abras' social calendar was April 17, when the brothers conducted a very special Chi Delphia initiation for 19 girls. Added to the original group of six, the newest initiates increase Abracadabra Chi Delphia membership to 25 girls.

Alabama

We, the Brothers at Alabama, home of the 1978 National Football Champion Crimson Tide, kicked off the semester with the activation of 15 men into the Bond, 10 new pledges, and 35 new girls into Chi Delphia.

We were very pleased to have 25 alumni attend our First Annual Alumni Day and look forward to an even better response next year. Among the prominent alumni attending was our "AA" Emeritus, **Jefferson J. Coleman '29**.

Our latest service project involved the placing of a historic marker beside the Denny Chimes.

In campus activities, we have the IFC Vice-President, a Capstone Man, an Avanti, two *Corolla* editors, the assistant to the SGA treasurer, the C&BA Secretary-Treasurer, and two SGA Senators.

We would also like to congratulate Brother **Chuck Shumate '80** on his induction into Jasons, and Brother **Dwight Mixson's '79** induction into the Order of Omega.

The semester ended with the Annual Indian Party and the crowning of Miss Ginger Ferlisi as Indian Princess.

Ferris Ritchey "E"

Arizona

The semester began well with a very successful rush in which ten excellent young men were pledged. As the semester continued the entire house became active in several community projects. The latest of these projects included: a recycling program, a blood drive, a road rally for multiple sclerosis, and a yardwork and

general maintenance project at a local elderly woman's home. Most certainly we will continue and increase our involvement in such community services.

In the recent senatorial elections on campus, we are proud of Brother **Art Filiatrault's '81** success as a newly elected senator. Furthermore, our membership in campus organizations has increased tremendously and we now hold a majority of the chairmanships in such organizations on campus.

The traditional spring formal went well as expected. Both undergraduates and alumni attended the dance which was held at a local guest ranch. In addition, the semester theme party, entitled Fantasy Island and held in honor of the newly initiated spring class, helped strengthen the Bond of brotherhood among the entire house.

The most impressive chapter feat this semester was undoubtedly our accomplishments in Spring Fling (the annual all-school money raising carnival). Not only did our entry in the carnival, the haunted house, win the most improved entry award, but it was also awarded the Grand Marshal award by Senator Morris Udall. Furthermore, the entire carnival was directed by Delta Chi junior **Jeff Bell '80** who will also be directing the carnival again in 1980.

Terry Scali "E"

Auburn

Since the last *Quarterly* we have initiated five new men into the bond. We also had 13 new girls in Chi Delphia. Our White Carnation Formal was held in Atlanta, Ga. and was highlighted by the announcement of three engagements. Our "House Party" was held in Panama City, Fla., and was enjoyed by alumni, little sisters, and brothers.

In campus sports we are number one in softball, badminton, horseshoes, and tennis. We have already captured the All-campus titles in racquetball, and ping-pong and we are in a close race for the All-Sports Trophy.

Locally we helped in a campus-wide road block to raise money for the U.S. Olympic Team and also had a brother in charge of the "March of Dimes Walk-A-Thon." Both of these were a great help to the community.

On May 12 we initiated 32 men of the Columbus College Colony (Columbus, Ga.) into the bond. On May 19, we had a joint party with the new brothers to get better acquainted.

With the end of the quarter coming up we are looking forward to a good summer and a good summer rush.

George T. Affleck "E"

Ball State

The Ball State chapter will have three members join the ranks of alumni at the end of the school year. They are Brothers **Bill Schlottman '79** who was honored as senior scholar, **Tony Wantuch '79** who was honored as senior athlete and chapter luminary, and **Lyle Hatton '79**. Vickie Hamm was honored as chapter sweetheart at our annual closed dance.

The chapter was recently honored for having the third highest all-fraternity scholarship for the 1977-78 school year.

In sports, the volleyball team tied for their division championship and the softball team is competitive in the playoffs. Overall, Delta Chi is in second place for the all-sports trophy.

Recent improvements to the house include a new bike-room roof, a disk-jockey stand, a newly painted living room and bathroom and a newly paneled rec room.

The spring pledge class of eight recently completed their walkout to the University of Kentucky and the chapter acquired three new initiates. Chi Delphia at Ball State took 15 pledges.

The chapter sponsored a campus-wide pig roast with proceeds going to the Mental Health Association.

Brian Wantuch "E"

Buffalo Colony

The semester got off to a good start as we have pledged nine new men and had seven men initiated into the Bond at the Gannon Chapter.

We are enthusiastically looking forward to the coming school year as we have just acquired our first house. The house is small, housing only seven men, but this is only a temporary arrangement on the road to bigger and better things.

At the annual Muscular Dystrophy Dance Marathon, Delta Chi led all fraternities in money raising from the various concession booths that had been set up.

The colony has been active in intramurals this year, competing in basketball, bowling, and softball. We are looking forward to fielding teams in football and soccer next fall.

James Eaton "E"

Connecticut

The Connecticut Chapter has enjoyed a very eventful and rewarding spring. We are very proud of this year's outstanding basketball team who went all the way to intramural division champions. As in the past we showed ourselves to be the strongest chapter in this year's Greek Olympics. We had beautiful weather for our second annual Softball Marathon Charity Game for the American Cancer Society. We raised over \$1,500 in pledges for the Cancer Society and the American Red Cross.

The best news comes from the UConn Board of Trustees. After ten years of disassociation, the Trustees have voted to reestablish and support a strong Greek system at the University of Conn.

Finally I would like to encourage all alumni to drop me a quick line in the coming months. I am hoping that the alumni newsletter or the directory to be published this summer will have an extensive section covering the activities of our Alumni.

