The Importance of Education

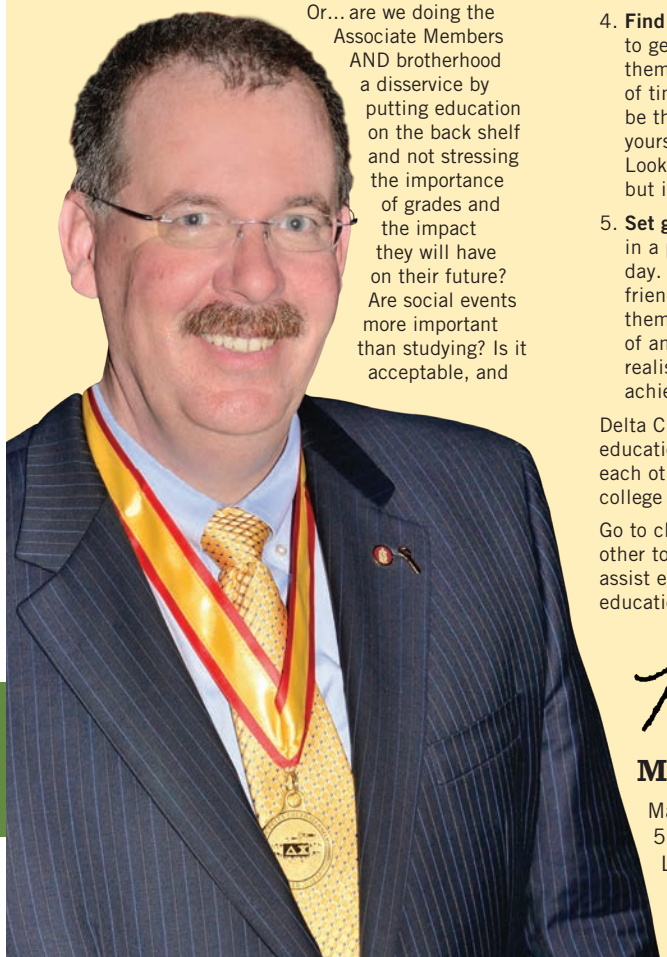
How did you discover Delta Chi? Unless you're a "legacy" or knew a brother before stepping foot on campus, you probably discovered Delta Chi after you first made the decision, like all of us, to seek higher education.

As freshmen, we packed up our belongings, gathered up our courage, and left home for college. We left with hopes of good grades, thoughts of a rewarding career after graduation, and visions of a bright future. Sometime after, we discovered "fraternity" and Delta Chi.

Discovering Delta Chi is the best thing that has happened to me. I have often said, "If it were not for Delta Chi, I would not be where I am today. And, for that, I am very grateful."

But "fraternity" - Delta Chi - can be very distracting and difficult for a young student who is still trying to adjust to college life.

Does Delta Chi assist "in the acquisition of a sound education"? Try to answer that truthfully. Are we taking the time to show Associate Members where the campus tutorial center is? Are we showing them where the library is, (granted they should already know that!)? Are we assigning brothers with good GPAs as mentors to the Associate Members to help them with their studies during and after the AM period? Are we inviting in our Faculty Advisor to speak to the Associate Member class about the importance of their grades and the impact it will have on finding good jobs after graduation?



Or... are we doing the Associate Members AND brotherhood a disservice by putting education on the back shelf and not stressing the importance of grades and the impact they will have on their future? Are social events more important than studying? Is it acceptable, and sometimes funny, to just blow off a class? Are we not giving appropriate study time and appropriate hours for the Associate Member class to prepare for class and tests, or just plain study?

We must remember, that education is the first and primary reason you came to college. Fraternity is great, and I am all for it, but grades are a necessary prerequisite to truly enjoy fraternity. Imagine what will happen to your chapter or colony if the brothers start to have poor grades and it continues...eventually you will lose the chapter or colony, but what happens to you? Your Delta Chi experience will be sub-par, and, if you graduate, you probably will not acquire the job or salary that you really wanted and dreamed of when you left home to go to college.

So let's look at some positive ideas to help you stay focused.

1. **Find your role models.** Are they well educated? Are they focused on their goals and have their priorities in order?
2. **Work hard.** Share your successes. Share them with your alumni as well, and take the praise. Everyone likes a good pat on the back.
3. **Be social.** That doesn't mean be a party animal. It means be responsible, have intelligent conversations and listen to what people say. It is amazing what you will learn from people, especially your alumni, if you just take the time to listen.
4. **Find your motivation.** When people start to get bad grades they start to deceive themselves that a particular class is a waste of time and they will never need it. It will be the professors fault. Stay motivated, ask yourself, "What would my role model do?" Look for inspiration from family or friends, but improve and take responsibility.
5. **Set goals.** Write them down and put them in a place where you can see them every day. Share your goals with family and friends. Then, stay focused on achieving them. As you achieve them, cross them of and add new goals. Make sure they are realistic, attainable, and have a set date for achievement.

Delta Chi and the acquisition of a sound education should go together, not work against each other. Together they will enhance your college and fraternity experience.

Go to class. Study. Tutor a brother. Help each other to realize the importance of education and assist each other in the acquisition of a sound education.

ALABAMA CHAPTER ON A ROLL!

Written with significant contributions from Chuck Carlin, Alabama '57

ALABAMA CRIMSON TIDE

Founded in 1927, the Alabama Chapter has enjoyed a storied history as the state's oldest Delta Chi Chapter. Today, the Chapter and the University are now riding the crest of the Crimson Tide's three recent BCS Football Championships that have undoubtedly contributed to the tremendous surge in the size of the student body from slightly more than 19,000 in 2000 to over 33,000 in 2013.

Not just because of this, the Chapter now finds itself with more than 100 student members due to the continual hard work of the student members and support of the Chapter's alumni. As a result, the Chapter House's facilities have been stretched to their limits - something made even more problematic by the realistic expectation of even more membership growth.

The decision to improve the Chapter House became obvious, first, by the recent wave of construction activities in the University's Greek community. To remain competitive, the Chapter felt it needed to upgrade the house. After careful consideration, it was decided to renovate and expand the current house so that, as far as facilities are concerned, the Chapter's prominent position on campus would be secure far into the future. This decision was made even easier by the fact that the house itself is in reasonably good condition, having been originally built in 1971. Also, since 1998 almost a half-a-million dollars have been invested, most from alumni, to provide a functional facility of which all could be proud.

Alumni also felt that it was just as important to give to future generations of young men the same opportunity past members had to be part of Alabama Delta Chi. These opportunities would be made possible by a flourishing student membership residing in a modernly-equipped, attractive, comfortable Chapter House.

With all this in mind, in spring 2012, the Alumni Board of Trustees and the House Corporation made the formal decision to commit almost four million dollars to address the pressing need for a larger, improved, code-compliant house with a capacity of at least 125 student members.

