ORIOLES' PAT GILLICK FOCUSES

The "American Dream" has different meanings for different people. For some it can be winning the lottery, hitting the jackpot on a slot machine or winning the Publishers' Clearing House Sweepstakes.

For others, it means working hard to excel in your chosen profession, only to reach a level of success that few can match. It is the latter that appealed to Pat Gillick, USC '58.

Brother Gillick is one who has succeeded not by sheer luck. Rather, he is an example that the "big one" doesn't come easily—it takes a special mixture of elbow grease, perspiration and a touch of inspiration.

Gillick is now serving as the General Manager of the Baltimore Orioles. He formerly served as Executive Vice President of Baseball for the Toronto Blue Jays. His success in Toronto can be measured by the two World Series title trophies the Blue Jays earned while he was at the reins.

During the strike of 1994 and after the Blue Jays' second title, Gillick retired

to Florida. He figured that once you win a World Series title, and especially if you do it twice, there's nowhere to go but down or out. He chose the latter. It appeared to be the end of an unparalleled career in professional baseball.

BROTHER BIRD

There's another Delta Chi connection to the Baltimore Orioles. Now in his third season with the team, Bromley Lowe, American '94, is the famed Oriole Bird.

"I didn't want a nine-to-five job like most people have," Lowe says. "After graduation, I searched specifically for a mascot job." He looked primarily for jobs with baseball teams because he lacked the main skill needed for a job with a basketball team: the capability to slam dunk.

"I just don't have that body type!" he exclaims.

While he has an office at Camden Yards, his job is far from being a nine-to-five job. While he was American University's mascot, "Clawed," Brother Lowe learned that it's a great way to be silly and not be recognized.

"I can act like a 'goof ball' and nobody minds, except for our opponents," he says with a laugh.

His silly and animated bird behavior provides entertainment for the fans, team identity and is an integral part of the team's community relations programs. He participates in almost half of the Orioles' 600 annual appearances (Lowe is one of three "bird handlers," but he is the primary one).

Brothers living on the east coast might also see Lowe on television as the blue "Milk Thing" for the Middle Atlantic Milk Marketing Association.

"It's been a real hit and I'm hoping this advertising campaign will go national," he says.

Either way, he's a national hit now and joins Brother Gillick as an integral part of the Orioles' success.

ON TEAM PLAY

Born in Chico, California, Gillick, whose father played minor league baseball, was responsible for all baseball related activities such as scouting, the

the major league team. Undergraduate Delta college ball taught him of "team." As a professional players, he to teach [new players] team goals, not individual good of the team – more important." He eded and worked his five Vice President of 84. More than just l of responsibility, Marshall's two-time "Executive" excelled by putting am that won two ld Series titles in 1992

ship and togetherness," he remembers. "It provided a home away from home. We had a strong commitment to our "A", since he was the elected leader. We felt like a team and he was the manager and coach."

Although one of the smallest chapters at USC, Delta Chi was well-respected. "We conducted ourselves properly," he emphasizes. "We lived next door to Zeta Tau Alpha and we cared for each other as if we were brothers and sisters. Our housemother also provided a sense of family and formality. I think we behaved better because of her. I remember escorting her to dinner and our respect for her kept us in check."

The family feeling drew alumni to the house regularly for dinner on Mondays. Gillick considered the Delta Chis to be a pretty tranquil group in that day. However tranquility did not mean they were not active. The Chapter regularly hosted house parties and formal dances that stand out in Gillick's memory. And they were always working to increase the Chapter's membership.

"We would get out there and talk to guys," he shares. "As one of the smallest chapters, it took a lot of leg work. Men were invited to dinner and lunch to get to know us and make sure they were the type of people we wanted in our chapter."

Incorporated in 1954, The Delta Chi Educational Foundation's mission is to challenge our brotherhood to a lifelong commitment to the improvement of our world by developing the leaders of the future.

The organization relies on the support of all Delta Chi alumni in order to positively impact the leadership and personal development of our undergraduate members.

The tradition and character that are Delta Chi are never more evident than when a brother gives of himself to help ensure the success of his Fraternity and its members.

Through such programs as the Jackson Leadership College, the Regional Leadership Conferences, educational portions of the International Convention, the Leadership Consultant program, the Borelli Family Leadership Awards, the Speech Contest and other educational awards, the Foundation is reaching thousands of young brothers each year.

But there is more to be done. Please use this envelope to mail your gift today.

s successes and those have been achieved on fundamentals.

ice of playing together on the basics: run and catching is most ck said. "To be a pro l player, you need to – focus on the goals of ave to be a self-starter ated. And, you have work ethic." He became same attributes to be a uity member as well as ter.

CAMPUS SCENE

ALBERTA COLONY

Our spring rush brought in seven members. Our White Carnation Ball was held in March and our first SHAFT dance party in April.

Our founding "A" and our present "A" have been elected to the Student Union Executive (we have 2 out of 5 positions!) which governs the 30,000-member student body. Other members participated in the elections as deputy returning officer, poll clerks, and campaign helpers. We also have a senator, IFC vice-president executive and numerous men on General Faculties Council and others on SU boards and committees.

Four brothers were admitted to the Order of Omega, and two of them were also inducted into the Gold Key Society.

AMERICAN

We won second place in the Homecoming Spirit Cup with awards for Most Spirited Cheer and Best Float. Our float featured a guest appearance by past university president, **Richard Berendzen**. We organized another successful philan-

thropy event by hosting a spring volleyball tournament to benefit the American Leukemia Society. In May, we had our Third Annual Spring Concert Bash and entertained many alumni and other VIPs.

A brother recently completed his term as president of the Student Confederation.

Lastly, we recently kicked off our first alumni fundraising campaign and have already secured a substantial anonymous challenge gift.

APPALACHIAN STATE

Our semester began with the initiation of sixteen men and one alumnus. Rush brought us seven associates. Our GPA increased, moving us from seventh to third on campus. In community service, we began the Adopt-A-Highway program, continued volunteer work for Mountaineer Escort and logged more hours for Habitat for Humanity than the campus Habitat organization did.

Our leadership and sports participation has continued to be strong with brothers involved in varsity and club sports, Appalachian Amba-

sadors, and the school paper. We finished second in Greek Week, winning the Basketball Championship and finishing second in football. Our brotherhood retreat was a time of reflection, goal setting, sharing, and remembering what it is to be a Delta Chi.

We are waiting for the University to give the final verdict about building Greek housing. The outlook is positive, but it would be a few years before construction would be completed.

We now have our own homepage on the World Wide Web. The URL or web address is <http://www.acs.appstate.edu/~deltachi>.

ARIZONA

Our recognition committee consisting of members and alumni finally saw their hard work pay off as the University agreed to hear our presentation on September 10-11 and 17. We pinned eight men on February 4 and currently have five associates.

Despite all our hard work, we still managed to have an exciting semester. Our basketball team placed first at the Delta Gamma Anchor Slam, while our intramural softball team lost in extra innings to a less talented Kappa Alpha team for the championship. We held Del Tiki for the first time since the spring of 1994, and even though we were unable to have it at the house, it was a raving success. We are proud that we led the Greek community in philanthropy activity, this in hopes of winning the community service award given out in the fall.

ARIZONA STATE

The semester started with the initiation of five. House involvement is at a high. In our philanthropy activities we have finished strong. Within student government our "A" ran for executive

vice president. House GPA has risen to put us in the top five among all Greeks with three members making the Dean's List. With the ideas gained from the Regional Conference, only a few members graduating, and a new rush program, we plan to continue growing in numbers and strength.

BALL STATE

In February we celebrated Founders' Day with alumni in Indianapolis. Our annual Luau was held at the end of April. We have been active in philanthropies this spring, contributing many man-hours to Habitat for Humanity building houses for the poor and to Big Brothers/Big Sisters repairing bicycles to give to needy children.

