DELTA CHI GROWING STRONG

Dream at Kansas Becomes Reality

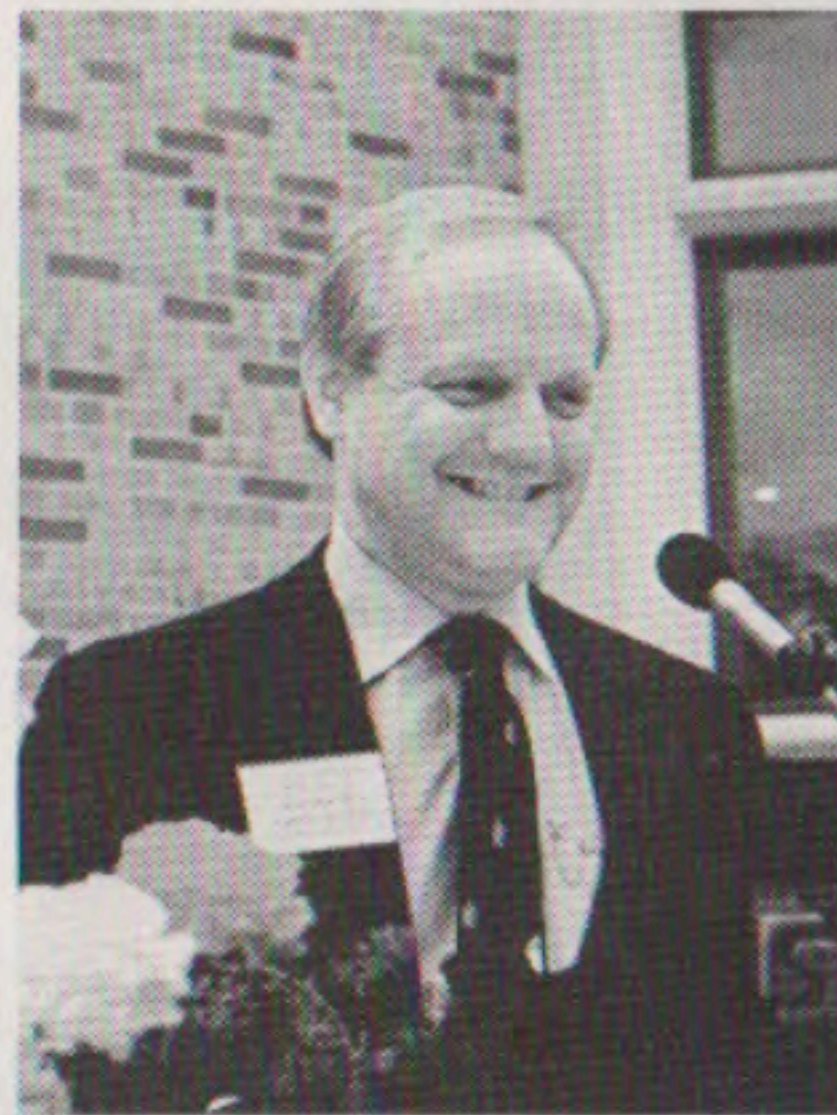

By **Chris Miller** Kansas '84

On May 5 at the fifty-second annual May meeting, the Kansas Chapter rededicated the newly renovated and expanded chapter house with the help of nearly 150 alumni. The day was organized by **Jim Bjerkman**, ABT President, who led a two-year fundraising drive that raised just under \$800,000 to complete phases I and II of the project.

Phase I was finished in 1988, when a new roof and new exterior windows and doors were installed and the sleeping dorm was extensively renovated. At a cost of \$195,000, this tapped nearly all available funds raised to that point. However, three brothers, **Forrest Hoglund '56**, **Ed Kangas '66**, and **George Tiller '63**, provided a rallying point in late 1988 with a commitment to match up to \$325,000 in contributions from the rest of the Chapter toward completion of the project. The challenge was met this spring, thanks to the tireless efforts of the active Chapter and many dedicated alumni.

Phase II of the project included remodeling and expansion of the kitchen, dining room, housemother's apartment and chapter room, including installation of air-conditioning and a sprinkler system. The second and third floors were entirely gutted and refurbished at a total cost of \$600,000. The project was completed in time for next fall.

The May meeting brought back alumni from all over the country to celebrate the rededication. We were honored by the presence of "AA" **Larry Audlehelm**, Executive Director **Ray**

Congratulations on your "new" chapter house

Galbreth, and Region IV Regent **Scott Klinefelter** to help commemorate the occasion. Another highlight of the day was the report of our own Kimball Educational Foundation. Total assets of the Foundation had surpassed \$50,000, and \$4,300 in scholarships were awarded to deserving undergraduate members.

The realization of our dream has been the result of many years of hard

work, but even now we are continuing to set new goals. The Phase III proposal would add another wing to the west, expanding our in-house capacity to 75. The renovation has shown us how truly dedicated alumni can make a big difference, and has further demonstrated the depth of our brothers' commitment to the "Brotherhood of a Lifetime." We are truly grateful for their generosity.

Kent State Proudly Charters

Delta Chi is alive and well, and has chartered at Kent State University! Our annual White Carnation Ball was the most memorable event this year, as we received our charter on April 21. Thanks to Region VI Regent **Paul Bohlman**, "DD" **Greg Hauser**, and "CC" **Mike Carroll** as well as special guest former "AA" **Joe Lacchia** for making us the proudest men at Kent. We also extend a special thank you to friends, relatives, parents, alumni, our ABT, "BB" **Tom Hodgson** and all of our brothers who helped us achieve this great dream. At times the task seemed insurmountable and the complexity of the problem undefinable.

Without your support and encouragement the outcome may have been different. We

wish to share the happiness we felt on this occasion with each one of you.

Illinois State Is Back

By **William McKinley**, Chartering Chairman

We are back at Illinois State University after a two-year absence. We received our new charter March 31 at the Holiday Inn in Arlington Heights, Illinois. The chartering banquet was the culmination of two years of long, hard and sometimes painful work. It started on April 22, 1988 with the reestablishment of Delta Chi as a colony here. It finally came to fruition when we were presented our charter by "AA" **Larry Audlehelm**. "A" **Jeff Mix** accepted it in the name of 71 I.S.U. Delta Chis.

The day started early with brothers and alumni arriving from all over Illinois and also from other states. A pool party helped break the ice and acted as a mixer for alumni and undergraduates. Our reception was followed by our formal dinner and then the moment that we were all waiting for: Regent **Larry Nothnagel** presented our old charter to our excited alumni. Next was the presentation of our chartering proclamation. The dance and party went on for hours.

This day would not have been possible without the support of two of our loyal alumni. Dr. **Mike Welsh**, our faculty advisor, and Dr. **Dennis Brtva**, "BB". They were both there throughout the two years, guiding and lending us a hand when we needed it most. We and future generations of Delta Chi at Illinois State will be forever in their debt for the outstanding leadership that they have given us. A big thank you must also go to the other members of our chartering committee for their help and support: **Kurt Vogt**, **John Dörner**, **Mike Padovano**, **Jeff Mix** and **Jal Kalsy**.

This last year I have come to know what it means to be a Delta Chi, the joys and the pains we share, the true meaning of brotherhood and what it means to be a friend. This is what Delta Chi has done not just for me but for all of us here at Illinois State. It has provided us with the experience and leadership to develop into men who will carry on the traditions and the experiences of Delta Chi.

Campus Scene

ABRACADABRA

This spring was not only successful; it was also lot of fun! In intramurals we took the championships in indoor soccer and floor hockey, finishing undefeated in both. We also fielded play-off teams in softball, basketball and volleyball.

We look back upon a semester filled with great parties and outings including road trips to Davis, Chico, and Reno. Our Alumni Golf Tourney and our Parents' Day Picnic were huge successes as well.

Stuart Schare and campus senator **Mark Weldman** are two of the winners of the prestigious campus-wide Delta Chi scholarship. As usual, our GPA was above the all-men and all-fraternity averages.

ALABAMA

We continue to contribute men to the top honoraries on campus. **Tony Carroll** and **Jim Kline** were selected for the Order of Omega. **Kline** and **Jim Bercaw** are members of Jasons, the highest male honorary. **Mark Bain** is a Capstone Man, representing the University to all dignitaries. Many have received scholarships, including **Pat Snow**, who helped found the Alabama Art Students League.

Due to the great work by **Greg Scarborough**, our philanthropy projects have been productive. We assisted the local Lions Club by donating money to support eye care for needy children. All the proceeds from our annual Ms. University of Alabama Pageant went to the Bama Theater renovation fund.

