What a great time of year to celebrate the founding of Delta Chi! The cooler fall temperatures, football season and homecoming celebrations across the country are bringing our alumni back to campus. It is an opportunity to reflect on the year that will soon come to a close as we look forward to the coming year. I think about so many experiences we all have throughout our lives as Delta Chis, with some of the best memories being those late night talks with chapter brothers, when we realized they became more than our friends, they became family.

Delta Chi celebrates 119 years since its founding in Ithaca, New York, and it is great to hear about so many Founders' Day celebrations going on throughout the country. A few weeks ago I traveled to Montana for a Delta Chi brother's wedding and found out I would be near the burial site of Founder Alphonse Derwin Stillman. Heading to Glacier National Park on an early morning with another brother who was also attending the wedding,

we stopped at the cemetery to visit Founder Stillman's grave. The view of the mountains in the background was a spectacular setting, and we reflected on how far Delta Chi has come since its founding. At some point this fall we will reach

our 100,000th initiate - a truly exciting and historic milestone. The fraternity continues to grow and is bringing the Delta Chi experience to campuses throughout the country. When I thought about the weekend and the life events experienced, I realized not one of the wedding guests was my chapter brother. They were brothers I met after graduation through my travels and involvement in the fraternity. It really put some perspective on how our brotherhood can impact our lives and how important these relationships can be after college life.

Fraternity is still relevant today, and Delta Chi is working hard to meet the challenges in today's ever changing world. Delta Chi remains true to our Founders' principles of Friendship, Character, Justice and Education, and it is our responsibility to apply these principles in our daily lives. We must diligently teach the core values in our ritual to the current and next generation of brothers. The future of our brotherhood depends on it, and there are many to thank for their donations of time and money to the Fraternity and our Educational Foundation. I hope the coming year is one that affords every member the ability to consider an effort of support to Delta Chi in some way.

As technology and social media continue to develop, it is opening up a whole new channel for Delta Chis to communicate. In fact you may have been alerted to this message from a Tweet or Facebook posting!

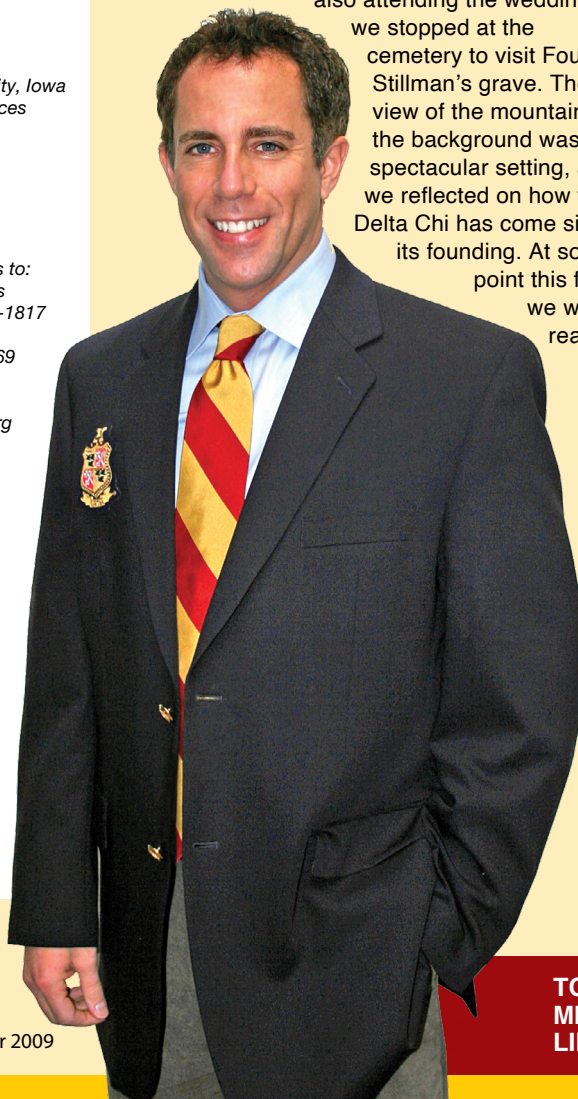

Demographics are changing so rapidly that what was just recently for children or college students now engages multiple generations - an exciting development in connecting our brotherhood in ways we never imagined.

