FROM THE "AA"

Relecting on 125 years of our existence, it is truly an amazing time to be a member of our beloved Fraternity.

I remember being at the Centennial celebration a brief 25 years ago, and at that time, I never imagined 25 years later that I would be your 52nd "AA". What an incredible honor! The last 25 years have been an incredible and unforgettable fraternity experience for me. How many reading this right now were at the Centennial celebration? Undergraduates, take note that anyone attending the Centennial celebration has been actively involved since before most of you were born! This is what makes Delta Chi great! And in order to stay great, continued involvement and support from alumni is necessary.

As Founder Albert Sullard Barnes said, "Delta Chi is not a weekend or once a year affair, but a lifelong opportunity and privilege."

As brothers of Delta Chi, it is our obligation to support our Fraternity and the Educational Foundation in order to continue to grow and offer educational programs for our chapters. The social, business, and conflict resolution skills acquired during the undergraduate experience are invaluable strengths that truly prepare men for life after college.

As alumni, we must stay committed and focused to continue to mentor, guide, and teach our undergraduate brothers as they navigate through all the challenges of college, the fraternity experience, and other challenges that life presents to them.

Alumni support is critical for the future of Delta Chi, and to you undergraduates

reading this, YOU are the future alumni. YOU are the future leaders of this great fraternity. YOUR responsibility to Delta Chi has only just begun.

I have a question for you... Who is the most important person in Delta Chi? It certainly is not me, or any member of the Board of Regents. It is not any Past "AA", member of the Order of the White Carnation, nor your chapter "A". It is the Associate Member.

These men are by far the most important individuals in Delta Chi. The Associate Members are the future of Delta Chi - they are the future leaders of your chapters and this Fraternity. How is this Fraternity supposed to survive if the associate members do not understand the meaning of promoting friendship, developing character, advancing justice, and assisting in the acquisition of a sound education?

Our associate members will love and respect Delta Chi even more when our student members offer a fraternity experience full of value and lead by example. Hazing will not accomplish this, and in fact, it will lead to the total opposite. I was initiated in 1985 at The University of Massachusetts. Thirty years ago the culture was certainly different, but I will tell you this, I WAS NOT HAZED. I went through the new member program that was authorized by Headquarters and gained so much respect for Delta Chi that I vowed to stay involved the rest of my life.

There is no room for hazing in Delta Chi, and I believe that hazing can and will kill some fraternities in the near future. I hope that Delta Chi is not a victim of this; this is a fate we can control. If we do not want to risk losing a chapter or the whole organization due to this harmful and hateful act, the answer is simple: do not do it. Offer the valuable fraternity experience that our Founders intended for our members.

As noted in the Cornerstone, "Brotherhood is a two-way street. If you accept its advantages, you must live up to its obligations."

