Delta Chi Needs "Citizens"

I remember the fall season of 2000 so vividly. Football was a distant thought when it came to politics. Our governor was running for the President of the United States against the sitting Vice-President. The campus was hotly divided between liberals and conservatives – everywhere you went you saw the four-letter last name of a presidential candidate that sparked debate and discussion. Our chapter was the same. In a predominantly red state, the city of Austin, however, has always been rather diverse in political thought, and our chapter was no different. I remember attending rallies and arguing with my brothers over who would make a better president. On November 7, 2000 our house was the political headquarters of the chapter. We rushed from the polls to the house and stayed up all night watching the pendulum of announcements and recalls on the outcome of the race. How can we ever forget that election – the one that continued months after the polls closed with no decisive victor? It was a special time for me as a developing adult. As the son of immigrants, politics was never a discussion point at home, and it was the 2000 election and the interaction I had with my brothers that made me realize how politics could shape our lives and how important it was to exercise my rights and privileges as a citizen.

As U.S. and Canadian citizens, we live in countries where we can openly agree or disagree with a political figure or concept and cast our votes accordingly, yet so many citizens rarely take advantage of this opportunity. Unfortunately, many individuals disguise their lack of desire to learn the issues or their belief that their voice will not alter the outcome with their "right" not to vote. I hope this is not the case with fraternity men. Fraternity is instrumental in the development of successful citizens because involvement, communication, and a sense of responsibility are important aspects of our education. We learn that "pinning," "initiation," and "alumnus status" are just as important as the journey of preparation before and after those events. In the same way, "voting" is meaningless without discussion and education before

and after as well. Those beneficial debates and conversations between brothers make them better citizens and, as a result, better men. It might seem trivial to think that an argument between brothers about a candidate or ideology could impact their lives, but that spark of passion to make a choice and defend it will net positive results in whatever they decide to do.

I find it ironic that Delta Chi itself can trace its origins to the result of an election and the desire to make a difference. Citizenship is not limited to federal, state, or county issues but extends to our obligations as a part of any society. We must strive to be the agent of change rather than its victim. Whether you are an undergrad who decides to get involved in student politics or an alumnus who decides to attend a neighborhood homeowners meeting, you have a duty as a citizen to exercise your right to learn and to choose how to make your community better. I believe that fraternity men have an advantage over other men because of our desire to remain involved in something larger than ourselves. In our chapter meetings, RLCs, and Conventions, we provide our members the opportunity to exercise their rights and responsibilities as citizens and educate themselves on the issues and/or candidates and cast their votes accordingly. We are a social fraternity not because of parties, but because we prepare our men for life in society, and our men are better citizens, fathers, husbands, and brothers because of it.

This will be my final article as your "AA", and it has been a privilege and an honor to represent and lead our beloved Delta Chi. I would like to end this article in the same manner in which I have ended all of my articles – with a challenge. Citizenship takes effort, and we need to start somewhere. This November, I am challenging our alumni and undergraduates to not only learn the issues and candidates but to cast their votes as well. There is no right or wrong way to vote so long as your vote is an educated one. As always, I want to hear from you so please email me at rcdamle@gmail.com.

Reince Priebus Leads the Republican National Committee

Written by Aaron Otto, Kansas State '98

For the second time in the past three decades, a Delta Chi is head of one of America's political parties. Reince Priebus, Whitewater '94, was elected chairman of the Republican National Committee in early 2011 and is helping prepare the party to advance its agenda in the fall 2012 elections.

Priebus joins Ambassador Charles Manatt, Iowa State '58, who was the first Delta Chi to chair an American political party as chairman of the Democratic National Committee from 1981-1984. Manatt was also a banker, ambassador and past Delta Chi of the Year.

Priebus was born on March 18, 1972. Raised in Kenosha, Wisconsin, he earned a Bachelor of Science degree from The University of Wisconsin-Whitewater, where he also joined Delta Chi. Priebus also served a term as student body president before graduating cum laude in 1994.

