The Call

"A few of us were sitting around on a Sunday afternoon.

The phone rings and it's Roger. He's 350 miles from campus and his car's dead on the side of the highway. He's stranded in the middle of nowhere with no money and the sun's going down. He's freaking out because he's got an interview at 9 a.m. tomorrow that he can't miss. We told him to sit tight and not worry. We stood up, and within two minutes, there were three of us in a car on the way to get him. What a road trip that was! It was almost 5 a.m. by the time we all got back, but he made his interview, and he got the job."

We have all heard a story like this. Many of us even have our own story to tell. A brother in a jam reaches out in desperation, and finds salvation in the form of a fellow brother coming through for him in the clutch.

When we attempt to relate these stories to our friends and family outside the Greek community, the reaction is often bewilderment, prompting responses like, "**Why would you choose to do that?**"

While a question like that might leave one fumbling for the words, the truth is simple... it's because when a fellow brother needs your help, action is the **only** choice.

Homecomings and reunions are great places to hear tales of "D-Chi heroism," but International Convention is my favorite. In the truest sense each story embodies the spirit of the Order of the White Carnation – whose motto is the Latin word "succurri," which translated means, "I ran to help." While the details of stories vary widely, they almost always have the same starting point:

A call for help.

A few weeks back, I was on a Regent's conference call to organize support for a chapter I visited back in the late 1990s. This was a gutsy chapter that had been fighting its way through financial difficulties without an integrated alumni support system in place. After the call I tracked down a former chapter officer through LinkedIn, and reached out. We hadn't spoken, much

less seen each other, in over ten years – but we picked up where we'd left off, and within a week he and a few others recruited over a dozen new men to get involved. Just like that.

I relate this story not as a unique act of heroism, but as a typical D-Chi response to a call for help. **Action.**

If you've got a story of "D-Chi heroism" to share, send it to me at cc@deltachi.org. I'd like

to compile them as a source of inspiration and external validation of the belief that our brotherhood changes the courses of men's lives for the better every day. Special recognition to the best story...

The strength of Delta Chi today is a testament to the men who stood up when the call came – and to those who continue to stand. Resolve right now to stand among them. And in the meantime, remember that you **don't have to wait** for "the call" to make an important difference. Whether you reach for your car keys (to pay a visit), your phone (to make a call), or your checkbook (to make a financial contribution), just be the one to reach out first.

I'll see you in Pittsburgh if not sooner!

Delta Chi Embarks On Strategic Plan

In order to improve the experience of Delta Chi membership, I have initiated a strategic planning process during my term as "AA".

In August 2011, the Board of Regents, Staff, representatives from the Educational Foundation, and ten volunteers from the Fraternity's various standing committees met in Iowa City, IA for a two-day retreat to begin the initiative. Led by Jeff Prouty, a member of Sigma Phi Epsilon and Founder of The Prouty Project, those present engaged in thought-provoking dialogue and laid the framework for many significant goals.

From the retreat, five opportunities for improvement emerged: housing, education, leadership, service, and the "lifelong experience." "Champions" in each of these areas will direct our volunteers towards the development of both long- and short-term goals and action plans. The entire process will also be overseen by a steering committee.

In the next issue of the *Quarterly*, I hope to provide a detailed list of initiatives, including target dates for completion. As always, I welcome your input and look forward to hearing from you! Please feel to email me at aa@deltachi.org.

When the Abracadabra Chapter closed in the late 1960's, Brother Cornelius Smith, Southern California '37, was serving as a Field Secretary for the Fraternity and rescued one of the old dining room chairs from the chapter house. Dr. Smith had stored it at his home for many years, and when Dr. Smith passed away in 2004, Brother Deegan, who knew Dr. Smith and had been mentored by him for years, wound up with the chair. Brother Deegan made arrangements to present the chair to the representatives from the Abracadabra Chapter at the 2012 Region II Regional Leadership Conference.

Publications Committee Update

In the Summer/Fall 2011 issue of the *Quarterly*, we mistakenly left out mention of Publications Committee Chairman Aaron Otto, Kansas State '98, as a significant contributor to our story covering the humanitarian efforts of our chapters in Missouri in response to the Joplin, MO tornado.

The Publications Committee is a volunteer-driven ad hoc committee formed by the "AA" to assist in the advancement of the fraternity's various media efforts, including the *Quarterly*. Membership consists of student and alumni members of the Fraternity who have an interest or skill in journalism, history, and/or special interest topics.

Currently, Publications Committee members are preparing content about the lives of our Founding Fathers, the history of the Leadership Consultant position, and many other projects over the coming months.

If you'd like to learn more or potentially become part of the team, please contact Publications Committee Chairman Aaron Otto for more details at ottomatic98@hotmail.com.

I answered the phone and heard, “There’s been a huge car accident. You need to get to the house now.” When I arrived, everyone was just sitting on the benches outside our house. I walked up and saw that everyone’s head was down. I knew something wasn’t right, so I immediately began looking around to see who was missing. That’s when I learned that one of our brothers had passed away. ~ Alex Argos

Anthony Andrighetto

BROTHERHOOD SHINES

in the face of tragedy

This situation is what every Delta Chi dreads. Even when there was no drinking involved and members weren’t speeding while driving, you can’t always prevent accidents from occurring. The Arizona Chapter’s fall semester was filled with both sadness and hope, as brothers mourned the loss of Anthony Andrighetto ’12 and, the next week, rejoiced as Sam Schmid ’14 miraculously awoke from a coma. We share this story to highlight the need for all of our chapters to have solid crisis management planning and also to showcase how brotherhood can serve as a meaningful support network for our members.

On October 19, 2011 at 5:10 P.M., members from the Arizona Chapter had just finished coaching a basketball team at a Catholic middle school as part of their ongoing service efforts. Members were carpooling back to the chapter house when a van attempted to make a left turn at an intersection ahead.

“Anthony’s Jeep t-boned the van. His Jeep flipped so high in the air that it hit the top of the stoplight, knocking it over before crashing

into another pole,” recalled Cameron Johnson, a brother of the Arizona Chapter. “I saw everything as it happened, and I swerved into oncoming traffic, colliding with an Escalade. After I crawled out of my car and hobbled across the street, I saw two of my best friends being resuscitated. After that, everything was a blur.”

Anthony Andrighetto passed away at the scene of the accident. Sam Schmid was transported

to a hospital in Phoenix in critical condition. Cameron himself broke four ribs in the accident. Two others also sustained injuries in the series of accidents.

“[That day] was terrible. It was the worst thing that could have happened,” Alex Argos commented.

Outreach from other organizations on campus was truly heartwarming.

Michael Colletti, IFC President at The University of Arizona, stated, “The Interfraternity Council is deeply saddened at the loss of Anthony and wishes to offer our deepest sympathies to the members of Delta Chi, family and friends of those affected by this tragedy. Our thoughts and prayers are with them. The fraternal bonds extend greater than our own respective chapters, and they have our whole community’s

support during this difficult time. We wish those recovering a speedy recovery.”

Jessica Hermann, Panhellenic Council President, said, “Panhellenic is standing beside IFC in its time of need. Through difficult times, we pull together in the Greek community, as we have in the past.

I have no doubts that we will get through this together.”

Brothers hosted a remembrance ceremony at the house for all of Anthony’s friends to grieve together and support one another. Later, over 20 brothers attended his funeral, making the long trip to San Francisco, CA.

The benefit of values-based organizations is that our members all learn to stand together in the face of crises.

Michael Woolbright, Regent for Region II, helped make sure brothers would support each other. He commented at the time, “Everything that has happened in such a short period of time is overwhelming. The members have pulled together so strongly, and it’s amazing how they’re handling things. I had a few guys completely break down [that] weekend, and it almost seemed necessary for them to get it out so they could begin to move on.”

While brothers were still processing the loss of their close friend and brother, Schmid’s prognosis turned for the worse. It was feared Schmid would not wake up from his coma, as he developed a traumatic aneurysm from the accident.

“I had the unfortunate task of updating everyone about Sam’s condition. There was heartache and sorrow throughout the house. Though, everyone did their best to remain positive. No one gave up on Sam – we all thought he’d pull through. Each brother asked what he could do to help. That made me so proud to be a part of Delta Chi,” said Johnson.

Still, Sam’s condition only worsened with time.

“We already had lost one brother. We were all worried we were going to lose another,” Argos commented.

The night before Sam’s parents were going to have to make a very difficult decision, something truly miraculous happened.

Sam Schmid woke up.

“That night was unbelievable. Even the ‘hard’ guys who never showed emotion were overcome. There wasn’t a dry eye in the house. Everyone was full of emotion. It was a blessing,” recalled Johnson. “It was the best worst moment of my life.”

Since December, Schmid has been undergoing intensive therapy as he makes his recovery.

“It’s so early in Sam’s injury that we have no idea what [a new normal] is and where the ceiling is,” said Susan Reagan, Schmid’s mother. “As long as [he’s] continuing to improve, I anticipate improvement will continue.”

Schmid has his own goals: “I just want to get able to get back to Tucson [and] what my life used to be.”

If you visit the Delta Chi house at The University of Arizona, you’ll see a black and white mural painted on a brick wall beside the parking lot. The mural depicts Anthony Andrighetto and Sam Schmid and was painted

by Robbie Kreuzer ‘12. Robbie wanted to make sure everyone would be able to see how much Anthony and Sam will always mean to everyone. The mural reads, “Stay strong.”

When asked to reflect on the whole experience and offer advice for our student members across North America, they had this to say:

Johnson: “Believe in your brothers. Trust the people who are closest to you and around you on a daily basis. It meant the world to me that people went out of their way to ask how I was doing. The little things help everyone get through any situation.”

Argos: “Embrace your brothers. The built-in support systems with your fraternity are amazing. We’re so lucky to have made it through all of this and still have a great chapter.”

Crisis Management

No one can predict when some accidents will happen. When something does happen though, it is easy to make an already bad situation worse, especially when time is short and emotions are high.

Two areas can help a chapter prevent and handle a crisis situation: planning and education.

Planning means making sure an event is in compliance with all policies and procedures. Proper planning, through the Fraternity’s risk management manual, can help minimize the possibility of risk. Planning also means figuring out in advance what to do in case of an emergency.

Education is a key component of the fraternity experience. If you educate your members about policies, procedures, and emergency plans, they’ll know how to handle a crisis situation. Learning what to do and what not to do may mean the difference between life and death, between a catastrophe and a minor situation, or between an incident and a non-incident.

You must be prepared for when something does happen...

Develop a crisis management plan now. Each chapter should have a crisis management plan specific to its campus and resources.

Educate members about what to do in the event of an accident. Every member should be educated about your plan each year.

Remember that a crisis eats time. Delegate tasks and use all available resources (i.e. Fraternity staff, legal counsel, Greek Advisor, “BB”, and University & local police). Utilize conference calls to save time and ensure the same message is heard.

Be prepared to interact with the media. Take control of the situation. Set time to talk when you are prepared. Outline your objectives in advance. Student reporters may misquote, publish uninformed facts, and/or editorialize.

Assemble the facts as quickly as possible. Within 48 hours, file an Incident Report with Delta vChi. Cooperate with all appropriate authorities.

If an incident does occur...

The “A” is in charge. If the “A” is not present, the next-highest ranking officer should assume control until the “A” returns.

The house (if applicable) should be closed immediately. Permit only your members and appropriate officials to enter.

Call the “BB” and ABT President and make them aware of the situation.

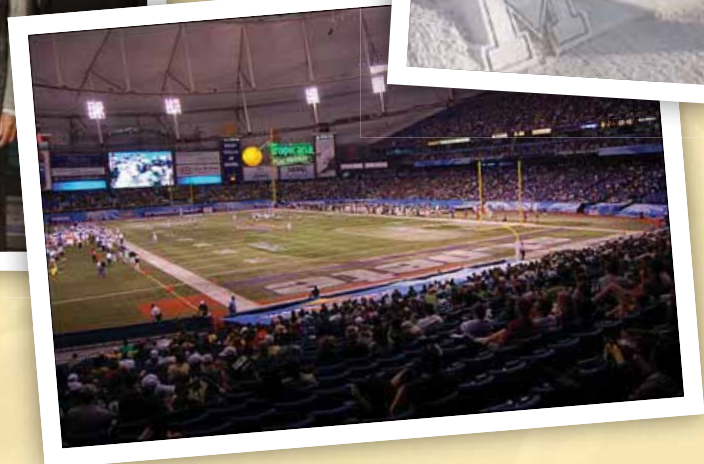

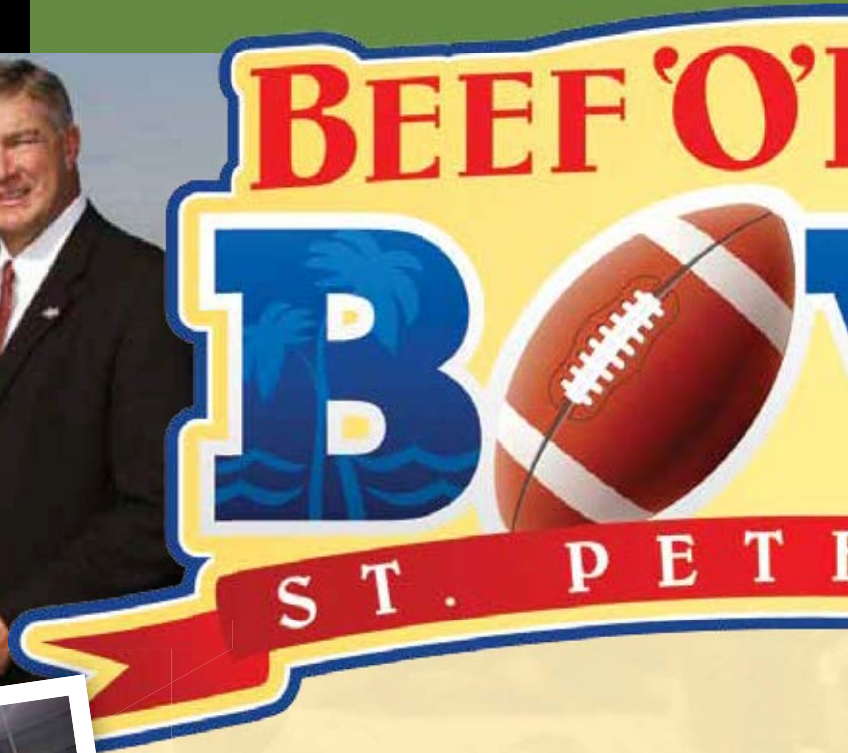

Call Delta Chi Headquarters.

