OUR FUTURE BEGAN IN 1890

Founders' Day is a day for us as members of Delta Chi to look back and examine our history and plan for the future.

We are fortunate to be provided with a fraternity of Founders who projected our future in 1890. Very often we get wrapped up in the complications of our lives, our membership in Delta Chi is no different. The International Fraternity, Chapters and Brothers often are forced to deal with conflicts that cloud the ideals on which we were founded.

This past year an excellent book was written by Joseph J. Ellis entitled, *The Founding Brothers: The Revolutionary Generation*. The book provided insight into the day-to-day struggles our nation's Founders experienced and the magnificent way in which they created a framework for a new and growing nation. Although our Founders are not as recognized, they have played an important part in our lives as Delta Chis. It is amazing that eleven men sat down at Cornell and created an institution that has graced the lives of over 85,000 men for the past 112 years. Our future did begin in 1890 and it is

time once again to focus on why Delta Chi was created.

At our convention in Orlando we were presented with the initial report of our Strategic Planning Committee. We as a Fraternity are devoting a great deal of personnel and economic assets to refocus on Delta Chi's purpose in the future. It is very interesting to note the Strategic Planning process began with a simple evaluation of our Preamble. To forecast our future we essentially went back to 1890 at Cornell to grasp the fundamentals of our existence. Our core reasons for

"Our core reasons for being will be the same in the future as they are now and as they were in 1890."

being will be the same in the future as they are now and as they were in 1890. We are not here for alumni egos and we are not here to be reactive. Delta Chi is in existence to be proactive in providing an undergraduate experience for university men that will enable them to enjoy life, reach their goals and maximize their potential in today's world. This end result will re-

quire a complicated effort combining successful implementations of numerous plans. To maximize the undergraduate experience we must as a Fraternity, from the undergraduate to the Executive Committee, do all we can to enhance rush and retention, alumni relations and housing for our chapters. These have been areas identified in the Strategic Planning Report as the core factors to secure our future growth and success. We will, with your help, strive to implement new programs and improve existing programs to reach these goals.

We as Delta Chis are part of a greater picture. Individuals are part of a community and for us that projects from the Chapter level through the University level through our International Fraternity and into

society as a whole. If you succeed as a Delta Chi, you will have formatted a framework of success that you can build upon after graduation. Continued success after graduation often reflects on your adherence to our Fraternity's founding principles. At events such as our convention you often have the opportunity to meet the active alumni who after twenty, thirty or even

Charles A. Mancuso, "AA"

fifty years still hold our founding principles to heart. These gentlemen are often successful in business, have wonderful families and are core members of their communities. I do not think this is a mere coincidence. They are the living examples of our Founders' intent in creating our Fraternity. Simple life lessons facilitated by our Founding Fathers in 1890 have provided a road map for success in today's world. Take advantage of what Delta Chi offers, take advantage of the opportunities that have proven themselves for more than 112 years.

I wish you and your Chapter a prosperous new school year and continued growth within our Bond of Brotherhood.

In The Bond,

Charles A. Mancuso, "AA"

Orlando, Florida and Walt Disney World provided the setting for Delta Chi Fraternity's 53rd Convention, which was held from July 31 through August 4. Over 400 undergraduates, alumni and guests made the journey to central Florida to experience five memorable days of becoming acquainted with brothers from across North America, attending educational sessions, and conducting fraternity business on behalf of their chapters or colonies.

Wednesday, July 31

Most attendees arrived on Wednesday, gathered their registration materials and settled into the hotel. The convention body assembled for the first time that evening to listen to professional speaker John Spence discuss ways to make the most of the convention experience, and ultimately some of the steps we should take to change our lives and shape our futures. Attendees then gathered immediately after the presentation for a welcome reception in which brothers and

CONVENTION REVIEW

guests established new friendships while renewing those of old.

Thursday, August 1

Convention attendees gathered early Thursday morning for a continental breakfast and to get prepared for a day of "getting down to business" which began promptly with the start of General Session I.

The Session was called to order at 8:50 AM by the Sergeant at Arms **Mark Shramka**, Northwestern. Shortly after, the Convention sang "Fovens Mater" and recited the Preamble. After his welcoming comments, "AA" **Bill Williams** led the entire Convention in a stirring rendition of "Happy Birthday" sung to Convention Coordinator **Tony McClain**. The Memorial Resolution was then presented by Greg Hauser, Michigan State '77 in honor of those brothers who had passed away over the past biennium.

Executive Director **Ray Galbreth** recognized attendees based on the number of conventions attended, including **George Obear**, DePauw '30 who has attended more than any other Delta Chi. The Convention showed its appreciation to George's longtime dedication to the Fraternity by giving him a standing ovation on this his 26th Convention.

