SUMMER 1997

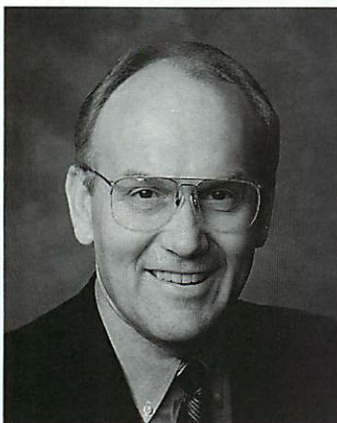

Washington Delta Chis

SEVEN DELTA CHIS SERVE U.S.

Delta Chi is proud to have seven alumni serving in the 105th United States Congress. Here we present a brief look at them and their work in the Senate and the House of Representatives.

Larry Craig
U.S. Senator
(R) Idaho, second term

As chairman of the Senate Republican Policy Committee, Brother Craig is the fourth-ranking Republican leader in the Senate and is responsible for developing policy positions for Senate Republicans. Other Policy Committee duties include overseeing research, sponsoring issue forums and helping Majority Leader Trent Lott operate the Senate.

LARRY CRAIG

He served previously as chairman of the Steering Committee, a legislative "think tank" and action group for Senate conservatives. He was the youngest Senator ever elected to that position.

Born on the ranch homesteaded in 1899 by his grandfather, he graduated in 1967 from the University of Idaho where he served as Student

Body President and as "A" of The Delta Chi Fraternity. He pursued graduate studies before returning to the family ranching business in 1971.

RICHARD SHELBY

In 1974, the people of Payette and Washington counties sent Brother Craig to the Idaho State Senate, where he served three terms before winning the 1980 race for the U.S. Congress from Idaho's First Congressional District. He was re-elected four times before winning the U.S. Senate election in 1990.

He serves on the Board of Directors of the National Rifle Association and is Senate co-chairman of the Congressional Coalition on adoption. He also co-founded and co-chairs the Senate Private Property Rights Coalition.

He is married to the former Suzanne Thompson and they have three children. He delivered the keynote address to the 49th International Convention of The Delta Chi Fraternity in Atlanta in 1994.

Richard C. Shelby
U.S. Senator, (R) Alabama

A fourth generation Alabamian, Brother Shelby is a graduate of both the University of Alabama's undergraduate and law programs.

He came to the Senate in 1987 with more than 20 years of experience in public service and business, an undeniable commitment to Alabama and the simple philosophy that less is more in terms of an effective government.

He previously served as Tuscaloosa City Prosecutor,

U.S. Magistrate for the Northern District of Alabama, Special Assistant Attorney General for the State of Alabama, Alabama State Senator, and U.S. Representative.

Senator Shelby is the Chairman of the Senate Select Committee on Intelligence, which oversees the nation's intelligence-related activities and issues of national security. He serves on the Senate Committee on Appropriations and chairs the Subcommittee on Transportation which has jurisdiction over the nation's transportation spending.

Additionally, Senator Shelby serves on the Banking, Housing and Urban Affairs Committee. His chairmanship of the Subcommittee on Financial Institutions and Regulatory Relief led to the successful passage of an important regulatory relief bill last Congress. Finally, Senator Shelby serves on the Senate Special Committee on Aging.

He and his wife, Annette Nevin Shelby, have two sons.

Craig Thomas
U.S. Senator, (R) Wyoming

Following a lifetime of involvement in agriculture and rural advocacy, Brother Thomas was elected to the United States Senate in 1994. He also served the people of Wyoming for nearly six years in the U.S. House as Wyoming's lone representative. He was considered a chief spokes-

man during his time in the house for the rural West and for issues which are important to families in low population states-particularly health care.

As a Senator, he maintains a strong commitment to multiple use of public lands, agriculture, rural health care and a reduction of the burden government imposes on individuals.

Thomas was raised on a ranch near Cody where he attended public schools. He graduated from the University of Wyoming with a degree in agriculture. Following that, he served four years in the United States Marine Corps.

His committee assignments include work with the Energy and Natural Resources Committee, the Environment and Public Works Committee, the Foreign Relations Committee and the Committee on Indian Affairs.

He and his wife Susan, a public high school educator, have four children.

Sam Johnson
U.S. Representative
(R) Texas

Elected in May of 1991, Congressman Sam Johnson, SMU '51, is serving his fourth term in the U.S. Congress. He represents the Third Congressional District of Texas which includes parts of Dallas and Collin Counties. In the Congress he serves as an Assistant Whip to Majority Whip Tom DeLay. He is a member of the prestigious House Ways and Means Committee which oversees all tax laws, tariff and trade laws, and the Social Security and Medicare

systems. His other committee assignment is on the House Committee on Education and the Workforce.

Brother Johnson serves on the Board of Regents of the Smithsonian Institution.

Brother Johnson grew up in Dallas where he attended Woodrow Wilson High School, and graduated from Southern Methodist University with a Bachelors degree in Business Administration. In 1974 he earned his Masters degree in International Affairs from George Washington University.

After his graduation from SMU, Johnson began a 29-year career in the U.S. Air Force, where he served as director of the Air Force Fighter Weapons School (Top Gun) and flew with the Air Force Thunderbirds precision flying demonstration team. He also graduated from the Armed Forces Staff College and the National War College. In Korea, he flew F-86s in 62 combat missions.

In 1966, his F-4 was shot down over North Vietnam and he spent nearly seven years as a prisoner of war. Three of those years were spent in solitary confinement. Johnson's autobiography, *Captive Warriors*, details his POW experience. In recognition of his service to his country, he was awarded two Silver Stars, two Legions of Merit, the Distinguished Flying Cross, one Bronze Star with Valor, two Purple Hearts, four Air Medals and three Outstanding Unit Awards.

After retiring from the Air Force in 1979, he began a home building company. In

1984 he was elected to the Texas State House of Representatives where he served for seven years.

Johnson is married to the former Shirley L. Melton of Dallas and they have three children and ten grandchildren.

John L. Mica
U.S. Representative
(R) Florida

John Mica, Florida '67 and a former member of the staff of The Delta Chi Fraternity, was first elected to Congress in 1992. He represents the Seventh District of Florida which encompasses the area between Orlando and Daytona Beach.

In Congress, Brother Mica serves on the House Government Reform and Oversight and the Transportation and Infrastructure Committees. In recognition of his work toward governmental reform during the 103rd Congress, he was appointed Chairman of the Subcommittee on Civil Service. As chairman, he oversees the federal workforce and current efforts to downsize the federal bureaucracy. Mica also serves on the National Security,

**CRAIG
THOMAS**

**SAM
JOHNSON**

**JOHN
MICA**

**DAN
MILLER**

International Affairs and Criminal Justice Subcommittee. As a member of the Transportation and Infrastructure Committee, he also serves on the Surface Transportation and Railroads Subcommittees.

Representative Mica has been a successful Central Florida businessman. In the private sector, he organized real estate, international trade and communications ventures. In the 1970s, he served two terms in the Florida Legislature.

In 1995 Mica was honored as one of 100 Americans to receive an Ellis Island Medal of Honor. He has been named a "Watchdog of the Treasury" each year since 1992 and was recently presented with his Third Spirit of

Enterprise Award by the U.S. Chamber of Commerce.

In addition to his work in Congress, Brother Mica has

been a driving force behind the chapter house renovation at the Florida Chapter. He and his wife, Patricia, have been married for twenty-five years and have two children.

**Dan Miller
U.S. Representative
(R) Florida**

Elected to the U.S. House of Representatives in 1992, Brother Miller, Florida '64, represents the Thirteenth Congressional District of Florida. This gulf coast district includes all of Sarasota and Manatee Counties, as well as parts of Hillsborough and Charlotte Counties. A former college professor and businessman, he never held public office before his election to Congress.

