As an associate member, I was required to memorize the Preamble and I could recite the words verbatim. However, I never really understood the meaning of those words. Candidly, it was not until I became "AA" and began writing these series of articles on the core components of our Preamble that I took the time to reflect and understand their true meaning and how they relate to our brotherhood. My first article was about "Promoting Friendship" and following that theme, this article addresses "Developing Character".

Character. It is what defines us as men. It is the driving force that shapes what we do when we are struggling to find an answer to what must be done. It can easily be influenced by the company you keep and by the decisions you make.

So how does Delta Chi help develop character? Character is not a task or project that can simply be assigned to others; it is something that is invoked in the trials and experiences of young men having to figure out right from wrong. It is cultivated in our actions and by holding our brothers accountable. Life will continuously put you in a position where your character is tested. And, if you allow it, Delta Chi and the lessons learned through it, will provide you guidance in those critical moments as you navigate your way along the course. It is up to us, as men, to rise up and pass these tests of honor, integrity, and courage. The media is littered with instances of brothers failing certain tests of character. In every situation, all it took was one brother to stand up and say, "Enough," or "No," or "Stop." When one man makes a mistake, he failed to exemplify good character; but when a fraternity makes a mistake, all its members have failed.

I freely admit that as an undergraduate I failed many of the tests of character that were thrown my way by Delta Chi. But fraternity is a collection of men, and our success resides in our ability to stand up and say, "No" at a critical time. And when we fail to do so, to pick ourselves and that fallen brother and challenge us all to do better the next time. I remember being a new initiate and standing in a room, while other brothers were hazing and ridiculing some associate members. I sincerely regret not having had the courage to tell them to stop. My character was tested and rather than rising up to be a better man, I stooped to being nothing more than an ordinary sheep in a

disappointing flock. We were lucky to have men of character present that night to eventually stop the inappropriate behavior and be a positive influence for those of us who failed. That night I made a commitment to myself that I would not falter again and a few years later, as a senior, a similar circumstance came along and I had the courage to get in front of everyone and stop the madness. I believed in myself to know that I would be a man, even if it meant being the most unpopular man at the time! Unbeknownst to me, Delta Chi had made a significant impact on my character, I had learned that I had to stand up and challenge myself to be a better person.

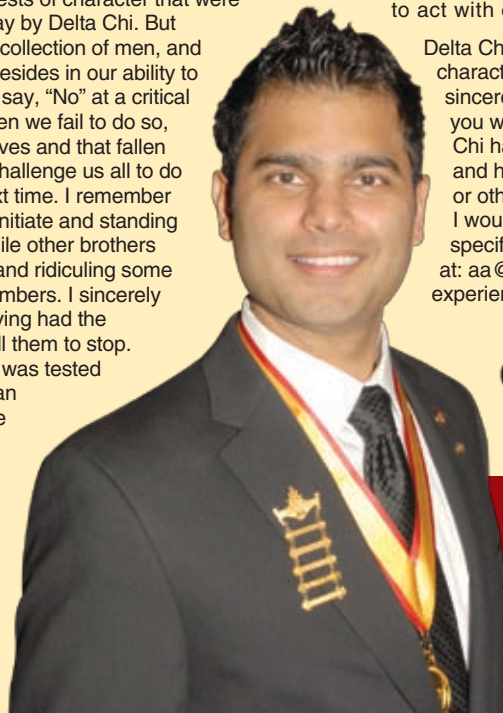

Being a Delta Chi does not end at graduation, nor should its ideals. As an alumnus, 'developing character' is just as relevant to your personal growth as it was when you were an undergraduate. Your ability to develop character resides in being a positive influence for our younger brothers. As a support alumnus, your character is tested when your chapter is doing something wrong. Do you look the other way because you do not want to interfere or do you stand up and challenge what is going on? Your character is tested when our brothers call for our help. Whether we pass or not is dependent on our ability to respond in time. I ask that you continue to make Delta Chi a priority and that you rise up and do the right thing when you are faced with those tests of character. These "opportunities" to show your true character continue in the workplace, in your community and even at home.

I firmly believe that every one of you have character. It took character to seek higher education. It takes character to stay current on your bills and to honor a commitment to an oath. But claiming to be a person of character is not enough; you have to be able to act with character.