The Convention was then honored by the presence of Judy Griffin, the niece of Founder Peter Schermerhorn Johnson. After sharing family stories about Founder Johnson, Mrs. Griffin surprised the convention by presenting Delta Chi with Founder Johnson's badge. It is the first Founder's badge to be included in the Fraternity's archives. The badge was made available for the duration of the Convention and was a "must see" for all in attendance.

Nominations were then accepted for Delta Chi Executive Committee posi-

tions. Nominated for "AA" were **Chris Johnson**, Kentucky '77, **Chuck Mancuso**, Florida State '84, and **John Shelby**, Sacramento '86. Nominated for "CC" was **Steve Bossart**, Kent State '90. The nominees for "DD" were **John Dörner**, Illinois State '91, and **Mike Woolbright**, Long Beach '86. Each candidate addressed the convention before General Session I was adjourned for the Educational Foundation Luncheon.

Following the Foundation Luncheon, attendees gathered in front of the hotel for the convention photo. They then proceeded to Regional Caucuses where each Executive Committee candidate addressed their questions and concerns.

General Session II began with elections. As a result, we are proud to welcome Chuck Mancuso as "AA", Steve Bossart as "CC", and Mike Woolbright as "DD".

Other legislative items of note included: expanding the eligibility requirements for the international offices, modifying how the elections are conducted, adding a clause to Delta Chi Law regarding the protection of our trademarks, revising the expulsion procedures and clarifying the term of office for undergraduate members of the standing committees.

Upon the conclusion of General Session II, the undergraduates had a short break for dinner while Regents and "BB"s, as well as ABT and House Corporation Presidents gathered for a recognition dinner that expressed the Fraternity's appreciation for their work on behalf of Delta Chi. The evening was capped with an Alumni Ceremony, followed by a Ritual Exemplification. After a long and intense day of business, many Delta Chis chose to unwind at nearby Downtown Disney and Pleasure Island.

Friday, August 2

Despite early rain, many Convention attendees risked the weather to compete in the 5th Biennial Kimball Open Golf Tournament which was played on Disney Palm, a favorite stop on the PGA Tour. The team of **Reed Davis**, **Brian Gardner**, Jennifer and **Miles Washburn** took the championship.

The educational sessions also kicked off Friday morning with sessions on the Delta Chi Educational Foundation, Chapter Leadership, Warm Fuzzies/Cold Pricklies, and Becoming a Leadership Consultant. Attendees were then motivated by David Stollman, who presented on the ever-pertinent topic of recruitment and gave them ideas to take back to their chapters to help improve their ability to recruit the members they really want.

Early afternoon provided sessions on the topics of the Chartering Process, Managing Change, Time Management, Public Relations and How to Impress the Women in Your Life. Upon the conclusion of the sessions, the attendees were ready to take advantage of all Orlando and Disney had to offer. Some attendees spent the day poolside at the hotel, while others chose to hit up the Magic Kingdom or Universal Studios among other popular attractions.

Saturday, August 3

On Saturday, the educational sessions continued to provide attendees with valuable information on a wide variety of topics. Some of the topics that morning included Working with Today's College Man, Creating an Effective Executive Board, the Secrets of Interviewing Success, Designing a Member Development Program, and Writing an Impactful Resume.

The middle of the day gave way to special sessions which gave all attendees tips for improving their lives. Greg Hauser gave a powerful speech reflecting on the preamble. His presentation discussed incorporating the preamble into our lives and how friendship, character, justice and education are all related and cannot effectively stand

alone. During lunch, Lorrie Bossart gave us all valuable tips on etiquette for business or social dining. It was clear from her presentation that "Manners Matter." **Paul Picciani**, Connecticut '86 captivated those in attendance with a presentation entitled "Movies, Lessons, Life". This presentation discussed what it takes to be successful not only in business but life in general. Paul discussed the strategies of working smart, working with passion, working with energy and the importance of having balance.

That evening, the Banquet was held in celebration of the many achievements of our fraternity and its members. Following dinner, George Obear began the "Handshake Across Time," a tradition begun by Founder **Monroe Marsh Sweetland** to bridge future generations of Delta Chis with the Founders through this meaningful and inspiring tradition.

The 2001 and 2002 Delta Chi of the Year Awards were then awarded to **Chauncey "Tex" Cook**, Texas '30, and **James Webb**, Southern California '67, respectively. The Certificates of Achievement, Most Improved Awards, Awards of Excellence, President's Cups, John J. Kuhn Award and Valor Awards were also presented. A list of these and other awards is located on pages 20-21.

