# ADVERSITY?

## CONSIDER IT OPPORTUNITY

**A**dversity is defined as a state or condition contrary to one of well-being. Living life to the fullest can sometimes lead to adversity. Nolan Harrison, Indiana '90, exemplifies the traits

of living life to the fullest and overcoming adversity.

He is a six-foot-five, 280 pound defensive lineman for the Pittsburgh Steelers. Harrison, who is entering his seventh season in the NFL, signed a three-year contract with the Steelers in the off-season. He is expected to make an immediate impact. It is a chance he was not sure he would ever receive while he was at Indiana University.

During his senior year at Indiana, Harrison got into some trouble and was asked to leave the Hoosier football team. He was at a crossroads.

"I had a choice," he said. "I had been drafted in the first round by the Ottawa Rough Riders of the CFL and my parents, who were disappointed in me of course, left it up to me. They agreed to pay for my last semester of school under the condition that I earn straight

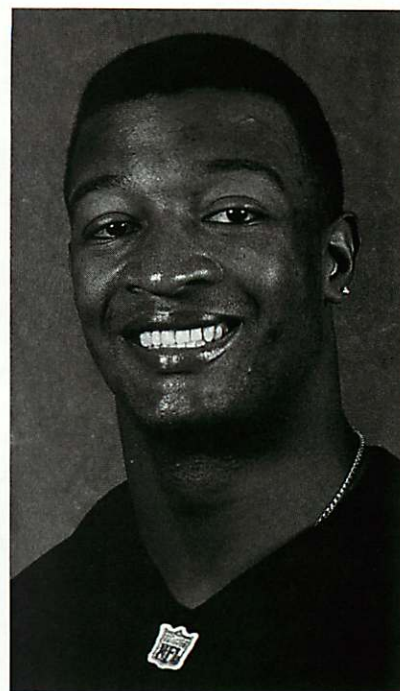

A's. I chose to stay in school because I didn't want to disappoint my family, and I wanted to get my degree. That was important to me."

He got the straight A's his parents had expected. He earned his degree. And the NFL was watching. Brother Harrison is convinced that the NFL was waiting to see what he was going to do with his life. After being dismissed from the team and sitting out the whole year, the league wanted to see if he was going to turn it around or if he was a "problem child." When he earned his degree, the league took notice. He made a mistake and Indiana made him pay for it. With his life in order off the field, the NFL wanted to see what he could do on the field.

He was invited to the national scouting combine in February of 1991 in Indianapolis and was drafted in the sixth round of that year's draft by the (then) Los Angeles Raiders. Harrison was a regular starter for the Raiders from 1992 through 1994, getting a career-high five sacks in '94. He hurt his back in the '95 opener and needed surgery. Again, he faced adversity.

He returned that season to make five additional starts, but the Raiders decided to give him mainly backup duty in 1996. He started two games and recorded two sacks, but was repeatedly pulled on and off the field.

"Last year, I was 100 percent healthy and they wouldn't play me," he said. "They played guys in front of me who weren't as good as I was at end. I would get a sack and they would pull me out of the game. I would get a quarterback hit and

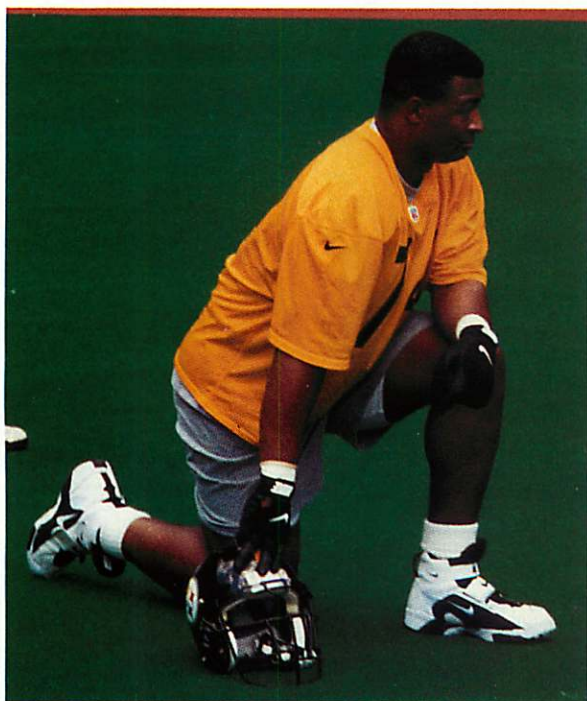

they would pull me out of the game. It was a very depressing situation since I was one of the hardest workers on the team, if not the hardest worker."

After the season, the Raiders asked Harrison to take two cuts from his \$1.1 million annual salary. Harrison agreed to one cut, but balked at another and he was released. He quickly attracted interest from the Seattle Seahawks, Baltimore Ravens, Denver Broncos, San Diego Chargers and the Steelers.

"Pittsburgh is a great city and the people are extremely friendly," Harrison said. "It is a big football town, and a big defensive football town, and that was another reason why I came here. A whole city that appreciates defensive football is very hard to find."

"Coming to Pittsburgh was a chance to get myself back into a starting position. I am slated as a starter and it is my job to lose [or to keep]. Here you are judged on how hard you work and your dedication, and for me that has never been a problem. I have always been dedicated and always been a hard worker and as long as I keep those things in mind and I stay focused, I am going to keep my job

and I will be back on track in the NFL."

Brother Harrison attributes some of his success to lessons learned at the Delta Chi house at I.U.

"Delta Chi was very different from the other groups at Indiana," he said. "The guys liked to have a good time, liked to get in their studies, and I really appreciated their honesty and the fact that they really wanted to bring me into the organization. I had a lot to think about at Indiana, being a black man and joining what was at that time an all-Caucasian fraternity. I had to endure some backlash from other African-Americans at the school. I thought it was the right thing to do, and I embraced it.

