"What is Our Message?"

Our message is friendship. That's our message: Friendship! Knowing, liking, trusting and doing good things for other people.

It's as fresh as the new initiate who proclaims: "My fraternity brothers are my best friends." And it's as timeless as the alumnus who says years after graduation: "My best friends are still my fraternity brothers"

Yes, friendship is our message. However, let me tell you that the membership marketing gurus would probably declare such a recruiting message as quaint, certainly insufficient. They would urge a recruiting message that portrays a supermarket of programs, services and opportunities. If we were to follow their advice, our message—the message of fraternity—would not be friendship, but would sound something like this: Fraternity is the omnibus organization for the success-oriented student. It provides:

- Room and boarding facilities
- Social programming
- Philanthropic endeavors
- Athletic competition
- Leadership and managerial training
- Alumni networking; and
- Several intangibles such as:
- Pride
- Companionship
- Personal growth.

But the message of fraternity is not a menu of goods and services. Such goods and services are collateral benefits, but in most of our history, the reason people have joined fraternities is for friendship. To put it another way, *People join people and a good fraternity too.*

It's not the product stuff; it's the people stuff that counts. The promise of fraternity is not, "three hots and a cot." The message of fraternity is friendship.

Oh, I'm also aware that simple friendship won't cut it with many of the folks who have a social agenda for fraternities: No one will be able to find the word "friendship" in the

institution's mission statement. Because friendship is issue neutral, its message is probably insufficient to satisfy the forced diversity lobby—friends tend to resist being socially engineered.

And friendship is thought frivolous by many serious minded faculty and administrators. Friendship? "Get serious!" many will say.

And there are those who say that friendship is the cause of cover-ups and rationalizations, and, indeed, is often the driving force behind hazing, sexual abuse, drunkenness and mayhem. The social agenda people will say that we will really shoot ourselves in the foot if we ignore these critical issues and settle on a fraternity message of simple friendship.

With all due respects, such friends and adversaries alike just don't get it.

Gangs masquerading as fraternities should be put out of business, but friends pledged to and practicing mutual support and a better commonwealth are already the foundation of any social agenda.

There should be no confusion about our message. The confusions only comes when we - the people in this very room - allow gangs to choke the spirit of true friendship out of a chapter. The message of fraternity is friendship. When our name is attached to anything else, we should take it away — we fail to do so at our risk and peril.

So why join a fraternity? Let the students answer that question—they are almost always eloquent in their responses. To do that, allow me to share with you part of a letter I recently received from a young man at one of our Texas Chapters. He writes to his Chapter brothers:

"I guess what I would really like to say is that my fraternity has been the most influential aspect of my life. I have never made a decision that has affected my whole life in the way that joining our fraternity has . . . Every member is like a member of my family, well even more than that—a part of me." He then goes on to make a poignant statement in a time of so many dysfunctional families. "Even though my family has basically broken up and my kin has deserted me, I have faith in

the fact that my fraternity will be the wood in me to keep my fire burning . . ." He concludes, "I love you guys."

People join people and a good fraternity too.

So why the decline in our affiliation statistics? Listen to what the interfraternity spin doctors say: Our numbers are down because:

1. The "drunks" aren't joining anymore, because we've been so successful in risk management.
2. Deferred rush always results in fewer fraternity affiliations and there's a lot more deferred rush.

3. Restrictive rush rules are killing us; they're making it difficult for freshmen to go through the rushing process.

4. The media message about fraternities is scaring parents and incoming freshman away.

5. Today's college students are the children of the "flower children" who hated fraternities in the late 60s and early 70s and they have passed their prejudice on to their children.

6. Enrollments are down, why shouldn't our affiliation numbers follow suit.

And one more - the flip side of the "risk management is working" spin:

James E. Greer, Jr.,
Executive Vice President,
Zeta Beta Tau Fraternity

"King Keg" is dead and undergraduates tell us that "fraternity is not fun anymore."

Well, I'm convinced that a lot of terrific kids are staying away from fraternity because they feel, and their parents do as well, that we've lost our way. They have come to believe that we have forgotten about simple friendship: knowing, liking, trusting and doing good things for people. Instead they believe that we are only interested in those who are only

How can we uniformly promote and communicate this message?

interested in King Keg—that's how we are perceived and that scares them and they stay away.

The '80s distracted us. Giggling all the way to the bank with the initiation receipts, we hardly saw what was happening.

If we are to recapture the initiative, and if we are to meet the membership marketing declines head-on, then we must remember that *people join people and a good fraternity too.*

How do we do it—collectively? Here are some suggestions:

- First, agree on our message and then:
- Hire a survey/polling outfit to

test the opinion of high school students and their parents regarding fraternities

- Hire an ad agency to design our message to high school students and their parents

- Advertise in high school newspapers

- Attend college fairs to promote our message

- Speak at high school assemblies

- Organize and meet with high school guidance counselors in major cities around the country

- Offer a program that can be delivered to local civic clubs

- Participate with a significant contribution in freshman orientation programs

- Find a way to join the "freshman experience" phenomenon that seems to be sweeping student personnel departments these days

- Establish an interfraternal, interorganizational agency with the sole purpose of promoting fraternity membership marketing

- Fund it all with a \$1.00 special, annual fee from each fraternity and sorority initiate—the friendship fee.

Let's do it now, because tomorrow is too far away!

Editor's Note: James E. Greer, Jr.'s message was originally presented as a keynote address at the National Interfraternity Conference and has been edited for the magazine format.

Sharing a moment of friendship are (from left) **Chad Pritts, Terry Suessen and Ron Hornsey** of the Eastern Illinois Chapter.

Campus Scene

Appalachian State's Littlest Brother

Our newest member isn't your typical fraternity man. In fact, he is only 4 years old. Alex Higgins turned four on September 4. His mother, Annette, is a single parent; his father died shortly before he was born. She is a full-time college student and works fulltime. Not surprisingly, money is tight. After working and spending time with Alex, she tries to find time for her schoolwork. "Keeping my grades up is the hardest part," she commented. "Alex is my first priority, and I have to work."

Annette first heard of Delta Chi when she began to study with a classmate who was involved in the fraternity. When Annette began to study at the fraternity hall, several brothers kept Alex entertained, allowing his mother the break she needed to complete her schoolwork.

Later in the semester, several brothers approached Annette about adopting Alex as an associate member. Our idea was to plan activities with Alex to occasionally give Annette more time to concentrate on academics and to help out if needed by raising money for clothes and other necessary articles.

Greg Helfner, a friend of chapter members, originally suggested that we throw a birthday party for Alex. Brothers raised money to buy presents for Alex and cooked dinner for him and his mother. Since the chapter bought toys for Alex's birthday, his mother was able to purchase him some badly needed winter clothes.

For all involved, the most rewarding part of Alex's birthday was seeing the look on his face when he opened the box containing the large Tonka dump truck we had bought him.

ABRACADABRA

No material received.

ALABAMA

We co-hosted an afternoon of fun and games for two local day-care centers with Tri Delta Sorority. We hope to repeat this every semester. In addition, we are donating money to the Policeman's Ball, working for Meals on Wheels, selling raffle tickets for a local child abuse agency and implementing a recycling program at the house.

We were pleased by the large turnout of alumni for Homecoming. Visitors were pleasantly surprised by the house renovation completed this summer. Our first pledge, **Jefferson J. Coleman '29**, was the Grand Marshall of Homecoming ceremonies. **Jody Boyd** holds the Alumni Board position of Rush Advisor.

Mark Bain is the Administrative Assistant to the SGA President, **Randolph Gillum** is President of the Arts and Sciences school, and **Russ Wilson** is Vice President of the Engineering school. Our goal now is to strengthen alumni relations.

ALBANY COLONY

AMERICAN COLONY

No material received.

APPALACHIAN STATE

At our last ABT meeting we set many new goals and acquired the loan we needed to buy new furniture for our hall.

Eight of us returned early this semester to assist with freshman orientation. This service to the university paid off during fall rush when we accepted 26 associate members, the largest class on campus and the largest in our history. By modifying the Big Brother program we intend to enrich the pledge period and retain all the pledges.

Our social calendar was the best ever as we mixed with almost every sorority on campus. Highlights included a dry mixer with the Delta Zetas and a Salvation Army Benefit mixer with the Kappa Deltas. We are exploring new social alternatives such as our first "Spot Party" where big brothers and little brothers arrange each others dates.

John McPherson, Jr '88, was elected Vice-President of Appalachian's Alumni IFC, and many members hold positions in student government.

ARIZONA

Thanks to Treasurer **Sang Kwon Lee**, we paid off all debts. Our goal to pay off our house mortgage will soon be achieved.

We have 22 Associate Members who are fired up about improving the house. We worked with Alpha Delta Pi on making this Homecoming one to remember. The theme was Leader of the Pac. Our motorized "Harley Davidson" float, ridden by our school's Wilbur the Wildcat, was impressive. It was designed with the engineering skills of **Matthew Kelly**.

We are continually improving our house, and are especially proud of the addition of a large band stage which has local bands begging at the door of **Jay Froberg**, our social chairman. Kudos to him for an incredible job organizing perhaps the best Badlands Blowout ever, and making the annual Safe Sex party a U of A tradition.

During Parents' Weekend, we raised \$1,800 towards our new study room. Our alumni have started an Alumni Club, which is growing fast. The alumni have been very generous in giving time and support to the chapter meeting every month. We are trying to increase alumni support for the club. They are now discussing plans for a special weekend for alumni to return to the house, creating a Spring Homecoming of sorts.

ARIZONA STATE

Our excellent rush brought 16 young men into the associate member program. We set our goals for the year and became a little closer at the Fall House Retreat at Lake Roosevelt. We have already seen the realization of goals set there.

The house is in tiptop shape, largely due to the tremendous efforts of ABT Treasurer **Larry Hayes**, Central Missouri '86, and President **Richard Sparks '88**. A new surface on the parking lot and new paint on the house have the property looking great.

Great performances in racquetball, tennis, football and swimming have kept us in good shape to win the intramural banner.

Leadership Consultant **Brett Sherbert** dropped by to attend the Fall 1991 Greek Leadership Conference. The conference featured prominent speakers including Eileen Stevens and outgoing NIC President **Chuck Loring** and provided useful information on many facets of Greek life.

A highlight of the semester was October 26 when the brothers threw on the black ties and celebrated the 101st anniversary of our founding. In attendance were all the chapter's previous presidents: **Scott Neff '87**, **Gregg Spund '89**, **Michael Lindberg**

'90 and **Kevin Mc Carthy '92**. The beautiful grounds of the La Posada resort made a scenic background for the festivities.

AUBURN

We initiated 10 undergraduates and two honoraries into the Bond. With the rest of the quarter to look forward to we held our annual pre-school band party inviting incoming freshmen and sorority pledges to visit the house. With a fall pledge class secured we continued with a Homecoming reunion for alumni of the 1960-65 era. This event, planned by **Dr. Joe Busta '69**, **David Pifer '71** and several other alumni, was well attended.

Our intramural program continues to run strong and the annual philanthropy projects of supporting a family for Thanksgiving and giving a Christmas party with the Alpha Gamma Delta Sorority were successful. We are participating in a campus security program to escort young women through the darker areas of campus for safety. Our thanks to the alumni who have stopped by the house before the football games; we hope to see you again.

AUGUSTA

Our quarter started with a bang, or two, at our second annual Squirrel Hunt Retreat. The kill was limited to two, and our planning for the quarter was accomplished, which was most important. Although the turnout for White Carnation this year wasn't as large as last year's Centennial Celebration, those who attended were properly entertained as we ended the night with rides in horse-drawn carriages. "BB" **Larry Tingen** was awarded Alumnus of the Year.

We helped the school with O.A.R.S. (Orientation Advising Registration Special Programs), doing things such as taking photos for student ID cards. We also provided information to entering freshmen about campus events and programs. This has proven to be a great asset to our rush program. We helped man the Drug Awareness table in our College Activities Center. We distributed brochures, key rings, and surveys to help people on campus identify drug problems in our community. Our football campaign has also been successful, as we are currently 3-1 on the season.

BALL STATE

We went into the winter with 14 associate members. Rush numbers at Ball State nearly doubled this fall and spring rush looks as if it will show increased numbers.

Homecoming was successful, with over 60 alumni returning. We held our first Parents' Day in several years and it was a tremendous success. Nearly 35 parents attended and plans to form a Parents Club were discussed.

Our intramural teams are successful. The three-man volleyball team finished first and the football team is currently in the final four. **Dan Kronauge** and his partner won the doubles division in the Volvo Tennis Collegiate championships in Austin, Texas. This win gives them the #1 ranking in the nation for men's doubles.