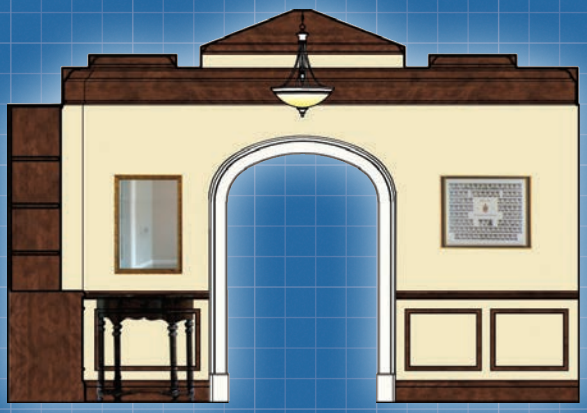
ALABAMA CHAPTER HOUSE

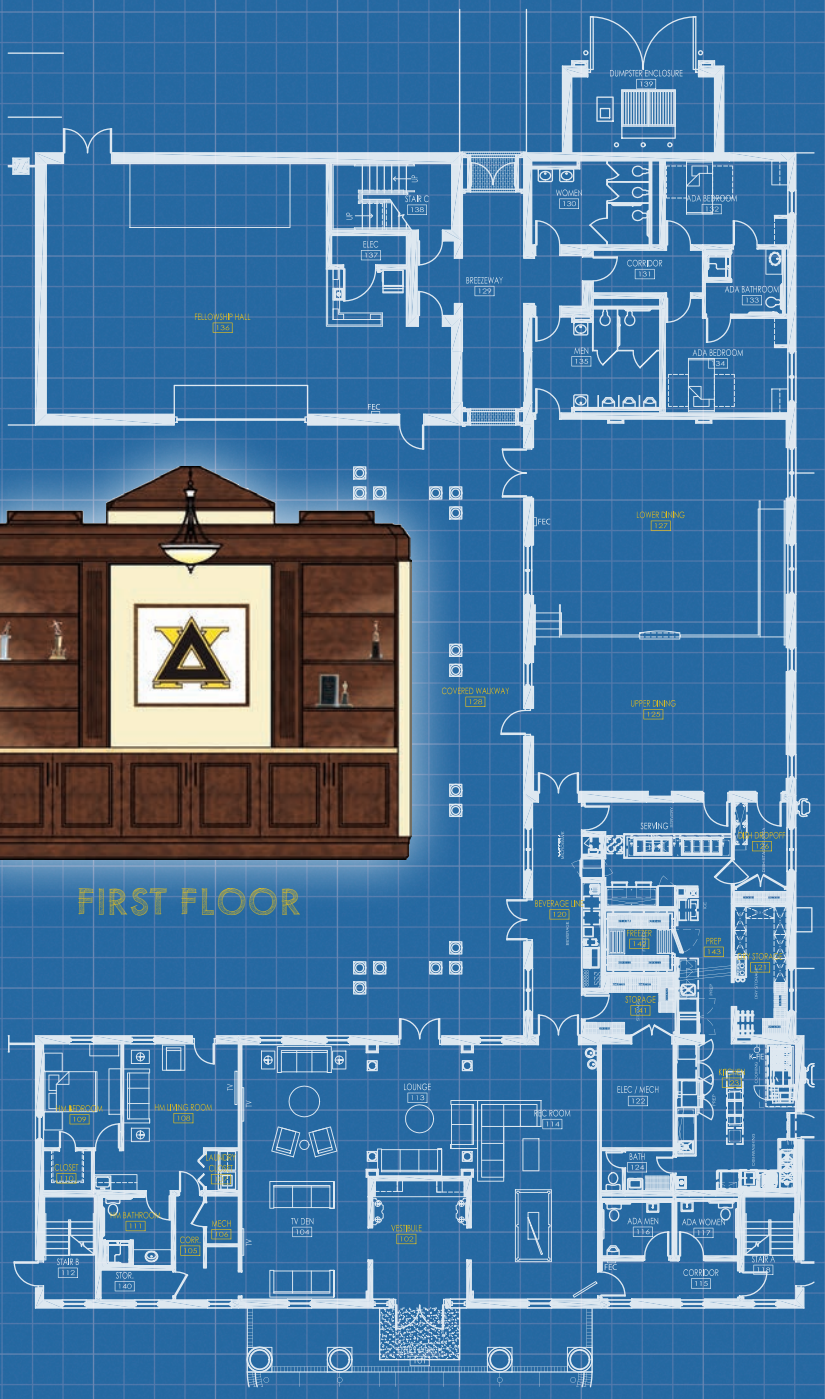
The Alabama Chapter's new home will more than double in size and triple in capacity, with 18,000 sq. ft. of living space and a sleeping capacity of 34 men.

The **Dining Room (125/127)** takes the place of the old Fellowship Hall. It will seat 110 men and will also serve as the Chapter Room. A modern kitchen will extend into the area of the old dining room, with an access hall leading to efficient food service/dish-return areas.

A large **Fellowship Hall (136)** will now be located in the new back wing.

The enclosed **Courtyard (128)** includes landscaping and a covered, grand colonnade walkway outside the dining room, running from the front wing to the back wing.





FIRST FLOOR

The renovated, enlarged **Food Service Areas (120/121/123/126/141-143)** will extend into the old dining room, with an access hall from the first floor common area that also leads to the new dining room/chapter room located in the old fellowship hall.

Extensive renovation work will result in the current **Front Entry Foyer (102)** being completely transformed into a reception area worthy of a prominent fraternity house. Arched doorways will lead from both sides of the foyer into a completely redesigned common area. The foyer's ceiling will be stepped-recessed, with crown molding and a new, attractive hanging light fixture, while the open-common area will have dropped-ceilings with integrated florescent lights installed behind opaque panels.

The **House Director's Quarters (105-111)** will be enlarged and renovated, with much attention to details from our hard working house director Ms. Vivian Anderson, who has also been much involved in the redesign and upgrade of the food service areas.

BLUEPRINT FOR THE FUTURE

Entry onto the house grounds from the back street will be controlled by two strategically placed, iron gates that can be secured. The fellowship hall also has a large, roll-up door that opens to the **Courtyard Patio (128)**. The patio extends along the back wing to the dining room doors, which also open to the patio. It then extends to and along the front wing, providing a center area of grass.

The house will now be ADA compliant, code compliant, fitted with fire safety components, and it will offer residents wireless internet, cable television outlets, and security cameras.

A long-desired (by many), new, aesthetic look for the front of the house will involve replacing the old front lawn lights with a spotlight sited at the base of each front porch column, allowing each to be illuminated from below. All four columns, as well as all other exterior house trim, will be repainted white. And the ornamental railing on the top of the front porch will be repainted black.

The combination of newly repainted, base-lit, porch columns, with new, dark-bronze light fixtures on each side of the new, double, front doors with dark-bronze hardware, a newly repainted, porch-top railing, and new windows and shutters, along with a new, attractive, dark-bronze light fixture suspended from the center of the porch ceiling to just above the front doors, added to the new, sloped front walk, will provide an imposing, eye-catching house-front, especially when lit up at night.

The house's current **Single-Occupancy Rooms (205-213)** will be completely renovated, including new furniture. The new wing of the second floor will now include **Suite-style Bedrooms (221-259)** and a **Separate Laundry Room (204/242)**.

Each new suite will have two single-occupancy sleeping rooms and a shared bath. All sleeping rooms will have new furniture, as well as wireless internet access and cable television outlets. For safety, all rooms will now include smoke detectors and an attractive, heavy-duty locking entrance door.