Campus involvement is growing with two brothers on IFC executive.

BEHREND

We elected new officers, rush chair and AMC in April, and we are currently searching for a "BB" to help us achieve our goals for the coming year. We initiated seven men, one of which was elected SGA president.

We celebrated our sixth anniversary at our White Carnation Formal March 23. This year **Bill Verdecchia '95** won the "Bill Williams Award" for outstanding alumni achievement.

Socially we had mixers with Alpha Sigma Alpha and Alpha Sigma Tau. We also had combines with the men of Tau Kappa Epsilon and Kappa Delta Rho.

In intramurals, we fared well in volleyball, placed second in soccer, took first place in the singles badminton tournament and second in doubles.

BRYANT

We nearly doubled our size with the initiation of 19

A good attitude, safety vests, and trash bags help make the Adopt-A-Street program work at the Appalachian State Chapter.

ON TEAM PLAY

Born in Chico, California, Gillick, whose father played minor league baseball, played on the little league teams and continued on throughout high school, although baseball was not his first love in the sporting world. It was not until later in high school that he determined he was too short for basketball and not big enough for college football. It was in his senior year that baseball received his full attention.

Resigned to the fact that baseball was the sport for him, he chose the University of Southern California because of its respected baseball program. At the age of 16 (he's obviously an overachiever), Gillick became the youngest player on the team, which was under the direction of the legendary coach Rod Dedeaux, another Delta Chi (Southern California '35). He honed his skills and was known as a team player—a trait that would make him a great fraternity man as well as a successful executive. Surrounded by other Delta Chis on the team, Gillick and his teammates became the College World Series National Championship Team in 1958.

After graduating USC, Brother Gillick began his professional career in the farm leagues playing for the Orioles organization, but his playing career was cut short due to an arm injury. He was then hired by the Houston Astros as an assistant farm director. He left the Astros as the Director of Scouting after ten years of meeting and greeting young players and making sure they were the type of people he wanted for his team. In 1974, he joined the New York Yankees as Coordinator of Player Development and Scouting.

In 1976, Brother Gillick joined the Toronto Blue Jays, just prior to their inaugural season, as the team's Vice President of Player Personnel. He

was responsible for all baseball related activities such as scouting, the farm system and the major league team. His years as an undergraduate Delta Chi and playing college ball taught him the true meaning of "team." As a developer of professional players, he says he "hoped to teach [new players] to concentrate on team goals, not individual needs. The good of the team—or the chapter—is more important." He obviously succeeded and worked his way up to Executive Vice President of Baseball in 1984. More than just earning that level of responsibility, Major League Baseball's two-time "Executive of the Year" excelled by putting together a team that won two consecutive World Series titles in 1992 and 1993.

Gillick says his successes and those of his teams have been achieved by concentrating on fundamentals.

"The importance of playing together and working on the basics: running, bunting and catching is most important," Gillick said. "To be a professional baseball player, you need to have a lot of focus—focus on the goals of the team—you have to be a self-starter and be self-motivated. And, you have to have the right work ethic." He believes it takes the same attributes to be a successful fraternity member as well as a successful chapter.

"Delta Chi was a good time of friend-

ship and togetherness," he remembers. "It provided a home away from home. We had a strong commitment to our 'A', since he was the elected leader. We felt like a team and he was the manager and coach."

Although one of the smallest chapters at USC, Delta Chi was well-respected. "We conducted ourselves properly," he emphasizes. "We lived next door to Zeta Tau Alpha and we cared for each other as if we were brothers and sisters. Our housemother also provided a sense of family and formality. I think we behaved better because of her. I remember escorting her to dinner and our respect for her kept us in check."

The family feeling drew alumni to the house regularly for dinner on Mondays. Gillick considered the Delta Chis to be a pretty tranquil group in that day. However tranquility did not mean they were not active. The Chapter regularly hosted house parties and formal dances that stand out in Gillick's memory. And they were always working to increase the Chapter's membership.

"We would get out there and talk to guys," he shares. "As one of the smallest chapters, it took a lot of leg work. Men were invited to dinner and lunch to get to know us and make sure they were the type of people we wanted in our chapter."

BRYANT

We nearly doubled our size with the initiation of 19

A good attitude, safety vests, and trash bags help make the Adopt-A-Street program work at the Appalachian State Chapter.

brothers this past fall. Campus involvement and leadership continue to be strong with brothers holding executive board positions on IFC, Order of Omega, the campus radio station, and the drama club. In addition, we again achieved the highest member GPA as well as the highest associate member GPA of all fraternities.

We hosted the Region VII Leadership Conference. In attendance were former "AA" **Greg Hauser**, and current "DD" **Paul Bohlman**. Their assistance helped make the weekend a success. Over 20 alumni attended Spring Alumni Weekend in April.

Intramural softball and soccer teams again competed in the playoff finals. Community service activities also continue to be strong. We sponsored a public park clean-up, and we are planning our Greek All-Star Basketball Benefit for United Cerebral Palsy to be held this fall.

CENTRAL MICHIGAN

Our 3rd annual Kimball Classic golf outing saw over 65 alumni, brothers, friends and families participate. A new tradition was started this spring when we held a brotherhood bike race. A cookout with Phi Sigma Sigma followed the race.

In sports we finished second in basketball, third in floor hockey and tied for first in our division in indoor soccer. Greek Week also went well with strong showings in all events. The highlight of the week was placing second in the best booth contest at the Kids Carnival.

Our new E-board is working well together and looking forward to a successful fall rush. Our "C" was elected to IFC's E-board as vice president of recruitment.

CLEMSON

In January we initiated nine men and in April we initiated six more. This spring we held our Third Annual Delta Chi Marathon for the Children's Hospital in

Greenville, SC, participated once again in the Adopt-A-Highway program, and raised money for the Camp Heartland Project.

Our Spring Alumni/Awards Banquet was a success with over 15 alumni attending. It turned out to be a fun-filled weekend for everyone involved.

This semester we managed to place high in three separate athletic tournaments, beating all of our previous records. We placed first in IFC soccer, second in IFC softball, and second in IFC basketball, which put us well on the way to winning the IFC Cup this year.

Major projects that will continue to be of importance through the summer and the fall will be to get the ABT and alumni more involved and concentrate on increasing our housing fund and establishing a house corporation.

COLORADO

Of the many activities in which we were involved, the most rewarding was hosting the Boulder County Partners for a second year. We opened our home to underprivileged children from the Boulder area for a day of fun.

Our social semester was highlighted by our formal at the Beaver Creek Lodge and the fourth annual "Luau" pig roast held on the last day of classes. We also teamed up with the sisters of Delta Delta Delta for the Greek Week songfest competition. Our act was very entertaining and earned a third-place award. We also placed third in both intramural ice hockey and the philanthropic soccer tournament "Kick for Craig."

Next fall, we will be in a different house.

DAVIS

Our annual alumni barbecue in April had a wonderful turnout of parents, members and alumni.

We've been working incredibly hard in attaining an official house for next year and it looks as if our efforts

Central Michigan Delta Chis had as much fun as the kids at the Greek Week Kids Carnival.

will pay off soon! We have a house set up and the energy and enthusiasm to make next year a dream year.

DEPAUW

Our four riders in the Little 500 made a noble attempt at a title in our second year back on track. We took command of Cyc-Sing and several other Little 500 Week Events with Delta Gamma and the South Quad men as partners. We set a new school record in the "car stuff" before being conquered by Alpha Chi Omega. Several alumni helped celebrate the weekend festivities.