"Delta Chi taught me a lot of patience. It taught me that I could have a lot of fun, but still be serious. It taught me how to work with a group. It taught me how to get things done amongst a lot of distractions. And it also taught me camaraderie. Delta Chi gave me a chance to fit in somewhere while being dif-

ferent at the same time. It was a great experience for me."

The patience, intelligence and teamwork developed at the Indiana Delta Chi house will serve Harrison well as he moves to a new team.

"With the Raiders, I played with guys like Howie Long, Greg Townsend and Bob Golic and was coached by Hall of Famers like Fred Biletnikoff and Art Shell," Harrison said. "Those are life experiences that elevated my level of play.

"I learned a lot with the Raiders because of the many transitions that went on with the team. I was blessed to have three or four defensive line coaches, four defensive coordinators and three different head coaches, which means I have learned at least four different techniques of how to play defensive line."

Harrison likens going to a new team to getting a new coach, only better.

"Going to a new team is exhilarating because I have never walked out on the field

and been introduced as a Pittsburgh Steeler," he explained. "It is a whole lifestyle change. And with that comes fun and excitement. I have a new appreciation for what it is like to be behind the scenes, that fuels my fire even more. I am really looking forward to this year, especially getting out and playing in front of the home crowd. And this team is a Super Bowl contender. It is a phenomenal feeling being part of a team that truly prepares to go to the Super Bowl."

That is the feeling that Harrison got the first time he walked into the Steelers offices at Three Rivers Stadium. Before you even get to the reception desk you have to walk past four Lombardi Trophies, one AFC Championship Trophy and pictures of every Steeler who is enshrined in the Professional Football Hall of Fame. The Steelers are proud of their history, and Harrison wants to contribute to that.

He works out hard year round, concentrating on cardiovascular and lifting regimens. And he leaves everything he has on the field, whether it be for practice or

for a game. He knows longevity in the NFL comes from keeping in shape, and that is what he wants. And he attributes that work ethic to his parents.

"My parents were very hard and very strict," he said. "They wanted to make sure I grew up to be a strong male and a good provider. The by-product of that discipline was my wild side which I still have to keep in check. I found a good outlet for that with football. My parents are pretty happy with the way I turned out.

"My dad gave me my work ethic. He would always push me to be better and to strive harder. He pushed for education first. One year I couldn't even play football because I got a D and they pulled me off the football team. And they stuck to it, through all the pleading I did, they stuck to it, wouldn't let me play. It taught me a lot. They pushed as hard as they could to make me strong without breaking me."

Harrison knows he is in a situation now where he has a lot going for him in his life.

## ALBERTA'S CHARTERING MISSION COMPLETE

The Alberta Colony became a chapter just over two years after we were colonized on April 2, 1995.

The afternoon of Saturday, April 5, 1997, we gathered for a wine and cheese reception in which the chartering proclamation was presented by the Honorable **Paul Bohlman**, "AA". Also attending to share this historic and special occasion were our Regent, **Jim Anderson**, brothers from south of the border, alumni from in and around Alberta, and friends and family.

It was truly an emotional experience for all, representing the end goal of over two years

of effort, which included our having the largest rush classes, being second in scholarship, second in membership numbers, having by far the most participation in Students' Union affairs as well as significant community involvement through annual philanthropies and fundraising ventures.

That evening we held our White Carnation formal. Highlights of the evening were an address by Paul Bohlman and the presentation of awards.

With this important event, the Delta Chi Fraternity at the University of Alberta is well established and on its way to a tradition of excellence.

## St. Louis To Host 51st International Convention

Start making plans now to attend one of Delta Chi's most important events. The International Convention will be held at the Hyatt Regency in St. Louis from August 5-9, 1998. The host city has many activities for undergraduates, alumni, and families. For many of our alumni attendees, this can be the ultimate brotherhood event and vacation all in an exciting four-day-long celebration.

### Convention Agenda

- August 5 — Registration, Welcome Reception
- August 6 — General Sessions, Ritual, Free Time Family/ Alumni Events
- August 7 — Leadership College, Convention Activity
- August 8 — Leadership College, Closing Banquet
- August 9 — Awards Brunch

"If you have never been to a Delta Chi Convention, you have yet to have the time of your life!"

—Billie Bride, Georgetown, '04

**See You in St. Louis!**

## ANNOUNCING THE AMBASSADOR PROGRAM!

Through this new program, an alumnus may make a non-tax deductible check out to The Delta Chi Fraternity, Inc. 75% of the money may be earmarked to help cover the expenses of undergraduates from a specific chapter or colony or where the need is greatest. The remaining 25% will be used to

increase the overall quality of the Convention itself. Typically only 70% of our chapters are represented by a total of 225 undergraduates. We believe that this unique program has the potential to improve those numbers. With your support, Delta Chi will significantly impact a number of young men.

*Can our undergraduates count on your support?*

Yes, count me in for \_\_\_\_\_ with 75% to be designated for

- ☐ \_\_\_\_\_ attendees.  
(chapter/colony)
- ☐ where the need is greatest.

(name) \_\_\_\_\_

(address) \_\_\_\_\_

- Enclosed is my check made payable to The Delta Chi Fraternity, Inc.

(Please remember that the IRS does not recognize gifts to the Fraternity for charitable purposes so this is not a tax deductible gift).

- A listing of Convention Ambassadors will appear in the Convention program and the amount going to the Convention itself will be credited to the donor's Fraternity record.

- Please mail your contribution to Delta Chi, P. O. Box 1817, Iowa City, IA 52244-1817.

**THANK YOU!**

# FOUNDERS' DAY MESSAGE

In 1890, a group of law students came together to found our beloved Delta Chi Fraternity. The magnitude of their actions was not apparent to them, for they had no way of knowing their creation would grow into the vibrant, exciting organization we now know as The Delta Chi International Fraternity.