Born in Michigan, Miller spent summers with his grandparents in Bradenton before moving to Florida with his family in 1958. He graduated college in 1964 and earned an M.B.A. from Emory University and a Ph.D. from LSU. He then joined the faculty at Georgia State University, and continued his teaching at the University of South Florida in Sarasota.

In addition to his career in education, he became a successful entrepreneur in Southwest Florida. He is a former partner in the family-owned Miller Enterprises, which owns and operates a diversified group of businesses, including The Pier restaurant, Barnett Bank Building, Suncoast Manor Nursing Center and Riverview Center.

In Congress he serves on the House Budget Committee and the House Appropriations Committee. He also serves on two subcommittees of the Appropriations Committee: the Health and Human Services, Labor and Education Subcommittee and the Interior Subcommittee. In

addition, he is an assistant Majority Whip.

Brother Miller is married to Glenda Darsey Miller and they have two children.

**Bob Stump
U.S. Representative
(R) Arizona**

Bob Stump, Arizona State '51, is representing the Third Congressional District of Arizona which includes Coconino, LaPaz, and Mohave Counties, and portions of Navajo, Yavapai and Maricopa Counties.

Brother Stump is a U.S. Navy Combat Veteran from World War II where he served from 1943-1946. He graduated Tolleson High School in 1957 and entered Arizona State University where he joined Delta Chi.

"Delta Chi was the place where all the skills, learning and experience from school and being a Navy veteran gelled," Stump said. "It is from my time as a Delta Chi at Arizona State University that I learned the value and strength of teamwork, the responsibilities of assuming leadership and that honesty and integrity are the only foundation from which we can grow personally and professionally."

Stump serves as Chairman of the House Committee on Veterans' Affairs and on the Subcommittee on Hospitals and Health Care. He also serves as Vice Chairman of the House Committee on National Security and as a member of its Military Procurement Subcommittee and Military Installations Subcommittee. He is also a member of the House Republican Steering Committee.

Brother Stump is the father of three and has five grandchildren.

CAMPUS SCENE

ALBERTA

Our second-term rush was great, as we initiated five associates and two alumni. We had the largest rush on campus.

We held our Children's Easter Party at the University of Alberta hospital, complete with stories, games, gifts, an Easter bunny and members of the Edmonton Eskimos (our Canadian Football League Team). It was a great event, as all the kids there had a lot of fun.

We received our Charter on April 5, 1997, exactly two years from our colonizing.

May 3 we held our second annual Delta Chi Junior High 3-on-3 Basketball Tournament for the inner city school here in Edmonton. Our objective is threefold: 1. provide an inexpensive opportunity for kids to play basketball, 2. raise funds for the schools' athletic programs and facilities, 3. promote our chapter to the community. We hope for media attention with public figures at the games, and all the brothers are court monitors for a day.

At the IFC/Panhellenic President's Reception, we were presented the John Young award for the most improved fraternity, and we are proud to have won it. Also, our past "A" was sworn in as the new IFC President.

Five brothers are on Students' Union Council, and brothers are members of General Faculties Council, boards, committees, faculty clubs and associations.

APPALACHIAN STATE

We celebrated the end of the year with our White Carnation Ball in Hilton Head and Savannah. With lots of sun, beach volleyball and dancing, we had a blast!

Delta Chis were initiated into the Order of Omega, and one was elected president. A brother received the Ronnie L. Brooks Award for outstanding leadership on campus and two

brothers were elected to "Who's Who Among American Universities and Colleges." Eight associates were initiated.

In intramurals, we took home the bowling championship and finished third in overall points. We followed that with a strong showing in Greek Week, finishing second for the third straight year.

We assisted the Boy Scouts in their annual soap box derby at Appalachian Ski Mountain. Other notable events were managing the grounds at the Humane Society, continued involvement in the "Adopt-a-Street" program, and participation in the Walk America organized by the March of Dimes Birth Defects Foundation.

We are hosting an alumni golf tournament on Saturday, September 20. The day will be filled with activities including 18 holes of golf, a tailgate barbecue, and a 7:00 p.m. football game. All interested brothers are invited.

AUBURN

Philanthropy events included a social with Alpha Gamma Delta for Valentine's Day with Project Uplift and another with Kappa Delta in May. We also helped with a kickoff party for an Auburn SGA president's campaign.

We held our first annual Kimball Classic golf tournament with our alumni which turned out very well. All the brothers enjoyed getting to know the alumni better. Our intramural teams have been doing well this year and our softball team started 3-0.

BRYANT

This fall we initiated 12 men into the bond, increasing our size to 40. We have a brother serving on the IFC Executive Board and as the Vice President of the Order of Omega. Michael Prestash '95 was elected as our new "BB" and David Glickman '91 won the Goecker-Albright Award for

his outstanding alumni involvement. Kevin McCassey '95 was elected as the new ABT President.

Our thanks to Leadership Consultant Ray Paschal for his visit and for bringing us many new ideas.

Our intramural hockey team brought us our first-ever championship, and our softball team is once again in the playoffs. At the school's Awards Banquet we were honored as Fraternity of the Year and Most Spirited Fraternity. At the banquet Delta Chis were honored for having the Highest Greek GPA and Greek Man of the Year. Fall semester 13 brothers received Dean's List honors.

CALIFORNIA-PA

We started the semester by winning the Best Tasting Drink at the campus-wide Non-alcoholic Mix-Off. Next, seven of our brothers volunteered their weekend to make the Winter Special Olympics a successful event. After that we made strides towards winning the President's Trophy through

our philanthropy projects, a campus-wide food and clothing drive, and volunteering our time to the University.

Midway through the semester we had a visit from Mike Arrillaga, our Leadership Consultant, and we thank him for his help and advice.

The event that we all looked forward to was our first golf tournament, held at the end of April. Thanks to the alumni who attended.

Our correct e-mail address is EME8325@CUP.EDU.

CENTRAL MISSOURI

It has been a stellar semester for us. We placed second in intramural basketball and wrestling. Alumni weekend proved to be a success, with high turnouts from both alumni and brothers. The day was highlighted by the first annual Delta Chi Pig Roast.

We sponsored a campus-wide blood drive in April, which no doubt aided us in winning the Outstanding Philanthropy Award. Most recently, we showed our grit by

Alberta Colony's 3-on-3 Junior High Basketball tournament provided fun for kids.

Auburn Delta Chis had as much fun as the kids decorating Valentine cookies. The question is, who ate the most?

winning Greek Week 1997 by an astounding 210 points, not to mention capturing the tug-of-war trophy for the first time in chapter history.

COLORADO

Mudfest, our annual philanthropy event, is a volleyball tournament on grass, sand and mud courts. The tournament, co-hosted with Kappa Alpha Theta and Alpha Phi Omega, was held at the Boulder Reservoir and was a smashing success. Teams of all ages participated, as well as many Greeks and non-Greeks. More than \$1,000 went to benefit Boulder County Partners, CASA and BCAP.

We appreciate the alumni who have helped us over the school year. We especially thank our ABT: "A" Craig Cook, "BB" Michael Burney, "D" Tim Jones and Charles Rahe. We also thank Mike Grassmich and Jack Baac who gave so much of their time and work to the past ABT.

Our spring formal was May 2 at the Iron Horse Resort in Winter Park. Our intramural hockey team was moved from B league to A after several overwhelming victories. Our teams for soccer, volleyball and basketball all made it to the playoffs.

CONNECTICUT

The improvements to our completely refinished first floor include an entirely new

kitchen, new furniture for our living room and a beautiful refinished hardwood floor.