The French Lick Springs Resort was home to our formal on April 13. This event is the pinnacle of our social calendar, although "Hawaii Four-O" and the final band party were also quite notable. On the academic front, one brother was recognized by IFC for a perfect 4.0 GPA. With such efforts, our undergraduate chapter is now ranked second, missing first place by less than one-tenth of a point. We also managed to win a second place in IM golf and a championship in bowling.

DUQUESNE

With nine men having graduated this spring, we are

currently planning for the fall rush. We ended the spring semester with the White Carnation Ball and we were also recognized for Outstanding Fraternity Campus Involvement and Leadership.

Along with a great performance at Greek Sing and a third-place finish during Greek Week, we hope to continue in September with a successful Carnival Show with the Alpha Phis. **Michael Zale '94**, was Alumnus of the Year. Attention alumni: Our first alumni dinner will be held in October.

EASTERN ILLINOIS

We put in a lot of hard work to host the Region V Conference. We felt it was a big success and we were honored to have Executive Director **Ray Galbreth** in attendance.

We had our annual E.Q. Alumni picnic April 27 at Fox Ridge State Park. Everyone enjoyed a barbecue and softball and basketball.

Greek Week was also successful for us. We placed third in Greek Sing, second in spirit, and, with all the months of practicing, the tug teams placed high with the big men going to the finals.

Our soccer team had another successful season, winning the outdoor intra-

GMI-B Colony members with Alpha Sigma Alpha and Beta Sigma Phi at the pinning ceremony.

mural championship, placing second in the indoor intramurals, and winning the first annual Alpha Cup.

For community service we raised money for Habitat for Humanity. We also collected canned foods for local locked-out employees and we held a pizza picnic for the Mid-Illinois Big Brother Program.

EASTERN WASHINGTON

1996 has been a great learning experience. With the help of Leadership Consultant **Chad Ashby**, we have a strong new ABT and alumni relations are getting better.

We have many brotherhood and rush events planned for the summer. Lastly, we are excited that our chapter will be hosting the next Region I Conference. It will be the first regional conference for any Greek house on our campus.

ELMHURST

For our community service project, we helped serve lunch to the Woman's Auxiliary Group of St. Peter's Church. We do this service usually twice a year. We are planning to help monitor the AIDS quilt that will be displayed on our campus. Our campus is one of a few stops for this AIDS quilt.

Greek games are coming up and we are going for our fourth straight title.

EMBRY-RIDDLE

We kicked off the year by hosting the Regional Conference for Region VIII. We were blessed with the attendance of "CC" **Bill Williams**, Retired "AA" **Michael Carroll**, Regent **Ken Young** and Congressman **John Mica** of Florida.

We participated in the second annual 55-Gallon Drum Roll, where we rolled two large oil drums down the beach, raising money for "Our Children First." This event was quite a success and promises to get even bigger next year with the help of our new membership in the area's Chamber of Commerce.

FLORIDA

Our on-campus involvement reached new heights this spring as we placed in the top three of every philanthropy including our own "Survival Zone Paintball" tournament. Our athletic teams stepped up to the next level as well by advancing to the playoffs in every sport, and taking the number one spot in golf.

Two brothers were inducted into the Florida Blue Key Leadership Honorary, as well as another member being inducted into Order of Omega Greek Honor Society.

Our spring calendar was filled with traditional events. We entertained our parents at a remarkably successful

Parents' Weekend. We also had the pleasure of welcoming our alumni back during our 70th Anniversary Alumni Weekend, and some of them joined us at our Knights of the Round Table formal.

Thanks to all the alumni who participated, and a special thanks to the members of our newly elected ABT who also joined us.

Continuing our capital improvements, we now have an enlarged entry sidewalk, several other new sidewalks, as well as additions to our kitchen and new letters for the front of our house.

Check out our Webb Page at <http://grove.ufl.edu~dchi.htm>. And look for a Florida Alumni page to be completed soon.

FREDONIA

Spring highlights included trips to the Rock and Roll Hall of Fame in Cleveland and to a Raptors game in Toronto. We held our first spring Semiformal with the hope of starting a tradition. In addition, we hosted a sports night with the Behrend and Gannon Chapters.

We had three intramural basketball teams for the spring season, with one of them making it to the final four. We finished higher than any other fraternity.

We continued our strong role in campus leadership, with brothers holding the

positions of Student Association comptroller and, for the second consecutive year, IFC president. Our chapter received the Outstanding Community Service Award from the student government and the Outstanding Greek Chapter Award.

The semester ended with the initiation of three men and our annual Fredonia Fest Alumni events with many alumni in attendance.

FULLERTON

In January our fundraiser chairman set up functions with television studios to raise money for our house.

In February we pinned three men. Through the next couple of weeks we kept busy with our Tuesday Night Greek Socials and our annual St. Patrick's Day party. We also attended the Region II Conference in Chico.

We volunteered for the MS Walk-A-Thon in April which adds to the many philanthropies that we volunteer for on an annual basis. Some of these philanthropies are the 65 Roses Club and the 150 Bike-A-Thon, which also raises money for Multiple Sclerosis. We also showed our brotherhood in Greek Week. A barbecue and softball game with alumni left us with a 24-16 loss.

GMI COLONY

We are finally on the move after a series of organizational changes. We eagerly looked forward to our June 1 induction ceremony with approximately 20 founding fathers. So far, we have participated in philanthropic events such as Carriage House and Brush-Up Flint. Both were successful. Leadership Consultant **Chris Jensen** has kept us on the right path with his guidance and we have implemented his much-respected ideas.

We are setting up our ABT. We have been putting on a good show in IFC events such as soccer, volleyball and surprisingly, swimming. Although we have yet to win,

we are gaining the respect of the other fraternities for our efforts and good sportsmanship. We have planned events with Alpha Gamma Delta, and we thank Alpha Sigma Alpha and Beta Sigma Phi for their participation in our first initiation ceremony.

GANNON

This past semester we participated in the MDA 24-hour dance marathon and card tournament benefiting muscular dystrophy. We also finished second among all university groups in intramurals.

Recently we celebrated our 25th chartering anniversary with a black-tie event featuring a Gannon alumnus, "CC" Bill Williams, as the keynote speaker.

GEORGIA TECH

We came extremely close to winning the honor of being the best fraternity on campus. With the best grades of any fraternity as well as a strong commitment to philanthropy and leadership, we were named number 3 out of 33. We were number 1 in grades with a 3.75 GPA.

One of our brothers was elected SGA President. We also celebrated the fifth anniversary of our chartering with a banquet and golf tournament May 11.

Memorial Day weekend is one of the biggest weekends on our social calendar. We kick off the weekend with a Cajun cookout party followed by our Reggae Party. We always conclude these festivities by rafting down the Chatahoochee River. We are preparing for a fantastic fall rush by offering a scholarship to an incoming freshman and many rush activities during the summer.

Special thanks to **Keith Shriver** Florida '79 for his many years of outstanding service as our "BB". He will continue to serve on our ABT and House Corporation.

GORHAM STATE

Spring semester ended with nine new brothers. Our biannual Brothers' party had an enormous turnout of approximately 250 brothers.

Our house is looking better and better. We have new renovations in the "Barn" thanks to continuing donations and our "BB" **Kris Dunn** and the chapter.

Philanthropies continue to keep us on the move. The annual Children's Christmas party was full of young, happy faces and cheerful brothers. The Cabin Fever Extravaganza was just as promising as we helped break up the monotony of the fierce Maine winter. Also, we

put on our walking shoes for the Walk for MS. Finally, the University celebrated Earth Day with an annual campus cleanup sponsored by the IFC president, **Dave Cole**.

HAYWARD

We came back from our Regional Conference in Chico with fresh new ideas and a renewed drive to be the best. We sent over 30 brothers to the conference and won the "Most Man Miles Traveled" award. We won the "Outstanding Campus Involvement" award from the Greek Council and our chapter was recognized for having the most members with a 3.25 GPA or above among Greeks.