Delta Chi is in need of men who act with character, and so is mankind. It is my sincere wish that after reading this article you will pause and think about how Delta Chi has helped develop your character and how you will challenge your chapter or others to exemplify good character. I would love to publish some of your specific examples, so please email me at: aa@deltachi.org so we may share our experiences. Be a man; be a Delta Chi.

The 57th International Convention

The 57th International Convention, held at the New Orleans Marriott Hotel from August 11-14, 2010, was attended by more than 310 student members, as well as more than 185 alumni and guests from across North America. For the first time ever, members unable to attend were connected to the four days of programming, legislation, brotherhood and festivities through the Fraternity's live webcasts and social media interaction throughout the Convention.

Wednesday, August 11th Convention Kick-off and Awards Presentation

Patrick Alderdice, Ball State '92, and Paul Picciani, Connecticut '89, returned as the Convention Kick-off's emcees. Over 100 viewers joined the Convention guests in viewing the entertaining show through the Fraternity's first live broadcast online. After introducing the Executive Committee, who entered dressed in Saints jerseys, Alderdice and Picciani announced over 250 programming awards (see pages 8-9 for a complete list of all award recipients). Their dialog was accompanied by the slapstick antics of the Swingaroux band, a local Dixie band.

Midway through announcing awards, Picciani received a call and invited some very special guests to join him on stage. The doors in the back of the room flew open, and Ben Wise '08 and Mark York '12, South Dakota State Chapter brothers, appeared carrying a canoe. These two men led a canoeing expedition from Brookings, SD to New Orleans, LA with the purpose of raising awareness and funds for the V Foundation. Upon arriving in New Orleans, York recalled, "We exchanged emotionally charged handshakes, and Ben and I then carried the canoe on our shoulders to the [Marriott]...Two thousand three hundred miles in 48 days – that's what it took to move one canoe from the Delta Chi house in Brookings, SD to New Orleans, LA."

At the conclusion of the Convention Kick-Off, Alderdice and Picciani announced the recipients of the Fraternity's Award of Excellence. The members of these chapters joined the "AA" for a private reception with a beautiful view of the French Quarter and downtown New Orleans for a preview of what would be a Convention to remember.

Thursday, August 12th General Sessions Elections, Delta Chi Law & Ritual Changes

A procession of the Board of Regents, past "AA"s, "BB"s, and members of the Order of the White Carnation began the first general session on Thursday morning. Gil Wertz, Georgia Southern '85, called the session to order as "FF". The Convention Chorus sang the Bond Song, and then Tom Horowitz, "AA", led the delegates in the recitation of the Preamble. Executive Director Ray Galbreth, Missouri '69, recognized attendees based on the number of Conventions attended. Jimmie J. "Doc" Underwood, Kansas '51, was

recognized for attending his 24th Convention, with many others hoping to follow in his footsteps. Delegates gave a standing ovation to Underwood and others for their dedication to Delta Chi.

General Session I reviewed the following items regarding Delta Chi Law: a number of technical changes to Delta Chi Law regarding Vice Regents, Regional Leadership Conferences, alumnus status, student status, the term of the "BB", filling vacancies on the Board of Regents, changing the names of chapters and the waiver of dues for faculty or alumni initiates. The Convention also approved a change in Delta Chi Law that deletes the dues exemption for men initiated during that same school year. This change was adopted in lieu of a dues increase. Following the adoption of the legislative items above, nominations were received for Executive Committee positions. R.C. Damle, Texas '01, was nominated for "AA". Charles Cheatham, Louisiana Tech '88; Aaron Otto, Kansas State '98; and Bill Tallman, Embry-Riddle '95; were nominated for "CC". Miles Washburn, Massachusetts '87, was nominated for "DD".

The Convention delegates then heard the presentation of two of the four men to be inducted into the Order of the White Carnation. The delegates unanimously approved all four men. Welcomed into the Order of the White Carnation at that time were Paul Bohlman, Ohio State '70, and Don LaPlante, Southern California Faculty. General Session I closed with all attendees posing for the Convention photo before heading off for lunch. After lunch, the delegates entered their respective Regional Caucuses for a "question and answer" session regarding the elections of the "AA", "CC", and "DD".

General Session II saw R.C. Damle unanimously elected as Delta Chi's 51st "AA". Bill Tallman was elected to serve as "CC", and Miles Washburn was elected as "DD". Tom Horowitz will now assume the role of Retiring "AA". The Convention then adjourned for a break and dinner.