Through the years there have been many changes in Delta Chi, in the make-up of the membership, the ritual, the governance, and the overall direction of growth. As times change so do the needs. As society changes, so do the norms, the expectations and the implications of our actions.

I firmly believe that change is good, for without it there would be no progress. But change is often resisted because it forces people out of their comfort zone and into areas where there is ambiguity and uncertainty. I'm sure our Founding fathers were treading into areas where they felt uncomfortable as they challenged the norms of the day and met to discuss differing opinions.

In today's world, fraternities are often viewed negatively, largely because of our own actions . . . actions which we can and should control. In order to survive and prosper, we must aggressively seek to change our behavior and/or the perception of that behavior. Now we could argue that we are victims of circumstance; people don't understand, they are taking things out of context, or they are making mountains out of molehills. But accepting this position is simply admitting that we can not affect change or that we are not responsible for what happens or what people think. I feel we are and it is our challenge as the current custodians of Delta Chi to move in a direction that will ensure our prolonged success and create a positive image.

The Ten Basic Expectations of a Delta Chi are a set of common-sense criteria that define what we stand for. If you haven't read these lately, I suggest you do. For if we adhere to these, many of the problems we face as

an organization, a chapter, and an individual will go away, as will the negative perception of fraternities. Our actions speak louder than our words and we are all accountable for our actions. Our Founders recognized that they were accountable for their actions and knew that they had to rely on each other to select or involve others who were equally trustworthy and accountable.

This past summer the Board of Regents established some goals (see page 20) and action plans designed to grow the number of chapters, increase the average chapter size, reduce our accounts receivable, increase participation in Regional Leadership Conferences and the International Convention, and increase the number of alumni actively involved in Delta Chi. None of these will be easy to accomplish and the full commitment of our undergraduate members and alumni members will be needed for us to be successful.

As an international organization we need this type of clear direction with specific goals and deadlines. But as an organization comprised of independent, autonomous chapters we can not dictate from the top down. Success is a collective effort driven by the positive results of our individual members and our individual chapters. It builds from the bottom up with everyone knowing what we are trying to accomplish and why.

Delta Chi is structured as an undergraduate-run organization with the Board of Regents simply acting in their stead between Conventions. To help facilitate our communications, to maintain our standards (established by the undergraduates in Delta Chi Law) and to maintain our records, the elected volunteer Executive Committee hires a full-time Executive Director who in turn hires and manages a small, but efficient staff (Leadership Consultants, etc.). The staff is also charged with overseeing the implementation of programs and working to build a stronger set of chapters. But their work

can not succeed without the cooperation and commitment of those at the local chapter level. There are no magic formulas that the Headquarters' staff can offer, and they certainly can not be expected (although they often are) to solve a chapter's problems with recruitment, finances, risk management, housing, etc. All the "national" organization can do is inform, educate, offer advice, and enforce the laws and standards established by the undergraduate members. What this means is that the chapters, and their local alumni support systems, are what must be held accountable for the chapters' success or failure, and thus the overall success or failure of Delta Chi. Alumni play a critical role at the local chapter level because they can provide the guidance, the continuity and the discipline necessary to assist a chapter in staying focused. The "BB" is arguably the most important position in Delta Chi with the ABT President being a close second. We desperately need more dedicated alumni who are willing to work with helping our undergraduate members understand the Basic Expectations and hold them to a standard we can all be proud of.

Change in our organization will continue to occur just as it will continue in the society around us. Alcohol abuse, underage drinking, hazing, financial irresponsibility are not new issues, but the ramifications of these actions have grown more serious as society's tolerance level continues to drop. Delta Chi has an opportunity to help young men these actions have grown more serious as society's tolerance level continues to drop. Delta Chi has an opportunity to help young men understand the choices they make and to be accountable for those choices. By keeping the Ten Basic Expectations in mind, our course becomes clear. We CAN change the perception of fraternities and we CAN grow our chapters, grow our membership, and achieve our goals of assist-

ing in the acquisition of a sound education, developing friendships, promoting justice and building character. To do this we must begin taking control of our actions, being held accountable and stop playing the role of victim. The choices we make every day define who we are. We will inevitably make mistakes, but by accepting the responsibility for the actions that led to those mistakes we can easily identify ways to improve. With the help and support of local alumni, insight from the Headquarters staff, and a determination and commitment to change or improve, we can accomplish most any task, overcome any challenge and remove nearly any roadblock.

"AA"  
Paul Bohlman

Delta Chi is currently seeking to identify chapters to pilot the newly developed KEY program. This program is designed to focus on the development of the individual member and recognizes that although we must function within a group setting we are each ultimately responsible for our own development, our own actions, and our own choices. I view Delta Chi as the vehicle by which this can happen.

This year as we celebrate the founding of Delta Chi I challenge each of you, undergraduate or alumnus, to recognize that you are in control of your destiny through the daily choices you make. How you react to various situations, to other people, to local events, to disappointments, to challenges, to responsibilities, etc. is totally within your control. With the right attitude great things can be accomplished. Celebrate Founders' Day by recognizing that a group of men controlled their destiny 107 years ago by establishing Delta Chi. You have accepted the challenge of carrying the tradition forward. I wish you the greatest of success.

In the Bond.

*Paul W. Bohlman*

# Jackson College Develops Leadership, Brotherhood

*"Our mission is to challenge our brotherhood to a lifelong commitment to the improvement of our world by developing the leaders of the future."*

—Mission Statement of the Delta Chi Educational Foundation

From August 1-3, brothers from across the United States and Canada traveled to Iowa City to experience the Senator Henry M. Jackson Leadership College. The weekend was filled with fun, learning and, of course, the experience of true international brotherhood.

