FOUNDERS' DAY MESSAGE 1998

COLORS, CONTENT AND CHARACTER

On this Founders' Day, the 108th anniversary of our beloved Fraternity, it is appropriate that we take a moment to pause and reflect not only on how far we have come but on where we must still go. Delta Chi has changed a great deal in those 108 years and stands on the verge of even more change.

At the Convention, held in August in Saint Louis, we openly wrestled with Delta Chi's direction concerning the subject of alcohol free housing. This subject is being widely discussed in the interfraternal world. Alcohol free housing is not an entirely new subject to the fraternal world but, due to recent societal changes and even our own behavior, it is at the forefront once again. While still a change in process, how Delta Chi, the Fraternity world and even society as a whole ultimately

resolves the issue of alcohol abuse will depend, in large measure, on our character.

Also during the Convention, there was another event which marked a change in Delta Chi's history. It happened without great notice or fanfare. Well, at least with no more fanfare than normally accompanies this particular event. And, in a way, that in itself speaks volumes.

The 51st Convention elected me to the position of "AA". This marks the first time that an African-American has been elected to this position in the history of the Fraternity. This milestone in Delta Chi history takes on a greater sense of achievement when one stops to consider that,

until the 1954 Convention, membership in Delta Chi was restricted to white male college or university students. I thank you for seeing beyond my **color** and into the **content** of my heart and the **character** of my spirit (soul).

Character is defined as the moral strength and the combination of qualities that distinguish an individual or organization from other individuals or organizations. As we prepare to initiate our 79,000th member this year, let us remember this definition of character. Let us remember, as well, our Preamble, which is our mission statement and announces to the world the contents of our collective heart and the very nature of our collective character:

"We, the members of The Delta Chi Fraternity, believing that great advantages are to be derived from a brotherhood of college and university men, appreciating that close association may promote friendship, de-

velop character, advance justice, and assist in the acquisition of a sound education do ordain and establish this Constitution."

So, as we go about our daily routines, let us not forget the things that make us stand out in the interfraternal world, and the things for which Delta Chi truly stands. Even as we deal with the difficult situations and issues in front of us, such as alcohol abuse and other behavioral problems, I put this challenge before us: Let us help the non-Greek world and our naysayers see past the **colors** with which they have painted us, colors that all too often we ourselves have helped to spread, and see into the **content** of our hearts and the **character** of our souls to rediscover and reveal for all to see what truly wonderful people we are and the fundamental values for which we stand.

I wish you a safe and joyous Founders' Day.

Very Proud to be Your Brother in the Bond,

William J. Williams

St. Louis, Missouri and the Hyatt Regency at Union Station, provided the backdrop for the 51st International Convention of The Delta Chi Fraternity, which was held from August 5 through August 9, 1998.

Nearly 500 undergraduates and alumni from all around North America gathered in the "Gateway to the West" for four days of brotherhood, education, legislation, and entertainment.

Wednesday, August 5, 1998

Wednesday was the arrival day of most of the delegates and attendees. For those who had attended Convention before, they

were met with a surprising addition at registration. The 51st Convention introduced 'ladders' to all of the attendees. The 'ladder', which may be placed on a shirt or lapel, has miniature name plates that are engraved with the location and year of that particular Convention. Those who had attended prior Conventions were able to purchase those corresponding name plates.

The official Convention event of Wednesday was the Welcome Reception which was held in the beautiful lobby of Union Station. Old friendships were renewed and new friendships formed as "AA" Paul Bohlman, Ohio State '70, welcomed the delegates and

attendees. He spoke briefly about the history of the Convention and set the tone of how important, and memorable the 51st Convention was to be.

Following the Reception, many of the attendees had the opportunity to experience the St. Louis nightlife. While some checked out the social scene around town, others took in sights like the Arch, which shimmered in the night time sky.