"There is nothing that can take the place of the Convention in inspiring loyalty to Delta Chi and bringing about a realization that this is a (Inter) National, not merely a local organization. Any man who can attend the Convention and fails to do so, will regret it."
-1911 Delta Chi Quarterly

The banquet came to a close with an inspirational keynote address by Congressman **John L. Mica**, Florida '67, which reflected on his involvement with Delta Chi over the years and how it has affected him personally and professionally. Brother Mica is a former Leadership Consultant with the fraternity and has served his district in Congress since 1992. After emotional closing remarks by outgoing "AA" Bill Williams, attendees joined together to sing the "Bond Song." It was a fitting end to a special evening.

Sunday, August 4

The only event on the agenda for Sunday was the Awards Brunch. The rest of the programming and individual awards were presented at that time. After the awards presentation, Tony McClain was presented with a Convention Coordinator plaque by Executive Director, Ray Galbreth, and **Chris Johnson**, Order of the White Carnation, generously presented his badge to the Fraternity to be worn as the official badge of the "CC".

The new International Officers were then sworn in and in his first act as "AA", Chuck Mancuso decreed Marge Lee to be Delta Chi's First Lady Emeritus. Marge has served the Fraternity loyally for thirty-eight years. It was a fitting token of the appreciation Delta Chi feels for her continued dedication and service.

The 53rd Convention was then officially adjourned and the attendees said their farewells and parted with clear intent to see each other again in Washington, DC at the 2004 Convention. In review, the convention proved to be a rewarding experience shared by old and new friends alike. **Billie Bride**, Georgetown '04, once said that "...if you have yet to attend a Delta Chi Convention, you have yet to have the time of your life." Over 75 years later, those words ring just as true.

A PRECIOUS GIFT

Last fall, the Headquarters received a call that it had given up hope of ever receiving. The caller introduced herself as Judy Griffin and said that she had the badge of one of our Founders, Peter Schermerhorn Johnson, and that she wished to give it to the Fraternity. She explained that, as a member of Alpha Chi Omega, she understood the importance of the badge to us. Judy went on to say that she was hesitant to send it for fear of it being lost in transit. When asked where she was living so that we could determine if a key alumnus was nearby to pick it up, she responded by saying that she lived just outside of Orlando, Florida. When asked if she would like to present the badge to the Fraternity at the convention, Judy said she would. The hardest thing to do at that point was not to tell everyone and keep the surprise among the few who needed to know. Arrangements were made and we waited.

Finally, the convention came. After the opening protocols, Judy was introduced to the convention with the simple comment that she had a special presentation to make. Here are her remarks:

"My name is Judy Griffin, and my great aunt, Clara vonGonten, was married to Peter Johnson, one of the founders of Delta Chi. Uncle Schem was the name that I always knew him by. I did not have the pleasure of knowing him personally, as he died before I was born. My mother, however, grew up in Sapulpa, OK which was ten miles away from Tulsa, where Aunt Clara and Uncle Schem lived, and she remembers him very well.

My mother recalls that Uncle Schem was always very friendly to everyone and jolly and playful with children. One of her first

Founder Johnson's badge.

memories was when she was five years old, and he entertained her and her brother at the dinner table by lining up his peas on his knife. I don't know that my aunt found it amusing, but the kids loved it.

Uncle Schem always called Aunt Clara 'Lovey', and they were very happily married. She always had a starched white shirt ready for him to wear every morning. Uncle Schem always dressed in a suit and was always a perfect gentleman.

Uncle Schem and Aunt Clara were married for 33 years, until

his death in 1947. Aunt Clara passed on in 1972. As they had no children, my mother and her brothers were Aunt Clara's closest relatives and heirs and divided up her household goods and personal items.

Last fall I was helping my mother look for a particular piece of jewelry that she wanted to wear, and I came across a small square box. I opened it up to see what it contained and found something that totally surprised me, which is the reason that I am here today.

I would like to present Peter Johnson's badge to the Delta Chi Fraternity."

Needless to say, it was a big hit. During the rest of the convention, attendees were constantly asking to see and touch the badge. Judy and her husband Jim were invited to be the Fraternity's special guests for the Alumni Banquet on Saturday night where once again, the brothers were able to show their excitement and appreciation for such a meaningful gift.

"AA" **Bill Williams** and Executive Director **Ray Galbreth** pictured with Judy Griffin, shortly after the "AA" presented her with a bouquet of flowers from the Fraternity in heartfelt appreciation of her gift of Founder Johnson's badge.