Fred H. Page III "E"

Cornell

On Friday, March 2, the Cornell chapter sponsored its first annual "Chugs for Charity," a campus-wide beer drinking competition. Some 31 fraternities, nine sororities, and a host of independent groups participated in the event that raised almost \$1,000 for the Easter Seal Society.

The single elimination competition, which pitted five member teams against one another, attracted more than 2,500 spectators. Many of those students came to enjoy the fine music of two popular area bands, but a good number also attended solely to witness the University's fastest chuggers in action. Pi Beta Phi Sorority and Chi Phi Fraternity were the winners in their respective divisions.

Most everyone termed the competition/party an overwhelming success. Chugs Chairman **Gene Leone '79** agreed enthusiastically. "We had some initial problems getting the event off the ground . . . however, once we got started, the response was incredible. Both competitors and partygoers enjoyed getting together for some solid revelry."

The entire brotherhood gave unselfishly both prior to and during Chugs. Registration of competitors, advertising, concessions, and officiation — not to mention the dispensing of sixty kegs of beer — were all major tasks that required everyone's help.

The Cornell chapter anticipates improving upon Chugs and sponsoring it every year. Because the event has tremendous potential on every campus that enjoys partying, we encourage other chapters to make "Chugs for Charity" a nation-wide event. Any interested person should contact Gene Leone at 102 The Knoll, Ithaca, N.Y. 14850 for additional details.

DePauw

This spring Delta Chi chapter has taken the lead in many campus activities at DePauw, while at the same time improving the strength of our chapter house, the ranch. The spring house dance, "The Sting," was a successful event which started our second semester, following a series of Winter Term social events. The rest of the spring scene was filled with activities associated with DePauw's Little 500 bike race. Brother **Scott Wait '79** was the chairman of this campus-wide event.

Academically, the chapter did well, though not as strong as we had expected. We placed sixth on campus in both overall grade point and pledge class grade point averages.

The Ranchers continued their community service projects. Most notable was the Delta Chi Bike-a-thon, which ran in conjunction with some Little 500 activities. Brother **Mike Fitzgerald '80** headed that event.

As summer approaches, the men of Delta Chi prepare to work on house improvement projects. Also in the planning stages is the ever-crucial rush program. Rush chairman **Doug Fitzsimmons '81** has organized

Cornell's first annual "Chugs for Charity" had no trouble finding enthusiastic participants. The competition netted \$1000 for the Easter Seal Society.

his committee and begun work on what will be a successful series of summer parties and fall rush activities.

David Greising "E"

Eastern Illinois

The Eastern Illinois Chapter looks forward to Homecoming-79. Several former faculty advisors will be on hand for the festivities. The chapter picked its award winners this year: Luminary, **David Cook '79**; Mr. Delta Chi, **Randy Wray '80**; Mr. IM, **Vincent Buttice '79**; and Derwort scholars, **Randy Basler '81** and **Bill Mueller '81**.

Our 12th annual Miss Delta Chi Pageant was held. Lori Mueller was the winner and will represent us in the Miss Illinois pageant.

Dwight Kensil '78 was elected Mid American IFC President.

Edwardsville

Delta Chi's Edwardsville Chapter has elected new officers. Alumnus **Rich Schuette '75** was elected to the office of "BB". Delta Chi is on the move again with sports. In the Budweiser athletic competition we placed third. Our best event was the track and field competition. This Spring we have a good softball team coached by alumnus **Tim Ruyle '79**. One of our finest athletes is former "BB" **Jim Parkhill '78**. He is involved with fencing, track, cross-country, karate and many other sports.

Our chapter is looking forward to the National Convention in Iowa City, Iowa this coming August. We already have our delegates picked so it looks like we're ready to get things "rolling."

Our spring rush party had a good turn out and we pledged two men.

Jerry Cobetto "E"

Embry-Riddle

Spring trimester at Embry-Riddle has been one of the best in years for Delta Chi. A full house and good spirits had us off to a flying start.

We initiated 14 men into the Bond and then pledged eight men for the spring trimester. Fund raising proved to be successful with an all time high of \$2,300.00 earned over the three weeks of racing at Daytona International Speedway.

We celebrated the 11th anniversary of our founding date, April 21. This entailed a party at the house along with a dinner-dance.

This year, the Gannon Chapter gave their assistance to the annual Gannon College Alumni telethon. The amount of money received was the highest ever, topping \$50,000. Also the brothers performed a neighbor trash cleanup. The neighbors were very pleased, and this one activity brought much recognition to our chapter from the City of Erie. Money was raised this semester for the crippled children of Erie through a Dance-A-Thon. It was sponsored by Delta Chi with help and thanks going to Brother **Tony Woodmancy '80**.

Sports went very well this last semester, with all of our intramural teams ranking right at the top. Brothers **Jack Simon '80**, and **Steve Barnes '80**, participated in a Greek All-Star basketball game.

Edwin A. Nowacki "E"

Georgia Southern

Spring quarter began with the initiation of four new brothers into the Bond at Georgia Southern. During Greek Week, **Charlie Mooror '79** won Greek Man for the second year in a row.

Scholastically, our chapter ranked first in quarterly and overall G.P.A. Our latest service project was conducted at the request of U.S. Congressman Bo Ginn. The Delta Chi Fraternity, in conjunction with Sigma Chi, participated in a local clean up project being conducted by the U.S. Army at Whitesville.

Future goals include building a house within the next 15 months and attaining a chapter with 70 brothers.

Paul Cutler "E"

Huntsville

The winter quarter saw the initiation of 11 new men and we presently have eight pledges. Four brothers and two little sisters served on the cheerleading squad during basketball season. Things are looking good for our softball team in intramurals and the team will represent us at the region eight softball tournament.

Our over-all grade point average for the last quarter was a 2.0 (on a 3.0 system).