APPALACHIAN STATE

More than 100 Delta Chis from Region VIII converged on Boone for our Regional Conference. The weekend was full of memorable and valuable events. Everyone learned a great deal from this experience while also having a great time.

Our White Carnation Ball was held at Hilton Head Inn in South Carolina. We were privileged to have a number of alumni attend and the brothers and their dates enjoyed a weekend of sun and fun. We had a mixer with the Sigma Kappas in February and one with the Phi Mus in March.

Intramurals continue to improve while we enjoy brotherhood through competition. We are ranked third. Our bowling team captured first place and we also won first place in the weight-lifting competition.

ARIZONA STATE

Our retreat to Lake Roosevelt was a great time, with many brothers on hand. Our other annual events were big hits, especially our Third Paint Wars for Multiple Sclerosis, which is rapidly becoming one of the biggest philanthropic events on campus. We also won Greek Games, and had a strong showing in Greek Sing.

AUGUSTA

It's been a busy quarter with the initiation of seven men and our Toga Party.

We participated in the United Cerebral Palsy Telethon for our second consecutive year. This is a special service project for our chapter because of **Grahm Wyatt**, who has cerebral palsy. Our next project will be Walk America for the March of Dimes.

BALL STATE

This year we proudly sponsored, for the second time, the annual Miss Ball State Scholarship Pageant. Thirty-three women competed, and the queen and her court won over \$2,500 in cash and prizes.

We had two philanthropic events this semester: an Easter egg hunt with over 100 children participating and a spring clean. The spring clean was a campus-wide event that helped clean up the local community.

Next semester we are planning a big Alumni Celebration Dinner during Homecoming weekend. On Sunday after Homecoming we will have our Second annual Ed Coke Alumni Classic.

Spring rush was once again a success with 16 associate members selected. Our membership is now 89 strong.

BEHREND

Our ten-month quest for a charter was finally fulfilled on March 24. Our chartering banquet was a big success and included a speech by "DD" **Gregory Hauser**. Regent **Jeff Topley** and Ritualist **Tom Horowitz** also enjoyed the occasion.

In intramural volleyball we finished third out of 22 teams. Basketball was successful with a fifth-place finish out of 33. We were softball and Greek Week champs.

Our philanthropic efforts were also encouraging. We raised over \$250 to fight cerebral palsy. Other philanthropy events

included an organ donor promotion through the American Red Cross and an event to help feed the poor.

BRYANT COLONY

Our colony, with 52 members, is the largest on campus. We also have the best overall cumulative GPA at 2.9/4.0

We have three softball teams and two indoor soccer teams competing in intramurals. Both our A and B basketball teams advanced to the play-offs, as did our floor hockey team. Our prowess in all sports has greatly contributed to our acceptance on campus. Both in academics and athletics, we are consistently at the top.

Our second White Carnation Ball was April 20 at the Providence Marriott. Awards for academic excellence were given to a member from each class.

We have sent in our petition for chartering and are anxiously anticipating the day when we may call ourselves a chapter. Special thanks to Leadership Consultant **Barry Peters** for a most productive visit.

CAL POLY

Our third year may prove to be the biggest yet. We finally became members of the IFC. In other happenings, we are looking forward to the upcoming football season only because we know we can't do any worse. After finishing 1-5, the lone win thanks to a forfeit, we hope to land a few 300-pounders during our fall rush.

CENTRAL MICHIGAN

We continue to grow and we are a force on campus. We initiated 14, the second largest class on campus.

In Greek Week, we had our best finish ever—second place overall. We won putt-putt golf, bowling, and best costumes for Greek Sing, and we were second in fundraising, swimming and bed racing.

In interfraternal sports we continue to surprise many. Despite being one of the smaller fraternities, we finished a respectable second overall, with an All-Greek Championship in volleyball. We also finished with a second place in bowling, a fifth in basketball, and our floor hockey team had their best record ever.

CLARION

We kicked off a productive spring semester with our spring formal. It was a great success and a good time for everyone.

Recently we participated in our fifth annual Special Olympics run. With the sisters of Alpha Sigma Tau we covered 100 miles from Pittsburgh to Clarion.

We're well on our way to a spectacular finish in Greek Week. We placed third in the rope pull competition and our Greek Week banner is a good prospect for first place.

Our house has undergone positive renovations this semester and it looks much better.

CONNECTICUT

We were involved in organizing and producing a film on hazing to be circulated nationally. Alpha Tau Omega sponsored the filming of the mock trial of an actual hazing case that resulted in the death of a pledge. Founder of C.H.U.C.K. (Committee to Halt Useless College Killings) Eileen Stevens, whose son was killed in a hazing incident 12 years ago, participated in the program aimed at stopping hazing.

Sixteen members were initiated in April, bringing our number to 55. Our 40-man house has been given the green light by university officials. Construction will begin in the fall to accommodate all the brothers.

During Greek Week the Chapter won first place in Greek Sing and received the Overall Participation Award. **Frank Mancini** and **L. Joseph Bennett** are charter members of the Order of Omega.

Our annual Cystic Fibrosis Fun-Run raised \$600 for the well-known charity.

CREIGHTON

One of our main goals is to obtain financing for a new house. Our new "BB", **Mark Sluss** SWMO '87, is helping us set up an ABT and Housing Corporation.

We placed third overall in the All-Greek Games. We took first place in the tug-of-war, the wheelbarrow race and the keg toss. **Andy Hilger** was elected next year's IFC president.

Our softball team placed second in All-University rankings and first among the Greeks. Our whiffle ball team beat a team

that has been undefeated for four years and we should be ranked in the top five. **Brian Thul** and **Mark Hattrup** are on the Varsity Cheerleading Squad.

Our social calendar included the traditional South of the Border Party, the Halloween Bash with Sigma Nu and the annual Toga party. We also had our first-ever semiformal this fall and mixers with all five sororities. On April 6, we initiated 23 men and the annual White Carnation Formal was held the next night.

We are planning an alumni banquet on Founders' Day and encourage all to attend.

DELAWARE COLONY

Delta Chi is now in Delaware and brotherhood is strong here. We have spent most of our first two months on administrative matters such as forming by-laws and appointing criminal justice professor and Delaware's State Attorney General, Charles Oberly, as our faculty advisor. However, we have still been able to hold social, fund-raising and philanthropic events as well as send four men to the Regional Conference at Lehigh.

On Earth Day, we had an all-day picnic with Lambda Kappa Beta at Lum's Pond State Park. Our next picnic was with Gamma Sigma Sigma and Alpha Sigma Phi.

The community of Newark has benefitted from our presence here. We painted and spackled rooms that needed repairing at a local shelter for homeless mothers and their children.

We thank all who attended our first Alumni Brunch in April. We also had brotherhood events such as letter days, group meals, bowling trips and dance nights.

DEPAUW

We excelled in or improved on nearly every facet of our campus involvement. We have brothers on Union Board, the Intramural Board, Chaplain's Council and Academic Advisory Board, to name a few.

The tired but jubilant first-place team and their trophy after the DePauw Little 500 bike race.

Our internal achievements have not gone unnoticed on campus, either. This year's associate class ranked second overall in GPA. Also, our Executive Council received DePauw's President's Award for excellence in internal government.

With the help of "BB" **Bob Walters**, we have secured most of the necessary funds for house renovations and expect to return to a revamped house in the fall.

We were the first chapter to successfully usher in the F.I.P.G. era on campus. We started with a smashing "Graceland: Elvis Lives" party, complete with a cameo appearance by the king himself. Our informal "Hard Rock Cafe" could have rivaled London's. The semester culminated with an evening of dining and dancing in St. Louis at our Riverboat Formal.

The highlight of the semester was definitely when our team made a repeat first-place finish in DePauw's Little 500 bike race. **Phil Clark** was named Most Valuable Rider and **Scott Clark** was given the Mental Attitude Award. Our other two riders, **Bill Young** and **Greg Giles**, were also named to the All-Star team. We had a great alumni turnout.

Our infinite gratitude to Leadership Consultant **Paul Picclani** for helping us devise innovative improvements to our chapter. Thanks.

EASTERN ILLINOIS

This semester brought the announcement of a big change as plans were finalized for our move into the expanded Greek community. Our section of the complex will house 34 members. We feel this move will increase our on-campus activities, since we are moving from the farthest house from campus to the closest.

At this writing we are in second place in Greek Week Games. We had a great year in intramural sports with our basketball teams making the play-offs, our softball team placing second, and our soccer team taking first with a perfect 8-0 record.

EASTERN WASHINGTON

Things are going great thanks to the recent visit by Leadership Consultant **Paul Picclani**, in conjunction with the Regional Leadership Conference which we hosted for Region I. Many new and productive ideas came out of our consultant's visit.

