Brief introductions

New Leadership Consultant

PAUL A. COX attended California State University, Sacramento, where he received a BA in communication studies. As a member of the Sacramento Chapter, he served as "A", associate member counselor, rush chairman, fundraising chairman, and associate member class vice president. Paul was a dorm RA, active in student government, and on the springboard diving team. His interests include water sports, skiing, tennis, soccer, softball, reading, and travel. He is looking forward to meeting and working with other chapters and colonies.

His hobby? Beatles!

Like many Beatles fans, **George Peach III**, Southern Illinois '64, watched the hot new British rock group on the Ed Sullivan Show in 1964. Unlike most fans, Peach (who, by the way, saw the TV show with his Delta Chi brothers) went on to amass a collection of Beatle memorabilia, including all their albums together and most of their solo efforts, over 50 books about them, and a 1964 photo autographed by all four. But that's not all! Brother Peach also traveled to the Beatles' hometown, Liverpool, England, visited with Al Williams, the Beatles' first manager, corresponded with George Harrison's mother, and was invited to meet Yoko Ono, wife of the late John Lennon.

Peach, circuit attorney for the City of St. Louis, recently appeared on local radio station KMOX to discuss the 20th anniversary of the release of the *Sergeant Pepper's Lonely Hearts Club Band* album. His initial impression of the Beatles was that they were having a good time and that they had a sense of humor about themselves. And his collection speaks to their great influence on popular music.

New Colony

Back in November, men from the football and wrestling teams at Northern Illinois University in De Kalb expressed an interest in forming a Delta Chi colony. With a little help from their friends at National Headquarters, the colony was organized and grew. In February, 77 men, about half of them non-athletes, became associate members, confirming their commitment to Delta Chi. Some of them are pictured above, with "A" **Chris Korflist** relaxing in front of the group.

A fan letter

To Matt Walno, Darren Duncle and the Brotherhood of the Southwest Missouri Chapter:

Though I don't know any of you personally, I have spoken with at least two of you via phone conversations, and my son met your organization during rush week.

Both he and I were impressed with the courtesy, consideration and friendliness of your brotherhood. You are an impressive group of young men.

Although my son pledged another fraternity (because he knew people already there), I did want to thank you for your kindness. When I'm in the position for donations, your brotherhood will certainly be on my list.

Good luck and God bless all of you.
Ms. Jan K. Kettell

Age Progression Keys Recovery

Chalk up another one for **Scott Barrows**. Gina Reyes, abducted by her non-custodial father six years ago is back home, thanks to Barrows' scientific and artistic background and, in his own words, "relentless" work by Detective Bill Hayden, Addison Police Department.

In August 1986 Barrows was contracted by I SEARCH [Illinois State Enforcement Agencies to Recover Children] to artistically "age" a photo of Gina at age 2. Hayden, who was following a lead in Elgin, showed Barrows' age progression sketch to grade school teachers in hopes someone would recognize the drawing. By coincidence, a little girl passing by her teacher's desk caught a glimpse of the sketch and identified the rendering as a weekend playmate. The search moved to the Chicago area where school administrators recognized the sketch. Gina was recovered in September.

This is not the first time for this scenario. To date [February '87], Barrows has used a process called "photo age progression" to update the images of 41 missing children from the continental U.S. and Hawaii. Of that number, 13 have been recovered. Barrows' sketches played a significant role in six of these recoveries. But Gina's case was different, because she is the first non-Anglo Caucasian to be successfully "aged."

To understand the significance of this statement, you've got to know something about the photo age progression process. "Aging" is a four-step process that requires an understanding of the facial anatomy, forensic anthropology, facial reconstruction, abnormal facial growth, and medical illustration.

To come up with Gina's current image, Barrows had to first analyze her facial structure from an old photograph. Next he plotted "growth points," 52 measurements on the face, such as the distance between the nose and mouth. Then he calculated the percentage change in each of these growth points, based on a number of factors, including number of growth years, ethnic background and heredity. Facial growth varies among races, so Gina's Mexican heritage had to be considered. Finally, he put pencil to paper and developed the sketch. The process takes from four to eight hours and is generally successful, unless the child has an extremely abnormal growth rate.

A clinical professor at the University of Illinois (U of I) Medical Center, Barrows and his partner, Lewis Sadler of the *Un-Children* continued on page 16

The drawings made by Scott Barrows show an amazing resemblance to Debbi and Kathy Caruso, especially considering that he had never seen them. The girls were missing and Barrows' drawings were instrumental in their recovery.

Meet Scott Barrows

Brother **Scott Barrows**, Illinois '76, does so many things that it is difficult to describe him. Two days a week he is a clinical assistant professor of bio-communication arts at the University of Illinois Medical Center in Chicago. A medical illustrator, he also has his own business, Medical Art Associates, in Naperville, where he creates "inner landscapes of the body." He has exhibited works in Milan, Tokyo, and New York City, and provided illustrations for over 75 books and 100 periodicals, including National Geographic's *The Incredible Machine* and *US News & World Report*. However, some of his most important works appear on vending machines and milk cartons.

It is as a concerned human being that Barrows uses the age-progressed imagery technique that he and fellow UIC professor Lewis Sadler developed.

The starting point is a life-size enlargement of a photograph of a missing child. Barrows makes a tracing on tissue paper and then takes appropriate measurements. Choosing statistics from documented growth information he and Sadler have compiled, he calculates changes and makes adjustments on more sheets of tissue paper. For example, the distance between the bridge of the nose and the tip of the chin lengthens as a child gets older, while the distance be-

tween the eyes changes very little. When he has finished all projections based on the child's current age, Barrows draws in eyelashes and distinguishing features from the original photograph.

The Illinois I SEARCH program and the National Center for Missing and Exploited Children in Washington, D.C. provide the original information about the missing children and publicize the final sketches. Sometimes a child is found and there is a happy ending. Out of 62 cases released, 17 children have been recovered.

But at four to eight hours per sketch, the work is time consuming, and, in order to help find children of other races, more information about non-Caucasian characteristics is needed. So Barrows and Sadler are organizing the National Research Center for the Identification of Missing Children (NRCIMC) with the College of Associated Health Professions at UIC in hopes of computerizing age progression imagery. The NRCIMC plans to offer, at no cost to the family, a national service producing age-progressed drawings for all qualifying requests.

Scott Barrows is many things: artist, businessman, teacher, family man, but above all, he is a ray of hope for missing children and their families.

By Nancy Paris

In Illinois alone, there were 1,345 active cases of missing children as of December 22, 1986. Of these, 829 had been missing for more than 30 days.

ΔX Going Strong: 3 New Chapters!

Louisiana Tech

By Robert F. Clark "A"

The men of Delta Chi at Louisiana Tech officially received their charter on December 12, 1987. It was a two and a half-year struggle that ended with a celebration everyone will remember.

It all began in March 1985. Thirty young men were pinned as associate members. Seventeen were initiated by the LSU Chapter in May. The brothers grew closer by working together toward a common goal: To be the best. Enthusiasm increased as exchanges were held with Kappa Delta, Phi Mu, Sigma Kappa, and all the others. The brothers were all motivated and agreed that Delta Chi at Louisiana Tech was here to stay. There were many long hours put in on the house, in the committees and in the active meetings held weekly. Goals were set and plans were made. The chartering petition was submitted, finally approved, and a date was set. We were really going to make it!

On that Saturday afternoon guests began to arrive at the house. Alumni participation was great, and parental attendance reached eighty percent.

A reception was held before the banquet at the Ruston Moose

Louisiana Tech brothers receive their charter.

Lodge. Mr. and Mrs. **Fred Hammert**, along with Region III Regent **Glenn Weiss** and his fiancée Lynn Ford, were warmly welcomed by the 150 in attendance. Master of Ceremonies **Mark Oliver** '90 opened the banquet at 7:00 p.m. Dean of Student Life Tom Stinson presented an excellent speech on behalf of the University.

Chartering Committee Chairman **Charles A. Cheatham** '88 gave the history of the National

Fraternity, and founding "A" **Kevin H. Simmons** '87 spoke of the founding of the Louisiana Tech Colony. ABT President **Alvin B. Kessler**, LSU '48, explained the role of an alumnus and the responsibilities he accepts upon graduation.

Fred Hammert, retiring "AA", presented the charter to **Brian K. Gorum** '88 on behalf of the National Fraternity. It was a glorious moment to be remembered in the hearts and minds of all who

The Ruston Lodge moose becomes a Delta Chi for the night.

were present. Cheers rung out through the crowd at the moment the presentation was made.

Following the acceptance of the charter, Miss Kari Aamodt was presented with flowers and named as the Sweetheart of the Louisiana Tech Chapter. Brother Kevin Simmons attempted to steal the show when he shocked everyone by proposing marriage to Miss Carrie May, who accepted.

The banquet was concluded with the singing of the Bond Song of Delta Chi. We then celebrated our triumph until the early hours of the morning.

Whitewater

By Steven D. Langlais "E"

The year 1987 ended with an exciting and emotional event. The event at hand was the re-chartering of Whitewater to its full chapter status on November 21.

Sharing in that experience were brothers from the Oshkosh, Marquette, and Oklahoma State Chapters, as well as many alumni and relatives from throughout the United States.

The evening started off with a few remarks from **Joseph Polasek** '74 concerning the first chapter and its history. **James Garvey**, former chapter consultant, talked about the new beginning. He reminded us of the hard work and fun he had in starting the new chapter. Jim grew very close to the members, and it was nice to have him back in town. **Larry Nothnagel**, Region V regent, was on hand to present the old charter to the original chapter members attending the event. Executive Director **Raymond Galbreth** was in attendance for the official presentation of the charter to **Daniel Kutz**, "A", and the chapter's sixty-three members.

The evening was one that no one will ever forget. The culmination of two and one-half years

of hard work and success had finally paid off. Through the good and bad times, we are here to stay. The Bond once again holds strong in Whitewater. "Celebrating new beginnings and long-standing friendships." — Marilyn Bugenhagen, Greek advisor.

The members of the Whitewater Housing Corporation have purchased a new house for the chapter. We will be taking oc-

Executive Director Ray Galbreth presents the new charter to Whitewater "A" Daniel Kutz.

cupancy in late May 1988. The house is located on Main Street, directly across from the university. This will once again place Whitewater in "a new beginning."

Washington State

By Michael Stone "E"

On the evening of January 30, 1988, the men of the Washington State Colony finally reached the destination that all members and associate members have worked so hard for over the past fifteen months: Chartering.

To begin the evening's festivities, a reception was held on the hotel mezzanine for the parents,

alumni, members, their dates and of course, Delta Chi National officers. "A" **Rick Felt** welcomed all to the banquet and "C" **Michael Case** gave the invocation and dinner was served. The hotel chef had prepared a cake of the Coat of Arms for dessert. The honor of cutting the cake went to the 1943 "A", **Gordon Enbusk**. Also in attendance from the 1943 chartering banquet were "D"

Vernon Divers and "E" **John Halver**.

After dinner Rick Felt, as master of ceremonies, introduced "B" **Joe Hardy** to present awards to the brothers of Washington State. Brothers **Vince Tartalla** and **Matthew Prater** were given the house inspiration awards for the guidance and support they have given to all. Brother **Michael Stone** was given the outstanding

Celebrating at the Washington State chartering banquet.

house service award for all his hard work on the chartering petition and banquet. After a heartwarming speech from our Regent **Jim Alex Jr.**, it was time for the moment that we had all been waiting for. "CC" **Michael Carroll** presented Rick Felt with the charter. The toast to the new Washington State Chapter was given by Alumni President **Tom Nihoul**.

The celebration following the banquet lasted until the early morning hours, with the song "I Had the Time of My Life," on everyone's mind. We did have the time of our lives, and all those who attended will hold that feeling in their hearts forever.

We thank all of those who attended our chartering banquet for making the evening one that will be remembered always.