While in his last year at Whitewater and following his graduation, Priebus worked as a legislative assistant for members of both the Wisconsin State House and State Senate. He also worked for the State Assembly Education Committee.

Priebus next attended The University of Miami School of Law, earning a Juris Doctor (JD) cum laude in 1998. While in law school, he clerked for the Wisconsin Court of Appeals, the Wisconsin Supreme Court, the United States District Court, and

the NAACP Legal Defense Fund. Also while at Miami, he was elected President of the Student Bar Association and was a member of the Miami Business Law Review.

Priebus is a partner at Best & Friedrich LLP Litigation Practice Group, Co-Chair of the Construction Group and Government and Public Policy Group. He has represented privately and publicly held businesses, financial institutions, and governmental and quasi-governmental entities.

Priebus worked his way up through the ranks of the Republican Party of Wisconsin as First Congressional District Chairman, State Party Treasurer, and First Vice Chair. In 2007 the Wisconsin Republican Committee elected Priebus as Chair, making him the youngest chair in State history. In 2008 Milwaukee's Business Journal named him one of Milwaukee's "40 Under 40," and Super Lawyers in Wisconsin named him a "Rising Star."

In 2009 he was appointed as general counsel of the Republican National Committee (RNC). He worked for the election of Senator

Abracadabra

Shaunt Attarian '12 "E"

Our brothers have continued to be leaders on campus and in the classroom, earning one of the highest GPAs among Greek organizations yet again. We've also continued our streak of having at least one brother in the Associated Students of The University of California when Rafi Lurie '15 became a Senator for the ASUC. In April, we hosted our Delta Chi World Cup, a soccer tournament to raise funds for The V Foundation.

Alabama

Zac Cochran '14 "E"

Our chapter has grown immensely this year, due to an increase in our active member retention rate and our spring recruitment efforts. Our grades are consistently improving as well. In fact, Mark Husted '12 achieved the highest GPA among graduating seniors. This spring, many brothers participated in tornado relief efforts every Sunday and also attended "A Day of Service," an event held around the anniversary of last year's tornadoes. Each Friday, brothers taught underprivileged children how to read. Our annual Indian Party also raised \$2,400 for The V Foundation. We've also begun plans for an expansion and renovation project in our house.

Alberta

Bryan Tran '14 "E"

We welcomed nine men into our brotherhood, including three alumni initiates and one associate member. For the second year in a row, we won the annual songfest competition. We met our goal of raising \$1,200 for The V Foundation and then focused our attention toward some local charities as well. We were able to gather over 50 bags of clothing and 350 pounds of food for the shelter and food bank.

American

Eric Langer '13 "E"

While we celebrated achievements such as welcoming eleven men into our brotherhood and continuing our strong academic trend, we all paused when, on March 2, 2012, Shawn Streiff '04 was struck by a truck while cycling in Washington, D.C. Together our brothers, friends, and alumni came to his aid, raising over \$5,000 in the 72 hours following the accident. The funds have helped with Shawn's recovery process, which is going well. On April 20, 2012, we hosted our first ever Earth Ball Games to raise funds for The V Foundation.

Appalachian State

Justin Kirschenblatt '14 "E"

This spring marked the 25th anniversary of our chartering. We celebrated this milestone with a banquet on April 28, 2012. The event was a great success, with many stories both new and old traded throughout the night. Our annual Big Bounce event raised over \$1,300 for The V Foundation. We also received seven out of a possible ten awards that fraternities on our campus may be given.

Arizona

Caleb Mendoza '12 "E"

We held our annual Fathers' Weekend and went go-kart racing in the Tucson Valley. Our brothers brought home first place and raised over \$4,800 for Service for Sight during Delta Gamma's Anchor Splash. We're also planning on honoring Anthony Andrighetto by adding a Sport Court to our courtyard in the fall.

Arizona State

John Greenspon '13 "E"

Our soccer and basketball intramural teams were a force to be reckoned with this spring. We also hosted a wide range of events, including a pancake social that benefited the V Foundation, a "Nautical by Nature" date night, and our spring formal in Las Vegas, NV.