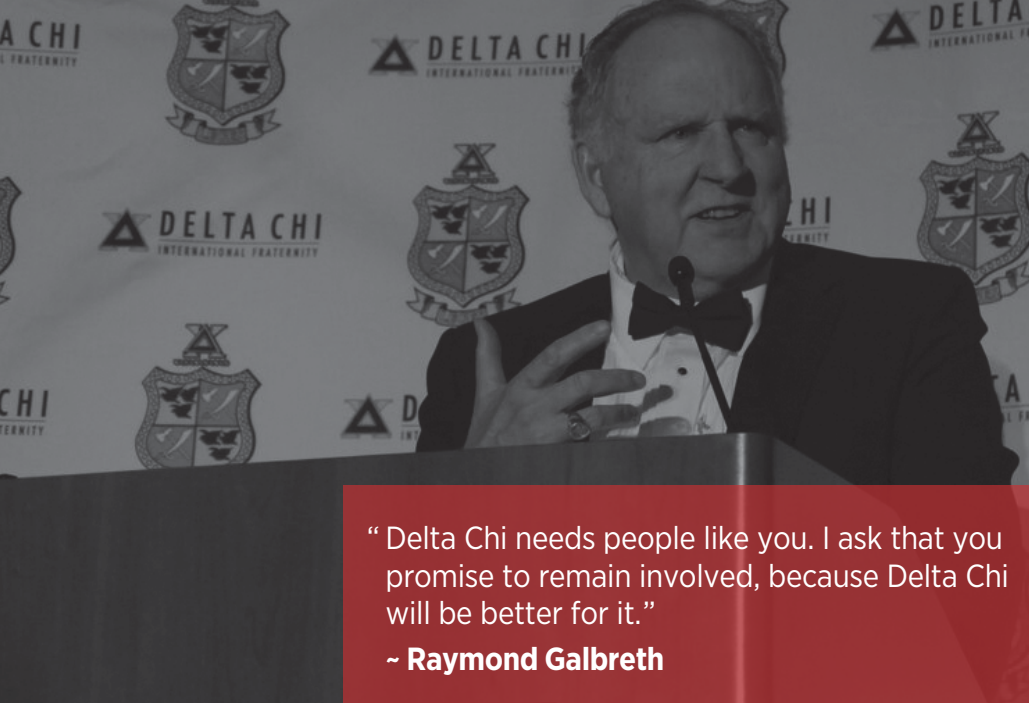

Please remember, being a Delta Chi is not an oath you take once, it is an oath you live everyday.

THE 125TH ANNIVERSARY

Celebration

The 125th Anniversary Celebration of The Delta Chi Fraternity was held October 20, 2015 at the J.W. Marriot Buckhead Hotel in Atlanta, GA. Over 250 undergraduates, alumni, and guests gathered to celebrate 125 years of fellowship and brotherhood with members from across the globe. The evening kicked off with a warm welcome from Delta Chi Staff Member, Zac Cole, *Northern Illinois 2003*, and as the night progressed, attendees heard from some of the most well known Delta Chis. This included individuals such as 52nd “AA”, Miles Washburn, *Massachusetts 1987*; former Executive Director, Ray Galbreth, *Missouri 1969*; Delta Chi Educational

Foundation Chairman, Jim Marascio, *Bryant 1993*; 37th “AA”, Gary Monk, *Auburn 1965*; 43rd “AA” Greg Hauser, *Michigan State 1975*; and our undergraduate speaker Philip Austin, *Augusta 2016*.

Delta Chi also recognized Lyle Sprinkle, *Georgia Tech 1996*, as the fraternity's most recent New Founder, furthering the already impressive growth of the group since the centennial. This capped off an incredible evening celebrating what Delta Chi has achieved thus far, and what we have to look forward to over the next 125 years. 🏆

DELTA CHI
MARTLET

The Martlet is an eLearning platform that will revolutionize Delta Chi member education. This learning tool will contain curriculum specifically designed to enhance the undergraduate experience of Delta Chi year by year, providing education on a wide variety of topics ranging from risk management procedures and FIPG, to hazing awareness, and even healthy relationships and bystander intervention. Following the pilot stage, The Martlet will develop further into a resource for officer and chairmen training.

ALUMNI SPOTLIGHT

Forrest Hoglund Kansas '56

As an undergraduate at the University of Kansas, Forrest Hoglund was a member of Delta Chi, joining the chapter after his brother. He served as the chapter's "A", which, when asked about this experience, he commented that he didn't feel prepared for the role, but did his best, and that he's happy to see that there are more resources available to help today's "A"s and leaders feel more prepared for their roles. Delta Chi also led him to his wife, Sally, a member of Pi Beta Phi. The two were set up by one of Sally's sisters as dates for a winter formal. Forrest and Sally later married in 1956 after graduating.

While at the University of Kansas, Forrest was also a member of the varsity baseball team, playing third base from 1954 to 1956. He enjoyed the game and was even offered an opportunity to play for the Yankees C Class team after graduating. He decided to follow his professional interests, instead.

Shortly after graduating, Forrest put his mechanical engineering degree to work with Exxon. Quickly selected for the fast track program, he moved up the ladder, moving all over Texas in the process. He did so well that he eventually joined the ranks of top management. He was later recruited to head Texas Oil and Gas, which eventually merged with US Steel. Hoglund finished his career in the industry working for 12 years with EOG Resources, known as Enron at the time, before retiring.