After dinner, the delegates witnessed the Ritual exemplification, a model rehearsal of the Fraternity's Ritual, and called to order the third General Session of the day. During the Ritualistic Session, there were some small changes made in the Ritual Manual to enhance the understanding of and protect the integrity of the Ritual. Greg Hauser, Michigan State '75, presented the

Memorial Resolution in honor of those brothers who had passed away during the past biennium, and Fred Hammert, Oklahoma '60, was selected as the Convention Honoree. An Alumni Ceremony was held following the conclusion of the Ritualistic session.

Friday, August 13th Foundation Luncheon & Educational Sessions

The 8th Biennial Kimball Classic golf tournament kicked off Friday morning. Participants enjoyed a round of golf at the Stonebridge Golf Club just minutes from downtown New Orleans. Friday morning and afternoon, attendees could choose to attend an array of educational seminars, beginning with a keynote presentation on hazing education given by Dr. Tod Burke and Dr. Stephen Owen, faculty of Radford University. Attendees then chose breakout sessions to benefit their own leadership development and to learn how to better serve their chapters. The Delta Chi Educational Foundation hosted Friday's luncheon, with presentations by Foundation Representatives Chad Wolett, Arizona State '94, and Duane Meyer, Hobart '58 and OWC member. During the luncheon, OWC members also welcomed Charles Mancuso, Florida State '84, into the Order. Following lunch, attendees were able to choose from several more breakout sessions before enjoying the evening experiencing New Orleans. Many attendees opted to attend evening activities organized by the Fraternity, including a baseball game and ghost tour.

Saturday, August 14th The Big Finish

On Saturday morning, the educational sessions continued, and alumni volunteers and guests shared their personal and professional experiences in small breakout sessions as part of the day-long Alumni Track Program. Graduating seniors and alumni were encouraged to attend in order to learn leadership skills specific to advising undergraduate members. All undergraduate attendees were challenged to be socially excellent by Matt Mattson, President and Co-Founder of Phired Up Productions and the morning's keynote presenter. Lorrie Bossart elevated all attendees' understanding of classic and contemporary etiquette through her etiquette luncheon, "Manners Matter: A Luncheon Like No Other." Kim Novak addressed the attendees as the afternoon keynote speaker with her presentation, "A Call to Action: Creating Communities of Care." Attendees were free to choose breakout sessions for the remainder of the afternoon on various topics relating to Fraternity life and personal development.

Saturday evening brought everyone together for a spectacular gathering of Delta Chis and guests. Including more than 300 viewers from the webcast, more people than ever before shared in Saturday evening's memories. Tom

Horowitz, "AA", welcomed all in attendance, and the Convention Chorus, led by Duane Meyer, then sang the United States and Canadian National Anthems to begin the banquet.

Tom Horowitz invited John Leshney, Senior Vice President of Development for the V Foundation, and South Dakota State brothers Ben Wise and Mark York on stage to present the check for Delta Chi's two-year commitment of \$130,000. For the next two years, Delta Chi Chapters and Colonies will work to raise \$150,000 for the V Foundation.

Next, Order of the White Carnation members gathered on stage to induct the fourth man approved on Thursday, U.S. Congressman John Mica, Florida '67, into their Order. OWC member Greg Hauser, Michigan State '75, gave the invocation preceding dinner.

Following dinner, Ray Galbreth, with assistance from Doc Underwood, started the "Handshake Across Time," a tradition begun by Founder Monroe Marsh Sweetland to bridge future generations of Delta Chis with the Founders through this meaningful and inspiring tradition.

Horowitz presented several Fraternity awards to individuals throughout the evening, including the 2010 Richard N. McKaig Outstanding Greek Professional Award, 2009 & 2010 John J. Kuhn Awards, and 2009 & 2010 Delta Chi of the Year Awards. Miles Washburn received recognition for his status as the Fraternity's most recent New Founder, with a giving level of \$100,000 or more to Delta Chi. Alumni Chapters, along with the Fraternity's Outstanding "BB"s, Alumni Board of Trustees, and House Corporations, were also recognized.

Next, focus shifted to the Fraternity's top chapters. Horowitz reviewed the Certificate of Achievement recipients from Wednesday before revealing his decisions for the President's Most Improved Trophies. Horowitz announced the recipients of the President's Cups, the most prestigious award a Chapter of Delta Chi can receive. Chapters that received the Award of Excellence were all eligible for this award.