In this year's Greek Week we placed fourth overall, and we were able to provide activities for an entire afternoon at a barbecue with a band for all fraternities and sororities to attend. In intramural sports, we finished in third place overall for the fraternity division.

It is our pleasure to announce that we were chosen to host the 1998 Northeast Regional Conference.

DEPAUW

Community service was a major focus this spring. Each week, a group of brothers volunteered at two local elementary schools. This has become a great activity not only for the children, but also for strengthening our brotherhood by giving back to the community. One brother was recognized for his community service at the volunteer service award banquet. Delta Chis were inducted into the Mortar Board Honorary Society, Phi Beta Kappa, and one was elected treasurer of the Student Congress.

Our spring formal was held in Chicago in April. The weekend started off with a Cubs game, then we had dinner and dancing at the Westin Hotel. We also held our annual Hawaii 4-0 informal which has become well known around campus.

The Little 5 CycSing Competition brought the first-place trophy to Delta Chi for the second year in a row. Our skit, put on with the help of Alpha Omicron Pi, featuring *The Price is Right*, was well-organized. We didn't fare as well in the Little 5 bike race, but improved our finish by several minutes over last year. Our riders and coach put in many months of training.

The Parent's Club generously donated money for the purchase of a new copy machine. Our in-house computer network is now fully functioning, with e-mail and Internet access from every room and the library.

DUQUESNE

This spring saw the initiation of ten men, our biggest class ever. We had a good showing in sports, making the semifinals softball. We placed second overall in Greek Week which ended with us "Rock n' Rolling All Nite" (and having fun) at Greek Sing. The semester ended with a great formal at Hidden Valley.

EASTERN ILLINOIS

Our annual E.Q. Alumni Picnic this year also included a 4 o'clock Club. The weekend was a great success with a nice turnout. In April we regained sponsorship of the Miss Eastern Illinois Pageant, which is a preliminary to the Miss Illinois Pageant. Charlotte Martin was named Miss Eastern Illinois, and on behalf of the fraternity was awarded a \$300 scholarship and the opportunity to compete in the Miss Illinois Pageant.

We made a fine showing during the Greek Week games as we placed first in the volleyball competition, second in the Collegiate Bowl, first in men's canoes, and made it to the semifinals in the tug-of-war.

We had a successful Mom's weekend, raising enough donations to purchase both a pool table and a Foosball table.

We will celebrate our 30th anniversary in October in conjunction with Homecoming.

We had a prosperous intra-

mural season this year as we captured the titles in both volleyball and indoor soccer. We invite alumni to contact the chapter "E" via e-mail at: cukfg@bgu.edu.

ELMHURST

With the momentum of a tremendous fall where we earned the best fraternity GPA, and remained the biggest fraternity on campus, we began the spring semester by pinning five men. Our role as leaders at Elmhurst, with the IFC Vice President of Standards, Vice President of Rush, and the Secretary all being Delta Chis, has grown quite strong.

The women of the Elmhurst College Women's Auxiliary were grateful for the time we donated to serve their biannual luncheon; we had fun and spent time with a popular Chicago radio DJ.

Bob Golen, Marquette '83, invited us to work at a charity bingo for the Elmhurst Jaycees, and our first time was such a success that we planned to return in May.

As the year came to a close, we prepared to defend our back-to-back Greek Games Championships; we have lost only once since our introduction to this campus.

EMBRY-RIDDLE

This semester we celebrated our 25th anniversary with a dinner at the Daytona Beach Hilton, where alumni from the past 25 years recalled old times and made some new memories. Our Formal took place in Tampa at Busch Gardens. Our annual barrel roll was a big success, raising money for Our Children's First Charity. Race week at the Daytona International Speedway was another great fundraising opportunity.

FLORIDA

This year we realized the importance of helping our community. We helped the homeless at the Saint Francis House. The people at this shelter warmly received us and were grateful that we not only were there to help feed them but to become friends as well.

Then, another very important group of people came into our lives. At the American Cancer Society's Ice-cream Social we learned about life and how difficult it is to live with cancer.

The idea of community service has been around a long time, but this year we really took the time to explore it. We decided to make children one of the main focuses of our services. We joined with the March of Dimes for disabled children and their faces lit up like stars when they saw us. That gave each of us an indescribable feeling. We also held a dance marathon where the proceeds went to disabled children so their lives could be a little bit better. We had excellent turnouts for these events.

Founders' Day and Alumni Weekend had great numbers. Following the National Championship football game we attended a lovely dinner at Gainesville's Heritage Club.

We won first place overall at the Kappa Delta Shamrock philanthropy talent show and captured second place overall at the Zeta Tau Alpha Line Dance and Talent Show as well as at the Delta Phi Epsilon Twist-N-Shout.

We feel that we have made a difference in peoples' lives. But most of all we made a difference in ourselves. That is something that we have to make part of our everyday lives.

FREDONIA

We have been on an upswing with the addition of a new executive board and three brothers from our fall rush. Two alumni have been given Regent positions: **Lance A. Belin** and **James Sturm**.

At a recent leadership banquet several brothers won awards for their academic achievements. Our intramural basketball team gave a good showing once again, with brothers in attendance for all of the games.

We have shown a lot of enthusiasm as well with our community service events. We worked together to repair the Newman Center, sell newspa-

pers for the Children's Hospital and spend time with children at the Shriners' Hospital.

FULLERTON

In November, we defeated our alumni in our "Turkey Bowl" for the second year in a row. Shortly after, we initiated five members. We are welcoming a new ABT with the help of Regent **Mike Woolbright**. This team, led by **John Fillips '77**, is helping us continue renovations on our house, including new bathrooms, plumbing and electrical improvements. As always, we have been active with our philanthropies, the latest being the Multiple Sclerosis Walk-a-Thon.

GMI-B COLONY

We had a great showing at the Region VI Conference and returned ready to put to use everything we learned.

We held a Carriage Town Cleanup with the women of Alpha Sigma Alpha. We cleaned up historic parts of Flint and rode on a cool garbage truck. We also did volunteer tutoring for Flint area high school kids.

We have drastically improved in intramural events such as basketball, indoor soccer, volleyball and softball. We were awarded the Most Improved WAG (Weighted Average Grade), and are now one of the highest at GMI.

We had a successful spring rush and we have eight more associates. Recent projects involve Housing Committee, increasing philanthropy activities and ABT fundraising and with the help of Regent **Jeff Schoenherr**, we are excited about making serious headway.

GEORGIA TECH

We finished winter quarter with the initiation of eight brothers. Also, we

held our White Carnation Formal in Jekyll Island, Georgia. We were first in grades campus-wide, with a 3.1 average.

We welcomed two associates and initiated four brothers in the beginning of spring quarter. We were also proud to have been able to initiate all 38 men of the Georgia Colony. Our 6th annual Reggae Weekend was Memorial Day weekend and we are planning our charting anniversary celebration. Thanks to Leadership Consultant **Kevin Vought** for the time he spent with the us.

GORHAM STATE

1997 has been kind to us here in Maine. A Delta Chi did a fantastic job as president of IFC and in IFC elections, we hung on to two of four executive seats, maintaining a majority. Gorham State took first place over determined competition during Winter Weekend.

We've been increasingly more active in campus life and we're well represented at all levels including Student Senate. Also, we gained nine associates (thanks to a strong rush program and continuing alumni involvement).

Ten brothers braved the 8-hour drive to Cornell for the Region VII Conference and met some great brothers.