Thursday, August 6, 1998

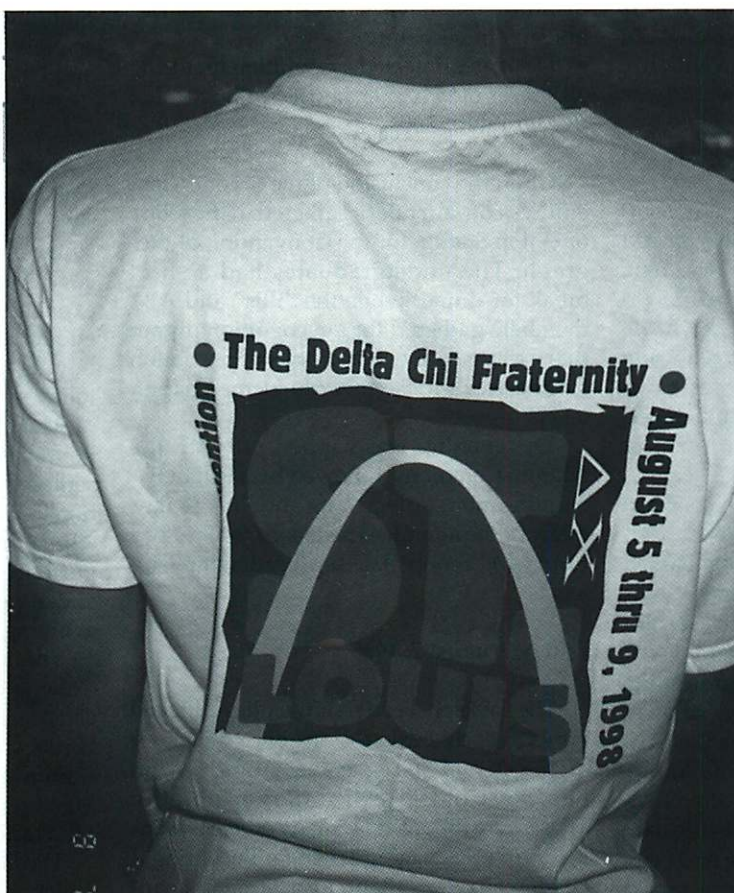

Thursday morning came earlier than many had expected. However, after a filling continental breakfast, the delegates and

attendees were ready to get down to legislative business. Following are the highlights of the First General Session:

- The First Memorial Resolution, which honored those brothers who passed away during the last biennium, was read.
- **John G. Copeland**, Indiana '49, was named "BB" Emeritus.
- **Fred Hammert**, Oklahoma '58, was presented by brothers **George Obear**, DePauw '30, and **M. Gary Monk**, Auburn '65 with membership into the Order of the White Carnation.
- **Frank Granat, Jr.**, Washington '51 was named as Convention honoree. Frank had served as "DD" from 8/68-8/69; "CC" from 8/69-8/70; and as "AA" from 8/70-8/73.
- Nominations were accepted for international officer positions. Nominated for "AA" were **Mike Woolbright**, Long Beach '86 and **William Williams**, Gannon '83. Nominated for "CC" was **Scott Klinefelter**, Northern Iowa '76. And nominees for "DD" were **Christopher Johnson**, Kentucky '77, **John Dorner**, Illinois State '91, and **William Humphrey**, Purdue '85.

- Delegates passed a motion to revoke the charters of the following chapters: Fullerton, Southern Illinois, Southwest Missouri State, Denison, Arizona State, Florida State, Florida International, and Lehigh.
- "AA" Paul Bohlman gave his report.

The first general session was followed by the Educational Foundation luncheon. Here, the past two winners of the Educational Foundation speech contest presented their speeches. The 1997 winner, **Ranjan Agarwal**, Alberta '99, spoke on the four keys to leadership. The 1998 winner, **Aly Kanji**, Alberta '99, spoke on the difficulty of leading in the right direction. Both speeches were met with rousing ovations. Also, during the luncheon, numerous Alumni awards were presented. Among these awards was the New Founder award, given in recognition of donations totaling a minimum of \$100,000. This was presented to **Fred Hammert**, Oklahoma '58. Fred and his wife, Marian, were both honored for being loyal Delta Chi contributors and supporters of both their resources and time.

After the Educational Foundation luncheon, attendees were escorted to their regional caucuses. Here, they were able to meet the candidates for the international offices, ask questions, and facilitate discussion concerning Convention and regional business. As soon as the caucuses finished, the attendees moved into the Second General Session.

The highlights of the Second General Session are as follows:

Motions Passed:

- **William Williams**, Gannon '83, was elected as the 47th "AA" of The Delta Chi Fraternity and addressed the Convention.
- **Scott Klinefelter**, Northern Iowa '76 was elected as "CC".
- **Bill Humphrey**, Purdue '85, was elected as "DD".
- Delegates voted for a \$10 associate member dues increase (to \$75). They also passed a \$10 increase in initiation dues (to \$160), while membership dues were raised \$5 (to \$40). These increases are effective 1/1/1999.
- Delegates adopted a resolution requiring the "CC" to send each chapter, at least two weeks prior to a Board meeting, a detailed agenda outlining the anticipated topics of discussion.
- Delegates adopted a resolution concerning the rules of Convention debate.
- Delegates of the 51st Convention passed a historic resolution to begin to take steps toward alcohol free housing. This resolution called for the Board of Regents and staff of the Fraternity to develop programming that will assist chapters in moving to alcohol free housing. Furthermore, the Board of Regents was directed to explore and implement incentives to chapters that offer alcohol free housing. Although no specific date to implement alcohol free housing had been set, the resolution stipulated that a report detailing the progress of the Board of Regents be given at the 52nd Convention.