Campus Scene

ABRACADABRA

Last semester's highlight was the initiation of 11 men. Not only did we welcome these new faces, we also discovered a new "personality" to Abracadabra. In the spirit of brotherhood, we started this semester with a retreat to reorganize our pledge program and intensify our enthusiasm for Delta Chi with new ideas and higher aspirations.

We look forward to our Annual Alumni Banquet to be held at the Claremont Hotel on April 16. We hope to gather immense support for this grand event which commemorates the 10th anniversary of our re-chart-ering.

We have already had a Jail House Rock party and are planning our annual spring Houseboat Weekend on the Delta River. Another weekend has gladly been put aside for a clambake in Santa Cruz. And how could we forget our alumni? Our Second Active/Alumni Golf Competition is on the way.

We are proud to report that a Delta Chi scholarship has been established by a chapter alumnus. Earnings from the endowment will provide two \$500 awards each year to qualified students. On the lighter but rougher side, Brothers **Steve Hiatt**, **Ed Callaghan**, and **Brian Silva** are again playing for Cal's Rugby Team which, by the way, is #1 in the nation.

APPALACHIAN STATE

We are proud that we attained the highest grade point average of all the fraternities here. We used this to spring into a semester of service and achievement. We are honored to have Brother Neil Linnell represent our chapter as IFC president. The fall associate member class distinguished themselves by contributing the largest number of canned foods in the history of the Watauga County Hunger Coalition.

We continued our commitment to local service by teaming up with the Chi Omegas to sing Christmas carols at the Watauga County Nursing Care Center. Our Third Annual Yuletide Celebration honored spiritual founder Sir Edward Coke. Our brothers from Georgia Southern, here for the football playoffs, joined us, as did Brother Sherman Cary, WMICH '70, our alumni programs advisor.

Brother Cary is working hard with our ABT to build our alumni program. We have instituted the "Adopt a Chapter" program which we hope will give those alumni in our state who graduated from outside our area a chapter to call their own.

ARIZONA

The past few months have been ones of change and prosperity. The winter was ushered in by the first Christmas snowfall in Tucson history! We initiated 24 men in January, and complemented this with a spring pinning of 28 associate members, the largest number among U of A's 34 chapters.

House spirit is on the rise. Brothers **Tracy Link** and **Steve Smith** are on the university hockey team, Brother **Fred Fenderson** is the Wildcat's catcher this baseball season, and Brother **Pete McCarthy** is a running back for the Wildcat football team.

A number of improvements have been made to the house. We were able to purchase new dining room furniture and a wide-screen TV, turn an old storeroom into an elaborate study room, and refurbish the house office. All this is due in great part to our alumni, and they deserve special thanks.

We are looking forward to an active semester, including road trips to San Diego and Las Vegas. The year will be topped off with our famous Del Tiki Luau, before finals.

Santa Mike Chilcoat, his helpers, and the other Auburn Colony members enjoyed the Christmas party as much as the kids did.

ARIZONA STATE

House renovation was our major project over Christmas break. We put in industrial carpet, painted the entire interior and replaced all windows with plexiglass. Our next renovation will be the Colony room.

We received a distinguished plaque for the single largest contribution to the USF&G Marc Buonicanti Fund for paralysis. Scholastically our house G.P.A. was 2.51 with a high of 4.0 by Brother Coco Brice.

The high point of our social calendar was the largest all-Greek party in ASU history. Over 5,000 Greeks attended the occasion hosted by Alpha Tau Omega for M.D.A.

In intramurals, our volleyball team reached the semifinals. Brother Tony zumMallen finished tenth in a fierce badminton tournament.

AUBURN COLONY

This fall major renovations were made to the house. The brothers repaired or replaced everything that had been damaged and even built a 16' x 40' stage/deck behind the house.

During fall quarter we held two philanthropic events. The Alpha associate member class provided a Thanksgiving dinner for a needy family. In December, with the cooperation of the Lee County Health and Human Resources Department, we sponsored a Christmas party for 26 underprivileged children. Santa, Brother **Mike Chilcoat**, and his helpers presented gifts to each of the children.

As winter quarter rolled around we initiated four men and pledged eight others.

AUGUSTA

We celebrated a great year with a Christmas Party for the alumni and friends who have supported us throughout the year. We shared with the community by contributing to the Augusta Empty Stocking Fund.

Winter quarter began with a strong rush, enhanced by the visit of Leadership Consultant Mike

Moskos. His insights will help us become a much stronger chapter.

Our delegates enjoyed the Region VIII Conference at Florida State and brought back helpful information and a stronger bond in Delta Chi. When they returned we held a successful Tuition Raffle, with part of the proceeds going to the Boy Scouts of America.

We are anticipating a great homecoming highlighted by a reception for the alumni. Our big event of the term is our annual Alumni/Active Tackle Football Game. We plan to soothe our bumps and bruises with the upcoming Hurricane party. We hope for a successful year for Delta Chi.

BALL STATE

Winter rush was a great success. Our associate member class of 40 men brings our total membership to 119.

February was very busy as we hosted the Region V Leadership Conference. We celebrated our thirtieth anniversary February 8, and February 13 we combined our Founders' Day and Closed Dance celebrations.

We are striving to utilize our manpower to help the Muncie community. The highlight of our philanthropic efforts will be the return of Delta Chi Pig roast with Pi Beta Phi sorority this spring. We will also sponsor an all-campus softball tournament. Our first annual Ed Coke Alumni Golf Classic is being planned for August 6.

BUFFALO

Our Community Service Committee sponsored a Halloween Haunted House for children and gained much positive support and recognition from area families. We also made the playoffs in the volleyball marathon tournament to raise money for the United Way.

This fall pledge counselors Alan Harshary and Mike Aw saw nine of their pledges initiated into the Bond.

Our semester will start off with our Toga party and will be highlighted by our fourth annual Mudwrestling Spectacular.

CENTRAL MISSOURI

Spring semester began with the initiation of 18 brothers, bringing our active membership to 65.

Our chapter held another successful blood drive. Supervised by Brother **Darren Schneider**, we collected nearly 500 pints. Our second annual golf tournament last fall was also a success. The turnout was great, and everyone is excited about the next one this spring. Brothers **Mark Curtis** and **Kel Denker** organized the tournament, which raised \$800.

Brother **Andrew Klinghammer** was the first recipient of our ABT Scholarship Award to honor his outstanding academic and fraternal achievements.

On the intramural scene, Brothers **Curtis Sexton** and **Rodney Orr** finished first and second respectively in the All-Greek billiards tournament, and Sexton went on to take second in all-campus.

House improvements have been a major goal this year. Our chapter room is in the process of receiving new furniture, carpeting, and a video center.

Our First Annual Grape Stomp, held at a nearby vineyard last fall, consisted of nine sororities competing in a series of events. Social chairman **Todd Pfeiffer**'s planning and organization resulted in a "grape time" for everyone!

CHICO

The semester began with the initiation of 19 men and two alumni. Many thanks to the alumni who assisted us with the ritual.

This fall we were co-champions in the Greek football league, finishing with a perfect 6-0 record. Currently, we are only 60 points behind the leader in Greek Cup competition. We plan to make a strong finish with our talented floor hockey, basketball, and softball teams.

Not only are we a force on the sports field, we are also winners in the community. We participated in two major philanthropies this semester and various small ones. We won the annual Thanksgiving food drive by raising over 2000 cans for the needy of Chico. Also, the brothers and the Association for Retarded Children cosponsored a Christmas party.

COLORADO

Fall semester started off with the Mudfest Volleyball tournament which raised \$4000 for the Muscular Dystrophy Association. A wave of unity followed including the rushing and pledging of a fine class of 17 men who are now full members of Delta Chi. Their first pledge project was to decorate the house for the "Showboat Chi" date party. Couples, dressed in mid 19th-century garb, were bussed from Boulder to Denver to dine on fine Cajun cuisine. After dinner the guests returned to the house, completely converted to a riverboat inside and out.

House improvements have been made. Wall to wall carpeting and padded benches contributed to the long overdue remodeling of the TV room.

Athletics went well for us with semifinalist teams in both football and basketball, and our two hockey teams are in the process of defending their first-place titles.

CONNECTICUT

Service events this past semester have proven successful as we helped the Arthritis Foundation Annual Balloon Launch, and the March of Dimes Raffle. The ticket sold by a brother to Miss Lauren Kohl of Storrs turned out to be the second prize ticket, winning her a trip to the Orange Bowl in Miami. Events have been planned for the spring with Easter Seals and Cystic Fibrosis.

Decorated in the Christmas spirit and featuring a tree in the living room, the house was again the site of the Christmas Semiformal. Everyone, including

several local alumni, gathered for an enjoyable, catered event.

Over winter break several brothers got together to work on the house. Several rooms were painted and all of the first floor was sanded and given fresh coats of polyurethane. This worthwhile job took a full weekend and left the house in great condition for the upcoming rush.

Congratulations to our "A" Seth R. Greenspan, for being initiated into Eta Kappa Nu, a national engineering honor society.

CORNELL

In fraternity athletics, **Nelson Woerhle** won the squash title and our basketball team has clinched a playoff bid. Led by **Deren Haneslan**, the hockey team is off to a strong start and house jock **Paul Albanese** reminds us that we are in the running to win the All-Sports title.

Work on the Century Fund continues. Phonathons, letter writing, and receptions on The Knoll are planned. Our goal is renovating the Founding Chapter for the Centennial, including installing a new heating system, revamping fire escapes and doors to meet safety requirements, fixing leaky plumbing, and establishing a permanent library to house our law collection and Delta Chi memorabilia. If you would like to make a donation or have any suggestions for the Century Fund, please write to **Monte Frank "E"**, at the house.

CREIGHTON

We captured an impressive win in the All-Greek Games. Individual champions included Brother **Mark Bolin** in Arm Wrestling, and Brothers **Greg Skaggs**, **Glenn Pekar** and **Brian Leong** in the Charlot Race.

In other university competition, we were a strong second in the "Yell-like-Hell" Homecoming Pep Rally Contest. Especially creative contributions came from Brothers **Mike Callahan** and **Mark Cipolla**.

On the intramural scene, we were a force to be reckoned with as we fell just short of retaining last year's championship in IM football.

In other news, Brother **Chris Whittry** donated his car to the first ever Delta Chi "Le Car Bash." The demolition turned out to be a great stress reliever and even attracted local newspaper coverage.

We continued our promotion of the Delta Chi family as the 3rd Annual Parents' Weekend and the 1st Annual Alumni Homecoming were warmly welcomed by the brothers. Further family identity was gained as 5 more brothers were initiated.

After a cooperative effort by the brothers, we received the National Chapter Award from the Delta

Chi Educational Foundation for the '86-'87 academic year. We gratefully accepted the award with determination to continue our academic success.

DENISON

We had one of our finest semesters ever this fall. We took in 20 associate members to raise our membership to 54. Thirteen of our new members are varsity athletes.

We finished last semester with the highest grade point among all fraternities for the fourth semester in a row. Seven members placed on the Dean's List, including three associate members.

Our academic achievements, though, have not taken away from our athletic dominance. We won the fall basketball intramural league and moved to first place in the overall standings.

Our new ABT met for the second time and then met with university administrators to discuss a \$100,000 renovation of our house which we still lease from the university. These plans are now finalized and work will have already begun when this *Quarterly* is published.

DEPAUW

Most students on campus in January took classes on current events and topics or served internships in the Greencastle area. Many Delta Chis studied abroad in such countries as Russia, Italy, France, Austria, and Guatemala. Doug Driemeier is studying in Spain, and Dave Hinchman and Dennis Stehlik just returned from England and Yugoslavia, respectively.

We again won the intramural ultimate frisbee championship. Overall in the intramurals, we are among the top five and are only 20 points out of first place. The Little 500 bike race is quickly approaching and we want to improve on last year's second-place finish.