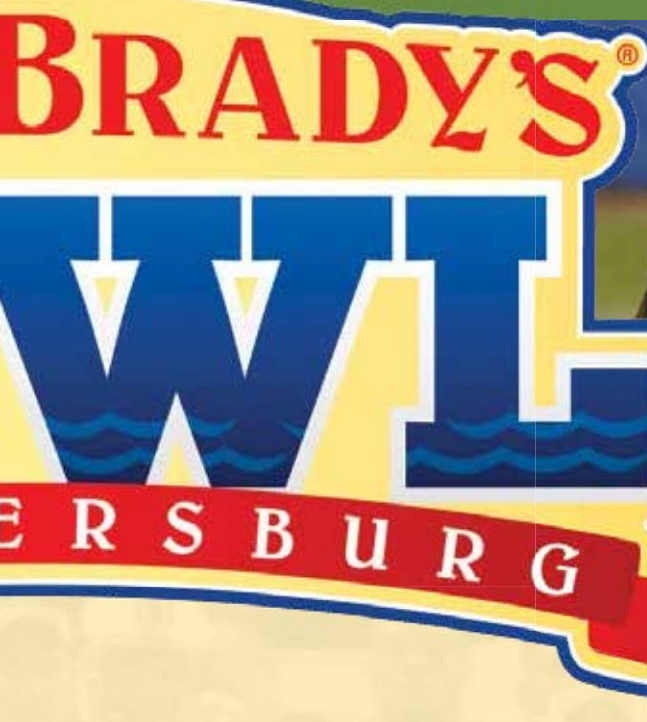

Call your Greek Advisor (if applicable).

Assemble your members in a group. Explain the crisis management plan, rules, and guidelines to all members.

Gather information and file an Incident Report with Delta Chi.

For more information about creating a Crisis Management Plan, please visit deltachi.org’s “Resources” section and download the Crisis Management BRIEF.

BEEF 'O' BRADY'S BOWL EXECUTIVE DIRECTOR

Brett Dulaney Mississippi State '95

Brett Dulaney, Mississippi State '95, is the Executive Director for the Beef o' Brady's Bowl, held each year in St. Petersburg, FL. The bowl game features bowl eligible teams from the BIG EAST and Conference USA. In the Bowl's four-year history, teams with Delta Chi chapters on their respective campuses have appeared in the game three years. The game is played at Tropicana Field, home of the Tampa Bay Rays. Dulaney is officially employed by ESPN Regional Television, which runs six other post-season bowl games.

We had a moment to speak with Dulaney about his career path and his Delta Chi experience. Here's what he had to say:

How did you join Delta Chi?

During my first day on campus, I pulled into the parking lot of my freshman dorm and Jason Storm '96 asked me if I needed help moving into my room. He and some of the brothers began to recruit me, and I pledged in the spring of 1991.

As a student member, what was your experience like in Delta Chi?

The atmosphere was one of being the best you can be: academically, physically, emotionally, and spiritually. The diversity of the Chapter was my favorite part of Delta Chi. We had men from 17 different states, two or three different countries, difference races, different religions, and all different walks of life. We all had a common bond in the Fraternity, the way we should act, and a vision of our shared future.

Tell us briefly about how you stepped into the sports world after college.

I actually attended Mississippi State because of its Professional Golf Management Program. At that time it was the best program in the country. I graduated and became a PGA Professional. Sports had always been a big part of my life growing up and in high school. It made sense for me to pursue a career that I had a passion for.

How'd you land your current position?

I knew the actual hiring manager for the position. He called and asked me if I would be interested in starting a bowl game in St Petersburg, FL. It's not what you know - it's who you know!

What experiences from the Fraternity do you look back on now as a professional?

I look back on my times as Associate Member Counselor and leading a group of young men. Those experiences have helped me in creating visions and leading business organizations.

What professional advice would you give to our student members and recent graduates?

1. Network, Network, Network.
2. Find three or four mentors in whatever industry you are interested in and create bonds with them.
3. Work hard and get rid of the words "no," "can't," "won't," and "couldn't." You can do anything you set your mind to.
4. Never be afraid to ask for help.

CALL TO THE 58TH International Convention

TO THE MEN OF THE DELTA CHI FRATERNITY, alumni members, alumni chapters, student members and associate members of the undergraduate chapters and colonies.

AS THE FIFTY-FIRST "AA", I do hereby proclaim that the fifty-eighth International Convention will convene at the Sheraton Hotel at 300 W. Held every other year in off-Convention years, Delta Chi's Leadership College welcomed 97 student and alumni members of the fraternity to Iowa City, Iowa, for a curriculum-based leadership development conference. Participants engaged in both small- and large-group discussions and even enjoyed a tour of Delta Chi's Headquarters.

If you'd like to further your own involvement in Delta Chi while developing your leadership potential, consider attending our next Leadership College, to be held in Iowa City, IA during the summer of 2013.

Another weekend of leadership training for Delta Chi is in the books...

Over 150 attendees, facilitators and staff set foot on the grounds of Saint Meinrad for the sixth consecutive year. Below is a collection of photos from the event!

How does Delta Chi pay for all of this?

The Academy is available, free of charge, to all chapter/colony "A"s of The Delta Chi Fraternity. The Academy is made possible due in part to a grant of \$71,500 from The Delta Chi Educational Foundation. This grant is funded by two generous donors, Steven Michels, Marquette '87, and Donald LaPlante, Southern California. The Fraternity incurs the remainder of the costs... that support comes from members like you!

What is Saint Meinrad?

The Saint Meinrad Archabbey, Seminary and School of Theology is one of eleven archabbeys around the globe and continues to foster the monastic rhythm of prayer, work and lifelong learning. It is located on what is affectionately known as the "Holy Hill" and can be found on the map in St. Meinrad, IN.

Are We Relevant?

Delta Chi embarks on survey-based study to assess outcomes of fraternity involvement

Delta Chi offers a wide variety of programming to assist our student members. Each January, we invite every “A” to our “A”s’ Academy, a weekend retreat at the Saint Meinrad Archabbey in Indiana. Attendees learn about themselves and their roles as “A”s through a leadership development curriculum experience. Every spring, over 1,000 students travel to a campus within their region for our Regional Leadership Conferences (RLCs), coordinated by our Regents and hosted by a chapter within each region. This spring, we’ve begun an initiative to align programming between each RLC with our core competencies. In odd-year summers, we host students and alumni for our Delta Chi Leadership College (DCLC) in Iowa City, IA. Our most recent DCLC welcomed 97 brothers to Iowa City for a curriculum-based experience and a tour of our Headquarters. Every two years, Delta Chis gather in a different city for our International Convention, the largest gathering of Delta Chis in the world. Our student members have the opportunity to attend numerous presentations and breakout sessions on personal development and leadership skills throughout the four-day Convention. We’re hopeful for the opportunity to welcome over 600 brothers in Pittsburgh this August!

Beyond Delta Chi’s conferences and events, Delta Chi provides its officers with reference material, both digitally and in print, to assist with executing their duties as officers. Our “Strengthen Your Core” Webinars (deltachi.eventbrite.com) are designed to supplement training materials by offering our student and alumni officers a chance to participate in interactive presentations on topics within

each of our eight core competency areas. Additionally, our monthly update emails provide our student leaders with relevant articles and blog posts each month.

In order to find ways to directly align Delta Chi’s conference and virtual programming with the developmental needs of our members, we’ve embarked upon a mission to assess how the Delta Chi experience impacts our student members’ development towards a sound education outside of the classroom. By collecting data from our student members during chapter/colony visits over the past 18 months, we’ve been able to quantify just how Delta Chi impacts the development of our members.

During the 2010 – 2011 academic year, over 1,300 Delta Chi student members completed the University Learning Outcomes Assessment (UniLOA) under supervision of our Leadership Consultants. The survey, developed and administered by researchers at Bayh College of Education and Indiana State University, measures student behaviors along seven critical areas – critical thinking, self-awareness, communication, diversity, citizenship, membership and leadership, and relationships. These seven areas represent out-of-classroom learning and development that contribute to the acquisition of a sound education.

By comparing our students’ data to the responses of over 50,000 college students, both Greek and non-Greek, we’ve been able to see just how membership in Delta Chi is beneficial to today’s student. Our students’ mean scores were higher than the national non-Greek student mean scores in six of seven areas, with communication trailing by 0.1.

In addition to our scores, we’re also able to gain interesting insights into trends highlighted through data, including the following:

- The highest UniLOA scores are by those students reporting they hold two leadership positions (among all organizations in which they are involved). Those holding three or more score lower than even those students holding no leadership positions.
- UniLOA domain scores are consistently higher for students belonging to three formal organizations or activities than those belonging to more or less than that number.
- Scores along all seven domains of the UniLOA decrease, at a rather consistent rate, as more hours are spent watching television or engaging in online entertainment.
- As has been reported in previous years, UniLOA scores tend to be highest in students reporting either they do not work at all or that they work 18 or more hours per week.
- Students serving in some amount of volunteer work score higher than those not engaging in volunteer work, with optimal performance demonstrated in students volunteering for two to four hours per week on average.
- We’ll continue to gather more data in the future to better understand Delta Chi’s impact. If you have questions about UniLOA, please contact Michael Dean, Director of Programming (michaeld@deltachi.org).

1 Critical thinking is an active process where students use skills of evaluating, analyzing, assessing, interpreting, questioning and restating a problem or challenge. Effective problem solving is bolstered by an individual's skill in applying critical thinking skills to his academic life and his lived experience. A skilled critical thinker is able to examine and understand the fundamental qualities of problems, collect and analyze critical data, draw appropriate interpretations and conclusions, examine broad-based problem-solving options and effectively communicate and implement appropriate solutions. **Delta Chi: 75.8 Non-Greek: 72.3**

2 Self-awareness deals with conscious awareness from internal and external perspectives, which allow individuals to understand their place within the environment and to express behaviors and cognitions that complement harmony between self and other. Self-awareness is not a skill that is inherent within the human condition. To be sure, active self-awareness comes only after conscious self-reflection of a lived experience. **Delta Chi: 70.7 Non-Greek: 70.2**

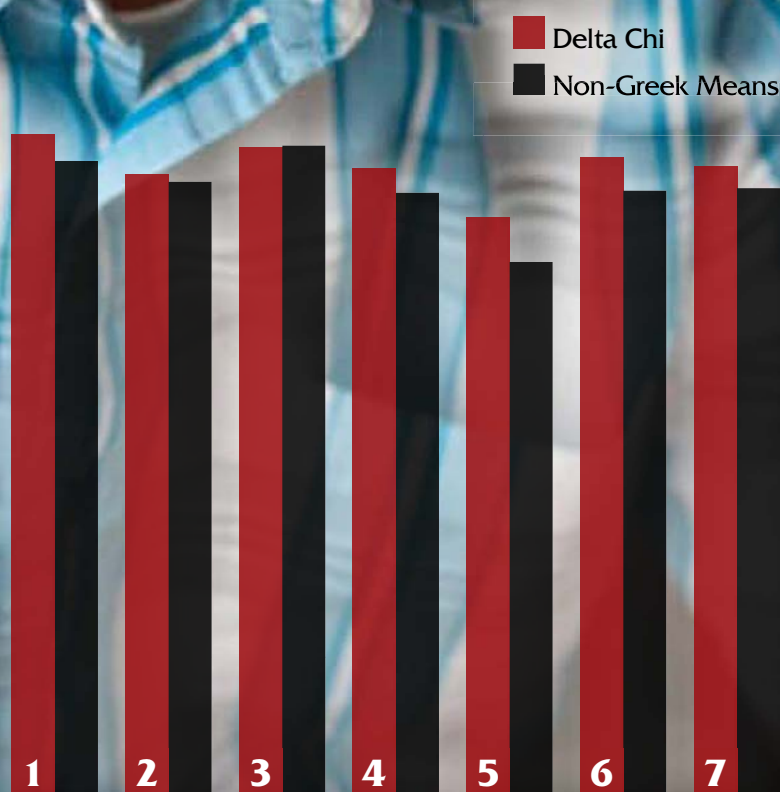

3 Communication examines speaking, writing, and other forms of verbal and non-verbal message conveyance. Effective communication with others requires an understanding of the environment, relationship to the other, and how effective the symbols chosen for the expression of needs, wants, or perspective are in influencing behaviors. **Delta Chi: 74.1 Non-Greek: 74.2**