I hope you will stay informed by checking our website, subscribing to the monthly In-Brief newsletter and other forms of communication as you adopt them. I hope you will consider joining your fellow brothers this spring at a Regional Leadership Conference, as well as making your plans for Convention in New Orleans in August 2010. Delta Chi is making a difference in our lives, and I wish every brother a Happy Founders' Day!

^0@206 FINDING THE FOUNDERS' FINAL PLACES ^0@206

by Aaron Otto • Kansas State '98 & Regent for Region IV

It is amazing to think that after nearly 120 years of existence, Delta Chi did not know the exact location of each of our founding fathers' final resting place. Surprisingly, eight of the 11 Founders did not move far from their collegiate stomping grounds of Cornell. In fact, nearly all of them are buried within three hours drive of Ithaca, New York. When one considers how less mobile society was during the late half of the 19th and early half of the 20th century – a time when airplanes, automobiles, and telephones were not yet utilized by the masses – it should not be terribly surprising that most of our Founders stayed close to their roots throughout their lives.

Albert Sullard Barnes

Less than 1.5 hours drive southeast of Ithaca you can find Albert Sullard Barnes who

died 17 July 1935 in Franklin, New York, at age 66 in the same house where he had been born. He was buried in the Floral Park cemetery, 104 Burbank Avenue, Johnson City, NY. He is in Section 3. Lot 29 (behind the mausoleum for the Elmer family). He is buried in his wife's, Katharine Heermans; family plot.

Myron McKee Crandall

Approximately two hours east of Ithaca Myron McKee Crandall was laid to rest when he

passed away on 25 August 1931, two days before his sixty-fourth birthday, in West Winfield. He was buried in the East Winfield cemetery located approximately two miles east of West Winfield. Leave West Winfield on main street heading east, then go over a set of railroad tracks, then through a four corner intersection, then after ½ a mile there are buildings on the right, and the East Winfield cemetery (city does not exist anymore) is approximately ¼ mile north of the highway. He is buried there in his family plot with his wife Majorie, his brother and parents. At Crandall's funeral, Albert Sullard Barnes, another founder of Delta Chi, represented the fraternity as an honorary pallbearer.

Thomas D. Watkins

Thomas D. Watkins is buried just 30 miles north of Crandall in the Forest Hill Cemetery,

2201 Oneida Street, Utica, NY. After a brief illness, Watkins died in his Utica home on 25 December 1912 at age forty-two. The local newspaper printed the following lines in tribute to Founder Watkins: "He was respected by all who knew him, for 'Tom' Watkins was a loyal friend, a zealous attorney for all clients, whether their cases were small or large, and a good citizen in the best sense of the word."

Also buried in Forest Hills Cemetery is Frank E. Thomas in his family plot. There is no marker for Frank, but the rest of his family is identified with a tombstone. According to some accounts, Thomas was actively involved in the inception of the Fraternity in the 1889-90 school year. The primary reason for denying him as a founder appears to be that he did not return to Cornell during the fall of 1890.

North of those of Watkins and Thomas in Camden, NY, or approximately 2.5 hours north of Ithaca, one can find the final resting place of Albert T. Wilkinson. He is buried with his wife Arderlla May Brown in Forest Park Cemetery on highway 13 near Rome, NY. Enter the cemetery from the first (west) entrance on the left hand side of the road and follow the outer loop around to the North/Northeast corner. If the cemetery was a clock face then Wilkinson would be located on the 1 o'clock position on the outer edge (ring) of the cemetery. Wilkinson served as the first International Treasurer of the Delta Chi Fraternity.

Edward Richard O'Malley

Just under three hours northwest of Ithaca lie three historic Delta Chis. The first is

Edward Richard O'Malley, who died 30 May 1935 in Buffalo, New York, at the age of seventy-two. He is buried in the Mount Calvary Cemetery, 800 Pine Ridge in Cheektowaga, NY in Section F lot 284. In tribute to O'Malley, former President Theodore Roosevelt said, "Mr. O'Malley is a mighty fine exhibit of good citizenship and has made a good record." O'Malley's tombstone is one of only two Founders that list some of his life accomplishments including his service as Justice of the New York Supreme Court. O'Malley's younger brother, James, was also an International President of The Delta Chi Fraternity.