Trustee Society

The Foundation has created a special society to recognize those who make a three-year commitment of \$1,000 per year above their normal level of support. The first 100 members will be known as Charter Members of the Trustees Society. The generous support of these men will provide the resources necessary to support a professional development program, a quality development staff, and organized support systems. They will allow the Foundation to develop the infrastructure needed to pursue major gifts and to build a solid base upon which Delta Chi can grow.

Charter members of the Trustees Society will receive a special lapel pin that designates them as members of the Society. They will also be listed in the fall issue of the *Quarterly* and on the Foundation's website.

If you would like more information about the Delta Chi Educational Foundation please contact **Bob Hendershot**, Treasurer, Educational Foundation, P.O. Box 2686, Iowa City, IA 52245.

The following is a list of Charter members who, as of 6/30/02, have either completed their commitment (**bold**) or have signed a commitment to do so:

* deceased

Did you believe them when they told you that you would feel this way forever?

Remember your days as an undergraduate? Young and excited. Idealistic. Proud to be a Delta Chi, and ready to take on the world.

And now... busily engaged with your career, family and community. We still feel the same way we did before. But sometimes it feels like there is just not enough time to devote to the things that made us so happy and fulfilled back then.

Fact is, you're as much a Delta Chi today as you were when you were in your Chapter. Our roles as alumni are different, but it's still a very real, vibrant and fulfilling experience for all of us. And you're still a part of it.

To celebrate the Delta Chi in all of us, the Fraternity announces its new
Life Loyal Delta Chi Program

Each Brother supporting Delta Chi Fraternity with a \$295 (one time) contribution will be honored as a Life Loyal and will be afforded the following important benefits and privileges:

- Special ribbon at national meetings
- Permanent special recognition on the Delta Chi website
- Subscription to the Foundation's newsletter
- \$100 off convention registration
- Invitation to special Life Loyal Delta Chi reception at Convention
- Special Life Loyal lapel pin
- Lifetime subscription to the magazine

You may be wondering....why a Life Loyal program? And why now?

That's easy. Our Fraternity must supplement its income sources to remain competitive. And we feel that special recognition must be given to those stepping forward to do their part.

Did you know that last year, our alumni outnumbered undergraduates by 16 to 1, yet undergraduates provided for 80% of the Fraternity's operating budget? We can do better.

Our Foundation receives support from many of our alumni and provides grants to our Fraternity for programs supportable with IRS approved tax-deductible dollars. This is important for our Fraternity. But it's limited, and the IRS will not allow Foundation gifts to help chapter services, rush assistance, the DELTA CHI QUARTERLY and other key areas.

Gifts to the Delta Chi Fraternity are not tax deductible.

Visit www.deltachi.org, or use the enclosed envelope to send in your Life Loyal membership.

Or you can choose to send \$45 for one year or \$75 for two year's support of the Fraternity's Loyalty Fund. These contributions will be put to the same work.

**The need is great. The benefits are solid. The choice is yours.
Let's celebrate our Fraternity and its lifetime of value and benefits. Together.**

2001-2002 Award Winners

The Delta Chi Awards Program is designed to recognize and promote those areas that are critical to the success of the chapter. The "E" Key, the Fraternity's oldest award, and the Outstanding "C" Award recognize the performance of two vital chapter officers.

For the other awards, the Fraternity is divided into two divisions: Red and Buff. The Red Division contains those chapters with 19 or more fraternities on their campus or whose Greek systems have over 40 percent of the undergraduate student body. The remaining chapters make up the Buff Division.

Chapters that have shown a marked improvement in their overall operations are given the Certificate of Achievement. The "AA" selects the winner of the Most Improved Chapter from the recipients of this award.

The winners of the Award of Excellence show strength across the board. In most cases they are winners of several awards. When they are not, they show above average performance in all areas with no area of weakness.

From the recipients of the Award of Excellence, the "AA" selects the President's Cup winners. There is a maximum of three Cups in each Division.

Jonathan Brant of Beta Theta Pi Receives John J. Kuhn Interfraternity Service Award

The John J. Kuhn Award for Service to the Fraternity movement is named after former Delta Chi President and President of the National Interfraternity Conference, **John J. Kuhn**, Cornell 1898. It is presented every other year at our Convention to an individual who has made a significant contribution to the Greek movement. The award, one of the most prestigious awards that Delta Chi offers, recognizes accomplishments and contributions of individuals within the fraternity and sorority world regardless of their affiliation.

This year we are proud to present the John J. Kuhn Award to Jonathan Brant.