4 Diversity reflects an individual's understanding and appreciation of "differences." Those differences include such things as the recognition of values held by different people, cultures, ethnicities, politics, religion, gender, age, sexual orientation and a host of others. The understanding and appreciation of difference is necessary to establish and maintain pluralism in a way that will be complementary to such phenomena as social responsibility, cohesion and advancement of social structures, the bolstering of individual and group identity, and equality and respect. **Delta Chi: 71.5 Non-Greek: 69.1**

5 Citizenship entails an understanding of one's membership in a variety of "groups," from the campus community to the global level, and a demonstrated commitment through behaviors that reflect active participation within those groups. Knowledge of the various rights, privileges, and associated duties of citizenship are things in which students should be actively engaged – whether those are of a political, social, or legal nature. **Delta Chi: 65.5 Non-Greek: 61.5**

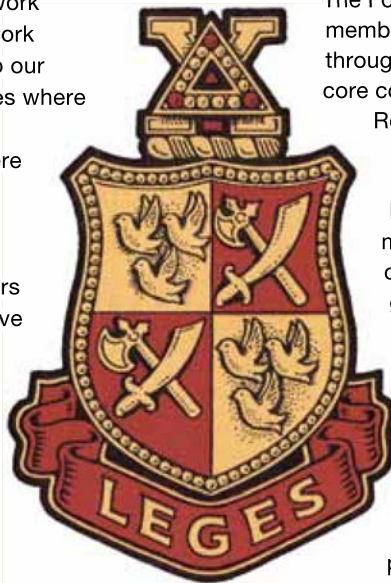

6 Membership & Leadership involves an understanding of the various types of relationships students experience with formal and informal groups. Within groups, individuals recognize how they can contribute and be active in their participation, whether that participation is the holding of a recognized office with prescribed duties, or as a member who contributes to the common good through active participation that supports growth and development of the collective body. **Delta Chi: 72.9 Non-Greek: 69.3**

7 Relationships examines interactions on a variety of levels, including social, professional and intimate. An individual's ability to influence others, to contribute to the meeting of one's needs as well as the needs of others and to form individual identity as a result requires active management. The ability to effectively manage the "connectedness" between self and others allows individuals to be more productive to their own internal growth and development, as well as to positively contribute to the growth and development of others. **Delta Chi: 71.9 Non-Greek: 69.6**

How do new chapters of Delta Chi begin?

There are several types of “expansion” work Delta Chi staff does. Each year, we network and make plans to add future projects to our calendar by approaching both universities where we’ve previously had chapters and new campuses. We try to find campuses where the culture, climate, and resources will align so that Delta Chi will be successful on that campus. If a chapter has closed, we typically wait until all student members from that chapter graduate in order to give new members a “fresh start” for their fraternity experience. Sometimes, though, we get a phone call from a group of men who are interested in starting a fraternity. If these men have values and qualities of character that align with our goals in advancing our organization, we’ll send staff support to bring Delta Chi to that campus.

What is a “Founding Father?” What’s that experience like?

Delta Chi staff members arrive on a campus and have been trained to recruit high quality men with dynamic backgrounds and experiences in order to create an initial interest group for membership in the Fraternity. We pin these men as associate members throughout the academic term, as often as needed. In lieu of a more ‘traditional’ associate member program, these men experience a new member education period approximately the same length, but with much more attention given to team-building and skills development. So, while these men learn about our history and traditions, they’re also learning and executing best practices of chapter operations. We teach these men the best practices we know, so they’ll be part of a competitive organization on campus from day one. As they work to build the foundational elements of the organization, staff members appoint officers and chairmen based on the associate members’ skill sets and personal qualities. These men will work to build a colony with adequate performance in each of the eight core competencies of chapter operations. They’ll also work to build a positive reputation on campus and within the Greek community. Towards the end of the first academic term on campus, we initiate all associate members as Founding Fathers of that Delta Chi Colony. A chapter that has closed and re-opened will have two (or more!) groups of Founding Fathers.

What does it take to receive a “charter?”

The Founding Fathers, and all subsequently recruited members, work to build a sustainable organization through focus on the development of Delta Chi’s eight core competencies: Advising & Governance, Alumni Relations, Financial Management, Housing, Involvement, Manpower, Member Education, and Scholarship. Because Founding Fathers learn best practices during the staff’s time on campus, mastering some competencies is quite easy. Other competencies may take a year or two to see growth. Alumni support is always key in ensuring a colony and its members stay on track with the long-term goal of becoming a chapter of Delta Chi. In general, a group does not receive its charter unless it can recruit 30 active, dues paying members or the campus average for fraternities, whichever is lower.

When a colony feels it is making adequate progress in each core competency, members will begin organizing and completing a chartering petition.

This petition shows the work done in each core competency, as well as a brief history of the organization. A petition draft is reviewed by the members, their alumni advisors, their Regent, staff, and, finally, the “CC”. When all parties feel that the work of the group is adequately represented and that the work itself is adequate, the “CC” will draft a motion, to be considered by the Board of Regents, to grant the Colony its charter. If passed, the Colony will plan a chartering banquet where it will be presented its chartering proclamation. The names of all initiated members will appear on the Chapter’s charter.

This fall, Delta Chi saw four colonies grow into chapters. Here’s a listing of all of Delta Chi’s current colonies:

Livingston Chapter

Colonized: Spring 2009
Founding Fathers Initiated: 8
Chartering Banquet: September 24, 2011
Current Manpower: 23

"We spent time trying to figure out who we were as brothers and make that work every day. I can comfortably say that we have met this biggest challenge on the long road to becoming a chapter. I believe the foundation we've laid will last for a lifetime." – *LeAnthony Walker, '11*

USP Chapter

Colonized: Fall 2007
Founding Fathers Initiated: 17
Chartering Banquet: September 10, 2011
Current Manpower: 20

"I think that the chartering banquet was a success. The ceremony for signing the charter was very meaningful for all the brothers who worked so hard for the success of our chapter." – *Adam Gockley '14*

Hamilton Chapter

Colonized: Spring 2009
Founding Fathers Initiated: 43
Chartering Banquet: October 1, 2011
Current Manpower: 39

"Several years ago, a group of Hamilton students looked at the Hamilton Greek system and didn't like what they saw. They wanted to participate, but didn't care for any of the fraternities they saw currently on campus. So, they started their own - specifically, one where "no hazing" was a way of life and not just a slogan. They found others who shared their values. Within a year, the colony was one of the largest fraternities on campus. With the chartering of the Hamilton Chapter, students at Hamilton College now have a distinct choice to make when looking at fraternity involvement." – *Dave Weber, Cornell '68, Regent for Region VII.*

Northern Illinois Chapter

Colonized: Spring 2010
Founding Fathers Initiated: 38
Chartering Banquet: November 5, 2011
Current Manpower: 47

"[The banquet] was nostalgic, celebratory, and a little surreal. I've never felt a stronger sense of communal accomplishment and brotherhood in my entire life." – *Kyle Aragon, Northern Illinois '12*

FIPG, INC. Risk Management Policy Revised 7/2008; Reaffirmed 7/2011

The Risk Management Policy of FIPG, Inc. includes the provisions that follow and shall apply to all fraternity entities and all levels of fraternity membership.

ALCOHOL AND DRUGS

1. The possession, sale, use or consumption of ALCOHOLIC BEVERAGES, while on chapter premises, or during a fraternity event, in any situation sponsored or endorsed by the chapter, or at any event an observer would associate with the fraternity, must be in compliance with any and all applicable laws of the state, province, county, city and institution of higher education, and must comply with either the BYOB or Third Party Vendor Guidelines.
2. No alcoholic beverages may be purchased through or with chapter funds nor may the purchase of same for members or guests be undertaken or coordinated by any member in the name of, or on behalf of, the chapter. The purchase or use of a bulk quantity or common source(s) of alcoholic beverage, for example, kegs or cases, is prohibited.
3. OPEN PARTIES, meaning those with unrestricted access by non-members of the fraternity, without specific invitation, where alcohol is present, are prohibited.
4. No members, collectively or individually, shall purchase for, serve to, or sell alcoholic beverages to any minor (i.e., those under legal "drinking age").
5. The possession, sale or use of any ILLEGAL DRUGS or CONTROLLED SUBSTANCES while on the chapter premises or during a fraternity event or at any event that an observer would associate with the fraternity is strictly prohibited.
6. No chapter may co-sponsor an event with an alcohol distributor or tavern (tavern defined as an establishment generating more than half of annual gross sales from alcohol) at which alcohol is given away, sold or otherwise provided to those present. This includes any event held in, at or on the property of a tavern as defined above for purposes of fundraising. However, a chapter may rent or use a room or area in a tavern as defined above for a closed event held within the provisions of this policy, including the use of a third party vendor and guest list. An event at which alcohol is present may be conducted or co-sponsored with a charitable organization if the event is held within the provisions of this policy.
7. No chapter may co-sponsor, co-finance or attend or participate in a function at which alcohol is purchased by any of the host chapters, groups or organizations.
8. All recruitment or rush activities associated with any chapter will be non-alcoholic. No recruitment or rush activities associated with any chapter may be held at or in conjunction with a tavern or alcohol distributor as defined in this policy.
9. No member or pledge, associate/new member or novice, shall permit, tolerate, encourage or participate in "drinking games." The definition of drinking games includes but is not limited to the consumption of shots of alcohol, liquor or alcoholic beverages, the practice of consuming shots equating to one's age, "beer pong", "century club", "dares", or any other activity involving the consumption of alcohol which involves duress or encouragement related to the consumption of alcohol.
10. No alcohol shall be present at any pledge/associate member/new member/novice program, activity or ritual of the chapter. This includes but is not limited to activities associated with "bid night," "big brother-little brother" events or activities, / "big sister-little sister" events or activities, "family" events or activities and initiation.

HAZING

No chapter, colony, student or alumnus shall conduct nor condone hazing activities. Permission or approval by a person being hazed is not a defense. Hazing activities are defined as: "Any action taken or situation created, intentionally, whether on or off fraternity premises, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Such activities may include but are not limited to the following: use of alcohol; paddling in any form; creation of excessive fatigue; physical and psychological shocks; quests, treasure hunts, scavenger hunts, road trips or any other such activities carried on outside or inside of the confines of the chapter house; wearing of public apparel which is conspicuous and not normally in good taste; engaging in public stunts and buffoonery; morally degrading or humiliating games and activities; and any other activities which are not consistent with academic achievement, fraternal law, ritual or policy or the regulations and policies of the educational institution or applicable state law."

SEXUAL ABUSE AND HARASSMENT

The fraternity will not tolerate or condone any form of sexist or sexually abusive behavior on the part of its members, whether physical, mental or emotional. This is to include any actions, activities or events, whether on chapter premises or off-site location which are demeaning to women or men, including but not limited to verbal harassment, sexual assault by individuals or members acting together. The employment or use of strippers, exotic dancers or similar, whether professional or amateur, at a fraternity event as defined in this policy is prohibited.

FIRE, HEALTH AND SAFETY

1. All chapter houses should meet all local fire and health codes and standards.
2. All chapters should post by common phones and in other locations, emergency numbers for fire, police and ambulance and should have posted evacuation routes on the back of the door of each sleeping room.
3. All chapters should comply with engineering recommendations as reported by the insurance company or municipal authorities.
4. The possession and/or use of firearms or explosive or incendiary devices of any kind within the confines and premises of the chapter house is prohibited.
5. Candles should not be used in chapter houses or individual rooms except under controlled circumstances such as initiation.

EDUCATION

Each fraternity shall annually instruct its students and alumni/alumnae in the Risk Management Policy of FIPG, Inc. Additionally, all students and key volunteers shall annually receive a copy of the Risk Management Policy and a copy of the policy shall be available on the fraternity website.

THIRD PARTY VENDOR CRITERIA

THE VENDOR MUST:

1. Be properly licensed by the appropriate local and state authority. This may involve both a liquor license and a temporary license to sell on the premises where the function is to be held.
2. Be properly insured with a minimum of \$1,000,000 of general liability insurance, evidenced by a properly completed certificate of insurance prepared by the insurance provided.
3. The certificate of insurance must also show evidence that the vendor has, as a part of his/her insurance coverage, "off premises liquor liability coverage and non-owned and hired auto coverage."
4. Named insureds included on the certificate of insurance must as a

minimum include the local chapter hiring the vendor as well as the international fraternity with which the local chapter is affiliated.

THIRD PARTY VENDOR CRITERIA (continued)

5. Agree in writing to cash sales only, collected by the vendor during the function.
6. Assume in writing all the responsibilities that any other purveyor of alcoholic beverages would assume in the normal course of business, including but not limited to:
 - a. Checking identification cards upon entry;
 - b. Not serving minors;
 - c. Not serving individuals who appear to be intoxicated;
 - d. Maintaining absolute control of ALL alcoholic containers present;
 - e. Collecting all remaining alcohol at the end of a function (no excess alcohol – opened or unopened – is to be given, sold or furnished to the chapter);
 - f. Removing all alcohol from the premises.

POLICY GUIDELINES

ACCORDING TO FIGP

1. Closed parties (meaning those events with alcohol present) should have a guest list prepared at least 24 hours in advance. A ratio of two guests per member (or fire code capacity, whichever is smaller) is suggested.
2. “Non-alcoholic” keg beer is not permitted because it can contain up to .05 percent alcohol. Therefore, serving it would be a violation of our policy.