Hoglund was an avid fundraiser throughout his career, and even more so after he retired from the industry. Over the past 50 years, Hoglund has helped raise nearly \$1 billion dollars for educational, civic, and charitable causes. He started to utilize the skills he learned and developed throughout his career to focus on non-profit organizations and causes. In 1989, with his wife Sally, he created the Hoglund Foundation, which has helped direct funds to a variety of causes. The Foundation has turned into a family affair, with Hoglund's three daughters running and working for the Foundation over the years. The Hoglund Foundation has raised over \$30 million for more than 500 agencies and organizations in the Houston and Dallas, TX areas. The Association of Fundraising Professionals presented the Hoglund Foundation with the 2005 Outstanding Foundation Award and the Hoglunds were recipients of the Philanthropy

Award for Excellence in Community Service from the Dallas Historical Society in 2006.

In 2012, Forrest Hoglund was the recipient of the 85th Linz Award, for his efforts to raise money for the Perot Museum of Nature and Science in Dallas, TX. He successfully raised \$185 million from donors, more than a year before the project was scheduled to be finished. His hopes are that the museum is able to continue to independently raise the funds needed to operate on its own, without having to rely on funding that may also come with strings attached to it. The Linz Award is given annually to a Dallas County resident, to honor their civic service or humanitarian efforts. The Linz Award is considered to be the most prestigious civic honor in Dallas.

Recipient of the 85th Linz Award, for his efforts to raise money for the Perot Museum of Nature and Science in Dallas, TX, Forrest successfully raised \$185 million from donors.

Hoglund has also continued to give back to his alma mater and Delta Chi. He served on the Endowment Association for the University of Kansas, helping him earn the Distinguished Alumni Award. Forrest, with his wife Sally, chaired the "KU First" Capital Campaign, helping to raise nearly \$650 million. His

contributions to Delta Chi and the Delta Chi Educational Foundation over the years have helped support many programs, including a recent donation will help support Delta Chi's "A"s Academy and other educational programs.

Today, Forrest serves as the Vice Chairman of Reasoning Mind. Reasoning Mind is a non-profit organization working to provide top rated math education to students, through the combined use of technology, effective curriculum and teacher support. It is his hope that students can become algebra ready, knowing that algebra is a key skill for understanding other math concepts.

When asked if he had any words of wisdom for other Delta Chi members, Hoglund encouraged members to continue learning new things and developing their skills. He warned against complacency, suggesting that if someone finds himself in a place where he is not learning or developing a skill, he will fall behind. 🏆

Awards & Recognition

It is the Fraternity's goal to recognize and promote the achievements of our chapters, colonies, alumni and advisors on a chapter, colony, regional and international level. The awards and recognition program allows chapters and colonies the opportunity to showcase their outstanding or improved performance over the past academic year in each of the Fraternity's core competencies. Individual awards recognize the brothers and friends of Delta Chi for their outstanding service to the Fraternity in a variety of capacities.

To be eligible for awards, chapters or colonies must be current on all bills to the Fraternity as of June 1 and must not be on any level of risk management sanction during the year of awards consideration.

Once all applications are received, the Fraternity staff

objectively evaluates each and every application before recognizing the efforts of our chapters and colonies based upon Delta Chi's eight core competencies for success:

- Advising & Governance
- Alumni Relations
- Financial Management
- Housing
- Involvement
- Manpower
- Membership Education
- Scholarship

There are two categories of awards given for each core competency. The Excellence category denotes a complete mastery of that competency; winners in this category fulfill the many components of each area and often go above and beyond to reach new heights of operations. The Achievement category recognizes chapters and colonies that have made significant improvements in this area of operations. 🏆

Delta Chi of the Year

David Zuchowski, *Washington 1980*

The Delta Chi of the Year award winner is David Zuchowski, *Washington 1980*. This award is presented to alumni who have distinguished themselves in a manner that their peers recognize them across the United States, Canada, and/or the world. David Zuchowski, President and CEO of Hyundai Motor America, is responsible for the strategic direction and management of the company's operations in the United States. Zuchowski, a 33-year veteran of the automotive industry, joined Hyundai Motor America in February 2007 as Vice President of Sales and was promoted to Executive Vice President, National Sales in 2010. He was promoted to his current role as President and Chief Executive Officer in January 2014. Zuchowski joined Hyundai from Mazda North America where he served as Vice President of Sales and Field Operations.