BEHREND

We have won a couple of top honors, including Greek Week. Of the three years it's been held, we have taken first place all three times. We also won the "Bread Box" award from the Second Harvest Food Bank of Erie. This award was given to the top ten donors. We raised a food equivalent of \$17,000 through our annual Bowl-a-Thon. We also won two awards from the National Fraternity. Our rush was a success as we accepted 16 associate members.

One of our more important events was the Founders' Day Banquet, also attended by the Gannon, Edinboro, and Fredonia Chapters. Regent **Bill Williams** presided and a state of each chapter/colony was given by a member of each Executive Board.

BRYANT

Rush is really strong here with brothers present at all the events and rushees showing the enthusiasm we like to see. Our chapter was showered with many awards this semester, including two from National Headquarters. Our Beta class received the highest GPA award from our IFC and we received a special plaque from United Cerebral Palsy for the our generous annual donations. **John Boccuzzi** is our new "BB". We thank Leadership Consultant **Andrew Loos** for providing us with helpful hints and giving us that little spark to encourage us to go on no matter the opposition.

Our alumni weekend was successful with 18 of our 49 alumni present. Our alumni are sharing their experience with other chapters and colonies. **Scott Hainey '91** visits Johnson & Wales Colony, **Peter Dillon '91** is lending a hand at Mankato Colony, and **Steve Naldi '90** is enjoying the company of Delta Chis as he takes graduate classes at Clemson.

Finally, we congratulate fathers **Carl T. Lubelczyk**, **Steven A. Rubin**, **Leonard Jaro**, **John R. Biscotti** and our faculty advisor

Kenneth J. Sousa for becoming the first class of our Alumni/Advisor initiation.

CAL POLY

We have been working on our new fraternity headquarters, a four-unit apartment building close to campus that will house eight brothers. The house was acquired after an exhaustive search by housing chairman **Tom Lonsway**. The brothers have made improvements such as landscaping, adding additional parking spaces, putting up a basketball hoop, and constructing a barbecue area. Special thanks to Leadership Consultant **Brett Sherbert** for helping with the parking spaces. In addition, the Delta Chi letters are prominently displayed on the front of the house. It is the first time in almost 20 years that Delta Chi letters have hung on a house in San Luis Obispo.

We celebrated Founders' Day with a successful alumni reception and Founders' Day Ball. We rocked San Luis with our band in the Homecoming parade, and won a prize for Best Truck. Later we cheered on the Cal Poly Mustangs and **Phil Umstead** in the football game. We participated in the San Luis Halloween Carnival with a game booth. Our house GPA last quarter was 3.01 and several members have significantly improved their GPAs. Our computerized alumni database has been successful in making sure that alumni are better informed about chapter activities.

CALIFORNIA UNIV. OF PA.

No material received.

CENTRAL MICHIGAN

We had one of our best Homecomings ever! Alumni and actives enjoyed feasting on roasted pig after Central won the game.

Our football team is hoping to repeat as All-Greek Champs; we have a 21-game winning streak against Greeks. Our soccer team finished third in the IFC league, and we're about third in the overall standings.

Last semester, our associate member class had the highest GPA of any associate member class on campus. We were also the recipients of the school's Provost Cup Award, truly a shining moment for us.

Our philanthropic projects this semester include the MDOT program of

Behrand brothers and associate members claimed they enjoyed the 40-degree water during their retreat. But what are they really saying?

Four Chico Delta Chis and **Jeff Albright '87** take the chapter's President's Cup out for some air.

Adopt-a-Highway, in which we clean a section of a local highway periodically, and our chapter's name is on signs designating that area. Another project this semester is the local Adopt-a-Block program. In this program we are responsible for keeping the public areas of a city block clear of garbage and trash.

CENTRAL MISSOURI

Fall semester got off to a great start with a well-organized rush effort. On September 12 we pinned 19 associate members. On September 13 we activated seven men into the Bond of Delta Chi. What a great start to the semester!

Delta Chi continues to be a leader on campus. We are currently in third place in intramurals after several of our participants received top honors and Athlete of the Week awards. We are near the front in our scholastic efforts. Our spring associate member class had the top GPA and the chapter GPA was higher than the overall Greek and campus averages. We also received the IFC Best Scholastics Award.

We had a successful Fall Alumni Day as several alumni returned for a fun-filled weekend. Highlights included a ritual exemplification and the annual "Toilet Bowl" football game pitting the actives against the alumni. We capped off the day by honoring Dr. **Roy Stubbs** for his support while he was our faculty advisor. This was followed by a dinner and a dance.

CHICO

We have had many goals during the past few years, and one was realized when we moved into our new house on fraternity row. This can benefit us in the future during such events as rush and has been a goal since our organization in 1987. The new house holds 17 members. November 9 we held our dedication ceremony with new letters unveiled and the Delta Chi flag raised for the first time above the house. Our annual canned food drive for the Newman

Center is one of the largest in Chico. It is open to all organizations on campus and usually brings in 10 tons of food.

We had the pleasure of having **Jeff Albright '87**, one of our founding fathers, attend the Founders' Day formal, where we were presented with the President's Cup for the fourth straight year. This is something the whole chapter has worked on, and cheers immediately erupted.

Following the initiation of our Mu class of 18 members, we prepared for our fall rush. We had the largest rush on campus and our efforts produced a class of 26.

CLARION

This fall we had a very successful rush. We pinned 15 associate members, making it our chapter's largest pledge class.

On March 18, 1991, our house of three years was destroyed by a fire. We have remained very strong through the whole ordeal, and on November 1, we moved into the brand new house. It will house 20 brothers and be considerably larger than the old one. With help from our "BB" **Patrick Griffith** and the determination of all of us, our new house has become a reality.

Our preparations continue for the Regional Convention, which is to be held March 13-15 here at Clarion. "A" **Gregg Starr** has been chosen as Vice Regent. He, along with the other brothers, is working hard to make this convention an enjoyable and informative one for all who attend.

CLEMSON

We continue to be one of the strongest fraternities here. We have placed in the top three for the IFC "Best Fraternity" Cup in the past three years. We also have the second most associate members out of all fraternities with 21. We placed first in the Homecoming float competition which dazzled the thousands of visiting Virginia and Clemson fans.

We have had mixers with the Alpha Chi

Omega, Chi Omega, Delta Gamma, and Kappa Delta Sororities this semester. We even had a joint cookout with the Zeta Tau Alpha and Alpha Delta Pi Sororities and Lambda Chi Alpha Fraternity.

We were anxious to host the Region VIII Conference this February and were hoping that participation by other chapters in our region would be high.

COLORADO

Mudfest was another success this year, and for the first time ever the weather was actually warm. Homecoming activities were great fun and we elicited the help of the Gamma Phi Betas in building a float.

Pete Copeland was unanimously elected as our new "BB" and is very involved in chapter activities. His much-needed advice has been supportive and encouraging.

Our new public relations committee has been working hard and our reputation has grown considerably among both Greeks and students on campus. Our "Psy-Chi-Delic" party with the Alpha Chi Omegas was a huge success and they are looking forward to future events with us.

In what has become a traditional activity, 12 brothers rented an RV and trekked to Norman, Oklahoma to watch CU crush the Sooners—they weren't disappointed. **Dennis Holmes '91** went as well.

CONNECTICUT

No material received.

CORNELL

We commenced our second century at Cornell with an exciting Homecoming. We welcomed back numerous alumni and family as they celebrated the memories and companionship of the Bond. As is customary, we had a strong showing of recent graduates. Festivities included a casual reception, an Ithaca-style tailgate filled with fog, drizzle, and umbrellas, and a wonderful formal evening, seasoned with the culinary creations of **Joshua S. Grizwald '92**. After past and present brothers toasted the Bond, the dancing began.

Homecoming 1991 proved to be a glorious gathering for all those involved. We enjoyed listening to stories of past adventures on the Knoll and thank all the alumni who shared in the experience, including **John C. Trussell '28**, **Clint Cooper '55**, **Don Farley '55**, **Bob Kraus '65**, **Tony Radice '66**, **Peter Ruggar '66**, **Bill Jankun '70**, **Steve Johnson '77**, **Steve Pasiuk '77**, **Rick Solazzo '79**, **Scott Schwartz '80**, **Mike Rolband '80**, **Phillippus Miller '83**, **Kirk A. Fry '83**, **Scott Brooks '88**, **Brad Smith '89**, **Mark Dingle '89**, **David Walmsley '89** and many alumni from the classes of 1990 and 1991.

CREIGHTON

No material received.

DAVIS COLONY

Fall quarter began with formal rush which yielded five associates. This quarter also saw the formation of our new ABT. We thank alumni **Paul Barger**, MICH ST '85; **John Woodard**, N COL '89; **Pete Phillips** and **Craig Shaw** for their support. Thanks also to "DD" **Michael Carroll** for his visit and many helpful hints. Socially we held exchanges with Alpha Omicron Pi and Alpha Epsilon Phi.

DELAWARE COLONY

No material received.

DENISON

No material received.

DEPAUW

Last spring, we initiated eight members into the Bond and pledged two associate members. We received the Award of Excellence from National Headquarters and were recognized for outstanding leadership organization by DePauw President Dr. Robert Bottoms. "AA" Emeritus **George Obear** returned for the dedication in his honor of the newly renovated parlor.

More than 100 alumni and friends returned to the house for Alumni Weekend last June. All were very pleased with the recently completed renovations, which, in addition to the remodeled parlor, include a new front porch, and remodeled bathrooms, foyer and dining room.

This May will mark the 100th anniversary of the founding of Delta Chi at DePauw. We are planning a celebration at the house.

EAST CAROLINA COLONY

October 13, 1890 is the date of Delta Chi's founding. This date in 1991 is significant to 25 founding fathers at East Carolina as the date they were initiated into Delta Chi. Our brothers from North Carolina State traveled here for a weekend we will cherish for the rest of our lives.

Excitement continues to build within our colony as we were blessed with the highest number of associate members, 24, of any fraternity during rush.

We are persistent in our quest for the 1991-92 Chancellor's Cup. Intramurals have a strong collaboration with brotherhood for us. Of the 18 fraternities in the early running, we are in sixth position for the Cup and we are determined to move into the top spot.

Philanthropy is also high on our list as we strive for excellence. We are working with the Greenville Boys Club. Future events include fundraisers for them as well as with them. Our members will help coach the boys in soccer, flag football, basketball and other sports throughout the year. It is very rewarding to watch a young boy smile.

EASTERN ILLINOIS

Our associate member class of 28 is the second largest on campus. We are showing great success in intramurals with a representative in every available competition. We are in second place and hoping to take the lead after the soccer championships, which have been a huge success in the past.

Homecoming was again a great success. We had the pleasure of meeting with brothers from the past, including a few of the founders who started our chapter.

We are showing leadership with **Steve Evans** taking over the ROTC battalion and **Eric Williams** on the EIU diving team. We also have members in Student Government, IFC and community involvement.

We are planning our community-wide philanthropy, the Miss Lincoln Trail Pageant. Our current holder of the crown went on to the Miss Illinois Pageant and walked away with a runner-up position. We continue to help the community in other areas, including raising nearly \$1500 for the Ronald McDonald fund.

EASTERN WASHINGTON

Fall quarter began with a successful rush as we pledged 13 men. For our "Adopt a Highway" philanthropy we will clean a 2-mile stretch of highway three times a year.

Major house improvements, including new entrance doors and the installation of a new shower, have made our house a more comfortable place for the brothers.

We invited the whole Greek system to our ninth annual Halloween Bash. The entertainment featured a live band, and everyone had a fun-filled evening.

Chris Pippard is serving on student government, and our intramural football team is now in the playoffs. With the help of our alumni, active members and associates, we are looking into purchasing our house and making Delta Chi the biggest and strongest fraternity on campus.

EDINBORO

We initiated 10 brothers in April, bringing us to 48 undergraduate brothers initiated since we've become a colony.

June 1, we acquired a new house which many brothers spent a lot of time repairing and cleaning over the summer. We also had two functions during the summer to set goals for the upcoming semester.

Our Homecoming float of Teenage Mutant Ninja Turtles won a trophy and was well received by all who watched the parade. Of course, the biggest highlight of the semester was our chartering on October 26 after more than a year of hard work. The achievement of seemingly impossible goals has given us a huge lift.

Once again we did a superb job on the nature trail for the physically handicapped. This is the third time we have participated in working on this facility. Along with this, we also helped in the building of a fantasy playground for the community.

Our first official semester as a chapter is looking bright with intramural sports and the induction of seven associate members.

ELMHURST

Our homecoming float won second prize, and, for the second year, we dominated homecoming court by taking three spots, including our "A" as king. The only difference from last year is that our football team won!

Although this appears to be a typical evening at the DePauw Chapter house, it is actually their successful Looney Tunes Informal.

The intramural football championship game was won by the Delta Chi Buff defeating the Delta Chi Red squad 45-16. Of our 16 members involved in intercollegiate sports, five of them are helping with the resurgence of the football team.