We revived an old tradition at our spring formal by naming the first GSC Delta Chi "Sweetheart" since 1984. The deserving recipient is Ms. Cindy Amirault, long-time girlfriend of alumnus **Brian Hikel**. Kind hearts like hers don't appear often, so we don't expect to be giving this award again any time soon.

HAYWARD

Our winter and spring rush, which included events such as broomball, mixers with sororities and an end-of-rush social, was a success as we welcomed 17 associates.

The past two quarters, we were busy working on various philanthropy events. On Thanksgiving, we delivered and served turkeys for needy families. In December, we participated in a gift wrapping event at a local shopping mall. We wrapped gifts for underprivileged children. Finally, we gave our time and donations to the local YMCA. In addition, we rolled certificates for graduation as one of our fund-raisers.

Our fall semiformal was a blast. We had dinner and dancing at Shenanigan's in Oakland's Jack London Square. In December, we had a parents' day/holiday party where our families got together

Delta Chis at Central Missouri celebrate a victorious Greek Week.

to celebrate the holidays and enjoy a night with the members.

We had a weekend retreat at Lake Don Pedro to relax with our brothers. Finally, we will initiate fathers of various members.

IDAHO

We were the only fraternity honored by the University with the Chapter Excellence Award. We initiated 22 men, and pledged five associates. We were second place in intramurals with softball remaining. Still striving for academic integrity, we finished second in grades among 17 fraternities.

Building on a strong philanthropy program, we volunteered to set up and run the Inland Northwest Blood Center Bone Marrow Registration and Blood Drive. Pirate's week was terrific, and our 62nd annual Pirate's Dance was held in true historical fashion.

Parent's weekend was a huge success and a great deal of money was raised toward the Bill Chipman Trail in honor of our late "BB" Bill Chipman '67. Thank you to the alumni who attended Homecoming; activities have been planned for Homecoming Oct. 11, and the BSU game Nov. 22. Visit our home page at www.uidaho.edu/student_orgs/DeltaChi.

ILLINOIS

We initiated 13 members in April, bringing our membership to 102. As usual our intramural program was successful. The "A" football, basketball, softball and broomball teams had finishes in the top three teams on campus. The Greek on the Gridiron philanthropy event was held May 2-4. Twenty-five teams participated in the flag football tournament to benefit the National Association to Prevent Child Abuse. We made a great showing at philanthropy events, winning first place in SAMS "Trash a Frat Rat" and Crazy Bowl, and placing in AnchorSplash and Frats at Bat.

We had three successful exchanges with the women of Pi Beta Phi, Alpha Gamma Delta and Alpha Delta Pi. The exchanges included events such

as roller skating and a Cubs game (they won!).

Last fall, we held our first Delta Chi golf outing. More than 60 alumni and undergraduates attended and we plan to go from having 60 participants to over 200. We scheduled the second golf outing for September. We sent out entrance forms in May. On Saturday, October 4, we will be hosting a lunch. We hope to see you all there. For more information, contact Matt Schultz at (815)462-3318.

INDIANA

For our "Kelly's Wake" dinner/dance we transformed the entire house into a 1920s gangster paradise where at dinner we acted out the murder scene of Machine Gun Kelly.

Our Bike Team finished third overall during Little 500 Weekend. We had a strong team and we are proud of their hard work and dedication. They trained all year, even over spring break and displayed

teamwork and graceful style on the track.

Another thing to note is our involvement in campus sports. Our in-house basketball team finished third on campus. We also had teams playing softball, soccer, volleyball, and golf. Two brothers are on the I.U. Lacrosse team that finished top of the Big 10. We placed first on campus this year for most philanthropy hours. Our Haunted House, Blood Drives, and other charity work make Delta Chi truly involved in the community.

We are installing new doors at the house, as well as doing landscape work in the front and back yards. We are fixing up the house and anticipating a productive summer and fall rush. Come check our home page at <http://ezinfo.ucs.indiana.edu/~deltachi>.

IOWA

We have been busy this semester with intramurals, philanthropies and Greek Week.

This is the aftermath of Mudfest, the Colorado Chapter's volleyball tournament.

Delta Chi was in the top four in campus intramurals and we placed second in both Banner and Follies during Greek Week. We've also had exceptional participation in all the philanthropy events, including Delta Gamma Anchorsplash and Theta Tennis.

We had a tremendously successful Parents' Weekend and we appreciate all our parents for making it such a special event. We also thank the many alumni who have contributed to the house with both money and time.

We had an eventful Alumni Golf Weekend. Our recently initiated brothers bring our chapter up to 77. Our calendar is set and we expect to pin between 10 and 15 men during summer rush.

IOWA STATE

Spring break was immediately followed by Greek Week. Next came new officer installation, and then, the campus/city-wide VEISHEA celebration where we were visited by some brothers from the Central Michigan Chapter. After that we prepared for finals week, and a successful summer rush.

Somewhere amongst all of this excitement, we were visited and inspired by Leadership Consultant Garrett Truax during his last week as a consultant. Our 75th anniversary is coming up in '98.

KANSAS CITY

Spring rush was a success, yielding three members, who will play a part in the massive summer rush which we planned. We remained competitive in this April's Greek Week events, winning several parlor games and races while taking second by slim margins in football, basketball, and soccer. One of our members was voted homecoming king at this year's dance.

The house underwent major renovation during spring break when members voluntarily compromised obvious recreation time to work on a new driveway and a new kitchen floor, along with several other minor improve-

ments. Painting the house, inside and out, as well as the building of a balcony are also in the our plans. This spring's White Carnation formal had a good turnout with most undergraduates and several alumni present. The annual alumni golf tournament was a large gathering as well.

KANSAS STATE

We finished second last semester in university grades among 24 fraternities. The chapter earned a GPA of 3.1 overall. We feel that the major reason for the good grades was that we were able to live together for the first time. We are residing in an apartment complex until permanent housing is either built or found.

We organized our Earthball philanthropy event last semester. This is always done with the Kappa Kappa Gamma Sorority and we try to have it in conjunction with Earth Day. Fraternities and sororities pay to push a five-foot diameter ball across a goal line. Two teams of six participate at once. It is a very physical game that seems to be enjoyed by all. We also have recycling drives during the festivities. Our philanthropy project won as the best at K-State last year and we hope to win again this year.

This summer we went on our canoe trip in Missouri. It was a great time. Many rush-ees attended as well as our homecoming partners for 1997, Sigma Kappa Sorority.

Alumni are welcome to attend our Founders' Day celebration during October.

KENT STATE

We were proud to host the Regional Conference for Region VI. During the long weekend, with the help of other chapters, we worked to fix up several places such as the local senior center and the shelter for abused women. More recently we teamed up with Sigma Tau Gamma Fraternity and Chi Omega Sorority to compete in Songfest. Due to the hard work of everyone involved we captured second place. We prepared several

programs for summer rush and are looking forward to a large associate class.

LSU

After initiating 26 men in the fall, we welcomed three initiates this spring.

Involvement on campus and in the community has remained a top priority. Two members hold positions on the IFC Executive Board (treasurer, and chairman of the judicial board).

We completed another successful Greek Week

with a third-place finish. Our community service projects included Adopt-a-Mile, a blood drive and the Adopt-a-School program. We hosted the Region III Leadership Conference, which was attended by numerous dignitaries, including past "AA" Larry Nothnagel. We also participated in LSU's first Spring Fling open house.

Our intramural teams had another excellent season. Our football and softball teams won the Greek championship. Our softball team was in the playoffs, while our floor hockey team competed for the all-campus crown.

While devoting time and energy to academics and service projects, we have maintained an extensive social schedule, which included weekly sorority exchanges and was highlighted by a bus trip to New Orleans, Lost Memory Date Party, and the Red and Buff Formal in Destin, Florida.