Zuchowski began his career in 1980 at Ford Motor Company. He has spent 23 years in various executive-level positions including Regional Manager, Product Marketing Manager, National Merchandising Manager and Field Operations Manager for the Ford and Lincoln Mercury divisions.

Hyundai Motor America, headquartered in Costa Mesa, Calif., is a subsidiary of Hyundai Motor Co. of Korea. Hyundai vehicles are distributed throughout the United States by Hyundai Motor America and are sold and serviced through more than 820 dealerships nationwide.

John J. Kuhn Award

This award is presented for service to the fraternity movement and is named after former Delta Chi "AA" and NIC Chairman John J. Kuhn Cornell 1898. It is presented to an individual who has made a significant contribution to the Greek movement. This award recognizes individual accomplishments and contributions within the fraternity and sorority world.

Sidney N. Dunn, Alpha Epsilon Pi

Sid Dunn currently serves as the Executive Director of the Fraternity Executives Association. He served for over 30 years as the Executive Vice President of Alpha Epsilon Pi Fraternity and Foundation

retiring in 2004. In 2005, he began his service as Administrator of FEA and in 2012 was named as its first Executive Director. His FEA service includes 6 years on the Board of Directors before becoming President in 1990. During his term as FEA President, Executives of Women's Fraternities joined FEA for the first time as members. From 1995 on, he has edited News & Notes the Fraternity Executives Association monthly newsletter. Sid was a founder of FIPG, serving as its second President. He is a recipient of the FEA Distinguished Service Award; the North-American Interfraternity Conference Gold Medal; the Evin Varner Award of the Fraternity Communicators Association as well as the Order of the Lion in Alpha Epsilon Pi.

Distinguished Delta Chi's

The Distinguished Delta Chi award recognizes significant achievement in an alumnus' profession or outstanding civic service while upholding the values and ideals of the Fraternity.

Carey Cavanaugh, Florida 1976

Carey is the current Director of the prestigious Patterson School of Diplomacy at the University of Kentucky. He is a former U.S. Ambassador and as served as United States Chief of Mission to Georgia, U.S. Special Negotiator for Eurasian Conflicts, and the U.S. Minsk Group Co-Chairman.

Under the administrations of Presidents Bill Clinton and George W. Bush, Cavanaugh spearheaded or helped advance peace efforts involving Armenia, Azerbaijan, Cyprus, Georgia, Greece, Moldova, Tajikistan, and Turkey. In 2000, he was confirmed by the U.S. Senate as Ambassador/Special Negotiator responsible for conflicts in Eurasia and to serve as Co-Chairman of the OSCE Minsk Group.

Robert "Bob" Church, Georgia Southern 1980

Bob Church is a retired Deputy US Marshall who served on the international extradition team that brought Manuel Noriega to justice. Bob also served us during the trials of the World Trade Center bombings in the 90's in a highly classified, dangerous operation to transport and control those who were convicted of the crime. He also served on the Hostage Rescue Team (HRT) and served in the US Navy Vietnam theater honorably.

Humanitarian Award

David Weber, *Cornell 1968*

The Humanitarian Award is presented to Delta Chi member who, through his actions, exemplifies the ideals of Delta Chi and promotes the welfare of another person or persons.

Dave has a long history of various philanthropic giving. He has endowed a school to provide scholarships for students studying the violin. Recently Dave noticed while driving that a small branch of the Public library had a sign that said safe area. Knowing

the neighborhood was tough Dave pulled in and offered to donate enough to put on classes and things like magic shows so that kids who otherwise would not, can have a safe enjoyable time. He has asked them what else he can do. These are just a couple of the many examples of Dave's non-ending pursuit to help others.