An entirely new, **Two-Story Wing** addition will be built along the backside of the house's lot, resulting in an enclosed, fully landscaped courtyard, surrounded on three sides by the house, the fourth side being the existing brick fence. The new fellowship hall will be on the first floor of the new wing, while the second floor will consist of new sleeping rooms/baths suites and a lounge area.

FINANCING THE PROJECT

Student Chapter Contributions

Over time, the substantial financial contribution of the Student Chapter will provide the vast majority of the project's final cost. Historically, this has always been the case when the Alabama Chapter has undertaken major housing projects, such as the 1935 construction of the Chapter's first-owned house, the 1971 construction of the current house, and the mid-'80s construction of the fellowship hall. Since 2005, the Student Chapter has also been a steady contributor of a portion of the nearly $500,000 that has provided a substantial base for the current project.

Moving forward, the Student Chapter will make the necessary monthly payments to the University on the 30-year, $3.25 million dollar mortgage loan that represents the bulk of the current project's funding. In addition to the monthly mortgage loan payments, scheduled to begin in summer 2014, the Student Chapter is also contributing $150,000 for furniture, furnishings, and other non-construction costs. Under the University's organization, donations from alumni will also be used to pay down the mortgage principle, reducing the Student Chapter's financial obligation over time.

Alumni, ABT and House Corporation Contributions

Based on the recent experiences of several UA Greek organizations, alumni leaders chose Pennington & Company, a fundraising, consulting, and public relations company (whose President is Patrick Alderdice, Ball State '92) to assist with the Chapter's $1,000,000 fundraiser. Jon Vice, Alabama '70, graciously accepted the nomination from the ABT to lead the effort. Vice, an entrepreneur in the fields of hospital administration and charitable fundraising, has proven to be the ideal person for this demanding position. Thus far, Vice and Pennington & Company's efforts have yielded a total of $834,000 (as of 8/18/2013) in cash and pledges towards the project. Brothers have given to the effort through traditional donations, five-year gifts, tax-advantaged IRA withdrawals, furniture, and even construction supplies. The drive's ultimate goal has been to personally contact every one of the Chapter's nearly 1,000 living alumni and share with them this historic, once-in-a-lifetime opportunity. The Chapter, of course, plans to recognize the name and contribution level of each donor in a permanent display in the renewed house.

The fundraising effort's two largest donors at the time of publication happen to be two individuals who've given so much of their time to ensuring the success of the project: Brother Vice and Stan Williams, Alabama '60. Williams, along with Vice, hosted and attended a number of meetings in Birmingham and Tuscaloosa with Hendon & Huckenstein Architects, University officials, and other project leaders. Williams was instrumental in negotiating the details of the mortgage loan and also securing temporary housing for the student members until the project's completion. Without both men's leadership and tireless efforts, many suspect that the project wouldn't be able to reach its final stages, as the Chapter is actively preparing for the formal dedication to be held during the summer of 2014.

> "All of the learning experiences as a student member of Delta Chi and the long lasting brotherhood bonds enjoyed as an alumnus have truly been gifts that I cherish. It is for these reasons that I hold the Chapter in such esteem and continue to work to ensure its success. The renovation and expansion of the Chapter house is another major mile marker in this journey."

Notable ALABAMA ALUMNI

The Alabama Chapter has given the University of Alabama many of its most prominent graduates. Among them is Former "AA" Jefferson J. Coleman, Sr. '29, who had a distinguished 50-plus years career as a University executive and for whom the school's current basketball arena, Coleman Coliseum, is named. Another is incumbent U.S. Senator Richard C. Shelby '57 (AL-R). Shelby Hall, the newest, largest academic building on campus, is named in Senator Shelby's honor. Many distinguished doctors, dentists, lawyers, educators, engineers, businessmen, clergymen, career U.S. armed services members, and countless others, have been first members of the Alabama Chapter. There was never a question about allowing the proud legacy of these brothers to be diminished by a failure now to provide an equally prestigious Chapter House.

Jefferson J. Coleman, Sr. '29

Senator Richard C. Shelby '57

THE STUDENT CHAPTER, directed by Sam Wells '55, were winners of the 1955 IFC Step Singing Competition on the University's Main Library front steps, singing - Happy Wanderer, Soon I Will Be Done With The Troubles Of The World, and Delta Chi's Bond Song. This recording of the bond song was used for many years at International Conventions and the chartering of new chapters.

REMEMBERING JACK PINTO

On December 14, 2012, twenty children and six adults lost their lives at Sandy Hook Elementary School in a senseless act of violence. This tragedy struck close to home for so many of us, but none closer than one Delta Chi brother.

On this day, Dean Pinto, Lehigh '93, tragically lost his son, Jack A. Pinto.

The world responded to Sandy Hook, and Delta Chi responded to help support a fellow brother. Here is a collection of just some of these inspiring efforts.

T-shirt Fundraiser

Mark Schramka, Northwestern Alumnus, described it best as, "brothers supporting brothers." Delta Chi brothers across the globe raised funds for the Jack A. Pinto Charitable Fund during January and February 2013 though purchasing t-shirts designed by Colleen Hennessy-Sullivan, the wife of Nick Sullivan, South Florida '08.

Colleen, a member of Alpha Omicron Pi and a Greek Licensed Vendor, has done many t-shirt and gear projects for Delta Chi chapters and colonies in the past, but none had been this large or meaningful. In honor of Jack's favorite team, the New York Giants, Colleen designed the shirt to be royal blue and red. The left sleeve, being closest to one's heart, was designated as the memorial sleeve and featured Jack's initials, date of birth, date he left us, and angel wings.

Scan the QR code to visit the Facebook event

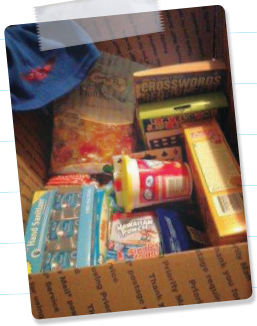
"I made a Facebook Event and invited Mark Schramka; Marquez Brown, Iowa '01; Shawn Roof, New Haven '00; and the South Florida brothers," Colleen shared. "It took off from there because those guys invited everyone they knew."

"The response was absolutely amazing and heartwarming," explained Roof.

"I invited people and kept plugging it every chance I got. I ordered a few shirts as well," added Schramka.

Through crowdsourcing, thousands were invited to the Facebook Event and made aware of the effort. Members passed sign-up sheets around during chapter meetings, and many, many alumni placed orders for one or more shirts.

"Orders for three, four, or five shirts started coming in," Roof recalled. "Brothers were ordering additional shirts for their families, and even non-Delta Chis were placing orders in support of the cause."



In all, brothers, friends, and family members purchased over 800 shirts and raised $5,200 for the Jack A. Pinto Charitable Fund. In fact, some Delta Chi brothers currently serving overseas purchased shirts to wear.

Ordering the shirts wasn't the only way brothers contributed, though. Kevin Emery, California Univ-P.A. '99, donated 400 shipping mailers to help keep shipping costs low for the fundraiser. Colleen, Nick, and members of the South Florida Chapter worked tirelesslyto get all of the orders sorted out, packed, and shipped. TSC Apparel offered the shirts for a competitive price and also donated a case of shirt blanks to the fundraising effort. Individuals even donated to do something truly special for those serving overseas.