• *note: In Ritualistic Session that evening, a series of proposed changes were adopted by the Convention and will be reflected in the next Ritual manual to be issued by Headquarters.*

Motions defeated:

- Delegates defeated a resolution requiring all colonies established after January 18, 1999, or in a prior agreement with the host institution, to have completely alcohol free housing in perpetuity.
- Delegates defeated a resolution requiring all Fraternity chapter houses to be alcohol free by July 1, 2001.

Upon the conclusion of the Second General Session, attendees gathered in the lobby of Union Station for the Convention photograph. The undergraduates had a short break for dinner while the "BBs" and ABT members gathered for a recognition dinner that expressed the Fraternity's appreciation for the work those men do at the chapter level.

The evening was capped off with the Alumni Ceremony, followed by a Ritual Exemplification. After a long and intense day, many of the attendees rested up for Friday's Henry M. "Scoop" Jackson Leadership College.

Friday, August 7, 1998

The Jackson Leadership College kicked off with early bird sessions on the History of the Ritual (Greg Hauser) and Warm Fuzzies/Cold Pricklies (Ray Galbreth). These were followed by many other sessions including: Managing Change, Becoming a Leadership Consultant, Recruitment, Leadership Ethics, Building Chapter Unity, and the KEY Program.

Preceding lunch were two special sessions. The first was entitled, "Leaving the Baggage Behind" by Dave Westol, Executive Director of Theta Chi Fraternity. Dave's inspiring presentation revolved around Greeks

preparing themselves for the next century. Change, said Dave, must encompass everything from brotherhood to ridding our chapters of hazing to grades to image. The other presentation was "Friendship in the age of AIDS" by T.J. Sullivan and Joel Goldman. This emotional piece focused on AIDS awareness and prevention as seen through the eyes of two fraternity men, one of whom has been diagnosed with HIV.

During free time on Friday, several of the attendees participated in the 3rd biennial Kimball Classic Golf Tournament; others took in the sights of St. Louis, including the Arch, and the spectacular Cathedral of St. Louis.

That evening, Convention attendees came back together for the Cardinals vs. Cubs baseball game. Although Mark McGuire and Sammy Sousa did not add to their homerun streaks, the Delta Chis did witness the Cards blowing out the Cubs 16-3.

Saturday, August 8, 1998

Saturday was the second and final day of the Leadership College. Saturday's session topics included Risk Management, Advising the Chapter, Memory and Leadership Skills, Building a Public Relations Program, A Look at New Member Education, Recruitment, and Housing Issues, among many others.

Following the first two sets of educational sessions were two special sessions. The first was an etiquette luncheon, hosted by the Delta Chi Educational Foundation, and presented by Bobbi Marten, an etiquette consultant from St. Louis. She walked attendees through the luncheon, step by step, and explained not only the logic behind proper etiquette skills, but also the importance of having proper etiquette—especially in today's business world.

The second special session, entitled "Do You Have Change For a Dollar?", was presented by Dennis Howard, a prominent national speaker and member of Lambda Chi Alpha Fraternity. Dennis stressed the importance of having leaders who are willing and able to facilitate change in our rapidly evolving organization and world.

The afternoon sessions of the Jackson College continued, with sessions such as: Chapter Management, Conflict Resolution, Understanding Relationships, Building Communication Skills, Value Based Time Management, Chapter Involvement, and Motivation.

The attendees enjoyed a two-hour break, which reconvened with a reception, followed by the Convention banquet. The banquet, by far, was the highlight of the Convention. The black tie affair was held in the Regency Grand Ballroom of the Hyatt Regency Hotel. It was here that Convention attendees and local alumni gathered to enjoy fellowship of the evening, discover the

major award winners, and hear the keynote address given by **Pat Gillick**, USC '58, who serves as the general manager of the Baltimore Orioles.

After the keynote address, **George Obear**, DePauw '30, proceeded to begin the "Handshake Across the Century", a tradition begun by Monroe Marsh Sweetland to bridge future generations of Delta Chis with the Founders through this meaningful and inspiring tradition.

Following the "Handshake Across the Century", **Pat Gillick** and U. S. Representative **R. Samuel Johnson**, S.M.U. '51, were named as Delta Chis of the Year 1997 and 1998, respectively. The Delta Chi of the Year Award is given for achieving success in a chosen profession, while upholding the standards and ideals of Delta Chi. These two men have achieved great levels of success, and have been recognized accordingly.

Lastly, the Certificates of Achievement, Most Improved Awards, Awards of Excellence, and President's Cups were awarded. The recipients of these awards are located in this issue of the *Quarterly*.

After a few closing remarks, the delegates joined together in brotherhood and encircled the entire room to sing "The Bond of Delta Chi." It was a fitting end to a magnificent evening.