Our spring calendar was packed with Greek Week, Parents' Day, and our formal in South Lake Tahoe. At the Phi Ball volleyball tournament we took home third place. In April, a brother and an associate participated in the Top Hat Classic Bike Race which benefits Multiple Sclerosis. They rode 75 miles in less than 6 hours! We also served as course marshals for the bike race as one of our philanthropy events.

HOBART

The semester was filled with exciting and rewarding philanthropic activities including a charity raffle for

Mercy Flight. The raffle was a success thanks to hard work. The drawing took place at the house during a brunch we prepared that was attended by many members of the local community.

We recently completed an academic series on the role of fathers in society. With the help of several faculty members we were able to make the series a success. The series included speakers, films, and student presentations that helped all involved better understand different perspectives on fatherhood.

ILLINOIS

First off, the house is having changes made to it over the summer. The bathrooms on the Mountain and 2E will be remodeled; the foyer will be redone; and the front room and hallways will be painted. Thanks to all who contributed to make these changes possible.

We finished ninth overall in grades among fraternities.

In intramurals, we were softball champions, made the semifinals in football, and also made the quarterfinals in basketball.

An golf outing on a Friday was planned for an alumni weekend in August.

ILLINOIS STATE

In intramural basketball we ended up with a third-place finish. We also initiated ten members. Spring formal was a great time with more alumni attending this year than in past years.

We showed an increase of almost 50% in our chapter standards of excellence. Plus, the Greek Advisor sees us as one of the up-and-coming chapters.

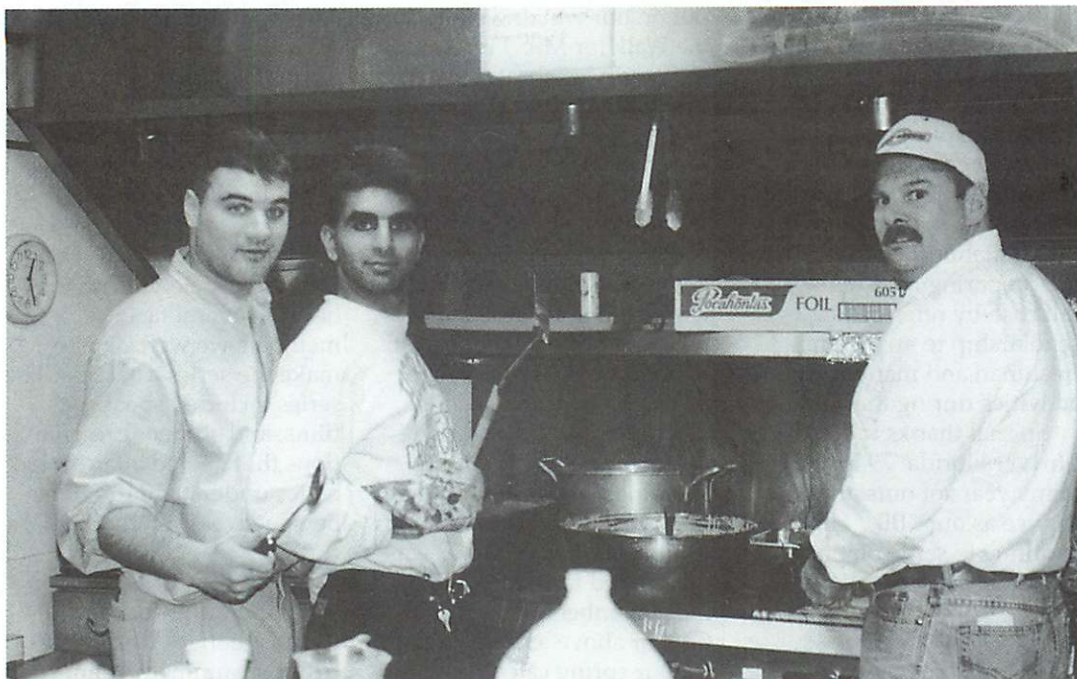

Our semester concluded with Parents' Day, where our "A" gave a speech about what we intend to do in the fall. White carnations were passed out to our moms.

INDIANA

We were paired with Zeta Tau Alpha for I.U. Sing in February and put on an

GMI-A Colony members pose after a reception in honor of initiation.

Three brothers help cook for Hobart's Charity Raffle Brunch.

incredible show that took top honors. Also in February, we held our annual White Carnation Formal in Louisville, Kentucky. In March we continued our active philanthropic participation by hosting a blood drive to support the American Red Cross. April saw the continuation of two Delta Chi traditions: our 66th annual gangster dance, Kelly's Wake, and the Little 500 where our bike team finished 4th!

IOWA STATE

We competed in Greek Week with Phi Kappa Tau and Alpha Xi Delta and made a solid showing, and also participated in Veishea. We've also made changes in the chapter's internal organization.

We have developed a new seniority system to reward activity in the chapter and on campus. Our new officers have been seated and our bylaws have been streamlined. We made plans for a great summer rush.

JACKSONVILLE STATE

We started off the semester with 34 brothers and have three on the SGA Senate and two in IFC. Also this year we had four cheerleaders and a number of brothers involved

in different activities. We came in second overall in intramural sports by finishing second in both basketball and softball. This is the best we have done in intramural sports in quite awhile.

The biggest excitement is the upcoming start of the construction on our new house. It will be only the second house on the newly developed fraternity row, and will house approximately 20 brothers. This would not be possible without the help of some great alumni.

KANSAS

We again finished third with an overall GPA of 3.08 and the associate members finished second with a 2.98. In February we sponsored the second annual Dance-a-Thon with Gamma Phi Beta and raised nearly \$8,000 for the Lost Child Network and for a Greek advising group on campus. The dance was cut from 24 hours to 12 hours but the enthusiasm and the turnout were still incredible.

Mom's weekend on April 12 turned out to be an exciting weekend as sons and their mothers spent time together. The auction raised over \$4,000 for the house and we enjoyed dinner in downtown Lawrence.

Our alumni meeting was held April 27. Many alumni returned to enjoy a fun day of meetings, a golf tournament, and then a barbecue where many awards and scholarships were given out. At the annual Greek Recognition Night in April, numerous individual awards were presented to Delta Chis including Outstanding Greek Senior and Outstanding Greek New Member.

Our rush events turned out to be huge successes. Paintball and the barbecue at Clinton Lake were enjoyed immensely. Other activities such as intramurals and campus committees are keeping us well-rounded.

KANSAS CITY

We have participated in many mixers and functions around campus and the state. Our social chairman has us hopping with original mixers such as the handcuffed bowling tournament with the Alpha Delta Pis and a mixer with the Chi Omegas.

We recently participated in a four-fraternity/four-sorority mixer called the big eight at Northwest Missouri State and appreciate the invitation and the brotherhood they showed. We are proud to say that our 40th

anniversary was celebrated May 12. A reception, golf tournament, dinner/dance and countdown to midnight were some of the festivities that we shared. Alumni support has been great and we hope to build on this spark of interest to include our alumni in more events.

KANSAS STATE

A Delta Chi has been elected as the student body vice president, and we have members in student senate, Order of Omega and numerous honor societies. Our Earthball philanthropy with Kappa Kappa Gamma was a success with over \$1,500 raised for charity. It was also voted "Best Philanthropy" by Greek Affairs. Greek Affairs also awarded our "BB", Dr. Alan Brightman, the Best Greek Advisor award.

We are excited about our 10-member spring class. Alumni and members competed in the annual Hackfest golf tourney in May.

Our housing situation is changing slightly so that 27 brothers will be living in an apartment complex that was secured by our House Corporation.