ACCORDING TO THE DELTA CHI RISK MANAGEMENT MANUAL

1. At chapter social events, signs should be posted that indicate the chapter complies with and enforces the laws and policies with respect to alcohol, illegal drugs, and controlled substances.
2. All persons present should not be allowed access to alcohol if they are intoxicated, regardless of age.
3. Alcohol should only be used as an adjunct to the event rather than its focus.
4. The use of alcohol on the premises should be stopped at least one hour before the end of the function.
5. Plenty of non-salty foods and non-alcoholic alternative beverages should be provided.
6. Adequate professional security should be provided to deal with uninvited guests and monitor any other potential problems.
7. Trained party monitors should be present to respond to situations. A ratio of one party monitor for every 20 attendees is suggested. Party monitors should agree to the following:
 - a. Not to consume alcohol, and remain sober for the duration of the event;
 - b. Make sure the party starts and ends on time and that the bar opens and closes on time;
 - c. Wear distinctive clothing to identify themselves at all times.
8. Buses, taxis, phone numbers, etc. should be provided for any event to promote the safe return of members and guests.
9. “Hard” liquor (alcohol rated by proof rather than percentage) should be prohibited from all parties. For “bring your own” parties, a six pack of beer (or the alcoholic equivalent), or less, per person is allowed.
10. Glass bottles of any sort should not be allowed. Restrict consumption of any beverages to cans and plastic cups.

CORRECTIVE ACTION LEVELS

What follows is a list of chapters that are on Corrective Action for violation of the Risk Management Policy as of October 1, 2010. That is not to say the chapters on

the following list are “bad” chapters. Likewise, it is unrealistic to assume that chapters that are not on this list are complying with every policy. The bottom line of this issue is that members of the Fraternity are engaging in dangerous activities and taking unnecessary risks with their future and the future of Delta Chi because they believe this will help fill voids where their needs are not being met. Whatever the case, the solution remains the same.

Each and every chapter needs

the involvement of mature alumni who can help the Fraternity’s student members discover that there are alternatives that can meet both their long and short-term needs. Finally, each and every member of Delta Chi needs to periodically reflect on Delta Chi’s values as contained in our Preamble: Promote Friendship, Develop Character, Advance Justice, and Assist in the Acquisition of a Sound Education.

Level 1 – Level 1 Corrective Action shall include, but is not limited to, ordering that the Chapter cease and desist from the conduct in the future and be in accordance with the requirements of Delta Chi Law and the Risk Management Policy of the Fraternity. The Chapter shall be required to submit to the Executive Director a written statement that all prohibited conduct has been stopped. The statement shall be signed by the “A”, “BB” and such other members of the Chapter, as specified in the report, who were involved with or had supervision over the conduct in the violation.

Level 2 – Level 2 Corrective Action shall include, but is not limited to, all provisions of Level 1, plus the Chapter shall submit a written plan of procedures and/or activities that comply with the Fraternity’s Risk Management Policy covering the activities in the violation. The plan shall be updated at least twice per year for the period of corrective action.

Level 3 – Level 3 Corrective Action shall include, but is not limited to, all provisions of Levels 1 and 2, plus supervision of the activities of the Chapter that were involved in the violation by a person or persons acceptable to the Executive Director.

Level 4 – Level 4 Corrective Action shall include, but is not limited to, all provisions of Levels 1, 2 and 3 plus the charter of the Chapter shall be suspended for the period of time of the corrective action. Chapters under Level 4 Corrective Action shall either be placed in conservatorship, as provided in Delta Chi Law, or shall operate under the direct supervision of the Executive Director.

Level 5 – Level 5 Corrective Action shall require the suspension of the charter and the cessation of operation of the Chapter as it then exists. Re-establishment of the Chapter shall be subject to the terms and conditions of the Board of Regents after a minimum one-year period.

What does it take to have a successful chapter?

How can we improve the experience of being a member of Delta Chi? What would it take for our chapter to truly be outstanding? Where should we look to begin?

When one examines the many functions within a fraternity chapter, one quickly learns that, often, many parts of 'fraternity' are interconnected. For instance, when one seeks to improve recruitment results, one quickly realizes that retention plays a key role in the overall effectiveness of recruitment. That is, if one only focuses on recruitment, the Chapter will not realize full potential due to a lack of equal attention to issues concerning member retention. To gain a clear understanding of chapter performance, Delta Chi is promoting a common language for fraternity operations, which we call our 'core competencies.' If you examine 'fraternity' as a whole, it is apparent that there are eight core areas of fraternity operations that are essential to the success of any chapter/colony.

Core Competencies

In 2011, the Fraternity restructured how we discuss chapter operations. The core competency model promotes the eight core functions of a successful chapter within which all aspects of chapter operations fall.

By design, the core competency model illustrates that fraternal issues are often interconnected. Because being "successful" doesn't just mean mastering one event or function of fraternity, this model views "success" as the collective efforts of fraternal action that achieve an intended outcome. This model will allow our organization to better assist our chapters through analyzing data to connect both holistic programming and specific resources to our members' needs.

We will promote the core competencies as a way for our chapters and colonies to build consistent, purposeful action leading to an improved fraternity experience over time. Our Chapter/Colony visitation reports have been updated to reflect this new approach. Colonies will now petition for chartering by showing their work in each of the eight areas. Our Awards & Recognition program also utilizes these core competencies to promote and recognize success.

The **ADVISING & GOVERNANCE** core competency promotes setting a solid foundation of procedures to ensure organizational sustainability. Governance serves as the framework for an effective, efficient values-based organization, while proper advising enables consistency and incremental growth.

The **ALUMNI RELATIONS** core competency promotes the development of a life-long member experience, which is enhanced through meaningful communication with alumni members and regular events and gatherings.

The **FINANCIAL MANAGEMENT** core competency promotes sound financial practices and policies within a chapter/colony and its membership. Through the implementation of financial best practices, members can develop sound financial habits for life. Strong financial management, while crucial to success, fades into the background as it enables other programming areas to truly shine.

The **HOUSING** core competency promotes maintaining an attractive and competitive living environment. Proper maintenance, attention to safety and cleanliness, and the function of the House Corporation are all instrumental to the success of a chapter's housing initiatives.

The **INVOLVEMENT** core competency promotes relevance through activities on campus and in the community. Great involvement is composed of a variety of activities and programs, including campus organizations, philanthropic contributions, community service initiatives, intramural participation, and more.

The **MANPOWER** core competency promotes strength through a balance of recruitment and retention of members. A greater manpower gives a chapter more resources to achieve its goals.

The **MEMBER EDUCATION** core competency promotes total member education. Member education initiatives include aspects of the new member program, leadership programming, and other programs throughout a member's undergraduate experience.

The **SCHOLARSHIP** core competency promotes the "acquisition of a sound education." Scholarship success is built on events and programming, sound membership standards, and goals.

DISTINGUISHED DELTA CHI AWARD

PAUL GIBLIN, Arizona '85

This award recognizes significant achievement in one's profession or outstanding civic service while upholding the values and ideals of the Fraternity. This year's recipient is:

Paul Giblin, a Pulitzer Prize-winning journalist, currently serves as a public affairs specialist for the Army in Kabul, Afghanistan. He is assigned to the U.S. Army Corps of Engineers and stationed at the Qalaa House compound, where he has served since November 2009.

Giblin, 48, travels across Afghanistan to report on the U.S. and coalition forces' reconstruction efforts in the war-torn country. He has written about an undercover investigation into a multi-million-dollar fraud case, anti-corruption efforts, terrorist attacks on reconstruction projects, programs to teach job skills to under-educated Afghan workers, and an effort to erect solar-powered streetlights in the capital city that has no electrical grid, among other topics.

Before joining the Army as a civilian employee, Giblin worked for more than 24 years as a reporter, columnist, editor and bureau chief for newspapers and other news organizations in Arizona, Hawaii and New Mexico. He also was a regular contributor to *The New York Times* from 2002 through 2009 and to *The Dallas Morning News* from 1993 through 2005, writing about Arizona topics.

Giblin worked in various capacities with the East Valley Tribune in metro Phoenix from January 1995 through January 2009. Giblin and fellow reporter Ryan Gabrielson produced a five-day investigative series that won the 2009 Pulitzer Prize for local reporting and the George Polk Award for justice reporting, among other national, regional and state awards. Giblin and Gabrielson spent six months examining Maricopa County Sheriff Joe Arpaio's illegal immigration enforcement operations and their resulting assault on U.S. civil rights and their costs to county taxpayers. They reviewed thousands of pages of public records and interviewed nearly 100 law enforcement officers, smugglers, U.S. senators, municipal officials, crime victims, statisticians and community leaders, among others. The FBI has since started its own investigation of the sheriff's operations.

HUMANITARIAN AWARD

This award recognizes Delta Chi members who, through their actions, exemplify the ideals of Delta Chi and promote the welfare of another person or persons.

JOEL C. GERSON, Abracadabra '11
for his involvement with the Sage Mentorship Project

Three years ago, Joel became a mentor for The Sage Mentorship Project, a small UC Berkeley student-run mentoring program created to eliminate the inequities in education and overall life opportunities for underprivileged children in the Berkeley and Oakland communities. The program began with a few mentors at one elementary school campus. Now, as President, Joel has transformed this small program into a non-profit organization, comprised of over

900 university student mentors and elementary school mentees, that offers services to ten elementary schools in Berkeley and Oakland. Joel was motivated to teach others what he learned from his invaluable experience as a mentor and thus each semester as President, speaks in front of the entire organization to remind its members that every person has the ability to make and keep a promise, to provide advice, and as a result breed confidence in the youth we mentor. In doing so, Joel hopes to perpetuate a mentality that every person has the innate ability to inspire others through words and enable his mentees to realize their own leadership potential.

SHEKA MANSARAY, Mankato '12
for his work to create 50Strong50Wise

Upon returning from a visit to his home country, Sierra Leone, Sheka Mansaray had a vision.

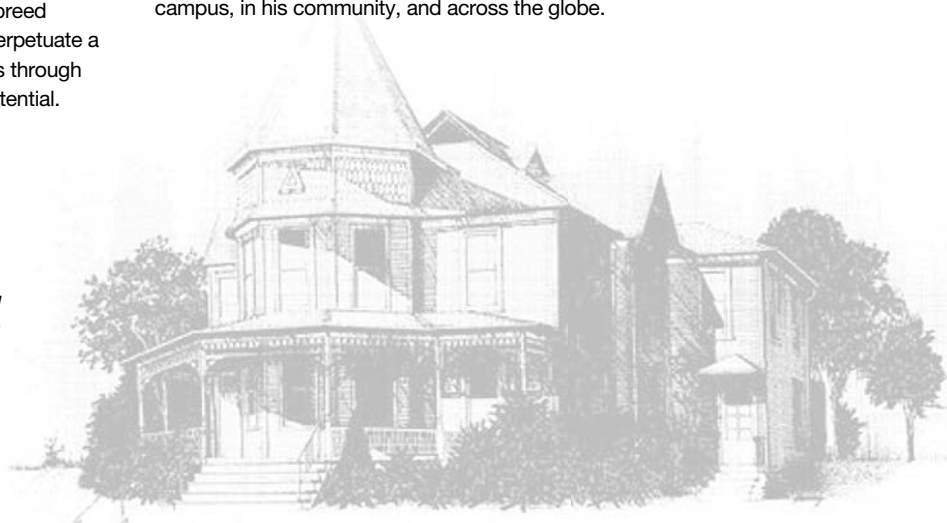

"I found out that a lot of students weren't being given proper education," Mansaray said. "Why not start a foundation that will bring these kids a better education? We'll pay for everything, and they can focus on their schoolwork."

Mansaray created "50Strong50Wise," a philanthropic organization set up to do just that: raise money to fund tuition, school uniforms, backpacks, and school supplies. He began by donating \$600 of his own money to sponsor a year of school for six students, and he worked towards achieving a vision of being able to sponsor 50 children. His work has been recognized on campus, in his community, and across the globe.

RICHARD N. MCKAIG OUTSTANDING GREEK PROFESSIONAL AWARD

The Richard N. McKaig Outstanding Greek Professional Award recognizes one student affairs professional each year for his or her exceptional service to the Greek Community.

SONJA JENSEN, Kappa Kappa Gamma
Colorado State University

VALOR AWARD

This award recognizes special acts of heroism on the part of any member of Delta Chi who puts his own life in peril. To qualify for this award, an individual must have rendered heroic service, well documented, above and beyond simply membership in the armed services of his country, where his actions place his own life in peril or potential peril while attempting to save the life of another.

BRIAN R. OLIGER, Indiana '98

for saving the life of another in the line of duty

IU Police Officer Brian Oliger was presented with a Certificate of Commendation for his work in the line of duty on February 18, 2011. That night, an attempt to locate a stolen vehicle led to Oliger and another officer in pursuit of an intoxicated driver, driving recklessly on the roads. In an attempt to escape, the driver

jumped into the frigid waters of an adjacent quarry upon stopping his vehicle. The driver cried for help as he was drowning, and Officer Oliger dove in and rescued the suspect so that he could be taken into custody.

DAVID BENTLEY, Albany '92

for rescuing another individual from a burning house

Lt. David Bentley, of the Fairfax County, VA Fire and Rescue Department, responded to a house fire on January 17, 2011 and discovered people trapped in the home. Bentley was able to find one male victim, who was not breathing at the time, and remove him from the burning home.