We accomplished all of this in our final semester as a colony. These achievements were minor compared to receiving our charter. We achieved many goals, but are anxious to finish achieving our goals as a chapter.

EMBRY-RIDDLE

Greek Week domination continues for the seventh year in a row. This year the victory was special due to the fact that we came all the way from sixth place to win.

We thank **John Mazur '76** for taking the time and making the preparations necessary to give us a tour of a Fokker 100 aircraft. We were extremely impressed.

The Founders' Day Dinner was a success. New brothers, as well as old, enjoyed listening to the alumni reminisce.

FLORIDA

We are active in the IFC with **Gene Shipley** as President, **Darryl Heminger** as District 1 President, **Richard Vermut** as Treasurer, and **Eric Frisch** as Black Greek Council Director. Other brothers are in Student Government as well. **Bill Schmidt** is Recreation Cabinet Director and **Brendan Shortley** is Health Cabinet Director. **Darren Goldstein** was tapped for SAVANT UF and **Jason Kodish** was elected Vice President for Interracial Campus Studies.

Our 65th Homecoming gave us another opportunity to excel. We placed second in UF's Float Contest and third overall. Our 75 alumni enjoyed Homecoming in one of the best turnouts in the last 10 years. More than 10 alumni who graduated in the 1930s and 1940s attended, including **Barton Douglas '30** and **Robert Whitener '34**.

We are embarking on a fundraising project to allow us to renovate our house.

FLORIDA INTERNATIONAL COLONY

Since our colony was founded two years ago, we have grown into one of the strongest fraternities on campus. In our first Homecoming we came in first among all fraternities. Delta Chi's won runner-up for Homecoming King and Prince. We also had an excellent showing during Greek week, placing second overall and first in the skit for the last two years.

In intramural sports we have the number one basketball and baseball teams and our softball team has placed second the past two years. **Gus Vilomar** and **Aurelio Mendoza** were named NCA Collegiate All-American cheerleaders. Two brothers

Elmhurst members celebrate the news of their chartering.

placed in the top three in the annual Campus Man Competition.

Our production of the first annual Delta Chi Fashion Show had a tremendous turnout of over 270 people. Many of our alumni attended and were greatly impressed.

We expect to continue to grow as we had our largest fall rush ever.

FLORIDA STATE

After a year on social probation, we were ready for an active social calendar. We had mixers and social events with Sigma Kappa, Kappa Kappa Gamma, Alpha Gamma Delta and three other sororities.

If that weren't enough to boost our morale, there is the ever increasing possibility of a new home for us. Thanks to **Matt Hamperian '89** for the work he's done.

We celebrated the biggest Delta Chi Homecoming in recent memory. That, coupled with an incredibly motivated associate member class, has this chapter moving in a new, focused direction.

FREDONIA

"A" **Scott Black**, "E" **Joe DeFazio**, and **Mike Beelcher** attended the Jackson Leadership College in Iowa City. "BB" **Jim Sturm** was a faculty member at the College.

The fall started with an outstanding rush that brought us seven brothers, and we received three national awards.

In the Greek Community, Delta Chi has moved forward. **Tim Ratiff**, **Mike Bleacher**, and **Lance Belin** were initiated into the Order of Omega and then won the elections for all three officer positions. Our GPA was tops among all fraternities and our homecoming float took second place in the Greek Float competition.

Tom Decker was recognized as the college's top trombone player. He was selected as principle chair trombone for both the Symphonic Wind Ensemble and the College Symphony.

On a sad note, we bid farewell to ABT Secretary Virginia Albanese who left us to

become Director of Sorority Affairs at Northwestern University.

FROSTBURG

No material received.

FULLERTON

This fall we have been reaping the rewards of the positive momentum we have been building. Within a few months, we liquidated a debt of \$4400 to National Headquarters and have taken steps to prevent a debt from occurring again. Our relations with the National Fraternity were further improved by an excellent review by the Leadership Consultant and a revamped associate member program. The new program netted us three brothers over the summer and nine more during the fall.

Also successful were the annual Maze Party, the active/alumni Turkey Bowl, an alumni golf tournament and active/alumni softball. Add these to our high level of enthusiasm and determination and people will see more good things from us.

GANNON

We are in search of a new chapter house. With the formation of our new ABT headed by **Mark Westerman '87**, we feel very confident that we will have a new house by our goal date of July 15, 1992.

Among our charity projects is the Children's Literature Experience in which the brothers go to Villa Maria College to read to young children. We are completing a project in which we, along with the other Greek organizations on campus, are raising \$10,000 to build a safe park where the children of Erie can play. We are also in the Adopt-A-Highway project in which we keep a section of highway clean for the city.

Todd Wheaton '90 is our new "BB" and is doing a fine job. **Bill Williams '83** was elected Regent of Region IX.

GEORGIA TECH

The quarter began with a critically important fall rush in which 25 associate members were added to our ranks. Delta Chi ranked fourth in campus rush and we moved up to B-league among fraternities into the second largest bracket.

The entire chapter participated in Homecoming festivities, this year's theme being the Renaissance. We came in seventh place overall and third in our division, winning the Feast for a King and Look-Alike events.

We are setting our sights on the IFC Overall Trophy and in particular the Philanthropy Award. This fall we participated in Habitat for Humanity, the campus Blood Drive, Rhodes Hall Haunted House, and other philanthropy projects.

GORHAM STATE

We came back from summer break with a renewed sense of spirit and pride. Our fall rush program was very successful due to the efforts of our rush chairman, **Mike Stephens**. **Kenny Goodrich** is gaining recognition for his contributions to IFC in his second term as IFC Secretary.

Our intramural football team was very successful, improving after each game.

We are always improving our relationship with the surrounding community. We renovated a nearby playground that we built a few years ago and we conducted our annual neighborhood leaf rake. The semester ended with our Christmas party for the Center for Grieving Children.

HAYWARD

Gary Martin did a wonderful job organizing and planning a wide variety of events for our fall rush. We added 12 associate members to the Eta class. It seems that our theme for this rush, DON'T CLOWN AROUND, really pulled in the quality men that we have been striving for.

Since our chapter is fairly young, we do not have the strong alumni support that other chapters may have. Nonetheless, our alumni barbecue was a wonderful success.

October 18, we gathered at Shenanigan's in Jack London Square in Oakland and danced the night away at the Founders' Day Semiformal. Our fall philanthropy program has started off well. We are the sponsor of a two-mile stretch of Highway 880 in the Adopt-a-Freeway program.

HOBART

No material received.

HUNTSVILLE

This fall our Toga Toga party was held outside UAH's newly finished Central Campus dorms and gave the campus' new addition an appropriate kickoff.

The scholarship program is still going strong. We were awarded highest overall fraternity GPA for the previous academic year. This is the third consecutive year we have received this award.

The prospects for obtaining campus housing this winter seem very good. Negotiations are underway to rent half of a hall in the old dorms with an option for later expansion.

IDAHO

We have a new-found commitment to excellence. We fulfilled all our rush expectations within 40 minutes. We hope to soon put badges next to each young man's heart.

We are stressing the importance of getting reacquainted with our alumni. We have an improved newsletter program to perhaps get closer to our brothers that we have been in contact with, and repair some of the severed ties of the past. During our housing corporation meeting we learned more about what we can do to preserve our chapter house for future young men. We are constructing an active ABT and, with the help of Leadership Consultant **Brett Sherbert**, we think we can get the job done.

Public relations work has also been emphasized. With such projects as our help with the University of Idaho biathlon, public television telethons and activities for young community children, we feel we are setting the pace here and in Delta Chi.

We made it to the playoffs in soccer and football, and although we haven't been able to bring home the gold yet, we fully intend to do well in the sports still to come.

ILLINOIS

After a great rush, we welcomed 26 associate members. They are making good progress on their road to brotherhood. One of our pledges, **Jeff Pape**, is a member of the U of I's wrestling team.

Our A softball team captured the Intramural Tournament Championship and our A football team won the university's most competitive division championship. We also had a four-man basketball team place second and fourth in separate campus tournaments and our mud-volleyball team finished third. **Mike Poloskey**, a member of the university's football team, leads the nation in sacks with 11.

We hosted a Block Party which over 1500 people attended. One of the best Homecomings in years reunited alumni from the 1930s through 1990. Everyone enjoyed the festivities and football game.

Jerzy Jaworski was elected IFC Judicial Board Chairman.

DePauw's entrance displays the Delta Chi coat of arms and the chapter's founding date of 1892.

ILLINOIS STATE

We began by rushing 11 associate members. A chapter retreat held early in the semester helped set the goals needed to move toward being the best on campus.

Our intramural football team had a remarkable record of 7-0 before losing in the playoffs. Intramural volleyball did not go without notice; we were second in the tournament. We hosted Greekbowl as our philanthropy project.

Homecoming was a success with the annual Pig Roast and Toga party. We held a 50/50 drawing and had fun awarding alumni with prizes in categories ranging from who had gained the most weight to the who had lost the most hair.

Support from **Ed Green**, owner of the local Pizza World, is appreciated. With his assistance we have had an edge in being unique in such events as rush and retreats.

In short years we have risen to be among the top in the Greek system. Through our showings at Greek philanthropic events we have made a lasting impression.

INDIANA

No material received.

IOWA

The semester started out right as we accepted 23 associate members in fall rush. These new men brought our total to 88 members. The excitement of a successful rush carried through to Homecoming when brothers old and new gathered at the chapter house after Iowa's victory over Illinois.

October 29, the Greek community came together to celebrate the 125th anniversary of the Greek system at the University of Iowa. Every chapter sang a song, yet the Bond Song rose above all others.

IOWA STATE

After a successful rush, we started the semester with ten associate members. We held our annual associate member party two days before school started.

During September, we initiated eight members into the Bond. We also elected **Scott Klinefelter** as our "BB". The separation of the Housing Corporation and the ABT was completed this fall. For our fall philanthropy project, we held a very successful golf tournament to raise money for the Cystic Fibrosis Foundation.

For our Fall House Party we chartered a bus for the transportation of members and their dates. The evening included a bonfire, hayrides, and a big barn bash!

We welcomed back alumni for Homecoming with a barbecue in the afternoon and a party in the evening. We also held a Halloween party in October.

JACKSONVILLE STATE

We lead the way in campus involvement. "A" **Doug Singleton** and "C" **Terry Casey** received bids to join the Order of Omega. **Mark Poillucci** is on the Jacksonville State Cheerleading Squad, and **David Pugh** is chairman of the Elections Committee for Student Government Association.

Our fall rush was a great success. We added 32 associate members, the largest class on campus. Our biggest house improvement was the installation of a wood fence which encloses the entire backyard.

We won first place in the Spirit competition held for Parents' Day. During Parents' Day we presented an Outstanding Alumni Award to **James Thompson** for his help installing electrical wiring and lighting in our new house.

David McPherson '74 was our guest speaker during our Founders' Day Banquet. The members and alumni enjoyed his stories of Delta Chi's early days here.

JOHNSON & WALES COLONY

In early September we had a car wash fundraiser in which we did fairly well. The White Carnation Formal was held on October 25, 1991 at the Holiday Inn at the Crossings, in Warwick, Rhode Island.

JOHNSTOWN

This is our second year back in our house, and we started with a great Homecoming. Over 50 alumni came for the festivities. Events included an ABT-sponsored cocktail party at the Johnstown Comfort Inn, Founders' day, and our famous annual pig roast. Thanks to all the alumni who made it such a success.

Our rush has been going well, and we've met some great guys whom we hope to add to our brotherhood. Thanks to the men from the Frostburg and Cal State Chapters who were here for some of our rush parties.

We organized mixers with sororities at Indiana Univ. of Pennsylvania and possibly Penn State Altoona, and a Halloween party mixer with Delta Zeta Sorority.

KANSAS

The semester started off well with the initiation of eight men into the Bond. We also did very well during rush with the signing of 26 associate members.

Academics and athletics have also been a top priority. We seem to be on our way to topping last year's third-place finish in grades amongst all the fraternities. We have also had success on the field, including second-place finishes in the pre-season football and softball tournaments.

Our tradition of campus leadership also continues. **Rob Swindle** was elected sopho-

more class president, and **Mark Dominik** was elected junior class president.

The semester was capped off by a visit from esteemed alumnus **Otto Schnellbacher '45**, and the news that we were awarded the President's Cup for the 1990-1991 year. We are hoping to continue our success.

KANSAS CITY

No material received.

KENT STATE

As a result of rush we doubled our size by the end of January. Our rush, the best on campus, brought in the most men. Through the restructuring of our associate member program we are producing fantastic men, and have overcome the problem of drop-outs. In fact, the associate members have given our chapter a spark by starting our first real intramural sports program. We are only a few points away from first place.