We took the lead scholastically on campus despite the distraction of our new, alumni-donated basketball court. On campus, Delta Chis hold top IFC positions: **Michael Rahmn** is president and **Chris Pippard** is secretary/treasurer.

EDINBORO COLONY

Edinboro University of Pennsylvania is located in the northwestern part of the state, approximately 15 miles south of Erie. The college began in 1857 and now has 7,500 students.

During the fall of 1989, current "A" **Vance Hetrick** and a group of friends decided they were tired of our present fraternity system. They felt that brotherhood was more than just parties and pledge bashing. The group grew to include 40 members.

Hetrick soon met **Mike Harmon**, a Delta Chi who had transferred from Kent State. With his help, contacts were established and everyone awaited news from Iowa City. We decided to really get the ball rolling after Christmas break.

As the spring semester began, interest faded, but a visit from Leadership Consultant **Barry Peters** boosted morale and membership. On February 19 the Behrend brothers inducted our 29 associates.

The Edinboro Colony came together as a diverse group with computer majors, art students, football players, and self-styled hippies. A common bond began forming.

In just three months we were recognized as a campus organization by student government. A house was the next priority. We signed for one in March for use next year. The IFC recognized the group by including us in preparation activities for Greek Week. Full recognition is now in the works so Delta Chi can be represented in this fall's Homecoming activities.

Harmon took on the task of educating his 29 Brothers with the help of **Joe Zdanko**, Cannon '88. Behrend "BB" **Bill Williams** lent us a hand on our way toward initiation. Special thanks to the Clarion brothers for their hospitality and help.

ELMHURST COLONY

Excitement over the new Colony is at a high level. Fifteen founding fathers were initiated on February 25. With the great efforts shown so far by each member we could become the strongest fraternity here.

So far we have participated in a community food drive and we sent a brother dressed as Santa Claus (along with several members of Sigma Kappa) to Elmhurst Memorial Hospital to give coloring books to the children.

We have had many social activities with the Sigma Kappas, the Gamma Chis and the Alpha Phis. March Madness ended with a great time at our first semiformal.

We have many goals to accomplish with the help of our newly established ABT. Special thanks to **Chuck Berzins**, **Elo D'Amico**, **Andy Dellglo**, **Brian LoCicero**,

Debbie Rosch is the just recipient of the new, seven-foot Illinois Delta Chi Sweetheart Trophy. Dedicated to the late Ann Borelli, wife of Raymond '58, and mother of Mark '81, the trophy is believed to be the biggest sweetheart trophy in the country.

and **Matt Qulgley** for their help with the ABT. And to **Matt Prater** for setting us up and giving us direction, and to Leadership Consultants **Max Goecker** and **Barry Peters** who helped us a great deal.

FLORIDA STATE

Spring saw the initiation of nine men. It is our first associate member class with a 100% retention rate. These men raised over \$1,000 in various fundraisers in order to buy the house a new amplifier and speakers.

We were also involved in such events as the Big Brothers/Big Sisters Bowl for Tots, Stop Rape Week, Safe Sex Awareness Week, and, of course, Greek Week.

Intramural action saw Delta Chi finish in fourth place. We won first place in bowling, second place in cross-country running and badminton (**Oscar Miranda** and **Matthew Bohler** won all-campus doubles for the third straight year), and third place in track and

field. We also made it to the play-offs in basketball and finished fifth.

April 6 and 7 was Alumni Weekend. Alumni from as far away as Boston came to Tallahassee to play golf and attend the White Carnation Ball. The golf tournament featured some good and some bad golf. **Matthew Kohler** won the green polyester jacket with the low score of 77. **Tommy Watkins** was again the alumni winner with an 85. The high score was, well, it was high. That night awards were presented at the formal at the Silver Slipper.

C. J. Engelsner was named IFC Committee Chairman of the Year. He is responsible for the creation of *Greek Weekly*, the Greek-only newspaper.

FROSTBURG COLONY

As the semester winds down here at the "Burg" it's time to look back at our accomplishments and plan for the future. We started the semester with 41 brothers and with the addition of our beta class we are now up to 59. We inducted 14 local alumni as honoraries and spirits are high.

Sports were a heartbreaker as we lost in the semifinals in both soccer and volleyball.

Probably our biggest success was community service; we raised money for the American Heart Association, Muscular Dystrophy and the Big Brother Program. We have also "Adopted a Highway" in an attempt to keep Maryland beautiful.

As for the future, we are working on that ever-nearing chartering petition.

GANNON

Our restructuring period is going well and now we are one of the strongest fraternities on campus. Our chariot, The Tiger Shark, a cast iron tub on wheels, was in prime form for Greek Week.

July 13-15 the traditional summer alumni event, Bastille Weekend, included an alumni vs. undergraduate softball game and ended up with a picnic.

We will be reconstructing our ABT and forming a new Housing Corporation with the new officers and Vice-Regent **Bill Williams** in command.

GORHAM STATE

Spring was highlighted by the initiation of nine brothers. We were joined by representatives from New Haven in welcoming them into the Bond. A high note was our formal, held at the Marriott.

Other notable events for the semester include a trip by a contingent of brothers to the Regional Conference at Lehigh, and a

visit from the leadership consultant. On a less serious note, the intramural volleyball team, relying on vast summer play experience, won the campus championship.

HOUSTON COLONY

Since our re-colonization just over a year ago many men have accepted the challenge of starting a new fraternity by dedicating themselves to the development of Delta Chi. During our first year back, we initiated 30 men who are excited about our potential. The Colony now has a house just off campus that, along with the growing membership, has helped our rush effort and campus involvement this semester. Precedents are being set every day and we are excited to be in such a great Fraternity.

IDAHO

We're not quite sure how it happened, but we took second place in Greek Week for the sixth year in a row. There should be a special award for that. At least we are consistent.

We held our 55th annual Pirates' Dance and it was a smash, even though it rained all week and snowed the day of the dance, April 28. Give us a break!

ILLINOIS

The semester began with the initiation of 24 members and never slowed down. We were proud to host the Regional Conference in February. The workshops, speakers and interaction among chapters were beneficial to all those who attended.

In February, we won the annual All-Weather Softball Tournament, beating OKE

12-2 in the championship game. That same weekend we brought home championships in the 178- and 200-pound weight categories of Fight Night, the university's annual boxing tournament for charity.

Socially, we enjoyed a Valentine's Day Fireside Dance, Pledge Dance and a Spring Picnic. We also had three exchanges, including one at Eastern Illinois.

ILLINOIS STATE

It has been a long haul, but it is now official. Our chartering ceremony was definitely the highpoint of the semester, not only for the members, but also for the alumni who have waited so long to see Delta Chi come full circle at Illinois State.

We have just initiated seven men and have raised our numbers to 48. As many of our seniors are graduating, everyone is excited about rush next fall, and we hope to draw many more new initiates.

Our teams won the Phi Psi 500, and took first, third and fifth place in the Sig Tau Triathlon. These philanthropy events are two of the largest and most competitive on campus. We're proud of our teams' success. **Chris Fehr** was elected president of Order of Omega, and **John Dornier** was elected treasurer of the Student Center Board.

INDIANA

After we initiated 32 men we began spring rush which brought us 13 associates. We paired with ADPi for the 30th I.U. Sing competition where dorms and Greeks get a chance to show their musical talent. We placed third for the second year in a row.

Delta Chi and Alpha Chi Omega placed first in Iowa State's Greek Week large-group sing with music from (you guessed it) the Wizard of Oz.

Mix Gets Respect

By **John Jansa** "E" Illinois State

Respect is something that each of us hopes to achieve; however, it is great effort that, in the end, makes an individual respected not only by his peers, but also by anyone who works with or around him. Our former "A", **Jeff Mix**, has earned that kind of respect.

He was given the Director's Medallion for Meritorious Service to the ISU Greek System by the Student Life and Programming Board. The award is not made on an annual basis, but is given only to those individuals who have gone above and beyond duty and affected the entire ISU Greek system by their efforts.

Mix has always been heavily involved with the fraternities and sororities and has helped develop much better relations, not only among Greek presidents, but also among chapters. He has advocated alcohol risk management policies and was one of two presidents chosen to be on a super-committee to help formulate a party policy that is in the process of being accepted by all the chapters on campus.

As a Delta Chi, he has helped not only other chapters, but also our own. He has always worked hard to see our goals realized. He was on the housing committee that led to the acquisition of our first house. He has also been active on the ABT and is now aiding in the formation of a Housing Corporation.

Jeff Mix has shown all of us the kind of effort it takes to be respected by all those whose lives he has touched.