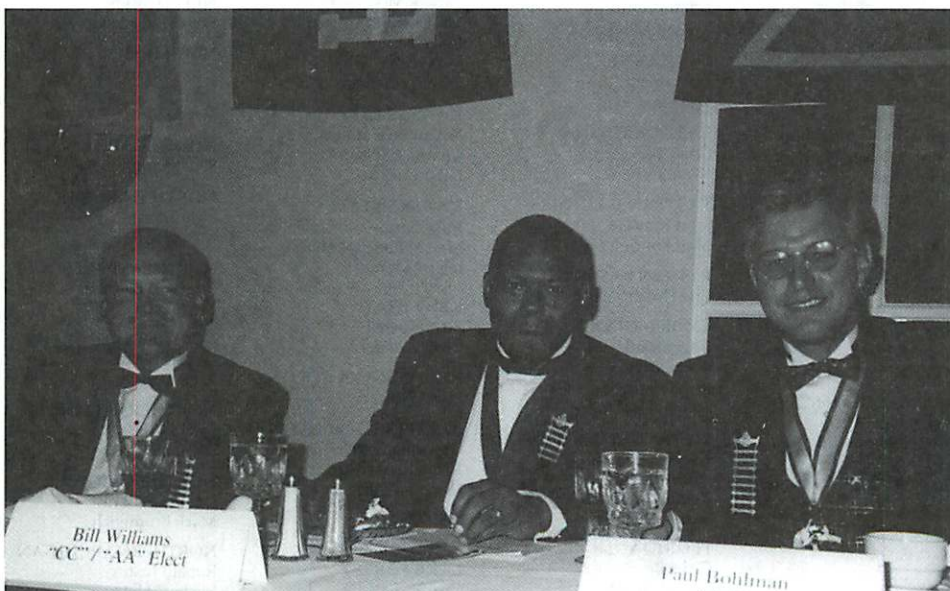

Sunday, August 9, 1998

The only item on the agenda was a closing awards brunch. Here, chapters were honored with programming awards, which marked above average and superior performance in areas ranging from recruitment to scholarship to outstanding ABTs. Recipients of these awards also appear in this issue of the *Quarterly* (p. 10).

The new international officers were sworn in and the ceremonial badge and neck ribbon, which is supposed to be worn by the wife of the "AA" elect, was bestowed by unmarried "AA" elect **Bill Williams** to lifetime Delta Chi Sweetheart, **Marge Lee**.

After his brief closing, "AA" **Bill Williams**, Gannon '83 adjourned the 51st International Convention. This was the culmination of four fast-paced, educational, and fun-filled days. In review, this historic Convention proved to be a rewarding experience shared by old and new friends alike. **Billie Bride**, Georgetown '04, said it best when he stated, "... if you have never been to a Delta Chi Convention, you have yet to have the time of your life!" This Convention proved those words to be true for the nearly 500 Delta Chis in attendance.

Although this Convention has come and gone, it is not too late to begin to prepare for the first Convention of the next Millennium, in August of 2000 in Phoenix, AZ.

1997-1998 Award Winners

The Delta Chi Awards Program is designed to recognize and promote those areas that are critical to the success of the chapter. The oldest award, the "E" Key Award, and the Outstanding "C" Award recognize the performance of two vital chapter officers.

For the other awards, the Fraternity is divided into two divisions: Red and Buff. The Red Division contains those chapters with 19 or more fraternities on their campus or whose Greek system has over 40 percent of the undergraduate student body. The remaining chapters make up the Buff Division.

Chapters that have shown a marked improvement in their overall operations are given the Certificate of Achievement. The "AA" selects the winner of the Most Improved Chapter from the recipients of this award.

The winners of the Award of Excellence show strength across the board. In most cases they are winners of several awards. When they are not, they show above average performance in all areas with no area of weakness.

From the recipients of the Award of Excellence, the "AA" selects the President's Cup winners. There is a maximum of three Cups in each Division, but no minimum.

Special Awards

Convention Honoree

Frank Granat, Jr., Washington '51, was named as Convention honoree. Frank had served as "DD" from 1968 to 1969; "CC" from 1969 to 1970; and as "AA" from 1970 to 1973.

Order of the White Carnation

Fred Hammert, Oklahoma '58

At the 1975 Convention, Delta Chi established the Order of the White Carnation to honor those men who have displayed meritorious and inconspicuous service. Awards of the honor of membership in the Order of the White Carnation are granted by a Convention only after the selection, recommendation and approval of the then members of the Order. At the 51st International Convention, **Fred** was bestowed the honor of membership in the Order. Fred has served his undergraduate chapter as house manager, IFC representative, "C", and "A". Upon graduation, he worked as a leadership consultant for the International Headquarters. In the years that followed, Fred was Vice-President of the Oklahoma Chapter ABT; following the passing of the ABT president, Fred took hold of the reigns. Fred currently serves as Vice-President of the S.M.U. Chapter ABT and House Corporation. On the International level, he has held office as "CC" (1982-1985) and as "AA" (1985-1987). In 1990 he was elected President of the Educational Foundation, a position that he continues to hold. For his exceptional financial support, Fred has also been named as a New Founder. Delta Chi is honored to call him "Brother."