Brothers pose for a picture at Relay for Life during Greek Week

Auburn

Ben Dixon '13 "E"

We welcomed over 240 brothers, Retiring "AA" Tom Horowitz, and "DD" Miles Washburn to Auburn, AL for this year's RLC. During the weekend, an award was created and named after one of our alumni, Michael Carroll '71, for his devotion to Delta Chi.

Augusta

Andrew Buchholz '13 "E"

We welcomed four men as associate members this spring. We participated in two service projects, made great strides with our philanthropic efforts, and have maintained the highest GPA among Greek organizations on campus. Also, our "White Carnation" formal was a great success.

Behrend Derek Krzysiak '14 "E"

Brothers after a dodge ball recruitment event

During the spring 2012 semester, we worked diligently to make our chapter the best it can possibly be. Brothers have been working both day and night on our service initiatives, our scholarship program, and our relationships within the Behrend community.

We've participated in various philanthropic events this spring. We raised over \$400 for Penn State's THON. Eric Peirce participated in the "Mr. and

Miss Penn State Behrend" Pageant. His participation brought home first place and also helped the women of Alpha Sigma Tau raise money for the Pine Mountain Settlement School in Kentucky. We hosted a raffle and week-long dinner event at Ponderosa to raise funds for the V Foundation. Lastly, we planned an evening ball at a local retirement home with the women of Gamma Sigma Sigma.

Our new members were recently recognized for earning the highest GPA among new member classes, and our brothers earned the highest GPA among fraternities during the entire 2011-2012 school year. We're still renovating our scholarship program to ensure that our grades continue to improve. We're also working on developing a scholarship for incoming freshmen.

Going beyond just "public relations," we worked hard to build relationships, with brothers working in various ways to meet our goal. Members joined organizations including the Lion Ambassadors, Student Government Association, College Democrats, Multi-Cultural Council, and many others. We also hosted an Easter egg coloring between classes on campus. Our brothers have also welcomed Triangle to our Greek community, offering their members help whenever needed as they build their organization.

Our spring semester was truly a major milestone in our chapter's history. With new leadership and continued focus on our public image, our eyes are set to the future and growing our chapter.

Binghamton

Jason Gul '12 "A"

We're proud of this spring's philanthropic efforts. We sponsored the Purim Carnival and "Lazers Against Cancer" concert, and we planned our most successful "Miss Aphrodite" event yet. "Miss Aphrodite" is our annual pageant where sorority women compete in various events, including talent, formal wear, toga, and Q&A. Our 8th annual pageant raised more than \$2,000 for the V Foundation and Autism Speaks. We're looking forward to breaking this record next year!

Contestants during "Miss Aphrodite"

Bowling Green

Jeffrey Williams '13 "E"

This spring, we celebrated our ten-year chartering anniversary. Over 125 alumni, students, and guests attended our celebration banquet the week prior at the Stone Ridge Country Club. During our banquet, we raised over \$1,300 for the V Foundation through a raffle, our most successful event in the past two years. In total, we're excited to have surpassed our fundraising goal of \$1,500 for the V Foundation.

Brothers and guests during our chartering anniversary banquet

Bryant

Joe Castrogiovanni '14 "E"

We began the spring by initiating six men as brothers. On Earth Day, we partnered with our police department for a cleanup on a local highway. We brought home second place during Greek Week, raising several hundred dollars for the Make-A-Wish Foundation during the coin wars event. Daniel Waugh '12 was named "Greek Man of the Year," and William Bryce '15 was named "New Member of the Year" at our annual Greek Awards Banquet. We also received the award for the highest chapter GPA and best philanthropy during the 2011-2012 school year.

California Univ-PA

Kevin Emery "BB"

Of our eight associate members, seven men are enrolled in the University's Honors Program. These men brought significant growth and enthusiasm to our membership. For the first time, brothers brought home first place in the annual Greek Week competition, winning multiple events including hockey, trivia, and billiards. Brothers earned over a 3.00 GPA this spring while also participating in many events, including Relay for Life, "Pie-A-Chi", and events at our local food bank. Our brothers' diverse efforts contributed to our goal of winning the 2012 President's Award.