Our White Carnation Formal was in Chicago at the Palmer House. Later in the semester we held the Delta Tau Chi toga party in conjunction with Delta Tau Delta.

In intramurals our soccer team won the Cream Championship. Also, the team of **Tim Miles** and **Greg Sultan** won the all-campus trap shoot competition.

IOWA STATE

Throughout the semester we participated in sorority functions and dinner exchanges. Our White Carnation Formal was held in the Old Market district of Omaha. This was our fourth year to run a casino night as a fundraiser for the Ellsworth, Iowa community.

With the help of Alpha Chi Omega for Greek Week, we placed third out of 15 teams. We finished 10 points short of second place. We placed first for the overall community service award, and large group Greek sing, and second in the blood drive.

Summer renovations include a remodeled kitchen, new fire alarm system, and new wardrobes.

Since Homecoming and the Fraternity's

100th birthday are only a week apart, we'll celebrate both during the Homecoming weekend. We look forward to seeing you then. You can also meet one of our newest members, Sparky, a purebred dalmation.

JOHNSTOWN

This winter term we had a successful rush. We are planning to establish a Delta Chi Scholarship Fund for the whole campus, as our "signature" service project. After two years and a lot of hard work by the Brothers, Delta Chi will be moving into our house, the Foxfire Lodge. This house is the best and the largest on campus, offering facilities for 32 brothers.

Greek Week was organized by IFC President **Kelth M. Dougherty**. We finished a close third in the overall standings. Intramurals are looking promising with our five-man basketball team winning all its events.

James W. Donatelli was elected vice president of the IFC, **Douglas Brown** was selected as a counselor for freshman orientation, and Keith Dougherty received the prestigious Shuke Award, an all-campus Greek spirit award.

Our ABT is strong and we thank them for their activities, support and advice.

KANSAS

Our house renovation is finally finished! We have been living in a University-owned apartment complex for the last year while our house went through a major renovation. On May 5, during our annual May Meeting, we rededicated the house and honored the alumni who graciously donated the money for the much-needed renovation. We will be moving back into the house in the fall.

On the campus scene, we won Greek Week, and past "A" **Brett Stafford** was honored as the outstanding fraternity president at the Greek Awards Night.

KANSAS CITY

We are on the move. With the acquisition of our new house, great things are going to happen. The house was acquired with lots of hard work from our newly elected ABT and reorganized House Corp. Many thanks to them for making our dream a reality.

We had a float in the Annual Kansas City Saint Patrick's Day parade for the eighth straight year. Although our rendition of the Blarney Stone did not win any awards, we all still had a great time.

This summer we will be working on two philanthropic projects. The first is a weekend where we will help some elderly neighbors who need work done on their

homes and yards. We will also be raising money for the MDA telethon.

KENT STATE

We achieved a great dream when we received our charter April 21 at our White Carnation Ball.

Unfortunately, we no longer have the largest associate class on campus. We have, however, gained 12 brothers as of the night before our chartering banquet. Also during the semester we've actively participated in intramurals, helped all the sororities with their philanthropies, and worked on regaining the top GPA on campus.

If there are any interested alumni in northeast Ohio, please contact us at (216) 677-9807. There are many challenges yet to overcome. Help us reset the standards!

LSU

This spring, we triumphed in Songfest, a musical variety show, with the sisters of Phi Mu. We also took home the award for best musical blend, and the Overall Sweepstakes trophy. We pledged 14 men, the largest spring class on campus.

Working with the Parents' Club, we held a jambalaya dinner to raise money for muscular dystrophy. Many parents, alumni, and friends came out to enjoy the food and good times.

Preparing for a competitive fall rush we have been working hard on the house. Some of the downstairs has new wallpaper and furniture. We have also added an extensive weight set to the recreation room.

Our social calendar remained full, as usual. Highlights included the Red and Buff formal in Florida, Jam Jam, and South Seas where we entertained brothers from the Louisiana Tech and Houston Chapters. The semester ended with the highly successful Parent/Alumni Bar-B-Que.

LEHIGH

In February we held the Region VII Leadership Conference and received nothing but praise from those who attended. On April 24, we initiated 21 associates, the biggest class in our history.

Alumni Weekend, held during the close of Greek Week, was successful. The day started off with a picnic in Saucon Park along with our annual undergraduates vs. alumni softball game. The increase in attendance compared to past Alumni weekends was evident. We also had a great turnout for the Alumni Golf Outing held the next morning.

Our philanthropy program is still as strong as ever! For the fifth semester we helped the Southeast Neighborhood Center

in Bethlehem by helping prepare and attending a fund-raising dinner for local residents. We have also contributed time and effort to the community through this non-profit organization by tutoring children and helping the center relocate.

LOUISIANA TECH

We did our part in Earth Day activities by planting a redwood tree in a nearby public park. Also, we are quite proud of our anti-drug coloring book which was given to third graders in local schools.

In Greek Week we tied for second overall out of 12 fraternities. This was just in time to get us fired up for our largest party of the year, Crawfish Boil. In intramurals our softball team placed first in our league. Our last major event before finals was our annual Parents' Day.

LOUISVILLE

The last year has been a tough one, since the University's expansion plans included the demolition of our "old" house. But after much adaptation and compromising many of the bugs have been worked out.

With the initiation of three men and with motivation building for rush, we will hopefully build back up to a healthy size.

We are proud of our recent fourth-place ranking (up from 10th) in GPA standing among the other fraternities.

Our Alumni Club is off to a great beginning with much hard work from **Shawn Reidling '89**. Interested Louisville alumni are encouraged to contact him.

MARQUETTE

This semester can be described best with one word: philanthropy. We have been involved in an on-going recycling program, and we planted trees with Alpha Phi at a local park for Earth Day. But the highlight of the semester was our "Senior" Prom with the AXQs. We traveled to a local retirement home and entertained the residents by dancing and playing various games. It was tough to tell whether we had more fun or the residents did.

In the sports arena, our "A" basketball team was able to overcome injuries and end the year second in the league. As for the "B" team, let's just say we had fun. The soccer team was able to rise to a 2-2-1 record. Greek Olympics brought the chapter together to compete in various gag sports and we tied for third against some strong competition.

We continue to be campus leaders as we have two of the five IFC executive positions and half of the IFC committee chairs.

The spring ended with our 13th annual Spring Formal. Thanks to the record

number of alumni, this year's dance was one of the best. The weekend ended with even more alumni joining us for a picnic where the actives had an embarrassing defeat in the annual softball game.

MARYLAND COLONY

We are taking great strides toward becoming one of the strongest on campus. In just one year, we have moved from 25th in intramural sports to the top 10. Greek Week with Gamma Phi Beta was a blast. We really made a name for ourselves. We gained the respect of many by going all out in every event, and we came very close to winning the spirit competition.

We are taking steps toward getting a new house. With the help of our housing chairman and the ABT, we set up a housing corporation. All we need is a house to purchase.

We are proud to have been chosen to host the Spring 1991 Regional Conference.

MASSACHUSETTS

This was a fun-filled semester with a full social calendar. We had several exchanges with the Greek community, a beach party and an excellent formal at the Northampton Hilton.

On the intramural scene, we fared exceptionally well with all our teams making it to the play-offs. Our basketball "A" team finished the season with a 6-1 record, and our softball team made it to the play-offs with a 5-0 record.

MIAMI

There has been a lot happening here in Oxford, Ohio. **Michael Meyer** won the Mid-American Conference wrestling tournament at 126 pounds and represented Miami at the NCAA Championships.

Associate member Joel Briner won the "Bare your Legs" contest which helped raise money for charity. There have been numerous achievements in athletics in the fraternity and intramural leagues.

Under the leadership of newly elected "A" **Steve Bode**, house renovations are being planned, including the repair of our roof arranged by the Housing Corporation. One of Steve's top priorities is the bettering of alumni relations. We would also like to thank Leadership Consultant **Barry Peters** for his help and advice this past semester.

MICHIGAN

We are enjoying the results of our hard work to improve the house.

Greek Week gave us the chance to help out in our community by cleaning and

Chip Merski, left, and **Pat Foley** of the New Hampshire Chapter show their colors on the way to Tuckerman's Ravine on Mount Washington in New Hampshire. The challenge at Tuckerman's is to climb the mountain, carrying skis, and then to ski down the ravine.

repairing various schools and homes. Of course, we had a great time participating in the Greek Olympics and other events. Our team took third place overall.

MICHIGAN STATE

A loaded calendar of events included our 21st annual Father-Son-Alumni golf outing, our annual canoe trip and the Delta Chi hoops and hops basketball tournament. For Greek Week this year we held a mountain bike rally. Three date parties were also held.