LOUISIANA TECH

We pledged six men in the spring quarter and planned summer rush parties in New Orleans, Baton Rouge, and Shreveport.

We had our Crawfish Boil on April 26 and had a great time despite the weather. We

had a great turnout and thank the alumni who attended.

We have had success in intramurals and our softball team went undefeated. Our community service program has also been going well. We

Florida State Delta Chis demonstrate the ties that bind.

distributed an anti-drug coloring book, Percy the Pelican. We also helped out with Special Olympics here in Ruston.

MARQUETTE

We celebrated our 20th Anniversary, hosted Region V's Leadership Conference, took third place in Greek Week, and earned the highest fraternity GPA on campus. This is just a sample of what we accomplished this year.

Many changes occurred in the past year. Not only did our chapter double in size, but many improvements have been made to our house as well. Our chapter room was refurbished and remodeled with new furniture. Our basement and kitchen were repainted, remodeled, and refloored. The remodeling will continue, even though our House Corporation has plans to build a new house in our adjacent parking lot by 2005.

We are educating our members to use computers to their advantage. We installed a local area network in our house, so that any brother with a computer can be connected. Our web site is also being used as a new communication forum with not-so-local alumni. Keeping in contact with our alumni has led to another year

of successful Undergraduate vs. Alumni competitions. Our football game in the fall was won by the undergraduates for a change, but our alumni came back in the spring and won the softball game.

MASSACHUSETTS

Now that the riots are over and the National Guard has successfully recaptured the administration building, we are all breathing a little easier. And our GPA is still best in the Greek area.

A brother was awarded the Order of Omega Scholarship and nominated for NEIFC Greek Man of the year. Three members were in the top ten for best-looking Greek men.

Our soccer, football and softball teams have been the high points in the race for the Olympus Cup, which will surely be ours. This summer the house is under heavy construction with a new marble floor for the basement and new hardwood floors for the second and third floors.

MICHIGAN STATE

We initiated five brothers. In February many of us went on a ski trip to Blue Mountain, Ontario with the women of Gamma Phi Beta.

Our annual "Concert for Cancer" philanthropy event was held in March in honor of Tygh McNabb and Stan Dickinson, who passed on due to this disease. We presented a check in the amount of \$1,000 to the American Cancer Society in their names.

New Haven brothers pose after their initiation.

We kept our reputation of athletic dominance intact as we placed first in volleyball, second in basketball, and first in Greek Week football. We also finished as runner-up for the All-Sports Trophy.

In April we all attended an extravagant year-end formal in Detroit. Two buses took us to the Renaissance Center's Summit restaurant for dinner, the Second City Comedy Club for laughs and then a ballroom at the Westin for dancing.

MINNESOTA

We initiated eight members this spring. Our philanthropy event has expanded to two live bands outdoors with attendance expected to be around 900 guests. With ticket sales at \$5.00 each, we will raise a healthy sum of money for The Children's Variety Hospital.

Improvements on the house this summer include new windows and carpeting. Also, we ended our reign as intramural softball champs by taking second place.

MISSISSIPPI STATE

We cosponsored a campus unity activity/dance with the Student Association of Social Workers and Alpha Phi Alpha Fraternity to promote unity and equality at MSU. In February we had the honor of hosting the Region VIII Leadership Conference. National officers who attended included

"AA" Paul Bohlman, "DD" Ken Young, and Past "AA" Michael Carroll. We are proud that every chapter of Region VIII was represented.

We sponsored three teams for SAY basketball in Starkville this spring, the most teams sponsored by any fraternity at MSU. One of the teams played in the city championship. We had our annual "Wet and Wild" spring party in April with our gigantic water slide and hundreds of pounds of crawfish.

Over the past academic year, we have accumulated over 1,000 hours of community service. Our strong sense of tradition and character will take us into fall rush, where we plan to recruit a large class.

MONTCLAIR

We initiated 19 brothers, which almost doubled our undergraduate membership. Although Homecoming was not as successful as planned, we still placed first for best float and third for best dance. Our White Carnation Ball was a big success and we enjoyed a festive secret Santa event during the holidays.

It is safe to say that we are the most athletic fraternity on campus. For the fourth year in a row we won Greek Week; we have now won this title seven out of eight years. We also placed high amongst fraternities in both football and basket-

ball intramurals. We have now survived a year without having a fraternity house, but the ABT has established a house fund to help us in the future.

At our yearly retreat in April we discussed our plans for the upcoming semesters. We scheduled an alumni picnic with Sigma Sigma Sigma and their alumnae.

NEW HAVEN

Growth and success are in the air. This semester we worked on a community service project along with the Parents Foundation in the New Haven area.

Our intramural softball team has proved itself with an undefeated season so far. Unfortunately rush has only produced one associate this semester, bringing our total of undergraduate members to 31. We thank Leadership Consultant Ray Paschal for his good insights and knowledgeable assistance.

NORTHEAST MISSOURI

The undergraduate members of the chapter would like to thank all those who contributed to the Joseph Crabtree Foundation. All updates on the Foundation's activities will be included in chapter newsletters. We hope to see all our brothers at the Annual Reunion, Delta Paradise.

We are attempting to update our alumni list. If you

could contribute in any way, it would be appreciated.

NORTHERN ARIZONA

In the spring we started off by taking six new members and on April 5 all were initiated. We had our Spring Formal in Nevada and it was a huge success. We held the first annual Delta Chi golf classic in Sedona and had a huge turnout of undergraduates, alumni and fathers.

We earned a Gamma achievement award for holding alcohol-free after-hours parties at the house. The house is getting a new look over the summer, now that we are a Dry House. We ended up in third place for the intramurals trophy and we plan to finish first or second for the highest GPA.

Anthony Berardi '91 is our new BB and we welcome his motivation and dedication.

NORTHERN ILLINOIS

We are riding high after being awarded the Most Improved Trophy at the International Convention. We initiated 21 members in the fall, 14 in the spring (plus three dads) to bring our number of undergraduate members to 83. We won the flag football tournament in the fall and Nike sponsored us to play in the National Collegiate Tournament in New Orleans over winter break. Our sorority flag football philanthropy and our 7th annual Pig Roast were huge successes.

Our annual spring formal was held in Lake Geneva, Wisconsin, and a week later we held our first Alumni Golf Outing. We have two members on IFC with a third as Chief Justice of the IFC Judicial Board. Finally, we are planning on updating the electrical wiring and replacing tile in the chapter house.

OHIO STATE

We enjoyed one of our most successful social calendars ever, including our Greek Week with Alpha Delta Pi. We finished in second place in the fraternity division and second in overall pairings. This represents our strongest showing

for Greek Week in recent memory. Along with our alumni bowling event, our chapter held another reunion this spring for members who graduated during the 50s and early 60s. In was held at the Fawcett Center near campus and was an enormous success. Also, our spring quarter associate class is the largest since recolonization.

OSHKOSH

Over the year we attained our goals and witnessed our house becoming the best-looking Greek house.

During the summer new siding and windows were added, and a brother made new letters to put on the outside of the house. We have new pavement on the driveway and parking area, which is frequently used for a basketball court. The basement received an overhaul, too. All the walls were repainted, the crest was touched up to perfection, and two new speakers were donated and put on the walls. The associates of the fall '96 class did a terrific job repainting the porch.

We donated \$500 to the Boys and Girls Club, and two members were initiated into the Order of Omega.

During interim and spring semester we were committed to an exhaustive rush. We have the largest class on campus with eight associates. During Winter Carnival, we took first place in broomball, defeating Sigma Pi. In coed volleyball we took third place with Alpha Xi Delta Sorority.