Cal Poly

G. Trent Mendonca '13 "E"

This year, we brought home first place during Kappa Alpha Theta's "Castles for CASA" philanthropy. We also won first place in the beach volleyball event during Greek Week. We held our formal at the Cosmopolitan Hotel in Las Vegas, NV this spring. Besides many brothers going to see Avicii live while in Las Vegas, we also ran into many Delta Chi alumni during the weekend. It made us feel like there's always a Delta Chi brother right around the corner, no matter where you are!

Case Western Reserve Colony

Christian Wargo '13 "E"

We welcomed 11 men as associate members this spring, the largest new member class of any fraternity on campus. We participated in 30 community service and philanthropy events and had over 90% of our members involved in at least one other campus organization. We placed in a few events during Greek Week and also received four awards at our RLC. We're also excited to have been approved to receive our charter, and we're planning our banquet for November 10, 2012.

Brothers stop for a picture at the 2012 Region VI RLC

Central Michigan

Alexander Coulter '13 "E"

This spring, we welcomed brothers from across Region VI to Mount Pleasant, MI for the RLC. We also hosted a risk management presentation for our entire Greek community.

Central Missouri

Ben Svatos '13 "E"

During Greek Week, we brought home first place in "Scene It," second place in the cupcake eating competition, second in tug-of-war, third in "Bill Battle," and third in chariot building. Ryan Stiefermann '12 was also recognized as the "Greek Man of the Year."

Charlotte Colony

Jeremy Bethea '14 "E"

We've been working hard to assimilate ourselves among other Greeks on campus, and we've been successful at making a name for ourselves so far. We're actively planning for fall recruitment and are excited with what next fall will bring!

Cincinnati Colony

Frank Ferguson '12 "E"

We initiated four men at the beginning of the spring quarter. Our members won the Greek dodge ball tournament and also participated in all events during Greek Week. We participated in Relay for Life on campus and held a brotherhood camp out over Memorial Day weekend.

Clemson

Kyle Vassallo '13 "E"

As our manpower continues to grow, we're focusing attention on school activities and community service. Matt Reiss '13 currently serves as IFC Vice-President and also planned our formal at Jekyll Island. We brought home second place during Greek Week and also partnered with the women of Chi Omega for Relay for Life. Our second annual "Ace of Cakes" was held in conjunction with Delta Zeta's annual skeet shoot and was very successful.

Coastal Carolina

Roman Elliott '15 "E"

This spring, we welcomed nineteen men as brothers from our Omicron class. Nicholas Baldino '14 currently serves as SGA Vice President. We raised over \$1,350 for the V Foundation during our annual "Jimmy V Week." We also raised \$1,183 for Relay for Life. Our brothers brought home first place during Greek Week, our fourth victory in the last five years. Our victory was in part due to our win with Alpha Xi Delta at "Mock Rock." Our intramural basketball team won the Greek League championship, and our soccer and softball teams both made it to the semi-finals.

Brothers and 19-man Omicron class pose for a photo

Cornell

Justin Day '14 "E"

We welcomed twenty associate members and hosted and participated in several events. From our own events we raised a total of \$1,500. However, we raised a grand total of \$10,000 through a wide range of events in which our chapter participated. All proceeds will be donated to the V Foundation. We also welcomed over 50 friends and family to The Knoll for our Parents' Weekend dinner.

Corpus Christi

Kenny Chou '13 "E"

On April 7, 2012, we held our annual "Don't Drop the Ball" event, raising \$3,687 for the V Foundation. Later that month, brothers also participated in Relay for Life and E.D.G.E.'s "Big Event." Our tradition, "Braveheart," continued this spring with the Buff team winning 3-0, breaking the Red team's two-year winning streak. We also welcomed two outstanding men into our brotherhood as alumni initiates: Santiago Garza and Jason DuBoise. Garza is a Senior Sales Representative at Hertz, where, in 2010, he received the President's Circle Award for his outstanding sales performance. DuBoise currently serves as our Academic Advisor and works as the Assistant Director for the Center for Academic Student Achievement on campus. We're excited and proud to have such extraordinary men among our ranks.