Valor Award

Lawrence D. Tucker, Ball State '81, was presented with the Valor Award for his quick and heroic action in saving a child from a fully engulfed apartment fire on March 3, 1997. The Valor Award is given to those Delta Chis who display courageous and heroic actions. Historically, this award is not given to those who are just performing their occupation or job. Although Lawrence D. Tucker is a firefighter, given the extreme danger of the situation, coupled with his quick wit and action, he has gone above and beyond the call of duty. For this, Delta Chi commends him.

Luther M. "Ken" Young, Auburn '69, for service as "BB" of the Auburn Chapter.

Dave Westol Presented John J. Kuhn Award

The fourth John J. Kuhn Award for Service to the Fraternity Movement was awarded to Dave Westol, Executive Director of Theta Chi Fraternity. The Award, named after former Inter-

national President of the Delta Chi Fraternity and President of the National Interfraternity Conference John J. Kuhn, is presented to individuals who have made significant contributions to the Greek movement. The award, one of the most prestigious awards that Delta Chi offers, recognizes accomplishments and contributions of individuals within the fraternity and sorority worlds, regardless of their affiliation.

The latest recipient, Dave Westol, meets and exceeds the qualifications for this award. Dave is a graduate of Michigan State University and has served as Rush Chairman, Marshal, IFC Vice President and President, Regional Counselor and National Vice President of Theta Chi. Using his law degree and experiences as Executive Director and attorney, Dave has delivered his trademark "Hazing on Trial" over 770 times at over 300 campuses and over 100 national fraternity and sorority conventions.

The Delta Chi Fraternity is proud to honor Dave Westol, the fourth recipient of the John J. Kuhn Award.

Trustee Society

The Foundation is looking for 100 alumni to donate \$1,000 per year (over and above their normal level of support) for a minimum of three years. The first 100 brothers participating in the program will be Charter Members of the Trustee Society. It is they who will provide the resources needed to support a professional development program, a quality development staff, and organized support systems.

Funds from the Trustee Society will enable the Foundation to develop the infrastructure and support needed to pursue major gifts, and will allow Delta Chi to enter the next century with the resources to further the college experience that means so much to so many.

Recognition

Charter members of the Trustee Society will receive a special lapel

pin that designates them as members of the Society. They will also be listed in the fall/winter issue of the Quarterly and every issue of the Foundation's FOCUS newsletter.

Methods of Giving

There are several ways a brother may begin his support of the Foundation at this level:

Gift of cash
 Master Card or VISA donation
 Electronic Funds Transfer
 Gift of appreciated stock

Your support can be broken down into easy payments with the use of Electronic Funds Transfer. If you choose this method, \$84.00 can be automatically withdrawn from the account you designate.

If you would like more information about the Delta Chi Educational Foundation, please contact the Foundation's Managing

Director at the following address or phone number:

FIPG, INC.*
RISK MANAGEMENT POLICY
REVISED 7/97

The Risk Management Policy of FIPG, Inc. includes the provisions which follow and shall apply to all fraternity entities and all levels of fraternity membership.

ALCOHOL AND DRUGS

1. The possession, sale, use or consumption of ALCOHOLIC BEVERAGES, while on chapter premises, during a fraternity event, or in any situation sponsored or endorsed by the chapter, or at any event an observer would associate with the fraternity, must be in compliance with any and all applicable laws of the state, province, county, city and institution of higher education, and must comply with either the BYOB or Third Party Vendor Guidelines.
2. No alcoholic beverages may be purchased through chapter funds nor may the purchase of same for members or guests be undertaken or coordinated by any member in the name of, or on behalf of, the chapter. The purchase or use of a bulk quantity or common sources of such alcoholic beverage, i.e., kegs or cases, is prohibited.
3. OPEN PARTIES, meaning those with unrestricted access by non-members of the fraternity, without specific invitation, where alcohol is present, shall be prohibited.
4. No members, collectively or individually, shall purchase for, serve to, or sell alcoholic beverages to any minor (i.e., those under legal "drinking age").
5. The possession, sale or use of any ILLEGAL DRUGS or CONTROLLED SUBSTANCES while on chapter premises or during a fraternity event or at any event that an observer would associate with the fraternity, is strictly prohibited.
6. No chapter may co-sponsor an event with an alcoholic distributor, charitable organization or tavern (tavern defined as an establishment generating more than half of annual gross sales from alcohol) where alcohol is given away, sold or otherwise provided to those present.
7. No chapter may co-sponsor or co-finance a function where alcohol is purchased by any of the host chapters, groups or organizations.
8. All rush activities associated with any chapter will be a DRY rush function.
9. No member shall permit, tolerate, encourage or participate in "drinking games."
10. No alcohol shall be present at any pledge/associate member/novice program, activity or ritual of the chapter.