After Horowitz and attendees recognized Zac Cole, Northern Illinois '03, for his hard work as Convention Coordinator, attendees learned of the 2012 Convention site through watching a video that panned to a skyline view of Pittsburgh, Pennsylvania.

One of Horowitz' last acts as "AA" was to administer the installation ceremony, swearing in the recently elected officers. Before R.C. Damle closed the Convention with the official gavel, he presented outgoing Board member Steve Bossart, Kent State '90, with a special resolution commemorating his ten years of service to the Board of Delta Chi. The evening ended with brothers linking arms to sing the Bond Song.

2009 DELTA CHI OF THE YEAR

ASHTON KUTCHER, Iowa

Ashton studied biochemical engineering at the University of Iowa until, in 1997, Kutcher won the "Fresh Faces of Iowa" modeling contest. From there, Kutcher's modeling and entertainment career took off. His acting résumé includes memorable roles in "Dude, Where's My Car?", "The Butterfly Effect," and "What Happens in Vegas." Most of us recognize Ashton from "That '70s Show" and as the host of MTV's "Punk'd."

Ashton has become one of the most recognizable faces in the world. Not only

was Kutcher named to Time Magazine's Top 100 Most Influential People, he continues to be a pioneer in the social media industry. Kutcher co-founded Katalyst, a studio for social media, which was named one of the "Top 10 Most Innovative Companies" by Fast Company magazine. In 2009, he challenged, and defeated, CNN in the race to one million Twitter followers and is currently the second most followed person on Twitter. Additionally, Kutcher, with top executives from eBay and Twitter, assisted Russia in its efforts to start its own Silicon Valley.

Kutcher advocates for important causes worldwide, especially child protection. In February 2010, he traveled to Russia as part of President Obama's first U.S.-Russia Innovation Delegation to address anti-trafficking and child protection issues. He and his wife, actress Demi Moore, have created The Demi and Ashton Foundation to eliminate child trafficking worldwide.

2010 DELTA CHI OF THE YEAR

RONALD JACK MIX, Southern California

Ronald Jack Mix earned a scholarship to play football at The University of Southern California. As a Trojan, Mix garnered attention from AFL and NFL talent scouts and was also elected the National Jewish College Athlete of the Year.

Mix began his professional career as an original member of the Los Angeles Chargers. He earned the nickname, "The Intellectual Assassin," as a player for continuing his academic education, eventually earning a law degree. Mix

believed in both mental and physical strength as necessary attributes for a successful player. He was an early proponent of weight lifting to improve athletic power and a true student of the game.

Ron Mix enjoyed a successful 11-season career as a Los Angeles Charger and Oakland Raider Offensive Tackle. Mix was named as an AFL All-Star for nine straight seasons and received only two holding penalties during that time period. He was also a member of the 1963 AFL Champion Los Angeles Chargers. Mix retired from professional football after the 1971 season and, in 1979, was voted into the Pro Football Hall of Fame.

Mix currently practices law in San Diego, CA and focuses on representing retired professional athletes.

JOHN J. KUHN AWARD

This award, named after the former International President of The Delta Chi Fraternity and former President of the National Interfraternity Conference, John J. Kuhn, is presented to individuals who have contributed significantly to the Greek movement. The award, which is the most prestigious that Delta Chi offers, recognizes the accomplishments and the contributions of people within the Fraternity and Sorority world regardless of their affiliation.

RICHARD MCKAIG - 2009

Richard McKaig retired in July 2009 after decades of service to Indiana University. In his last administrative role, he supervised student life services and programs in the Division of Student Affairs. In 1981, the IU Student Government Association created the McKaig Scholarship to recognize outstanding service to campus student government. In 2005, McKaig was

presented the Scott Goodnight Award for Outstanding Performance as dean by the National Association of Student Personnel Administrators, the highest honor of its kind.

GEORGE W. SPASYK - 2010 Lambda Chi Alpha

George W. Spasyk was associated with the administrative staff of Lambda Chi Alpha International Fraternity from 1950 to 1990. He retired after forty years of service and was designated Executive Vice President Emeritus. A native of Pittsfield, Massachusetts, he received his Bachelor of Business Administration degree from The University of Michigan

in 1949 and nine months later earned his MBA while serving as a Teaching Assistant in the Business School. Early in World War II, he was engaged in scientific research with the Manhattan Project in work essential to the production of the atomic bomb and was associated with the project at Princeton University. Subsequently, he entered the U.S. Navy and served for two years.