Cortland

Matthew Simons '13 "A"

We began the spring semester with eight associate members and five brothers recognized with Dean's List Honors. Brendan Lowe '13 currently serves as Treasurer of the Student Government Association. Matt Tomasi '12, current Inter-Greek Council President, organized the community's first Greek Week since 2005. We brought home first place in the volleyball tournament and Greek relays during the week. We also participated in several service activities, including the "Chill-A-Bration" festival, where we made balloon animals for children. Our brothers organized a dunk tank to raise money for the Cortland Youth Bureau and also participated in Relay for Life. Both students and alumni embarked on a unique fundraiser, a weight-loss campaign, to raise over \$500 for the V Foundation. This spring was also the fifth anniversary of our chartering, which we celebrated at a banquet in Syracuse, NY.

Davis

Justin Powell '12 "E"

During UC-Davis' 98th annual "Picnic Day," we hosted a pancake breakfast to raise money for The V Foundation. The event was well attended by brothers, alumni, students, Davis residents, and brothers' family members. We hope to make this our annual contribution to "Picnic Day." Many brothers also participated in Relay for Life. During Greek Week, we helped to raise money and collect supplies for Cal Aggie Camp, a camp for local underprivileged children.

Denison

Colin Baker '12 "E"

We welcomed seven men as new initiates but also said goodbye to fourteen graduates this spring. Brothers brought home intramural championships in both soccer and floor hockey. Madden Titus '12 and Drew Stormo '15 were part of Denison's NCAC Champion Lacrosse team. George Bodenheimer '12 received our "Brother of the Year" award.

We teamed up with the Friends of Pitt County Animal Shelter to host our third annual "Adopt-A-Thon," where we set up a booth during the "Barefoot on the Mall" concert to try to find homes for dogs. This year, we managed to find homes for two dogs. We're looking forward to continuing this event next year!

East Stroudsburg

Keith Heckel '12 "E"

We've worked to raise money for The V Foundation by holding numerous "Pie-A-Chi" events on our campus and at surrounding schools. Our brothers have also received recognition for our community street cleanups this year. We currently boast the top GPA among fraternities on campus and look forward to retaining this distinction.

Eastern Illinois Colony

Nicholas Almanza '15 "E"

We welcomed three new members as brothers this spring before saying goodbye to our seniors. Our brothers finished seventh in the intramural sports points race and third in GPA among all fraternities. We finished first during the Unity Stroll during Greek Week. Our first annual "house challenge" saw all brothers compete in friendly games of wiffle ball, dodge ball, tug of war, relay race, trivia night, and a paintball outing. The red and buff teams tied!

Eastern Washington

Chris Lulay '14 "E"

The Eastern Washington Colony received its charter on April 14, 2012. Read more about Eastern Washington's Chartering Banquet in the upcoming Summer '12 issue of the *Quarterly*.

Embry-Riddle

Gregory Smith '15 "E"

Last summer, Brandin Delano '12 was diagnosed with Aplastic Anemia, a form of anemia that affects the production of new red blood cells. To help Brandin and others who have this condition, our brothers hosted a bone marrow drive to help find donors for the national registry. The Florida Blood Center considered 15 new donors for the event to be a success. We had a total of 55 people sign up for the opportunity to assist with saving someone's life!

On March 24, 2012, brothers, associate members, and alumni celebrated our 40th anniversary with a dinner and social gathering. We also held a ground-breaking ceremony that weekend for our future, on-campus chapter house. Kansas State Colony *Eric Haun '14 "E"*

On April 21st, the Kansas State Colony hosted our second annual Scholarship Dinner. Held in the beautiful Tadtman Board Room located in the Alumni Center, brothers gathered, along with 11 finalists, to award two scholarships to up-and-coming high school seniors who will be attending K-State next fall.