We are planning to hold an outdoor barbecue along with a Parents' Club meeting and the Delta Chi Achievement Awards ceremony during Spring Parents' Weekend in April. June 3-4 is Alumni Weekend at DePauw, and members of Delta Chi will be at the house to welcome returning alumni.

Jeff Monday rolls along in the tricycle race — a small part of the All-Greek Games at Creighton. Delta Chi won it all!

A March of Dimes representative is pleased to receive a check from **Seth R. Greenspan**, "A", and **Mark D. Auletta**, service chairman. The Connecticut Chapter raised the money in a fall raffle.

EASTERN ILLINOIS

December 5 marked the initiation of 15 brothers, raising total membership to 65. We celebrated our 20th Homecoming with one of our best turnouts ever.

The spring semester is about as full as it can get. Our annual pageant (Miss Charleston-Delta Chi) has been changed to the Miss Lincoln Trail Pageant and is set for April 2. Spring Formal is in the works and the end of the year Alumni/Active Picnic E.Q. is scheduled for April 30.

EASTERN WASHINGTON

The past quarter has been good to us. We finished second in intramural football and have kept our house GPA at a respectable 2.95 for fall and 3.1 overall.

Fall rush was the most successful it has been for all Greeks in the recent past. We are growing rapidly at EWU and are getting more involved campus-wide. This past week IGC put on a Drug and Alcohol Awareness week and in coming weeks will meet with our new university president to express our concerns and ideas about the future of Greeks at EWU. Also, IGC is working with the athletic department to promote EWU basketball and sponsor theme nights at the games. February 27 was Toga night at the game against rival University of Idaho. After the game Otis Day and the Knights rocked the crowd, while the day before Delta Chi held our fifth annual Toga Bash.

FLORIDA STATE

Spring semester brought the pledging of ten associate members. With the leadership of **Jack Isaacs**, we are looking forward to bringing these men into the Bond.

January 22-24 we hosted the 1988 Region VIII Conference. During the Conference, we presented "AA" **Larry Audlehelm** and "CC" **Mike Carroll** with the final payment of our debt to Delta Chi.

During the winter holiday, Housing Chairman **Bob Kozilk** completed work on a new DJ booth and a new ceiling for the Chapter Room. In intramurals, we won our fourth consecutive campus wrestling championship. We are currently second in the intramural standings.

We expect over 1500 to attend our fourth annual Bahama Mama party in March. All proceeds will go to Easter Seals.

GANNON

We are steadily growing with only one brother graduating this term. We are enthusiastic about improving relations with other chapters in our area, and hope to share ideas on coordinating new events.

A host of activities has been planned for the new semester. Our campus is changing "Greek Week" to provide more functions with on-campus sororities. Our chapter will be sponsoring a couple in the Annual Muscular Dystrophy Association Dance Marathon coordinated by the University.

GORHAM STATE

We have had a productive fall semester. Our house is looking better and better. The chapter room, which will be dedicated to **Peter Spencer**, is almost completed. Alumni **Dan Gearan**, **Phil Allen**, and **Bruce Childs** have spent an enormous amount of time on this project.

Our fall dry rush campaign was something new this year. The result was nine men initiated.

Brother **Ben Keene**, our public relations chairman, directed our fundraising drive for M.D.A. All the brothers contributed time and effort to raise the money for our goal.

Our football team did exceptionally well this season. Through tough practices, we were able to beat Tau Kappa Epsilon 21-12 to enter the playoffs. The game, which Vice-Regent **Bob Burns** attended, was a strong show of brotherhood — the key to our victory.

HOBART

April 24 marks the 40th anniversary of the founding of our chapter. We encourage all alumni and friends to attend a special alumni weekend April 22-24. Join us Saturday for the Hobart-Penn State lacrosse game and see the Statesmen on their quest for their ninth straight Division III National Championship.

Scholastically, socially, and athletically, we are setting standards of excellence. Winter term began with a very successful and well-attended rush program. Again we produced one of the largest pledge classes on campus with 20 associate members. With three new brothers from the fall pledge program we are now 50 brothers strong.

Our alumni association has been making an outstanding effort to assist us in our acquisition of a sound education. Our recently completed library has provided us with a badly needed quiet place to study. Our chapter GPA is on the rise and we are setting higher goals for the future. Brothers **Dave Hoyt** and **William Brown** were the recipients fall and winter term of the **Dewitt Loomis Scholarship** established by Brother **Greg Jones '87**.

Athletically the chapter is continuing to field excellent intramural teams. This winter the hockey and basketball squads were particularly successful.

If we can be of any assistance with your alumni weekend plans please write or call Brother **David Kahn "E"**.

HUNTSVILLE

A special thanks to **Mike Moskos** for helping us with the reorganization of the chapter. Also playing key roles were **Greg Cox**, **Michael Clayton**, and **Brian Godsy**. Twelve associates were initiated during the winter quarter, bringing the total membership to 19. The spring associate class is expected to be at least ten. Thanks to the Montevallo Chapter and to all the alumni who helped out during this "first" initiation.

Delta Chis can boast the best GPA of any fraternity on campus. Our overall 2.69 out of 4.00 has been the highest this year.

With the help of **Leroy Mendenhall** and others we have organized meaningful retreats which have already

motivated the new chapter to make long strides toward being number one on campus. Organizational skills, goal setting, and rush have been the primary focus of retreats so far.

IDAHO

We began second semester on a high note by finishing first in grades in the entire Greek system. Brother **David Tapp** achieved a 4.0, and over half of our associate members obtained a 3.0 or above. We pledged three more men at semester. We recently initiated 16 of our 19 associates to break the 1000 member mark, something achieved by only a handful of Delta Chi chapters.

February 13, Idaho was the host site for the 1988 Region I Conclave attended by over 100 members and associates from Idaho, U of W, EWU, Oregon State, and Washington State. Also present were Executive Director **Ray Galbreth**, past "AA" **Bob LaBouy**, and Regent **Jim Alex**.

At the beginning of second semester we were tied in a tight race for the intramural championship. We won a very competitive swim meet, and with our strong events of basketball, softball, and skiing yet to come, we have a great chance for first place.

We hope the success we achieved last semester will carry us to a long-sought Greek Week win. Second for four years in a row just isn't enough — this year we want the win.

Our heartfelt congratulations to the men of the Washington State Chapter on their recent Chartering. Although their banquet was the same night as our initiation ceremony, we managed to have a few brothers attend. It was a memorable occasion and we were honored to be present.

We are taking a very active part in the Centennial Birthday of the University of Idaho this year.

ILLINOIS

This fall we initiated seven men and celebrated with a party. Next came our annual Block party with our neighbors, AGR. With an exciting new band and over 5,000 guests, we made it into an incredible informal rush party.

Socially, this has been an outstanding semester. In September, we began our football block with the women of Alpha Chi Omega. To round out our social program we had three exchanges and our pledge dance.

We have a number of brothers on Illinois squads: **Brian Menkhausen**, quarterback for the fighting Illini; **Jeff Dressander**, manager for the fighting Illini; **Scott Peterelt**, varsity cheerleader; **Mike Plowman** and **Jeff Woodcock**, varsity wrestlers; **Derrick Sammons**, Illini Hockey Club; and **Drew Johnston**, Illini Lacrosse Club. Our intramural program was also strong. The football team finished in the finals again; the volleyball team won the Greek tournament; and our soccer team proved to be very strong, taking second place in the fall tournament.

INDIANA

Although the winter cold is upon us, the brothers are warming up with a semester filled with challenges. Currently, we are preparing for I.U. Sing, the annual campus musical competition, with our sorority pair Alpha Xi Delta. We are also challenged to maintain our current first place intramural standing, having already achieved softball, volleyball, and cross-country championships.

Kelly's Wake and a spring formal in Louisville are two dances leading up to the Little 500. Our Delta Chi Bike Team is working toward breaking away to an unprecedented eighth victory. The race, complemented by a week of parties, is definitely the highlight of the semester. Above all, with 20 initiates and a pledge class of 15, we are entering a warmer spring with the strong brotherhood which characterizes our chapter.

IOWA

The fall semester ended with the initiation of 17 men. Present were "AA" **Larry Audlehelm**, whose father-in-law was activated, and Brother **Boyde Boehlje**, whose son became a member of the brotherhood. We extend our appreciation to all alumni who were present, and especially the brothers from the Iowa State Chapter.

We are full swing into the spring semester with an active chapter of 82 men and looking forward to an associate member group of 20. The schedule of events looks to be full and competitive. And the Flamingo Formal, held in Lake Geneva, Wisconsin, March 6, was a perfect break in the semester for a fun weekend.

When we came back to school in August we were delighted to see another Delta Chi President's Cup for the Red Division on our mantel. This is the third cup we have received in the last four years.

The chapter newsletter has a new staff and there is rumor of new life in the program. Brother **Dwight Kellicut** has been talking about more alumni involvement. Anyone interested in helping out please contact Brother **Mark Pfeller** at the chapter house.

IOWA STATE

Spring semester got off to a great start with the activation of two brothers. Our spring formal was held in Clear Lake the weekend of February 27. Greek Week will be March 30 to April 6, and VEISHEA the weekend of May 5-7. Plans are already in the making for our VEISHEA novelty marching unit.

For the third year in a row, we will be joining forces with the community of Ellsworth to raise money in their annual "Casino Night." The money raised is used to improve or develop areas within the community.

Once again, we are a strong contender for the broomball championship in intramurals. For the first time in several years, our house has organized a hockey team. It is doing well and looks like the team to beat.

With all our activities, we still continue to improve our academic standing in the ISU Greek System.

We extend a hearty and sincere welcome to any brothers who may find themselves in the Ames area.

JACKSONVILLE STATE

Delta Chi, the oldest social fraternity here, was first recognized in 1969. Since then we have become involved in numerous activities on and off campus. The Chis here believe in individualism and growth among brothers, and the society they live in.