Several of the brothers took a trip to Disney World, via railroad, which was quite a success. More recently, the annual celebration of Springfest on our campus was largely planned by brothers who are also on the Student Government Association. In addition, almost the entire chapter served as field marshals during the four-day celebration.

We will end the school year with our annual Seniors' Party, hosted by one of our alumni, **Jafar Hoomani, Faculty**. After the Seniors' Party, a large group of brothers will be leaving for Myrtle Beach, South Carolina.

We are currently involved in planning a dance marathon as a fund raising project for the American Cancer Society. According to our summer rush program, we are looking forward to a strong fall pledge class and continued supremacy on the U.A.H. campus.

Kyle A. Little "E"

Idaho

The Idaho Chapter began the Spring Semester by initiating 16 new members into the Bond. Winter rush produced two new pledges, bringing the house strength to a total of 39 men.

Our latest service projects include the sponsoring of "A Day of Bowling for the Handicapped" at a Moscow bowling center owned by alumnus **H. Robert Mortensen '44**; assisting in the setup of the annual Moscow Home Recreation Show at the University of Idaho Kibbie Dome; and helping Genesee Lutheran Church in Genesee, Idaho with spring yardwork.

We are again achieving all-around scholastic excellence. Eleven brothers received scholarships for the 1978-79 school year and eight members made the Dean's List for the Fall Semester. Brothers **Keith McNally '82**, **Leonard Nelson '82**, and **Timothy Dillingham '82**, were tapped for Phi Eta Sigma Freshman Honorary Fraternity. Brothers **Keith McNally '82** and **Larry Hamon '82** were tapped for Intercollegiate Knights. Brother **Steven Van Slyke '80** was tapped for Silver Lance National Honor Fraternity, and Brother **Jay Sweeney '80** was tapped for the Blue Key National Honor Fraternity.

Golf, volleyball, and cross country topped our intramurals this year with third place finishes in each.

On Campus

This was also a busy semester socially. We began the year with a sled riding party with our little sisters. Twelve new sisters were initiated into Chi Delphia, bringing our total of active little sisters to 31. The month of April was climaxed by our annual Pirate's Dance at which Diane Sillflow was crowned our new queen. We ended our semester with our annual Spring Cruise on Couer D'Alene Lake.

We were pleased to have University of Idaho Head Basketball Coach Don Monson as a speaker and dinner guest on February 11. On April 23, the Kappa Delta Board held its annual dinner and meeting at which **Gerald Peterson '44** was elected president.

Several much-needed house improvements were completed during the Spring. A sprinkler system was installed in the kitchen and, with the help of several alumni, the front hall was recarpeted.

All in all, it was a great year for Delta Chi at the University of Idaho.

John P. Sweeney "E"

Illinois

The Illinois chapter of Delta Chi began this semester on a high note with the initiation of 21 brothers into the bond. We also have added a fine spring class of 16 members.

Mom's Weekend went very well this year. Among some of the events for the weekend was a trip to the University's spring musical "Sugar," an awards banquet, and an after hours party at the chapter house. Chapter housemother Pauline Boyd prepared two delicious lunches also.

The house, as usual, has been very active in campus intramurals. In basketball, we fielded eight teams and reached the championship game in four divisions. We also fielded a water polo team in the co-rec division with Tri-Delt sorority. The team was undefeated and won the championship. We currently have four softball teams and will be fielding a football team in the Delt spring football tourney. We are defending champions of the tourney, and have won it three out of the last four years.

Our Law Day speaker was Attorney **Robert Auler '74**. Brother Auler is an Illinois alumnus and a prominent local attorney. Our annual spring outing was held at Alumnus **Stan Harper's** associates', farm. The fun will be sparked with 15 kegs of beer, a square dance, and a bonfire. Many Alumni are expected to attend the event.

Dave Myers "E"

Iowa

The Brothers of Delta Chi are enjoying a productive and successful second semester.

We started off with the initiation of 13 new men into the Bond.

Academically we jumped seven spots in our Greek system last semester and recorded a respectable 2.51 grade point average.

Our new band, an imitation version of the Blues Brothers has given excitement to exchanges and the Blues Brothers' talent lent itself to many projects including our Greek Week talent contest and the annual Muscular Dystrophy dance.

For a well rounded social schedule we had a formal dinner for Iowa's new football coach Hayden Frye which was very successful, sponsored a sorority golf tournament in conjunction with the TKE's and had an exciting spring formal.

In intramurals, our wrestling team finished fifth on campus with our golf, basketball, and softball teams high in the ranking.

Our current emphasis is on a strong rush program and we hope to do some remodeling to the house.

Keith Kucera "E"

Iowa State

The Iowa State Delta Chis have followed up on the University of Okoboji chartering. This winter the Iowa State brothers held the University of Okoboji Migration at Night Fever, a local disco. The brothers organized the effort to raise money for the University of Okoboji charity fund, in which the U of O distributes the money to worthy charities. The brothers also organized a dance contest and kissing contest at the Migration, and awarded U of O T-shirts. At the end of the night, the brothers collected \$400 from the 400 people that came and paid the \$1 cover charge.

Also, the Delta Chi brothers recently took second place in the Iowa State spring celebration, Veishea parade novelty marching units. The theme of the unit was "The Bathroom Bustle." The Iowa State brothers and Chi Delphia little sisters fabricated exaggerated

Iowa's Blues Brother Band found themselves in demand as their success escalated after performances for the Muscular Dystrophy Dance and Greek Week Talent Contest.

bathroom features, such as a box of Mr. Bubble, a tube of tooth paste, and a bath tub on wheels, which they wore while marching in the parade. Veishea also featured a pig roast after the parade for all alumni and friends. About 170 people attended the pig roast.