HAZING

No chapter, colony, student or alumnus shall conduct nor condone hazing activities. Hazing activities are defined as:

"Any action taken or situation created, intentionally, whether on or off fraternity premises, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Such activities may include but are not limited to the following: use of alcohol; paddling in any form; creation of excessive fatigue; physical and psychological shocks; quests, treasure hunts, scavenger hunts, road trips or any other such activities carried on outside or inside of the confines of the chapter house; wearing of public apparel which is conspicuous and not normally in good taste; engaging in public stunts and buffoonery; morally degrading or humiliating games and activities; and any other activities which are not consistent with academic achievement, fraternal law, ritual or policy or the regulations and policies of the educational institution, or applicable state law."

SEXUAL ABUSE AND HARASSMENT

The fraternity will not tolerate or condone any form of sexually abusive behavior on the part of its members, whether physical, mental or emotional. This is to include any actions which are demeaning to women or men including, but not limited to, date rape, gang rape or verbal harassment.

FIRE, HEALTH AND SAFETY

1. All chapter houses should meet all local fire and health codes and standards.
2. All chapters should have posted by common phones, emergency numbers for fire, police and ambulance and should have posted evacuation routes on the back of the door of each sleeping room.
3. All chapters should comply with engineering recommendations as reported by the insurance company.
4. The possession and/or use of firearms or explosive devices of any kind within the confines and premises of the chapter house is expressly forbidden.

EDUCATION

Each fraternity shall annually instruct its students and alumni on the Risk Management Policy of FIPG, Inc. Additionally, all student and alumni members shall annually receive a copy of said Risk Management Policy.

THIRD PARTY VENDOR CRITERIA

THE VENDOR MUST:

1. Be properly licensed by the appropriate local and state authority. This may involve both a liquor license and a temporary license to sell on the premises where the function is to be held.
2. Be properly insured with a minimum of \$1,000,000 of general liability insurance, evidenced by a properly completed certificate of insurance prepared by the insurance provided.
The certificate of insurance must also show evidence that the vendor has, as a part of his/her insurance coverage, "off premises liquor liability coverage and non-owned and hired auto coverage."
Named insureds included on the certificate of insurance must as a minimum include the local chapter hiring the vendor as well as the international fraternity that the local chapter is affiliated with.
3. Agree in writing to cash sales only, collected by the vendor during the function.
4. Assume in writing all the responsibilities that any other purveyor of alcoholic beverages would assume in the normal course of business, including but not limited to:
 - a. Checking identification cards upon entry;
 - b. Not serving minors;
 - c. Not serving individuals that appear to be intoxicated;
 - d. Maintaining absolute control of ALL alcoholic containers present;
 - e. Collecting all remaining alcohol at the end of a function (no excess alcohol — opened or unopened — is to be given, sold or furnished to the chapter). Vendor MUST remove all alcohol from the premises.

POLICY GUIDELINES

As adopted by FIPG, Inc. December, 1992

1. Closed parties (meaning those events with alcohol present) should have a guest list prepared at least 24 hours in advance. Attendance should be limited to two guests per member.
2. "Non-alcoholic" keg beer is not permitted because it can contain up .05 percent alcohol. Therefore, serving it would be a violation of our policy.

* The membership of FIPG, Inc. now stands at 32 men's groups and 11 women's groups.

Chapter Situations

During the 1997-98 school year, Delta Chi saw a reduction in the number of chapters found in violation of the Risk Management Policy of the Fraternity. Although improvements have been made, policy violations still persist. While the majority of our chapters are making a conscientious effort to live up to the values and expectations of Delta Chi, some chapters are continuing to make poor decisions that jeopardize themselves and Delta Chi. The keys to protecting Delta Chi are education, understanding, implementation, follow through and sound decision making.

What follows is a series of situations that have affected various Delta Chi chapters. There are many advantages to explaining these situations. If you see things here that sound familiar, take the opportunity to learn from the mistakes of others. Reevaluate your chapter or colony's decision making process, or better yet, remove your chapter from potential situations entirely. These examples may also be used as case studies for your Membership Education Program.

The Alabama Chapter, currently on Level V Corrective Action and not functioning at all for the 1998-99 school year, used poor decision making. One month after being removed from a lengthy probation for hazing, the chapter held a social function in which liquor and keg beer was furnished, with minors consuming alcohol as well. The chapter failed to provide a guest list, check IDs or provide security. The chapter was ordered to cease all social functions as a result. Approximately six weeks later, the chapter hosted another function at a local hotel. Many violations occurred during this event, including underage alcohol consumption, the lack of a guest list, no event security or ID checking. These continued violations resulted in the current Corrective Actions.

The Denison Chapter lost its University recognition after the University learned of the chapter's "traditional" pre-initiation practices involving hazing. Delta Chi supports the University's stance and has ordered the chapter to cease operation. All members have been put on inactive status.