Only a 10-minute drive west of O'Malley's gravesite lays Frederick Bagley who, on December 3, 1890, was the first person to go through the full initiation. His son, Roger, who was a Delta Chi from the Buffalo Chapter, claimed that his father felt that he should have been considered a Founder of the Fraternity as he was "there from the beginning." Bagley was a law partner of Thomas A. J. Sullivan later in life. Bagley is buried in Forrest Lawn Cemetery, 1411 Delaware Avenue, Buffalo, NY in Lot 537 Section 27 in his family plot with his wife Mary A. Strobel.

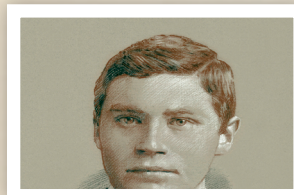

Frederick Moore Whitney

Only about 30 miles to the east of O'Malley's/ Bagley's final resting

site lays Fredrick Moore Whitney. Whitney's gravesite is located just a mile north of the Eastman Kodak World Headquarters in Rochester, NY. Whitney died 10 October 1942. He was buried in the Riverside Cemetery, 2650 Lake Avenue, Lot 54 H2 107 in Rochester, on 13 October 1942, the fifty-second anniversary of the founding of Delta Chi.

Thomas A.J. Sullivan

On your way back east from Whitney's gravesite you can find Thomas A.J.

Sullivan's grave site in Fairport, NY, 1.5 hours north/northwest of Ithaca. After a brief illness, Sullivan died 26 October 1924 in Buffalo. He was buried in Fairport, NY at the St. Mary's Roman Catholic Cemetery with his wife Mary, who passed on almost 20 years before Thomas. For directions to the cemetery contact the Assumption Church located on 20 East Avenue, Fairport, NY. It administers the cemetery.

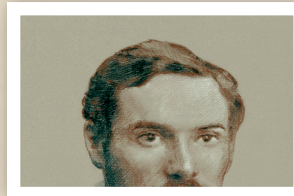

Owen Lincoln Potter

Owen Lincoln Potter's burial site is located near the New York State Capitol in Albany, just a

few hours east of Ithaca is the most eastern burial site in the States. After a long illness, Owen Lincoln Potter died in Albany on 11 May 1934; he was sixty-eight years of age. His death was reported on the front page of the local newspaper. He was buried in Lot 28 Section 116 of the Rural Cemetery of Albany, Route 32/Broadway, Albany, NY. Potter served as the first International President of the Delta Chi Fraternity.

Monroe Marsh Sweetland

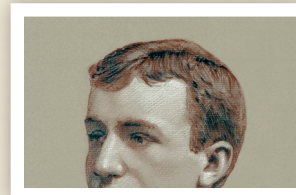

The Founder who is buried closest to where it all started at Cornell in 1890 is

Monroe Marsh Sweetland. Aged eighty-three years, Sweetland died 12 February 1944 in

Ithaca and is buried with his wife Georgia at Willow Glen Cemetery, Dryden, NY. During the 1990 centennial convention held in Syracuse and Ithaca, many of those attending visited Sweetland's grave and placed a wreath of white carnations there. His tombstone reads, "Mason, K.T. I.O.O.F Monroe Marsh Sweetland, born in Dryden, son of George J. and Hannah Marsh Sweetland was county clerk, recorder, city judge, county judge, surrogate, United States commission, graduate of Union College, Albany Law School, and Cornell university, founder of the Delta Chi college fraternity, member of the American and New York State Bar Associations, Methodist church, Masonic Odd Fellows, and other fraternities. A supporter of the Constitution and the United States. A believer in the Christian religion and the noblest motive is the public good." Sweetland often returned to alumni events hosted by the Cornell Chapter. He apparently was also a Founder of the local Delta Tau Delta Chapter at Cornell.