"Within the Facebook group we raised separate donations to send not only their shirt, but also a box full of goodies as an act of kindness to keep with Jack's spirit," Colleen added. (Use photo of goodie box here)

The fundraising effort not only showed how brothers, friends, and family across the globe can work together, but also the level of compassion inherent in the bonds of brotherhood.

"It is comforting to know that when one of us hurts, we all hurt. When one of us needs something, there are thousands of people we can all upon for help," reflected Roof.

Keith Lipp '15 "E"

Our intramural softball championship team

This spring, we have made great strides as a chapter, as we again earned the highest GPA among fraternities on campus. Several brothers will attend graduate programs in the prestigious HAAS School of Business. Our "Delta Chi World Cup" raised funds and awareness for The V Foundation and brought our whole Greek community together. We're looking forward to growing as a chapter and increasing our presence on campus this fall.

Adelphi Colony 24 N/A

Mercedez Martinez '16 "E"

Leadership Consultants Bill Halaby, South Florida '12, Evan Lieb, West Chester '12, and Nick Stitt, Augusta '12 set foot on Adelphi's campus with the goal of enhancing the well-established Greek community. In doing so, they changed the lives of 23 young men while creating a strong foundation for Delta Chi's future at Adelphi.

During the Colony's first semester on campus, Delta Chi staff worked with the Founding Fathers to expand bonds, develop a network base, and earn a positive reputation with the Faculty and other organizations. Through continued events, friendships between organizations grew quickly. At our "Beat Cancer" event, which benefited The V Foundation, we padded ourselves with pillows, and 130 individuals paid one dollar to swing a faux baseball bat at us. We were one of the highest attended teams during Relay for Life, and our fundraising efforts exceeded $400.00. We also hosted a "Penny Wars" event, with the proceeds going to establish an annual Earth Ball event in the near future.

We also co-hosted a softball tournament with Phi Sigma Kappa and a football BBQ mixer with Pi Lambda Phi. We participated in Delta Delta Delta's letter-writing campaign to raise funds for St. Jude Children's Hospital. We also hosted a brotherhood event with a Super Smash Bros. Competition. During Greek Week, brothers participated in every event, and we brought home first place at the Greek Marathon. Andy Jacobs '13 also led the way for our third place finish at Greek Sing.

Our achievements during our first semester on campus will guide us towards future opportunities as our colony grows.

Zac Cochran '14 "E"

Before graduation, our chapter has grown to 121 brothers, and we're actively looking forward to a successful summer recruitment effort. During the spring semester, we completed a number of community service events, including building houses, building dog shelters for kennels, and a number of University and sorority hosted events. We're also looking forward to the renovations and expansion projects that will soon be completed on our chapter house.

Alberta 25 N/A

Grant Winfield '16 "E"

We collected 82 bags of clothing for the Mustard Seed organization during our "We Want Your Pants" clothing drive. We also hosted a "hide and seek" social event at IKEA, and our band performed well during the 'Greek God and Goddess' battle of the bands and dancing competitions. During our Teaching Excellence Award (TEA) Night, we were enlightened with three inspiring speeches after recognizing three outstanding professors.

Many of our Associate Members from last term have already taken on key positions within the Chapter. In fact, one half of our current executive board is comprised of first-year brothers. Our brothers are also excelling academically while also keeping whole and healthy through participation in intramural sports and independent physical endeavors. We look forward to continuing our growth in the coming seasons.

Our chapter focused on three aspects this semester - philanthropy, recruitment, and the elimination of chapter debt - and we're extremely proud to say that this has been a successful spring semester. With the help of our alumni, IHQ, and our ABT, we've restructured our chapter's finances and eliminated our debt. On April 13th, we hosted our second annual Earthball event, which raised $4,053 for The V Foundation. This event pushed our annual contribution total to $5,124, and we're working to increase this total to $10,000 before the 2014 Convention in Scottsdale. We also welcomed 12 men into our brotherhood this spring, meeting the recruitment goal we set as a chapter. Our brothers welcomed members of Delta Chi's Staff, local and area alumni, and others to Washington D.C. During the NIC's lobbying campaign for the Collegiate Housing Infrastructure Act (CHIA). Finally, Al Custard '15, our former Recruitment Chairman and current Vice President of IFC, ran for Student Body President.

Arizona 111 N/A

Brett Rothberger "E"

The Arizona Chapter is currently on Level 4 Corrective Action for alcohol and hazing violations until 12/31/2013.

During the weekend of March 1st-3rd, our brothers welcomed our mothers to campus for our first annual Moms' Weekend. Mothers traveled from all across the country to visit our big brick house, spend time with their sons, and catch our reigning College World Series Championship baseball team compete against the University of South Florida. We also hosted a Fathers' Weekend, during the weekend of April 20th, where we planned a go-cart racing outing and several group dinners.

Arizona State 62 2.96

Fahd Qabazard '14 "E"

In January, we participated in the University's first Dance Marathon, which raised over $60,000 for local children's hospitals. This spring, we were recognized with ASU's Greek Cup for best overall performance throughout all intramural leagues, and we brought home championships in soccer and softball. Our brothers also volunteered at the Special Olympics Qualifier held in Mesa, AZ.

Auburn 50 2.81

Timothy Helms '11 "E"

We hosted our first formal in seven years with a trip to New Orleans, where our brothers and guests enjoyed outstanding cajun food and generous Louisiana hospitality. Also, for the first time since Auburn joined the SEC, one of our brothers, Ben Durand '15, is a member of Auburn's football team. Our housemother, Charlotte Danielson, hosted brothers who were unable to travel home for easter for a feast with friends and family. We're all very grateful for her support and assistance.

Augusta 19 N/A

Matthew Herren '13 "E"

Brothers and contestants at the Augusta Chapter's first ever "Jimmy Jog" 5k race

Recently, Augusta State University successfully merged with its neighboring medical college, Georgia Health and Sciences University, and is now named Georgia Regents University. Since the merger, we've been working to ensure that the traditions we've established over the last 30 years will assist us in maintaining our presence moving forward. We began the semester with a semi-formal, where we also invited members of the Kennesaw Chapter and their dates. With the help of 13 local sponsors and over 30 participants, we raised $2,500 for The V Foundation during our first "Jimmy Jog" 5k Run. Following the event, we hosted a social event at the Pinnacle Club on the 16th floor of the Wells Fargo Building in downtown Augusta. We've maintained the highest GPA among fraternities, and Ming Chen '15 was recognized as the Best New Greek Member on campus.

Behrend 16 2.67

Adrian Tam '15 "E"

This spring, we hosted our 23rd annual White Carnation Formal, where brothers and alumni came together to strengthen our chapter's bonds. Our brothers brought home second place during Greek Week, and we also hosted a pig roast with the Behrend Agricultural Club. Jeremy Omard '13 received recognition with the Jackson Lethbridge Tolerance Award, an award given to a junior, senior, or graduate student for their outstanding efforts to enhance the understanding of diverse cultures and create a community where all individuals are accepted and valued equally.

Binghamton 33 3.45

Greg Corso '15 "E"

The Binghamton Chapter is currently on Level 3 Corrective Action for hazing violations until 5/31/2014.