The two scholarships awarded were the James Komatz and the Dr. Alan Brightman scholarships. James Komatz was a member of the Kansas State Chapter of the Delta Chi Fraternity since the fall of 1994. He was initiated on February 10, 1995 and was an active member of the Fraternity. After a yearlong battle with cancer, Jim passed away

on July 15, 1998. The purpose of this scholarship is to perpetuate the memory of James Komatz on the campus of Kansas State University and to provide educational opportunities and assistance for outstanding incoming students who possess exemplary attributes in scholarship, fellowship and character.

Dr. Brightman was "A" at the Kansas Chapter and later served as "BB" at a number of chapters before he served as "BB" for the Kansas State Chapter from 1992 – 2002. The purpose of this scholarship is to honor the service of Dr. Brightman to his fraternity and to provide educational opportunities and assistance for outstanding incoming students who possess exemplary attributes in scholarship, fellowship and character.

In addition to handing out two fantastic scholarships, we were also very pleased to have Bill Meredith, the Associate Dean of the School of Human Ecology, present to give a speech on opportunities and living out your personal dreams. In addition to Dr. Meredith, our current Alumni Advisor and President-Elect of the National Kansas State Alumni Association, Aaron "Ottomatic" Otto, gave closing words and praise to the finalists who were in attendance.

This function was a great brotherhood event and a fantastic evening for recruitment. We made a very positive impression on parents and finalists alike and look forward to continuing this tradition in the years to come.

Marshall "Imagine a World Without Cancer"

Seth Rabatin '11 "E"

Brothers from the Delta Chi Fraternity have a history of going to great lengths to raise money for the V Foundation for Cancer Research. Continuing with this tradition, a group of four bikers, called "The Six18 Boys", biked from the Marshall Chapter in West Virginia all the way to raise more money for the Foundation one last time before graduation. Scott Hamlin, Seth Rabatin, Cameron Mallory, and Anthony Severino covered 618 miles in just eight days. Over the course of their journey the guys asked for donations from people they met. All told, they raised over \$1,500 for the V Foundation for Cancer Research!

The main theme for the journey was challenging people they met to "imagine a world without cancer." They posed this question they met along the way and the responses they got were nothing short of touching. Some people said they would have had more time with loved ones; some said they themselves would have experienced less pain in their life. These amazing stories remind us of why we contribute so much time and money to this great cause. We can all easily imagine a world without cancer, and these outstanding men helped us move a little closer toward that reality.

If you want to learn more about their journey, follow "Six18" on Facebook.

For this year's summer campaign we will be hosting two recruitment ventures, one at a golf club near the state capital, and the other in a beach house on an island just off the coast in the Gulf of Mexico. Additionally, we have purchased an on-campus house that we will be moving into the fall of 2013. Brothers participated in Sigma Lambda Beta's "Hoops for Hunger," placed second in Delta Delta Delta's "Bulls at Bat," placed fourth in Kappa Delta's Shamrock golf tournament, and placed third in Zeta Tau Alpha's "Step For A Cure." Our third annual "Lady of the Leges" raised over \$9,000 for The V Foundation. We brought home first place during Greek Week, making our chapter the first to win both Homecoming and Greek Week in the same year. Brian Goff '13 and George Papadeas '13 currently serve as Student Body President and Vice-President, respectively.

Southern California

David Aguilar '14 "E"

We won a foosball table through our participation in Alpha Delta Pi's philanthropy. This table, along with couches, a new television, and a billiards table donated by Jack Powell '71 has created a new lounge area in our basement. We held our annual actives vs. alumni spring football game, with the actives winning the game. We were honored to have the opportunity to initiate the Riverside Colony's Founding Fathers and look forward to bonding with them as they work towards chartering.

Southern Illinois

Jeremy Packer '15 "E"

We welcomed eight men as associate members this spring, and we've made great efforts to improve our philanthropic contributions. Between our date auction and Kimball Classic, a golf scramble, we were able to donate \$1,000 to The V Foundation. Our intramural basketball team made it to the playoffs this spring. We also received the University's Gold Award for University Involvement & Relations and Chapter Advisory Council. We received the Silver Award for Risk Management and the Bronze Award for Recruitment & Development, Community Involvement & Relations, and Chapter Operations.