The College started on Friday, August 1, with the attendees going "into the streets" to volunteer for local service agencies. The men were divided into seven "chapters" and each had a different responsibility. Some brothers assisted in the cleanup of local roads while others helped an elderly couple build much-needed shelves in a storage shed.

Following the community service event, the attendees gathered back at the hotel and discussed the value of service to others and our responsibility as Delta Chis to help our fellow man. Mary Peterson, president of MP Consulting and Associate Director of Student Activities at the University of Iowa, led the session. Mary is the most recent recipient of the Kuhn Award given to the person outside of Delta Chi who has contributed the most to the Greek movement throughout the United States. Mary's humor and her tough-minded approach were enjoyed by all in attendance.

During the afternoon on Friday, participants had the opportunity to learn about their individual leadership styles. Michael Deen, the Greek Advisor at Southern Methodist University, organized the self-evaluation program. Brothers had a chance to match their common styles and determine how they can better lead organizations that they are involved in.

One of the highlights of attending the Jackson Leadership College was the opportunity to visit the Headquarters and see some of the original documents and ritual paraphernalia. Many brothers commented on how exciting it was to get a glimpse at what our Founders were thinking when they started Delta Chi.

After the tour of the Headquarters, Brother **Dick McKaig**, Ball State '66, presented a session titled "Standards for

Success." This interactive session got the attendees thinking and required them to use their decision-making skills. Drawing from his experiences as the Vice President of Student Affairs at Indiana University, Dick was able to offer valuable insight and perspective into the Greek movement.

Saturday, August 2, was a busy day for the Delta Chis. Beginning early Saturday morning, Mary Peterson returned to the podium to present a session titled, "The Aladdin Factor." This session discussed how to get what you want out of life and the experiences that Delta Chi provides.

Tom Durein, fraternity advisor at the University of California-Berkeley, gave a very beneficial presentation on preparing for life after college. He discussed interviewing techniques, resume writing and life skills that will make one a better communicator. Tom's easy-going style, along with his thorough knowledge of this topic, was well received by those in attendance.

The highly energetic and motivational sessions presented by EmPowerX! were one of the highlights of the weekend, bringing together all the energy and excitement of the college. As the EmPowerX! team presented "Personal Leadership 101" most attendees experienced emotions ranging from laughter to tears.

Saturday evening the awards for chapter programming were presented by "AA" **Paul Bohlman** on behalf of the Fraternity. Those chapters present received their awards during the ceremony and a summary of the winners can be found on page 16.

Brothers spent Saturday evening enjoying Iowa City and discussing how to improve their respective chapters. The opportunity to learn from each other and seek new ideas about chapter operations was just as beneficial as the educational sessions.

Sunday, August 3, brought to a close the most successful Senator Jackson Leadership College ever. Over 100 Delta Chis returned to their homes and campuses to put to work the ideas they learned during the busy weekend in Iowa City. The Educational Foundation and the Headquarters staff were honored to welcome our brothers from across the U.S. and Canada and look forward to our reunion in St. Louis from August 5-9, 1998. See you there!

## Here's what those who attended the Jackson Leadership College had to say about the experience:

Not only has this conference given me tools to utilize in my chapter, it has also provided me with information which will give me advantages in my post-university life. —David Alcock, Colorado "B"

My Bond was strengthened from the incredible people I met, the speakers I listened to and the reflection I made on my life. —Patrick McGiffert, Kansas

Thank you for helping to provide (us) with this chance to better ourselves. —Brian Martens, VCU "A"

Your support is greatly appreciated and will not go unnoticed. —Paul Nunez, Northern Arizona

I have gained incredible insight into some of my personal leadership abilities. —Ian Kerrigan, Northwestern Colony

What I have learned here cannot be valued with money. —Aaron Merringer, Iowa State

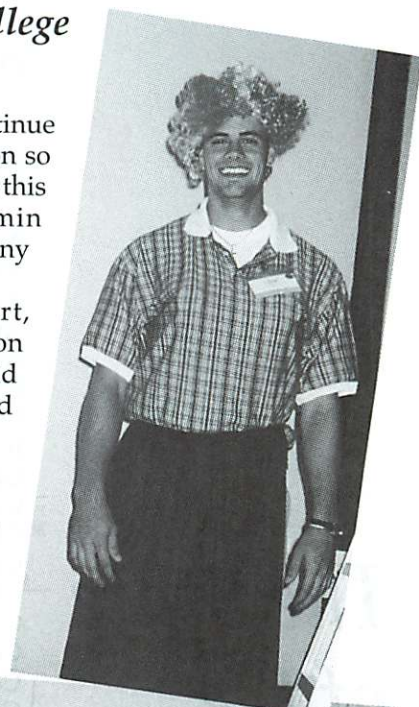

High School is not yet a distant memory, and I have already attended lectures on how to tackle life after college! —John Audlehelm, entering freshman, Kansas

This weekend has made me a better man, a better leader and a better brother. —Patrick Launey, Mississippi State "A"

I hope that you will continue to support the Foundation so that others may also have this opportunity. —Benjamin Issac, Northwestern Colony

Without such support, programs like the Jackson Leadership College could not be possible. —Ted Stephany, Iowa "A"

My heartfelt appreciation goes out for your support. —Christian Turner, Purdue

\* Does not include associate members/pledges. # Chapters with over 100% reduced a debt from previous years.  
NR = No Report; NA = Not Applicable; NE = Not Eligible due to non payment of fees and/or missing PR forms.