Membership stands at 132, of which 25 graduated this spring. To help the seniors, a resume consultant came to speak about interviewing and resumes. This spring we took on 14 associates after one of the most successful rushes on campus.

MINNESOTA

We would like to recognize the resurgence of alumni support. Over the past few years a lot of hard work on the part of the undergraduates has gone into improving both the house and the quality of our program. We feel that great strides have been made in both areas and hope to share these improvements with our alumni.

Last January's initiation had the largest alumni turnout in as long as anyone can remember. On April 7 a large number of alumni had the opportunity to try their luck at the Minnesota branch of the Trump

Taj Majal. For those who attended, it was great to see you—if you weren't there you missed a great time.

Finally, we thank **Brian Johnson '87**, **David Kist '88**, and **Thomas Tarr '88** for their contributions. We thank our alumni for their support and encourage all to stop by and see what's happening for the 90s at Delta Chi. Remember, 100 years for Delta Chi this year; 100 for Minnesota in 1992.

MISSOURI

Second semester began with a brief and challenging retreat in Kansas City where Regent **Scott Kilnefelter** gave up one of his few free weekends to join us.

We then played host to the Region IV Leadership Conference in February with Executive Director **Ray Galbreth**, "DD" **Greg Hauser**, Educational Foundation President **J. J. "Doc" Underwood** and nearly 90 brothers from other chapters attending.

We had the third largest associate class of the 32 fraternities on campus, a result of team work between our well-organized rush chairmen and the rest of the brothers.

Dinner exchanges, mystery dates, barbecues and the Stop Day Blues Bash were some of the semester's highlights. Alumni visits have become more frequent and we are continuing to receive increased alumni support. We were lucky to have an outstanding "BB" each semester to help us.

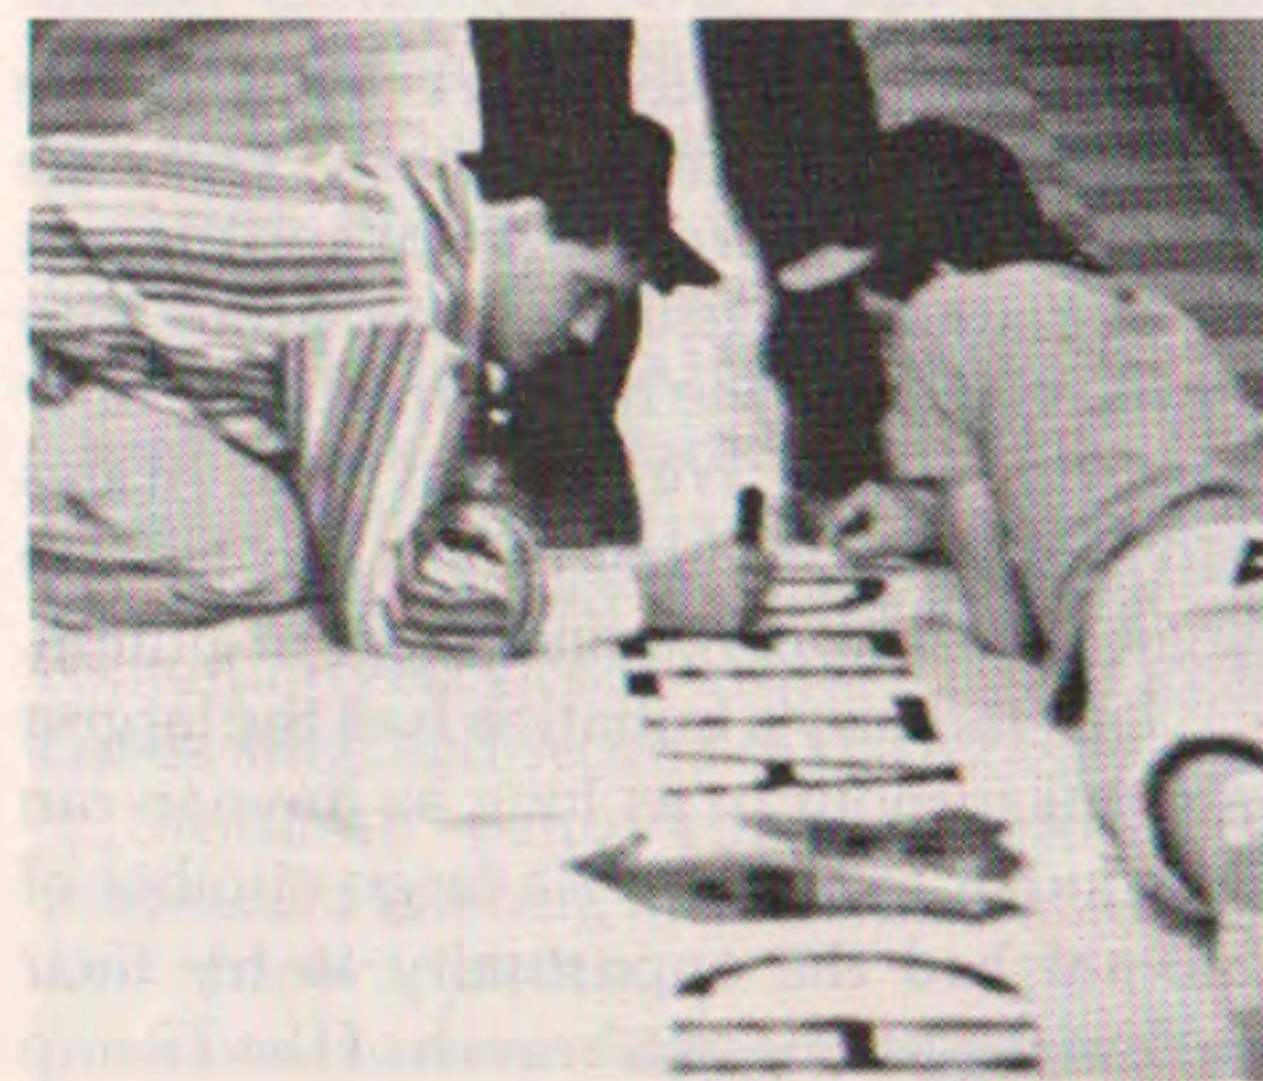

We participated in nearly all of the uncountable philanthropies and walked away with first place in the one sponsored by the Newman Center.

Carpeting in the second-floor hallway, lounge and mezzanine are among the latest improvements at the house. Thanks to the housing corporation we are installing a kitchen that will be operational in the fall.

MONTEVALLO

Many good things are happening here. We received the A. Neal Shirley Scholarship Award at the recent Honors ceremony. We also participated in Greek Week where we

Southern Illinois members demonstrate a down-to-earth method for making banners.

placed second and **Richard Sturm** was named *Mr. Greek*. We also placed first in intramural basketball. This puts us in a good position to win the all-sports trophy.

Thanks to all the alumni who came to our annual pig roast. We look forward to the next time we can all be together.

NEW HAMPSHIRE

We opened the third floor of our house, and major renovations have taken place in the party room and adjoining 'cave' room. Winter Carnival with Kappa Delta was a success due to enthusiastic brother turnout and **Jeff Gasperoni's** unforgettable performance in the Delta Chi Talent Show. Everybody then psyched themselves up for the formal Valentine's Day cocktail party, followed by Bids Night festivities where ten associate brothers were pinned.

As for athletics, we have maintained our high standard of play, with the Delta Chi Mud basketball team advancing to the men's intramural play-offs. This semester's Delta Chi golf open was a success, with associate **Pete Marcoux** copping top honors by three strokes.

The philanthropy committee has been active, with a party raising money for the African-American Alliance and a work weekend proving profitable. We also hosted Battle of the Bands for Greek Week, and the Chapter band *Aardvark* entertained the cheering throngs. It is hard to describe the change in morale; suffice to say that it has turned around 180 degrees since last year. Eight men were initiated on April 20, and, as we look forward to this summer's annual Delta Chi Run for the Homeless, our chapter is more solid than ever.

NEW HAVEN

We have continued to maintain our role as the dominant Fraternity on campus in the areas of scholastic achievement, number of men initiated, and campus leadership. We have also made impressive strides in the purchasing of our current residence.

In the area of alumni relations, our Alumni Reception had an outstanding turnout of recent as well as past alumni in addition to "DD" **Greg Hauser**.

NORTH CAROLINA STATE

Our biggest success, this semester, was receiving our charter. Our White Carnation Ball on April 27 will undoubtedly be one of our most memorable. In addition, we have located a big, beautiful house to live in permanently. It will be the most visible house at N. C. State.