KENT STATE

We began the semester by taking second place in Songfest, our song and skit competition. Our university returned to formal rush this spring, so several brothers attended the Regional Conference to gain insight on how to rush successfully.

The semester closed with our formal and a Brothers' Day to rewrite and revise some by-laws. And, for the first time at Kent State, a Delta Chi was voted "Greek Man of the Year."

LSU

This past semester we initiated eight men and won the Regent's Cup at the Region III Leadership Conference. With members in various campus and Greek organizations, such as IFC (president), IFC Judicial

Board, Greek Steering Committee, and Student Government University Court, we continue to set the standard for Greek participation in campus leadership.

Through an elaborate schedule of exciting events such as a St. Patrick's Day Party, Bus Trip, and South Seas, our social calendar mixes festivity and social responsibility in such a way that alumni, parents, and guests alike can enjoy themselves while the undergraduates assume the role of conscientious hosts. We ended the semester with Red and Buff Formal in Destin.

LEHIGH

The spring was highlighted by such events as Parent's Weekend, Greek Week and Alumni Weekend. This semester was topped off when we welcomed seven new members. We also finished up one of our most successful intramural seasons in recent years.

As part of the campuswide Greek Week celebration we organized a new event, Karaoke Night, with proceeds benefiting Cystic Fibrosis.

We elected **Mike Schreder '90** as "BB" to replace **Dan Curriden '90**. We are preparing for fall rush. With numbers down in the Greek system here, this rush period is sure to be important to our future success.

LIVINGSTON

We had our annual Winter Formal in New Orleans with many alumni present to see the new officers sworn in. The new SGA president is a Delta Chi.

Spring got off to a great start when we hosted the first annual Delta Chi invitational softball tournament. This was an important fundraiser. Indian Party was a great success with many alumni returning for the weekend. The alumni-undergraduate softball game was held at Jaycee Park, followed by a cookout at the house.

LONG BEACH

We pinned six associates. We have more members in the Associated Student Government than any other campus organization. Events and exchanges with the largest sororities on campus were also accomplished.

We finished third in ranking, fourth-place overall in IFC sports, and in addition, one of our brothers is editor-in-chief of the Campus Greek Newsletter.

Our biannual Active vs. Alumni Broomball Tournament ended with a score of undergraduates 6, alumni 4.

LOUISIANA TECH

Winter quarter began with the pinning of five associates. We hosted the Region III Leadership Conference. In addition to members from the chapters in the region, "DD" **Paul Bohlman** and **Ray Galbreth** were in attendance.

In spring we held two clean-ups of the section of road that we adopted. We also had a chapter retreat that we used to set goals for the upcoming year.

MARYLAND

We hosted the Region IX Leadership Conference and thank all the Delta Chis who attended. We participated in several philanthropic events this semester, including a 3K run for cancer cure in Washington, D.C., and Habitat for Humanity. We also initiated four men.

We had several mixers, capped off with our end of the year "South Seas" bash. Our White Carnation formal was thought by many to be the best ever.

Greek Week with Sigma Kappa went well: we finished fourth overall, and first in spirit.

In athletics we finished in the top five once again. Our soccer team went undefeated, and triumphed over last year's champs, Beta Theta Pi.

Our chapter GPA has gone up, thanks to our new study lounge and computer work station. We would like to

thank all the alumni who graciously donated to our renovated chapter room. We hope to see you all at Homecoming '96.

Also, check out our web page at: http://www.inform.umd.edu:8080studentCampus_ActivitiesGreek_LifeGreek_OrganizationsUMCPDirectory/.dx1

MASSACHUSETTS

Our basketball and wrestling teams both took first place in the Greek Olympics. These victories should insure that our chapter receives the praised Olympus Cup for the second year in a row. A Delta Chi was elected IFC president.

We repainted at a local park and prepared the public pool for opening day. Members also dedicated much time to raising money for two local charities. Delta Chi was recognized by members of the university for our support on freshman move-in day and participation in the Chancellor Campus Beautification Project.

A strong effort has also been made by alumni and undergraduates to perform much-needed repairs to the house. We have been able to start refurbishing floors and staircases, repaint the interior of the house, landscape the exterior, repair our damaged basketball court and set aside

money for more extensive repairs this summer.

MEMPHIS

We began the semester by pinning one of the largest classes on campus. Then we teamed with Delta Gamma to win Follies/All-Sing, taking first place in both the Mixed and the Overall divisions.

This marked the fourth consecutive year we have won our division. A brother and an associate won tennis doubles and our showing in intramurals has been strong.

We held our annual Toga Party and the proceeds benefited St. Jude's Children's Hospital. Our new philanthropy project this fall, the University's first annual Sorority Olympics, will also benefit St. Jude's.

MICHIGAN STATE

We initiated ten members, all of whom will be moving in this fall. We will have 55 brothers living in the house. Our renovations are complete, making our house one of the nicer ones on campus.

Greek Week went well with our efforts helping to raise over \$15,000 for the Area 8 Special Olympics of Michigan. Along with Kappa Alpha Theta, we were successful in all of the Greek Week events, including Songfest, which is the grand finale of Greek Week.

Three brothers from Michigan State enjoyed their spring break hiking in the Black Fork Mountains in Arkansas.

Purdue Delta Chis didn't shortchange themselves when they won the All-Fraternity basketball championship in intramurals.

We won the volleyball and tennis championships and are on track to win the coveted All-Sports Trophy for the third time in four years.

Our annual "Neighbors" party was at the end of the year. April 21 was our annual Mom's Day. Thirty brothers and their mothers enjoyed brunch and then saw a performance of "Anything Goes."

MISSISSIPPI STATE

This past winter we sponsored three local youth basketball teams, with one team winning the championship. This spring brought an opportunity to help the Palmer Home for Children by sponsoring a roller skating event with Phi Mu. We also had our third annual sports challenge with Chi Omega. Our annual Wet and Wild Weekend was a soaking success with alumni and undergraduates gathering for an ABT meeting, crawfish and a gigantic waterslide.

Scholastically, we are doing well, and several of the older brothers were elected to Order of Omega. Our associate member class is at nine through informal rush activities this spring.

MISSOURI

We initiated six men in

April, and, also in April, we had a successful Alumni Weekend. It was our biggest turnout in years.

Summer rush is underway with many exciting events, including a float trip in July and quite a few Royals and Cardinals baseball games.

Speaking of sports, in addition to claiming our second intramural football crown in the past three seasons, we also won the volleyball championship and were the runner-up in basketball. We finished the softball season undefeated with the playoffs still to come. We are in third place in the overall point standings.

MONTEVALLO

We started off spring semester with one of our largest parties of the year, "Knight Errant." Before we knew it, we were on our way to Atlanta for our second fundraiser of the year at the Atlanta Motor Speedway. Throughout these events, we were planning a surprise 25th anniversary formal dinner party for our faculty advisor, **O. J. Carson** to thank him for his dedication, brotherhood, integrity, and all he has done for us for 25 years!

Next came our annual "Pig Roast" with our alumni,

where we enjoyed barbecue, played softball or golf, and told great stories! To top it off, we have been planning to either build onto our house or to start a fraternity row by building a new house.

NORTHEAST MISSOURI

Alumni from all over the country came for our 20th chartering anniversary to participate in golf and fishing tournaments as well as a banquet in their honor. A portrait commissioned by the chapter of our former "BB", **Joe Crabtree**, "BB" Emeritus, was also unveiled. We thank the ABT, the reunion committee, the building committee, and those on the Joe Crabtree Memorial Fund committee who had a part in planning the reunion. Thank you to all who attended, and we hope to see you for Homecoming.

Our Greek Week team placed third overall. We have been busy participating in the Clothe the Child program as well as our Run for the Border service event to raise money for the Red Cross.