Delta Chi also was well represented at this year's annual Muscular Dystrophy Dance Marathon. Brother **Dave Schuler '80** was this year's co-chairman of the event, and has been selected as next year's head chairman. The emcees of the marathon were brothers **Brian Kinghorn '80** and **Steve Barton '78**. Many other brothers worked on the numerous committees of the event, and others danced in the marathon. After the 30 hours of dancing, Iowa State, last year's national winner in funds raised, raised \$80,000 to surpass last year's total of \$61,000, and beat this year's goal of \$70,000. A note of interest, the Iowa State marathon will be featured by video tape on the Jerry Lewis Labor Day Telethon, and will include certain Iowa State Delta Chis.

Johnstown

Winter term proved to be a very successful one here at the Johnstown Chapter. The term came into full swing with the fraternity's annual service project, Las Vegas Night. Through the help of the administration, local merchants, the brothers, Chi Delphia, and our pledges, we were able to raise a substantial amount as a donation to a national medical organization. The Fraternity was also involved with the Richland and Johnstown Jaycees in an effort to raise money for the local community's handicapped children. Both of these projects proved to be very rewarding to the Johnstown Chapter.

Winter term rush was highly successful for both the new brothers and Chi Delphia. At the close of this term we have 9 new brothers and 12 new Chi Delphia.

Our annual formal was held March 31 at the Pyramids in Johnstown. It proved to be a fantastic time, highlighted by an excellent dinner and dancing. To celebrate our Chapter Founders' Day, Chi Delphia held a spaghetti dinner for the brothers. This gave all the members of the organization, past and present, a last opportunity to get together until the summer party which is planned for June.

This term also brought a few major housing improvements. There was the construction of new shelving for the library and a concrete patio was built off the basement in the back of the house.

Dan Zinski "E"

Kansas

The Kansas Chapter of Delta Chi started out a very active semester in initiating 21 new men into the Bond. This is the largest initiate class that we've had. They possess a GPA of 3.3, bringing the house GPA to 2.8, giving us the third highest fraternity GPA on campus.

Thirteen brothers attended this year's regional conference at the Missouri chapter of Delta Chi. It was a rewarding and educational experience for the house.

Involved with K.U. campus affairs are **Doug Edmonds '79** — Engineering Council, **Kevin Milbourn '80** — College Assembly, **Kent Mecklenburg '81** —

Student Senate and **Danny Torchia '82** — in the K.U. Basketball Band, being the only guitarist and also being a member of the K.U. Jazz Ensemble.

We are proud to have two brothers in the house that have been accepted into the Kansas Law School. They are **Doug Edmonds '79** and **Jim Stevens '79**.

Senator Leroy Hayden and Kansas Jayhawk defensive football coordinator, Tom Batta, have been our honored guests at dinner on separate occasions.

Intramurals are going great, as we finished out our basketball season with an undefeated record. We hope to see our softball team achieve the same.

On the social scene this semester, we had our annual fall formal "Five Scamps," November 11 at the Kansas City Marriott Hotel and a "What the Hell" party and functions with the Alpha Delta Pi sorority and the Alpha Phi sorority. This semester ended with the annual "Tom Jones" party.

On the weekend of May 4th, we held our annual alumni May Meeting. We were very honored to have as our guest speaker the former Kansas Jayhawk football star and now Kansas' offensive football coordinator, John Hadl.

We are sorry to see Mrs. Elizabeth "Mom" Hansen retire at the end of three years service to Delta Chi. We wish her much happiness and good fortune.

Jim Williams "E"

Lehigh

This semester has brought some surprising changes for all of us here at Lehigh.

We brought back our Spring Formal, which was attended by almost all of the brotherhood. For the first time it was also attended by Gene Hetrick, our cook. Gene, in her ninth year of cooking for us, was largely responsible for our successful Alumni Weekend.

Greek Week also brought surprises. We got to the semi-finals in softball, and **Pete Brussock '81** placed third in the Grecker-eating contest. Our A.B.'s brought home the keg by beating pledges representing 31 other fraternities in the annual Pledge Keg Hunt. Finally, during the bed race we not only finished with the bed in one piece (a first for many years!), but raced to a sixth-place finish.

Richard Lark "E"

Marquette

This semester began with the first annual "Delta Disco" party.

Our "C", **Adrian Sakowicz '80** was the statistician for the Marquette basketball games on WISN-TV and radio.

This semester our intramural teams did fair and we placed well in all events. We also did well during the Greek Week activities.

This semester we initiated two new brothers and five Little Sisters.

Two brothers had lead roles in the Marquette production "Man of La Mancha."

Dinner Dance and awards night April 20 highlighted the year at Marquette.

Massachusetts

We were very pleased that the Alumni Banquet was well attended. Fifty-two alumni and their wives/girl friends attended. All the brothers and guests joined together for a champagne toast for the continued "good health" of the Chapter.

Our latest service project involved the brothers taking the local handicapped children bowling. The brothers, after the workout, took the kids for a sundae.

Intramurals are going well. Our softball record is 6-3 and the soccer team is 5-3-1.

Greek Week was held the last week of April. Brother **Kurt Krueger '79** was elected Greek Man of the Year, 1979-1980. Brother **Greg Penglis '81** placed second in the annual car rally.

Scholastically, three brothers received Delta Chi Educational Foundation Awards. Our chapter is ranked second in the fraternal system.

The semester ended with the Chancellor's Reception (Senior Day). This day gave the brothers the opportunity to gather with the graduating seniors to re-live and celebrate four great years.