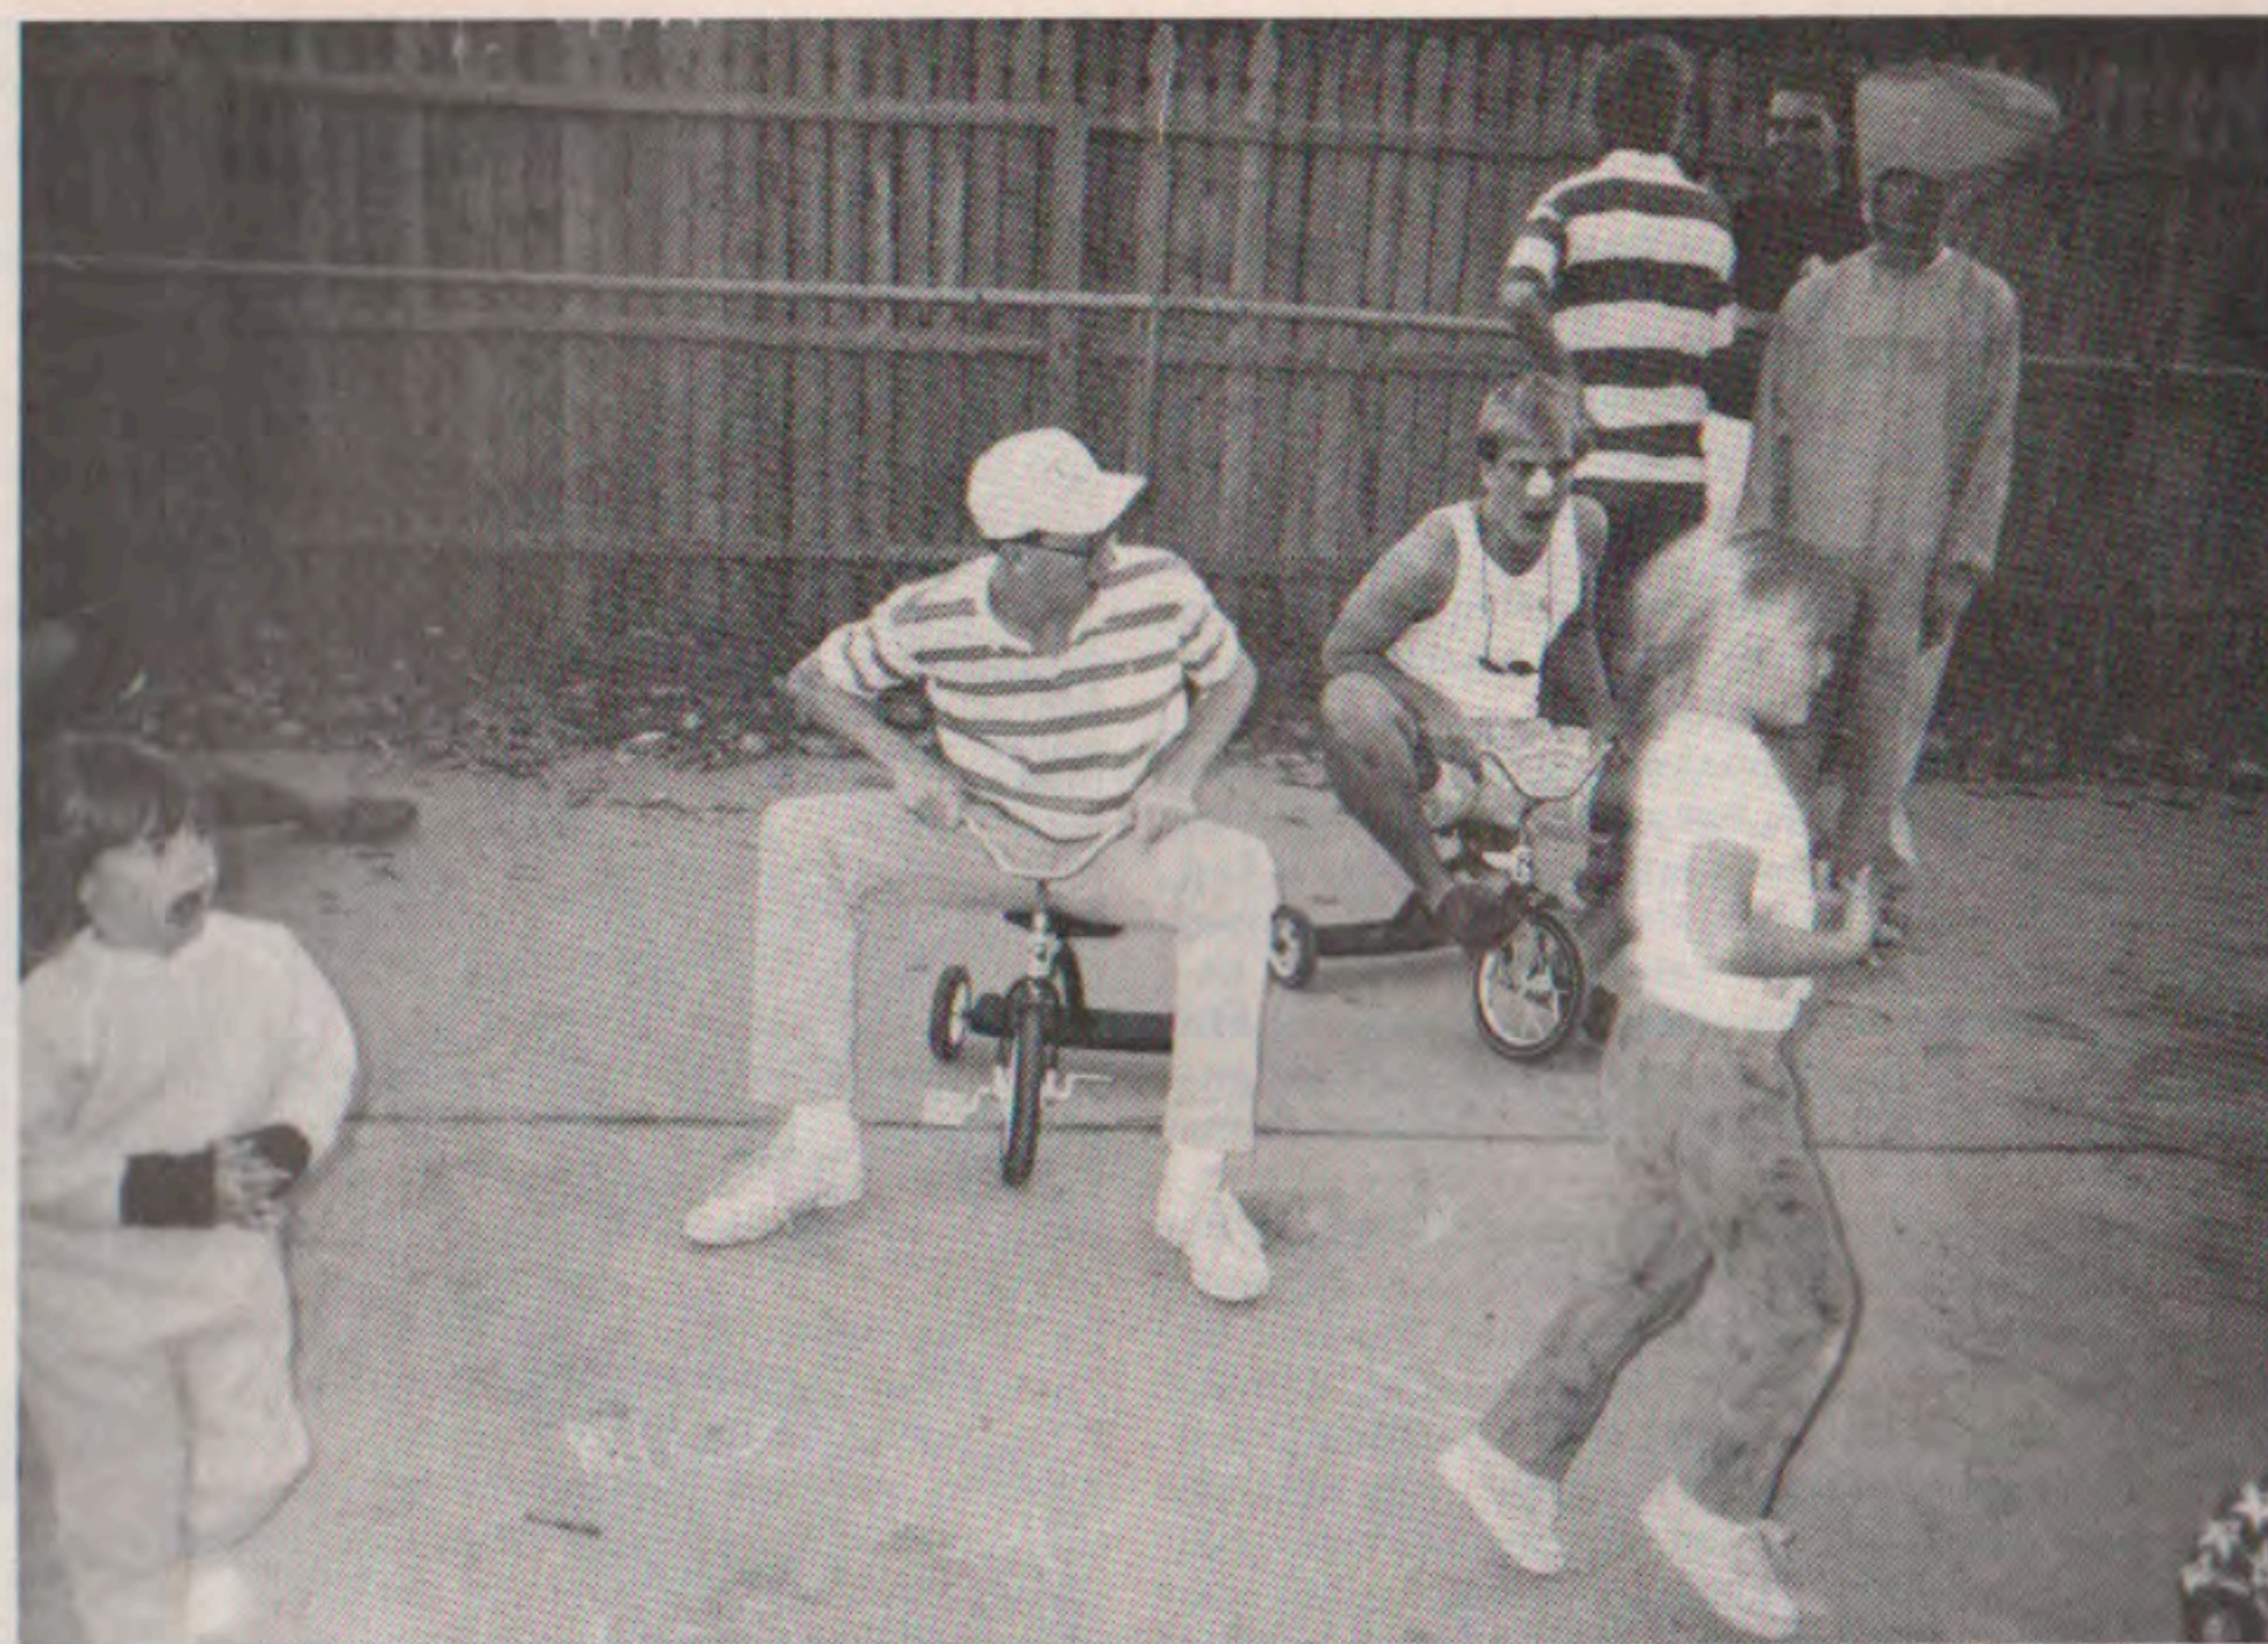

Socially we have a full schedule each semester. This semester we will hold our annual Spring Formal at Ft. Walton Beach, Florida. The 19th annual Indian party is another important event. This is a two-day celebration that gives alumni a chance to return to their chapter and meet the new brothers.

In addition to intramural and Greek Week activities, we are involved in community service. The brothers sponsor canned food drives for needy families in the community, participate in Alcohol Awareness Week, and collect donations for the Salvation Army and Special Olympics.

JOHNSTOWN

Rush is going well, and the quality of prospective members is good. Our Las Vegas Night held in late February to benefit the unemployed of Johnstown was a big success. Just as successful was our fraternity formal held in mid March. Hidden Valley, a local ski resort, hosted the event which was attended by all of the active brothers and a large crowd of enthusiastic alumni.

Our intramural program was successful in acquiring its fourth intramural championship. Victories in football, soccer, and track and field were instrumental in Delta Chi's balanced attack.

Will the real preschoolers please stand? Iowa Associate Members **Jim Foreman** and **Doug Hamelburg** try out the tricycles at a local day care center while **Gumby (Brad Relch)** waits his turn.

Newly built bookshelves in our house library have added incentive for scholastic achievement as Delta Chi's grade point average continues to rise.

Summer party plans are well under way. We anticipate the same success that has been achieved in recent years.

KANSAS

We continued our strong academic tradition by achieving a 3.08 all-house GPA, placing us second on the hill for the third consecutive semester. The pledge class beat every other pledge class with a 2.98 GPA. Over 20 men were recently initiated into the Bond, and we signed five pledges into the second semester pledge class.

Our current fourth place ranking in athletics should improve after an expected strong showing in basketball, floor hockey, and racquetball.

We urge all area alumni to attend our annual May Meeting on Saturday, May 7. The main emphasis will be our proposed renovation and expansion. The chapter has been actively involved in several fundraising efforts to match a \$10,000 challenge by one of our prominent alumni, **Forrest Hoglund**.

KANSAS CITY

We have taken on a new face this semester, a painted face to be exact. The UMKC Kangaroos are our new NCAA division I basketball team and Delta Chi was ready to cheer them on. The team noticed our obvious enthusiasm and came to one of our functions to meet us. Our own intramural basketball team is in full swing, and we are organizing an indoor soccer team.