Everyone in the chapter contributed in running the polls for our campus elections and, in doing so, earned \$160 and boosted our image at State. We also participated in the Adopt-a-Highway program, where we took over a one-mile stretch of road and picked up all the debris on both sides in return for a road sign with our name on it.

One of the best philanthropy projects that we have done so far was working at a local elementary school's "Fun Day." All who participated in the project had a great time playing with the little kids and we received an abundance of positive feedback from teachers and parents.

In Greek Week, we made an impressive showing in our first year of official competition, winning the philanthropy competition which gives the most points. We raised more money per brother than any other fraternity in a dance-a-thon to benefit Easter Seals.

NORTHERN ARIZONA

In March, Delta Chi joined with two other Greek organizations to form a powerful team in the Greek Week competitions. We also initiated 13 men into the ranks of Delta Chi.

This spring, we sent the grass skirts shaking and had pineapples flying at our second annual Del Tiki Luau.

NORTHERN COLORADO

We have grown stronger this semester with nine new brothers. We started off by creating a Centennial committee and changing our house sign in preparation for the events. We plan on making this a day to be remembered by all Delta Chis.

This semester has been good for us. We won first place in Greek Week. Our sports teams have also done a fantastic job, taking second in the IFC soccer tournament, and first, paired with Alpha Sigma Alpha, in co-rec volleyball. The floor hockey team did well, winning first in their division.

Our alumni are planning over \$10,000 in improvements to our house. We wish **Andrew Block** the best as he was picked to ride his bicycle in Europe this summer as one of 35 cyclists in America to compete for the Velo News/Nike Cycling Team.

NORTHERN IOWA

Our philanthropy project, Teeter Totter for Tots, held on April 27-28, raised approximately \$2,230 for the Make-a-Wish Foundation. We had exceptional support from the entire Greek system, the Cedar Falls Police, and alumni.

Our Spring Formal held on April 21 was also a success, with many members being able to wind down a bit before finals week.

We were especially pleased with our quantitative and qualitative growth as a chapter. In the last year our size has grown by 123% and 8 of these men are freshmen. Not only do we have the numbers to be successful, but also the leaders.

NORTHERN MICHIGAN COLONY

After a slow start, we experienced a big turnaround. We have eight new associates. This semester we took part in the Big Brothers/Big Sisters Spring Carnival and we were also in charge of the 100-meter dash at the Special Olympics. In honor of Earth Day, we planted a few trees at a local park. We have been working hard to make a name for ourselves in the community.

Our programs are in order and things are starting to run smoothly.

OHIO STATE

What do you get when you take seven Ohio State alumni, get them together in your dining room and give them a house in need of repair? A new shower, of course. That is just one of the projects that the Housing Corporation has accomplished this year. Our ABT has also taken an active role in house repairs. We appreciate both groups' efforts in that they did not just plan repairs, they came clad in old jeans and T-shirts ready to tackle the problems.

Winter quarter began with initiation. We fared well in intramurals, taking second place in volleyball. Socially, we participated in a Blind T. G. in which fraternities and sororities were randomly paired on the day of the party; and we also had our Winter Formal.

May 13 marked the one-year anniversary of regaining our charter. We have learned much this first year about what it takes to have a successful chapter. We will continue in our efforts toward excellence in our highly competitive Greek community.

OREGON STATE

Spring was started with a double function with two sororities that featured a live band. The rest of the term was packed full with a couple of study breaks and a trip to Lake Shasta for three days of houseboating Memorial Day weekend.

We are looking forward to some new paint and carpet on the second and third floors, just in time to get the house in picture-perfect order for Moms' Weekend.

Northwest Missouri Chapter members model their sweatshirts on and around their house.

In intramural sports this term, we are fielding two soccer teams and a softball team. The weekly games are a good way to show some house spirit.

The members who attended the Regional Conference at Eastern Washington returned with some new ideas for rush and house functions. We are already planning for the next regional which we will host.

PURDUE

Topping our activities was spring homecoming, held during the Grand Prix go-cart race weekend. Included was the Centennial Ball for brothers and alumni and the Aluminum Room party. **Mark Lucas** and **Brandon Pfeiffer** performed well in their carts. Pfeiffer, starting from the ninth position in his sprint race, finished third to just miss qualifying. Lucas won his sprint race, then moved from his starting position of thirtieth to finish seventh in the main race and win the Hard Charger award for most improved position.

Other successful events this spring included Moms' Day and the annual Ride for Life philanthropy benefitting Huntington's Disease research, held this year with Gamma Phi Beta sorority. We also initiated our spring class.

SACRAMENTO

The brothers came together for the filming of the Centennial promotional video, and never grew apart.

We have had an outstanding season in intramurals. We took first place in softball, and, thanks to a three-point shot at the buzzer, in basketball as well. Our Fourth annual Parents' Night was a tremendous success with over 150 people attending.

We helped out with the Hornet Stinger Foundation Auction, and contributed to the Make-a-Wish Foundation by collecting get-well cards for a dying seven-year old boy whose wish was to break the world record for receiving the most get-well cards.

Leadership Consultant **Paul McClellan** was on hand for our first Brotherhood Weekend, and **Adam Gellegos** was elected senator of the School of Business Administration.

Increased alumni support has been a tremendous help this last year. Thanks to a donation of windows from **Rick Jetter**, San Diego, and organization by **Richard Lozano '86**, we have made some house improvements this last year.

SOUTHERN CALIFORNIA

We've had two great exchanges with Chi Omega and Alpha Delta Pi along with a number of other successful parties. Our White Carnation Ball was a great success. A number of alumni turned out and had a great time with the brothers. We participated in the Alpha Delta Pi Chili Cook-off and finished third.

Our most recent accomplishment was our first-place finish in Greek Week. We swept through this philanthropic event with a team consisting of Alpha Chi Omega, TKE, and Sigma Alpha Mu.

We expect a lot of great things to happen next year, especially since the majority of the brothers are moving into the house. Everything from house improvements to a great rush will be projects for this summer.

SOUTHERN ILLINOIS

At our annual Greek Awards Banquet, **Shawn Case, Kent Groh, Mike Hull,** and **George Meredith** were inducted into the RA Ribbon Honor Society. Our Faculty Advisor, **Emil Spees**, won the Most Distinguished Student Organization Advisor for the third time in four years. **Dave Nellson** was inducted into the Sphinx Club, SIU's most prestigious honor society. We also won the Spirit Award.

Our Spring Formal was held on a Mississippi Riverboat, the Huck Finn. We also competed in the annual Theta Xi Variety Show with the Delta Zetas. Although we received third place in the large group category, it was a great time.

In Greek Week, our tug-of-war team, although outweighed by almost 100 pounds, defeated the Pikes in a tough battle.

We swept all the MOVE Blood Drive Awards this semester: most hours worked, most donors and getting the most recruits. We also competed in the first Intramural Track and Field Day, and finished first in overall points among the Greeks.

Our spring class, with 24 members, has done a fabulous job and is one of the best classes we have had here for a long time.

SOUTHWESTERN COLONY

In case you have not heard, one of the newest colonies of Delta Chi has been

established at Southwestern University in Georgetown, Texas. This is the first expansion of the Fraternity system here in over 70 years. We began the year with 12 men and we are working hard for rush.

Early in the year we were involved in a community effort to replenish the Georgetown poppy population. We recently participated in the March of Dimes Walkathon. Both activities were successful and the community was very receptive.

A big thank you to Leadership Consultant **Max Goecker** for helping us get our fraternity off the ground. We thank the Texas Chapter for their help as well.

TEXAS A & M

Rush was a big success this semester. We pinned 13 men, making it the most successful spring rush we've had.

We participated in "The Big Event" by cleaning up a neighborhood in Bryan. We had our annual road trip mixer with the Tri-Delts at Stephen F. Austin, and a paint gun mixer with Alpha Delta Pi. In intramurals we stood out as always. Our softball teams all went to the play-offs and our number one basketball team went undefeated in division play. In the Alpha Delta Pi "Playday" football tournament, our football team dominated and took first place. Phi Gamma Delta sponsored a three-man low hoop basketball tourney in which we went to the championship game before falling short.

To facilitate the acquisition of our new house, the chapter is racing the alumni to see who can make \$2500 first. With this money added to our existing savings we should be able to buy land next fall. The

whole chapter is ready to move and working hard to achieve its goal.

TROY STATE

This is an exciting time for us. We had 16 brothers enter the Bond; our largest number in nine years.

Spirit was soaring during basketball season. We took first place in the spirit contest and walked away \$100 richer.