A staunch advocate of interfraternity cooperation, Spasyk has served as President of the Fraternity Executives Association, and he has served on many committees of the Association and of the North American Interfraternity Conference. He served on the NIC Commission on Values and Ethics for ten years and was Chairman of the FEA-sponsored Interfraternity Institute at Indiana University for four years. In 1993, Spasyk received the Gold Medal of the North American Interfraternity Conference, the highest honor in the fraternity movement.

Ever since his involvement with Lambda Chi Alpha began in Ann Arbor in 1946, George has been an active leader and supporter of the Michigan Chapter, as well as a dedicated fan of the Wolverines. George attends nearly all home football games, making the trip from Indianapolis to Ann Arbor many times each year. He remains an active mentor and adviser to undergraduates throughout the Greek world and continues to be an invaluable resource as well as a dedicated fraternity man.

ORDER OF THE WHITE CARNATION

Delta Chi established the Order of the White Carnation in 1975 to honor those men who have displayed meritorious and inconspicuous service. Last summer candidates were presented for consideration and, by standing acclamation, the Convention inducted the following men:

PAUL BOHLMAN
Ohio State '70

After graduating from The Ohio State University in 1970, Paul Bohlman served three years as a Chapter Consultant for the International Fraternity and was the 1973 Convention Coordinator in New Orleans. He served on the Board of Regents for a total of 19 years. During that time he served as "AA", "CC", "DD", and Regent for Region VI. Following his Board

tenure he served as Executive Director of the Delta Chi Educational Foundation and as a member-at-large of the Foundation's Executive Board. He has also served as the "BB" for the Ohio State Colony, ABT President for the Denison Chapter, Secretary/Treasurer of the Ohio State House Corporation and "A" of the Columbus Alumni Chapter. Paul also developed and coordinates the D-Dot Program that tracks and recognizes the collective community service and philanthropic efforts of our chapters and colonies. He also currently serves as a member of the Ohio State Alumni Board of Trustees.

DONALD E. LA PLANTE
Southern California

Donald E. La Plante joined Delta Chi as a faculty initiate of the Southern California Chapter on January 30, 1981. Since then, he has been an involved member of Delta Chi on every level. He has served the Southern California Chapter as "BB" for several years, as House Corporation President for ten years, and as Alumni Board of Trustees President from 1991 to

1997 and from 1999 to present. Brother La Plante served as President of the Los Angeles Alumni Chapter in 1990 and as Treasurer from 1981 to 1989 and 1991 to present. He has also served Region II as Regent from 1991 to 1995 and for many years as a Vice-Regent. Brother La Plante has volunteered as Chairman of the Risk Management Commission and also served on the Delta Chi Law Committee from 1983 to 1991 and from 1995 to 2007, serving as Chairman for most of those years. He currently assists the Board of Regents and Convention through his service as Parliamentarian, a position he has held since 1985. Brother La Plante also serves on the Board of Directors and as the Secretary of the Delta Chi Educational Foundation.

CHUCK MANCUSO
Florida State '84

Chuck graduated from Florida State University with a Bachelor of Science degree in Criminology and a Certificate of Law Enforcement in 1984. In 1985, he enrolled in The University of Florida College of Law and graduated in two years with a Juris Doctorate degree. He is currently a member in good standing and licensed to practice with the Florida Bar,

the Ohio, and the United States Supreme Courts. He has served with and for our Executive Director and Board of Regents as Legal Advisor for twelve years, beginning in 1992. Chuck has also served Delta Chi as "AA" and "DD." He currently serves as the Financial Advisor for the Florida State Colony.

CONGRESSMAN JOHN MICA
Florida '67

Mr. Mica graduated from The University of Florida with a Bachelor of Arts degree in Education. As an undergraduate, Mica served as a four-term president and helped lead the construction of the current Florida Chapter House. Upon graduation, Mica served the Fraternity as the Assistant to the National Director and Editor of the Delta Chi Quarterly and created the format the

Fraternity still uses for its quarterly newsletter. Before being elected as a member of the United States House of Representatives in 1992, Mica was a successful businessman in the fields of real estate development, communications, trade consulting and governmental affairs. Also, he served as a member of the Florida House of Representatives from 1976-1980 and as Chief of Staff to Senator Paula Dawkins. Currently serving his ninth term, Mica is the ranking Republican on the House Transportation and Infrastructure Committee, a senior member on the Committee on Oversight and Governmental Reform and on the Board of Directors for the Coast Guard Academy and Kennedy Center Board.