Al Belcher, Bob Mullen "E"

Miami

This year at the Miami Chapter we have been on a public relations campaign in an effort to spread the name of Delta Chi across our campus. We have devoted a substantial amount of time to this effort and we have started to get some positive results. We had representative teams in the major Greek sports: basketball, volleyball, and softball, all of which had outstanding seasons. We participated in a couple of local service projects throughout the year and we plan on having a road rally next year in the fall in order to raise money for the American Kidney Foundation. The event is going to be continued in succeeding years making it an annual event. We also capped off the semester in the traditional manner with our activation of 20 men into the Bond. And finally we took in five pledges during our spring rush program and we plan to take additional new pledges in the fall.

The highlight of this semester came at the end of the year when we celebrated the tenth anniversary of our "BB" **Bob Graham**. Bob is also the Regent of Region 6 and recently presided over Region 6 Conference which was held at our Chapter this semester.

John A. Rackliffe "E"

Michigan

A large turnover is taking place this spring, with over half of next year's actives being in the house for the first semester. For awhile, we were struggling to replace the remaining empty spots in the house, but a successful "second rush," and some irreplaceable help by our Little Sisters in the clutch, helped us fill up the house for the fall. We were also happy to extend bids for two boarders who lived here this term, one on a research project from England, and have them both accepted.

This has been an interesting term, highlighted by a Chi Delphia program that was second to none, and plagued by city pressure to meet fire codes that threaten to be burdensome. In addition, the term was marked by mysterious movements of our billiard table, showing up in the living room one day or in the second-floor landing on another. To this day, the mystery is unsolved.

Michigan State

Rush has been a big concern to the house. Under the leadership of **Rick Cunningham '81** we have 15 men moving toward the goal of becoming Delta Chis, solidifying our position as one of the top chapters on campus.

Chi Delphia has taken new direction as **Mike Foster '80** and **Rob Fitzner '80** are now at the helm. Our little sister program really got going last term and now looks forward to a spring filled with activities.

New athletic director **Jim Ferrara '81** has the house moving toward the All-Sports trophy with renewed enthusiasm. We took second place in both football and basketball this year and softball coach **Mike Ilitch '80** vows for a gold trophy.

In the past year, the house has made tremendous advances in both its physical appearance and moral spirit. A sorely needed boiler for the old wing of the house, major ceiling repairs, and bathroom renovations headed by **Curtis Matheny '81** are all welcomed changes. Having nearly 100 brothers at the end of this term has rekindled an old spirit and an ever-present driving force toward that "pursuit of excellence."

Timothy J. Hansel "E"

Mississippi State

The White Carnation Ball was held Feb. 24 with Little Sister Kim Keeton crowned sweetheart.

This semester we made the last payment on the house and celebrated by having a "Mortgage Burning Party." We were pleased to have in attendance founding fathers **Dr. John C. Mickelson**, faculty, and **Eugene Hansen**, who was accompanied by his wife, Elaine — this chapter's original house mother. A week prior to the party all the brothers gathered at the house for a work weekend. We are now having our entire house rewired.

Other plans for this semester include a Red-Buff softball game and a white water canoe trip.

Congratulations go to alumnus **Bill Tramel '75** who recently joined the Century Club, and to Brother **David Simpson '82** whose cover design made the December 1978 issue of the *Quarterly*.

John Covert "E"

Missouri

A very successful semester ended on a happy note at Mizzou with our annual Awards Picnic. Miss Susan Krost was named Delta Chi Sweetheart.

The intramural bowling team gave the house a big lift, winning its second straight championship. Brother **Nick Gray '56 "AA"** was in attendance for the exciting final match.

Scholastic improvement was a bright spot this semester, with Delta Chi moving up twelve places within the greek system. Brother **Greg Gammon '80** added another perfect semester to his collection.

Six men were recently initiated into the Bond after a productive pledgship, culminating in the finishing of a hand-carved, wooden crest for our living room. Mounted on a sheet of plexiglass, the project represents a considerable amount of work and talent.

Greek Week games turned out well for us, as we finished in the top five overall, and had very few brothers who needed hospitalization after the competitive day. Special mention goes to our little sisters who performed admirably in the greased-pig contest!

Finally, Mizzou was host to Region IV's Leadership Conference at the end of February. One hundred and twelve brothers made the weekend a rousing success, with many interesting and informative seminars. Brother **David Eldridge '79** was elected undergraduate Vice-Regent, and Brother **Rick Whiffen '78** (Delta Chi Housefather for next year) was chosen as one of the alumni Vice-Regents.

David M. Eldridge "E"

The Missouri pledge class carved this wooden Delta Chi crest for the Chapter living room and had it mounted on plexiglass. It was indicative of their talent and enthusiasm.

Montevallo

The semester got off to a great start with the activation of eight men into the Bond and three new girls into Chi Delphia.

In campus activities, eight brothers will represent the Greek system in the student government. Brother **David Wilson '80** was elected president of the Interfraternity Council.

Intramurals are going well, and during Greek Week we placed third in the field.

The Greek system at the University of Montevallo is in the process of establishing a Greek Row. We are striving to be the first to build. With the continued support of our alumni, we should achieve this goal.

David Wilson "E"

Northeast Missouri

The Northeast Missouri Chapter purchased a new house in January. This is the first permanent house that the men at NMSU have ever had and we are quite proud of it.

The chapter initiated eight new brothers this semester bringing total active membership to 36.

Parent's day was held March 31. About 40 parents attended the spaghetti dinner and auction that followed.

Delta Chi won the championship trophy in the annual Blue Key Campus Bowl academic contest. Brothers **Mike Tuley '79** and **Larry Nothnagel '79** were named to the all-star team.

Delta Chi was actively involved in two major service projects on campus this semester. We placed second in money collected for the Muscular Dystrophy Run and Brother **John Fagerlin '79** placed third in running the 1.7 mile course. Delta Chi also donated blood at the Red Cross Bloodmobile.