April is an important month because we have the opportunity to assist an area school for handicapped children by making and selling homemade pizzas. It gives us a chance to see the results of our hard work, and it is well worth it to see those kids' faces!

Our alumni newsletter, *The Scimitar*, has proved to be a great link between the chapter and the alumni. Many alumni were helpful in the location of lost brothers. Their responses have come from across the country.

KENT STATE COLONY

We are proud to announce that eight men were initiated into the Bond of Delta Chi in January. The new founding fathers were amazed at the diversity of chapters present at the ritual. Assisting in the ceremony were Brothers **Chris Johnson** of the Kentucky Chapter; **Jeff Albright**, who represented the chapter at Chico; **Marty Alferts** from the Louisville Chapter; and **Brian Maurer**, who represented the Purdue Chapter. We were also honored by the presence of Brothers **Earl A. Brown**, Ohio State '31, and **Warren Jones**, Ohio State '32, at our ritual.

The new brothers have become the "backbone" in building and strengthening the colony. In February we hope to initiate some new, good men as associate members who would be proud to call themselves Delta Chis.

Johnstown "A" **Jeff Mosebach** looks for a Delta Chi connection.

L.S.U.

We are facing a spring semester full of new opportunities, new challenges, and of course, plenty of fun. We began with the initiation of 18 brothers. It appeared that we would finally finish paying off our debts by February and end the semester operating in the black. However, a past accounting error was discovered which kept us from attaining that goal. With the help of our outstanding ABT, we are continuing to keep our spending to a bare minimum until this situation is resolved.

Chapter morale was shaken slightly by this unexpected turn of events, but was soon improved by other activities. Exchanges with ten sororities, Red and Buff Formal in Destin, Florida, and the annual South Seas and Jam-Jam celebrations kept us extremely busy socially. In athletics, we competed in basketball, floor hockey, and softball, and we improved our record from last spring in each of these events.

Finally, we continued renovation of the house by adding blinds to our Old Chapter Room and carpet to our library, both items having been donated by one of our fathers. We also welcomed Jim Smyth, our new "BB", as our new house father. Though the brothers here are struggling through a very difficult time, we have still managed to keep our Delta Chi spirit and brotherhood alive and well!

LEHIGH

We fared well last semester, ranking eighth academically out of 32 fraternities, and we continue to have a strong intramural sports program. For the eighth year in a row, we took the weightlifting crown, led by captain **Chuck Bartlett**. Record-breaking performances came from "BB" **Mike Sutter**, who lifted 740 lbs in the 185 lb weight class and Brother **Scott Hanson** who lifted 745 lbs in the 195 lb weight class.

We are starting this term with 12 enthusiastic associate brothers, and hope to wind up with a few more by the end of post-rush.

Late last semester, we participated in a day-long charity bowl-a-thon. The televised event raised nearly \$2000 for the Cystic Fibrosis Foundation. We had a terrific alumni turnout for Lafayette weekend, as Lehigh won their first football game in historic Taylor stadium.

LIVINGSTON

This has been a busy year for us. Our many service projects have put us in the lead for the Margaret Lyons Community Service Award, a highly sought award. We have many projects lined up for the rest of the year, and each will gain points toward this award.

Brothers Mike Trout, Noah Kofman, and Shields Finney were among 29 students selected from Livingston for Who's Who Among Students in American Universities and Colleges. Brother Trout was also

Kent State Colony members make Delta Chi a big name on campus.

Initiated into the Blue Key Honor Society and Omicron Delta Kappa Honor Fraternity, while Brother Kofman is already a member of both.

Our 20th anniversary homecoming during fall quarter was a great success. About 150 brothers, alumni, and guests attended the party, which featured a live band.

LONG BEACH

The fall brought us 16 new members, and with the transfer of several brothers, we experienced a 75% increase in growth and in budget.

We opened spring semester with a retreat in the Sierra Nevadas. The sun and the skiing filled our hearts with nature and a renewed sense of brotherhood. Presently, we are diligently working on all the special events that will surround our annual "Black Hole" party May 21 so that it will again be a huge success.

Finally, a special recognition is in order for two alumni who have sacrificed so much for our chapter over the years. **Kevin Morrison**, our "BB", and **Rick Olsen**, our ABT president, have contributed a great deal to our success.

LOUISIANA TECH

Greetings to you from the newly chartered Louisiana Tech Chapter. Our chartering was a complete success, with a large attendance at the banquet December 12 and an inspiring presentation of the charter to our "A" at the time, Brian Gorum, by Brother Fred Hammert.

But as proud as we are of our chartering, we must look to the future. We have installed a new executive committee. We are presently in the midst of a strong rush and are expecting 15 to 20 men to respond. Social events include a Hawaiian Luau complete with a roasted pig, regular TGIF parties, and exchanges with several sororities on campus.

In addition, we are trying to upgrade our housing situation. We are looking into the possibilities of either purchasing and renovating our present house or purchasing another house which is larger but not and conveniently located. We are expecting tremendous strides forward now that we have the milestone of chartering behind us.

LOUISVILLE

Fall semester ended on a high note with the initiation of 16 new brothers. Delta Chi was honored Homecoming Week by winning first place in the float competition and being presented with the Spirit Award.

Our service projects included helping park cars for the Louisville Jaycees and collecting food during Christmastime for the Dare to Care organization.

On a chapter weekend retreat at Otter Creek, Kentucky, we experienced a goal-setting session to help determine a direction for our growth. We expect the benefits of this session to show up in the spring semester.

Our primary goal right now is funding and building a new house. All fundraising efforts will be directed toward realizing our dream house, perhaps, with luck, in the next two years.

MARQUETTE

Our winter pledge class has impressed the brothers in the house, and we are looking forward to their entering into the Bond.

January 23 we had an alumni/active softball game in the snow. While the alumni had much advice to give, we were still able to defeat them, 16-9. Afterwards we had dinner together.

During rush week we sponsored a showing of "La Bamba" at the varsity theatre. This not only benefited us financially, but also let Marquette know that Delta Chi is leading the way.

Our Alumni Spring Formal is set for April 30 at the Marc Plaza Hotel. This year we will be honoring the pledge classes of 1978 and 1983. We plan for another good turnout.

MARYLAND COLONY

As the new year began, our first pledge class was initiated. With nine new initiates our colony now includes 24 brothers. We are all working hard for the Beta class spring rush.

We have new direction now that **Jim Ferrara** has joined us as "BB". Brother **Mike Delnegro** received the honor of the Merit Scholar Award upon his return from Christmas break.

We are now looking forward to Maryland's upcoming Greek Activity Festival, Greek Week.

MASSACHUSETTS

This fall the chapter football team posted its most successful season in three years. A strong fundraising committee produced several successful philanthropic events, beginning with the annual interfraternity plant sale, followed by a telethon for the Newman Center, and a Halloween Drive for UNICEF. The semester was topped off with a \$1600 raffle with a percentage of the profits going to the National Cancer Society.

Socially, we had a great semester with many exchanges with sororities and the girls from the five-college area. Our Halloween costume party was a smashing success, and everyone enjoyed our Annual Hayride. Finally, our Christmas Formal ended the semester with the alumni and undergraduates all enjoying the seasonal spirit.

In conclusion, we would like to express our gratitude to our new alumni board of trustees which has been working hard to better our chapter.

MIAMI

Our chapter continues to improve. We renovated our Alumni Room using \$2000 raised with a T-shirt sale organized by Brother **Karl Stickel**. We added a new ceiling and new walls.

We have enhanced our visibility with two very successful open parties. Thanks to these parties, we were able to be selective during winter rush when close to 200 rushees came through. We have enjoyed three sorority parties this semester and are looking forward to two more.

We are most excited about our improved athletics. We are in first place in our division and ninth among all fraternities. Our softball team was ranked ninth on campus; we were football division champs; and we came in third in both tennis and racquetball doubles in all-campus tournaments. Overall, all of our major sports teams have made the playoffs, and our hockey team is currently tearing up the fraternity league.

MICHIGAN

Our winter rush was extremely successful this year. We kicked off rush with a Music Video Party, and the rushees were very impressed with the nine big screen televisions in the dance room. We have five associates for the winter term.

We are still working on our social calendar, but several things are final. Our spring formal will be in Chicago this year. We have several road trips planned, and we have alumni activities in the works. (If you are an alumnus who hasn't been contacted for quite some time, maybe we don't have your address. Feel free to update us.) Greek Week isn't far off, and we have our eyes on regaining the Greek Week Championship.

As far as the house goes, we've been busy. We've begun to repair the main stairway bannister. The roof also has been tabbed for rebuilding and new shingles.

MINNESOTA

With the winter quarter upon us, we activated 12 men. Our latest philanthropy projects went extremely well. We were involved in both the Greek Blood Drive and the Greek Scholarship Fund Dance.

House improvements included new cedar paneling for the chapter room and a new locking system for the doors. We are also looking forward to the remodeling of the living room and the installation of a new door bell.

Parents' Day is drawing near and we cannot wait for our parents to join us at our Open House. As for the Delta Chi Winter Formal, it was one of the most successful events of the quarter.

We are very pleased to have Brother **Scott A. Gilcrest** as the newest member of our growing ABT. Brother Gilcrest will be serving as the secretary and scholarship chair. We would also like to thank the ABT for hosting one of the best retreats we have ever had.

MISSISSIPPI STATE

In intramural athletics all of our teams' combined winning percentages equaled a superior 78%, a feat all MSU was talking about. Our winning tradition

Who's on first?

Call on **Nick Waller**, team captain, for baseball, boxing, and hockey; **Joe Gerth** for baseball and football; and **Mark Shacklette** for basketball. What are these guys — super jocks? No, they're the Delta Chi team that won a University of Louisville contest to qualify for the Boardwalk and Baseball Super Bowl of Sports Trivia contest held in Orlando, Florida, in January. The brothers estimate they spent several hours a day for about three weeks (after finals ended) preparing for the national contest. The team won three rounds, securing a portion of the \$50,000 purse, and was defeated in the semifinals. Thirty-two colleges participated in the competition, which was sponsored by Ohlmeyer Communications for ESPN. The Delta Chi team will appear sometime this spring on ESPN's weekly segment of the sports trivia contest.

continued into December with our choir winning the 1987 edition of the Mississippi State IFC/Panhellenic Greek All-Sing. That silver platter looks very good in our library.

Brothers **Jim Weems** and **Roger Clapp** were initiated into Phi Kappa Phi, MSU's highest honorary fraternity. Tom Massey and Todd Gandy were chosen as two Outstanding Young Men of America. Lee Stubbs was the Student Association's director of public relations, and Todd Gandy was elected vice-president of the Roadrunners, MSU's student recruiting team.

This spring we initiated 12 members and have a busy rush schedule. We are also looking forward to the first Annual Delta Chi Four-Man Scramble and the Super Saturday Wet 'n Wild Weekend with our annual party, the biggest of the year, Togafest.

MISSOURI COLONY

We are one year old! With membership surpassing 70, we are the fastest growing fraternity on the campus. And, as a matter of fact, we initiated more members than any other colony or chapter nationwide.

A major concern of both members and alumni is housing. The colony will not reside at its present location next fall. However, there are several properties being looked at and there will definitely be a Delta Chi house at Mizzou. With help of parents and alumni, a task force is being formed to explore the possibilities of building a permanent residence on campus.

We have on our calendar of events two philanthropy projects, participation in a Rock-a-Like contest for Multiple Sclerosis, and a project to raise money for Special Olympics. Also on the calendar is an Alumni Day in March, and the second annual Alumni Golf Tournament in June. Plan to attend these events, they will be very enjoyable.