Ian Friedman '15 worked to make this year's Miss Aphrodite event the most successful one we've had so far. The event raised $4,500 for The V Foundation, twice as much as last year's event. We also saw a number of alumni return for the city's annual Parade Day, a St. Patrick's Day celebration.

Bowling Green 31 2.85

Chris Tsirigotis '14 "E"

Our chapter has focused on recruitment and philanthropy, and we've currently raised over $3,000 for The V Foundation. Brothers dominated many of the philanthropy competitions throughout the spring term, and we also placed second at Greek Sing. Also, our spring alumni outing was a huge success.

Bryant 19 N/A

Michael Aisenberg '14 "E"

Brothers participated, with some shaving their heads, in Relay for Life, and we raised $2,000 for the event. For Earth Day, we participated in a highway clean-up with our local police department. We also hosted an alumni networking event at a cigar bar.

Cal Poly 109 3.07

Riley Kuhn '14 "E"

Participants in Cal Poly's "Strongman" competition

Our second "Strongman" competition at Pismo Beach was a success, and we're looking forward to seeing it as an annual tradition. Several fraternities registered teams and competed in a series of events, including bench press, sled pull, brick hold, and atlas carry. All of the proceeds from the event went to The V Foundation.

California Univ – PA 19 2.63

Eric Myers '15 "E"

This spring, we welcomed three men into our brotherhood. Our brothers brought home third place during Greek Week, and we came in second place in the President's Award. We also organized a "Livin' it up for Livers" event to assist our sweetheart's father, who needed a lifesaving liver transplant. With the help of all students, we raised $1,500 to assist Stephanie Marhefka's father. Our brothers also volunteered and raised funds for a number of other organizations' philanthropies.

Case Western Reserve 40 3.12

Hyung Chul Kim '15 "E"

We welcomed eight men into our brotherhood as members of our Epsilon class. These men embody our values of friendship, character, justice, and education, and we're proud to have them as brothers. We hosted our first "Shave a Life" campaign, where we raised money to have some of our brothers' heads shaved. Over two weeks, eight brothers shaved their heads to raise $2,010 for Relay for Life. We're also proud to announce that Christian Wargo '13 will serve as a Leadership Consultant this next year.

Central Michigan 54 2.78

Zachary Ernat '14 "E"

Our annual "Kimball Classic" alumni golf outing was a success, with many alumni visiting from all around the country. With our efforts to raise funds for The V Foundation proving successful, we're raising our pledge for next term to $2,500. Justin Hauenstein '13 was elected IFC President. With a new house, improved relations on campus, and high morale among brothers, we're looking forward to making the most of the upcoming fall semester.

The Clemson Chapter is currently on Level 3 Corrective Action for hazing violations until 12/31/2013.

During Greek Week, our brothers competed in sports events, challenges, trivia, and a dance competition, and we brought home fourth place this spring. We also brought home first place in Chi Omega's "Boot Camp," a military-style field day event which benefits the Make-A-Wish Foundation. As the semester came to a close, we initiated nine men into our brotherhood. We're excited that these men will enhance our diverse culture as we move forward.

For the past two quarters, we have hosted our "Pie a Delta Chi" philanthropy to raise money for The V Foundation. During the winter event, Will Kallander, Old Dominion '96, matched every donation, which helped us reach our fundraising goal for the year. Our brothers have also participated in a number of other Greek philanthropies throughout the year. Also, we've focused our efforts on improving our grades, and we've implemented a new scholarship plan this spring.

We welcomed two men as associate members this spring, and they're already highly involved in the Chapter. We sponsored the "Take Back the Night" event on campus, which featured guest speakers and a march through campus to raise awareness about sexual violence. We also held a very successful alumni weekend, with many alumni making the trip back to Charleston.

Eastern Washington 18 2.54

Aaron Jones '14 "E"

The spring quarter began with the initiation of two men into our brotherhood, and we welcomed Nathan Simms and Billy Reed as associate members for the spring quarter. With last year's second place still fresh in brothers' minds, members have been practicing three or four times each week for Greek Week's football and basketball competitions. We raised $420 for The V Foundation through our participation in the EWU "Drag On," a drag show that promotes sexual diversity. We're also actively planning our first annual improv show to benefit The V Foundation. Finally, with recruitment efforts continually growing, we're working on acquiring a new house with the help of Ed Worthen '86, the President of our newly formed House Corporation.

At the RLC this spring, we initiated Michael Blaser as an alumnus. After organizing Region VIII's RLC, Andrew Giacini '15 was selected by UF's Student Government President as the Student Government Chief of Staff. Our annual Earthball tournament raised over $5,100 for The V Foundation, and the women of Delta Delta Delta brought home first place this year. Our brothers were also heavily involved with Dance Marathon. Together with the women of Chi Omega, we won second place in our category at the event and raised over $45,000 for the Children's Miracle Network. Brothers also brought home first place at Chi Omega's volleyball tournament and Pi Beta Phi's flag football tournament. We worked to have the second highest attendance for the Greek Blood Drive, and brothers also participated in Project Makeover at Idylwild Elementary School. Our intramural basketball team also brought home first place this spring. We are looking forward to having an even greater fall semester. Go gators!

Florida State 27 2.94

Having finished second during last year's Greek Week, brothers came out of the gate swinging at this spring's Greek Week. During the 90's themed week, our brothers not only brought home first place, but we swept every event and ended with nearly double the number of points as our closest competitor. Our brothers also focused their efforts this spring on a two-week long canned food drive, where brothers established an area of the main campus to collect donations. We collected over 90 pounds of food to donate to the Second Harvest Food Bank in Erie, PA. In addition, Mitchell Carroll '14 was elected IFC President, and Dylan Hyde '15 was elected IFC Vice President of Public Relations.

We kicked off the semester by extending bids to 11 exceptional associate members. A few weeks later, we went on our spring semester brotherhood retreat to Gaitlinburg, Tennessee where we rented a three-story cabin fit with two pool tables, multiple flat screen TVs, and a hot tub. While there, we set goals, discussed chapter improvements, and hosted one of our most proud traditions: The Brotherhood Football Game. After the Buff team took home a convincing 35-21 victory, we headed back to Atlanta.

There was a huge outpouring of support from the chapter for this year's Dance Marathon hosted by GT for the Kids. Spearheaded by our own Drew Keller '14, Lishan Mu '13 and several other brothers, Dance Marathon raised $56,014.16 for children's cancer research. Arjun Meka '14 and Harrison Bartlett '14 both received noteworthy academic honors this semester. The John H. Ridley Scholarship was awarded to Arjun, recognizing a junior in the College of Sciences planning to apply to medical school who has best demonstrated outstanding scholastic achievement and interest in research. Harrison, winner of the Henry Ford II Scholarship, was recognized for obtaining the best academic record of all Biomedical Engineering Students.

We participated in the annual Greek Week competition, highlighted a strong showing in TUG, captained by David Bertram '14 and Mo Khosravanipour '13. Finally, we rounded out the semester with our annual chartering anniversary banquet. This year's banquet yielded very high attendance and we enjoyed a great night rekindling the Delta Chi spirit!