Spring formal was held April 6-7 at Quincy, Ill. Festivities included a banquet and dance.

Summer reunion is planned for July 6, 7, 8 in Kirksville.

Larry Nothnagel "E"

Northern Iowa

We won the overall g.p.a. for actives on campus and **Randy Arneson '79** won highest g.p.a. for a single active in the Greek system with a 3.94. He won the Hardee's Scholarship award of \$150.00 with his fine effort.

Northwest Missouri

The second semester has been a successful one for the Delta Chis at Northwest in every aspect.

The Delta Chis dominated the second semester intramurals, scoring high in basketball, wrestling, badminton, and track. **Tim McGinnis '78** paced the Delta Chi wrestlers by capturing the heavyweight Greek and all-school championship. Other Delta Chi winners were **Dave Strudloff '79** who placed 2nd Greek at 185 lbs, **Steve McGuire '79** 1st Greek 165 lbs, **Britt Davis '81** 1st Greek 135 lbs, and **Adan Garcia '79** 1st Greek 125 lbs. The Delta Chi basketball team lost a heart-breaker 45-44 to the Sig Tau's to finish up the season a second place winner, which is our best finish in three years. In the badminton competition, **Kevin Bryan '79** brought the Greek and the All-School championship trophies home to the Delta Chi trophy room. In the fraternity track meet, we placed a strong third place with **Scott Lashier '80** placing first in the long jump, **Phil Jardon '80** second in the mile, **Craig Buschbom '80** and **Mike Witt '79** placed third and fourth in the 100 yard dash.

Spring Formal was held this year at the Des Moines Hilton March 24. At the dance **Kevin Stonner '79** and **John Reis '74** walked off with the awards for Outstanding Senior and Outstanding Alumni.

The Delta Chi Scholarship Awards were presented to **Kevin Stonner '79** (senior), **Greg Whitaker '79** (junior), and **Dave Robinson '81** (sophomore).

Sixteen new brothers were initiated March 31, to bring our number of active members to 70.

Greek Week festivities were held the week of April 2-7. The week began with our chapter being selected as Best Greek Organization on Campus for the 1978-79 school year. Our Fraternity was chosen for our work with the community of Maryville, and collecting for many well known charities. Each year we collect for the Cancer Society, and for Muscular Dystrophy. We also hold a Christmas party at the house for the underprivileged kids of the community. On April 4 we held our 6th annual Swim-A-Thon for the children at the Maryville Sheltered Workshop.

Ed Wisner "E"

On Campus

Ohio State

Once again, spring quarter has brought excitement to the Ohio State Chapter of Delta Chi. Members of the Fraternity, friends and alumni recently travelled to West Virginia to white-water raft on the challenging New River. The Greek Week games quickly approached and the men of Delta Chi were again looking to defend their first place showing in the bed race and pyramid-building contest.

The chapter now has six pledges and is planning a successful summer rush program. We are building our Chi Delphia organization and just initiated six girls on the second weekend of the quarter.

Brother **Joe Manning '81** was recently elected Gray Representative to the Interfraternity Council at Ohio State. As part of his duties, he will meet with the presidents of the smaller fraternities on campus and discuss problems and solutions through I.F.C.

Mark Cross "E"

Oklahoma State

Delta Chi is an often heard name on the Oklahoma State campus and this year has been no exception. With the initiation of the fall class we now boast 67 members on campus.

On a musical note, Delta Chi again placed high in the Annual Spring Sing Competition during Mom's Weekend, capturing the second place award with the women of Pi Beta Phi sorority.

We are also proud to announce that we have inducted five new members into the Chi Delphia organization. They are actively involved with the chapter and are planning more events to take place next fall.

Our White Carnation Formal was held at the Camelot Inn in Tulsa. Chi Delphia sister Karen Schuller was chosen as the 1979 Chapter Sweetheart.

Brother **Mark Dean '79**, who was selected to serve as Executive Chairman of the Oklahoma State Homecoming, is finalizing plans for that event. He is the seventh Delta Chi in the past ten years to hold this position.

Brother **Mike Platner '79** was selected for Gamma Gamma. Brothers **Jay Hefner '80** and **Mark McDonald '81** are serving terms as senators of their college. Brother **Don Henslee '80** was selected as Vice President of Alpha Epsilon Delta. **Robert Savage '80** is serving as President of the Racquet Ball Club.

Brother **Barry Tyree '81** was elected to the position of Seventh Regimental Commander for the National Society of Pershing Rifles. He is the second Okla. State Delta Chi in a row to hold this position.

Summer Rush plans are being finalized with the appointment of Brother **Mark Truit '81** as rush director. A full calendar of events has been planned including the Delta Chi Deliverance Float Trip, a Western Party, and the Statewide Banquet. We are looking forward to a very successful rush and have set the pledge quota at 40.

Dee Daniel "E"

Oregon State

Fifteen men have been initiated into the Bond since returning to school from the Christmas holidays.

Scholastically, the house continues to improve, moving from eighth to sixth among the 28 Oregon State fraternities. Brother **Wes Hutchins '82** was initiated into the Phi Eta Sigma Freshmen Honor Society.

Intramurals are also going well as our undefeated soccer team leads the way in quest of its first all-university title.

On the 23rd of April the members and pledges of the house served dinner at a local church as our service project. The dinner was held for the foster children and their foster parents of the Corvallis area.

An "All Delta Chi Alumni Weekend" was held the 28th of April with a great turnout of alumni dating as far back as the class of 1919. The weather was great for our barbecue on our sundeck at which time **Donald Hopkins '60**, received the first annual "Alumnus of the Year" award.