Jonathan is 1975 graduate of Miami University, Oxford, Ohio, where he received a degree in business and later his MBA. He served as Beta Theta Pi's Administrative Secretary from 1977 through 1982, at which time he was selected as the executive vice president of the National Interfraternity Conference. In 1988, he was designated a Certified Association Executive by the American Society of Association Executives. He served as the 1993-94 President of the Indiana Society of Association Executives, a professional society that presented him with its Association Executive of the year award in 1995 and its Larry A. Conard Achievement in Volunteerism award in 1998. The crossroads of America Council of the Boy Scouts of America presented him the Silver Beaver award in January 1999. The Association of Fraternity Advisors honored him with the highest award to a person not employed by an institution of higher education with its 1998 Jack L. Anson Award.

In 1999, Jonathan was named director of the Beta Theta Pi Foundation, a position which he currently holds.

Over the years, Jonathan has worked tirelessly to advance the fraternal movement.

He believes strongly in the value of fraternities and sororities and wants to ensure that future generations of college students have the opportunity to experience the brotherhood and sisterhood that each of us have had.

His impact on the fraternity movement, via his involvement with his own fraternity, Beta Theta Pi, and the NIC makes Jonathan an outstanding and obvious recipient of the 2002 John J. Kuhn Award.

Jonathan Brant is pictured here holding the John J. Kuhn Award and the minutes from John J. Kuhn's term as NIC president. On Jonathan's left is Greg Hauser, Michigan State '75 who served as one of the NIC's presidents during Jonathan's tenure as its administrative secretary.

FIPG, INC.*

RISK MANAGEMENT POLICY

REVISED 7/97

The Risk Management Policy of FIPG, Inc. includes the provisions which follow and shall apply to all fraternity entities and all levels of fraternity membership.

ALCOHOL AND DRUGS

1. The possession, sale, use or consumption of ALCOHOLIC BEVERAGES, while on chapter premises, during a fraternity event, or in any situation sponsored or endorsed by the chapter, or at any event an observer would associate with the fraternity, must be in compliance with any and all applicable laws of the state, province, county, city and institution of higher education, and must comply with either the BYOB or Third Party Vendor Guidelines.
2. No alcoholic beverages may be purchased through chapter funds nor may the purchase of same for members or guests be undertaken or coordinated by any member in the name of, or on behalf of, the chapter. The purchase or use of a bulk quantity or common sources of such alcoholic beverage, i.e., kegs or cases, is prohibited.
3. OPEN PARTIES, meaning those with unrestricted access by non-members of the fraternity, without specific invitation, where alcohol is present, shall be prohibited.
4. No members, collectively or individually, shall purchase for, serve to, or sell alcoholic beverages to any minor (i.e., those under legal "drinking age").
5. The possession, sale or use of any ILLEGAL DRUGS or CONTROLLED SUBSTANCES while on chapter premises or during a fraternity event or at any event that an observer would associate with the fraternity, is strictly prohibited.
6. No chapter may co-sponsor an event with an alcoholic distributor, charitable organization or tavern (tavern defined as an establishment generating more than half of annual gross sales from alcohol) where alcohol is given away, sold or otherwise provided to those present.
7. No chapter may co-sponsor or co-finance a function where alcohol is purchased by any of the host chapters, groups or organizations.
8. All rush activities associated with any chapter will be a DRY rush function.
9. No member shall permit, tolerate, encourage or participate in "drinking games."
10. No alcohol shall be present at any pledge/associate member/novice program, activity or ritual of the chapter.

HAZING

No chapter, colony, student or alumnus shall conduct nor condone hazing activities. Hazing activities are defined as:

"Any action taken or situation created, intentionally, whether on or off fraternity premises, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Such activities may include but are not limited to the following: use of alcohol; paddling in any form; creation of excessive fatigue; physical and psychological shocks; quests, treasure hunts, scavenger hunts, road trips or any other such activities carried on outside or inside of the confines of the chapter house; wearing of public apparel which is conspicuous and not normally in good taste; engaging in public stunts and buffoonery; morally degrading or humiliating games and activities; and any other activities which are not consistent with academic achievement, fraternal law, ritual or policy or the regulations and policies of the educational institution, or applicable state law."

SEXUAL ABUSE AND HARASSMENT

The fraternity will not tolerate or condone any form of sexually abusive behavior on the part of its members, whether physical, mental or emotional. This is to include any actions which are demeaning to women or men including, but not limited to, date rape, gang rape or verbal harassment.