NORTHERN ARIZONA

We have established a scholarship in honor of the late **John G. Babbit**. Babbit was an alumni initiate in 1959

and was a pillar in the Flagstaff community. The scholarship will be available to all incoming males.

During Greek Week, we brought in Eileen Stevens to speak at education night. She is a nationally known speaker and founder of C.H.U.C.K., an anti-hazing organization named after her son. The Greek community was moved by the tragic story of his death due to hazing.

For our annual Del Tiki we transformed the house into a tropical island complete with a pool, 20-foot high volcano, and a waterfall.

The House Corporation is being organized and the ABT has become actively involved in the operation of the chapter. We thank former "BB" **Grady Carlson** and welcome new "BB" **Ron Desmond**. We had a mid-summer Alumni Weekend and are planning for the 10th year anniversary of our second charter.

NORTHERN ILLINOIS

Our chapter teamed up with Big Brothers and Big Sisters to hold an Easter Egg Hunt for underprivileged children in the DeKalb area. We had over 50 kids in attendance, and they were ecstatic when **Alex Escobedo** showed up as the Easter Bunny. Upon hearing of this event, other houses decided to volunteer, making this a tradition that will continue for years to come.

We welcomed 10 new members. Sincere thanks to our alumni for staying involved in our chapter and offering suggestions for improvement in the future.

NORTHERN IOWA

This spring, we initiated seven members with one member and our new faculty advisor being initiated during the summer. Our intramural bowling squad took first place in both the singles and doubles.

Our Super Bowl Hot Tub Party was rescheduled due to the sub-zero temperatures

and resulted in a successful rush event. Spring Formal was held in Newton, Iowa, with another large turnout of recent alumni. The Summer Alumni Retreat was moved to August 31 to coincide with fall rush.

NORTHERN MICHIGAN

We helped the March of Dimes with their annual Jail and Bail project as well as helping with the Special Olympics. This semester's rush brought four members.

On retreat, we enjoyed access to snowmobiling, skiing, and hiking. We capped off the semester of hard work with our formal. Our first alumni retreat was this summer in Gaylord, Michigan.

NORTHWEST MISSOURI

Our house is entering a major renovation process, most of which will take place during the summer.

In addition to winning Greek Weekend, we were also presented with awards for "Best Philanthropy" and "Best Overall Greek Games." Our "A" was declared "Outstanding Greek President." At the conclusion of intramural competition, we were in the lead, and planned to finish in first place.

OHIO STATE

For our winter chapter retreat we invited eight distinguished alumni (a cross-section ranging from the classes of 1940-1970) to recount their experiences as brothers. We discovered that many of their experiences are quite similar to those of brothers today.

We hosted the 1996 Region VI Leadership Conference.

We placed first in the Chi Omega Oozeball (mud volleyball) tournament. Our spring White Carnation Ball was held in Cleveland on May 4 and our annual John W. Bricker Sorority Woman of the Year Award ceremony was held on May 19. We

were also proud to entertain alumni from the classes of 1940-1952 in our first Alumni Reunion, held on May 11.

For Greek Week we were paired with Delta Phi Epsilon and completely demolished the Greek Games competition, winning three events and placing second in two others. At the Greek Honors banquet, we received an IFC Chapter Achievement Award, placing third among all fraternities in intramurals. Not only did we receive the IFC Most Improved Community Service Award, but we were the overall Community Service Award winner as well.

OKLAHOMA STATE

In April we celebrated Greek Discovery Day with our Del Tiki Rush Party. We had 64 guests join us for an evening of basketball, volleyball and grilled hamburgers. April 20, we took a road trip and enjoyed the weekend floating down the Illinois River. Thanks to the support of our generous alumni as well as a full calendar of activities, we expect a great summer rush.

OLD DOMINION

We are still active in Project Share (a local food bank), a local cancer charity and helping out at one of the retirement homes for our philanthropy projects. Our

social calendar includes our annual Tri-Chi party with Theta Chi and Lambda Chi Alpha, a Halloween party with Delta Sigma Phi and many socials. November 22, the 5th anniversary of our founding, we will be having an alumni weekend including a formal and other activities.

Other highlights are our much-improved intramural sports teams, the founding and growing of our house corporation, and campus leadership in student senate, IFC and other organizations.

OREGON STATE

Winter term provided several opportunities for us to assist victims of the serious flooding that affected the Northwest and the Willamette Valley. We sandbagged with other volunteers at a local farm that had donated pumpkins to us in October.

Several newspaper articles recognized the heroic efforts of two Delta Chis, **Gavin Wells**, '96 and **Tim Murphy**, Northern Colorado '93. These men rescued retired OSU pharmacy professor Eugene C. Lee from the flooded Luckiamute River when the car in which he was riding was forced off the road into the river. By swimming out to the car and breaking the rear window with a hammer, Tim and Gavin

rescued Professor Lee. The driver of the car is believed to have died after the impact and before the car went into the river. Lee stated, "with their courage and initiative they were truly heroes."

Spring term started successfully with our Alumni BBQ. We all had a great time eating burgers and playing softball. We also began a combined effort with our alumni to raise money for a new roof and plumbing. We put on two philanthropy events, a sand volleyball tournament and the Garfield Elementary School Carnival.

PENN STATE

April 22, 1996, we helped celebrate the 100th birthday of our founder, **Dr. Marsh W. White**. It was a privilege for us to honor a man who has done so much for Delta Chi.

Our house, which was built in 1929, is not what it used to be, but thanks to contributions from alumni we should be able to correct some of the problems. Next semester looks promising with 17 new members moving into the house.

The weekend of October 12 will mark Homecoming where we will be celebrating with Alpha Chi Omega.

PURDUE

The initiation of 22 men brought our number up to 62,

Long Beach undergraduates and alumni at their Broomball Tourney.

with an additional 14 men in our associate member program. Our house has undergone many improvements under our new Chapter Advisor **Rick Kirkham**, including a complete renovation of our library. We installed a new phone system, with individual phone and modem lines, paved the parking lot and erected a basketball goal, along with many exterior and interior projects planned to improve the overall appearance of the house.

We are ranked 11th out of 46 fraternities on campus in academics, with plans of moving back into the top ten this semester, where we have been for the past several semesters. We are currently ranked second in intramural sports, with one of our basketball teams having an undefeated season and winning the overall fraternity championship. Our soccer team took the overall championship in the Alpha Gamma Delta soccer tournament.

Our annual philanthropy project, Ride-For-Life was a success, with the help of Gamma Phi Beta, as we raised \$1,900 to benefit the Mary Mullenix Hackett Foundation, which provides cancer services and education. We are expecting a large turnout for Homecoming on

October 19. Get in touch with us by e-mailing the "E", thorne@ecn.purdue.edu or by accessing our homepage on the World Wide Web: expert.cc.purdue.edu/~deltachi.

ROWAN

Our annual Greek Goddess competition was the largest ever. Twenty women from seven sororities showcased their talents and beauty to a spirited audience. Sigma Sigma Sigma placed the top four out of the final five contestants. We fielded strong athletic teams all year with our volleyball team defeating all competition.

The spring rush yielded us nine brothers. Campus elections placed nine brothers on the Student Government Association, including the vice president, 2nd vice president and senate chair. Greek Week was a blast as we, along with Alpha Epsilon Phi, placed third overall.

RUTGERS COLONY

We initiated 41 founding fathers with the help of the Rowan and Montclair Chapters. We have made a major impact on Greek life here, participating in many social and service events, and we have the highest GPA on campus. We thank Leadership Consultants **Bill Tallman** and **Tom Sheffield**

for getting us started on the right note.