Our relations with sororities are at their best. We shoveled their sidewalks over the winter, gave them flowers on Founders' Day, and we gave a huge bouquet of flowers to the new sorority on campus, Zeta Tau Alpha.

PENN STATE

With the help of our "BB" **Brian Decker**, and our academic advisor **John D. Wicinas**, we have made great strides. Our GPA has increased the past two semesters. This past fall we achieved an aver-

age of 2.91, higher than the all-men's average and the all-fraternity average. John has revised our Academic Program and has made numerous efforts to alleviate miscommunications among our ABT, International Headquarters, and our alumni. Furthermore, he has taken steps to reestablish relations with the university which have long been disengaged. One notable relationship built is that with **Jim Sharrock**, NEMO '84, who is an Academic Advisor of Penn State's Smeal College of Business.

When we celebrated the 101st birthday of Dr. **Marsh W. White** we all knew we were experiencing something special when he came through the door. His presence helped us capture the feeling of brotherhood and its lifelong implications.

Our first Alumni Golf Weekend on April 12 was organized by our new Alumni Association president, **Kevin McKeon**. Everyone who participated enjoyed a great day. It was a good way for undergraduates to meet alumni, and to exchange ideas about the future of our chapter.

For the first time in the past 10 years, we participated in Dance Marathon, the largest student-run philanthropy in the nation. We donated \$8,903.92 to the Four Diamonds Fund to benefit children with cancer.

Remodeling was done in our bathrooms and our pool room. Other additions included a big-screen TV.

Our intramural athletics were successful, as we finished at the top in basketball, volleyball and soccer. We also participated in Spring Week with Sigma Delta Tau.

PURDUE

Our fall grades ranked us 13th among fraternities and surpassed the university-wide men's average. The spring associate class of eight brought

our total number up to 68. Our philanthropy, Ride-For-Life, in which we paired with Gamma Phi Beta Sorority, was a huge success. We peddled a stationary bicycle for 60 straight hours, collecting donations along the way. We raised over \$1,700 for the Mary Mullenix Hackett Foundation, which provides cancer treatment, services and education.

Our intramural basketball team took the fraternity league title for the second straight year. The entire chapter came out in support of the team. Also we had final-four finishers in bowling, doubles tennis and golf. Our spring formal, held at Culver Cove, Indiana, was heavily attended and well received by all the brothers and their dates. A Delta Chi was selected for the Men of Purdue calendar, an honor offered to only twelve men.

Our Mother's Day weekend was a huge success. We helped prepare a delicious brunch for the 70 mothers and guests, and

ter by the end of next semester but to promoting brotherhood from within. With the help of the ZTA Sorority we placed second overall in Greek Week festivities. Some of the events included a chariot-building competition, a banner-making competition and a Foosball competition. We also have been extending a helping hand to a local medical center in new Brunswick. Each week the brothers volunteer an hour to help those who are in need at the hospital. So far the response has been excellent. We held a car wash fund-raiser at a local Burger King. This biannual event has been successful in the past and we hope that it will continue to be.

We have a summer rush program and have four associates so far. Our ABT has started to grow and the members are all willing to help us. Seven brothers found a house to rent next year. A house that says, "Delta Chi has arrived at Rutgers and is here to stay!"

Northwestern big campus tradition: big rock, lotsa paint, add brotherhood.

afterwards we held a raffle to help raise money. Please get in touch with us by accessing our home page at: expert.c.purdue.edu/~deltachi

RUTGERS COLONY

We thank the Lehigh Chapter for the use of their house and their role in initiating our seven new members.

Our new executive board is committed not only to making sure that we receive our char-

SOUTHEAST MISSOURI

This semester marked our 20th anniversary at the University. With an overwhelming turnout of alumni from the past 20 years, it was fun for all. We were also honored to have Executive Director **Ray Galbreth**, former "BB" of our chapter, come and share in the festivities. The celebration consisted of three days of activities capped off with our White Carnation Ball, where

the high point of the night was the recognition of two alumni, **George Pendergrass**, Kentucky '52, and **J. Charles Stotz**, Eastern Illinois '68, for their support over the past years.

In intramurals we took all-Greek in Whiffle ball and finished fourth in Gamma Phi Beta's Moonball tournament. We also won third place in Greek Sing, along with Alpha Delta Pi and Sigma Tau Gamma with a very modern version of Alice in Wonderland and finished fourth overall in Greek Week. Philanthropy events have kept us busy as usual. We have added a new project, Adopt-a-School with St. Joseph's Elementary in Scott City, Missouri.

SOUTHERN ILLINOIS

At our chapter retreat held at the student center we discussed our goals of brotherhood, rush, fund-raising and philanthropies. We initiated eight brothers from the fall class. Although the university experienced a slow rush, we again came out on top.

In sports we were in second place and (with spring being our strongest semester) mak-

Our annual Stag Weekend was also a huge success with about 25 alumni participating in a golf tournament and a pig roast.

This year we had our White Carnation Ball in St. Louis at the Embassy Suites. Improvements to the house include ceiling fans in the kitchen and two new computers.

"Select 2000," which requires substance-free housing, will be implemented in our Greek system this fall.

SOUTHWEST MISSOURI

Spring semester was filled with many great exchanges and other events. The highlight of the semester is always our "Delta Chi Fight Night," now in its ninth year. It is the only exhibition boxing event to take place on a campus nationwide. This year we raised \$2,000 for the Boys and Girls Club of Springfield. The event also featured the first women's bout and a junior bout between two amateurs from the Boys and Girls Club. There were 24 contestants in all, which was a record high.

We also elected a new ABT to help renegotiate our hous-

SOUTHWEST TEXAS

We ended the fall with the highest GPA on campus and our fall associates had the highest associate class GPA. Eight brothers attended the Region III Conference at LSU. We were honored to receive an award for our scholarship program and we also received the 1996 Regent's Cup.

We took part in an Easter egg hunt that was enjoyed by many local youths. For the second semester in a row, we helped "Friends of the Library" move books for their book sale and we were featured in the University paper for all our hard work.

We held our 6th annual Margaritaville Party and a great time was had by all, including many alumni. We participated in Greek Week along with the women of Delta Zeta. At this year's Greek Awards Show, we were given many awards, including Outstanding Social Development, Public Relations, Education, Spirit and Service. We were also awarded for excellence in Fraternity Relations and Scholarship, and received the Chapter of Excellence trophy. The semester ended with a successful Parents / Alumni Weekend and a mixer with the women of Alpha Omicron Pi and brothers from the Texas Chapter.

TARLETON

We have one member in our associate class, and we plan to initiate four of our fathers. Even though this was a small rush class, next semester looks promising. We finished our volleyball court, which is bringing in a lot of new people.

We already have six men interested in Delta Chi for the fall.

Our social calendar has kept us busy with mixers. We participated in Greek Week and we dominated every event. In

February we had a party, and in April we had our first Del Tiki party; both were successful. It was good to see so many alumni in attendance.

TEXAS

One of our biggest accomplishments was the successful organization of an ABT which will guide the chapter into its second decade. We initiated four members this spring and are preparing for next spring when we will host the Region III Leadership Conference.

Our intramural teams took top honors this semester; both our basketball and softball teams finished third. Through our hard work and involvement, we finished second overall in Greek Week and our basketball team finished first in the annual Greek Week tournament. Our social calendar was a success with our annual Round Up and Atlantis parties. We also enjoyed a mixer with the Alpha Omega Pi Sorority at Southwest Texas. Everyone is enthusiastic about the annual state parties in Houston, Dallas and Austin that serve as the focal point of summer rush. Our Parents' Alumni Weekend will be October 25. There will be more information about this and other events in upcoming newsletters.