CONVENTION HONOREE FRED HAMMERT, Oklahoma '55

Brother Hammert was initiated at his beloved Oklahoma Chapter on August 27, 1955. He attended the first of his 16 conventions at East Lansing in 1956. He was house manager, IFC representative, "C", and "A" of his Chapter and served the Fraternity as a traveling Fieldman following his graduation.

In 1982 he returned to international service by filling the unexpired term of "CC" and was elected on his own right to the position at the 1983 Convention. He was then

elected as "AA" at the 1985 Convention and became the Retiring "AA" at the 1987 Convention.

He was inducted into the Order of the White Carnation by unanimous acclamation of the 1998 St. Louis Convention and later became a New Founder in recognition of gifts to the Foundation totally over \$100,000.

In 1990, he was elected to the Foundation Board of Directors and became its Vice-President at its 1996 meeting and then its President at its 1997 meeting. He stepped down as President at the Las Vegas Convention but remained on the Foundation's Board as a Director despite being critically ill.

2009-2010 AWARD WINNERS

The Delta Chi Awards Program is designed to recognize and promote those areas that are critical to the success of the chapter. The “E” Key, the Fraternity’s oldest award, and the Marge Lee Outstanding “C” Award recognize the performance of two vital chapter officers.

For the other awards, the Fraternity is divided into two divisions: Red and Buff. The Red Division contains those chapters with 15 or more fraternities on their campuses or whose Greek systems have over 30 percent of the undergraduate student body. The remaining chapters make up the Buff Division.

In recognition of the chapter’s performance on campus and within the community, the Outstanding Campus Leadership, Outstanding Community Service Program, Outstanding Intramural Program, Outstanding Membership Recruitment Program, Outstanding Scholarship Program, Outstanding Financial Management, Outstanding Website, and Outstanding Ritual and Ceremonies Awards were presented.

In addition, alumni chapters were recognized for outstanding performance in the following areas: Outstanding Communication Program, Outstanding Recruitment and Retention, and Outstanding Website.

These awards address the important alumni programming areas of a chapter: the Outstanding Alumni Board of Trustees, Outstanding Alumni Newsletter, Outstanding “BB” Awards, Outstanding House Corporation, and Outstanding Faculty Advisor.

Chapters that have shown a marked improvement in their overall operations are given the Certificate of Achievement. The “AA” selects the winner of the Most Improved Chapter from the recipients of this award.

The winners of the Award of Excellence show strength across the board. In most cases they are winners of several awards. When they are not, they show above average performance in all areas with no area of weakness.

From the recipients of the Award of Excellence, the “AA” selects the President’s Cup winners.

FIPG, INC. Risk Management Policy Revised 7/08

The Risk Management Policy of FIPG, Inc. includes the provisions that follow and shall apply to all fraternity entities and all levels of fraternity membership.

ALCOHOL AND DRUGS

1. The possession, sale, use or consumption of ALCOHOLIC BEVERAGES, while on chapter premises, or during a fraternity event, in any situation sponsored or endorsed by the chapter, or at any event an observer would associate with the fraternity, must be in compliance with any and all applicable laws of the state, province, county, city and institution of higher education, and must comply with either the BYOB or Third Party Vendor Guidelines.
2. No alcoholic beverages may be purchased through or with chapter funds nor may the purchase of same for members or guests be undertaken or coordinated by any member in the name of, or on behalf of, the chapter. The purchase or use of a bulk quantity or common source(s) of alcoholic beverage, for example, kegs or cases, is prohibited.
3. OPEN PARTIES, meaning those with unrestricted access by non-members of the fraternity, without specific invitation, where alcohol is present, are prohibited.
4. No members, collectively or individually, shall purchase for, serve to, or sell alcoholic beverages to any minor (i.e., those under legal "drinking age").
5. The possession, sale or use of any ILLEGAL DRUGS or CONTROLLED SUBSTANCES while on the chapter premises or during a fraternity event or at any event that an observer would associate with the fraternity is strictly prohibited.
6. No chapter may co-sponsor an event with an alcohol distributor or tavern (tavern defined as an establishment generating more than half of annual gross sales from alcohol) at which alcohol is given away, sold or otherwise provided to those present. This includes any event held in, at or on the property of a tavern as defined above for purposes of fundraising. However, a chapter may rent or use a room or area in a tavern as defined above for a closed event held within the provisions of this policy, including the use of a third party vendor and guest list. An event at which alcohol is present may be conducted or co-sponsored with a charitable organization if the event is held within the provisions of this policy.
7. No chapter may co-sponsor, co-finance or attend or participate in a function at which alcohol is purchased by any of the host chapters, groups or organizations.
8. All recruitment or rush activities associated with any chapter will be non-alcoholic. No recruitment or rush activities associated with any chapter may be held at or in conjunction with a tavern or alcohol distributor as defined in this policy.
9. No member or pledge, associate/new member or novice, shall permit, tolerate, encourage or participate in "drinking games." The definition of drinking games includes but is not limited to the consumption of shots of alcohol, liquor or alcoholic beverages, the practice of consuming shots equating to one's age, "beer pong", "century club", "dares" or any other activity involving the consumption of alcohol which involves duress or encouragement related to the consumption of alcohol.
10. No alcohol shall be present at any pledge/associate member/new member/novice program, activity or ritual of the chapter. This includes but is not limited to activities associated with "bid night," "big brother-little brother" events or activities, / "big sister-little sister" events or activities, "family" events or activities and initiation.