The victim ultimately made a full recovery after a long hospital visit. Immediately after rescuing the first victim, Bentley and others returned to the flames to search for additional people.

PFC JACOB GASSEN, Oshkosh '12

with merit, for service in the U.S. Army

In September 2009, Gassen joined the U.S. Army. His basic training was at Fort Benning, GA, and his AIT/Medic Training was at Fort Sam Houston, Texas. After training, Gassen was assigned to HHT, 1st Squadron, 61st Cavalry Regiment, 4th Brigade Combat Team, 101st Airborne Division at Ft. Campbell, KY. On November 29, 2010, Jacob Gassen was killed while serving his country in support of Operation Enduring Freedom in Afghanistan.

MATTHEW D. MASON, Northwest Missouri '98

for his bold service as a Navy Seal

Special Warfare Operator Chief Petty Officer (SEAL) Matthew D. Mason, died August 6, 2011 in Wardak, Afghanistan, of wounds suffered when his CH-47 Chinook helicopter crashed. He was assigned to an East Coast-based Naval Special Warfare unit. He enlisted in the United States Navy in October 1999. After graduating Recruit Training Command at Great Lakes, IL in June

2000, he reported to Basic Underwater Demolition/SEAL Training in Coronado, CA. After graduating BUD/S in January 2001, he reported to Naval Special Warfare Advanced Training in Coronado, CA and completed the training in June 2001. He then reported to a West Coast-based SEAL team in July 2001. In June 2006, he reported to his East Coast based SEAL Team. His awards include the Bronze Star (2), Purple Heart, Joint Service Commendation Medal with "V" device for valor, Navy and Marine Corps Achievement Commendation, Meritorious Unit Commendation, Good Conduct Medal (3), National Defense Service Medal, Afghanistan Campaign Medal, Iraq Campaign Medal, Global War on Terrorism Expeditionary Medal, Global War on Terrorism Medal, Sea Service Deployment Ribbon (6), Rifle Marksmanship Medal, and Pistol Marksmanship Medal.

OUTSTANDING CHAPTER PROGRAM

This award recognizes the exceptional programming created and implemented by our undergraduate chapters, colonies, and alumni chapters. A "program" can be any singular event or series of events planned by the chapter/colony, such as an alumni event, community service initiative, leadership program, new member education event, or scholarship program. This year's recipients are:

CORNELL'S RUN FOR ROB

Upon learning of Rob Jones '08 diagnosis of mediastinal B-cell lymphoma, a rather rare form of cancer, Cornell brothers took a step back and realized just how unpredictable life can be sometimes. Then, they took action in order to support Rob. Jeff Tissue '12 came up with the initial idea to host a 5k race. Wade Simmons '12 planned the event to be held at the Cornell Plantations. Registration for the race was \$5 per person and another \$10 for an optional t-shirt. Many gave above and beyond our entry fee, and we were able to donate \$1,000 to The V Foundation in Rob's name.

GEORGIA TECH'S RECRUITMENT SPEAKER SERIES

Recognizing that past recruitment efforts did not yield the Chapter the long-term results the brothers sought, they organized a recruitment speaker series for the benefit of all members. Brothers reached out to alumni in order to solicit possible presenters and to rebuild institutional knowledge with regards to recruitment. This had a direct, positive effect on the motivation level of brothers during spring recruitment and the Chapter's recruitment results.

PITTSBURGH'S SERVICE RETREAT

The Pittsburgh Chapter is able to host its retreats at one of two local YMCA camps through a partnership where it incorporates community service into its retreat agenda. Because the camps are far away from the city, members are able to focus on "fraternity" for the weekend, rather than email or Facebook.

SOUTH FLORIDA'S LEADERSHIP DEVELOPMENT DAY

Upon returning from the "A"s' Academy, South Florida's "A" was looking for a way to transfer all of his insights and passion to his brothers. Working with his executive board, he set up a day to discuss leadership, values, team building, and goal setting. Members synthesized action plans based on goals created during the retreat and also discussed the link between values and image on campus.

ALUMNI CHAPTER AWARDS

CHICAGO CUP

This award is named in honor of the first Delta Chi alumni chapter chartered in 1902 and is presented to an alumni chapter with overall outstanding programming and performance, strong membership and strength in all the individual and performance areas. This year's recipient is:

Los Angeles Area Alumni Chapter

THINK YOU KNOW IT ALL?

Delta Chi did not adopt letter designations for its officers until 1903.

At the advent of World War I, the governing body of Delta Chi held an emergency meeting at John J. Kuhn's bungalow on Long Island where the entire Board resigned their posts.

Delta Chi removed its "white clause" at the 1954 Biloxi, MS Convention.

Delta Chi has held Conventions at Glacier National Park and Yellowstone National Park.

Learn the full story in the Fraternity's comprehensive history book. Members will be able to enjoy this story-filled, picture-rich coffee table book in their homes and offices.

Pre-orders will be taken during summer 2012 and will be announced on Delta Chi's website.

Guy Nakamura '14 "E"

This fall we've been able to make great strides in many areas, ranging from academics to intramural sports, without spreading ourselves too thin. Holding the concept of 'community' very dear, we planned our first fall philanthropy event. "Tanksgiving" was a weeklong clothing drive and tank top sale, with proceeds benefitting The V Foundation. The event proved to be a success, raising awareness throughout the Greek community. We maintained our academic position, earning the highest GPA on campus, and brought home three intramural sports championships. We're looking forward to the spring, so we can continue our efforts to be an important presence here on campus.

Alabama

Joseph Ritchie '14 "E"

This fall we welcomed a new house mother, who is helping our chapter improve and also assisting us in finding new furniture for the house. We are proud to initiate 34 men from the fall semester. Our former "B" was elected Vice President of IFC, and one brother also won a championship belt in a campus-wide boxing tournament.

Alberta

Bryan Tran '14 "E"

Brothers decked out as cowboys for Pi Beta Phi's "Speed Read."

This fall, we raised \$905 for The V Foundation in our commitment to support cancer research. We also attended Pi Beta Phi's "Speed Read" and "Greek God and Goddess" events and hosted our "Teaching Excellence Award (TEA) Night." We've continued to have a positive reputation on campus, because our members hold positions on IFC and other student organizations. We welcomed four men as brothers this fall and are excited at the potential for growth this spring.

American

Danyel Sages '12 "A"

Brothers at our 20th Anniversary Celebration.

With the help of the AU Department of Sustainability, Davis Borroughs '13 led a successful community trash cleanup. We teamed up with Alpha Chi Omega to host a philanthropy event to benefit the Leukemia & Lymphoma Society and raised over \$2,000. The event, "Play 4 Life," featured DJs in the D.C. area performing in front of hundreds of AU students. In October, we also welcomed many alumni, young and old, back to campus for our annual flag football game during Alumni Weekend. The hard work of our scholarship chairmen, Danyel Sages '12 and David Park '12, and our members has paid off, as we've risen from 5th place to 2nd place academically among fraternities on campus.

Appalachian State

Craig Kasek '12 "E"

Our brothers are proud of the three awards we won from Delta Chi (see page 24). This fall, we raised over \$650 for The V Foundation with our annual "Quarters for Cancer" event. This spring, we're looking forward to our annual Byron Cherry Golf Invitational and also celebrating our 25th anniversary as a chapter.

Our annual "Quarters For Cancer" Philanthropy event.

Arizona

Trace Woods '12 "E"

We've elected a new executive board and are looking forward to initiating our new members from fall 2011 in the beginning of the spring semester. We're planning to be extremely involved in intramurals and philanthropy events. Last semester, we placed third in intramural flag football. We'll be planning a charity event to honor our brother Anthony Andrighetto, with proceeds benefitting The V Foundation.

Arizona State

Brian Kincaid '12 "E"

Brothers at an AIDS Walk event.

This fall, our chapter mourned the loss of one of our brothers, Tyler Webster, who was shot and killed. The assailant has been identified, and he is awaiting his final sentencing. We're doing our best to move forward, while honoring his life through a benefit car wash and holding a remembrance ceremony for his 19th birthday.

This semester, we also held our first Alumni Homecoming in many years. Over 30 alumni returned to Tempe for the weekend. We also focused on our commitment to The V Foundation. Brothers worked together to help host a Chevrolet Motors event, which raised money for The V Foundation. In addition, we also helped in a fundraiser to support the abolishment of slavery in third world countries.

Our brothers learned far more than motivation, management, or facilitation skills this fall. We stood strong, helped each other, and came out stronger together than we ever could have on our own.

Auburn

Ben Dixon '13 "E"

This fall, our brothers worked to improve our chapter in a number of areas. Our flag football team held regularly scheduled practices and prepared for each game, which helped us win the division championship for the first time in almost a decade. We saw a higher number of alumni visit for our annual tailgate. During another game, we invited parents to visit our house for a tour. We recently also finished work on our upstairs bedrooms, with each room receiving new doors, carpeting, and paint. We now have 24 brothers living in house! These efforts have gone a long way towards improving the state of both our house and chapter, and we're excited to see many of our long-term goals become reality.

Augusta

Andrew Buchholtz '13 "E"

We participated in a variety of events this fall. We won "Breast Man on Campus," an event with proceeds benefitting breast cancer research. We also won "Mr. Greek ASU," Greek Lip-Sync, Greek Games, and our annual football game versus the Alpha Sigs. We also participated in numerous philanthropic events with sororities on campus and volunteered at Arts in the Heart of Augusta.

Behrend

Ayodele Osibodu '13 "E"

Brothers at our annual Pig Roast rush event.

This semester, we hosted two events. First, we raised money for the local animal adoption shelter at "Pucks and Paws" by selling raffle tickets, selling t-shirts, and collecting donations. Second, we helped organize an annual free dinner for the community at a local church in honor of Martin Luther King, Jr.

Binghamton

Sean Pabon '13 "E"

This fall, we welcomed seven men into our chapter. David Ferrari '12 placed third in the annual "Mr. Greek God" competition. We raised several hundred dollars worth of toys during our Christmas toy drive. We also made the playoffs in tackle football, flag football, and soccer.

Bowling Green

Jeff Williams '13 "E"

Brothers and associate members pose for a photo in front of Williams Hall.

This fall, we welcomed 22 men into our brotherhood and are excited to continue our successful recruitment efforts. We enjoyed the company of our brothers who were able to return during Homecoming, and we're working hard to prepare for our 10th anniversary in the spring. We also hosted two events to benefit The V Foundation, "Basketball on the Run" and "Battle of the Sexes," and have contributed \$350 to cancer research.

Bryant

Joe Castrogiovanni '14 "E"

Over the summer, many brothers attended our 4th annual Daniel Joyce Memorial Golf Tournament to support our late brother's family. During the University's Family Weekend we hosted a barbeque for our brothers' families. A majority of our brothers were also present for Rosa's Pursuit for Hope, a cancer benefit hosted by Michael Botaish '09 and his family. Our alumni event in Providence raised money for The V Foundation. James Mandeville '14 was elected to the IFC Executive Board. Daniel Waugh '12 and Josh Reynolds '13 were elected President and Vice President of Order of Omega, respectively. Our chapter also received an award for Non-Academic Student Conduct.

California University – PA

Steven Singer '12 "A"

We've worked to increase our presence on campus through planning more activities and being more visible in the student union. We initiated two men this fall and are looking forward to a strong recruitment effort in the spring. We hosted "Pie-A-Chi" and a Sit-A-Thon to raise funds for The V Foundation. We also worked to raise funds for the family of a member of Phi Sigma Sigma who was diagnosed with lymphoma. Brian Lane '11 hosted a campus-wide call to action for the "It Gets Better" Project, which focuses on sending a positive message to LGBT youth who are bullied or harassed. We have also begun helping out at the California Borough Food Pantry and plan to continue our efforts here at least once each month. This spring, we hope to continue our involvement in our own and others' philanthropic events and causes.

Cal Poly Trent Mendonca '13 "E"

Three brothers participated in Movember, an event in November that raises money and awareness for men's health issues by asking participants to fashion their finest mustache or facial hair. Kasey Geist '12, Riley Kuhn '14, and Trent Mendonca '13 grew their best "Mo's," and Trent represented Delta Chi in the all-Greek competition, ultimately bringing home third place. He also placed second in the amount of funds raised and first for best costume and mustache combination. Many brothers are looking forward to growing mustaches for next year's event.

**Case Western Reserve Colony**

Jonathan Shorter '10 "E"

Sidi Huang '14, John Avellano '13, and Emmanuel Tavares '13 at our Founders' Day dinner.

This fall, we welcomed 14 men as brothers in the Colony. We had a wonderful time celebrating Founders' Day with many Cleveland-area alumni at a local steakhouse. Besides participating in ten Greek philanthropic events, intramural sports, and completing various community service projects, we also co-hosted a campus-wide etiquette dinner with the help of the women of Delta Gamma. We ended the semester by submitting the first draft of our chartering petition!

Central Michigan

Keith Roberts '13 "E"

Brothers pose for a photo on campus.

During Homecoming, we hosted a Car Smash philanthropy during our game versus Eastern Michigan. The car was painted with EMU's colors, and students were able to pay for a swing at the vehicle. The car itself was donated by Casey Smith '10, who has recently started a non-profit organization called Cleat Repeat to provide sporting equipment to underprivileged youth and teens. In total, we raised \$500 for The V Foundation.