FIRE, HEALTH AND SAFETY

1. All chapter houses should meet all local fire and health codes and standards.
2. All chapters should have posted by common phones, emergency numbers for fire, police and ambulance and should have posted evacuation routes on the back of the door of each sleeping room.
3. All chapters should comply with engineering recommendations as reported by the insurance company.
4. The possession and/or use of firearms or explosive devices of any kind within the confines and premises of the chapter house is expressly forbidden.

EDUCATION

Each fraternity shall annually instruct its students and alumni on the Risk Management Policy of FIPG, Inc. Additionally, all student and alumni members shall annually receive a copy of said Risk Management Policy.

THIRD PARTY VENDOR CRITERIA

THE VENDOR MUST:

1. Be properly licensed by the appropriate local and state authority. This may involve both a liquor license and a temporary license to sell on the premises where the function is to be held.
2. Be properly insured with a minimum of \$1,000,000 of general liability insurance, evidenced by a properly completed certificate of insurance prepared by the insurance provided.
The certificate of insurance must also show evidence that the vendor has, as a part of his/her insurance coverage, "off premises liquor liability coverage and non-owned and hired auto coverage."
Named insureds included on the certificate of insurance must as a minimum include the local chapter hiring the vendor as well as the international fraternity that the local chapter is affiliated with.
3. Agree in writing to cash sales only, collected by the vendor during the function.
4. Assume in writing all the responsibilities that any other purveyor of alcoholic beverages would assume in the normal course of business, including but not limited to:
 - a. Checking identification cards upon entry;
 - b. Not serving minors;
 - c. Not serving individuals that appear to be intoxicated;
 - d. Maintaining absolute control of ALL alcoholic containers present;
 - e. Collecting all remaining alcohol at the end of a function (no excess alcohol — opened or unopened — is to be given, sold or furnished to the chapter). Vendor MUST remove all alcohol from the premises.

POLICY GUIDELINES

As adopted by FIPG, Inc. December, 1992

1. Closed parties (meaning those events with alcohol present) should have a guest list prepared at least 24 hours in advance. Attendance should be limited to two guests per member.
2. "Non-alcoholic" keg beer is not permitted because it can contain up .05 percent alcohol. Therefore, serving it would be a violation of our policy.

* The membership of FIPG, Inc. now stands at 32 men's groups and 13 women's groups.

Chapter Situations

Each year thousands of young men join fraternities, looking for the mystical “bond of brotherhood” and a sense of belonging that has so much to do with why Delta Chi was founded by eleven men on October 13, 1890 on the campus of Cornell University. Since then, Delta Chi has flourished.

However, it has not always been easy for Delta Chi and other fraternities. Marsh W. White, “AA” Emeritus, may have said it best when he said, “The ability of the fraternity movement to survive and grow in spite of many negative circumstances, might be explained by the fact that it has two quite different sets of purposes and characteristics.” Marsh went on to explain that these different sets of purposes and characteristics could be described as *spiritual* and *utilitarian*. According to Marsh, the spiritual objectives “have remained rather constant since the inception of the fraternity idea” and would include concepts such as those described in the Preamble to Delta Chi’s Constitution.

The utilitarian purposes and characteristics of the fraternity community, according to Marsh, “have changed in accordance with social trends and the demands of the times.” Marsh added, “Since each fraternity chapter must go before its supporting public to recruit new members at all too frequent intervals, its utilitarian purposes are kept continuously responsive to what the mercantile field called customer demands.”

Unfortunately, problems occur when the actions associated with the utilitarian purposes run counter to those spiritual purposes. Ultimately one must give and one must win out. Naturally, one would assume the spiritual purpose would win out considering it has lasted the Fraternity since its founding and will likely be there for very many years to come. However, many members join primarily for reasons associated with those utilitarian purposes and understandably are not readily willing to give them up.

So despite Delta Chi’s continuing efforts to educate its membership on sound Risk Management practices that would help ensure the safety of our members and guests, we continue to have chapters take risks that put people and Delta Chi in jeopardy. That is not to say the chapters on the following list are “bad” chapters. Likewise, it is unrealistic to assume that chapters that are not on this list are complying with every policy. The bottom line of this issue is that members of the Fraternity are engaging in dangerous activities and taking unnecessary risks with their future and the future of Delta Chi, because they believe this will help fill voids where their needs are not being met. Whatever the case, the solution remains the same. Each and every chapter needs the involvement of mature alumni who can help the Fraternity’s student members discover that there are alternatives that can meet both their long and short-term needs. Finally, each and every member of Delta Chi needs to periodically reflect on Delta Chi’s values as contained in our Preamble: Promote Friendship, Develop Character, Advance Justice, and Assist in the Acquisition of a Sound Education.

What follows is a list of chapters that are on Corrective Action for violation of the Risk Management Policy as of October 15, 2002.