HAZING

No chapter, colony, student or alumnus shall conduct nor condone hazing activities. Permission or approval by a person being hazed is not a defense. Hazing activities are defined as: "Any action taken or situation created, intentionally, whether on or off fraternity premises, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Such activities may include but are not limited to the following: use of alcohol; paddling in any form; creation of excessive fatigue; physical and psychological shocks; quests, treasure hunts, scavenger hunts, road trips or any other such activities carried on outside or inside of the confines of the chapter house; wearing of public apparel which is conspicuous and not normally in good taste; engaging in public stunts and buffoonery; morally degrading or humiliating games and activities; and any other activities which are not consistent with academic achievement, fraternal law, ritual or policy or the regulations and policies of the educational institution or applicable state law."

SEXUAL ABUSE AND HARASSMENT

The fraternity will not tolerate or condone any form of sexist or sexually abusive behavior on the part of its members, whether physical, mental or emotional. This is to include any actions, activities or events, whether on chapter premises or off-site location which are demeaning to women or men, including but not limited to verbal harassment, sexual assault by individuals or members acting together. The employment or use of strippers, exotic dancers or similar, whether professional or amateur, at a fraternity event as defined in this policy is prohibited.

FIRE, HEALTH AND SAFETY

1. All chapter houses should meet all local fire and health codes and standards.
2. All chapters should post by common phones and in other locations, emergency numbers for fire, police and ambulance and should have posted evacuation routes on the back of the door of each sleeping room.
3. All chapters should comply with engineering recommendations as reported by the insurance company or municipal authorities.
4. The possession and/or use of firearms or explosive or incendiary devices of any kind within the confines and premises of the chapter house is prohibited.
5. Candles should not be used in chapter houses or individual rooms except under controlled circumstances such as initiation.

EDUCATION

Each fraternity shall annually instruct its students and alumni/alumnae in the Risk Management Policy of FIPG, Inc. Additionally, all students and key volunteers shall annually receive a copy of the Risk Management Policy and a copy of the policy shall be available on the fraternity website.

THIRD PARTY VENDOR CRITERIA

THE VENDOR MUST:

1. Be properly licensed by the appropriate local and state authority. This may involve both a liquor license and a temporary license to sell on the premises where the function is to be held.
2. Be properly insured with a minimum of \$1,000,000 of general liability insurance, evidenced by a properly completed certificate of insurance prepared by the insurance provided.
3. The certificate of insurance must also show evidence that the vendor has, as a part of his/her insurance coverage, "off premises liquor liability coverage and non-owned and hired auto coverage."
4. Named insureds included on the certificate of insurance must as a minimum include the local chapter hiring the vendor as well as the international fraternity that the local chapter is affiliated with.