One of the traditions we have started is the Delta Chi Friends and Family Day. Over 80 people attended and enjoyed a football game and dinner at the house. Another of our traditions is Alumni Saturday, held the first Saturday in November.

As a philanthropy project, we organized Halloween for the children of Kent. We entertained and watched over the 2,000 kids who attended. We are also working to make our clothing drive the biggest and best ever.

We are still plugging away at the books. Our program is bringing some great results: **Anthony Blanchflower** and **J. Mathys Vogten** were honored for academic excellence in the Greek system.

L. S. U.

We had a very successful rush, obtaining the third largest associate member class on campus with 28 men. During the sum-

mer, we installed new carpet in the second and third floor halls, painted the chapter room, renovated the kitchen and built a fence around the backyard. With the successful rush and house improvements, our morale is at an all-time high.

We received first place overall at Delta Gamma's Anchor Splash. There was great participation with Pi Beta Phi during Alcohol Awareness week and the Adopt-a-Road program went well. Our social events, including Mystery Ball, Halloween party and exchanges have been very successful.

Along with having fun, we have been working hard to be campus leaders. Out of 24 fraternities, we are second in academics. Three brothers were accepted for Order of Omega, and two were elected to Student Government Association positions. **Kurt Wiehe** was the Charity Marathon Overall chairman, and under his leadership the event raised \$16,000.

LEHIGH

We received six national awards, and we finished remodeling the living room. Rush went well, and was facilitated by our annual Pig Roast and Club Delta Chi. Freshman parents weekend in October provided casual interaction among brothers and parents of rushees, and acted as a good source of information about the fraternity lifestyle.

New policies enacted by the IFC and Lehigh are designed to make parties safer and require that attendees' names be on a list for them to gain admittance to the event. The new pledging policy requires a maximum of eight weeks for pledging, and heightens hazing awareness. In addition to these policies, Greeks have initiated project P.R.I.D.E. (Promotion, Respect, Initiative, Dedication, and Excellence), which is designed to improve living conditions. Fraternities are evaluated by members of other houses and rated according to their success in implementing P.R.I.D.E. standards for everything from house cleanliness

Delta Chi alumni (from left) **Chris Montgomery**, **Mike Klepfer**, **Jim Kopka** and **John Ivanic** get together at the Northern Illinois University Homecoming.

to house officers. In addition to a high campus rating, the House Managers of the winning chapter receive scholarships for \$1,000, although the benefits to the chapter itself may be of much greater value.

We participated in two major philanthropic events this semester. In October, we ran a children's arts and crafts booth at South Side Alive, a university event designed to aid in community relations. We also participated in the Cystic Fibrosis Foundation's annual Bowl-a-Thon.

LIVINGSTON

No material received.

LONG BEACH

We increased membership with the initiation of spring pledge class and the pinning of several associate members this fall.

In the past three years, we have become one of the most influential fraternities here due to the leadership and creativity of many brothers, including **John Jost**, Associated Students Treasurer, and **Jonathan O'Brien**, current program director for the Central Missouri campus.

Our main philanthropy was a rock-a-thon that raised money for the Leukemia Society of America. By constructing a rocking chair from an old loveseat found in the president's cottage, we were able to win second place for the Most Original Rocking Chair, sharing "Turbo Rocker" with Gamma Phi Beta Sorority members. **Scott Eriksen** garnered first place as the longest rocker by rocking the entire 24-hour period. We raised \$600.

We made it to the championship round of Sigma Kappa's Over the Line event and we won third place in spirit and second place in the rowing competition at Alpha Omicron Pi's Greek Row. We helped clean a nearby coastline with Alpha Omicron members before holding an exchange with them. We look forward to an exchange with UC Irvine's Alpha Chi Omega chapter.

We have a television set above our bar and new shelves for our study lounge.

LOUISIANA TECH

This year began a rebuilding and direction-finding period for us. We started with an alumni-sponsored seminar featuring motivational speakers and an alcohol-awareness program. Next came formal rush. Although rush turnout was weak throughout the campus, Delta Chi managed to pin nine worthy men. Our Founders' Day Banquet on October 12, 1991, gave us still another boost in the right direction. It is good to know we can always count on our strong alumni base.

LOUISVILLE

It's been a rocky semester for us, but things are turning around. The ABT and young alumni have teamed up to improve the chapter. We have increased our membership two-fold and will be reactivating several more undergraduates.

Activities over the summer included an alumni/active softball team, our Golf Scramble, and a retreat. We held several rush/identity functions to increase campus awareness. The alumni made a huge Delta Chi flag to fly 25-feet in the air at foot-ball tailgates, towering above other Greeks' flags.

One philanthropy project, sponsored by Alpha Omicron Pi to support Operation Brightside, netted us a lunch with the city mayor and local media coverage for best fraternity attendance. Our hayride October 26 turned out to be a huge success, thanks to **George Frazier**. Forty-two people made the trip. A roadblock in November provided donations for the Salvation Army.

We thank the brothers of O.S.U. and I.U. for their support and ideas received on road trips, and we thank our hardworking alumni for their support.

MANKATO COLONY

Fall semester has been busy as we have been working hard to get our charter written and approved. We have tentatively scheduled a January charter date.

"F" **Mark Fearing** was elected Homecoming King at Mankato State. This makes Delta Chi three-for-three with **Jeff Ess** winning the Greek God competition and **Chris Schwede** winning Gamma Phi's "Spring King" award. Our first member on IFC is **Chris Norgaard**, who was elected Activities Coordinator.

Fall rush brought eight associates. We also initiated seven men. Special thanks to Leadership Consultant **Steven Bossart** and Regent **Scott Klinefelter** for their help with the initiation.

MARQUETTE

We have spent many long and laborious hours improving our house. The new hi-fi

stereo system and donated computer have added just the right touches.

Our intramural football team was as strong as ever. Despite a fierce quarterback controversy, our team marched into the playoffs with a record of 5-1. Our season ended with a dramatic overtime loss in the semifinals. Our annual Kimball Classic Golf Tournament provided an afternoon filled with fun and competition. Special thanks to "CC" **Larry Nothnagel** and all of our alumni who attended.

Following new ideas and enthusiasm from our associate members, our philanthropy program was a big success. Nine brothers actively participated in the National Hunger and Homeless Coalition. By introducing visiting students to our campus, we made many new friends and contacts were established.

Our calendar was completely filled with activities. While parents' weekend had a fantastic turnout, many alumni joined us for our traditional Founders' Day celebration. Everyone enjoyed the first "Holiday" mixer of the year and our Halloween Murder Mystery dinner proved interesting to all.

MARYLAND

We ended the fall season in number nine position in sports in a 28-fraternity system. Our Homecoming was a tremendous success as well. Our match up partners were Tau Epsilon Phi Fraternity and Alpha Omicron Pi Sorority. Our match up earned two trophies, a first place in athletics and a second place in the float competition. On the home front, we decided to move from our old house to a new location closer to campus. The new Delta Chi house is located at 7505 Dickinson Ave. in College Park. The house sleeps five and has its own beach volleyball area in the back yard.

Our second annual Golf Challenge raised over \$2,500 for the American Cancer Society. The event was co-sponsored by a local car dealership and the Terrapin Golf Club. For a fall road trip, we rented two vans and visited our brothers at Ohio State where we exchanged ideas, concepts, stories and, yes, T-shirts.

This semester we not only grew to a record 65 members, but we matured as a brotherhood, bonding in time of adversities and working as one unit. We thank **Jeff Topley** for his excellent effort as our chapter "BB", and welcome **Kevin Wiener** as the new "BB". This is not an unfamiliar position for Kevin as he has been the "BB" at American University for over a year. We welcome **Matt Hunter**, **Joe Kekeris** and **Rich Goldberg** to our ABT.

MASSACHUSETTS

Summer house improvements and an associate member class of 10 men started this semester off on the right foot.

Walker Tisdale won the Greek God competition for the Northern Michigan Colony.

In addition, we are proud that our semester GPA of the previous spring was the third highest among fraternities here at the University of Massachusetts and it was significantly higher than the undergraduate GPA.

Homecoming was a joyous time for all as the annual alumni/undergrad football game yielded minimal injuries. We were more than delighted with the support our alumni showed and are anxious for future alumni events.

MEMPHIS STATE COLONY

No material received.

MIAMI

We held a penny-drive philanthropy project for the Oxford Crisis and Referral Center. We raised \$350, which wasn't bad for the first year.

We had a good turnout for Homecoming. It was great to see some brothers again and meet others for the first time. Our fourth annual Reggae Party was a lot of fun and a very successful rush tool. As of this writing, we are looking forward to bringing back our Knights of the Roundtable Party. It will take a lot of work, but the whole house will be turned into a castle. Finally we will have our Parents' Weekend. We hope to be able to change a few minds for the better about fraternity life.

MICHIGAN

Material submitted not suitable.

MICHIGAN STATE

Fall has been full of energy and excitement. We started out with an excellent rush, from which we gained a 16-man pledge class. The sports teams are also off to a great start and we plan to keep the all-

sports trophy at our house for the second consecutive year.

Homecoming this year had an excellent turnout with about 100 alumni returning to their old stomping grounds. "AA" Greg Hauser was on hand to present to us the President's Cup Award, which gave the festivities an extra boost of excitement.

We had a great Safe Halloween for our philanthropy project. Kids of all ages showed up to trick-or-treat through our haunted house and receive candy from the brothers, who were dressed in costumes.

Dan Graham '80, who was our "BB" the last five years, has moved to Holmen, Wisconsin. We now have John Buschman in that role and are looking forward to his new advice and ideas.

MINNESOTA

Ten associate members started fall quarter with great impetus. We made an excellent showing with the homecoming competition, boasting second place in the "Cheer." Several alumni from the 60s, 70s, and 80s revisited the chapter. The stronger alumni showing draws attention to the rekindling alumni support at Minnesota.

An ABT has been re-formed following dry years. Projects on the board include the again-published "Minnesota Delta," our alumni newsletter, whose prototype dates back to the 20s. The new "Minnesota Delta," will offer spotlights on alumni, both individually and by era; a missing persons file of lost alumni; and a small section on chapter events. The education foundation also is being rejuvenated following years of mismanagement and neglect.

In the wake of growing alumni support, Minnesota will celebrate its Centennial Saturday, April 11. Perhaps even including a toast at Seven Corners where the West Hotel once stood, the founding site of the Minnesota Chapter. Naturally, all Delta Chis are welcome.

MISSISSIPPI STATE

Fall semester, which included our third consecutive Award of Excellence, was one of the most memorable to date. It began when we welcomed three brothers into the Bond. Soon a successful rush was under way which brought the chapter 15 associate members. The successful rush was partly due to our new and exciting "Hot Rush" week, during which a rush party with a different theme was held every night.

Socially, parties were once again the place to be. Football weekend parties, swaps, and the annual "Spookfest" Halloween party and Christmas party were all in true form. On campus, we placed first in overall competition points to win the all-school intramural championship. In both Greek Week and Dolphin Daze competitions second-place finishes were recorded.

Off the playing field and in the classroom the chapter had an overall GPA of 2.7, third best on campus. For the third year in a row we sponsored the Mississippi Blood Services' "Transylvania Bowl" blood drive which helped many needy people by collecting over 200 pints of blood in two days.

The highlight of the semester was at Homecoming when the drive for future housing was started. Many dear alumni were in attendance including Kirk Arnett '68, Robert Patterson '71, David Allen '72, David Hill '72, Wayne Hutchinson '72, Brad Stewart '77, Danny Recker '81, and John Hairston '87 and Bob Russell '89.

MISSOURI

Our annual Alumni Golf Tournament was attended by over 40 alumni, with the traveling trophy being presented to Steve Faust and his father, Mr. Larry Faust. Leadership Consultant Andrew Loos visited and met with our Associate Member Counselor to reorganize our associate member program, implemented for the 11 men initiated into the Bond this semester.

We have also taken an active interest in tapping our alumni base by selecting Jim Sheahan '79, as the J. Nick Gray Alumnus of the Year for his unending support for the chapter. We have also begun preparations for the election campaign of Craig Kilby '81, for the office of Missouri Secretary of State by hosting campus informational meetings for all Greeks interested in helping with the campaign.

Finally, we thank "BB" Steve Sodon and Mike Walsh, president of our recently formed ABT, for their special efforts and guidance in contacting "lost" alumni.

MONTCLAIR

What's going on in Montclair? At the conclusion of the spring '91 semester we increased our numbers to more than 50 men, becoming the largest fraternity on campus. For the second year in a row we captured the Montclair State Greek Month trophy.

After an enjoyable summer of various social events we came back to school ready to resume operations. We started with a strong rush, which resulted in the association of 13 men. Homecoming was a special weekend for us because it fell on October 12 and 13. Plans for the Homecoming Parade began in the late months summer, and they were put into action when we arrived back at school. With the honor of placing third out of 15 organizations, the efforts proved well worth it.