**The Sacramento Chapter has lost university recognition and their operations have been ordered to cease, along with the inactivation of all student members by the chapter’s conservator, due to the hazing activities of the chapter.*

Corrective Action Levels

Level 1 — Level 1 Corrective Action shall include, but is not limited to, ordering that the Chapter cease and desist from the conduct in the future and be in accordance with the requirements of Delta Chi Law and the Risk Management Policy of the Fraternity. The Chapter shall be required to submit to the Executive Director a written statement that all prohibited conduct has been stopped. The statement shall be signed by the “A”, “BB” and such other members of the Chapter, as specified in the report, who were involved with or had supervision over the conduct in the violation.

Level 2 — Level 2 Corrective Action shall include, but is not limited to, all provisions of Level 1, plus the Chapter shall submit a written plan of procedures and/or activities that comply with the Fraternity’s Risk Management Policy covering the activities in the violation. The plan shall be updated at least twice per year for the period of corrective action.

Level 3 — Level 3 Corrective Action shall include, but is not limited to, all provisions of Levels 1 and 2, plus supervision of the activities of the Chapter that were involved in the violation by a person or persons acceptable to the Executive Director.

Level 4 — Level 4 Corrective Action shall include, but is not limited to, all provisions of Levels 1, 2 and 3 plus the charter of the Chapter shall be suspended for the period of time of the corrective action. Chapters under Level 4 Corrective Action shall either be placed in conservatorship, as provided in Delta Chi Law, or shall operate under the direct supervision of the Executive Director.

Level 5 — Level 5 Corrective Action shall require the suspension of the charter and the cessation of operation of the Chapter as it then exists. Re-establishment of the Chapter shall be subject to the terms and conditions of the Board of Regents after a minimum one-year period.

DELTA CHI OF THE YEAR

2001

"Tex" Cook, Texas '30

Chauncey W. W. "Tex" Cook, Texas '30 served as chairman of General Foods Corporation from 1966 to June 1974. He was the company's chief executive from 1965 to 1973 and president from 1962 to 1972. He also served on the Board of Directors of American Machine Foundry; Capital National Bank; Chase Manhattan Bank; Shell Oil Company; Texas Commerce Bancshares, Inc.; and Whirlpool Corporation. He also served on a wide variety of volunteer panels. He was named chairman of the panel on food processing and manufacturing for the White House Conference on Food, Nutrition and Health in 1969 and was a trustee of the Committee for Economic Development from 1965 to 1974 and The Council of the Americas from 1965 to 1974. He was also national chairman of the United Community Campaigns of America and received honorary degrees of Doctor of Laws from Babson Institute of Business Administration, Long Island University, Iona College; Doctor of Humane Letters from Pace College; and Doctor of Engineering from Michigan Technological University. The list of his wide-ranging achievements and service goes on.

In 1980, the *Quarterly* did a feature on "Tex," and here are some excerpts from what he said at that time.

"Having worked since age 10 (paper route, delivery boy, grocery clerk, dance orchestra), I have just taken for granted that responsible people work and get satisfaction from performing as well as they could. I feel sorry for those who do not take pride in being regarded by one's fellowmen as capable, productive, responsible, effective."

"Commitment to my company was unlimited. We would go where the company needed me, take vacations when and as conditions permitted, and work whatever hours were necessary to do the job well."

"Ability to communicate effectively is a 'must'. My most useful extra-curricular activity in high school was the debating team. My most productive course in college was public speaking. . . . I am grateful my first boss put such emphasis on learning to write a good, one-page report on even a complex subject."

"By and large, those who emerge from the pack and gain recognition for their potential have familiar qualities – willingness to take responsibility, to work harder and longer, to lead others, to get results."

"Membership in Delta Chi was very helpful to me. . . . That was my first exposure to the problems of staying within an organization's budget and competing with other groups for new members and providing a measure of leadership when elected head of the chapter for a period. Perhaps even more important was learning to live, work and study in the midst of a group of young men from different backgrounds, with different goals and values. . . . Those four years helped prepare me for the 50 years that have elapsed since then, and I shall ever be grateful."

It sounds like today's business world is in need of more leaders like Chauncey W. W. "Tex" Cook. Brother Cook lives in Austin, TX with his wife, Frances. They have two children and three grandchildren.