Peter Schermerhorn Johnson

The only founding fathers not buried in New York State were Johnson,

Stillman, and Gorham. Although he earned a law degree from Cornell in 1891, due to a severe hearing loss, Peter Schermerhorn Johnson chose business over the legal profession. After graduation, he formed a partnership with his father in an oil and gas business in Bolivar, New York. Johnson later moved to Woodfield, Oregon, where he was associated with Andrew Mellon in a natural gas business. He then operated a hardware business in Colorado. In 1908, Johnson moved to Tulsa, Oklahoma, at about the time the commercial oil and gas business began to develop in that area. In 1914, Johnson married Clara von Gonten of Tulsa. They had no children. At age seventy-seven, Johnson, the last surviving Founder of Delta Chi, died 23 September 1947 in Tulsa, Oklahoma. He was buried in the Oaklawn Cemetery 1133 East 11th Street in Tulsa with his mother Gertrude Schermerhorn Johnson (1845 – 1914) and Joseph White Johnson (a Civil War veteran as a Lieutenant in the 7th New Jersey Infantry) in a family plot located in Section 3 Block 130 SE Quarter lot #2.

Alphonso Derwin Stillman

Two years before he died, Alphonso Derwin Stillman suffered a

severe stroke. He spent his last years under the care of his son Adee (named after the combination of his parent initials A.D. and E.E.). Previously he was active in Montana politics and agriculture. Adee Stillman, A.D.'s only child, married Mary in 1940. Adee served in World War II and died in 1978. His wife, Mary, was a pioneer in her own right. She was the first single woman to obtain a residential home loan on her own in the 1930s. During letter correspondence in 1997 and a personal interview in 2009, Mary said "A.D. lived his life with gusto, had some tough financial problems and died of pneumonia. His son loved and respected him. His handshake was a deal with him. His word was solid." A.D. Stillman's gravesite remained unmarked for several decades. Mary Stillman purchased a flat tombstone for A.D. following the death of her husband Adee. He is buried in the Conrad Memorial Cemetery in Kalispell, Montana in lot 22A section F grave 2 (flat tombstone next to marker 29a). Stillman's first wife, Mimmie, never remarried. When she died she left her estate to the Pendleton Community Foundation. There is a small park called Stillman Park that exists today, and a permanent fund was established to maintain it. There is an impressive granite marker in the park.

John Milton Gorham

The only Founder not buried in the United States is John Milton Gorham who was cremated

in London, England in 1943. Gorham served as the first International Vice President of The Delta Chi Fraternity. For more information about Gorham please see the spring/summer 2008 issue of the Quarterly which can be found at www.deltachi.org/quarterly under "previous issues."

The Fraternity is truly indebted to M. Frank Gilbreath, Texas State alumnus, and Stephen Henson, LA Tech alumnus, for their research on the Founders.

FIPG, INC.* Risk Management Policy Revised 07/08

The Risk Management Policy of FIPG, Inc. includes the provisions, which follow and shall apply to all fraternity entities and all levels of fraternity membership.

ALCOHOL & DRUGS

1. The possession, sale, use or consumption of ALCOHOLIC BEVERAGES, while on chapter premises or during a fraternity event, in any situation sponsored or endorsed by the chapter, or at any event an observer would associate with the fraternity, must be in compliance with any and all applicable laws of the state, province, county, city and institution of higher education, and must comply with either the BYOB or Third Party Vendor Guidelines.
2. No alcoholic beverages may be purchased through or with chapter funds nor may the purchase of the same for members or guests be undertaken or coordinated by any member in the name of or on behalf of the chapter. The purchase or use of a bulk quantity or common source(s) of alcoholic beverage, for example, kegs or cases, is prohibited.
3. PARTIES, meaning those with unrestricted access by non-members of the fraternity, without specific invitation, where alcohol is present, are prohibited.
4. No members, collectively or individually, shall purchase for, serve to, or sell alcoholic beverages to any minor (i.e., those under legal "drinking age").
5. The possession, sale or use of any ILLEGAL DRUGS or CONTROLLED SUBSTANCES while on chapter premises or during a fraternity event or at any event that an observer would associate with the fraternity is strictly prohibited.
6. No chapter may co-sponsor an event with an alcohol distributor or tavern (tavern defined as an establishment generating more than half of annual gross sales from alcohol) at which alcohol is given away, sold or otherwise provided to those present. This includes any event held in, at or on the property of a tavern as defined above for purposes of fundraising. However, a chapter may rent or use a room or area in a tavern as defined above for a closed event held within the provisions of this policy, including the use of a third party vendor and guest list. An event at which alcohol is present may be conducted or co-sponsored with a charitable organization if the event is held within the provisions of this policy.
7. No chapter may co-sponsor, co-finance or

attend or participate in a function at which alcohol is purchased by any of the host chapters, groups or organizations.