This semester saw the birth of two new brotherhood events: the first annual Fishing Trip and the first annual Pitch-n-Putt Tournament. In the area of philanthropy we are still working with a local child abuse center, and we held a food drive to benefit the needy during the holiday season. We

Northern Iowa brothers and two "fathers" pose before the annual Greek Halloween Party.

also added the title of Greek Intramural Softball Champions.

MONTEVALLO

No material received.

NEW HAMPSHIRE

No material received.

NEW HAVEN

No material received.

NORTH CAROLINA STATE

We held our second Homecoming event on November 9. Alumni from chapters such as Florida State and Auburn were in attendance. Special thanks to alumni Ray Daley, FL ST '63; Doug Meckes, AUB '71; and Bob Brandenburg, Miami '66, for their dependable support and attendance at alumni functions.

The house received a much-needed improvement. The driveway and parking lot were completely paved, giving the house an overall better appearance.

We continue to work with Rand Road Elementary School in helping tutor children in reading. Now our chapter is being considered for major awards from the Wake County school system.

We congratulate the brothers of East Carolina Colony on their initiation on October 13. This holds a special significance for us because we performed the initiation and we have strong bonds with them.

NORTH TEXAS COLONY

"Coming together is a beginning; keeping together is progress; working together

is success." Our new colony came together and accomplished all three and had a successful semester. With initiations completed in mid-October, we are on the road to obtaining our charter in record time. Our goal is to charter by October 13, 1992.

We received a positive response to our colonization from the other Greek organizations on campus. This has allowed us to put together two successful mixers and a semiformal. We also participated in various charity activities, such as a Volleyball tournament for the Denton Police Youth League and a Chili Cook-off benefitting the United Way. Our intramural teams finished the semester exceptionally well in volleyball, soccer and basketball and participated in all but one tournament.

We thank the many alumni in the area who supported us in our first semester and Leadership Consultant Kevin Kostoff, who helped establish our colony.

NORTHEAST MISSOURI

We are happy to say that Joe Crabtree, our "BB" Emeritus, has recovered greatly from the stroke he suffered this summer. Even in his time of ill health, his support and love for the chapter is felt by each and every brother. In appreciation of his years of service, we dedicated this year's Homecoming to him. Approximately 40 alumni returned to Kirksville to help us honor Joe.

Due to the purchase of the property behind our house, we have a separate building to be used solely for social activities and various chapter functions. Appropriately named "Kimball's Place II," it has become a well-known Greek establishment. Kimball's has brought many brothers together through fix-up and cleaning projects, and has greatly increased chapter morale.

We thank our alumni and particularly the ABT for everything they have done for us. Our gratitude extends beyond words.

NORTHERN ARIZONA

Fall has been a time of positive happenings for us, and our membership is over 60 men strong. Rush brought us 14 associate members. Their help on committees, intramurals, and philanthropy projects have impacted our chapter immensely.

Thanks to all who came and shared Homecoming with us. Congratulations to Mark Hines '87 and Terry Touchton '89 for their big tournament win. Our alumni support has grown tremendously and with the implementation of our new ABT, continued growth is assured.

This year's White Carnation Ball, which was held at Woodlands Plaza Hotel on October 18, was as always, a great success.

We are currently the number one fraternity in intramurals. Mark Whitman and Moe Rabiglio finished first and second in cross-country. Our soccer team finished second overall, and we have two football teams in the playoffs, hoping to bring home the championship. Our small-man basketball team is 6-0 and is picked to win it all.

NORTHERN COLORADO

We began the semester with the addition of 13 associate members. We reached a major goal in house improvements when we accomplished the task of paving our driveway. Our participation in the Homecoming parade led to a third-place trophy for our float. In September, we activated six members for the Wyoming Colony, and we joined our brothers at the Colorado Chapter for a function in October. Also, members of the executive council have attended leadership conferences on campus.

As for our chapter's philanthropy project, we will be working with the United Way. This will include taking apart run-down playgrounds around Greeley. We held our first annual Thanksgiving dinner for the needy. We raised money and prepared and served dinner on Thanksgiving for those citizens who couldn't afford a nice dinner. In intramural sports we have top teams in football, soccer, and volleyball. Our members continue to be active in many of the events on and around campus.

NORTHERN ILLINOIS

After an excellent fall rush that gave us 28 associate members, the second largest pledge class among N.I.U. fraternities, the forecast looks very promising as we approach our third year as a chapter. Some noticeable changes include the first edition of our alumni newsletter, titled The Knight-Errant and our new "BB" Dr. Edward Testa.

During Homecoming week our teams showed great enthusiasm and sportsmanship in all the events we competed in. One of the best highlights was our second-place finish in Greek coed softball with

Delta Gamma Sorority. Thanks to all our visiting alumni for a memorable Homecoming weekend.

Our successful fundraising projects helped us reach many of our semester goals, including the construction of new letters for our house by house managers **Tom Bedwell** and **Keith Lukasik**. Sorority flag football and our "Monster of Arms" arm wrestling tournament will also contribute to the improvement of our chapter.

Congratulations to **John Ivanic** for broadcasting for 35 consecutive hours on WDKB-FM. After losing a bet to a Florida discjockey in the N.I.U. football team's loss to Florida, John had to stay on the air one hour for every point the Huskies lost by.

NORTHERN IOWA

The associate member class of fall '91 marks the largest class since the 1970s with ten associate members. A second fall class is rapidly evolving. The Smoker was held at the Brown Bottle with **Bob Donels**, Iowa State '61, as guest speaker.

Roughly 30 alumni have visited the house since our remodeling. We purchased new furniture for the lounge, renovated the addition, paved the approach, and painted the house red and buff.

Homecoming was held October 5, and alumni from all over the Midwest participated in the weekend activities. Our pairing with Alpha Zeta Delta was very rewarding.

Last spring we raised nearly \$3,000 for the Make-a-Wish Foundation, and plans are already underway to surpass that mark and make a child's wish come true!

NORTHERN MICHIGAN COLONY

For the first time we have two houses, and they're right next door to each other. As rush approached, we pinned ten men, and they were recently initiated. We pinned the most out of all the fraternities. In intramurals, we placed first in the darts league and took second in Greek Week competition. **Walker Tisdal** placed first in the Greek God and Goddess competition.

As we get closer to chartering, every officer works harder. Not only are our officers working hard, but so are our alumni on the ABT Board. There is a 100-percent alumni turnout at ABT meetings, and they also hold meetings on their own to discuss improvements and goals of the colony.

We had a philanthropy car wash with the Alpha Gamma Delta Sorority to raise money for several causes, including juvenile diabetes and the Latch-key Program. It was very successful due to the organization and planning weeks beforehand.

A special thanks to the brothers at Marquette University for taking the time to come up and initiate ten of us. This was the

first initiation that was held at Northern Michigan and it will never be forgotten.

NORTHWEST MISSOURI

We kicked off the school year exceptionally well with 34 brothers living in our house, which had been improved over the summer by members.

Homecoming was extremely exciting and was accompanied by long hours and a great deal of hard work. The theme this year was "Families." At the awards presentation, the energy level was constantly rising as the chairpersons announced the recipients. Delta Chi seemed to appear at the top of most of the lists. Among Greek organizations we received the most awards including: Parade Supremacy; first place in skit (fraternity); Variety Show Overall Skit and People's Choice Award; first, second, and third places in Group Papier-mache Clowns; first, second, and fourth places in Group Costume Clowns; and a second-place float award. With these awards, it's fairly safe to say we'll capture the Overall Homecoming Supremacy Award for the seventh consecutive year. We were very pleased with the impressive alumni turnout at our reception.

With the money that we won in Homecoming, we are converting our garage into a recreation and game room.

We had 18 bids accepted this fall and anticipate an even larger associate member class this spring. We are planning a Head Start program with the Delta Zeta Sorority. An exceptional time was had by all couples who attended our date dash at the Woodlands Race Track in Kansas City.

OHIO STATE

We hosted the 1992 Region VI Conference February 21-23. This year's conference agenda was different in order to cut down on the cost per attendee to increase attendance of undergraduates as well as alumni. Events included elections of vice regents, preparation for the 1991 National Conference, and the semifinals for this year's speech topic, "Ethical Leadership: Making the Tough Decisions." We scheduled more educational breakout sessions to share ideas with other chapters. We are proud of hosting the conference this year.

For the second consecutive year, we captured first place in the paired division of the Homecoming competition, this year with the ladies of Alpha Delta Pi. We beat 22 other groups. With the theme being 'Fantasia,' our float took second place in the university-wide Homecoming Parade. On alumni day, nearly 40 alumni joined us for a cookout at the chapter house and later saw the Buckeyes hand the Michigan State Spartans a 27-17 defeat.

Most of the renovations to the chapter house are now complete after a summer

fire did extensive damage to the sleeping quarters. In intramural sports, our volleyball and football teams each captured first place in their divisions.

OKLAHOMA STATE

Brothers returned to school in the fall with high spirits as rush brought in 14 men.

Social programming was excellent. "A" **Bryan Weathers** has helped bring leadership back to the chapter by promoting a strong sense of brotherhood and encouraging participation both on campus and off.

We will have a new biannual newsletter for the fall and spring semesters, thanks to alumni secretary **Phillip Moorad**. Believing that brotherhood with Delta Chi lasts a lifetime, the newsletter is an attempt to strengthen our alumni relations by getting alumni involved with the chapter.

In sports, our soccer team had a second-place finish. Four of our brothers made the All-Greek teams.

Our scholarship chairman completed a seven-page scholarship program to help us in our dedication to bringing up our GPA to within the top five for Greek houses.

OLD DOMINION COLONY

No material received.

OREGON STATE

We received first place in the "Greek Enthusiasm" portion of Greek Week '91. Moms' Weekend was a success. Proceeds from the annual auction went toward the initiation of Parents Club, which will enable the parents to play an active role in the allocation of their contributions toward house improvements and other projects.

Our live-in members ranked first in grades among all 28 fraternities on campus. Homecoming was also a great success. Despite university schedule changes, we still had a turnout of approximately 20 alumni who participated in house activities. We are planning for spring activities.

Our intramural teams are playing well. We expect a strong finish from the volleyball teams and our football team is vying for the top spot in the intramural polls.

OSHKOSH

It's a positive semester for the chapter. Even before it began our chapter's alumni threw an outstanding annual summer get-together featuring philanthropic raffles, T-shirt sales, great food and entertainment. Nearly all of the activities were there to enjoy the festivities. We've maintained a strong presence on campus, hosting a variety of rush events, and a major All-Greek Social. Homecoming was a truly memorable occa-

sion shared with the sisters of the Gamma Phi Beta Sorority.

Ron E. Hermes and **Brian Borchardt** were elected as president of Oshkosh Student Association and speaker of the Student Assembly, respectively. We worked hard to prepare for our Regional Conference which we hosted in February.

PENN STATE

This semester has been one of mixed emotions for us. In August we were placed in a conservatorship by National Headquarters, resulting primarily from "repeated violations of the F.I.P.G. Risk Management Guidelines, insufficient management of chapter funds and unsatisfactory membership." All chapter operations are directed by **Paul Picciani**, Director of Fraternal Standards. All members were made inactive and were interviewed to determine if they were to be reactivated. After this process, eight brothers remained inactive. Paul had a very difficult task, which he undertook with diligence and fairness.

We had a decision to make: Either shape up quickly or lose our chapter. We chose the former. A new attitude has swept over us. Our rush chairmen spearheaded the best rush program in recent memory, netting 17 associate members—more than the fall and spring classes of last year combined. The associate member counselor introduced a program the likes of which have never been seen before. Our athletic chairman has instilled a new sense of pride in our intramural teams. His lively speeches have given them the extra spirit they appeared to have been lacking. We have placed high in big events such as football and softball as well as in some obscure events such as badminton.

For the first time we participated in Greek Sing, an annual event in which a fraternity pairs up with a sorority to perform a musical skit. The sisters of Kappa Delta invited us to join them. Our skit came from the Broadway musical, "The Little Shop of Horrors," and we placed twelfth out of 20 teams. This was apparently a huge step up for Kappa Delta, which had finished in last place the two previous years.

This semester could have been a disaster, but we have decided to rise over our difficulties. The conservatorship is looked upon as a welcomed challenge.

PURDUE

The chapter house has seen some tremendous changes throughout the summer months. Several undergraduates added new paneling and lighting, along with several coats of paint, to the hallways, phone rooms, and bathrooms. An unused bedroom was transformed into a library/study room. A donated computer system will be

a great asset in keeping the treasury and records in order.