From Brother **Mark Sluss** "BB", and the new executive board, Brothers **Mike Walsh** "A", **Dan Muckenthaler** "B", **Mark Siebert** "C", **John Kruse** "D", **Mike Jackson** "E", and **Scott Stottmeyer** "F", we challenge each and every alumnus from Mizzou to pledge his support to the colony. Drop us a line or even better, come visit us in Columbia. You will be proud of our accomplishments, and we've just begun. Delta Chi is flying high at Mizzou!

MONTEVALLO

We held several large parties this fall including our annual Rush formal, Halloween party, and annual Christmas party. We also enjoyed visiting the Delta Chis at Troy State. We had excellent intramural involvement with our football and volleyball teams.

Our seven associate members are very enthusiastic about Delta Chi. One rush tool we find works extremely well is our "Movie Night." Once a week, we rent two or three movies and invite rushees and their friends and girl friends to watch the latest "box office smashes."

We wish to thank our alumni for their help in making the renovation of our chapter room possible.

Carlos Ojeda from Embry-Riddle whips the New Haven Homecoming float into shape. Tiger John Splaine rides atop the Delta Chi car, which was donated by Karl Bucka.

NEW HAMPSHIRE

We are still enjoying stories from the New Orleans Convention. It was a fulfilling experience for the ten alumni and graduates of our chapter who attended.

We teamed up with Phi Mu Sorority for our Homecoming events. Plenty of alumni and the Gorham Chapter attended and had a wonderful weekend.

We recently initiated our latest class, Epsilon, and congratulate our 15 new brothers. We are looking forward to Zeta Class.

As for intramurals, our 3-on-3 basketball team reached the finals only to be defeated. The co-rec football team was undefeated throughout the regular season and was among the top ranked heading into the playoffs, but played poorly in the opening round and lost. We also reached the quarterfinals in football, hockey, and soccer. Unfortunately no championships were to be had for us, but there is always this spring to make up for our mistakes. However, fan support is still high.

NEW HAVEN

Once again, Delta Chi is involved in the Day Student Government. Brother Andrew Buccell is chairman of the Justice Counsel, Brother John Splaine is the social coordinator, and the rest of us have other offices.

We are seeing increasing involvement from our alumni, many of whom attended the University's Homecoming/Alumni weekend. The recently initiated brothers had a great time meeting some of our chapter's founding fathers. The interaction between the alumni and the brotherhood was excellent, with new friendships started and old ones renewed. Thanks to Brother Brett Goldstein who did most of the work on our successful Thanksgiving dinner. We took first place in the Homecoming float/banner contest. Brothers Lewis Pincus and John Maroney did the art work.

Our sixth annual clothing drive was a success. Tons of clothes were donated by students, faculty, and the community and given to the Salvation Army. Congratulations to Brother George Perez who was recently elected alderman of New Haven. Brother Perez is a good example of community involvement and has shown us that Delta Chi is a stepping stone to greatness.

NORTHEAST MISSOURI

The fall class of 12 pledges earned the highest pledge class grade point average on campus with a 2.9. The actives also received recognition for the GPA of 2.6, placing them in the top three of 12 fraternities on campus.

We are very busy this spring with such activities as hosting the Midwest Regional on February 19-20 and celebrating the Tenth Anniversary of our Chartering on

NORTHWEST MISSOURI

We have a bright outlook for spring semester. In intramurals, we are in a very close race for first place. We are excelling in basketball, in the "Hot-Shot" basketball shooting contest, and in wrestling. With just softball, tennis, and track remaining, the situation looks very promising.

A new philanthropies committee has been organized to better use our 76-member active force. Some of the projects include the March of Dimes and the "Home Handy Man" week.

For the alumni, the brothers are working to organize our annual softball tournament, the golf tournament, and our second annual "Alumni Back" weekend. Alumni Back is a "Homecoming in the Spring" event, but without the worry of a float and other traditional homecoming obligations. It is held purely for the fun of our alumni and actives.

In house projects, the main floor renovation has been completed and work has been started on the second floor. We extend our gratitude to our ABT and our alumni for all their hard work and support in the renovation process.

Rush is going extremely well. Considering the turnout at rush functions, we should exceed our goal of 20 pledges.

With positive results in intramurals, philanthropies, home improvement, alumni relations, and rush, we should remain the biggest and best on campus.

OHIO STATE COLONY

We have enjoyed two years of success in Greek Intramural basketball and have started the third with the same momentum.

In our first season the "Hoopsters" went undefeated to win the Grey Division and make the league aware of the new house on the block. The team was upset in the tournament and finished with a 7-1 record.

After the first year's success we were given permission to play in the Scarlet Division with the bigger houses. With much tougher competition, we still maintained a 5-2 record and made it to the quarterfinals. We also entered a team in the Sigma Alpha Mu three-on-three tournament, "Bounce for Beats," and made it to the semifinals, defeating five other teams.

This season, third-year player Brother Nick Malagrega leads the team in scoring and assists. Brothers Mark Rickel and Dave Vogelhuber returned for a second year. The new players are Brothers Denny Piatt, Dave Small, Len Murphy and 6'7" Dirk Greywitt.

"Even though we are one of the smaller houses on campus we still work hard and play together, which sort of sums up the attitude of the fraternity as a whole," said forward Mark Rickel.

OKLAHOMA

With alumni help, our dreams of purchasing a house have finally come true. Our new home, called the Arlington House, is in the traditional antebellum style and consists of three stories with space for up to 65 brothers. Our new house has instilled a new sense of pride that is shared by all the brothers of our chapter.

Our fall social program peaked with the annual equis party. Brothers from the Kansas and Oklahoma State Chapters, and the Texas and Texas A&M colonies came for the weekend activities. The party was a complete success. Friday we welcomed our guests and spent some time getting acquainted. Saturday began with the Sooner football game and concluded with the cinco equis party where alumni, brothers, and women from five sororities packed the Arlington House.

We are again heavily involved in intramurals. We are fielding brothers in virtually every sport and competing on all levels to increase involvement. Final preparations are being made for the fourth Annual Delta Chi Wrestling tournament, our primary philanthropy. We expect the largest turnout ever, with participation from the entire Greek system. Proceeds will go to the Brass Ring Society.

OKLAHOMA STATE

We are on the rise! At the end of last semester our members were ranked fourth in grades and fifth in athletics out of 24 fraternities.

During Homecoming, our annual Alumni Association meeting was held with a great turnout. We also placed second in the house decoration competition.

This semester we have an exceptional pledge class and experienced a gain in the number of in-house members and pledges from fall to spring. In February, we proudly initiated a class of 20 men.

Spirit is high this semester as we are rated third in basketball. We have also teamed up with the women of Pi Beta Phi and are working toward a victory in Varsity Review.

OREGON STATE

We are off and running again this term, excelling in IM's, grades, and campus activities. Last term's success was a good push for a stronger showing this term.

Grades are looking good. Last term the members finished fifth out of the 27 fraternities. The pledges, however, will be receiving a lot more study table hours.

Our basketball team is off to a great start. We are looking forward to another spot in the fraternity play-offs and possibly the IM basketball crown. A crown of another sort has been placed in our hands. For the second consecutive year we have won the Fraternity Christmas Light Show. It required a lot of man-hours, but we have come to pride ourselves on winning this competition.

We are also proud to announce the initiation of seven members. Our pledges finished their pledge project which drastically improved the looks of our basement; the members were very impressed with their hard work and effort. We finished building the railing around our sundeck. Now the Fire Marshall won't be worried about our falling off!

OSHKOSH

Initiating our fathers, a strong showing in Winter Carnival, attending the Regional Convention, and of course, rush are the top priorities for our chapter during second semester.

We closed first semester with our second annual all-chapter Thanksgiving dinner. Brothers Brad and Patrick Marshall got most of the credit for serving an excellent dinner. We also held a Christmas party and all the brothers exchanged gifts.

Another highlight was attending the Whitewater Chartering. It was good to see another Wisconsin Chapter spring up so close to us. We would like to thank the Whitewater Chapter for allowing us to attend the same function we ourselves celebrated just two years ago.

PURDUE

As winter draws to an end and spring begins, things are very busy here. We initiated seven associates from fall rush, and we have 12 associates from spring rush currently going through our program.

In February, we were chosen to participate in Delta Gamma and Alpha Sigma Phi's philanthropy, Anchor Splash. The proceeds went toward studies for the blind. Our philanthropy, the second annual Bike-a-Thon, was held on March 26 with the proceeds going toward research for Huntington's Disease.

We have also been very active socially. Chapter chasers with sororities have given us some needed breaks during the semester.

Athletically, our house moved up to fourth in intramurals after second place finishes in volleyball and wallball. Grand Prix looks very promising this year. Last summer's racing season brought many "pole positions" and two victories in Whiteland, Indiana.

And, as a final note, the ball is now rolling toward a new chapter house. A house redevelopment fund has been set up by the brothers and the alumni board of trustees. The fund is currently being invested.

SACRAMENTO

During winter break the ABT treated the executive board to a retreat at the Sea Ranch Lodge, located on the beautiful Northern California coast. During a rainy weekend, Brothers Ken Shepard, Long Beach '78; Andy Halushka, '84; Mike Taylor, '85; Jeff Boone, '86; Cort O'Haver, '86; and John Shelby, '86, shared leadership knowledge gained while they were active members and out in the business world.

Brothers Shelby and Shepard spoke on interpersonal communication and leading by example. The executive board viewed a training tape on interpersonal communication, and outlined plans for the upcoming semester.

Brother Kip Johnson, "A," noted that the retreat was "... the best thing that has happened to the executive board. Hopefully we will put it to good use."

In intramural sports, our football team won the championship for the second time in three years, defeating Pi Kappa Alpha 19-6. The victory was especially satisfying since the Pikes beat us last year in the championship game.

In December we inducted 28 associate members. Brother Arnie Holm continued our tradition of campus leadership as he was elected IFC president.

Our house improvements continued as the Housing Corporation, headed by Brother Shepard, paid for a new driveway.

SOUTHEAST MISSOURI

Plans are underway for an all-school dance cosponsored with a sorority. We are also looking into a special week where the Greeks on campus will get together and participate in events involving food. The proceeds would go to charity. We sold balloons for Valentine's Day, and the profits went to the women's safe house.

SOUTHERN CALIFORNIA

We are back! With the initiation of 40 men into the Bond, the chapter wasted no time in reestablishing itself on campus. Fall semester included exchanges with sororities, a Christmas philanthropy project cosponsored by KNAC-FM radio of Los An-

geles benefiting "Toys for Tots," and our participation in Delta Gamma Anchor Splash.

The brothers made significant improvements on the house to get it ready for spring occupancy. But the most significant improvement will not occur until summer when the house will receive a \$360,000 facelift, to be completed by fall.

After Christmas break, we went into high gear to ready ourselves for spring rush. Since this was our first rush, the theme "Delta Chi's Premiere Week" was used for all our rush activities. With publicity and the enthusiasm of the chapter, it proved to be successful as we pledged 11 men.

This spring we are involved in the Ironman competition which consists of various athletic contests among all campus Greeks. The chapter is also planning several sorority exchanges, a spring formal, a spring weekend, and other exclusive Delta Chi functions. In addition, a couple of service projects are on the drawing board to benefit "Athletes for Kids" and the American Cancer Society.

As you can see, our chapter is back and off to a roaring start in reestablishing its rightful place on the USC campus.

SOUTHERN ILLINOIS

This fall we initiated 21 associate members. We have also started an alumni initiate program, and we are honored to say that Major Dwight Thomas is our first initiate. Spring rush has never been better; we are in the process of selecting the largest spring associate member class since our chartering.

A walkout to Ball State University, with over 50 men, was excellent due to the enthusiasm and courtesy of the BSU brothers. Our chapter is again doing well in intramural sports. Currently, we are in second place in the overall standings.

In the fall semester, our chapter won the first place award for the best homecoming float.