8. All recruitment or rush activities associated with any chapter will be non-alcoholic. No recruitment or rush activities associated with any chapter may be held at or in conjunction with a tavern or alcohol distributor as defined in this policy.
9. No member or pledge, associate/new member or novice shall permit, tolerate, encourage or participate in "drinking games." The definition of drinking games includes but is not limited to the consumption of shots of alcohol, liquor or alcoholic beverages, the practice of consuming shots equating to one's age, "beer pong," "century club," "dares" or any other activity involving the consumption of alcohol which involves duress or encouragement related to the consumption of alcohol.
10. No alcohol shall be present at any pledge/associate member/new member/novice program, activity or ritual of the chapter. This includes but is not limited to activities associated with "bid night," "big brother - little brother" events or activities, / "big sister - little sister" events or activities, "family" events or activities and initiation.

HAZING

No chapter, colony, student or alumnus shall conduct nor condone hazing activities. Permission or approval by a person being hazed is not a defense. Hazing activities are defined as:

"Any action taken or situation created, intentionally, whether on or off fraternity premises, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Such activities may include but are not limited to the following: use of alcohol, paddling in any form, creation of excessive fatigue, physical and psychological shocks, quests, treasure hunts, scavenger hunts, road trips or any other such activities carried on outside or inside of the confines of the chapter house; wearing of public apparel which is conspicuous and not normally in good taste, engaging in public stunts and buffoonery, morally degrading or humiliating games and activities and any other activities which are not consistent with academic achievement, fraternal law, ritual or policy or the regulations and

policies of the educational institution or applicable state law."

SEXUAL ABUSE

The fraternity will not tolerate or condone any form of sexist or sexually abusive behavior on the part of its members, whether physical, mental or emotional. This is to include any actions, activities or events, whether on chapter premises or an off-site location which are demeaning to women or men, including but not limited to verbal harassment, sexual assault by individuals or members acting together. The employment or use of strippers, exotic dancers or similar, whether professional or amateur, at a fraternity event as defined in this policy is prohibited.

FIRE, HEALTH AND SAFETY

1. All chapter houses should meet all local fire and health codes and standards.
2. All chapters should post by common phones and in other locations emergency numbers for fire, police and ambulance and should have posted evacuation routes on the back of the door of each sleeping room.
3. All chapters should comply with engineering recommendations as reported by the insurance company or municipal authorities.
4. The possession and/or use of firearms or explosive or incendiary devices of any kind within the confines and premises of the chapter house is prohibited.
5. Candles should not be used in chapter houses or individual rooms except under controlled circumstances such as initiation.

EDUCATION

Each fraternity shall annually instruct its students and alumni/alumnae in the Risk Management Policy of FIPG, Inc. Additionally, all students and key volunteers shall annually receive a copy of the Risk Management Policy and a copy of the policy shall be available on the fraternity website.

THIRD PARTY VENDOR CRITERIA THE VENDOR MUST

1. Be properly licensed by the appropriate local and state authority. This may involve both a liquor license and a temporary license to sell on the premises where the function is to be held.
2. Be properly insured with a minimum of \$1,000,000 of general liability insurance,

What follows is a list of chapters that are on Corrective Action for violation of the Risk Management Policy as of March 1, 2010. That is not to say the chapters on the following list are “bad” chapters. Likewise, it is unrealistic to assume that chapters that are not on this list are complying with every policy. The bottom line of this issue is that members of the Fraternity are engaging in dangerous activities and taking unnecessary risks with their future and the future of Delta Chi, because they believe this will help fill voids where their needs are not being met. Whatever the case, the solution remains the same. Each and every chapter needs the involvement of mature alumni who can help the Fraternity’s student members discover that there are alternatives that can meet both their long and short-term needs. Finally, each and every member of Delta Chi needs to periodically reflect on Delta Chi’s values as contained in our Preamble: Promote Friendship, Develop Character, Advance Justice, and Assist in the Acquisition of a Sound Education.

evidenced by a properly completed certificate of insurance prepared by the insurance provided.