SOUTHEAST MISSOURI

In Greek Week, we were in second place until the final day of competition. For one night during Greek Week, we won the spirit competition. We won third place in the Alpha Delta Pi 500 and Alpha Chi Omega Frisbee fling. We won the spirit competition during Gamma Phi Beta Moonball. Intramural teams have had a full slate of athletic activities, including a golf scramble, softball, and inner tube water polo. We raised about \$200 in a "catering" fundraiser. In the summer, we will work at Six Flags for more money.

A Delta Chi was named vice president of public relations for IFC. We will celebrate our 20th anniversary April 25 through 27 in 1997 with a golf scramble, formal and a picnic. Homecoming will be in late October. Next year, we will move into more extensive housing with the increase in our numbers.

SOUTHERN CALIFORNIA

We initiated 18 men this year. We continued to do well in academics. In the fall semester, we had approximately a 3.0 which placed us third among all fraternities.

This year we have both participated in and sponsored many philanthropy events. In the fall, we won Alpha Phi's Phi-Ball three-on-three tournament, defeating six other teams. We also held our Rod Dedeaux Softball Classic with **Rod Dedeaux '35** presiding. The tournament featured eight sororities in the single-loss elimination tournament, with Delta Delta Delta coming out the winner. From this event, we were able to raise and donate \$1,500 to the Orthopedic Hospital of Los Angeles. For Easter, we held an Easter egg hunt for the hospital. The event had over 50 children hunting for

eggs, pinning the tail on the Easter Bunny and running in relay races.

April 20, we held the second annual "BB" Basketball and Barbecue Alumni/Active Challenge. This event was organized by our "BB" **Darin Ditmar '90**, and allowed alumni to renew ties with their brothers. The event drew 12 alumni from the Los Angeles area, and 15 undergraduates participated. Two brothers were selected in the NFL draft.

SOUTHERN ILLINOIS

More than 30 alumni returned to celebrate our annual Stag Weekend which included a cookout with horseshoes and volleyball, and our biannual Alumni Association meeting. Alumni saw our ongoing house improvements, including new furniture for our cold-air dorm and a new pool table, donated by two alumni.

We won Greek Week for the fourth time in five years, and, for the second year in a row, one of our brothers was named Greek God.

With the initiation of 16, our chapter continues to expand. We continue to increase our GPA, and maintain our leadership roles in philanthropy, fundraising and sports. Events such as our Wacky Wedding and Spring Formal in Memphis remain favorites. In addition, we have initiated an annual Valentine's party for the Big Brother, Big Sister program. We also continue to expand with the addition of our SIU Delta Chi Homepage, and the introduction of the Delta Chi Legacy Award.

SOUTHWEST MISSOURI

Renovations to our house include new carpet to all of the rooms, new laundry machines, a renovated room for the pool table and new grass out front.

Fight Night, the most prepared-for event of the spring semester, was a success, raising over \$2,000

Six Texas brothers at a Cupid's Arrow Date Party. If the smiles are any indication, some of those arrows hit their mark.

for charity and over \$3,000 in all. Packing a crowd around the ring produced a lot of excitement. We also had our annual Spring Float Trip, South of the Border dance, Father/Son golf weekend, and many exchanges.

SOUTHWEST TEXAS

We participated in all intramurals and placed first in golf. We initiated ten men and four fathers. Our Margaritaville party was part of an active social calendar. We also participated in Delta Gamma Anchor Splash in which we placed first for Game Day, and we were prominently represented in the Greek Week festival. At the Greek Week Award ceremony we received "Most Improved Chapter GPA," "Excellence in Fraternity Relations" and our "D" was awarded for "Outstanding Service" to the IFC and Southwest Texas State. We would also like to acknowledge the help and support of alumni **Scott Grant '95**, **Todd St. Clair '95**, **Ralph Leal '94**, and **Daryn Vrazel '94**.

TEXAS

This spring, we tackled major house improvements including landscaping, exterior painting and tiling and refinishing floors throughout the house. Our social calendar was a success with our annual Ranch, Cupid's Arrow, and Jamaican parties. We also enjoyed a mixer with the Texas Spirits.

Summer and fall rush are being planned with our Dallas, Houston, and Austin state party weekends. Our 10th chartering anniversary celebration will be the weekend of November 2. Expect more information in the alumni newsletter.

TEXAS A & M

We plan to have initiated more than 21 men before the beginning of fall. Also, this semester we had a successful parent/alumni weekend which brought out many parents as well as many

Western Carolina brothers celebrate after climbing the wall during the C.O.P.E. Course at their retreat.

alumni. We planned a summer brotherhood Fandango trip to west Texas.

Two brothers were awarded Delta Chi Academic Achievement Awards for outstanding grades. Another member was accepted into Order of Omega, a Greek honor society. As for campus positions, we have one brother serving as assistant to the student body president and another who has a seat on the student government.

TROY STATE

We recently celebrated our 30th chartering anniversary.

We are making additions to the gate which shelters the house. This is possible due largely to continued alumni support. We are also attempting to clear off a tract of forested land to provide more room to expand.

Our annual philanthropic event, Luau, took place with such features as band parties, a chase-the-pig contest, and a kiss-the-pig contest. All proceeds go to benefit Banks Elementary School to upgrade and support education.

We also had our White Carnation Formal which was highlighted by an award ceremony. The Captain Bruel Davis Outstanding Alumni Award was given to **Rob Mullinax '93**, for the ongoing support and contributions he makes to our chapter.

VIRGINIA COMMONWEALTH

The recent renovations to our new house are complete with more furniture in the brotherhood room.

In intramurals, we are simply dominating with an overall record of 32-4. We won the basketball championship by leaving the court undefeated but unfortunately we lost in the finals of soccer and flag football.

April 27, we held our 7th White Carnation Ball. Everyone received an award of some sort!

WASHINGTON

Our alumni continue to surprise us with more and more assistance in chapter operations and financial aid. We have experienced alumni advising us in nearly all functions of the house. In addition to the increased alumni support, our newly formed Parents Club has been active in making numerous improvements in and around the house.

Summer is always an exciting time around Seattle and our rush program takes advantage of all that the beautiful Northwest has to offer. Our second annual cruise on Lake Union will be followed by rafting trips in Oregon, Hydro races in Eastern Washington, and barbecues all summer long.

WASHINGTON STATE

Our philanthropy basketball tournament participation has increased steadily over the past three years, and we had our record high this spring. We raised money for the Arthritis Foundation. Our chapter placed third out of 26 houses with a 2.96 GPA. Thanks to all of the alumni who came to our Westside Homecoming. Our Sweetheart Dance was enjoyable for everyone and the spring White Carnation formal was successful as well. Moms' Weekend was held in April and was well attended. Summer rush functions have been planned and we are working hard. Our alumni are working on a project for a new chapter house.

WESTERN CAROLINA

This spring we initiated five men. Our chapter retreat was at Camp Bud Sheile, which included the C.O.P.E. course, football, and setting next semester's goals. We are first on campus among Greeks in overall GPA.

We raised a total of \$1,800 for the Leukemia Society of America through four canshakes. Other philanthropy projects included helping out with the American Red Cross Blood Drive, Adopt-A-Highway, and participating in the annual river cleanup.

Our soccer team kicked its way to the semifinals, and our volleyball team spiked its way to the finals. Special thanks to "**BB**" **Wayne Phillips '94**, for his time and commitment. We hope to have a new house this summer.

WESTERN MICHIGAN

Most of our school year goals have been obtained. A key goal was the formation of an ABT. Also, our alumni relations have dramatically improved. Housing is our next big goal. We have two irons in the fire as to where the chapter house might be when the school year starts. In Greek events we are among the top organizations

These Western Ontario brothers seem pretty pleased that they were invited to Alpha Omicron Pi's crush party.

as in years past. In sports we **notched our fifth** straight floor hockey title. In outstanding chapter points we **are among** the top five.