Philanthropic was busy this fall. Two brothers won awards for Red Cross service in SIU's blood drive; we collected the most canned food of any organization on campus; we washed cars with the proceeds going to March of Dimes; and we participated in other philanthropic events.

Brothers Brent Berdick and Derrick Spalt were inducted into the Sphinx Club, SIU's most elite and distinguished club, for outstanding academic achievement and university service.

We are running strong and we are confident that we can win SIU's Most Distinguished Chapter for the second year in a row.

Hamming it up at the Great Saluki Tailgate contest at Southern Illinois. We won the grand prize.

Purdue brothers pose for posterity in front of the house during the 60th anniversary celebration.

SOUTHWEST MISSOURI

At the close of fall semester we initiated 19 men. This places our active membership at 75 and firmly entrenches us as one of the strongest fraternities on the SMSU campus. We are proud to have accomplished all of this, considering we only received our charter on November 1, 1986.

This semester we plan to purchase and move into our new house. The new house is quite a bit larger and will provide us with more room for our growing membership.

Our alumni relations are getting stronger, along with the rest of the chapter. We began an Adopt-An-Alumnus program which has helped to facilitate a closer relationship between our active membership and area alumni.

Congratulations to Brother Preston Estes who made Honorable Mention All American while playing line-backer for the SMSU Bears.

TARLETON COLONY

We had a very exciting fall semester. Our associate class hosted two fundraisers: "The Slave Sale" and the commemorative Homecoming shirt sale. We initiated 13 out of an associate class of 16. We ended the fall semester by hosting a caroling tour of the Stephenville nursing homes with the area Boy Scout troops.

We finalized our chartering petition and submitted it January 18, 1988. We are very excited about becoming a chapter of the Delta Chi Fraternity. We are proud of our spring associate class of six men — the largest spring class on record for our colony.

TEXAS COLONY

The last few weeks of fall semester were among our busiest. We began with UT's celebrated Dads' Day weekend. Festivities commenced with a barbecue following the UT-TCU football game, and culminated with a brunch buffet the next morning. We had a near perfect turnout of enthusiastic parents.

In November we initiated our second pledge class, consisting of seven members. Following the ceremony, we held a retreat at Lake Travis to welcome our new brothers into the Bond on a more informal basis.

Spring semester is off to a running start as we are expecting a successful rush. In addition, we have several social functions planned as we continue to build our name in the UT Greek community.

many enjoyable speakers and activities throughout the weekend.

Our biggest fundraiser of the year, Circus Maximus, was March 4. Known as the largest toga party in Texas, Maximus attracts people from all fraternities and sororities, and all proceeds go to MDA.

We started this semester by taking 24 pledges, and we hope for them to be the continuation of a great tradition. We will break ground for our permanent house this April. The 12,000 sq. ft. house will accommodate 36 Delta Chis and will be another new beginning for our chapter.

TRI-STATE

Our most important topic this year is rush. We held many picnics and parties. We also sponsored Dart and Pool League competitions open to the entire campus. The result is an associate member class of eight men, with several more planning to join during spring quarter.

That grades continue to improve is evident in the recent induction of Brother Pat Sullivan into two honor societies.

House improvements have been plentiful. Drywall was replaced in the kitchen, and a fresh coat of paint was applied to the kitchen, restrooms, and hallways. The front porch is now surrounded by landscaping timbers and new stone. The latest undertaking was the removal of an interior basement wall, enlarging our social area to accommodate more people.

Leadership education continues with members in attendance at many recent events, including Delta Chi International Convention, the Indiana Greek Leadership Conference, and the Delta Chi Region V Conference. Brother Rob Pettit is assistant coach for the TSU Fencing Team and a student manager for the campus food service, while many other brothers have been nominated for positions in upcoming student government elections. We are also proud to have three members on the Student Life Committee.

The sports spotlight continues to shine on us, with our championship in the Student Senate-sponsored basketball tournament. Midway through the bowling season, we hold a strong lead, and, with the spring softball season just around the corner, things look very promising.

The Tri-State Admissions Department recently made a film about student life for use in recruiting new students. Delta Chi is proud to be the organization chosen to represent Greek life at TSU.

UNION

This year we have seen a few changes and the continuation of many traditions. The long-standing "Steak and Eggs" homecoming party went very well this year. Additionally, our chapter plans to present once again the Charity Cabaret for charities of local interest.

We are moving into the new year with real momentum and are looking forward to a good spring pledge class. We would also like to welcome back the brothers returning from terms abroad. Many of our members study in other countries and we hope to continue this as an enriching experience for the whole house as well as the individuals involved.

This year we have made many improvements on the house. Last spring there was major construction, and this year, major remodeling in the basement, as well as work on the chapter room. We definitely look forward to seeing our alumni at the house and will have some events planned for this spring.

VALDOSTA

Fall quarter ended with another school championship by the flag football team. The victory helped boost the overall points for us to clinch the all-sports award again. This quarter the basketball team is off to a great start with the possibility of another championship.

During Christmas we had the opportunity to sponsor

two parties for the mentally and physically handicapped citizens of Valdosta. We are also in the process of working for the election of two political candidates.

The formal this year is being held in Gatlinburg, Tennessee, where we plan to spend three days in the snow. This is a big event for us since some of our brothers and associate members have never seen snow.

Many positive things are happening for the chapter. Our 20th annual Charter Day is coming up right after Beach Trip. Greek Week will follow two weeks later. We are hoping to make it Chi Week for the 20th straight year.

WASHINGTON

Founders' Night was a huge success, as we had great attendance. Brother Scott Carter, our "BB", was recognized with the Service and Loyalty Award. A big congratulations to Brother Bob LaBouy, previous "AA", "DD", and "CC", who was the recipient of the Meritorious Service Award at the National Convention. He is presently running for regent.

A Golf Tournament is scheduled for this spring! We all hope it is as much fun as it was last year. The chapter celebrated Alpha Delta Phi's Mardi Gras, and is presently preparing for Delta Gamma's Anchor Splash, and the famous Greek Week.

This year's calendar, the Women of Washington, has been a huge success. We have sold almost our entire inventory. Proceeds are going to the American Heart Association.

WASHINGTON STATE

Fall was a special time for us as we held our first formal rush and pledged 14 associates. With rush over we migrated to the Snake River to join the fun at Phi Delta Theta's annual Waterbust. When classes started we opened informal rush and picked up five more associates. This gave us a fall pledge class of 19, matching many of the fraternities on campus.

Our first annual fall cruise with the men of Sigma Chi on beautiful Lake Coeur D'Alene was the best it could be with fun in the sun. For Homecoming we paired up with the women of Sigma Kappa for a great time, even though the Cougars lost. Halloween was spent with our brothers at the Idaho Chapter.

On Dads' Weekend this year we initiated 10 fathers into the Bond as alumni, as well as two new active members. The rest of November was spent preparing our chartering petition. Special thanks to Brother Mike Stone for his long hours at the typewriter. With the petition submitted we buckled down for finals and hoped Christmas break would hurry up and arrive.

WEST VIRGINIA TECH

As we start spring semester, enthusiasm is running high. We initiated seven men into the Bond, and rush looks promising.

Our intramural teams are improving and everyone

**IF YOU'RE INTO DOPE,
YOU MIGHT AS WELL SMOKE THIS.**

There's one sure way to see
your future go up in smoke.
Do drugs.
Last year alone, America's

businesses lost more than \$60
billion to drugs. So this year,
most of the Fortune 500 will be
administering drug tests. If you

fail the test, you're out of a job.
The message is simple.
Doing drugs could blow your
whole education.

WE'RE PUTTING DRUGS OUT OF BUSINESS.

Partnership for a Drug-Free America

is looking forward to Greek Week, especially our Delta Chi "Hogs." These men are our tug-of-war team and have a winning streak of 6-0.

Plans are being made for our Delta Chi Slam Dunk Contest. The proceeds from this event will go to the school's intramurals program. We had a Christmas party with the local nursing home. That it was a big success became evident when the patients started making plans for next year. We held our second annual Trick or Treat escort service for local children and were commended by the mayor, the police force, and the community.

We have installed a new plumbing system in our house. Plans are being made to remodel the interior and also to improve the appearance of our backyard.

We are presently preparing for upcoming events such as Greek Week, Initiation, Spring Retreat, and Parents' Day.

WESTERN MICHIGAN

Our fundraiser collected \$1400, thanks to the leadership of Brothers Bob Bayer, Jeff Schwellhofer, and Todd Helzer. We made a sizable donation to the Boys and Girls Club of Kalamazoo and the remaining amount, which was raised by the fall pledge class, went toward sanding and varnishing our floors.

The chapter was also able to reestablish an ABT, "BB", and a faculty advisor. The annual "Christmas for Kids," directed by Brother Steven Van Dam, was fun. It gave underprivileged children a chance to visit a fraternity house, where they watched a movie, received candy bags from Santa (Brother Jim Bird), enjoyed refreshments, and opened presents donated by the brothers.

We are only 10 points out of first place for the Sports Cup. We were triumphant in outdoor soccer, the turkey trot, the "Plunger Invitational" (a volleyball tournament), and were third in football. We also were awarded the second Annual Community Service Award, receiving it last year also. The fraternity advisor (an alumnus of another fraternity on campus) considered Delta Chi as the leading chapter on Western's campus.

Our alumni secretary was able to print and distribute the new *Pride and Progress*, which hasn't been accomplished for years. This newsletter, and events like the 10th Annual Uncle Rick's Beach Party, have resulted in increased alumni support. Our debt to Delta Chi has been eliminated, thanks to good money management by our treasurer, Brother James English. We have also brought 15 brothers and three fathers into the Bond. We are very happy with our amazing chef, known as "Bill the Cook." We are planning to initiate him in April along with a local police officer.

Alumni, thank you for your continual support; we hope to hear from all of you in the future.

WHITEWATER

We would like to thank Dave Lang '73, for his generous donations which make the chapter's newsletters cost-free. We were also given a file cabinet by Mrs. Fran Osborne. This donation was not only generous, but also timely, since we will be moving into our new house in late May.

The chapter sponsored a winter-break ski trip to Steamboat, Colorado. This served both as a fundraiser and a good rush tool. Participants were gone from January 2 through 9. We sponsor this every year, and it is open to everyone. Plan ahead for 1989!

ΔX

versity of Texas, are believed to be the only individuals in the country performing this unique service based upon documented growth characteristics. They age photos in their off hours and, until just recently, without any monetary compensation. Barrows is now under temporary contract with I SEARCH.

Not surprisingly, they have been deluged with requests for age progression drawings. According to Barrows, "I've gotten so many phone calls, I can't get to them all."

So, why not teach more medical illustrators the technique? The answer is simple: the knowledge base needed to produce a finished product is broad and varied. For this reason Barrows has been trying to find a funding source to put the process on a computer. Once a computer system is programmed, Barrows believes almost "anyone" could produce the sketches. . . .

As a father of three children, Barrows' commitment to helping victims of exploitation is a personal one. In a sense he bonds with the children he sketches. "You stare at each photo for so long. I pray for the kids. My heart aches for them and for the parents," says Barrows.

Has he ever met any of the children he's helped to recover? Yes. He likens his meetings with them to a "magical experience." And he should know. After all, some say he's mastered the art of predicting the future.

By Lori Lunik, I SEARCH Staff

Ready for lunch at the Press Club of Ohio are, from left, Len Murphy "E", Matt Ham-parian "BB", Hylas Hilliard, Dave Small, Dean Western, and Mike Rosing.

Men from the Ohio State Colony and the Columbus Alumni Chapter keep in touch at the chapter's Friday lunch meetings. President **Hylas A. Hilliard** writes, "We supplied the paint and they supplied the sweat for a great redecorating job at the chapter house. You have to be impressed with the undergraduates this year; they are filling up the house and doing all the right things in rushing and operations."