Central Missouri

Ben Svatos '13 "E"

This fall we celebrated our 40th anniversary, performed well in our intramural sports competitions, and were competitive during Homecoming. Our 40th anniversary dinner was a huge success, with many alumni coming back to visit, including some who hadn't been back since they graduated. Dr. Ambrose, President of UCM, attended the dinner and showed tremendous support to our chapter. That same weekend, we brought home the individual and team bowling trophies during Homecoming. Our softball teams both made it to the playoffs, and our soccer team finished in third place. We're currently planning for our next alumni weekend in April and hope more alumni will be able to make the trip back to Warrensburg!

Cincinnati Colony

Benjamin Carter '13 "E"

We're working towards our fundraising goal for The V Foundation and have held our first "Coneys for a Cure" event, where we sold homemade coney dogs out of the window of our house. We also held our annual associate member etiquette dinner with the women of Pi Beta Phi. Nathan Davis '12 was also selected to become a member of Order of Omega during Kappa Alpha Theta's "Mr. University" pageant. At this event, Andrew Boughan '15 also won the "Mr. Congeniality" award.

Brothers posing for a photo after putting up holiday decorations.

Clemson

Doug Margison '14 "E"

We brought in Tayyib Ali for one of our recruitment events to kick off the semester. In October, we held our annual semi-formal weekend. Later that month, we invited many alumni back to enjoy Clemson's victory over Boston College. We were also able to enjoy a weekend away from everything in the mountains of Tennessee. Matt Reiss '13 was elected Vice President of IFC, and our chapter earned a \$500 prize for boasting the largest GPA increase of any IFC fraternity. At Zeta Beta Tau's fall charity, Doug Winkowski '13 placed second with his rendition of Atlantic City. We also maintained our section of Highway 123 in Clemson throughout the semester. Also, our Parents' Weekend was the most successful to date. Despite all of the great things we've experienced this fall, we are all mourning the loss of Ryan Engelke '12, who passed away while we were away in Tennessee. All of our brothers contributed to a remembrance ceremony the following Tuesday.

Coastal Carolina

Shane Wines '11 "E"

Brothers pose for a photo after fall initiation.

During Homecoming, we saw 21 brothers return for the weekend. Some alumni have begun a voluntary donation program, donating a small portion of their paychecks every two weeks. For the second year in a row, our chapter won the Homecoming competition. This year, we brought home first place at four of five events, including the talent show. We appeared in the finals of the flag football and soccer leagues. We also welcomed 13 associate members as brothers this semester. Finally, our fundraising efforts netted us over \$1,000.

Cornell John Scrugham '13 "E"

In May, our brothers began a project to digitize our chapter's historical archives, currently located in the Kroch Library of Rare Manuscripts. We are proud to present a large collection of materials available on our website so that all Delta Chi members can have instant access to our chapter's historical materials that have been boxed up in library storage for years.

Colorado State

The Colorado State Chapter voted to cease operations on August 26, 2011. Please contact Justin Sherman, justins@deltachi.org, with any questions.

Corpus Christi

Matt Kloss '13 "E"

Chapter Members enjoying dinner the night before fall initiation.

This fall, we welcomed five men into our brotherhood. We raised over \$1,800 for The V Foundation during our "Don't Drop the Ball" fundraiser. We've also begun an Adopt-A-Highway program to help clean up our community.

Cortland John Furcht '13 "E"

We raised over \$2,000 for The V Foundation from our annual Homecoming Queen race, from the Mayor of Cortland, and from our "Dine to Donate" event at Applebee's. For community service, we assisted in building a house with Habitat for Humanity, cleaned up a local park, and participated in "Safe Halloween" at the local YMCA. During our work with Habitat, we met Susan Feiszli. She appreciated our work ethic and offered us a job planning a September 11th memorial. We were grateful for the opportunity and donated the proceeds to The V Foundation. At the "Safe Halloween," we ran a "Pie Delta Chi" booth for the children, which put big smiles on their faces. We also participated in numerous blood drives and the annual "Pumpkinfest," where our brothers helped with a tractor hay ride. Our service and philanthropy work has actually opened up opportunities for us that we've never had before.

In April, we'll celebrate our 5th anniversary as a chapter and intend to host a banquet at a country club. Our connection with our alumni is growing for our young chapter, as we've set up a Facebook group, and we have every alumnus from our chapter in the group. Through this, our alumni have set up a donation system to support our chapter, for which we're very grateful.

Davis

James Fazzio '12 "E"

To raise money for The V Foundation, we hosted a pancake breakfast and various other events throughout the fall semester. In November and December, we hosted our 5th annual Toys for Tots drive where student organizations, local businesses and Greeks contributed toys to be collected by the Marines and distributed to underprivileged children in the community.

Denison

Colin Baker '12 "E"

We hosted our annual "Rock Beats Cancer" philanthropy and also our first annual Carnival for Cancer Research event. We held the carnival as the culminating event during Denison's Greek Week. We also participated in Delta Gamma's Anchor Splash and hosted our first Parents' Weekend, which consisted of a formal dinner, golf tournament, and Sunday brunch. We made it to the semifinals for intramural softball and were the number one seed in flag football. We'll be looking forward to defending our basketball championship this winter.

Duquesne

Toland Lam '13 "E"

This fall, Tom Horowitz, Retiring "AA", presented our President's Cup. Our brothers are very excited that our upcoming Convention will be in our very own Steel City.

East Carolina

Jonathan Colbert '13 "E"

In December, we held our 3rd annual Holiday Skate event, with proceeds benefiting The V Foundation and Give 2 the Troops. The event typically consists of an open skating rink, shootout competition, catered food, and raffles for baskets. This year, we added a three-layer cake, with Delta Chi on the first, The V Foundation on the second, and Give 2 the Troops on the third.

Eastern Washington Colony

Chris Lulay '15 "E"

This fall, we were approved to charter and are planning our chartering banquet for the spring 2012 quarter. On Halloween, we went trick-or-treating for canned food and collected over 1,000 cans for the Second Harvest Food Bank.

East Stroudsburg

Joseph Kelly '12 "E"

We raised over \$400 for The V Foundation during our "Dunk for a Cure" and "Pie a Chi" events. We also received recognition in our local newspaper for our street cleanup efforts. We initiated five men and are actively planning for our spring recruitment effort. We'd also like to thank all of our alumni who made the trip back for Homecoming, and we'd like to welcome Scott Markowitz '09 as our new "BB".

Eastern Illinois Colony

Jeffrey Hammersmith '12 "E"

We initiated ten men this fall and have been working hard to re-establish our presence on campus. Our members have been recruiting men who are committed to setting a standard of excellence and leadership within the Greek community. We hosted a Paper Airplane Challenge on campus, where students could make a paper airplane and compete for a daily prize. Over 400 students participated. We accepted voluntary donations for The V Foundation from both students and faculty throughout the event and raised over \$100.

Embry-Riddle

Steve Moshinski '13 "E"

We'd like to thank our alumni who helped with our fall retreat, which helped us prepare for a successful fall recruitment effort. We welcomed twenty men as brothers this fall, which will hopefully bring us another step closer to a new house. We also raised over \$3,000 for our House Corporation and Formal by working Jacksonville Jaguars, Florida, and Georgia games. Our flag football team went undefeated into the playoffs. Due to injuries, we had to team up with Lambda Chi Alpha to have enough players. Our combined team won the championship. Finally, we're looking forward to our 40th anniversary this spring. We're planning to hold an alumni initiation ceremony and a campus tour for all who are able to make it back.

Florida Jesse Goodrich '13 "E"

We paired with Alpha Chi Omega for homecoming this semester. During Homecoming, Don Turk '68 was elected as our new House Corporation President. We've recently added a bronze Coat of Arms by the front entrance of the house, repainted the hallways, and have added to the chapter room. Many brothers gave encouraging speeches, including Congressman John Mica '67, Russ Driscoll '57, John Pare '91, Fred Leonhardt '71, Don Turk '68, Young-Ki Chang '06, and Daniel Thompson '10. John Rausch '14 was elected as a Student Government Senator, the first since our return to campus in 2006. Wes Dickerson '14 also serves as the Director of Cabinet of Involvement and Services for Student Government. Adam Wright '12, Jake Van Hise '12, Marc Nevins '12, Patrick Johnson '13, Charbel Raad '13, David Mussat '14, Mike Urquhart '14, and Ian Gardner '14 will serve as captains for UF's Dance Marathon this year. We also hosted our annual family weekend during the UF-USC football game this fall. We held a BBQ, prepared by our chef and our house director Paige Fennell at the house during the game. Go Gators!

Alumni at the Rosen Plaza in Orlando during the All Florida Founders' Day Celebration.

Brothers and Alumni join together for our fall retreat.

Florida State Colony

Benjamin Keown '13 "E"

This fall marked our first year participating in Homecoming, and we're excited to announce that we brought home first place with help from the Lady Spirit Hunters and Theta Alpha Sorority. Jake Poteat '13 will serve on the Overall Committee for Dance Marathon. Andrew Kratzer, Jr. was also named Alpha Gamma Delta's "Alpha Gam Man."

Fredonia

Luke Reger '12 "E"

This fall, we volunteered at "A Day for the Kids" at the Boys and Girls Club, collected food for a local food bank during "Operation Breakfast Rescue," and helped children complete craft projects during "Miracle on Main Street." We hosted our third annual "Miss Delta Chi" Beauty Pageant, with all proceeds going to The V Foundation. We also celebrated our 20th anniversary with over 100 brothers attending.

Frostburg

The Frostburg Chapter closed on August 13, 2011 following hazing allegations and a Level V Corrective Action sanction. Please contact Justin Sherman, justins@deltachi.org, with any questions.

Fullerton Scott Carlson '12 "E"

Along with the women of Sigma Kappa and Zeta Tau Alpha, our brothers and alumni volunteered at a local soup kitchen this fall. We also made some significant improvements to our house, including painting the interior of the house, doors, and kitchen. We also repaved our backyard, adding a basketball hoop, ping pong table, and pool table. Our chapter has also made scholarship a priority and has earned the highest GPA among fraternities on campus. Finally, we'd like to thank Chris Struckhoff '11 for his recent generous donation of \$2,000 to our chapter.

Brothers and friends volunteering at a local food bank.

Gannon

Nick Limano '15 "B"

Brothers pose for a photo after their 2nd annual Jimmy V Memorial Volleyball Tournament.

This fall, we hosted our second annual Jimmy V Volleyball Tournament at our volleyball court. We also won Greek Week and Greek Field Day. We participated in GIVE Day, a campus-wide event to help around Erie. We also volunteered at the Women's Only Expo and at Abington Crest Rehabilitation Home. Academically, we earned the second highest GPA among fraternities, well above the all-men's average. Our associate members also boasted the top GPA of any fraternity new member class.

George Mason

Lake Smith '12 "E"

We initiated seven new members this fall. During our sorority serenade, our newly initiated brothers put on an amazing performance for Zeta Tau Alpha and Gamma Phi Beta.

Georgia Southern

Brian Butler '14 "E"

In addition to initiating 11 men this fall, we also added a fence and fire pit to our backyard. We raised several hundred dollars for Jeffrey's Voice, our local philanthropy. We participated in Kappa Delta's "War of the Wings" and Alpha Delta Pi's "Pop Tab Pandemonium." We are also grateful for the alumni who made the trip back to see Georgia Southern beat Citadel during our Homecoming weekend.

Georgia Tech

Dan Manning '12 "E"

We kicked off the semester by welcoming 21 men as associate members. During Homecoming, our brothers worked together to bring home first place. We hosted our annual "Wreck the Deck" social and also had brothers from the Kennesaw Chapter visit one weekend.

Gorham State

Brennan Parker '13 "E"

Throughout the fall semester, our brothers volunteered with weekly leaf and lawn cleanups at 25 locations in Portland to assist our community's TRIAD. We also participated in intramural dodgeball, basketball, and flag football.

Hamilton

Ren Stern '13 "A"

In October, we celebrated a very special and important moment that was our chartering banquet. (For more information on Hamilton's chartering banquet, see pages 16-17). The hard work and dedication of our members finally culminated in us receiving our charter. Our new member class challenged the most popular dance team on campus to a friendly dance-off, bringing together many on our campus. We also hosted a family barbecue in order for our parents to see the hard work our members were putting into the fraternity over the last four years.

Hayward

Ben Hill '12 "A"

Our group of new members this fall doubled our chapter size. Our annual Turkey Bowl with our alumni was a huge success.

Hobart

Nathan Ginnetty '12 "E"

At our Founders' Day Formal, we put on display some of our chapter's historical items, including our earliest composite (from 1949), our original charter (1948), and our Founders' paddle (1948).

Hofstra

Matt Mangano '13 "E"

This fall we hosted our annual "Miss Hofstra" Beauty Pageant, with all proceeds benefiting The V Foundation.

Huntsville

Keith Lowe '10 "E"

We began the semester with 17 men and welcomed 14 new men as associate members in the chapter, our largest associate member class since 2008. We held creative new recruitment events, such as "Chi-Dye" – where people were invited to tie-dye this year's recruitment shirt. We also held weekly meetings to aid our ongoing recruitment effort. We celebrated Founders' Day at the St. Stephen's Episcopal Church and also assisted with the church's Octoberfest-themed fundraiser.