Richard McKaig Outstanding Campus Professional Award

The Richard McKaig Outstanding Campus Professional Award is awarded to one campus-based professional per year. This award was previously known as the Outstanding Greek Professional Award and was renamed after Brother Richard McKaig, often referred to as the "Fraternal Dean", in 2009 to coincide with his retirement from Indian University. To qualify for this award, an individual must be a student-affairs professional who has given exceptional service to the Greek Community.

Dr. Anita Cory, *University of Iowa*

Dr. Anita Cory has always been striving to make the Fraternity and Sorority community a healthy, fun, and successful environment. With more than 20 years at Washington State University, she left an everlasting impression that

still guides the local community. During the 2014 AFA annual meeting, she was awarded the Sue Kraft Fussell Award, one of the highest awards in the world of higher education. Anita is currently the Associate Director for Student Organizations and Leadership Programs at the University of Iowa and a member of Chi Omega Fraternity. Dr. Cory continues to be an inspiration to all and defines what it means to lead by example. Delta Chi is more than honored to present her with this award.

The Valor Award with Distinction for Uniformed Military Personnel

This award is applicable to uniformed military personnel of any country (Army, Marines, Navy, Air Force, Coast Guard, National Guard, and Reserve Members on Active Duty in Combat). This award applies to those who distinguish themselves conspicuously by gallantry and intrepidity, personal bravery or self sacrifice so conspicuous as to clearly distinguish them and must involve risk of life.

Major Matthew Barnes, *Embry-Riddle 1995*

Between 23 March 2011 and 30 May 2011, Major Matthew Barnes "exhibited superb leadership, teamwork, and courage while conducting around the clock battlefield medical evacuation for coalition forces during Operation ENDURING FREEDOM." He did so as an HC-130P Aircraft Commander of the 79th Expeditionary Rescue Squadron, 451st Expeditionary Operations Group, 451st Air Expeditionary Wing out of Camp Bastion, Afghanistan. During this time, "he routinely led his crew into minimally manned forward operating bases and austere blacked out landing zones at night, under low illumination conditions and in adverse weather, to conduct urgent medical evacuations". His actions saved the lives of five American and coalition forces, 7 civilians and 6 critically injured Afghan children. "Major Barnes's outstanding leadership and devotion to duty under extremely hazardous conditions allowed the squadron to maintain uninterrupted 24 hour personnel recovery and medical evacuation coverage for six Afghan Regional Commands. Major Barnes was awarded "The Air Medal For Meritorious Achievement While Participating in Aerial Flight" by The United States Air Force.

Captain Delphin Gantt, *Embry-Riddle 1994*

On March 23 and 24, 2003, Captain Delphin Gantt, flying his F-16 over Iraq during Operation IRAQI FREEDOM, provided close air support for a rescue mission of two pilots of the a downed AH - 64 Apache Helicopter. His 6+ hours of air support was vital to the Army 4th Battalion, 118th Infantry's efforts to rescue the pilots, secure the area, and bring them to safety. Captain Gantt has also been awarded two Air Medals. He was awarded his first Air Medal for a total of 83 hours of flight between 22 April 2002 and 12 February 2003 for operations SOUTHERN WATCH and ENDURING FREEDOM. During these flight hours, Captain Gantt evaded anti-aircraft fire and man-portable surface-to-air missiles in his F-16CJ to deliver his ordinance on target and on time. He was awarded his second Air Medal for his contributions to Operation IRAQI FREEDOM between 13 March 2003 and 12 April 2003. "While evading hostile anti-aircraft and surface to air missile fire, he successfully suppressed or destroyed Iraq's complex integrated air defense system and provided air supremacy for both coalition air and ground forces"

LEADING THE CHARGE

Indiana Chapter

The Indiana Chapter has taken their contributions to the next level by raising over \$60,000 in 2015.

Since 2006, Delta Chi has worked hand in hand with The V Foundation for Cancer Research to raise funds and awareness for Cancer Research. Our chapters work tirelessly planning philanthropic fundraisers to play a part in Delta Chi's contributions on an international scale. Recently, the Indiana Chapter has been leading the charge in taking their contributions to the next level, raising over \$60,000 throughout 2015. This incredible feat is a testament to the dedication the Indiana chapter shows to The V Foundation on a yearly basis, continuing to break their previous records year after year.