Our second annual Earth Ball tournament, which raised money for The V Foundation through participation and local donations, saw twelve teams compete. For the first time, other fraternities on campus entered a team into the event, with the winner earning a chance to take on the Delta Chis. We currently have brothers serving as President and Vice President of IFC, several brothers in Order of Omega, and another brother serving as Vice President of the Honor Society. Our brothers also brought home the spirit award at Phi Mu's "Kickball for Kids" tournament.

Syracuse

Christopher Pokornowski '12 "E"

On March 24, 2012, we held our 5th annual "D-Chi Cup," our broom ball tournament to benefit The V Foundation. Many brothers participated and raised over \$500 for Relay for Life. This spring marked our final semester in our current house. We're looking forward to all the great memories that we'll be able to make in our new house next year.

Tarleton

Christian Perez '13 "E"

We've worked to greatly improve our image this spring by assisting other organizations with their events and also being more involved with University traditions. Some brothers have helped by giving tours to potential incoming students. We're looking forward to continuing our efforts in this area in the future.

Texas

Stephen Anderson '15 "E"

We participated in intramural basketball and softball with Forever Texas, a spirit group on campus, and we placed third and second, respectively. We're actively planning for a campus-wide basketball tournament this fall to raise money for The V Foundation.

We began our semester with our annual ski trip, this year to Winter Park, CO. We accomplished our goal to get out of debt, participated in numerous philanthropy events, attended Region III's RLC, and went on our annual brotherhood trip to Buffalo Springs Lake.

This spring, we initiated 11 undergraduate men and three alumni members who had distinguished themselves in both their respective fields of employment and their dedication to our chapter. We hosted our second annual Chicken Dinner, where we served over 150 chicken dinners and raised over \$700 for The V Foundation.

Troy State

Klint Rhodes '12 "E"

We hosted our annual Luau philanthropy in March, where we had live bands, a coin fundraiser, and field games. All proceeds from the event were donated to The V Foundation. David Dove '13 currently serves as President of the IFC, and Alan Ray '14 was selected to join the Mortarboard National Honor Society. At Region VIII's RLC, we brought home the Regent's Cup, a reward for our members' hard work and dedication over the past year.

Our "B", Michael Edstrohm '14, has been working with our committee chairmen to achieve as much as they can this spring. Aldon Brink '13, Greek Relations Chairman, created a calendar featuring pictures of Delta Chi brothers for the sororities on campus. Philanthropy Chairman Andrew Ogle '14, with help from Aldon Brink '13, organized volunteer efforts for a local church. We held a "Cookout for a Cure" and raised over \$350 for The V Foundation in two days. Ian Schamburg '12 represented Delta Chi on Greek Week Court, while Taylor Mason '13 competed in Delta Zeta's "Big Man on Campus." Mason also received the "Greek

of the Month” from our campus Greek Life Office. Our intramural 3-on-3 basketball team also reached the finals. In April, we welcomed over twenty alumni back to Kirksville for a weekend of events, including golfing and a BBQ.

Tom Devenny '15 “E”

Our fifth annual benefit concert for The V Foundation was a huge success, with much thanks to Sigma Beta Rho for their help. Alexander Clark '15 currently serves as Inter-Greek Council Vice President, and Ryan Burkhardt '17 placed third in the University’s “Mr. and Mrs. Greek” competition.

Valdosta

Jarrod Baskin '12 “E”

In February, we held our annual softball tournament to honor Joshua Dykes, a brother who was involved in a fatal car accident in 2010. This year’s tournament was a great success, with many teams from Georgia and Florida competing. Our Parents’ Weekend in March allowed us to show our parents the opportunities that Delta Chi affords to us. In April, we teamed up with Chi Omega and Sigma Chi to participate in Relay for Life. The most memorable part of our spring semester though, was Greek Week. We brought home second place overall, won Greek Week MVP, and Codee Burton '12 was named Greek Week King. At Greek Assembly, we received the Most Improved GPA Award and placed second for the Campus Cup Award.