We initiated a total of 12 men into our brotherhood this school year. Brothers participated in Relay for Life and a charity golf tournament on April 20th organized by Brian Allyn '13. The golf tournament was a great success and saw teams from nearly all fraternities on campus show support. In total, the event raised $900 for The V Foundation. Our chapter participated in intramural floor hockey, basketball, and volleyball. We also have brothers involved in club hockey, lacrosse, and the outdoor adventure program. Ian Ford '15 recently procured funding from student government to resurrect the campus fishing club. We would also like to thank "AA" Miles Washburn, Massachusetts '87, for his visits to our house and the challenge coins he shared with us.

Brothers at the conclusion of Miss Greek IU 2013

The Indiana Chapter is currently on Level 4 Corrective Action for alcohol and hazing violations until 12/31/2014.

This year's "Miss Greek IU" philanthropic pageant raised $22,500 for The V Foundation, nearly double last year's total of $12,500. This year's event was hosted by Miss Indiana USA 2013 Emily Hart and featured 18 contestants from different sororities on campus. Participants were judged in different categories, including gown, interviews, and their organization's philanthropy. Theta Phi Alpha's Chelsea Chaffee brought home the 2013 Miss Greek IU crown.

At the 63rd annual "Little 500" race, Drew Manix '13, Sam Mintz '15, Fransisco Borrayo '15, and Brandon Leviton '14 finished in 26th place. This year also marked the 20-year reunion of the 1993 Delta Chi Little 500 championship, the 8th in our chapter's history and the most of any fraternity.

Iowa 64 2.81

The Iowa Chapter wins the first annual Greek Life Broomball Tournament with Kappa Alpha Theta

This spring, our informal recruitment efforts yielded 10 associate members. We also restarted the tradition of our annual spring alumni golf outing. Brothers teamed up with the women of Kappa Alpha Theta and brought home first place at the first ever Greek Life Broomball Tournament. Also, our intramural softball team reached the second round of playoffs this year.

Summer will bring excitement for a packed fall semester. Nine current members' younger brothers will be attending The University of Iowa this fall, and we'll be hosting two philanthropic events this fall: "Puppies and Pizza" with Alpha Phi, and a currently untitled event with Alpha Xi Delta. Both events will benefit The V Foundation. We're also planning a reunion for all alumni from the 1980s to be held September 7th.

We welcomed seven associate members into our chapter this spring, and we're already looking ahead to a strong fall recruitment effort. Our brothers have been extremely active in every aspect of chapter operations. We co-hosted a Dippin' Dots sale on campus with the women of Kappa Alpha Theta, with the proceeds split between our respective philanthropies. Together, we raised just under $1,000 during the event, and our brothers look forward to setting the bar even higher next year. Many brothers also participated in a number of service activities, including Relay for Life, Big Brothers Big Sisters, the Boys and Girls Club, an easter egg hunt hosted by Sigma Sigma Sigma, and a local blood drive that the Chapter hosted. We also held a shoe drive for those less fortunate and also donated a care package for our troops overseas. Brothers participated in intramural street hockey and softball, and we hope to bring home the championships in these sports next year. Socially, we held our annual Shrimp Boil, several concerts at our house, and mixers with nearly every sorority on campus.

On April 19-20, 2013, the Chapter celebrated 90 years of Delta Chi at KU. The chapter invited all alumni back to the chapter house for a weekend of celebration.

The event began Friday night with a cookout at the chapter house followed by a gathering at the Jayhawk Café. It was a fun way for alumni to reconnect, share stories, and meet the current undergraduate members.

Saturday began with coffee and donuts before a business meeting was held, where "A" Kyle Crane '14, House Corporation President Jim Bjerkan '73, the Kimball Foundation's Eldon Shields '71, and ABT president Dwight Wallace '68 all delivered status reports. In this meeting, Bjerkan announced that the House Corporation is in the beginning stages of a house renovation project, and that alumni could look forward to more information this summer. Lunch featured a catered barbeque lunch that led into an afternoon of socializing and telling stories amongst one another at the house.

We'd like to thank all alumni who made the trip for the celebration. The weekend was a unique opportunity to meet many brothers from all time periods, with our most senior alumnus hailing from the pledge class of 1937.

Our Gamma Psi associate member class was seven strong due to our successful recruitment effort, which included an alumni BBQ, an ultimate frisbee tournament, and hookah night in the house. This spring, brothers participated in our Del-Tiki Dance-Off at Will Rogers Middle School in Long Beach, and we raised over $1,500 for The V Foundation. We also hosted a cupcake cook-off between the sororities on campus and a "Taco Tuesday" event, where brothers cooked homemade tacos for our campus community. Brothers volunteered during a local garden clean-up, and we improved relations with our neighbors through newsletters and free car washes. We also worked hard to give back to our families and our "BB" Charles Wade '70 for all their support in our endeavors this year.

Louisiana Tech 46 2.88

Ernesto Diaz, Jr. '15 "E"

We hosted a softball tournament and home run derby, which raised $2,500 for The V Foundation. Brothers participated in the University's "Big Event," where different organizations volunteer at locations around the community. Our assignment was to help clean and repair the local Presbyterian church. Later that month, we also helped the local Catholic church. Christopher Berry '14 and Nelson Dúran '15 became Orientation Student Leaders, and Berry was also elected IFC Vice President. We also enjoyed our annual alumni crawfish boil with live music, alumni, family, and friends.

Brothers sing a capella during Greek Week

Brothers camped outside of the campus library in order to raise awareness for The V Foundation, and a canning competition event between sororities raised almost $4,000. We also competed in "Rocking Against Multiple Sclerosis" (RAMS), where brothers performed a lip sync and dance routine. We finished second in the dance and third overall in the competition. We teamed up with Sigma Sigma Sigma and Delta Sigma Phi for Greek Week to compete in sporting events, such as flag football and basketball, and also a theatrical performance centered on the story of Dr. Jekyll and Mr. Hyde. Brothers also fielded an entire a cappella group for the in-between acts during Greek Week.

This spring also marked our current chapter's 25th year on campus. During our celebration, Ray Galbreth '69 and Executive Director Justin Sherman, Central Missouri '08, spoke to brothers, alumni, and guests. We humbly accepted gifts from Ray Galbreth and "BB" Mark Sexton '93. We hope to continue building strong connections between our student members and our alumni as we move forward.

This spring we recruited and initiated six men without spending a dime from our recruitment budget. In April, we held a "White Carnation" parents and alumni weekend, with more than 40 alumni and parents making the trip down for golf, dinner, and brunch. Our dodge ball tournament raised nearly $1,500 for The V Foundation. We brought home third place during Greek Week with the help of Theta Chi, Gamma Phi Beta, Alpha Gamma Rho, and Sigma Pi. During Greek Week, brothers recorded hundreds of hours of community service, and we donated thousands of cans to The Rare Breed.

Our fourth annual Pudding Tug-of-War was a success, and, in total for the semester, we raised $2,100 for The V Foundation. During the event, teams of five from various student organizations compete in an elimination tournament. The tug for victory is tough, but the chocolate fun is worth it for all participants.

North Alabama 18 2.58

Tim LeVan '14 "E"

We welcomed two men as associate members this spring, and, with the help of Glen Buickerood, Appalachian State '11, we focused on improving our relations with sororities on campus. Our brothers and guests, including some brothers from the Jacksonville State Chapter, also had a great time at our "Legends of the West" social event.