Craig Spivey "E"

Penn State

Philanthropy has been the word at the Penn State Chapter of Delta Chi since the new year began. Several brothers and little sisters competed in the annual IFC Dance Marathon which raised \$75,000 for the Four Diamonds Fund. We also worked with the Alpha Phi Sorority delivering singing Valentines to classrooms,

Talent and finesse paid off for these Northwest Missouri intramural wrestlers: Adan Garcia, Dave Strudtorff, Tim McGinnis, Gritt Davis and Steve McGuire.

dorm floors, and even lecture halls for the benefit of the Heart Fund. We took special pride in the running of our seventh annual Delta Chi Marathon. This year's marathon was the most successful ever and marked the establishment of the Delta Chi Scholarship Fund for the handicapped students at Penn State.

This spring has also seen the growth of the chapter scholarship program. The expanded program includes awards to the brother with the top grade point average each term in each of the three major academic divisions, and also one for the brother who shows the most improvement over his cumulative average. To recognize alumni who make generous donations to the scholarship fund, a special award is presented each term to a brother with an outstanding academic record as well as showing leadership in chapter and university organizations.

As our White Carnation Formal and the end of classes near, we are looking forward to the return of our alumni next September to the Golden Anniversary celebration of Delta Chi's first fifty years at Penn State.

Wayne Fisher "E"

Purdue

The spring semester here at the house has left the brothers with a hope of the best fall semester ever. Our Board of Control has given us the go-ahead for major renovations this summer of the kitchen, electrical wiring and windows. Already finished are the improvements in the bathroom and the addition of one more living space. The brothers are going to come back early this fall to re-paint the chapter house and renovate the TV-lounge area.

Coming this fall (September 21) is the annual Island Fling. Each year two other fraternities in addition to Delta Chi get together to hire a well-known band and throw a party that attracts thousands of rush prospects. A big change will be the elimination of spring rush so that we can concentrate our efforts and funds into a tremendous fall rush that will be headed by **Ray Duvall '81**.

The annual Grand Prix go-kart race was held and the Delta Chi kept the lead for 50 of the 160 laps. A malfunctioning engine forced our kart out of the race. A special thanks goes to **Alan Driscoll '41** and his family for all their help. We were honored to have the Maclure women's co-op as our partners for the race.

At the Senior Banquet **Steve Matrullo '79** was named Most Valuable Senior. **Tom Ruggieri '79** cited for outstanding service and Marilyn Bury named Chapter Sweetheart.

After paying off a skin we bet with Michigan, we are anxiously awaiting once we won from Indiana, Ohio State and Iowa. This fall we'll decorate the house with new skins because the Boiler-makers are Rose Bowl bound! See you in Pasadena!

Doug Edwards "E"

Southeast Missouri

This spring the Southeast Missouri Chapter held the second annual Miss Southeast Missouri State University Pageant, a preliminary to Miss America. Miss Denise Meyer was chosen as Miss SEMSU 1979 and will advance to the Miss Missouri Pageant.

In sports this semester Delta Chi took basketball intramurals. During Greek Week the fraternity won Greek Sing and in Greek Games **Chuck Geier '79** and **Kevin Billings '78** tossed a keg 33'6" and 29'10" respectively to take the keg throw.

May 18, marked the date of the third annual Current River Crash float trip, when alumni and actives battled the elements together.

This month **Ray Galbreth "BB"** will be moving to Iowa City to assume the position of Executive Director. Next fall the Southeast Missouri Chapter will be moving into a new fraternity house. The new house will accommodate more brothers in a much improved atmosphere.

Randy Loftis "E"

Southern Illinois

More involvement and participation than ever before produced a successful spring semester at Southern Illinois.

Brother **Gary Dowdalls '81** won the Uglyman Contest during Greek Week and the Southern Illinois Chapter also won the car stuff contest. The little sisters won the softball tournament.

Brothers **Forrest Fairall '81** and **Al Gierman '81** led the furniture committee to purchase new furniture and to make other interior decorating changes.

Spring Formal was held at the house this year, April 21.

Stag Weekend was held in February with about 15 alumni attending.

Little Sister Robin Kolar was chosen chapter sweetheart.

Parent's Weekend was held April 27-29. Three top SIU administrators attended the barbecue.

Ronald Gillam "E"

S.M.U.

This semester marked the beginning of the reconstruction of the Southern Methodist Chapter. The special efforts made by our alumni to help improve the house have been extremely valuable and appreciated.

After our annual Delta Chi Derby party, the pledges challenged the alumni to a spring football game. Although the alumni proved tough, the pledges prevailed in a 19-6 victory.

Our latest service project had us answering tele-

phones for the Bob Hope Telethon. We collected donations that will fund the construction of a High School for Cerebral Palsy victims.

Scholastically, we had two brothers initiated into the Phi Eta Sigma and Alpha Lambda Delta freshman honoraries. One brother was elected treasurer of Phi Eta Sigma.

The semester ended with the activation of nine men into the Bond and nine new women into Chi Delphia.

Troy State

This spring quarter we elected new officers, initiated one man into the Bond, and sang to 17 new Chi Delphias. Judy Campbell was elected as our new Sweetheart.

Our Beach Party was held in Gulf Breeze, Alabama and our famous Luau Party was held in the spacious back yard of our chapter house. We also enjoyed another victorious challenge in Greek Week activities.

We are once again leading in points for TSU's intramural All-Sports Trophy. We placed first in football, ranked high in basketball and are presently enjoying a successful softball season.

With the help of our little sisters we won the Red Cross Blood Drive Contest at Troy State.

Brother **Forrest Latta '80** was awarded the Oxford University Summer Seminar Scholarship. He will attend Oxford University this summer. We had two brothers and two little sisters tapped into Omicron Delta Kappa, Honorary Leadership Organization, and two brothers and one little sister tapped into Mortar Board.