We had an impressive turnout for Homecoming. The brothers are still celebrating recent achievements in campus events. We finished an unmatched fourth and ninth in the 33-cart field of the annual Purdue Grand Prix. We made the semifinals of the Alpha Delta Pi Frisbee Football Philanthropy.

We are excited about our fall associate member class. We inducted nine men into our program. The undergraduates gathered for a brotherhood lock-in which deepened old friendships and encouraged new. Fall Formal was held in Chicago. Also, we are anxious to see improvements in our academic achievements this semester.

RENO

Delta Chi has had another outstanding rush. The theme "Absolute Mayhem" inspired creative ideas and events. We gave bids to 12 men who are currently going through the associate member program.

Since March 10, 1989, the Reno Colony has been working hard for one specific goal, to become a chapter. Our time has come, after two years of hard work and lump-taking. On January 25, 1991 the men of the Reno Colony celebrated their chartering with a black & white dinner/dance, a slide show, and an awards ceremony. Members were joined by distinguished alumni, parents and dates at the Peppermill in Reno. We are Delta Chi and proud.

SACRAMENTO

This semester we are moving ahead in leaps and bounds. We started with rush and pinned 21 associate members. Not only is this the largest class that we have had in a long time, it is the biggest one on campus. The most amazing part is that after two months they are all still with us. They have serenaded every sorority on campus and are a big hit.

In sports we are again the team to beat. In football we are currently in the semifinals and by all indications we should take the title. Our biggest success this semester has been in fundraising. We have already topped \$4,000 and the events still to come should allow us to double that.

We made a \$500 donation to the Stanford children's hospital and we have donated a statue to the library to honor the soldiers who fought in Desert Storm. This week we had our second annual cave party and we have been the talk of the school ever since.

SAN DIEGO

We have added a new room. The kitchen in our front house, which was no longer being used, has now been transformed into a very comfortable one-person room. This reconstruction was orchestrated by **David Brugger**, our House Manager. Also this semester we made front page news in San Diego State's *Daily Aztec*. The headlines

These Oklahoma State brothers spent a week backpacking in Colorado. Showing off their legs are (from left) "A" Bryan Weathers, "G" Chris Walton, "F" James Green and Eric Hanke.

Southern Illinois brothers (from left) **Dan Leahy**, **Andrew Hancock** and **Scott Lauer** congregate, contemplate and celebrate with a soft drink at the Founders' Day dinner.

and article were about a philanthropy project we put on with the children of the St. Vincent DePaul Center. We spent a day playing, talking and just having a great time making the day of an underprivileged child a better one. A focus article about fraternities in the *San Diego Union Tribune* viewed the event as very positive even though most of the article reinforced the negative stereotypes related to fraternities.

In sports we are doing well, taking first in IFC swimming and making it to the finals of IFC football. This year Homecoming was held in conjunction with Parents' Weekend and was the best yet. About 80 parents attended as well as numerous alumni. Socially we are thriving with high-tech lighting and a different theme at every party.

SOUTHEAST MISSOURI

No material received.

SOUTHERN CALIFORNIA

Being taken off conservatorship was an important beginning to one of our finest semesters in years. Fall rush produced an eager group of men, and our GPA was 2.76.

Socially, the schedule was full, from dinners and four exchanges with sororities, to a road trip to San Francisco for the Cal Weekender. Improvement in intramurals was a great boost for the chapter, and this grew during our traditional Delta Chi Olympics and Red and Buff Week.

We have published a new Southern Cal Newsletter, the "Delta Chi Trojan," with the help of Regent **Don LaPlante** and **Marc Yeber** to reestablish ties with our alumni and keep them informed of chapter events.

Alumni support has been greatly appreciated at our functions. Post-football game barbecues proved to be great times for alumni to renew friendships. Our Founders' Day Banquet and Homecoming were successful events which everyone enjoyed. We invite the alumni who were unable to come to stop by.

We have been designing a new facade for our house. A front balcony has been

designed and with the work of the brothers and help from alumni, the house will have a new, improved look. We have a positive attitude and sights are set towards success.

SOUTHERN ILLINOIS

At the beginning of the semester, five brothers were elected as senators on the undergraduate student government.

Our rush was quite successful and 28 men make up our associate member class. They went to work right away and collected over 900 cans of food for the homeless.

Our newly renovated living room has made a drastic improvement on our house. We will slowly continue to renovate other parts of the house over the next semesters.

Our philanthropic efforts have been on the rise with participation in the National Alcohol Awareness Week fun walk where our chapter's turnout was larger than any other chapter's. For Homecoming we were joined by a local Boy Scout troop who helped us make our float one of the best.

Our flag football team not only won the Greek championship but went on to win SIUC's championship game. Our softball, volleyball, and floor hockey teams are doing well and we are in the running for the IFC sports trophy.

SOUTHWEST MISSOURI

No material received.

SOUTHWEST TEXAS COLONY

We have had a successful and busy fall. Forty-one of us were initiated as founding fathers. The LSU and University of Texas Chapters, along with Regent **John Warren**, conducted the initiation. We appreciate their efforts, and we thank "BB" **Jay Dunlap** for his time, effort and interest in our group.

Our fall rush proved very successful with nine associate members joining us. This fall we also won several honors. We had the highest GPA on campus last spring. We excelled in sporting events by making

the playoffs in intramural football. We also won Anchor Splash, a charity event sponsored by the Delta Gammas.

Socially, we stayed busy with a Halloween Date Party, several mixers and a casual event in November at Jazz on the Lake in Austin. Our philanthropy project is with the Southside Community Center, a center for underprivileged children. We participated in several projects, including painting the Center's facility and developing a big brother program. We also have plans to work with Camlu Retirement Home.

We are working hard to obtain our charter and we thank Leadership Consultant **Kevin Kostoff** for all his time and effort in working with our colony.

TARLETON

We did very well in rush this semester; we got more associates than any other fraternity on campus. We have been stressing academics and our GPA is up since last fall. This is due to new policies regarding library hours and grade requirements.

We participated in Homecoming by entering a float built with Delta Zeta Sorority. It went very well. We are working on alumni support this semester, and we are trying to get in touch with our brothers that we haven't seen for a while. Several visited during Homecoming and met the new associate class. Ten of us went to the University of North Texas to help initiate the members of the new colony there.

TEMPLE COLONY

We had some tough times at the beginning of the semester, however we've all achieved full brotherhood. A road trip to Lehigh and our will to become brothers has helped us grow closer. We thank the members at Lehigh for their hospitality, class and companionship during our stay.

We participated in our regular clothing and blood drive. Our ABT is up and running after a semester of organization. Considering our numbers are still low we believe concentrating on the basics will help us become a fraternal force on campus.

TEXAS

In memory of former "BB" **Lee Webster**, we have created the Lee D. Webster Memorial Scholarship. It will be awarded at the beginning of every academic year to the brother with the highest GPA in each class.

Our new "BB" is **David Koenig**, Connecticut '88. Although he's a Yankee, he is rapidly becoming integrated into chapter activities and is beginning to change the way we look at fraternal life.

We raised our scholastic ranking to seventh with a 2.77 GPA, well above the men's fraternity average and UT overall average.

Additionally, we are rapidly establishing ourselves as an intramural football powerhouse. With a 4-1 record and an assured playoff position, we're hoping we can go all the way.

We look to the future with a two-year growth plan established with the help of our "BB". Actives, brothers, and alumni alike are working together to increase membership, strengthen brotherhood, and mature into a stronger and better chapter.

TEXAS A & M

No material received.

TEXAS TECH

We gained 17 men as associate members. Our rush chairman did a wonderful job in organizing a truly successful rush.

Our semiannual Golf Classic party was an overwhelming success. Following this we began work with the Delta Gammas on our Homecoming float which placed in the top three. We had the honor of sponsoring Delta Gamma's Homecoming queen.

Our sports program is coming along well also. We participated in the Delta Delta Delta annual "Frats at Bat" and managed to place third out of 20 teams. We are by all means in close competition for the intramural football lead.

As we look toward the future, we hope to get our first annual Hole-in-one-Tournament for MDA underway this spring.

TRI-STATE

This is turning out to be a very good year for us. We have one associate member this fall with the possibility of between five and ten this winter.

Although we were beaten in football, we went on to take first place in softball with an undefeated record. Other sports are looking good as well.

TSU Homecoming saw the return of our alumni. The following week got all dressed up for Founders' Day and celebration was in order. Over the summer, our ABT president, **Will Evens** '84 invited all the brothers and many alumni over to his place for a get-together. **Paul Albee**, **Dan Marsalek**, **Donald Maloche** '81 and **Will Evens** attended the Jackson Leadership Conference in Iowa City, Iowa.

TROY STATE

This year's Delta Chi Calendar Girl Contest featured some of the most beautiful young ladies on campus competing for a spot in our calendar. The overall winner was named our Calendar Girl for 1992.

During our Homecoming festivities, we upheld our tradition of our officers riding a limousine through the Homecoming Pa-

rade to deliver a dozen lovely white carnations to our Chancellor's wife.

We are arranging to do a philanthropy project to benefit Easter Seals. The tentative plan is to volunteer our services for a weekend at a camp for the handicapped to help alleviate the cost of hiring workers.

This winter we will initiate some fine associates into the Bond.

UNION

After two years of intense effort by the chapter and local alumni **Pat McGiven** '49, **David Plume** '81 and **Thomas Humphrey** '84, we were able to make a purchase offer on an off-campus housing facility. The support our entire alumni population made this offer possible and has been a great boost of pride and confidence for us.

Our presence has been felt on campus in several unique ways this term. We have sponsored several on-campus film festivals, and plans are in the works for a **Kevin Costner** weekend. Due to the fine reputation that our annual charity cabaret has developed, **Chris Hamilton** and **David Burg** have been asked by the school to organize a campus-wide cabaret for National Alcohol Awareness week. We continue to contribute to the community of Schenectady as drivers for the Meals on Wheels program at a local nursing home. Our intramural athletics activities have shown most promise on the soccer field, where we carry an undefeated record.

Our deepest gratitude to Director of Fraternal Standards **Paul Picciani** for the wealth of patience and helpful contributions that he brought during his visit.

VALDOSTA

We began the fall with a successful rush. We presently have 34 associate members and 47 active brothers. Philanthropy has been a main topic this quarter as we have assisted in several philanthropic events such as Special Olympics and Blood Drives.

Our intramural football teams are again at the top of the division. We will begin the

spring quarter defending a 24-year winning streak in Greek Week. In short, we are competitors in all aspects of college life. This competition among ourselves and others to be the best is what makes us the strong fraternity that we are.

VIRGINIA COMMONWEALTH

Eighteen men became associate members, making this class our largest to date. With their help we have made enormous improvements to our new fraternity house which we leased over the summer.

Working diligently to meet our chartering requirements, we have stressed scholarship this semester. **Randy Barker**, our faculty advisor, held a seminar on study habits. Also, study hours were encouraged for all brothers and associate members.

We are continuing our Delta Chi Jr. program. Our first event for the semester was a trip to Kings Dominion, an amusement park. Wow, nine young kids for a day at an amusement park really takes its toll, but seeing them have fun made it worth it. We have also continued to help local food shelters, providing them with service and kitchen help when asked.

In raising money for our chartering banquet, our fund-raising committee came through with big numbers. In September we ran a carnival for Ethel Corporation's company picnic, and raised over \$900.

We are working hard towards receiving our charter. Special thanks to our ABT and executive board who really pushed us to move forward.

VIRGINIA TECH COLONY

In April, we initiated Alpha class, numbering ten men, into the Bond. In September, 16 men accepted bids. Both classes are among the largest on campus.

We continue to remain active in intramurals with two teams each in softball, flag football and volleyball. After much hard work, our "A" team finished fourth in softball in the very competitive

The sixties were never so good as at the Western Carolina Colony's Woodstock mixer with Alpha Chi Omega.

IFC tournament. So far, both of our football teams are undefeated.

Academically, the fraternity placed 11th out of 33 with a 2.6 GPA for the semester. Alpha class placed in the top five with a 2.8 GPA. Our goal is to raise this to a 2.9.

This past spring, we placed sixth in Delta Gamma's Anchor Splash. This fall we held our first Sorority President Kidnap. This went extremely well, bringing in over \$500 for various organizations. **Noble Moore** is our new "BB".

WASHINGTON

Summer and fall quarters were dusty at the house this past year. Through our Housing Corporation, we have done some major renovation on our house. We have brand new bathrooms, our upperclassman room is finished, and other projects are in the works. The place looks great.

Our Founders' Night was on November 2, and it was a huge success. We were able to recruit new members to our growing ABT. Undergraduates had a great time meeting their older brothers. Many alumni left feeling better about the chapter, due to the renewed interest in the upkeep of the house, and our great attitude.