Northern Arizona 57 2.94

Kenton Kong '15 "E"

This spring, we were recognized with awards from the University for highest fraternity GPA, best chapter advisor, and most outstanding fraternity on campus. We also brought home our third Greek Week Championship in three years. Brothers also brought home the Greek Life Intramural Football Championship. At our very first "Chi Ultimatum" philanthropy event, we teamed up with another fraternity on campus to raise thousands of dollars for cancer research.

Northern Colorado 17 N/A

Konstantin Sandler '16 "E"

This spring we hosted a concert to benefit The V Foundation. We've also now earned recognition by the IFC and are waiting to regain campus recognition. We would like to thank "BB" Gage Ostoff '07 for his assistance through these times and also congratulate our graduating seniors.

Brothers participating in the annual "Tugs" competition

Jake Emrick '15 won the title of Dream Man during Delta Zeta's Dream Man & Greek Goddess philanthropy event, our second brother to win this title in three years. Our brothers spent time this spring supporting the women's basketball team, attending each of their home games. This year, six out of seven sororities competed in our Earth Ball philanthropy, and we raised $1,400 for The V Foundation by selling t-shirts, penny voting, wristbands, and generous donations from individuals. This year also marked the first year since returning to campus that our brothers competed in Tugs, a campus-wide, trenched tug-of-war elimination tournament. We teamed up with Phi Kappa Sigma for the event, though most of the participants were Delta Chis. Each year, teams are ranked based on their previous performance, and we improved from last place to 6th place in one year.

We initiated 21 new members this spring and also gained two new associate members. Once again, our brothers earned the highest GPA among Greek organizations during the Winter Quarter, with a 3.61 average. Our brothers continued to contribute to the campus community by holding leadership positions in campus organizations and participating in both community service and philanthropic events, such as GreekBuild and Dance Marathon. We're also actively preparing for our Dad's Day and Delta Chi Movers events.

Ohio State 30 2.73

Mark Rickel '89, ABT President

Our "Mini-Masters" philanthropy event, which featured an 18-hole putt-putt course throughout the inside and outside of the house, entertained more than 40 teams and raised over $900 for The V Foundation. Live coverage of the Masters in Augusta was played in the background while the "Mini-Masters" took place. Steve Grushetsky '15 and six other brothers spent several weekends volunteering at the Colony Cats Adoption Center,

a volunteer-based non-profit organization whose primary mission is to address cat overpopulation in central Ohio through public awareness efforts. On April 7th, brothers presented the 2013 John Bricker Sorority Women of the Year Scholarship Awards. The award was established in honor of Former Governor of Ohio John Bricker '16 to promote and support academic excellence among the members of the Greek Community. This year's winners were Jessica Hamilton, Lindsey Daugherty and Delany Cook.

The Penn State Chapter is currently on Level 3 Corrective Action for hazing violations until 12/31/2014.

THON raised $12,374,034.46 this year, and our brothers worked with Kappa Kappa Gamma to raise $163,504.52 of this total. In April, we welcomed alumni back to campus for our alumni golf outing and dinner.

Pittsburgh 72 3.28

Joe Molisani '15 "E"

With the initiation of 14 associate members this semester, our manpower is now 81 men. Brothers logged 450 service hours assisting the Boys and Girls Club and cleaning up the Oakland community. We also held our second annual golf outing to benefit The V Foundation. Four brothers, Christian Ranallo '15, Rob Tessier '16, Anthony Smith '15, and Joe Molisani '15, participated in Dance Marathon, which benefitted the Cystic Fibrosis Foundation.

Purdue 123 2.81

Bobby Widner '14 "E"

The Purdue Chapter is currently on Level 1 Corrective Action for alcohol violations until 12/31/2013.

Our brothers earned over a 3.0 gpa, while also bringing home intramural championships in dodge ball and indoor soccer. Our annual Mothers' Day event was a huge success, raising over $5,000 towards house improvements. We also hosted a dodge ball philanthropy at the new Co-Rec facility on campus. Finally, we established a committee to prepare and race in the annual Purdue Grand Prix.

During this year's Greek Unity Week Dance Competition, our brothers were 0.8 points behind the first place finishers, and we ultimately brought home second place. We raised $800 for The V Foundation during our Earth Games last Fall, and our recent Cupcake Wars raised another $1,300. Our brothers are continuing to work hard to establish ourselves on campus and within Delta Chi.

Rutgers 32 2.83

Lawrence Olivadoti '14 "E"

We raised over $1,500 for The V Foundation during our March Madness Bracket Tournament. In April, then brothers participated in Rutgers' annual Dance Marathon and raised $6,000 for the Embrace Kids Foundation. This spring, we also distributed our first alumni newsletter in ten years and hosted our first alumni dinner. Michael Baran '13 received "The Pillars" award, the most prestigious award given to Greek students who left a lasting impression on Rutgers Greek Life. We ended the spring semester with our annual formal on a yacht on the Hudson River with over 70 brothers and guests.

Sacramento 45 2.69

Michael Austin '13 "E"

This spring, we welcomed 13 men into our brotherhood as part of our Eta associate member class. We held our first annual Mothers' Day event four our brothers' mothers and our alumni's mothers. Brothers also participated in a community service event at the Boys and Girl's Club. Our brothers barbecued, played with the kids, and helped out with anything that was needed. Our intramural soccer team made it to the playoffs, and Nielson Gabriel '13 was recently elected Student Body President. We're all very excited to see what he'll accomplish.

Chapter brothers and alumni after our annual "Red and Buff" football game

Our "Lady of the Leges" raised $7,658.40 for The V Foundation, which will greatly assist us in our goal of raising $15,000 before the 2014 Convention. In addition to this event, our brothers also supported seven other charitable programs hosted by other Greeks. We are also proud to welcome the Office of Fraternity and Sorority Life's "Russ Driscoll Exemplar Award," commemorating Order of the White Carnation Member Russ Driscoll, Florida '57, who left this world in January. The award is given to an individual who displays exceptional dedication and impact within USF's Greek Community. This year's recipient was our very own Kevin Simmons.

Southeast Missouri 52 2.91

Marc Erlanger '15 "E"

We welcomed eight men into our brotherhood this spring. During Greek Week, our brothers raised $810 for local charities, collected over 1,700 cans for the Salvation Army, and brought home third place overall. We're actively planning for an alumni gathering to be held September 21, 2013 in conjunction with Southeast Missouri's football game, which will be held at Busch Stadium in St. Louis, MO.

We welcomed nine new members this semester, bringing us closer to our goal of chartering. We raised over $200 for The V Foundation during our "Pie a Delta Chi" event, and our brothers also participated in Delta Gamma's Anchor Splash and Phi Mu's "Kickballin' for Kids." Our intramural soccer team also made it to the playoffs this semester.

Stephen F. Austin 18 2.59

Anthony Baez '16 "E"

Our GPA is rising and is currently above the Greek Life average. Brothers have volunteered countless community service hours at the Boys and Girl's Club and during our TXDOT trash pickups. Brothers continue to be involved in many clubs and intramural sports on campus, and we were the champions of the Greek Week soccer tournament.