Proceeds from our spring fundraiser went to the Elba relief fund. The flood in Elba hit close to home; several of our brothers are from Elba. **Chris Waltes** accepted pledges of a penny a mile to ride from Auburn to Troy, a ride of about 100 miles. We would like to thank the Auburn Chapter for their help. We raised \$300.

Our house is going through an extensive renovation thanks to the help of our ABT. We have already redone the furniture, wallpaper, and curtains in the living room.

VALDOSTA

We initiated 18 men into the Bond and increased our pledge class to 12 associates.

In athletics we dominated again this year as our basketball and volleyball teams went undefeated and the softball teams are currently in first place. We hope to win Greek Week for the twenty-third time.

The Around-the-World party was bigger than ever this year as we celebrated and danced the night away. We sponsored several philanthropy and community service projects such as; a city clean-up, a rape seminar, a drug seminar, and donating food and clothes to the homeless.

We did some house improvements, including landscaping and installing lights to accent the house. We are number one on campus and with the help of our alumni we can continue to prosper.

VIRGINIA COMMONWEALTH COLONY

As of February 14, 1990, the colony of Delta Chi at Virginia Commonwealth was recognized by the Headquarters. To date, there are 27 brothers at VCU. The largest and most successful project we have undertaken has been in community service. In April, 11 brothers participated in the Multiple Sclerosis Walk here in Richmond. We raised more than \$1,000 for M. S.

WASHINGTON

The initiation of 18 men in early winter brings the total number of brothers living in the house to approximately 60.

Shell Mays, Pete Hollman, Pete Saladino and **Paul Wittman** lead the way in Husky athletics. Mays plays nose tackle on the football team, Hollman started every J.V. basketball game, Saladino is on scholarship for track and field, and Wittman is a freshmen redshirt for the golf team.

Our Anchor Splash swim team fared well as they placed first in the granny gown swim relay and fourth in the medley relay. After competing in these two events, **Tres Warner** finished third in the 50-yard freestyle out of a field of 18.

High temperatures during the first two weeks of the quarter allowed us to open the pool and start our traditional backyard festivities including basketball, pool hoops, and the struggle to keep our tans.

WASHINGTON STATE

This year's White Carnation Ball was held in Spokane. Soon after we returned home we began Greek Week with Alpha Omicron Pi and finished second overall. A few weeks later we were off to Eastern Washington for the Regional. Many programs were held and our chapter and members benefitted from them. The next weekend we welcomed our mothers for Moms' Weekend. The highlight was a barbecue held on the sundeck in their honor.

WESTERN MICHIGAN

This semester we showed our strength on campus as well as in the community. We started with the pledging of 17 men. This will increase our number to 99 brothers for the upcoming school year.

In sports we continued our domination by winning the all-sports trophy. Out of 11 events we took first place in five and finished second or third in the others.

Our philanthropy efforts were also successful. We continued our work with the Boys and Girls Club of Kalamazoo by having a Christmas event as well as a Easter egg hunt in the spring. We also chaperoned a dance for senior citizens and played basketball with handicapped kids in town.

In February we co-organized a forum on campus with the Kappa Alpha Psi Fraternity. The forum, consisting of a panel of university officials and student leaders, including University President Diether Haenicke, was commended by the University as well as by the community.

Our annual Uncle Rick's Beach Party was a success. The Western Ontario Colony attended. For our first road trip, 30 brothers went to Ohio State for a weekend. It was a good time and a strong tie was made.

The year ended on a high note when we purchased a piece of land. We hope to start building a house in the spring of 1991.

WEST VIRGINIA TECH

Many improvements to the house have taken place. A room addition, a remodeled bathroom and a new set of living room blinds are on a long list of improvements.

Our chapter operations are in good working order. Elections were held and there is high morale and enthusiasm for the new officers. Rush was a success. Our newest members are already proving themselves as useful, active additions.

Our intramural teams have made vast improvements in recent months. Our Greek Week water polo and arm wrestling teams did an exceptionally good job.

WESTERN ILLINOIS COLONY

As the new Executive Board takes office, we are preparing for an exciting and adventurous year. Our goals include getting a house, securing a charter, and getting together an unbeatable ABT.

This semester has been full of activities also. Several blood drives, Adopt-a-Grandparent, and decorating the Children's Hospital in Macomb are only a few things we have been involved in. Delta Chi has done well in both softball and basketball tournaments among the Greeks at WIU.

Next semester promises alumni picnics and dinners, more exchanges with the sororities around campus, innumerable new members, and a continuation of what will soon be the best chapter on campus.

WHITEWATER

Involvement was the operative word for us. Along with the Delta Zetas, we sponsored an all-campus dance which raised over \$200 for the Midwest Athletes Against Childhood Cancer Fund. We assisted the American Red Cross with two bloodmobile drives held on campus. We also assisted in the cleaning of the Jean Sable House in Whitewater. This building provides shelter for women who are battered or recovering from alcoholism.

We placed first in the IFC basketball tournament and in intramural floor hockey finals. To top off our semester, we received the Chapter Excellence award from our University for outstanding philanthropic projects and student involvement.

In November '89, we initiated a national fundraising campaign for children with muscular dystrophy. Letters were sent to 119 Delta Chi Chapters requesting \$50. Seventeen chapters have responded and we have raised nearly \$1000. We will be presenting a check, live on local television, to the Jerry Lewis Muscular Dystrophy Telethon in September. A special thanks to the Chapters that have responded.

WINDSOR

We have five new brothers. The members are continuing the exterior renovations on the front balcony. The interior renovations are going well, but there is still a lot of work to be done.

Our intramurals went well as Delta Chi fielded teams in softball, flag football and basketball. We have started to plan for the fall with a few community events. A big one which is looking very promising is working with the Boy Scouts.

WISCONSIN COLONY

Here in Madison, the spirit of Delta Chi continues to grow. With the help of Leadership Consultant **Barry Peters**, we were able to conduct the first initiation ceremony in Madison since the 1940s. Along with our associate class, we welcomed six alumni initiates into the Bond. Since Delta Chi has been absent from the campus for almost 40 years, efforts have been made to contact all the Madison alumni. The response has been great and included the donation of a Wisconsin Delta Chi wall banner by **Alols Uek '32**, which belonged to the original chapter.

Our accomplishments this semester include being formally accepted by our IFC, and also being the first fraternity on campus in 20 years to receive the 70-year-old sterling silver IFC academic trophy for attaining the highest chapter GPA (3.11).

Greek Week '90 was a busy but enjoyable time during which our carnival game for the Head Start children grabbed us a second-place trophy. The kids also took part in our IFC's annual Easter egg hunt. We were there in full force to lend a hand.

Mike Grossman, Robert Zondag, Alan Udell and **Andy Yashar** bring home the Wisconsin Colony's academic trophy.

The West Virginia Tech Chapter "before" a day of white water rafting on the New River. Maybe the camera was too wet for an "after" photo.

Delta Chi's Foundation: Building Today for Tomorrow

There is only one true measure of a fraternity's quality: its members. Alumni who are successful, undergraduates who are campus leaders, and associate members who are the achievers of tomorrow.

Delta Chi needs to continually increase its ability to attract and develop such men. Alumni involvement and support will be the key to this effort. The quality men will join the fraternity with the most to offer. Scholastic assistance, leadership development, job placement, and other such programs will enable our chapters to attract the best men. These same programs will provide those men with the opportunity to realize their potential to receive the maximum benefit from their college and fraternal experience.

Delta Chi, empowered by the support of our alumni, will provide that opportunity to our undergraduates.

Non-Profit or For-Profit?

Let's set the record straight on the status of our Foundation. It is not a "non-profit" organization, but rather a social profit, youth profit, academic profit, and leadership and human profit entity. Certainly, there is no Foundation stock and no one is getting financially wealthy from any monetary "profits."

Yet we have 5,000 very real and very unique "shares" (or "sharers" if you will)—our undergraduates—whose value increases dramatically each year. Their growth is the return on our investment. Profit indeed!

YOUR Foundation:

The Delta Chi Educational Foundation

has been an active entity of the Fraternity since it was created in 1954. However, most members don't know what the Educational Foundation is... what it does... or, why they should respond to fund-raising appeals as alumni or assist the Foundation as undergraduate members. Here, for your information, are commonly asked questions and the answers to them.

What Is the Educational Foundation?

The Delta Chi Educational Foundation is a tax-exempt, public, charitable, and educational foundation designated by the Internal Revenue Service as a 501 (c)(3) organization. It is not a part of the Fraternity, but rather an independent entity affiliated with the Fraternity, dedicated exclusively to the promotion of public, charitable and educational purposes.

Who manages the Educational Foundation?