The Miami Chapter was found in violation of the Risk Management Policy following an organized variation of a scavenger hunt. The associates were expected to perform stunts and skits which were offensive to the witnessing audience. To further complicate the situation, the individuals involved attempted to evade responsibility by identifying themselves with another student organization, causing further damage to the chapter's reputation.

The Gannon Chapter organized a social function which was initially approved by the University. The chapter felt it was prepared for the event, planning to follow the University's social event policy. The chapter used a guest list, displayed the Risk Management Policy, no alcohol was furnished, and signs were posted regarding underage drinking. What the chapter failed to do however, was follow through and monitor the people attending the event. The Pennsylvania State Police Bureau of Liquor Control and Enforcement arrived at the event and ordered the party to cease. Several underage drinking citations were written. As part of the Corrective Action, alcohol consumption control has been implemented, prohibiting alcohol in the common areas of the chapter property and grounds. Members of legal age are permitted to consume alcohol in their rooms, provided no persons under the age of 21 are present.

Another example of brothers making poor choices involves the Bryant Chapter. In September 1997, a member of the chapter brought a keg onto chapter property. The chapter membership took no action to remove the keg and as a result, the chapter was placed on Level II. In January 1998, the chapter held another social event and was again found in violation for underage drinking. In April, the chapter held a function at a local hotel and more violations, including underage consumption, occurred. These repeated violations prompted the Risk Management Commission to place Bryant on Level IV Corrective Action.

The Missouri Chapter was celebrating their annual Parents/Alumni Weekend and chose to provide a keg. In addition to the bulk quantity violation, underage drinking was involved. As part of the Corrective Action, alcohol consumption control has been implemented, prohibiting alcohol in the common areas of the chapter property and grounds. Members of legal age are permitted to consume alcohol in their rooms, provided no persons under the age of 21 are present.

Risk Management Violations

Despite Delta Chi's continuing effort to educate its membership on sound Risk Management practices, we continue to have chapters violate the Risk Management Policy of the Fraternity. What follows is a list of chapters that are currently on a level of Corrective Action for violations of the Risk Management Policy as of June 30, 1998. Note that for each level of Corrective Action a \$5.00 per man surcharge is applied to that chapter's Risk Management Assessment. For example, a chapter on Level II will be billed an additional \$10 per man on their Risk Management Assessment.

Chapter	Violation	Level
Alabama	Alcohol	V
Bryant	Alcohol	II
Bryant*	Alcohol	IV
Eastern Illinois	Alcohol	II
Gannon	Alcohol	I
Livingston	Hazing	IV
Miami	Hazing	II
Missouri	Alcohol	II
N. Michigan	Alcohol	I

*Chapters listed more than once have multiple violations.

As stated at the beginning, improvements are occurring. Discussions on alcohol free housing, Select 2000, and other alcohol related issues have prompted many to step back and reevaluate their position. Education, implementation, follow through and sound education are the keys to successful risk management practices. Our future depends on them.

Corrective Action Levels

Level 1—Shall include, but is not limited to, ordering that the Chapter cease and desist from the conduct in the future and be in accordance with the requirements of Delta Chi Law and the Risk Management Policy of the Fraternity. The Chapter shall be required to submit to the Executive Director a written statement that all prohibited conduct has been stopped. The statement shall be signed by the "A", "BB" and such other members of the Chapter, as specified in the report, that were involved with or had supervision over the conduct in the violation.

Level 2—Shall include, but is not limited to, all provisions of Level 1, plus the Chapter shall submit a written plan of procedures and/or activities that comply with the Fraternity's Risk Management Policy covering the activities in the violation. The plan shall be updated at least twice per year for the period of corrective action.

Level 3—Shall include, but is not limited to, all provisions of Level 1 and 2, plus supervision of the activities of the Chapter that were involved in the violation by a person or persons acceptable to the Executive Director.

Level 4—Shall include, but is not limited to, all provisions of Levels 1, 2 and 3 plus the charter of the Chapter shall be suspended for the period of time of the corrective action. Chapters under Level 4 Corrective Action shall either be placed in conservatorship, as provided in Delta Chi Law, or shall operate under the direct supervision of the Executive Director.

Level 5—Shall require the suspension of the charter and the cessation of operation of the Chapter as it then exists. Re-establishment of the Chapter shall be subject to the terms and conditions of the Board of Regents after a minimum one-year period.

ALABAMA ALUMNI HONOR GRANGER AND MACE

On August 15, more than 45 Alabama Chapter alumni gathered at The Club in Birmingham to honor **Walter Granger** '50 for 52 years of meritorious service to the chapter. Walt, who pledged in 1946, has served continuously in many capacities, including "BB" during the 1950s, 60s, and 80s, current and past ABT member, and chapter representative to numerous Delta Chi Conventions.

After being thoroughly "roasted" by several of the assembled brothers, Walt was presented an engraved trophy by Dr. **Tom Bolding** '55 who did an outstanding job as the master of ceremonies.