2002

James Webb, USC '67

Less than a year out of Annapolis, James H. Webb was sent to Vietnam, where he distinguished himself in combat. For exposing himself to enemy fire while saving a wounded Marine, he was awarded the Bronze Star. A few weeks later he won the Silver Star for repeatedly exposing himself to harm while retrieving casualties and leading a counterattack. Two months after he received his Silver Star, he led an attack on three enemy bunkers and used his own body to shield another Marine from a grenade blast. He then destroyed one bunker with his own grenade. For this, he was awarded the Navy Cross (the highest award bestowed by the Department of the Navy). He personally received two Purple Hearts with shrapnel lodged in his head, back, kidney, left arm and left leg.

Following his service in Vietnam, Webb returned to attend Georgetown Law School. Webb was so disappointed with how his classmates looked at the war that he began to write the novel *Fields of Fire*. Webb has written six best-selling novels: *Fields of Fire* (1978), considered by many to be the classic novel of the Vietnam War, *A Sense of Honor* (1981), *A Country Such As This* (1983), *Something To Die For* (1991), *The Emperor's General* (1999), and *Lost Soldiers* (2001).

In 1987, his life took another turn when President Reagan appointed Webb Secretary of the Navy. As the CEO of the Department of the Navy, Webb was the civilian in charge of a 600-ship fleet with more than 400,000 Sailors and 200,000 Marines. At age 41, Webb was the youngest Navy Secretary since 1797, when the position was created.

During Reagan's last year in office, Webb resigned as Secretary of the Navy after refusing to agree to a reduction in the Navy's force structure during congressionally mandated budget cuts. He then focused once again on writing books and public speaking.

Now, three decades after leaving USC and the Naval Academy, Webb looks back on his time as an undergraduate Delta Chi as having better prepared him for the diverse leadership positions he has held. "The year of college I had before going to the Naval Academy, and the fraternity experience itself, broadened my horizons in a way that was helpful both while I was at Navy and later in life as well."

Whether as a student at USC in the 1960s, a Marine in Vietnam in the 1970s, Secretary of the Navy in the 1980s, or an author in the 1990s, James Webb has always held true to the founding beliefs of our fraternity. He has lived the principles of tradition and character to become a valuable link in the Brotherhood of a Lifetime.

Editor's Note: The full text of this story, which contains many of Brother Webb's other achievements, may be found in the Winter/Spring '02 issue of the Quarterly, or you may visit his web site at: jameswebb.com.

Capital Area Alumni Chapter

In just two short years the **Capital Area Delta Chi Alumni Chapter** has grown to be one of the largest and most active alumni chapters with 100+ members from around the country. The initial group of eight interested brothers first met on October 1st, 2000 to continue the traditions established by our founding fathers. The Washington, D.C. area is home to over 1,600 Delta Chi alumni, and we knew there would be a lot of brothers wishing to continue their lifelong commitment to the brotherhood.

The first social function was held at the Shenandoah Brewing Company in Alexandria, VA. This event proved so popular that it is being repeated again this fall! But this was just a warm-up for what was to come.

In the spring of 2001, "**Delta Chi Takes Over The Capitol**" took place! Rep. **Dan Miller**, Florida '64 and Rep. **John Mica**, Florida '67 hosted this exclusive event, which drew 200+ brothers and their spouses, many of whom drove and flew in from out of state to attend. After a reception, the group entered the Capitol Rotunda for a group photo, followed by a guided tour of the Capitol, then was led into the House chamber for a question and answer period. Following this was another huge event! Former FBI Director **William Sessions**, Kansas '51 spoke to a gathering of 40-50 alumni and their spouses at the Capital City Brew Pub in the Old Post Office in Washington, D.C. He discussed his career as a federal judge, FBI Director under

Presidents Reagan and Bush, and the bond of brotherhood as a Delta Chi. This past spring we teamed up with the Golden Triangle Alumni Chapter to host "**A Day at the Races**" in beautiful Middleburg, VA. This steeplechase event drew many alumni and their spouses and has been an annual event for many years.

The current officers are: "A" **Aaron Otto**, Kansas State '98; "B" **Michael Magri**, Johnstown '84; "C" **Mark Povell**, Virginia Tech '00; and "D" **Vincent DiCamillo**, Duquesne '95. Brothers in attendance at chapter meetings represent a wide range of Delta Chi chapters. The use of a listserv and development of a website was determined to be the most efficient and economical way to increase awareness among area alumni

William Sessions, Kansas '51

who are interested in continuing their commitment to brotherhood through Delta Chi. To sign up for our listserv please see: http://groups.yahoo.com/group/DC_Delta_Chi_Alumni, or http://www.geocities.com/capitalarea_deltachi. You can also email us at mgmagri@aol.com or ottomatic98@hotmail.com.

A recent Capitol event was held in honor of Representatives **Miller** and **Bob Stump**, AZST '51; who are both retiring from office.