The affairs of the Foundation are managed by a Board of Directors made up of nine loyal brothers who give of their time freely to ensure the Foundation's success. The Board sets policies and determines the direction for the Foundation. Policies and programs are administered by the Fraternity staff in Iowa City, Iowa, with the supervision of the Foundation Board of Directors.

What are the differences between the Educational Foundation and the Fraternity?

There are many:

1. The two organizations are separate legal entities.
2. The Foundation is designated by the IRS as a 501 (c)(3) organization, while the Fraternity is a 501 (c)(7).
3. Each has a separate policy-making board.
4. The Foundation is able to raise money through tax-deductible gifts while the Fraternity is not.
5. The Foundation makes financial grants to support exclusively

educational and/or charitable programs which will benefit brothers, fraternities and the college community at large. The Fraternity administers these programs.

What is the advantage of having two separate organizations?

The Foundation is able to receive tax-deductible contributions; the Fraternity cannot. The exempt status of the Foundation requires it by law to financially support only exclusively educational, charitable, leadership and citizenship oriented programs in furtherance of the Foundation's educational purpose. The Foundation supports programs developed by the Fraternity through educational grants.

What educational programs does the Foundation support?

Some of the programs supported by the Foundation include:

- *Educational segments of the eight Regional Leadership Conferences.
- *Educational portions of publications.
- *Applicable parts of the Leadership Consultant Program (support costs for one consultant for one year can exceed \$12,000).
- *Portions of the Convention
- *The Senator Henry M. Jackson Leadership College.

What is the Development Fund?

Through the year, alumni members of the Fraternity are invited to contribute to the Delta Chi Educational Foundation's Development Fund through mailings sent out by the Foundation's development office.

The purpose for the increasing fund-raising efforts of the Educational Foundation is to support and encourage programs for the benefit of our undergraduate brothers, and those future generations yet to come, without compromising the standards of our fraternal experience.

Who will benefit from my contribution?

Your investment in the Delta Chi Educational Foundation is not only

a present gift, but an investment in the future, Delta Chi's and yours. Each undergraduate brother in all of Delta Chi's 120 chapters and colonies benefits from your generosity. Chapters have also benefited by having members return from a Leadership Seminar or Leadership Conference and implement new programs and management techniques which in the long run have helped the chapters to more fully realize their potential to positively impact on the lives of their members.

We annually graduate from our chapters men who become leaders in business, education, industry, the arts and government service. Our alumni ranks boast corporate executives, astronauts, recognized

Your gift now to the Foundation is an investment in the future

entrepreneurs, college presidents, leading journalists, United States Senators and Congressmen, and even the Director of the FBI.

Are all my gifts to the Educational Foundation tax-deductible?

All contributions to the Delta Chi Educational Foundation are deductible as charitable contributions within the limits of the Internal Revenue Code for those filing U.S. tax returns and who itemize their deductions.

Does the Educational Foundation accept Corporate Matching Gifts?

Yes! Each year the Foundation receives many matching gifts from corporations. Such gifts often double and sometimes triple the impact of a brother's gift to the Delta Chi Educational Foundation.

To have your gift matched, obtain a matching gift form from your employer and send it with your contribution to the Educational Foundation. The Foundation's staff

will verify your contribution and provide the information needed in order to qualify within the company's specifications. Your employer will then send the matching gift directly to the Educational Foundation in Iowa City. All matching gifts are credited to alumni for recognition in our donor societies.

Will the Educational Foundation accept a gift of an appreciated asset, like securities?

Absolutely! A gift of securities is an ideal way to support the Foundation and not pay tax on capital gains. The like market value of the securities on the date of the gift is available as a tax deduction, and you do not have to recognize the capital gain for tax purposes. If your gift exceeds certain limitations for that year, your donation can be carried forward and deducted in the five succeeding tax years, until your gift is completely deducted. Because of the technical and complex nature of our tax laws, it is recommended that you consult with your tax adviser on these matters.

Are there other ways available to me to make a gift to the Educational Foundation?

Certainly. The Foundation will also accept Planned Gifts, which include:

Bequests in a Will—By providing for the Delta Chi Educational Foundation in your will you can ensure the future of the Fraternity.

Life Insurance—Naming the Delta Chi Educational Foundation as the owner and beneficiary of a life insurance policy entitles you to a charitable income tax deduction on the payment of premiums.

If the policy is already paid you are entitled to an income tax deduction for the value of the policy at the time of the transfer.

Life Income Trusts—The Delta Chi Educational Foundation will accept gifts to establish Charitable

Remainder Annuity Trusts and Charitable Remainder Unitrusts. These irrevocable trusts can pay either a fixed dollar amount or a fixed percentage on a periodic basis for the donor, another or a designated survivor.

Real Estate—It is possible to donate a primary residence, vacation home, or farm to the Foundation and reserve the right to use the property or farm the land as long as the brother or his spouse lives there.

Why should I give to the Delta Chi Educational Foundation before my college or university?

Because our Foundation helps to provide a truly unique educational experience. Neither the Fraternity nor the Educational Foundation are in competition with the institutions of higher learning that host Delta Chi chapters. The benefits of Fraternity membership are distinct from those derived from the academic curricula of colleges and universities. Our efforts are directed at the way the undergraduates react to their environment, and the way they conduct themselves in their personal lives and as part of a group. A good experience in Delta Chi is a complement to an undergraduate's formal education and influences him for the rest of his life. The results will reflect well on his Fraternity, his school and on himself.

So... Who Profits?

Clearly, we all profit from the advancement of the Delta Chi Educational Foundation. When you stop to think about it, your gift is not just an investment in the lives of our young men but an investment in our society as well.

Chapter Luminaries

ARIZONA STATE Tyler J. Regan '93

Chapter: Co-Social & Scholarship Chrmn., "C", House Manager.
Organizations: Order of Omega, Phi Eta Sigma, IFC, Rush Task Force, IFC Rush Counselor, Music Therapy Student Organization
Major: Clarinet Performance/Music Therapy

Chapter: "A", "D", House Manager, Housing Com. and Chartering Com. Chrmn.
Major: Business

ALUMNI CHAPTERS

NEW YORK METROPOLITAN

We are getting increased interest from *Quarterly* readers and hope more will request information about our group. The current meeting place is the Ol' AleHouse McSorleys, 15 East 7th St. (212-473-9148). The meetings start at 6:15 p.m. and are on the first Thursday of the month. The usual dinner in the east or mid-west Village follows our brief business agenda. The March meeting was a huge success. A large crowd attended and important Centennial Convention material was

discussed. Next, the group made plans to meet for a Mets game and possibly a Yankees game. And, the perfect ending to the night was a surprise party for "DD" Greg Hauser who was promoted to partner at his law firm of Walter, Conston, Alexander & Green, P.C. in New York. Justly deserved congratulations from all of us.

NYMAC is Back! Contact Aaron Spicker for information, 311 West 97th St., #5N, New York, NY 10025. (212) 316-3555.

ATLANTA AREA

In celebration of the 100th anniversary of the Fraternity, the Atlanta Area Alumni Association will hold its eighth annual White Carnation Ball on Founders' Day, Saturday, October 13, 1990.

Traditionally held in the spring for Georgia Southern alumni, the Ball will expand its guest list. "This year we are including all alumni who live in the Metro-Atlanta area," states David Edwards, chairman of the affair.

The Ball will be held at the Marriott Perimeter Center Hotel

in Atlanta. Festivities will include cocktails and dinner with entertainment and a party to follow.

"We hope to extend more than 650 invitations to alumni and guests by summer's end," says Richard Gruver, correspondence chairman.

Any alumnus interested in attending the Atlanta White Carnation Ball is encouraged to call Richard Gruver at (404) 924-7922 or write:

Atlanta Area Alumni Assoc.
379 Cindy Drive
Conyers, GA 30208

Just-initiated members of the new Georgia Tech Colony rushed to attend the Auburn rechartering.

KEEPING IN TOUCH

BALL STATE

Isacc E. Lewis '59, is superintendent of the County School Corp. of Brown County.

David K. Neff '75 is a member of Who's Who in U. S. Executives for 1990.

Born to Brother and Mrs. John E. Snowbarber '77, a daughter, Kelly Jo.

Born to Brother and Mrs. Scott Van Zant '80, a daughter, Kourtney Marie, March 15, 1990. He is a research physiologist with the USDA Agricultural Research Service.

Tom Jakab '84, operates "Checkmate Designs" with his wife Janine. They design and sell women's apparel to boutiques.

CREIGHTON

Brother and Mrs. Michael Kozlik '75, adopted a son, John Edward, in November 1989.

IOWA STATE

Born to Brother and Mrs. Jeffrey E. Phillip '82, a daughter, Hannah Michelle, March 15, 1990.