Each year, the Indiana chapter sets a goal that they would like to achieve in terms of dollars raised for the V Foundation. From there, they divide and conquer, fundraising in a variety of ways. In 2015 the grand total was raised primarily through their main event "Miss Greek IU". The event is a pageant style competition that brings together Greek women from the campus with a strong dedication to philanthropic causes, and those who serve as role models for the entire Greek system. Brothers typically take a large portion of the fundraising on themselves, collectively raising over \$30,000 just from their own efforts throughout 2015, reaching out to family members, friends, and local businesses for donations. The women participating in the pageant raised \$19,000 through their personal fundraising campaigns, and the remainder of the money raised came from smaller events hosted by the chapter, such as a corn hole tournament, Dine and Donate nights at local restaurants, and t-shirt and ticket sales for the event.

Miss Greek IU, initially Founded by Jakson Alvarez, *Indiana 2014*, was planned by Matt Smith, *Indiana 2017*, in 2015, and the planning torch will be passed off to Conor Walker, *Indiana 2017* in 2016. The chapter has already entered the planning stages of Miss Greek IU 2016, and is optimistic that they will once again shatter their previous record. Congratulations to the Indiana Chapter on setting the example when it comes to Delta Chi's partnership with the V Foundation! 🏆

LEADERSHIP CONSULTANT

Leadership Consultants are the front line staff of the Fraternity. Each consultant travels the United States and Canada every semester providing support to our chapters and colonies for a variety of topics including recruitment, risk management, philanthropic fundraising, financial management, alumni relations, chapter operations, and many more. Consultants also assist in the expansion process by recruiting men to start new colonies from the ground up.

These men aim to improve the day-to-day experience that we call “Delta Chi”. Through this opportunity, Leadership Consultants can develop a professional network; enhance their leadership and communication abilities; and develop time management, social etiquette, event planning, and conflict resolution skills, all while gaining valuable work experience that will carry over to any career path!

DELTA CHI EXPANSION

Behind the Scenes

In recent years, fraternity expansion has grown into an industry of its own. The days of showing up on a campus, pinning a group of men, and letting them petition to become a chapter are over.

Each summer, the expansion staff researches over 400 campuses across North America, tracking graduation rates, the caliber of incoming students, growth trends, the health of the fraternity community on campus, and multiple other factors.

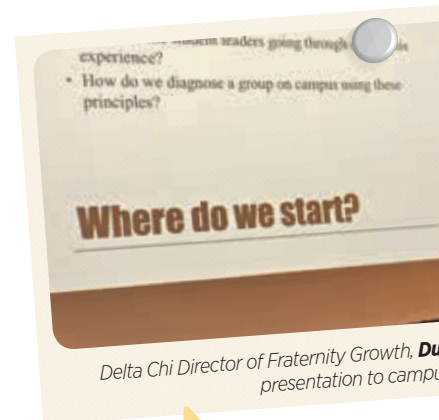

1

Fraternities have had to adapt to campuses' ever-growing barriers to expansion by placing a greater focus on relationship building, selling the organization through marketing and presentations, and developing programs to support and develop new colonies into healthy and sustainable chapters.

Over the past year, the Delta Chi expansion staff has spent a lot of time and energy refining our growth strategy as an organization to stay current with today's environment, while looking ahead to the future. With this in mind, here is a look at Delta Chi's expansion process. 🏠

By Dustin Page

Director of Fraternity Growth

Once identified as a targeted campus for growth, a member of the expansion staff contacts the Fraternity & Sorority Life Advisor on that campus to assess the campus environment, note other organizations that are currently scheduled to expand on campus, and learn more about their expansion process.

2

If a campus supports **OPEN EXPANSION** or has opened for expansion, a letter will be sent from the Director of Fraternity Growth to the Interfraternity Council (IFC) and the Office of Fraternity and Sorority Life (OFSL), notifying them of our intent to bring a new group to their campus.