*Our strength  
is based on  
our members'  
lifelong  
commitment*

# We thank our donors!

The Delta Chi Educational Foundation thanks our donors. Giving Club levels are: New Founder (NF) — \$100,000 or more; Martlet Club (M) — \$50,000 - \$99,999; Order of the Scimitar (Sc) — \$25,000 - \$49,999; Order of the Shield (Sh) — \$10,000 - \$24,999; Sir Edward Coke Club (C) — \$5,000 - \$9,999; Kimball's Club (K) — \$2,500 - \$4,999; Founders' Circle (F) — \$1,000 - \$2,499; President's Club (P) \$500-\$999; Regents' Club (R) \$250-\$499; and Leges Club (L) \$125-\$249. Club members may be identified by the designation after their names. Any member who donated after June 30, 1997, will have his name listed in the 1997-98 Annual Report.

*"I appreciate your helping me to be a better person."*  
— Jesse Reich, Louisiana Tech

*Purdue members stand tall with their Most Improved Chapter award and "AA" Paul Bohlman and Executive Director Ray Galbreth at left.*

# Lifelong Commitment

Life to date giving club levels of living alumni.

Note: Club members have either donated the funds necessary to achieve the indicated level or have signed a pledge to reach that level within a specified time period. The loyal members in the President's Club, the Regents' Club and the Leges Club have not been printed here due to limited space. Those who gave this past fiscal year (July 1, 1996 to June 30, 1997) may be identified by the (P), (R), or (L) designation after their names in the 1996-97 Donors List.

# 1996-97 Awards

The Delta Chi Awards Program is designed to recognize and promote those areas that are critical to the success of a chapter. The oldest award, the "E" Key Award, and the Outstanding "C" Award recognize the performance of two vital chapter officers.

For certain awards, the Fraternity is divided into two divisions: Red and Buff. The Red Division contains those chapters with 19 or more fraternities on their campus or whose Greek system has

over 40 percent of the undergraduate student body. The remaining chapters make up the Buff Division.

In recognition of a chapter's performance on campus and in the community, the Outstanding Campus Leadership, Outstanding Community Service Program, Outstanding Intramural Program, Outstanding Membership Recruitment Program, Outstanding Financial Management, and Outstanding Scholarship Pro-

gram Awards are presented.

Three awards address the alumni programming of a chapter: the Outstanding Alumni Board of Trustees, Outstanding Alumni Newsletter and Outstanding "BB" Awards.

Chapters that have shown a marked improvement in their overall operations are given the Certificate of Achievement. The "AA" selects the winner of the Most Improved Chapter from the recipients of this award.

The winners of the Award of Excellence show strength across the board. In most cases they are winners of several programming awards. When they are not, they show consistently above average performance in all areas with no area of weakness.

From the recipients of the Award of Excellence, the "AA" selects the President's Cup winners. There is a maximum of three Cups in each Division but no minimum.

## VALOR AWARD

No recommendation for an award this year

## MERITORIOUS SERVICE AWARD

Meritorious Service Awards are presented to recognize significant contributions of a semi-conspicuous nature as a "BB", ABT member, Housing Corporation member, committee member, Regent, Vice Regent, staff member or undergraduate. Men may receive this award multiple times over their careers for service in different roles.

**Patrick J. Alderdice**, Ball State '92

For service as Director of Chapter Services  
and as a Leadership Consultant

**Paul L. Picciani**, Connecticut '89

For service as Director of Standards  
and as a Leadership Consultant

**Michael Welsh**, Illinois State FAC

For service as a member of  
the Board of Regents

**Dino DiBernardi**, CAL-PA '76

For service as Chairman of the  
Key Program Focus Group

**Ken Shepard**, Long Beach '77

For service to the Housing Committee

**Michael Carroll**, Auburn '71

For service to the Board of Regents  
and as "AA"

**Mike Ashby**, E. Illinois

For service to the Eastern Illinois Chapter

**Bob Sandoval**, Fullerton '69

For service to the Fullerton Chapter

**O.J. Carson**, Montevallo FAC

For service to the Montevallo Chapter

**Larry Isom**, Indiana '58

For service to the Indiana Chapter

**Monte Johnson**, Ohio State '69

For service to the Board of Regents and to  
the Ohio State Chapter

**Rich Krueger**, Tri-State FAC

For service to the Tri-State Chapter

**Rick Merlin**

For service to the Embry-Riddle Chapter

**Ron Montgomery**, Oshkosh '88

For service to the Oshkosh Chapter

**Mike Murphy**, E. Illinois '90

For service to the Eastern Illinois Chapter

**David C. Rudeen**, Idaho '77

For service to the Idaho Chapter

**Richard C. Lucas**, Kansas '69

For service to the Kansas Chapter

## DISTINGUISHED DELTA CHI

The Distinguished Delta Chi Award is given to an alumnus for significant achievement in his field or profession while upholding the values and ideals of the Fraternity.

**John Mica**, Florida '67

U.S. Congressman from Florida

**Sam Johnson**, S.M.U. '51

U.S. Congressman from Texas  
and former Vietnam POW

**Craig Thomas**, Wyoming

U.S. Senator from Wyoming

**Dan Miller**, Florida '64

U.S. Congressman from Florida

**George Wallace**, Alabama

Former Governor of Alabama

**Dr. John Melvin**, Ohio State '55

Professor of Medicine, Temple and  
Albert Einstein Colleges of Medicine

**Dr. James Bernat**, UMASS '69

Professor of Medicine at Dartmouth

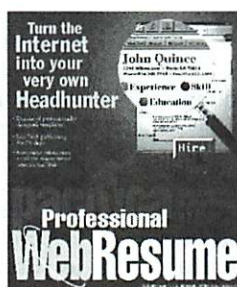

**Nolan Harrison**, Indiana '90

NFL football player, Pittsburgh Steelers

# Risk Management Policy

FIPG, INC.  
Revised 7/96

The Risk Management Policy of FIPG, Inc. includes the provisions which follow and shall apply to all fraternity entities and all levels of fraternity membership.