Our next alumni event will be in February. Bring a date, and Lady Luck, because Monte Carlo is the theme. In early May, we will be holding a golf tournament. Whether your handicap is 2 or you are just a Sunday duffer, come on out and have a blast.

We have initiated more Delta Chis than any other chapter, so there is no reason why we shouldn't have the strongest alumni relations. Come on out and see us!

WASHINGTON STATE

No material received.

WEST CAROLINA COLONY

We were colonized on January 31, 1991 with 21 founding fathers. Since then, we have participated in Greek Week, intramurals, and have gained recognition by the campus IFC. The fall semester started with a very successful rush that resulted in the acquisition of nine associate members, the second highest number on the campus.

We had two mixers which were great successes: a Woodstock mixer with the Alpha Chi Omega Sorority and a PJ party with the Alpha Xi Deltas. Our biggest accomplishment is the acquisition of a temporary house which will serve as a central location for parties and meetings.

We adopted a highway as a philanthropy project. This project has received recognition from many members of the community. We also participated in "Baby Day," an annual event at the local hospital,

and were commended on our work there. When we helped the North Carolina Center for the Advancement of Teaching in a seminar about the moon, we received free pizza, drinks and a letter of thanks.

In the first ABT meeting of the semester, foundations for a housing committee were laid down to provide help in getting a permanent form of residence for the fraternity. Now, all of our efforts are set on chartering, which we hope to do very soon.

WEST LIBERTY

No material received.

WEST VIRGINIA TECH

No material received.

WESTERN ILLINOIS COLONY

At the beginning of fall semester our main concern was petitioning for a charter. After a month of work, our petition was complete and sent into National Headquarters. We look forward to a successful return.

This semester we brought in 11 associate members which is the campus-wide average. After being here for less than two years, our rush was as large as that of well-established fraternities.

We participated in Homecoming with Chi Omega and Sigma Nu. After hours of preparation for the float competition, it was all worth it when our float could not be touched by other participants. We took second in a hard-fought knee-volleyball competition. Overall we took a fourth position in Homecoming.

In November we held our second annual Delta Chi Cricket Dart Tournament; much interest was expressed by other fraternities. We have exchanges set up with the Wranglers and cheerleaders.

Western Michigan members pose with "Boomer" at the Homecoming game. They were in charge of firing Boomer after touchdowns—if any.

WESTERN MICHIGAN

Our second Active-Alumni Golf Outing in August, hosted by **Jeff Gibson**, set us on course for a successful year.

Eighteen associate members signed with us, making our rush one of the best on campus. Our rush chairmen did a great job adapting to the new rush program.

Our alumni support gets stronger every year. Homecoming was proof of this, with the number of alumni attending being one of the highest ever! We thank all the alumni and their families who attended and made Homecoming a success.

Our philanthropy projects included volunteering at an Auction-Masquerade Ball that benefited the American Cancer Society, and the annual Halloween for Kids for the Boys and Girls Club of Kalamazoo. Also, we had the most members of any fraternity give blood to the ROTC blood drive. Our first Powder Puff Football Fundraiser included many sororities in a grueling flag football tournament. Due to its success, this could be the beginning of a prominent fundraising tradition.

We took honors for the highest active GPA. Also, first place for the Outstanding Greek Chapter Award and the All-Sports Trophy currently belong to Delta Chi! We are undefeated in football, ice hockey, and basketball. Our fall softball team won the championship earlier this year.

WESTERN ONTARIO

After an outstanding rush week our associate member class consists of 20 men. Greek Week was a great success, as we were competitive in every event and finished third out of 18 fraternities. We are also competitive in the intramural program. Currently our hockey team is doing very well and is again the team to beat.

We have several philanthropic events planned. We are canvassing door to door to benefit diabetes as well as organizing a raffle for the Sunshine Foundation. We also plan to organize a "human Velcro wall" event as seen on the David Letterman show to raise money for the United Way. Homecoming was a great success as alumni returned for the first annual Active-Alumni football game. The actives were the favorites and came out on top, 42-7.

WHITEWATER

We have been very busy, both on campus and out in the community. With a new rush campaign, we experienced one of our most productive rushes to date. Great active participation and unique ideas helped to bring 11 associates into the Bond. We won many of the major Homecoming events and placed second overall. Alumni were out in force, and we thank them for stopping by. A special thanks to those who helped in the activities.

Our community has seen the colors red and buff throughout the semester. First at the annual Blood Drive where we helped the Red Cross by both giving and receiving the blood. Next, our chapter's annual "Rake Fest" was a huge success. With 20 rakes and more than 40 brothers we assisted those in the community who needed help with their fall yard cleanup. We are still receiving letters of thanks! We held a benefit dance for a young boy who has leukemia. The proceeds went to help both him and his family during this trying time.

We are remodeling our chapter house. Our Housing Corporation approved work to be done on the exterior, including two new porches, railings, fixtures and a new coat of paint. The work is still in process, but it promises to make our house the best looking on campus!

WINDSOR

This summer, blood, sweat and tears were devoted to our beloved home. Major renovations were done to the old, staggering beauty. Primarily, all the hardwood floors were restored to their natural beauty, the bannister was replaced, and all rooms were painted. The two main floor rooms look very majestic in a navy blue and a forest green, respectively, with white trim.

Last year a total of 13 men were inducted and this fall there are 13 prospective new members already. The active membership consists of 22 closely knit young men making strong headway on campus.

Homecoming weekend was very enjoyable for those who participated. The Alumni/Active golf game was a great success with the low gross score of 73 going to Chi Chi and the low net score of 69 going to Palmer. The highlight of the weekend was when the alumni and the actives extended

their undefeated victory streak, beating the pledges in the annual football game; 49-0. A special thanks to all the alumni for their support that weekend.

WISCONSIN COLONY

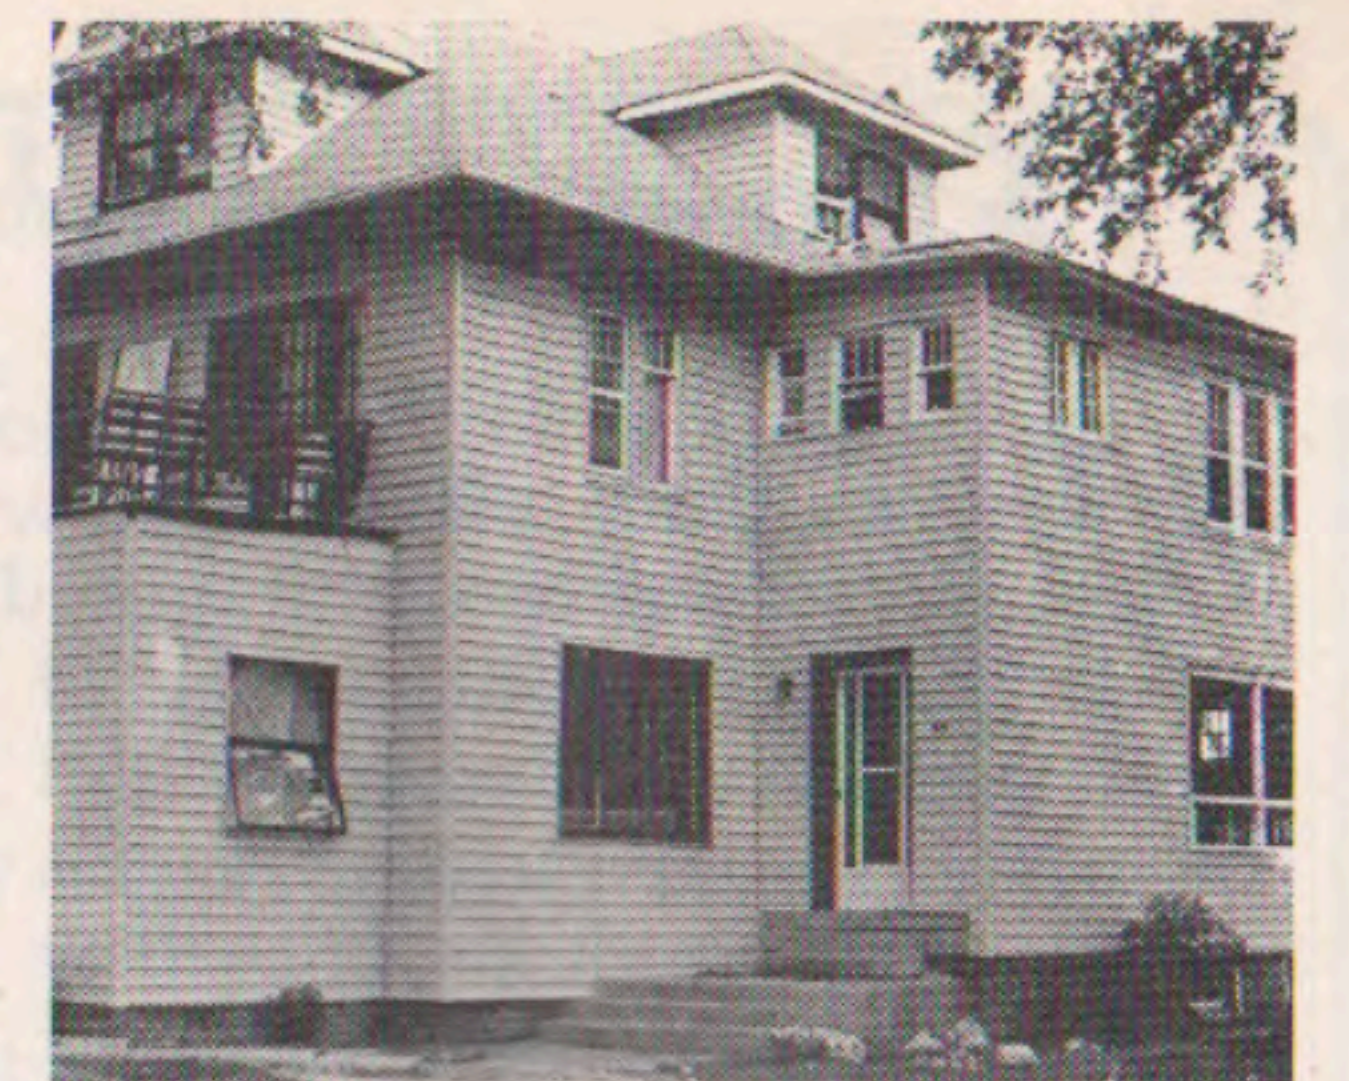

We started the fall semester with the best rush ever, taking an associate class of 20. We came in second place in the Homecoming competition, capturing several first-place finishes in individual events.

After this semester's initiation we will be preparing our chartering petition. Thanks again to the supportive alumni of our area for their assistance in making the Wisconsin Colony happen.

WYOMING COLONY

Since our founding last winter we have really sprung roots in this vast frontier called Wyoming. We started the year with a retreat to renew our commitment to Delta Chi at Winter Park, Colorado. Amidst the spectacular Rocky Mountains we played volleyball, took midnight hikes, and grew closer as brothers and young men.

Upon our return everything fell into place. We became the first fraternity, along with Delta Delta Delta Sorority, to form a partnership with the U.S. Forest Service to help clean up and maintain the environment. We began a program of reading to preschool children with Pi Beta Phi Soror-

The Windsor Chapter house in Ontario, Canada, is the largest house on campus owned by a fraternity.

ity. After several football tailgate parties, we decided to form the "Kazoo Band of the Rockies." The band really wowed them at the annual Homecoming Sing competition with our renditions of the "Blues Brothers' Theme" and the Muppet Show classic, "Manamana." Our main attraction, however, was not the band. It was Dan and the Mother Cluckers "singing" their version of the Benny Goodman classic "In The Mood." We all "clucked" and "ba-a-ed" to the beat.

The highlight of our semester was our nomination for designation as one of President George Bush's 1000 Points of Light. The award was created to honor those who have shown initiative and best exemplify the values of America. We are very proud of being nominated for this award.

WANTED

**Up to 8 Interested Alumni
and 2 Undergraduates
To Be Appointed/Elected this Summer
To Serve on Standing Committees**

REWARD

Fame, Power, Glory, Appreciation, Challenge*

One alumnus position on the Fraternity's Investment Advisory Committee.

This committee directs and oversees the investment of the Fraternity's Endowment Fund.

One alumnus position on the Foundation's Investment Advisory Committee.

This committee directs and oversees the investment of the Foundation's assets.

Three alumni positions on the Board of Directors of the Delta Chi Educational Foundation.

The Board oversees the operations of the Foundation.

Three alumni (one Regent, one "BB" and one delegate from an alumni chapter) and two delegates from undergraduate chapters for the Qualifications Review Committee.

The committee meets at Convention to review resumes of all candidates for office and determine eligibility.

One alumnus and one undergraduate position on the Housing Fund Committee.

The committee makes loans to our chapters/colonies based on need, security of loan and available resources.