The occasion was also used by the Alabama ABT as the formal kickoff for the Alabama Chapter Alumni Millennium Club Renovation Fund, which plans to raise \$200,000 to complete major renovations to the Chapter House by August 1999. A number of \$1,000 donations were made by the end of the evening toward the \$100,000 needed to start work in January 1999. The ABT urges all chapter alumni to as soon as possible mail their tax deductible donations to: Delta Chi Alumni Millennium Club, c/o John Freeman, 3125 Warrington Road, Birmingham, AL 35223. Checks should be made payable to: University of Alabama, for: Delta Chi Renovation Fund.

Earlier the same day, many brothers also gathered at the Eagle Point Golf Club in North Shelby County to participate in the Bill Mace Memorial Classic. Bill, who passed away on May 10, 1998, was another brother who had served the Alabama Chapter tirelessly since his graduation in 1956.

Thank you, Fred and Marian

How do you adequately acknowledge and express gratitude to those who selflessly continue to support and give to Delta Chi?

This Donor Recognition issue of the *QUARTERLY* is dedicated to Fred and Marian as our way of saying "thank you" for their endless devotion and generosity to Delta Chi. This print was given to Fred and Marian at the Foundation Luncheon of Delta Chi's 51st International Convention held in St. Louis this past August 8th in recognition of their achieving the New Founder Giving Level (\$100,000 or more).

Fred was initiated into the Bond on August 27, 1955, at the University of Oklahoma. The Chapter, founded in 1927, has had both great moments and difficult times. Currently, we await the opportunity to re-colonize on the Oklahoma campus. The absence of his chapter has not diminished Fred's devotion to the Fraternity.

As an undergraduate Fred served in the ROTC program two years and held the positions of Pledge Trainer and Chapter "A". Upon graduation Fred accepted a position as Field Secretary for Delta Chi. Fred answered a call from Gary Monk in 1982 to assume the position of "CC". He became "AA" in 1985 and then President of the Delta Chi Educational Foundation, Inc. in 1997. They have attended seven Conventions together. Indeed, it is hard to imagine a recent Convention without Fred and Marian in attendance.

The devotion of Fred and Marian to each other and their family is an inspiration to all who know them. Delta Chi is quite naturally an extension of Fred's family since Fred's blood brothers Walter and Carl are also fellow brothers in the Bond.

Marian continues to enjoy teaching kindergarten and Fred copes daily with ever changing corporate challenges. Nevertheless, they always make time for young people; their consideration and compassion know no bounds. Regardless of the many demands on their time, they always find time for Delta Chi. Perhaps Fred and Marian's daughter Lisa summed it up best, "Some men have golf, my Dad has Delta Chi."

A simple thank you seems inadequate, but Fred and Marian believe in the contribution Delta Chi can make to a young man's life, and this is their true reward and they are loved for it.

George Corley Wallace, Alabama, September 13, 1998

Wallace was Alabama's only four-term governor, serving from 1963 to 1967, 1971 to 1979 and from 1983 to 1987.

He quarterbacked and captained his high school football team, twice won the state Golden Gloves bantamweight boxing championship, and drove a cab and waited on tables to help pay his way through the University of Alabama, from which he earned a law degree in 1942.

Biographer Stephan Leshers suggested Wallace's most lasting significance is that of working class spokesman against the intrusion of "big" government. "I don't expect people to forget my brash words or deeds," Wallace once said. "But I ask that they try to remember the actions that I took that were designed to help them."

Chronology
-1942, received law degree from University of Alabama, joined the Army Air Corps.

-1945, discharged from Air Corps; hired as assistant state attorney general.

-1946, elected to Alabama House of Representatives.

-1953, elected circuit judge for Barbour County, where he earned the nickname "the fightin' little judge."

-1958, made first, unsuccessful race for governor.

-1962, elected governor.

-1963, proclaimed "segregation

forever" at his January inaugural and made his "stand in the schoolhouse door" in an attempt to block the enrollment of two African-American students at the University of Alabama.

-1964, mounted first campaign for president.

-1965, initiated by the Alabama Chapter on July 22.

-1966, unable by law to succeed himself as governor, Wallace ran his wife, Lurleen, who become the state's first female governor.

-1968, mounted third-party campaign for president, won five states.

-1970, elected to second term as governor.

-1972, began third campaign for president. On May 15, on eve of victories in Michigan and Maryland, was gunned down. In wheelchair, addressed the Democratic National Convention.

-1974, re-elected overwhelmingly to a third term as governor.

-1976, made fourth and last run for White House, dropping out after losing to fellow Southerner Jimmy Carter in early primaries.

-1979, retired from politics, but kept an office in Montgomery.

-1982, won a fourth term as governor, saying he was wrong about segregation and winning crucial black votes.

-1986, made tearful announcement he would not seek re-election, citing poor health.