We congratulate **Kevin Vought '96**, on being selected as a Leadership Consultant.

WEST VIRGINIA TECH

In intramurals, our soccer team finished in second place after a heartbreaking loss in the finals, and the softball team has made the playoffs.

We finished in fourth place overall in Greek Week with first-place victories in singles and doubles billiards, Foosball, air band, and Greek God.

During the blizzard of '96, we shoveled off our streets, retrieved needed prescriptions, and won recognition from our neighbors. Two brothers were initiated into Tau Beta Pi, the National Engineering Honor Society, with one of them elected as vice-president. Another brother was elected as vice-president of Eta Kappa Nu, the National Electrical Engineering Honor Society. The list continues with another brother as vice-president of the American College Health Care Administrators and six as members of the Student Government Association. Our chapter also currently holds the treasurer and advancement chair positions on IFC.

Other positive accomplishments included Homecoming

and our new annual Brother Trivia Game which, due to its success, was made an annual event. Thanks to our alumni we were able to bring in our third band of the year for Homecoming.

WESTERN ONTARIO

Great strides were made this year as we are strengthening our alumni base with frequent communication and monthly meetings. We held our White Carnation Ball at the London Delta Armories. Our fundraising events included a Polar Bear Dip, Adopt-A-Highway and a teeter-totter marathon. Five brothers participated in the Alpha Omicron Pi fashion show which gave all proceeds to the Cancer Society. We initiated 6 men in the spring. An interior design group, Orchestra London, renovated our beautiful Heritage Home this summer, turning it into a home show at no cost to us.

WINDSOR

The highlight of the year was our 25th anniversary. We had a formal to celebrate this event and the highlight of the night was the retiring our debt to Delta Chi. "D" **Dean Scarlett** wrote the final check and presented it to Regent **Monte Johnson**. Over 100 alumni, undergraduates and friends attended the grand event which marked a new beginning for our chapter with the payment of \$8,800 in two years.

WYOMING

This spring, five men were initiated. This semester we enjoyed Tuesday movie nights which were well attended. We also played paintball; a couple of people got popped pretty hard, but we had fun nevertheless. Finally, we had an undergraduates vs. alumni softball game which the undergraduates won. To conclude, we

thank "BB" Dr. **Frank Hinds** who is retiring and stepping down from his position. He gave countless hours of dedication and service to the University. We look at Dr. Hinds as a very influential person and we are going to miss him. Our incoming "BB" is **George Gladney**, and we feel that he is going to do a good job and that we are in capable hands.

Pat Gillick

Continued from page 3

This recruitment strategy was good training for the tasks Gillick took on later as a baseball professional.

Gillick went into self-imposed retirement shortly after Toronto's second title. A change in the team's ownership and more than 20 years with the team led to this decision.

"It was time to move on," he said.

But men like him need a constant challenge. It was not long before he was coaxed out of retirement by Davey Johnson, a former teammate and manager of the Orioles. And Gillick immediately went to work building a contender. He took a team that finished 1995 in third place in the American League East and began adding quality players. He signed Roberto Alomar, who at this writing was leading the American League in hitting with a .364 average. Gillick also added Kent Mercker and Mike Devereaux from the defending World Champion Atlanta Braves and traded for Roger McDowell from Texas and Tony Tarasco from Montreal. It was a busy off-season, but one many expect to land the Orioles directly in contention for the American League pennant. As of this writing, Gillick's

Orioles were trailing the New York Yankees by only four and a half games in the East.

As busy as Gillick has been since coming to Baltimore, he still finds time to involve himself in civic responsibilities. He serves as a spokesman and fund-raiser for the Special Olympics and is very involved with the Cystic Fibrosis Foundation and the Make-A-Wish Foundation.

But it is baseball that keeps him the busiest.

"As the first general manager for the Blue Jays, I literally started out with a couple of paper clips and a stapler. I had the challenge to build the team from the ground up," he said.

Now his challenge is to take a successful team and make it even more so. Responsible again for managing the scouting and recruiting, his goal is to win another championship ring, and he'll do it the old-fashioned way. "We'll focus on team goals. We'll start with emphasizing a 'team game' with our players and the individual goals will fall into place." A strategy he learned as a young Delta Chi.

He can't emphasize it enough. His advice to his Delta Chi brothers: "I believe

Nominations due for Borelli Family Leadership Award

Recognizing that leadership development and recognition must be included in the ongoing program for "Personal Growth through Brotherhood," the Delta Chi Educational Foundation is pleased to announce The Borelli Family Leadership Award Program.

The program is to recognize those undergraduates who have fulfilled two or more of the following criteria:

A. Held two elected officer positions in the chapter and made a significant contribution to the chapter that can be readily documented and measured and is recommended by the chapter "BB", ABT president, and respective campus fraternity advisor.

B. President of a recognized major campus activity as certified by the respective dean of students (IFC, student government, student union, Omicron Kappa Delta, etc.).

C. Captain of a varsity sports team as certified by the director of athletics, or a cheerleader captain for one full year as certified by the dean of students.

D. Editor of the campus newspaper or yearbook as certified by the dean of students.

Additionally, all recipients must be active in their chapters and have a "B" average (4.0/5.0-3.0/4.0) or better in their particular college or university.

There will be a maximum of 25 men recognized each year.

The deadline for receipt of all nominations will be June 1. The awards committee of The Delta Chi Educational Foundation will make selections and no member of the Borelli family shall be a member nor receive the award. Each recipient will receive a certificate, and up to five of the top nominees may receive the award with "distinction" for "leadership above and beyond."

The awards will be presented at each biennial convention and during the non-convention years, at the summer meeting of the Board of Regents. If a recipient or a representative of his chapter is not present at the board meeting or the convention, the award will be mailed to the "BB" for presentation at the Founders' Day Celebration.

Established to honor the memory of Pamela Anne Borelli (beloved daughter and sister) and Mrs. Patricia Ann Borelli (beloved wife and mother) by Raymond, IL '58, Past "AA", and Mark, IL '81.

This is what we heard from you

E-mail from Cary F. Poole:

Dear Ray,

I want to thank you for running the article regarding my hobby and detailing the work fellow Delta Chis have helped with. My parents were also very proud to show the *Quarterly* to their friends who have children in other Greek organizations.

My biggest surprise was not with my own article,

however, it was with the attention paid to transplant donors. Having gone through a similar ordeal with my father three years ago, I certainly know what family members face when a close family is diagnosed with a life threatening illness and only a transplant can save their life.

The gist of my letter is to plead for everyone to become an organ donor. My brother, a fellow Delta Chi, and I know how close we came to losing our father because of an extreme shortage of available

organs. In most states it is a very simple process, simply indicate it on your driver license. Better yet, many states recognize a verbal request if made to a close relative. What is so senseless about the shortage of available organs is that it doesn't have to be. Many chapters help with blood drives and the community

just get the message out appreciates these contributions. Let's expand the

community services programs to include organ donor drives. Signing up to be an organ donor is a whole lot less painful for me than giving blood. Thanks again for my article and helping to educate all of my fellow brothers on the need for organ donations.

Ray, please feel free to edit due to space restrictions; just get the message out.

Cary F. Poole
Director of Housing P.O. Box 11016 ASU Station San Angelo, TX 76909

More than 40 alumni attended the Hayward Chapter's first Delta Chi Alumni Reunion Brunch. The word is that it was a great event.

in team work. To be successful you can't do it alone—you must act as a team. Learning to work together, work with people and teach them the basics. One step at a time, and then you'll know success."

It is that philosophy that will no doubt land Brother Pat Gillick back in the penant chase in the major leagues. He has chased his dreams, and he has persevered. And like most successful people, he continues to strive for new challenges.

The American Dream indeed.