TRI-STATE

Spring quarter found us with 27 brothers, 10 of those being newly initiated. We had no associates so our attention was turned toward retention. Some events for brothers only were camping, house dinners, and paintball. We also gave our attention to house improvements with a work weekend where we did minor upkeep for both of our houses as well as large jobs like painting and landscaping.

At our Alumni Weekend in May we honored our faculty advisor, **Rich Kruger**, for 30 years (and still counting) of service. There was a great turnout as usual.

We hoped to win the intramural volleyball tournament again this year, and attempted to win the Greek Games trophy

Rutgers members huddle for a photo on their way to clean up the banks of the Raritan River for a community service project.

ing a strong run for the trophy. Other awards we received include a repeating Greek Week championship, and a philanthropy award for the first annual Multiple Sclerosis Walk.

ing contract and to help us take care of our past debt. The spring semester ended with our "South of the Border" date party and we are holding summer meetings.

after a disappointing third-place finish last year. Summer plans include a gathering of all the brothers with invitations to all the rushees to keep in touch over summer break.

WASHINGTON

We have been working hard with a couple of philanthropy projects. We had our fourth annual sorority basketball tournament (the winner was Alpha Gamma Delta) with all the money raised going to the National Arthritis Foundation. We also received the national philanthropy award from the organization for our work the past four years with the tournament. For the first time, we, along with Kappa Alpha Theta Sorority, sponsored an American Red Cross Blood Drive. It was the first blood drive the organization had on our campus. The two blood drives this year saved close to 2,000 lives.

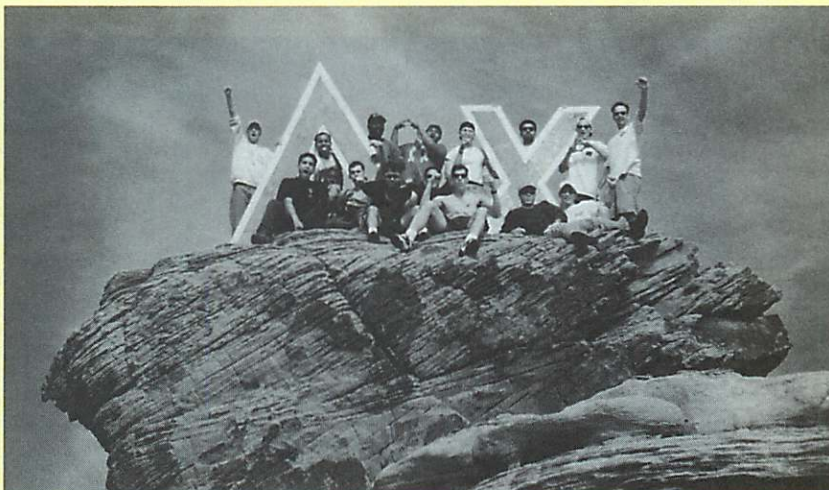

Our intramural teams have constantly been competitive. Twice we have placed second in softball this year. In fact, the IFC recognized us at this year's Greek awards as having the best intramural program.

In April we celebrated our White Carnation Formal in

WEST CHESTER

We started off with the initiation of 11 members and successfully rushed nine men, who were initiated in April. This summer we planned to initiate four holdovers from the first semester.

We placed in every intramural sport this winter/spring including a first and third in flag football (both

UNLV Delta Chi is at the top!

well as some diligent brothers, things look promising for us to have a house by the fall.

We enjoyed a much better turnout for Alumni Weekend than last year. In addition to participating in the Walk America, alumni also attended our spring formal, and everyone had a great time.

WHITEWATER

We started the fall semester out strong by winning the Chancellor's Spirit Cup Award for outstanding Homecoming participation. Our fall rush brought us six associates. Spring semester we set a record by initiating 16 men, making us 48 strong. The university has continued to recognize our endeavors as we have received two academic awards for the highest fraternity GPA and the highest associate member GPA. More than 11 of our men were invited to the Order of Omega dinner in recognition of their academic accomplishments. Our "A" was nominated for the Outstanding Senior Award, and our "B" was nominated as Greek Man of the Year as well as Outstanding Junior Greek.

Ron Greisch '89 has been elected the new "BB". Our first annual alumni/undergraduate softball game was a tremendous success. By developing an incentive program to help us reach our goals, our ABT has been consistently challenging our undergraduates to improve the chapter, as demonstrated by our successful rush.

nearby Spokane, Washington. We gave our annual end-of-the-year awards and had a formal dinner and dance that was enjoyed by all.

our A and B squads placed). We fully expect to win the IFC cup this year after coming in second last year. We hosted Leadership Consultant Ray Paschal at the end of Greek Week, where we came in third.

The apex of our semester was hosting the Region IX Conference; 16 chapters attended. Everyone had a great time, especially at the mixer Saturday night.

The only sad news coming out of West Chester is that we are losing our house to Tau Kappa Epsilon because it is owned by their alumni board.

We are rallying and have moved into a new house. We are trying to put together a House Corporation so we can purchase our own house.

WESTERN CAROLINA

Our Greek Week committee chair was hard at work ensuring that participation was up and everyone had a lot of fun. The philanthropy committee also worked hard. We participated in the Bartram Trail Buildingfest Day to finish the trail, the March of Dimes Walk America and the Tuckaseegee River Cleanup. These are all annual events but this year is the most active we have been in the community. We also helped the local Chamber of Commerce with its charity golf tournament and had a great time while we interacted with local merchants. Also, thanks to the hard work of our "BB", "A", "B", and local alumni as

Southwest Texas brothers display their winning ways.

After an impressive turnout for Parents' Day, we are working on a Parents' Organization for our chapter. While it was snowing, IFC had it's annual softball game in which we took third place. Two members are on the IFC Executive Board, one as Chairman of Public Relations, and one as Chairman of Recruitment. The intramural soccer and softball teams made the finals. We have completed our philanthropic goal by earning over 550 hours for the spring semester. We were extremely enthused about a visit from Executive Director

Ray Galbreth who joined us for a day on campus and a casual dinner. This was his first visit since we purchased our house.

WYOMING

We began our semester with the initiation of four associates and one alumnus, and soon after, the association of four additional men. Our philanthropy work included cleaning up our stretch of highway and assisting the U.W. rifle team in improving the Laramie Rifle Range with our manual labor. We also had our annual

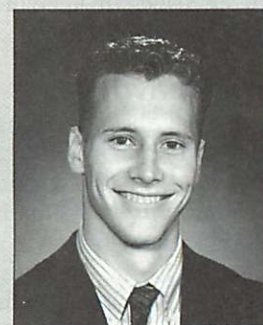

Alumni Banquet at which the ABT presented several new awards to the chapter. Alumnus of the Year, Knight Errant, The Sir Edward Coke Award, Associate Member of the Year, The Unknown Soldier Award, and the most improved GPA were added to our existing awards, all honoring those who have made significant contributions to the chapter. Our intramural bowling team "The Martlets" did well, finishing fourth overall. We ended our semester with the initiation of two associates and plans for our fall rush.

Tarleton Delta Chis look like a happy group.

Editors' Note: In the Fall 1994 issue of the Delta Chi Quarterly, we ran a story about Greg Jones, Hobart '87. In that story, we told of Brother Jones graduating from Georgetown Law School, and we detailed his career success with the World Bank. We have recently discovered that Brother Jones did not graduate from Georgetown Law School and has never worked for the World Bank. All of this information was compiled from an interview with Brother Jones. We regret that inaccurate information made it into the pages of this magazine.

Chapter Excellence Award
(the University's top award)

A True Story of "Tradition" vs Character

In August, 1995, the Kansas Chapter held a so-called "traditional" pre-initiation period. We found out too late that we had been playing with fire.