We ended our school year this quarter with a brother holding the office of SGA Clerk, a little sister holding the office of SGA Secretary and seven brothers and three little sisters in the SGA Senate. At the end of this spring quarter, our leadership in student government was once again demonstrated in the election of Brother **Joe Jones '81** as SGA Vice-President for the coming school year.

Jeff Andrews "E"

Valdosta

The Valdosta State Chapter is stronger than ever with spirit and optimism both high.

Winter quarter was a busy time for the Chi's as our calendar was packed with chapter and regional activities. Our newly elected officers and others went down to Tallahassee, Florida and initiated 17 fine men into the Bond of Delta Chi, at the young colony at Florida State University. Our brothers also enjoyed meeting other Delta Chis from neighboring chapters in our region at the regional convention at the University of Florida. Our chapter was also strengthened with the initiation of seven men into our Brotherhood. The quarter was highlighted with the celebration of a very successful homecoming.

Spring quarter always proves to be an exciting time for the Chi's at Valdosta State. The White Carnation Ball was held April 7, at Jacksonville Beach, Florida. Awards for outstanding achievement were also presented at the formal. **Rick Greene '75** was selected as the Chapter Luminary. **Bruce Voland '80** was selected as the Brother of the Year, and **Kendyl Strickland '80** received honors as Outstanding Athlete of the Year. **Donald N. Giles '74**, and **Robert M. White '76**, were inducted into the Hall of Fame. Miss Martine Chorb was crowned as the Delta Chi sweetheart for the 1978-79 year.

The Chis continue to dominate interfraternity athletics at Valdosta State. Our football and softball teams won the interfraternity championships. We also won the Greek Week activities for the 10th time out of 12 years.

The Chis at Valdosta finished second over-all scholastically, and our Pledge Class finished first.

As Spring quarter closes we look forward to a very successful rush and fall quarter.

Chris Whiting "E"

Washington

We proudly began spring quarter with the activation of five new men into the Bond and 40 girls into Chi Delphia. The new brothers bring this year's initiate total to 33.

Brothers **Kevin Bray '79** and **Kurt Osaka '80** each dribbled their way to an intramural one-on-one championship title, and two of our strongest hoop squads placed second in their divisions. Currently we are fielding a number of competitive soccer and softball teams, two of which are undefeated.

In varsity athletics we have two golfers, **Matt Highsmith '82** and **Brian Carroll '82** and two oarsmen, **Mark Peterson '80** and **Scott Carter '81**. Scott is again stroke oar for the lightweight boat.

Professionally, **Mark A. Peterson '80** is traveling on the B squad of the Seattle Sounders Soccer team.

Alumni relations are also looking bright. We participated in the University's alumni phone-a-thon and are presently preparing for our first annual "Alumni and All-House Spring Barbecue."

On campus, **Jeff Downer '79** is again a strong reporter for the *Daily*, and socially we've got a full quarter planned. Greek Week activities are now in full swing, and we're making an all-house effort to reclaim our title. We've just returned from a fruitful house retreat and are especially looking forward to our annual spring quarter luau.

West Liberty

The West Liberty Chapter has been very busy this year.

Our Spring Weekend was one of the best we have had in years. It consisted of a Thursday night party between the brothers, a Friday night formal dance, a Saturday informal dance, and a Sunday picnic.

Delta Chi was well represented at the Mid-American Interfraternity Council Association conference with these men: front row — Mike Gallagher, Nick Gray, Terry Telle, Steve Schude, Dwight Kensil, Jay Botsch. Back row — Rich Williams, Ken Shepard, Sam Overton, Kevin Terveer, Bill Miller, Dave Cook, Ray Galbreth and Scott Zimmerman.

Delta Chis Assume Leadership in MIFCA

On March 15-17, the Mid-American Interfraternity Council Association held its annual conference in Kansas City, Missouri. MIFCA, which is an organization composed of 112 universities from a fifteen state region, develops and implements new programs for IFC's and chapters. At the conference, Brothers Dwight Kensil, Eastern Illinois '80, was elected President of MIFCA, and Terry Teele, Eastern Illinois '80, was elected Administrative Vice President.

Attending the MIFCA Conference were many Fraternity Executives, including the Executive Directors of

The Social Service Committee has been one of the outstanding aspects of the chapter the past semester. Six brothers, **Tim Thompson '79**, **Randy Forzano '79**, **Paul Ott '79**, **Ed Gibbons '79**, **Bill Mellott '79**, and **Robin Rice '79** went to Pittsburgh and spent four hours answering telephones for the Easter Seal Telethon. Many brothers also volunteered in a local blood drive, which took place on campus. To cap this, we took part in a Bike-A-Thon to benefit St. Jude Hospital.

The intramural basketball team has had a fine season by finishing in first place. Overall, we are second in intramurals. Greek Week was all Delta Chi. We finished first in overall competition. We also finished first in four individual events: bat-in-hand, sack race, pyramid, and keg roll.

Possibly one of the most important things we have accomplished is the initiation of 16 new brothers. They have already contributed greatly to our excellent performance on campus.

The brothers are constantly looking forward to future activities. We are preparing for Homecoming festivities for next year. We will participate in the events with the Alpha Xi Delta Sorority. Finally, the Brothers of West Liberty are trying to begin an alumni chapter this spring. This will be a great milestone for our chapter.

Delta Chi Directory

TO THE PARENTS OF DELTA CHIS: Your son's magazine is sent to his home address while he is in college. We hope that you enjoy seeing it. If he is not in college and is not living at home, please send his new permanent address to Delta Chi Fraternity, P.O. Box 110, Iowa City, Iowa 52244.

POSTMASTER-If undeliverable send notice on Form 3579 to Delta Chi Fraternity, P.O. Box 110, Iowa City, IOWA 52244.