CORRECTIVE ACTION LEVELS

What follows is a list of chapters that are on Corrective Action for violation of the Risk Management Policy as of October 1, 2010. That is not to say the chapters on the following list are “bad” chapters. Likewise, it is unrealistic to assume that

*Currently three (3) chapters/colonies are awaiting adjudication due to alleged violations of the Fraternity's Risk Management Policy.

chapters that are not on this list are complying with every policy. The bottom line of this issue is that members of the Fraternity are engaging in dangerous activities and taking unnecessary risks with their future and the future of Delta Chi because they believe this will help fill voids where their needs are not being met. Whatever the case, the solution remains the same. Each and every chapter needs the involvement of mature alumni who can help the Fraternity's student members discover that there are alternatives that can meet both their long and short-term needs. Finally, each and every member of Delta Chi needs to periodically reflect on Delta Chi's values as contained in our Preamble:

Promote Friendship, Develop Character, Advance Justice, and Assist in the Acquisition of a Sound Education.

Level 1 – Level 1 Corrective Action shall include, but is not limited to, ordering that the Chapter cease and desist from the conduct in the future and be in accordance with the requirements of Delta Chi Law and the Risk Management Policy of the Fraternity. The Chapter shall be required to submit to the Executive Director a written statement that all prohibited conduct has been stopped. The statement shall be signed by the “A”, “BB” and such other members of the Chapter, as specified in the report, who were involved with or had supervision over the conduct in the violation.

Level 2 – Level 2 Corrective Action shall include, but is not limited to, all provisions of Level 1, plus the Chapter shall submit a written plan of procedures and/or activities that comply with the Fraternity's Risk Management Policy covering the activities in the violation. The plan shall be updated at least twice per year for the period of corrective action.

Level 3 – Level 3 Corrective Action shall include, but is not limited to, all provisions of Levels 1 and 2, plus supervision of the activities of the Chapter that were involved in the violation by a person or persons acceptable to the Executive Director.

Level 4 – Level 4 Corrective Action shall include, but is not limited to, all provisions of Levels 1, 2 and 3 plus the charter of the Chapter shall be suspended for the period of time of the corrective action. Chapters under Level 4 Corrective Action shall either be placed in conservatorship, as provided in Delta Chi Law, or shall operate under the direct supervision of the Executive Director.

Level 5 – Level 5 Corrective Action shall require the suspension of the charter and the cessation of operation of the Chapter as it then exists. Re-establishment of the Chapter shall be subject to the terms and conditions of the Board of Regents after a minimum one-year period.

THIRD PARTY VENDOR CRITERIA (continued)

- Agree in writing to cash sales only, collected by the vendor during the function.
- Assume in writing all the responsibilities that any other purveyor of alcoholic beverages would assume in the normal course of business, including but not limited to:
 - Checking identification cards upon entry;
 - Not serving minors;
 - Not serving individuals that appear to be intoxicated;
 - Maintaining absolute control of ALL alcoholic containers present;
 - Collecting all remaining alcohol at the end of a function (no excess alcohol – opened or unopened – is to be given, sold or furnished to the chapter);
 - Removing all alcohol from the premises.

POLICY GUIDELINES

ACCORDING TO FIPG

- Closed parties (meaning those events with alcohol present) should have a guest list prepared at least 24 hours in advance. A ratio of two guests per member (or fire code capacity, whichever is smaller) is suggested.
- “Non-alcoholic” keg beer is not permitted because it can contain up to .05 percent alcohol. Therefore, serving it would be a violation of our policy.

ACCORDING TO THE DELTA CHI RISK MANAGEMENT MANUAL

- At chapter social events, signs should be posted that indicate the chapter complies with and enforces the laws and policies with respect to alcohol, illegal drugs, and controlled substances.
- All persons present should not be allowed access to alcohol if they are intoxicated, regardless of age.
- Alcohol should only be used as an adjunct to the event rather than its focus.
- The use of alcohol on the premises should be stopped at least one hour before the end of the function.
- Plenty of non-salty foods and non-alcoholic alternative beverages should be provided.
- Adequate professional security should be provided to deal with uninvited guests and monitor any other potential problems.
- Trained party monitors should be present to respond to situations. A ratio of one party monitor for every 20 attendees is suggested. Party monitors should agree to the following:
 - Not to consume alcohol, and remain sober for the duration of the event;
 - Make sure the party starts and ends on time and that the bar opens and closes on time;
 - Wear distinctive clothing to identify themselves at all times.
- Buses, taxis, phone numbers, etc. should be provided for any event to promote the safe return of members and guests.
- “Hard” liquor (alcohol rated by proof rather than percentage) should be prohibited from all parties. For “bring your own” parties, a six pack of beer (or the alcoholic equivalent), or less, per person is allowed.
- Glass bottles of any sort should not be allowed. Restrict consumption of any beverages to cans and plastic cups.