Idaho

Steven Day '12 "E"

We set lofty goals this fall. Our scholarship plan has assisted us in raising our GPA over a third of a point since last semester. Beyond that, we also wanted to focus more on philanthropy and service. This fall, we hosted a highway cleanup, carved pumpkins with a class of first grade students at Moscow Elementary, and participated in the Moscow Harvest Festival. We brought home first place in Alpha Gamma Delta's dodgeball tournament. In intramurals, we won swimming, billiards, and dodgeball. We also made the playoffs in football, soccer, and floor hockey.

Illinois

Max Russell '13 "E"

During ESPN's "Jimmy V Week," we hosted our annual "Ice Out for Cancer Research." For this event, we rented out Champaign's local ice rink, and attendees donated \$5 to The V Foundation to attend, which included skate rental, pizza, hot chocolate, lemonade, and our excellent company. We were able to contribute \$350 to The V Foundation after expenses from our event. We also contributed \$400 to the American Cancer Society in support of one brother who ran in the Chicago Marathon.

Illinois State

Sean Palmer '11 "E"

Before the fall semester began, we hosted a golf outing in Homer Glen, IL. With over 40 alumni in attendance, the event raised \$1,500 for undergraduate scholarships. Our successful recruitment efforts allowed us to initiate 25 men into our chapter this fall. During Homecoming, we welcomed our alumni into our new house and raffled off a new set of golf clubs to raise money for new furniture for the house. We're already planning for our next Homecoming Weekend, which will occur on October 6, 2012. We also formed a Parents' Club and hosted an event with the club in November.

Indiana

Dylan Dale '14 "E"

Brothers pose for a photo during Dance Marathon.

We raised more than \$18,000 and contributed over 500 hours of service through our participation in IU's Dance Marathon. Twenty-six brothers participated in the event, taking turns for 17-hour shifts of dancing to support Riley's Children's Hospital.

Iowa

Drew Davis '13 "E"

This fall, we initiated 25 new members, our largest new member class in quite some time. As we experience our 99th consecutive year on campus, we're actively preparing for our 100th anniversary next fall. We're also proud of our chapter GPA, which has risen to over 3.0.

Jacksonville State

Christopher Brown '14 "E"

In addition to initiating 12 men this fall, we also participated in many community service events, including donating toys and gifts for Toys for Tots, sponsoring a needy child for Christmas, and cleaning a mile-long stretch of Highway 21. With the help of the women of Alpha Omicron Pi, we also brought home the Homecoming Float and Banner Awards for the fifth consecutive year.

James Madison

Brothers after their first flag football championship.

We extended bids to 22 men this fall and saw 31 alumni return for Homecoming Weekend. We won our first flag football intramural championship. In November, we held our 8th annual pig roast, which brought numerous parents and alumni to campus. We participated in several community service events, including Big Brothers Big Sisters, tutoring in local elementary schools, and participation in our local charity "DR100." We've also worked to plan a week-long philanthropy event to benefit The V Foundation, which we will unveil in the spring. On November 10, 2011, we also celebrated our 10th anniversary as a chapter.

Johnstown

Kevin McDonald '13 "E"

Brothers during our annual Pig Roast.

During Homecoming, we procured a 180 lb. pig for our 39th annual Pig Roast. Alumni, parents, friends, campus police, faculty, staff, and Greek community members enjoyed our roast and company. This spring, we're looking forward to bringing home our tenth Greek Week trophy.

Kansas

Josh Rothschild '14 "E"

Brothers enjoy a spring day in Lawrence.

We welcomed 25 men into our bond as brothers this fall. During Homecoming, we placed second out of 22 competing chapters. We were also able to raise almost \$20,000 for our annual "Harvest Week" philanthropy event. During "Rock Chalk Revue," we teamed up with Gamma Phi Beta to raise \$2,500 for the event. In addition to these events and accomplishments, we've also worked hard to improve our grades, participate in more philanthropy events and stay in contact with more alumni. ROCK CHALK!

Kansas State Colony

Rhett Jones '13 "E"

This fall, we focused on developing a new event on campus to raise money and awareness for The V Foundation. Our shoot-out competition was held for a week from 10 A.M. to 2 P.M. in the Student Union. Students participated by donating \$1 or more. We also organized a raffle for The V Foundation with basketball and football tickets as prizes as part of the event. We're still selling additional bracelets to raise awareness and additional funds.

Kennesaw

Charles Duvall '13 "E"

Brothers with Phi Mu after our Miss Delta Chi Pageant.

This fall saw our largest associate member class in our chapter's history: 24 new members. We participated in an Adopt-a-Mile program where we cleaned up a mile of highway by our campus. We also hosted a very successful "Miss Delta Chi" Pageant, with all proceeds benefiting The V Foundation.

Kettering-A

Nate Irish '13 "E"

Brothers show off their new sign.

During our summer break, with the help of the Kettering-B Chapter and alumni from both chapters, we participated in a housing service project in order to implement ideas and improve our shared house. The two-day project included painting, landscaping, and cleaning. Our hope is to make this event an annual tradition. During our summer term, our brothers stayed involved in our community by volunteering at the local soup kitchen as well as handing out food to runners at Flint's CRIM Festival of Races. We also initiated our largest summer class and welcomed nine men as associate members this fall.

Kettering-B

Douglas Dinwiddie '13 "E"

We welcomed seven men into our brotherhood this fall and are looking forward to continued growth in the future. Our new philanthropic event, a sock drive, went very well, and we look forward to making it an annual event.

L.S.U.

Jared Mathews '12 "E"

Our second annual Earthball philanthropy event went extremely well. We also participated in "Take Back the Night," an annual candlelight march organized by the University's Women's Center to raise awareness of acts of violence against women. Finally, we're all looking forward to moving into our new house this spring and solidifying our presence on campus!

Lake Forest

Jospeh Randol '12 "E"

Brothers pose for a photo with "Steve VII" during our annual Homecoming tailgate.

This fall, we supported our fellow Greeks by participating in various philanthropic events on campus, welcomed alumni back during Homecoming, and welcomed two men into our brotherhood. We hosted a clothing drive that was very successful, and our fourth annual "Miss Jimmy V" Beauty Pageant & Talent Show raised over \$1,000 for The V Foundation. We're currently planning for two events in the spring, a date auction for The V Foundation and a book drive to benefit a Chicago public high school that is working to build a library for its students.

Lehigh

Matt Mitchell '13 "E"

In October, we organized an intellectual brotherhood trip to New York City. Brothers visited the Intrepid Air and Space Museum and Zucotti Park to witness the Occupy protest. Afterwards, our Scholarship Chairman entertained discussions about the current events related to the Occupy movement.

Livingston

Wesley Bolling '13 "E"

We welcomed five men as associate members this fall. Our first major event for The V Foundation, Earth Ball, went very well, and we're looking forward to making it an annual event. Some of our brothers, along with the men of Tau Kappa Epsilon, worked at the Sumter County Fine Arts Dinner. We also supported the West Alabama Tigers by attending each game this fall while the team made the playoffs. Since receiving our charter, our brothers strived to continue working to make Delta Chi the best it can be. To read more about Livingston's Chartering Banquet, see page 16-17.

Long Beach

John Marino '12 "E"

Our 2nd annual Del Tiki Dance-Off raised a total of \$1,750 for The V Foundation, surpassing last years' event and even our goal for this year. We also initiated 13 men this fall and surpassed all other fraternity chapters on campus in the Standard of Excellence points.

Louisiana Tech

Christopher Berry '14 "E"

Brothers during our Pathway Brick Ceremony for our outstanding chapter supporters.

Our manpower grew by 25 percent after initiating our new member class this winter. We'll be hosting the Regional Leadership Conference again this spring. We're also planning for our annual home run derby event for The V Foundation. Lastly, we'll host our annual crawfish boil and pig roast late in the spring.

Mankato

Jacob Moe '14 "A"

Brothers at our annual "Docks" fundraiser.

This fall we experienced significant growth as we initiated nine new members in November. We put more focus into raising money for The V Foundation and participating in philanthropic events. During Homecoming, we teamed up with Sigma Sigma Sigma and brought home second place. With Sigma Sigma Sigma, we also won the intramural flag football co-ed division championship.

Marquette

Sean Cottini '12 "E"

Our brothers have been volunteering at the St. Hyacinth Food Pantry and have also participated in the Adopt-A-Highway program. Some brothers participated in November, raising over \$400 for the organization. Conner Doyle '14 and Kyere Lenton '14 were recently elected as officers on IFC.

Marshall

Wesley Jordan '11 "E"

Our second annual spaghetti dinner, organized by Marty Emerson, raised over \$500 for The V Foundation. Our members also volunteered for a marathon race, handing out water and giving directions to participants. We're also proud that our members are earning one of the highest GPAs of fraternities on campus.

Maryland

Max Eichner '14 "E"

Our Delta Chi Movers philanthropy was an overwhelming success again, raising thousands of dollars for The V Foundation. During Homecoming, alumni of all ages returned to campus for the football game and alumni reception at our house. Our campus sponsored a "Greek Greek" challenge, where we took 3rd place by closely monitoring our electricity and water usage for a month.

Massachusetts Colony

Stephen Zipp '12 "E"

Brothers and alumni pose for a photo after initiation.

Our associate member class of nine men this fall was the largest group of new members since our re-founding in 2008. During Homecoming, many alumni from different decades returned to campus to visit with each other and our members. We held a brotherhood paintball outing and also participated in UDance, which raised nearly \$20,000 from all the Greeks on campus.

Miami

Austin Powell '12 "E"

This fall, we reformed our Alumni Board of Trustees and have found a new Faculty Advisor to serve as a liaison between our chapter and the University. We're hard at work preparing for winter recruitment so that we can build upon last year's successes.

Michigan

Ari Kaye '13 "E"

We've been focused on making a concerted effort to raise funds for The V Foundation this fall. During each football game, we've sold hot dogs and hamburgers. Over Halloween weekend, we held a pumpkin-carving contest. Participants brought pumpkins and carved them at our house. Three alumni judges chose winners based on originality, execution, and overall quality. The event was great fun and a unique addition to the events on our campus.

Michigan State

Brendan Hanley '13 "E"

We participated in Sigma Kappa's dodgeball tournament, Zeta Tau Alpha's Yogurt Case Race, and Alpha Chi Omega's "Pie an Alpha Chi." Our intramural football team brought home second place. We're looking forward to teaming up with Sigma Kappa and Sigma Phi Epsilon for Greek Week. We're also looking forward to our alumni golf outing in the spring.

Missouri James Grundy '13 "E"

This fall, we welcomed 18 men into our brotherhood. We also brought home first place in the talent competition and house decorations challenge during Missouri's Centennial Homecoming with the help of Sigma Sigma Sigma and Alpha Epsilon Pi. We participated in Delta Delta Delta's "Triple Play" softball tournament and Alpha Chi Omega's "Dodge Domestic Violence" dodgeball tournament. We hosted a fundraiser at Red Mango, where the proceeds from frozen yogurt sales were donated to The V Foundation. Our members also cleaned up our "Adopt-A-Highway" stretch of I-70 and volunteered at the Columbia Second Chance Animal Shelter. In intramurals, our football team made it to the Greek League playoffs, and our soccer team went undefeated. Xavier Billingsley '13 was elected Missouri Student Association Student Body President. Sean Flanagan '13 served on the Homecoming Steering Committee. Additionally, James Grundy '13 was hired as the official play-by-play broadcaster for women's volleyball on the Mizzou Network, and he was joined by Matthew Rocchio '13, who added color commentary.

Minnesota

Christopher Gaffney '12 "E"

With our fall initiation, our chapter size is the largest it has been since our founding in 1892. With more brothers living in the house, we have the ability to fund house improvement projects. We're also looking forward to hosting the Region IV RLC this spring.

Missouri State

William Ulbricht '11 "E"

Our "A" was elected incoming IFC President.

Montclair

Rory Kane '12 "E"

We've been utilizing Facebook to improve communication with our alumni. We've seen an improvement in attendance at events and a more constant connection with our members.

Montevallo

The Montevallo Chapter closed on February 1, 2012 following hazing allegations and a Level V Corrective Action sanction. Please contact Justin Sherman, justins@deltachi.org, with any questions.

North Alabama

Robert Bailey '12 "E"

We went on our annual back-to-school kayaking trip to kick off the fall semester. Our flag football team went 5-0 this season, and we also participated in a step show that benefited United Way of North Alabama. Our Zombie Walk raised several hundred dollars for The V Foundation as well. We'll also be redoing our yard in preparation for our spring recruitment effort.

Northern Arizona

Nelson Johnson '11 "E"

We began the fall semester by welcoming 28 men as associate members, our largest new member class since fall 2000. Our members brought home first place during Greek Field Day, which means our flag will be flown proudly in the University's new recreation center. We also brought home first place in Delta Delta Delta's "Watermelon Crawl" and Gamma Phi Beta's golf tournament. Our first annual "Greek vs. Food" philanthropy raised money for The V Foundation. We're looking forward to the second annual Succurri Scholarship Golf Tournament.

Northern Colorado

Strahan Klosterman '14 "E"

We planned a Halloween fundraiser and a date auction to raise money towards improvements in our chapter house. We're working on renovating one of our bathrooms, replacing the kitchen floor, and replacing the roof shingles.

Northern Illinois '13

Peter Ruef '13 "E"

We have begun an "Adopt-A-Highway" cleanup to add to our community service efforts. We're looking forward to Delta Zeta's Dream Man competition and Delta Gamma's Anchor Splash, where we will be defending our first place finishes last year at both events. For more information about Northern Illinois' recent chartering banquet, see page 16-17.