Syracuse 26 2.93

Jake Moskowitz '15 "D"

Our annual "D-Chi Cup" broom ball tournament, which benefited The V Foundation, saw many fraternities, sororities, and other student organizations participate. To prepare for the event, participants were welcomed by the Syracuse Crunch hockey team to attend a game and pick up skills for the upcoming tournament. Our chapter also hosted Region VII's RLC in March, and we'd like to congratulate this semester's Omega associate member class on their recent initiation.

Our brothers are involved in many organizations on campus, and we're very excited with our recent recruitment results. Brothers have also excelled academically, as our GPA has improved. We plan to continue down the paths of success that our brothers have set their sites on.

South Dakota State 41 3.11

Spencer Gladis '15 "E"

Unpredictable. This is about the only word that can describe this past semester for our chapter. We have had an amazing philanthropic semester, raising over $2000 for charity. We continue to be a dominating force on our school's Students' Association holding twelve voting seats, including two executive board members, and also maintaining the presidency for the twelfth consecutive year.

On a much more somber note, we were forced to say goodbye to a friend and brother. Brother Adam Ellis '12 passed away at the age of 23. Although this was such a tragic event, it brought our brotherhood so much closer together, with over 50 brothers attending his funeral.

We welcomed five men into the bond on April 13, 2013. We are also thrilled to have started construction on our housing expansion and remodel. These investments will more than double the occupancy of our house, making it one of the largest chapter houses on campus. We look forward to having a commercial kitchen, new study spaces, and updated facilities throughout the house. We would like to extend a huge "Thank You!" to all of our alumni that have so generously donated a significant amount to make this all possible.

Our recruitment efforts yielded six new members who we initiated at the end of the semester. Brothers participated in intramural basketball and made it to the playoffs, and we narrowly missed the playoffs during intramural softball. Brothers also participated in Alpha Delta Pi's kickball tournament. We're working to plan an annual basketball tournament to benefit The V Foundation. Four brothers also participated in IFC's annual golf scramble. At our spring alumni weekend in Dallas, we learned that we've successfully refinanced our property and house, which will pave the way for a new house in the coming years. We've already begun planning for fall recruitment, and we look forward to a very successful fall semester.

We hosted our three-day luau fundraiser to raise money and awareness for The V Foundation. This event is the single biggest event we host each year, and our brothers work hard to raise the bar each year. Nine brothers attended the Order of Omega banquet in March for recognition of their academic achievement. We also welcomed home Adam Jones '12 and Thomas George '11 from Afghanistan, and we await the safe return of Jake Magill '12, who is currently serving overseas.

Tom Devenny '15 "E"

Brothers brought home first place during Greek Week, and Logan Grey '18 won "Mr. Greek" during the "Mr. & Mrs. Greek" competition. Ryan Greenley '14 was elected Inter-Greek Council President. We held our 6th annual benefit concert with Sigma Beta Rho, where students, including Milos Djordjevic '14 and Joe Kenny '15, performed to raise money for The V Foundation. This year's event was held on Student Appreciation Day, which helped us double the number of donations collected.

We welcomed nine men into our chapter this spring through our spring recruitment efforts. Our team swept nearly every event during Greek Week, earning a total of 88% of all points possible. The second place team earned only 63% of the total points possible. Austin Brauer '14 participated in Delta Zeta's "Big Man on Campus" competition, which consisted of a fun-wear, formal wear, and talent competition. For his talent, Brauer showed off his dancing skills by performing the dance from Beyonce's "Single Ladies." Joe Murphy-Baum was named an All-Conference player, #3 for singles and #2 for doubles, for Truman's tennis team. Our brothers also finished the semester with the fourth highest GPA, with our brothers collectively earning a 3.1.

This spring also marked the 35th anniversary of our chartering, which we celebrated during our alumni reunion. Founding Father and "AA" Emeritus Larry Nothnagel '79 spoke in front of brothers, alumni, and guests. Nothnagel shared stories about the founding of our chapter, its growth and challenges throughout the years, and our founding "BB", "BB" Emeritus Joe Crabtree, Alumnus. Former Executive Director Ray Galbreth, Missouri '69, knew Crabtree personally and shared, "Joe not only cared about Delta Chi, but he cared about you … as a person."

Brothers in front of the house

During the winter quarter, brothers earned an intramural championship in volleyball and brought home second place in basketball. We initiated a total of 25 men this calendar year. We held our "Sun Splash" philanthropy event in the spring. With 12 of 17 sororities on campus participating, we raised $900 during the event. The house's showers were retiled; our internet was overhauled; and the front yard had a $3,000 renovation. One of our brothers was elected President of the Marketing Club, and another serves on the IFC Judicial Board.

Washington State 24 3.00

Sam Gwinn '15 "E"

We welcomed 13 men into our chapter, and our brothers participated in multiple College Hill street sweeps. Our mothers' weekend featured brunch and an auction that raised $3,000 to split between house improvements and recruitment efforts.

West Chester 44 3.14

Shawn Kurnik ' 15 "E"

We welcomed nine men into our chapter as part of our Iota associate member class. Our new members went to the driving range with some of our alumni, which was a great opportunity for them to meet our alumni and have a great time. Brothers brought home first place during Greek Week and won a number of the events throughout the week. Tony LaFratte '15 was recognized with the "Emerging Student of the Year" Award, and John Matz '15 received the "Fraternity Emerging Leader of the Year" Award. Our chapter also received the "Overall Excellence for New Member Development" Award.

West Georgia 37 2.53

William & Mary 53 3.17

Brendan Carrick '15 "E"

Our spring recruitment effort yielded nine new members, the most our chapter has ever seen in the spring, and our manpower is now approaching 70 men. In April, we hosted our most successful philanthropy event to date. The "Delta Chi Pepper Philanthropy" consisted of collecting donations across campus in buckets with brothers' names on them. The top five fundraising brothers had to eat a Trinidad Moruga Scorpion pepper, the current hottest pepper in the world. All five brothers gladly endured the fiery pepper, and the event in total raised over $2,600 for The V Foundation. We're looking forward to moving into our 17-person house, which will be completed in September.

REMEMBERING JACK PINTO

Many people have asked us if there is anything they can do to help us get through this very difficult period in our lives. All of our friends, neighbors and even people we have never met have been so kind and generous to us. We wanted to find a way to give back to the community that has given us so much support. We realize that while we will never get over the loss of our son Jack, we do gain a measure of comfort from helping others in need.

To that end, we created ... the Jack A. Pinto Charitable Gift Fund in order to honor Jack's kind and giving spirit. All amounts in the fund will be used to support charitable organizations that provide comfort to children and families most in need. For those of you who have expressed an interest, information on how to contribute can be found by scanning the QR code below.

We sincerely thank all of you who have kept us in your thoughts and prayers.

A Letter from Region IX

Region IX had a great spring semester capped off by a memorable RLC in April. This year we traveled to North Carolina, and the Wilmington Chapter graciously hosted us for the weekend. Attendees experienced a wide variety of presentations and discussions ranging from chapter financial management to improving our identity on campus. The Conference culminated with a casino night, where brothers played various casino games to earn raffle tickets. Prizes for the event included Delta Chi merchandise and jewelry, including a pearl badge. We're already looking forward to next year's conference, to be held in Washington, D.C. and hosted by the American Chapter. Check deltachiregion9.com for more details.