Please send letter of application and resume to:
**Delta Chi International Headquarters
P.O. Box 110
Iowa City, IA 52244-0110**

*Well, maybe not fame, but an opportunity to help shape the future of Delta Chi Fraternity and its members.

Fredonia's Dream Comes True!

A three-year dream came true November 2, 1991. When the men of the Fredonia Colony became known as the men of the Fredonia Chapter. It will take a little getting used to, but we think we will like it.

The dream started in November of 1988 as Leadership Consultant **Bill Thomas** pinned 34 men. Three months later 15 of these men were initiated by the Buffalo Chapter. The colony grew and stalled, had its ups and downs, but never lost sight of the dream. With the help of Leadership Consultants **Max Goecker, Matt Prater, Barry Peters** and **Paul Picciani**, the brothers continued their march. Everything fell into place last fall when **Jim Sturm** was elected "BB" and **Scott Black**, "A". With their leadership the men of the colony grew closer, focused their efforts, improved programming and received outstanding alumni support from the men initiated as alumni. The chartering petition was submitted early this summer and approved in mid-August. Preparations began for November 2.

That Saturday night is a night that will not be forgotten by any of the members, alumni, parents, and guests

in attendance. Master of Ceremonies **Tim Ratliff**, '92, gave the invocation. After dinner, the ceremonies. "A" and founding father **Scott Black** '93, gave an emotional speech that traced the beginnings of the colony and reminded the brothers to keep focused on the future. "BB" **Jim Sturm** was then honored for his service to the colony and "E" **Joe DeFazio** presented him with the first James Sturm Distinguished Alumni Award.

ABT President and VicePresident of the College **Dave Burdette**, Florida '65, congratulated the group, and former Greek Advisor **Virginia Albanesso** gave a moving speech about the colony and its roots. Regent **Bill Williams** commended the parents in attendance for raising fine young men. **Jim Sturm** then delivered the colony's history and his own observations in his unique and humorous way. Lastly, "CC" and keynote speaker **Larry Nothnagel**

discussed the reasons we are Delta Chis. Finally, the moment arrived. **Larry Nothnagel** presented the chartering proclamation to "A" **Scott Black** and cheers rang out as the Bond of Delta Chi was stronger than ever. The ceremonies were closed with the singing of the Bond Song and the celebration continued into the night. One thought remained in everyone's mind: The dream had come true.
By Joseph DeFazio, "E"

Call to The 48th International Convention

To the Men of the Delta Chi Fraternity; alumni members, members and associate members of the undergraduate chapters and colonies.

As the forty-third "AA", pursuant to the Constitution of The Delta Chi Fraternity, I do hereby proclaim that the Forty-Eighth International Convention will convene at the Hyatt Regency Hotel, in the city of Irvine, in the state of California at eight thirty in the morning, Thursday, the sixth day of August, Nineteen Hundred Ninety-Two. Said Convention shall continue through scheduled adjournment on the ninth day of August.

By the "AA"

Gregory F. Hauser
Michigan State '75

The Board of Regents is hereby called into session starting at twelve o'clock in the afternoon, Tuesday, the fourth day of August, Nineteen Hundred Ninety-Two at the same location.

In witness whereof, I have hereunto set my hand and caused the Seal of The Delta Chi Fraternity to be affixed.

Done at the city of Iowa City, the sixteenth day of January, in the year Nineteen Hundred Ninety-Two and in the one hundred second year since the founding of The Delta Chi Fraternity.

Attested
By the "CC"

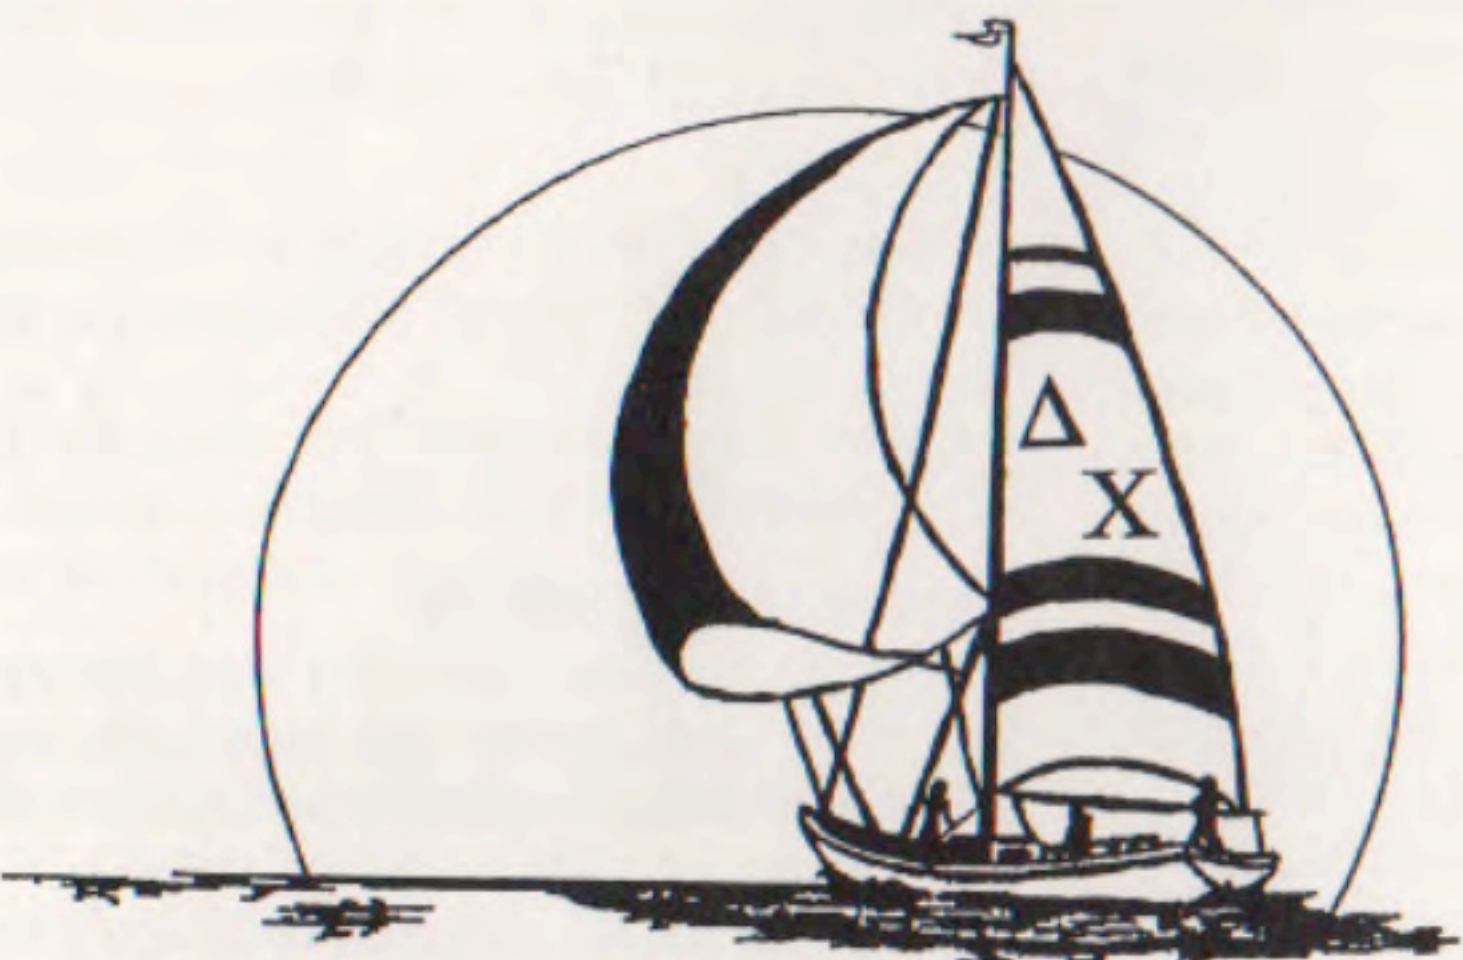

Larry Nothnagel
Northeast Missouri '79

"If you have never been to a Delta Chi Convention, You have yet to have the time of your life!"

Billie Bride, Georgetown, '04

The 48th International Convention

Register now to be a part of this glorious event. Help Delta Chi maintain its position as a leader in the Fraternity movement while celebrating "Personal Growth Through Brotherhood."

California Dreamin'

The Delta Chi 48th International Convention
August 5-9, 1992 • Irvine, California

Registration Policy

Early registration ends May 1, 1992. Each chapter and colony, as well as each alumni chapter, is guaranteed spaces for a minimum of five (5) delegates until May 1. After this time, those spots will be released on a first come-first serve basis.

A \$50 non-refundable deposit will secure registration. In order to maintain the slot, the remainder of the registration fee must be paid by May 1.

Convention Agenda

- | | |

Cover Story
Gary Mears Promoted

Gary H. Mears , Iowa '58, was promoted to lieutenant general August 2, 1991. General Colin L. Powell, Chairman of the Joint Chiefs of Staff, pinned on General Mears' third star with the assistance of General Mears' wife, Jackie, during a special ceremony at the Pentagon. (See cover photo.) Brother Mears is the director for logistics, J-4, the Joint Staff, Washington, D.C. General Mears earned a bachelor of science degree from the University of Iowa in 1958 and a master of science degree from Troy State University in 1978. He is a 1978 graduate of the Air War College.

The general is a command pilot with more than 6,000 flying hours in C-124s, T-39s, C21s, C-130s and C-141s. His military decorations and awards include the Distinguished Service Medal and Bronze Star Medal. He and his wife have three children.

ALUMNI NEWSMAKERS

KANSAS CITY

L. Elliot Shubert '66 was recognized for leadership, career achievement and commitment to human advancement and community service by the UMKC Alumni Association. His achievements and honors include: professor of biology, University of North Dakota; 1990 recipient, UND Foundation/B. C. Gamble Award for Individual Excellence in Teaching; 1986 Recipient, North Dakota Academy of Science Citation for Meritorious Service; member, American Institute of Biological Sciences; 1985 recipient, Sigma Xi Society Recognition for Outstanding Service.

OHIO STATE

D. Mike Crotty '71, head professional at The Shamrock Golf Club in Powell, Ohio, received this year's PGA Junior Golf Leader Award. He was selected for his outstanding leadership in developing and promoting programs for junior golfers. He has trained physical education teachers in Columbus Public Schools to introduce golf to about 250,000 students, has distributed more than 24,000 clubs to junior golfers at Shamrock through the PGA Clubs for Kids, and has devel-

Lookin' good in Kansas City are (from left, first row) Speedy Bennett '68, Dalann Bennett, Peggy Kahler, Mike Kahler '64; (second row) J.T. Spotts '61, Sara Frazier, Elliot Shubert '66, Fred Knapp '64, Bill Frazier '65, and Charlie Cobb '62. Photo taken by Don Melner '72.

oped and hosted tournaments and clinics, including the Children's Hospital Junior Golf Classic, which has raised \$8,000 for the last two years.

ALUMNI CHAPTERS

PITTSBURGH-GOLDEN TRIANGLE

Our goals as an alumni chapter are: To bring together, in a social setting, alumni in the Western Pennsylvania Tri-State area; To provide opportunities for alumni to further their personal and professional careers through business contacts; To aid recent graduates with sound career and employment advice; And to provide social events which will appeal to diverse alumni interests. We hope to make our events not only enjoyable but also profitable.

We held events for several years before our chartering as an alumni chapter. Our annual Sports Party was at the Sahler Racquetball Club on February 1, 1992 with all area alumni, and spouses or dates invited. We rented the entire club for the evening so the pool, racquetball courts, sauna, hot tub, volleyball courts, refreshment stand and bar were at our exclusive disposal. Other events have included Pirate Game Tailgates, a "Night on the Rivers" when we rented a yacht, "Blues Cruises" on the Gateway Clipper, card parties, golf outings, and even a flea market. Every August we have a family picnic (which includes games for children) at Deer Lakes Park and every October, a Halloween Party.

Meetings are the last Tuesday every month at Lasek's Bar on Bates Street in Oakland. Meetings begin around 8 p.m. in the meeting room. We've found this to be the most central spot for people throughout the area. For more info please contact us at: Delta Chi Alumni, Golden Triangle Chapter, P. O. Box 8368, Pittsburgh, PA 15218.

ALUMNI NEWS

KANSAS CITY ALUMNI MINI-REUNION

University of Missouri at Kansas City alumni from the 60s and their spouses held a mini-reunion September 21 in Kansas City at the home of Charlie Cobb '62 and his wife Sally. The occasion was the annual All University Alumni Weekend at UMKC. It was an enjoyable evening of reminiscing about the "good old days" and catching up on family, children and careers. We all agreed that we looked younger despite twenty-five-plus years since college graduation!