Virginia Commonwealth

Andre Reveille '14 “E”

We initiated seven men into our brotherhood this spring and participated in a number of events. We teamed up with Zeta Tau Alpha to host a simulated Senior Prom at Spring Harbor Assisted Living. We planned a night of music, food, drinks, and dancing, and we even named a Prom King and Queen. We look forward to planning a similar event again next year. Our third annual Jimmy V 3-on-3 basketball tournament had 22 teams participate and a number of others donate money for The V Foundation. Teams donated \$30 to participate, and the winning team received \$60 in Visa gift cards. We were named Greek Intramural Champions after we brought home first place in outdoor soccer, dodge ball, kick ball, indoor soccer, and basketball.

We began our spring semester with a chapter retreat, where members set goals for the upcoming semester and year. In February, eight brothers attended Region IV’s RLC and brought home an award for Outstanding Chapter Management. In March, we placed first, with a total donation of \$500, in “Bowl For Kids Sake,” an event benefiting Big Brothers and Big Sisters of Topeka. In April, we hosted an alumni BBQ, volunteered at a local community food network, and hosted two philanthropy events on campus. Our balloon fight and 5k run/walk collectively helped us raise \$300 for The V Foundation.

Washington

Joe Mernaugh '14 “E”

Our house had several improvements this spring, including fixed speakers in the backyard, new backyard furniture donated by our parents’ club, re-tiled showers, and new paint in the hallways. We now also have white carnations planted in front of our house. We hosted brothers from around Region I for the RLC, and it was a successful weekend. Our “Dollars for Scholars” program is still going strong, rewarding brothers with excellent GPAs each term. Our entire chapter cheered in the stands as our intramural basketball team won the championship. With many brothers excited about Relay for Life, we actually formed two separate teams for the walk. Finally, we held our Sun Splash philanthropy at the end of the term. This event consists of a day of poolside competitions, a dance competition, tank top sale, and a raffle of UW sports memorabilia. Instead of our traditional volleyball tournament, Earth Ball is coming to UW!

Washington State

Drew Morgan Faculty “BB”

The Chapter finished the semester with plans for a strong summer recruitment effort, in order to bring more brothers into the fold. Midway through the spring, the Chapter elected a new “BB”, who is excited about working with the group as it moves forward.

Through two additional bake sales, we raised another \$150. In April, we raised over \$1,300 through our participation in Relay for Life. We also invited alumni back for a day of brotherhood on April 14, 2012. During Greek Week, Juan Puppo '14 won the “Greek God” event.

William & Mary

Daniel Velez '13 “E”

We’re excited to announce that we have been selected to move into a house that the University will build on Greek Row. We were one of six fraternities selected, and we’ve already chosen our housing plot and house design. We’re very excited with how this development will help improve our presence and permanence on campus!

Wilmington

Cole Barney '14 “E”

We welcomed seven new members into our brotherhood, and they assisted us in bringing home the gold during Delta Zeta’s annual “Turtle Tug.” We hosted our formal at the Wilmington Convention Hall, where we celebrated the first anniversary of receiving our charter. We’re also actively preparing for our annual Kelp Klassic, a competition for UNCW’s best surfers.

Western Michigan

Jake Williams '14 “E”

We had a great turnout for our alumni golf outing at Thorneapple Creek in April, despite the rainout. We teamed up with Sigma Pi and Alpha Phi for Greek Week, and we also raised \$185 for The V Foundation through two fundraisers at a Mongolian BBQ and at Applebee’s restaurants. Several brothers also visited Mark Schramka, Northwestern Alumnus, to receive haircuts at his old-fashioned barbershop. Mark donated \$300 to The V Foundation from the haircut fundraiser.

Windsor

Khalid Dafalla '14 “E”

This spring, we welcomed brothers from the Cincinnati Colony and Kettering Chapter to celebrate our 41st anniversary. We raised nearly \$300 for The V Foundation from our snowball fundraising event. We also held poker and philosophy nights with other Greeks, participated in intramural flag football and hockey, and made new letters for the back of our house.