3. The certificate of insurance must also show evidence that the vendor has, as a part of his/her insurance coverage, “off premises liquor liability coverage and non-owned and hired auto coverage.”
4. Named insureds included on the certificate of insurance must as a minimum include the local chapter hiring the vendor as well as the international fraternity that the local chapter is affiliated with.
5. Agree in writing to cash sales only, collected by the vendor during the function.
6. Assume in writing all the responsibilities that any other purveyor of alcoholic beverages would assume in the normal course of business, including but not limited to:
 - a. Checking identification cards upon entry;
 - b. Not serving minors;
 - c. Not serving individuals that appear to be intoxicated;
 - d. Maintaining absolute control of ALL alcoholic containers present;
 - e. Collecting all remaining alcohol at the end of a function (no excess alcohol – opened or unopened – is to be given, sold or furnished to the chapter).
 - f. Removing all alcohol from the premises.

POLICY GUIDELINES

ACCORDING TO FIGP

1. Closed parties (meaning those events with alcohol present) should have a guest list prepared at least 24 hours in advance. A ratio of two guests per member (or fire code capacity, whichever is smaller) is suggested.
2. “Non-alcoholic” keg beer is not permitted because it can contain up to .05 percent alcohol. Therefore, serving it would be a violation of our policy.

ACCORDING TO THE DELTA CHI RISK MANAGEMENT MANUAL

1. At chapter social events, signs should be posted that indicate the chapter complies with and enforces the laws and policies with respect to alcohol, illegal drugs, and controlled substances.
2. All persons present should not be allowed access to alcohol if they are intoxicated, regardless of age.
3. Alcohol should only be used as an adjunct to the event rather than its focus.
4. The use of alcohol on the premises should be stopped at least one hour before the end of the function.
5. Plenty of non-salty foods and non-alcoholic alternative beverages should be provided.
6. Adequate professional security should be provided to deal with uninvited guests and monitor any other potential problems.
7. Trained party monitors should be present to respond to situations. A ratio of one party monitor for every 20 attendees is suggested. Party monitors should agree to the following:
 - a. Not to consume alcohol, and remain sober for the duration of the event.
 - b. Make sure the party starts and ends on time and that the bar opens and closes on time.
 - c. Wear distinctive clothing to identify themselves at all times.
8. Buses, taxis, phone numbers, etc. should be provided for any event to promote the safe return of members and guests.
9. “Hard” liquor (alcohol rated by proof rather than percentage) should be prohibited from all parties. For “bring your own” parties, a six pack of beer (or the alcoholic equivalent), or less, per person is allowed.
10. Glass bottles of any sort should not be allowed. Restrict consumption of any beverages to cans and plastic cups.

CORRECTIVE ACTION LEVELS

Level 1 – Level 1 Corrective Action shall include, but is not limited to, ordering that the Chapter cease and desist from the conduct in the future and be in accordance with the requirements of Delta Chi Law and the Risk Management Policy of the Fraternity. The Chapter shall be required to submit to the Executive Director a written statement that all prohibited conduct has been stopped. The statement shall be signed by the “A”, “BB” and such other members of the Chapter, as specified in the report, who were involved with or had supervision over the conduct in the violation.

Level 2 – Level 2 Corrective Action shall include, but is not limited to, all provisions of Level 1, plus the Chapter shall submit a written plan of procedures and/or activities that comply with the Fraternity’s Risk Management Policy covering the activities in the violation. The plan shall be updated at least twice per year for the period of corrective action.

Level 3 – Level 3 Corrective Action shall include, but is not limited to, all provisions of Level 1 and 2, plus supervision of the activities of the Chapter that were involved in the violation by a person or persons acceptable to the Executive Director.

Level 4 – Level 4 Corrective Action shall include, but is not limited to, all provisions of Levels 1, 2 and 3, plus the charter of the Chapter shall be suspended for the period of time of the corrective action. Chapters under Level 4 Corrective Action shall either be placed in conservatorship, as provided in Delta Chi Law, or shall operate under the direct supervision of the Executive Director.

Level 5 – Level 5 Corrective Action shall require the suspension of the charter and the cessation of operation of the Chapter as it then exists. Re-establishment of the Chapter shall be subject to the terms and conditions of the Board of Regents after a minimum one-year period.