## ALCOHOL AND DRUGS

1. The possession, sale, use or consumption of ALCOHOLIC BEVERAGES, while on chapter premises, during a fraternity event, or in any situation sponsored or endorsed by the chapter, or at any event an observer would associate with the fraternity, must be in compliance with any and all applicable laws of the state, province, county, city and institution of higher education, and must comply with either the BYOB or Third Party Vendor Guidelines.
2. No alcoholic beverages may be purchased through chapter funds nor may the purchase of same for members or guests be undertaken or coordinated by any member in the name of, or on behalf of, the chapter. The purchase or use of a bulk quantity or common sources of such alcoholic beverage, i.e., kegs or cases, is prohibited.
3. OPEN PARTIES, meaning those with unrestricted access by non-members of the fraternity, without specific invitation, where alcohol is present, shall be prohibited.
4. No members, collectively or individually, shall purchase for, serve to, or sell alcoholic beverages to any minor (i.e., those under legal "drinking age").
5. The possession, sale or use of any ILLEGAL DRUGS or CONTROLLED SUBSTANCES while on chapter premises or during a fraternity event or at any event that an observer would associate with the fraternity, is strictly prohibited.
6. No chapter may co-sponsor an event with an alcoholic distributor, charitable organization or tavern (tavern defined as an establishment generating more than half of annual gross sales from alcohol) where alcohol is given away, sold or otherwise provided to those present.
7. No chapter may co-sponsor or co-finance a function where alcohol is purchased by any of the host chapters, groups or organizations.
8. All rush activities associated with any chapter will be a DRY rush function.
9. No member shall permit, tolerate, encourage or participate in "drinking games."
10. No alcohol shall be present at any pledge/associate member/novice program, activity or ritual of the chapter.

## HAZING

No chapter, colony, student or alumnus shall conduct nor condone hazing activities. Hazing activities are defined as:

"Any action taken or situation created, intentionally, whether on or off fraternity premises, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Such activities may include but are not limited to the following: use of alcohol; paddling in any form; creation of excessive fatigue; physical and psychological shocks; quests, treasure hunts, scavenger hunts, road trips or any other such activities carried on outside or inside of the confines of the chapter house; wearing of public apparel which is conspicuous and not normally in good taste; engaging in public stunts and buffoonery; morally degrading or humiliating games and activities; and any other activities which are not consistent with academic achievement, fraternal law, ritual or policy or the regulations and policies of the educational institution, or applicable state law."

## SEXUAL ABUSE AND HARASSMENT

The fraternity will not tolerate or condone any form of sexist or sexually abusive behavior on the part of its members, whether physical, mental or emotional. This is to include any actions which are de-

meaning to women or men including, but not limited to, date rape, gang rape or verbal harassment.

## FIRE, HEALTH AND SAFETY

1. All chapter houses should meet all local fire and health codes and standards.
2. All chapters should have posted by common phones, emergency numbers for fire, police and ambulance and should have posted evacuation routes on the back of the door of each sleeping room.
3. All chapters should comply with engineering recommendations as reported by the insurance company.
4. The possession and/or use of firearms or explosive devices of any kind within the confines and premises of the chapter house is expressly forbidden.

## EDUCATION

Each fraternity shall annually instruct its students and alumni on the Risk Management Policy of FIPG, Inc. Additionally, all student and alumni members shall annually receive a copy of said Risk Management Policy.

## THIRD PARTY VENDOR CRITERIA

### THE VENDOR MUST:

1. Be properly licensed by the appropriate local and state authority. This may involve both a liquor license and a temporary license to sell on the premises where the function is to be held.
2. Be properly insured with a minimum of \$1,000,000 of general liability insurance, evidenced by a properly completed certificate of insurance prepared by the insurance provided. The certificate of insurance must also show evidence that the vendor has, as a part of his/her insurance coverage, "off premises liquor liability coverage and non-owned and hired auto coverage." Named insureds included on the certificate of insurance must as a minimum include the local chapter hiring the vendor as well as the international fraternity that the local chapter is affiliated with.
3. Agree in writing to cash sales only, collected by the vendor during the function.
4. Assume in writing all the responsibilities that any other purveyor of alcoholic beverages would assume in the normal course of business, including but not limited to:
  - a. Checking identification cards upon entry;
  - b. Not serving minors;
  - c. Not serving individuals that appear to be intoxicated;
  - d. Maintaining absolute control of ALL alcoholic containers present;
  - e. Collecting all remaining alcohol at the end of a function (no excess alcohol — opened or unopened — is to be given, sold or furnished to the chapter). Vendor MUST remove all alcohol from the premises.

## POLICY GUIDELINES

As adopted by FIPG, Inc.  
December, 1992

1. Closed parties (meaning those events with alcohol present) should have a guest list prepared at least 24 hours in advance. Attendance should be limited to two guests per member.
2. "Non-alcoholic" keg beer is not permitted because it can contain up .05 percent alcohol. Therefore, serving it would be a violation of our policy.

## Chapter Situations

Life is about making choices. Everything that we are, and everything that we do, is a reflection of the choices that we make. Sometimes outside pressures test our resolve to remain true to our values. The same is true for us as members of Delta Chi. As members, each day we must make the choice of whether or not we will live up to the ideals and standards of our Founders.

What follows is a series of situations where members and officers of our Fraternity were faced with choices, and unfortunately, chose not to remain true to the values of Delta Chi. If you see things here that sound like your own chapter or colony, please use this as an opportunity to create positive change within your group today. These examples may also be used as case studies for your Membership Education Program.