Two of our new initiates were hospitalized, suffering severe dehydration caused by overwork and calisthenics. One was placed in the Intensive Care Unit at Lawrence Memorial Hospital after his kidneys failed. The cause: hazing.

But whoever thought that this could happen to us? We were merely carrying on the traditions left by our older members. We had been hazed, and therefore we assumed that it was our right, even our duty, to do the same to our new members. Well, the tradition had to stop there. We were placed on an interim suspension by the University of Kansas until the University, Delta Chi, and Chapter alumni could complete an investigation.

Some of the 70 Kansas Delta Chis relax in front of the house.

Among other things, the investigation determined that the Kansas Chapter had held a pre-initiation period which included 'pledge' uniforms, repeated calisthenics, sleep deprivation, and food spicy enough to induce vomiting. These were the traditions that our chapter had tried to keep alive. This was what some of our members had valued for so long. It all seems so ridiculous now.

The Kansas Chapter was placed on Level IV Corrective Action by the Fraternity, and was suspended indefinitely by the University. We were devastated. How could they do this to us? What had we done wrong, except to carry on the traditions of our chapter? But deep down, we knew what we had done. We had hazed our new members, plain and simple. We had insensitively and unjustifiably hazed.

The Chapter cooperated fully during the investigation, and Dr. Jimmy Underwood was appointed as conservator by the International Fraternity. Since his move to Florida in October, 1995, ABT president Bart Eisfelder has served as conservator. The members finally realized how close the

Chapter was to being closed. It was time for attitudes as well as behavior to change.

The Chapter had to complete a list of 14 sanctions from the University, as well as having social and intramural privileges revoked for the period of suspension. But beyond that, the associate member programming had to change. After our first semester under suspension, we saw the benefits of a hazing-free program. For the first time that any undergraduate member could recall, all 26 associates stayed for the entire semester of pledgeship.

After completing the University sanctions, the Chapter was returned to probationary status as a University living group in June of 1996. The Chapter remains under Conservatorship.

During the spring 1997 semester, two University officials met with members of the fall 1996 associate member class, randomly selected Chapter members, and members of the executive board. This inquiry determined that the Kansas Chapter was successfully administering a hazing-free program for new members, and that attitudes about hazing truly had changed. It appears that the turning point we had reached one and a half years earlier had actually improved a chapter that was floundering.

At the University's recent Greek Awards Night, the Kansas Chapter earned the Overall Chapter Excellence Award which recognizes the best chapters in programming areas such as scholarship, membership development, risk management, and alumni relations. Delta Chi was the only fraternity rated high enough to win this award. We feel that our hazing-free program was instrumental in helping us achieve this goal.

The old mentality was that we could build good brothers by hazing them. Now we see the difference. Now we know that membership development is an ongoing process starting with rush and continuing through graduation. What's more, with our new program that stresses *chapter* unity and brotherhood, our members are much less apathetic. Our chapter is stronger now than it was before.

Our punishment was severe, but it was deserved. We knew what we were doing when we "went old-school," in the words of a fraternity president. We knew what went on, and during that week in August, 1995, we closed our eyes to the expectations of modern society. And we never thought anything could happen.

However, two images will be ingrained in my memory for life: the sight of my pledge brother lying semi-conscious in a hospital bed, connected to a dialysis machine, and the sight of his mother with a look on her face that speaks to me still, that held more emotion than anything I could write here. His look was one of a broken man; all the will sucked right out of him. And his mother's look asked: "Why did you do this? How could you do this to my son?" Those two images changed me more than any anti-hazing seminar ever could. In truth, we don't know how the hazing developed to the point it did. But we can't let it happen again. Ever. We have come too far to ever go back.

ALUMNI CHAPTERS

GOLDEN TRIANGLE

The Golden Triangle Alumni Chapter continues to host many activities for Delta Chi alumni in the Greater Pittsburgh area.

A "walleyball" event and a medieval feast this spring were well attended and fun outings. Thanks to **Charlie Studeny** Johnstown '88 for setting up the feast.

Our annual Family Summer Picnic was held in August at Meadow Park in O'Hare Township. Both kids and adults enjoyed a day of good food and fun with some old and some new members.

The now-annual Couples Dinner Banquet is in the works for September; last year's initial event was a great success.

Plans for a Steeler Tailgate will be in the next newsletter.

Finally the alumni chapter will be helping support the Johnstown Chapter's 25th

Anniversary celebration with a semiformal banquet honoring retiring Dean of Student Life Lowell D. Shaffer, Ph.D. and the Johnstown Chapter's Founding Fathers on Friday, October 3, at the Convention Center in the Living and Learning Center at UPJ.

All the proceeds will benefit Food for Families of Johnstown, the Chapter's official charity. Please call **Darnell Sherman** at 412-288-8713 to verify your address for the formal invitations.

If you would like to receive the Golden Triangle Alumni Chapter's newsletter, send your name, address and phone number to GTAC, P. O. Box 42403, Pittsburgh, PA 15203. The group meets at 8 pm on the last Tuesday of every month at the Inn Termination Lounge on Carson Street on Pittsburgh's South Side.

ALUMNI NEWSMAKERS

DENISON

David Abbott '74, who was featured in the Winter '97 *Quarterly* for his work as Executive Director of The Cleveland Bicentennial Celebration, has been named interim Executive Director of the Rock and Roll Hall of Fame and Museum in Cleveland.

Abbott previously served as a reporter for the *Cleveland Plain Dealer* and as Cuyahoga County Administrator. The Rock and Roll Hall of Fame Foundation president said, "It is clear that David Abbott brings tremendous talents to his new position."

Abbott is expected to serve in that capacity for at least a year while the Foundation board conducts a search for a permanent CEO of the Hall and Museum, which opened in September 1995, amid great fanfare. It has been a huge success since its inception.

this is what we heard from you . . .

To the Editor:

In retrospect, I feel I owe a lot to Delta Chi. First, I'm truly surprised any fraternity pledged me. When I graduated from high school, I was the stereotypical nerd. Though I had grown up in Los Angeles and Houston, I had lived an extremely sheltered life, due largely to the efforts of an over-protective mother. In addition, I had attended a lower-middle-class high school where social graces were to the wind and academics rated fairly low on the totem pole.

For some reason, Delta Chi saw potential in me and believed in me. Brothers took an interest in me and helped me. I especially needed help in dressing acceptably and behaving maturely.

I will never forget a comment one brother, discussing rushees, made my senior year: "We have pledged some people who appeared almost hopeless and helped mold them into really cool guys." I felt every eye in the room looking at me.

Through my association with Delta Chi, I was able to develop leadership abilities. I was elected corresponding secretary and eventually president. My senior year my chap-

ter honored me by naming me Chapter Luminary. The Bond, something only a brother can fully understand, remains important to me.

For example, during spring break I saw a group of Delta Chi's (Chico) ordering in a fast-food restaurant on Catalina Island. (One young man was wearing a T-shirt with letters.) I asked my wife to excuse me for a few minutes. When I returned, she asked, "Were they receptive?" I tried to explain The Bond, though I don't think I was very successful.

Unfortunately, we do not have a Delta Chi Chapter where I teach. A few years ago one of the leading fraternities here asked me to be chapter advisor, I accepted, and I have enjoyed greatly my association with these young men.

Coolness, I believe, is, to some extent a state of mind. Today, I think I'm a pretty cool guy; others may disagree, but I think my own perception is of the utmost importance, and I give thanks to Delta Chi for helping me develop in so many different ways.

In the Bond,
Dr. Gary H. Mayer
Chapter Luminary, Texas '63