3

If Delta Chi is invited to present, a member of the expansion staff will present to the campus community and share our values, membership programs, and plans for community involvement. Sometimes we have the opportunity to invite alumni to attend the presentation. This adds value and invitations will typically be sent out a few weeks in advance.

6

OPEN EXPANSION

WHEN A CAMPUS IS SUPPORTIVE OF THE ASSOCIATIONAL RIGHTS OF STUDENTS TO FREELY ASSOCIATE WITH PEERS AND ORGANIZATIONS OF THEIR CHOICE.

This means the campus has no barriers designed to limit the number of fraternities or number of affiliated students on their campus. In comparison, a closed or semi-closed approach means the campus has barriers or regulations in place that limit new organizations from expanding to campus.

Typically, an expansion proposal is prepared and sent to IFC and OFSL, outlining the history of our organization, our values, and our expansion process. Each proposal highlights the added value of establishing a Delta Chi chapter on campus, and provides a detailed look at Delta Chi programs and leadership development.

4

The expansion staff will often times send out an electronic survey to all alumni living near a campus to gauge alumni interest. The information we collect helps our staff determine whether or not we would have enough support for an expansion and serves as a selling point to the campus. Please note that these surveys are often preliminary and accompany no guarantee that we will be able to expand at that campus based upon the results.

us officials.

Once the expansion begins, three members of the expansion staff spend five weeks at the campus recruiting campus leaders who endorse and support the fraternal movement. This initial group of men will serve as the Founding Father class. During this time, the expansion staff will also work to recruit and train our "BB", ABT, and Housing Corp.

9

After the Founding Father class is recruited, one member of the expansion staff will remain on campus for an additional six weeks to appoint and train officers, provide support throughout the Founding Father education period, and begin integrating the colony into the campus community. The Founding Fathers will all be initiated at the end of the expansion semester.

10

If selected by the campus, we will set a date for expansion and begin the process of identifying alumni volunteers to work with the new group. Alumni will receive an invitation to attend a reception a few months prior to the expansion.

7

8

Occasionally, **INTEREST GROUPS** will contact the expansion staff and request to become a colony of Delta Chi. Unless the group is on a campus previously targeted for growth, and has the full support of the Office of Fraternity & Sorority Life, we will typically not endorse them.

Following the expansion semester, the colony will work to meet our Colony Standards in order to Charter. Typically, this takes between 12-18 months following the expansion semester. Once the colony has met the Colony Standards, the Board of Regents will vote to charter the colony.

11

2016 EXPANSION EFFORTS

Delta Chi will be expanding on these campuses

Following a vote from the Board of Regents, the colony will be installed at a Chartering Banquet. Members, alumni, and guests in the area are invited to attend in celebration of the colony's accomplishment.

CHARTERING ANNOUNCEMENT

Ferrum College

In the Fall of 2013, a group of men at Ferrum College assembled, deciding they wanted to create something new on campus. Located in rural Virginia, Ferrum did not have any national or international fraternities on campus. Wanting to break the mold of local organizations, the men sought out three international fraternities in hopes that one would colonize on campus. With the support of the Student Leadership and Engagement office, as well as the interest group, Delta Chi was selected to colonize and adopt the group of men who were eager to make a name for themselves. The Ferrum Colony of Delta Chi started off strong with a highly motivated group ready to better themselves as men, and learn what it means to be a Delta Chi. Chartering President, Max Harper, *Ferrum 2016*, claimed that the group faced many obstacles along the way, adding that among the most difficult was being a part of a very young Greek system, especially as the first international fraternity on campus. However, with the help of campus faculty and the hard work of the active brothers, they managed to establish a well respected name for the group. During their first year on campus, the colony raised over \$2,000 for The V Foundation for Cancer Research, and committed themselves to diverse campus involvement, service, and making a community impact.