One chapter's pre-initiation program consisted of 'traditional' activities such as doing house repairs and maintenance, mowing the lawn (twice a day), calisthenics and sleep deprivation. What the chapter didn't anticipate was one young man exerting himself to the point of total exhaustion, and kidney failure. Asked several times by brothers if he wished to quit, the man refused, and was finally hospitalized after initiation. Doctors later stated that upon admission, he was "20 minutes from dying." The chapter was placed in conservatorship, the officers were removed, and the chapter was suspended by the University for two years. The subsequent lawsuit cost Delta Chi in excess of \$90,000.

Another chapter thought it was insulated against the bounds of the risk management policy when some inactive brothers living in the house next door began to hold functions in blatant violation of Delta Chi policy, including open use of kegs and charging admission to guests (selling alcohol.) This chapter was placed on corrective action following the discovery of their attempts to circumvent the risk management policy by having these individuals sponsor functions on behalf of the chapter.

At the time this article is being written, one chapter's future is in doubt. After being plagued with risk management issues for some time, and coming off of a probation that included not having alcohol in the chapter house, the chapter held a function where alcoholic punch and shots of liquor were provided to guests. One underage guest was allowed to help herself to several shots of liquor while brothers looked on. She was taken to the emergency room later that evening for overconsumption of alcohol. While members assert that no chapter funds were used to purchase the alcohol, the fact remains that the violations were condoned, at least passively, by the membership of the chapter since no steps were taken to bring this situation under control once it was discovered.

Another chapter was faced with a choice when a member's parents made a "gift" of a keg of beer. Unfortunately, rather than handling the situation by explaining the policies and declining, the members decided instead to disregard the risk management policies of the University and Delta Chi. For the actions of the members present, the chapter was placed on Corrective Action.

In a classic example of members making the right choices, one Delta Chi chapter discovered a handful of brothers engaging in hazing activities and confronted the issue immediately. The men were brought before the chapter's judicial review board and were placed on inactive status within the chapter for their roles in the incident. The "A" reported the incident to the Headquarters, who in turn, found that the situation had been fully resolved and handled in an appropriate manner.

Every day at one chapter or another, the right choices are being made. In the heat of the moment, when dealing with situations like the ones listed above, it is easy to lose sight of the fact that Delta Chis are out there living their values, and bringing esteem and credit to

our brotherhood. Ironically, that rarely makes headlines. It does make a difference.

Everything that we are, and everything that we do, is a reflection of the choices that we make. Will you hold sacred the promises you've made as a member of our Fraternity? Will you make the choice to earn your badge today and every day by living up to the standards of Delta Chi? Our future depends on it.

## Risk Management Violations

Despite Delta Chi's continuing efforts to educate its membership on sound Risk Management practices, we continue to have chapters that violate the Risk Management Policy of the Fraternity. What follows is a list of chapters that are currently on a level of Corrective Action for violation of the Risk Management Policy as of October 15, 1997. Note that for each level of Corrective Action, a \$5.00 per man surcharge is applied to that chapter's Risk Management Assessment. For example, a chapter on Level II will be billed an additional \$10 per man on their Risk Management Assessment.

| Chapter           | Violation | Level |
|-------------------|-----------|-------|
| Alabama           | Hazing    | IV    |
| Cal Poly          | Hazing    | I     |
| Denison           | Alcohol   | IV    |
| Denison*          | Hazing    | IV    |
| East Carolina     | Hazing    | I     |
| Frostburg         | Alcohol   | III   |
| Livingston        | Hazing    | IV    |
| Northern Arizona  | Hazing    | III   |
| Northern Arizona* | Alcohol   | I     |
| Sacramento        | Hazing    | II    |
| Washington        | Hazing    | III   |
| Western Michigan  | Hazing    | I     |

\*Chapters listed more than once have had multiple violations.

## Corrective Action Levels

**Level 1**—Level 1 Corrective Action shall include, but is not limited to, ordering that the Chapter cease and desist from the conduct in the future and be in accordance with the requirements of Delta Chi Law and the Risk Management Policy of the Fraternity. The Chapter shall be required to submit to the Executive Director a written statement that all prohibited conduct has been stopped. The statement shall be signed by the "A", "BB" and such other members of the Chapter, as specified in the report, that were involved with or had supervision over the conduct in the violation.

**Level 2**—Level 2 Corrective Action shall include, but is not limited to, all provisions of Level 1, plus the Chapter shall submit a written plan of procedures and/or activities that comply with the Fraternity's Risk Management Policy covering the activities in the violation. The plan shall be updated at least twice per year for the period of corrective action.

**Level 3**—Level 3 Corrective Action shall include, but is not limited to, all provisions of Level 1 and 2, plus supervision of the activities of the Chapter that were involved in the violation by a person or persons acceptable to the Executive Director.

**Level 4**—Level 4 Corrective Action shall include, but is not limited to, all provisions of Levels 1, 2 and 3 plus the charter of the Chapter shall be suspended for the period of time of the corrective action. Chapters under Level 4 Corrective Action shall either be placed in conservatorship, as provided in Delta Chi Law, or shall operate under the direct supervision of the Executive Director.

**Level 5**—Level 5 Corrective Action shall require the suspension of the charter and the cessation of operation of the Chapter as it then exists. Re-establishment of the Chapter shall be subject to the terms and conditions of the Board of Regents after a minimum one-year period.