The Sacramento Intramural football team looks back at an undefeated season. Delta Chi won the 1987 championship with an 11-0 record, and over the last four years has 48 wins with only three losses.

The fall associate class is aboard the beautiful Delta Pride Riverboat. The Colorado chapter house/riverboat is all decked out for the First Annual Showboat Chi Party.

Who Deserves To Be DELTA CHI OF THE YEAR 1987

To be eligible for the award, Delta Chi alumnus nominees must have distinguished themselves in such manner that they are recognized by their peers throughout the land. Examples:

1. A great contribution in medicine, humanities, law, or science.
2. Exceptional and publicly recognized service to mankind in a civic or humanitarian activity.
3. Exemplary success in business or industry at the senior executive level.
4. Outstanding achievement by a military general, flag (or other) officer.
5. Great achievement in executive, legislative, or judicial branch of government at the national or other level.
6. Outstanding accomplishment in amateur or professional sports. (Examples: Olympic gold medal winner, selection to the Hall of Fame of a leading sport.)

Send us your nomination and include the nominee's name, chapter, home address, business address, career or field of success which prompts the nomination, your basis for recommending the nominee, additional comments, the year of the award, your name, chapter and year, address and phone.

Alumni Newsmakers

ABRACADABRA

Brian Dougherty, '79, was named one of *Microtimes*' 100 Men of the Year in the January 1988 issue. Brother Dougherty, the founder and CEO of Berkeley Softworks, is saluted by *Microtimes* for his "vision and persistence" in publishing the "revolutionary GEOS windowing operating system for the (Commodore) 64."

DEPAUW

H. E. "Barney" Burroughs, '57, has been named president of the American Society of Heating, Refrigerating and Air-Conditioning Engineers (ASHRAE). Founded in 1894, ASHRAE is an international technical society of 50,000 persons organized to advance technology for public benefit.

Brother Burroughs is retired from Purafil, Inc., a manufacturer of gaseous filtration equipment and systems, which he founded in 1968. An avid supporter of small businesses, Burroughs is currently a member of the Gwinnett County, Georgia Chamber of Commerce.

IOWA

Gary H. Mears, '58, has been promoted to the rank of major general, United States Air Force. General Mears' nomination for his second star was made by the President and will become final upon ratification by the Senate.

Brother Mears is currently a command pilot and deputy chief of staff for logistics, Headquarters Military Airlift Command. His military decorations and awards include the Legion of Merit, Bronze Star Medal, and Meritorious Service Medal.

He and his wife, Jacqueline, live at Scott Air Force Base, Illinois.

SMU

James Colin Dingwall, '29, retired head of the Texas Highway Department, was honored by the department this summer when a large ferry was named after him. The J. C. Dingwall, one of the newest and largest of the eight ferries operating at Port Aransas, Texas, moves automobiles and trucks across the ship channel.

WHO . . .

do you think should receive the Delta Chi of the Year Award? Let us know.

Announcing Two Great Delta Chi Contests!

Prize: The winner of each contest will receive \$100 cash, plus waiver of centennial convention registration fee in 1990, plus special recognition feature in the Quarterly and at the convention.

Judges: The Executive Committee.

Send your entries to: Delta Chi Fraternity
P.O. Box 110
Iowa City, IA 52244

Centennial Logo Contest

Logo Design Requirements:
Three elements must be included:

- 1) Delta Chi Fraternity
- 2) centennial or 100 years
- 3) 1890-1990

Simplicity in design is preferred. The design should be monochromatic (one color), preferably without varying tones and must be submitted on white, 8 1/2" x 11" smooth-surfaced paper. It also should be sealed if a waterbase medium is used.

Eligibility: Any Delta Chi alumnus or student member may enter. Please limit to NOT MORE than three entries per person. Deadline: June 30, 1988.

Centennial Slogan Contest

Slogan Entry Requirements:
Two elements must be included:

- 1) Delta Chi or Delta Chi Fraternity
- 2) centennial or 100 years or 1890-1990

The slogan should be concise and inspirational, capturing not only the essence of our centennial but also the launching of our second century.

AS OUR CENTENNIAL APPROACHES

A Reflection

By Ray Galbreth, MO '69

I had been a student of Delta Chi history prior to taking on this position as the Fraternity's Executive Director. Working in the Headquarters has provided me with a unique perspective on our Fraternity.

Even as Delta Chi historians, we'll never know for sure if the Founders envisioned anything beyond merely breaking up the dominance of Phi Delta Phi in the Cornell Law School when they started the second law fraternity on that campus. Did they have in mind a national association? We can wonder how Delta Chi would have prospered had John Francis Tucker not traveled to Cornell from New York University to explore starting our second chapter and later, our third and fourth.

Would we still be a professional law fraternity had the young Floyd Carlisle not maneuvered a change in our form of government in 1906? A change designed to shift the balance of power away from the older alumni of the metropolitan law chapters which favored dual membership. (This was a time when some Delta Chi chapters were initiating men who already belonged to general fraternities. Some chapters refrained from this practice, preferring men loyal to one fraternity.) This move eventually led to Delta Chi becoming a social fraternity in 1921.

What about the impact of Brothers Patton, Bride, Harshman, and McGurren during the twenties when we added so many of our chapters on the campuses of prestigious institutions? Delta Chi, too, had a *roaring twenties*. How many of our former chapters would we have retained had it not been for two World Wars and the Great Depression?

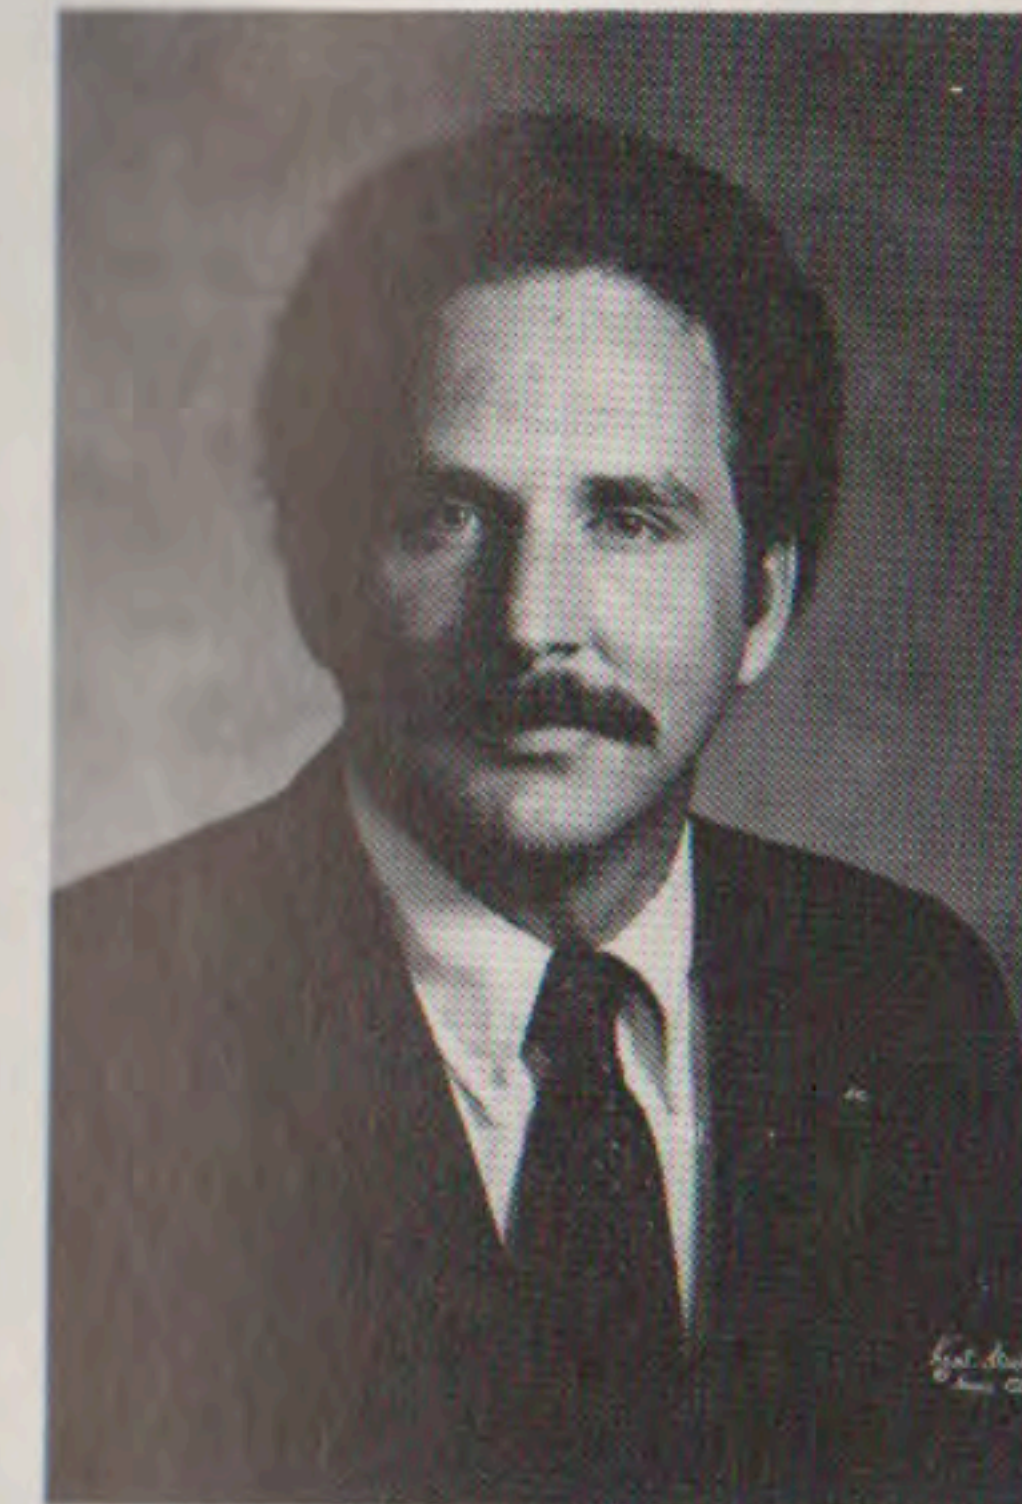

Where would Delta Chi be without the "young turks" who continually breathed new life and fresh ideas into our Fraternity when others had fallen into complacency?

As Delta Chi approaches its Centennial it is fitting that we step back and reflect on our first one hundred years of experience. To evaluate where we are and to project a likely path.

The turbulent years of the late 1960's and early

1970's took their toll on Delta Chi. The turnaround came in the late 1970's as Delta Chi rapidly gained strength. Chapters initiated record numbers of men. Simultaneously, more and more alumni stepped forward to volunteer their time and resources. The level and quality of programming provided by the Fraternity have continued to advance. In many ways, Delta Chi is experiencing a renaissance. A renaissance, however, that is firmly rooted in the foundations laid throughout its history by men who believed in the concepts outlined in our Preamble:

We, the members of the Delta Chi Fraternity, believing that great advantages are to be derived from a brotherhood of college and university men, appreciating that close association may promote friendship, develop character, advance justice, and assist in the acquisition of a sound education, do ordain and establish this Constitution.

Still, I don't believe any of these men would disagree with me when I say that it is the future that matters. We must derive wisdom from our past and set higher standards for the future. It is the responsibility of each and every one of us to pass on to the next generation of Delta Chi members a fraternity better than the one we inherited.

It seems appropriate, as Delta Chi's first one hundred years draw to a close, that after the moment of reflection we turn and face the future, the next one hundred years, and consider our collective responsibilities to those who follow. Let them, at some future date, reflect on our achievements with pride, admiration and gratitude. Let us, now, commit to an excellence by which future reflections will be made.

"Reflections" from all Delta Chis welcome. Please submit to Headquarters Office by June 30 (with your photo if possible) if you wish to have your sentiments published in the Fall 1988 issue.