The colony was overjoyed when the Board of Regents approved their petition to charter in the Fall of 2015. Shortly after the news broke, they began planning their chartering banquet to celebrate all of their hard work. The banquet was held at the Hotel Roanoke with over 60 guests in attendance including “AA”, Miles Washburn, *Massachusetts 1987*; Region IX Regent, Dough Chananie, *East Carolina 2007*; former “CC” and Order of the White Carnation Member, Keith Shriver, *Florida 1979*; Dustin Page, Delta Chi Director of Fraternity Growth, along with the friends and families of the active brothers and Founding Fathers. Max Harper, *Ferrum 2016*, remembers the chartering banquet as the culmination of the group’s hard work paying off, through times where it sometimes seemed unachievable. The Chapter is looking forward to their future endeavors, and making Delta Chi better every day. Congratulations to the Ferrum Chapter on their achievements! 🏆

THE V FOUNDATION

Our Fight Against Cancer

Delta Chi has been raising money for The V Foundation for Cancer Research for nearly nine years! As proud partners, we stand with them in the fight against cancer, by which we have all been affected in some way - whether personally, or through a friend or family member. Since 2006, Delta Chi has been raising the stakes in fundraising efforts to make a continuously growing impact on the cause. In 2012, the Fraternity set out to raise \$250,000 by the 2014 International Convention, and in the process, raised over \$300,000!

By the 2016 Convention, the bar has been set to raise an additional \$300,000 with 100% chapter/colony participation. During each Convention, the total money raised for the V Foundation is revealed. From there, the V Foundation turns around and issues a grant in Delta Chi's name for that amount. These very grants may one day lead to the cure for cancer. Keep up the outstanding efforts with your philanthropy projects and fundraising contributions for The V Foundation. 100% of money raised goes directly toward the fight to end cancer. 🏆

THE  FOUNDATION®
for Cancer Research

Looking for an idea for a philanthropy event?

Delta Chi has teamed up with the V Foundation Staff to develop an event that can be implemented at any university in any area of the country. Each chapter has been provided with a program and resources needed to execute a VK. The VK is a 5k run that brings more than just the Greek community together; it utilizes the surrounding community as well, helping to generate more funds for the V Foundation. We hope that your chapter will consider planning a VK in the near future! If you would like more information, please contact Phil Hagstotz at Delta Chi Headquarters.

RUN WITH THE TOP OF THE CLASS
RUN WITH TEAM V

DELTA CHI VK

RUN

for TEAM V, and run for cancer research.
Run for more. More coaching. More benefits. More fun.
And the best 'more' of all?

More runners = more research = more survivors.

JOIN US TO BENEFIT THE V FOUNDATION FOR CANCER RESEARCH.

Regional Leadership Conferences

The Regional Leadership Conference (RLC) is designed to develop leadership skills; to help attendees realize that Delta Chi is more than their own chapter/colony; and to provide Delta Chi men within the region the opportunity to share ideas, achievements and experiences with other Delta Chi chapters/colonies, officers, Regents, alumni, advisors, and Headquarters staff. See when your regions RLC is occurring in 2016! 🏆

FAREWELL & PARTING

Those Who Have Passed

These men have lived amongst us for a time, and we have been honored to call them brothers. Now they are gone and we bid them a fond farewell at this parting.

CALL TO 60TH INTERNATIONAL CONVENTION

Louisville ~ July 27, 2016

To the men of the Delta Chi Fraternity, alumni members, alumni chapters, student members and associate members of the undergraduate chapters and colonies.

As the fifty-second "AA", I do hereby proclaim that the Sixtieth International Convention will convene at the Louisville Marriott Downtown in the City of Louisville in the State of Kentucky at eight-thirty in the morning, Wednesday the twenty-seventh of July, Two Thousand Sixteen. Said Convention shall continue through scheduled adjournment on the thirtieth day of July.

The Board Of Regents is hereby called into session, starting at nine o'clock in the morning, Monday the twenty-fifth of July, Two Thousand Sixteen at the same location.

In witness whereof, I have hereunto set my hand and caused the seal of the Delta Chi Fraternity to be affixed.

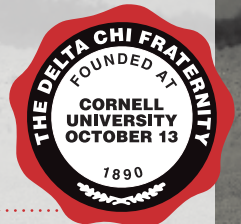

Done at the city of Iowa City, the first day of January in the year Two Thousand Sixteen and in the one hundred twenty-sixth year since the founding of The Delta Chi Fraternity.