### *Raising the issue of substance-free chapter houses*

I wish I had a crystal ball to back up the convictions I feel so strongly about. But I don't. The only thing I can do is share those convictions with you, and give you a choice. You can either dismiss my convictions as hogwash or you can share

In March, Sigma Nu and Phi Delta Theta, in a collaborative effort, announced that by the year 2000 they will require all of their chapter houses to be substance free. Chapters unwilling to follow these guidelines will be closed. This announcement got more air time in the media than any positive

Let's take a look at history. In 1929 Delta Chi officially abolished "Hell Week." Some believe that was in direct response to the death of a young man at our Indiana Chapter. It was difficult to determine whether hell week directly caused his death or whether it was from natural causes, but the Fraternity still took the historic stance of abolishing hell week. In the early 1970s, Eileen Stevens' son, Chuck, was killed in a hazing incident at a local fraternity at Alfred College in New York. Eileen began lobbying and fighting against hazing all over North America. Anti-hazing laws have been established in all 50 states. We, as a Fraternity system, reacted and took additional anti-hazing stances. In the mid 1980s, Mothers Against Drunk Driving became a strong lobbying organization. They were directly responsible for the legal drinking age being raised to 21 in the United States. Because of the threat of the loss of federal highway dollars to the states that did not comply, over 75 percent of all college students, almost overnight, lost the ability to legally consume or purchase alcohol. Again our Fraternity reacted. Our Risk Management Policies are a result of that reaction.

## ***Board of Regents Sets Goals for 1997-98***

During its meeting August 8-10, 1997, The Delta Chi Fraternity's Board of Regents established the following goals for the Fraternity.

### ***Number of chapters***

The action plan is to develop a database that tracks the chronological background of potential expansion/re-organization sites. The plan is to be at 135 chapters/colonies by 2000 and reduce the number of minimum standard chapters to less than 10 percent of our total number of chapters.

### ***Membership***

The Board of Regents endorses the Executive Committee proposal from its June meeting. The Regents will help all of their chapters that are experiencing negative growth get to zero; those that have positive growth to maintain or exceed percentage of growth, and those that are at zero growth to grow to the average of the positive growth groups. The staff will raise the

average chapter size by three undergraduates and ask chapters to set a long-range growth goal as part of their visitations. Long range would be defined as three to five years.

### ***Financial***

The action plan is to have colonies using computerized accounting programs (retroactive). The plan is to have 50 percent of the chapters using computerized accounting programs by the end of the '97-98 school year; 75 percent by the end of the '98-99 school year and 100 percent by the end of the '99-00 school year.

### ***Regional Leadership Conferences and International Convention***

The Board of Regents endorses the Executive Committee plan to increase the 1998 conven-

tion attendance over that of 1996. This would include an increase in the percentage of chapters attending, the number of individuals from a chapter and the number of alumni attending. At the Regional Leadership Conferences, goals would be to have all Vice Regents in attendance as well as 50 percent of the "BB"s plus five additional alumni. The Board of Regents directs the staff to analyze the percentage of chapter attendance, level of chapter fines, etc. of all fraternities and how we compare by January 1. The Executive Director will be responsible for this. The Board of Regents would like to see an alumni training program conducted at each Regional Conference by 1998.

### ***Publication***

The consensus of the Board of Regents is that these goals be printed in the *Quarterly*.

### ***Nolan Harrison, continued from p. 3***

He was married in June, he has his degree and knows he would be a success outside of football and he knows he will earn a phenomenal salary while he plays professional football. He also knows it did not have to be that way for him, and he wants to share some of his experiences with his fraternity brothers.

"Live life. Enjoy it," he says. "Young men are going to make mistakes, and

they should not be afraid to make them, but at the same time, use common sense. When you do make a mistake, face up to it and then go on because it will definitely make you stronger. If you are afraid to live life to the fullest, you will eventually feel like you missed out on something."

The definition of achievement is a result gained by effort. Seven years af-

ter being kicked off the Indiana University football team, two years after back surgery, and several months after being released by the Raiders, Nolan Harrison is the starting defensive end for the Pittsburgh Steelers. It is an achievement indeed. But for someone who has faced down adversity so often in his life, it is simply an expectation. Nolan Harrison is living his life to the fullest.

Three new polos...  
...great for casual Fridays!

#### A) Vertical Stripe Polo

Our vertical striped polo presents vertical stripes in white, navy blue, and forest green with subtle greek letters embroidered in navy blue. Constructed of 100% cotton, pique knit fabric.

Sizes: L, XL (XXL add \$2)

#90-2024 \$35.95

#### B) Coat-of-Arms Polo

Constructed of 100% combed cotton with a subtle herringbone pattern woven into the fabric. Features scarlet and grey detailing on the collar and cuffs, and a left chest coat-of-arms

Sizes: L, XL (XXL add \$2)

#90-2022 \$35.95

#### C) Mocha Polo

This 100% cotton, mocha heather pique knit polo shirt sports a classic three-button placket and has our original circle embroidery design on the left chest.

Sizes: L, XL (XXL add \$2)

#90-2021 \$35.95

#### D) Long-Sleeved T-shirt

This new, long-sleeved t-shirt is constructed of pre-shrunk, 100% cotton and features our new, center chest design. Sizes: L, XL (XXL add \$2)

#90-2182 \$17.95

#### E) Old English Ringer

Our 100% cotton, heavyweight, athletic grey ringer tee is highlighted with navy blue banding at the collar and cuffs and our imprinted, oval front design.

Sizes: L, XL (XXL add \$2)

#90-2071 \$14.95

#### F) Golf Sport Towel

Our black, embroidered golf towel is constructed of hemmed velour and measures 16" x 26". Includes a brass plated grommet and hook so you can attach it to your golf bag.

#90-9712 \$13.95

#### G) Hooded Pullover by Charles River®

Our navy and forest green striped pullover features a waterproof nylon shell and a soft cotton inner lining. Sizes: L, XL (XXL add \$3)

#90-7006 \$43.95

#### H) Sherpa Pullover

This soft, plush olive green sherpa pullover has black trim around the neck and a black stripe across the chest. Features elastic cuffs, and an open bottom. Sizes: L, XL (XXL add \$3)

#90-7012 \$56.95

#### I) Polar Fleece Pullover

Our new, black, polar fleece pullover features a half-zip front, side pockets, Lycra bound cuffs, and an open bottom waist for a more generous fit. Sizes: L, XL (XXL add \$3)

#90-7011 \$54.95