Northwestern Nick Pizzolato '12 "E"

Over the summer, major renovations to our chapter house were completed. On the first floor, three rooms were joined together to create an open living space, and our main bathroom was renovated. At the beginning of the semester, many brothers went camping in Tippecanoe State Park in Indiana for our annual brotherhood retreat. We also took a trip to Indiana University for the NU vs. IU football game. We also won Greek Week and received \$250 to contribute to The V Foundation.

Homecoming was very eventful this year. Our float, built with the help of Chi Omega, won the competition and was featured on the Big 10 Network. Many alumni, including several from our Alpha Class, visited the house and met our current brothers during our alumni brunch event.

Brothers at the NU vs. IU football game.

Northwest Missouri

Jameson Hutchins "E"

Our associate members after bid signing.

We've made significant progress in improving both our recruitment and associate member programs. We welcomed 26 new associate members this fall, and we initiated all of them. This is the second year in a row where we've had a successful new member retention rate.

Ohio State

Tim Sampey '13 "E"

Brothers during our "Car Smash" philanthropy.

During the summer, house renovations converted our double-occupancy bedrooms into single occupancy and improved the overall living conditions of the house. With a full house currently, we're awaiting further renovations at the end of the year. We participated in Columbus' "Shred-it" Day and had the largest number of volunteers. Our annual Homecoming Car Smash was successful in raising funds for The V Foundation. We're actively preparing for our winter and spring recruitment efforts in order to grow our membership.

Oklahoma Colony

Anthony Rustad '14 "E"

Brothers after fall initiation.

This fall, we sought to improve our involvement on campus and in the community. We participated in every intramural sport offered. We participated in "Shack-a-thon," an annual event put on by Habitat for Humanity where fraternities and sororities build and live out of shacks out of cardboard for a day while raising money for the organization. We participated in "Adopt-a-Street" and have been cleaning up a local street twice each month. We teamed up with Gamma Phi Beta and sold cupcakes on campus, which raised over \$1,759 for The V Foundation. We'd also like to congratulate Preston Seaburg '11 for receiving our "Delta Chi of the Year" award.

Oregon State

Anthony Goryl '13 "E"

Our recruitment efforts this fall brought us 15 new members, adding to our 41 active members. Over 20 alumni made the trip back for Homecoming this year. For Dads' Weekend, we

teamed up with Kappa Kappa Gamma to host events for our families. We hosted a tailgate prior to the football game and a BBQ in the afternoon on Saturday.

Brothers pose for a photo during Fall Jump 2011.

Penn State

Jordan Glick '13 "E"

This fall we initiated 16 men and hosted a new philanthropy event, "Reindeer Games," with Kappa Delta to raise money for The V Foundation. We also contributed over 21,000 cans for the Four Diamonds fund in association with THON.

Pittsburgh Adam Cetra '11 "E"

During the fall semester, we surpassed 1,500 service hours through our members' participation in monthly Adopt-A-Blocks, "Pitt Makes A Difference" Day, and a community service retreat at the YMCA camp at Deer Valley. Through our dime toss event and frequent canning of sporting events, we also raised over \$1,000 for The V Foundation. We also participated in Delta Delta's kickball tournament, Kappa Delta's "Powder Puff" game, Delta Phi Epsilon's fashion show, and the Pitt Dance Marathon Date Auction. Our Pancake Thursdays continue to be successful, and in November we held our first "Open Mic" night. Our Parents and Alumni weekend included a Founders' Day celebration, Homecoming tailgate, and Sunday brunch.

Sharif Khan '13 and Jilan Kurlansky '13 perform at our Open Mic Night.

Purdue Kyle Lucas '12 "E"

Kelly O'Brien's nomination for Homecoming King this fall marked the second time in three years a Delta Chi has been on the Homecoming Court. Alex Stark '13 was elected VP of Administration and Mike Horstmeyer '13 was elected VP of Operations of the IFC. We began a new philanthropy event this fall that raised over \$1,200. Our "Minute to Win It"-style competition had 15 fraternities and five sororities contribute a total of 60 participants and 200 spectators. Our brothers have also assisted with several Habitat for Humanity builds in the Lafayette area.

Radford

Garrett Brumfield '13 "E"

Brothers pose for a photo before house tours.

We participated in "Angel Tree," a clothing and toy drive for less fortunate children during the holidays. We also participated in a University-wide canned food drive. Stefen Boitnott

was elected as IFC Recruitment Chair, and Patrick Manges was elected as IFC Scholarship Chair. We're actively preparing for a philanthropy event in February to raise money and awareness for cystic fibrosis and our Jimmy V week in April.

Rhode Island

Brien Barker '14 "E"

We welcomed 13 men into our chapter this fall. We had a date night with the women of Alpha Chi Omega at Trio in Narragansett, RI. We also had "Yoga Therapy" with Alpha Phi and Sigma Delta Tau.

Riverside Colony Phil Truong "E"

Thursday, October 20, 2011, marked the official beginning of Delta Chi at The University of California – Riverside. With the help of the lovely ladies of Delta Gamma, 44 men were pinned at our Associate Member Ceremony. Guests included women from Kappa Kappa Gamma, as well as close friends of the newly pinned men. By the end of the night, 44 proud men left as Associate Members of Delta Chi. Leadership Consultants, Michael Marino, George Mason '11, and Jeff Melando, Wilmington '11, worked with the interest group that developed in the fall of 2011 and from this selected a very strong core group to be the Founding Fathers of the Riverside Colony.

This past fall, we hosted our first community service event on campus with sorority attendees from Sigma Kappa, Delta Gamma and Omega Zeta Chi. It was a success, ending with over 200 decorated Halloween cards for the children of Loma Linda Hospital. As of right now, we are focusing our efforts on establishing a strong fraternal culture and image as the newest fraternity on The University of California – Riverside campus. We also have big philanthropic plans for the upcoming quarter and have full intentions to make them happen. For more information regarding the newest Delta Chi colony, check us out at www.deltachiucr.org.

Brothers and Delta Gamma after our first pinning ceremony.

Rutgers

Sean Quinn '12 "E"

We participated in various philanthropic events throughout the semester, including Aim for a Cure and Elijah's Promise. Michael Baran '13 was named as one of Dance Marathon's Emcees. We also hosted socials with Phi Sigma Sigma and Zeta Tau Alpha. Finally, we attended an event in New York City hosted by a large group of Delta Chi alumni across the New York City region.

Sacramento Colony

Martin Osier '12 "A"

Brothers pose for a photo after initiation.

Our fall recruitment efforts brought us ten new member, bringing our manpower to 35. We participated in Chi Delta's Grand Slam, brought home third place in Delta Gamma's Anchor Splash, and took first in Sigma Kappa's Hot Shots. Our intramural football team made it to

the quarterfinals. We also held our second annual "Sac State's Got Talent" event, which benefited The V Foundation. We're looking forward to our upcoming spring crab feed fundraiser and hope to double our attendance this year.

Our ABT is looking to add three more members. If interested, contact us at martin.osier@gmail.com.

South Dakota State

Eric Haier '11 "E"

This year, we brought home first place during "Hobo Days," our University's Homecoming spirit competition, and scored almost double the points of the second place organization. Since our chapter was founded ten years ago, we've won "Hobo Days" all but two years, and this year was no different!

We've also seen some remodeling projects in our house. Mark Hayes '13, along with Jason Bellrichard '11 and Patrick DeBoer '12, led our effort to remodel two of our bathrooms, replace windows, and redesign our barn for better lighting and space usage. We look forward to future projects, which will include our formal room and study.

Southeast Missouri

Bejamin Merriman '13 "E"

Our fall associate members.

We teamed up with Sigma Tau Gamma and Alpha Delta Pi and brought home second place during Homecoming this fall. Our annual Moms' Weekend was a huge hit again, and we participated in philanthropy events hosted by Alpha Xi Delta and Alpha Delta Pi. We have also recently begun an "Adopt-A-Highway" service initiative. Matt James '14 was elected IFC Risk Management Chair. Finally, on December 3, 2011, we initiated 15 men into our chapter.

Southern California

Matthew Flagel '14 "E"

We raised \$4,500 during our "3-on-3 for Jimmy V" basketball tournament. Despite the threat of rain, many alumni visited for Homecoming to see our Trojans defeat The University of Washington. Our chapter also won the IFC football championship after beating Pi Kappa Alpha 36-32. We finished the semester by initiating eight men into our fraternity.

Southern Illinois

David Schau '14 "E"

We'd like to thank Roger Hauenstein '05 for his help with transforming our basement into usable space. With his help, we added a ceiling and painted walls in a previously dusty, old storage area. We'd also like to thank Forrest Fairall '81 for his support in helping us plan a great Homecoming BBQ this year. We're looking forward to our Spring Alumni Weekend, which will be held the weekend of April 20-22, 2012.

South Florida

Joey Jaime '11 "E"

Trick-or-treaters receive candy and explore our Haunted House.

We brought home first place during Homecoming this fall. We placed first in Sigma Delta Tau's "Putting on the Hits," second in Zeta Tau Alpha's "OctoBreastFest," and third place in Delta Gamma's "Anchor Splash." We also participated in "Trick or Treat with Greeks," where we decorated our house for children to tour and receive candy. During the holidays, we also participated in the Salvation Army's Angel Tree Christmas program.

Spring Hill Colony *Thomas Cianciola '13 "E"*

Our first philanthropy event of the year was a huge success. We hosted a dodgeball tournament with sororities, fraternities, and non-Greek students forming teams to compete. Teams submitted a \$50 entry fee, with the profits from the event going to The V Foundation. Everyone had such a good time that, after the tournament was completed and awards handed out, teams stuck around to play impromptu games. We're looking forward to hosting this event again in the future! In addition to this, our informal recruitment efforts have helped us nearly double in size this fall.

Matthew Linnus '12 "E"

Robby Hicks '13 on his way to score a touchdown.

On November 19, 2011, we held our second annual Active/Alumni Challenge, with proceeds benefiting the Kile West Foundation.

Syracuse

Gerald Obah '12 "E"

Brothers with our Alpha Xi Delta soccer coaches.

We participated in Alpha Xi Delta's "Kicks for a Cause" soccer tournament. Our brothers also volunteered time this semester to help inner city children learn to play indoor soccer on our campus. The warm weather has allowed us to make it out to more of Syracuse's sporting events as well. We're looking forward to our spring recruitment effort and our 5th annual "D-Chi Cup" philanthropy event.

Tarleton

Jacob McCay '13 "E"

This fall we nearly tripled in size through our recruitment efforts. Our eight members recruited the second largest new member class of any fraternity. We had brothers serve as summer orientation leaders, and many brothers are highly involved on campus. We now have the Math Club President, Transfer Student President, and the newly elected IFC President. Other brothers are involved in SGA, Omicron Delta Kappa, Beta Beta Beta, Alpha Epsilon Delta, and Delta Iota Epsilon.

Texas

Stephen Anderson '15 "E"

We initiated ten men this fall. We've also participated in Alpha Phi's Hit for Hearts and Delta Gamma's Anchor Splash. Our associate members volunteered at a Ronald McDonald House event. During our alumni weekend, many alumni came back to visit with each other and our members.

Texas A&M

The Texas A&M Chapter closed on February 16, 2012 due to failure to meet the Fraternity's minimum standard for chapter academic performance. Please contact Justin Sherman, justins@deltachi.org, with any questions.

Texas Tech

Phillip Weesner '12 "E"

Brothers pose for a photo in front of the house.

We initiated 24 men this fall and held a capture the flag tournament that raised \$1,000 for The V Foundation. Our White Carnation Formal was also a big success. Some brothers also put together a small gathering after the passing of Brad Hastings '85. Hastings was inducted into the Texas Tech Football Hall of Fame after his death. We'd also like to invite any alumni who'd like to be featured in our alumni newsletter to email us at dchittu@gmail.com.

Tri-State

Brandon Nothnagel '12 "E"

This fall, we initiated seven men and two fathers, and we earned a 3.103, the highest GPA among fraternities. During Homecoming, we received our third consecutive Trine Cup, which is awarded to the most outstanding fraternity on campus, during halftime at the football game. Our two intramural volleyball teams brought home first and second places, with their only losses being against each other. In addition, we raised over \$2,600 at our annual 5k Dash for Cancer. In December, we held our annual formal dinner where alumni and active brothers gathered for a night of fine dining. Zach Tunberg '14 was recognized by Eli Lilly with the "Realizing the Dream" Scholarship, an award given to one student from all 31 private schools in Indiana.

Mike Sentman '12, Clint Boelt '14, James Taylor '13, and Tyler Boscoe '13 pose for a photo after initiation.

Troy State

Zak Wesley '14 "E"

We had over 300 alumni join our 41 active brothers for Homecoming this year. We hosted a live band at our tailgating tent for all to enjoy. We placed third with our Homecoming dance and second in the banner competition. Additionally, we held our annual Red and Buff football game.

Truman State

Patrick Lynch '13 "E"

Recruitment brought us ten new members, which brought our chapter membership to 45. We're excited that we've been able to maintain a chapter membership in the 40s over the past year, since we began the fall 2009 semester with 25 members.

Our Homecoming team, the "Mighty Ducks," placed second in dodgeball and won third place during lip sync. Andrew Glen '13 was also crowned Homecoming King. Derec Guilstorf '14 organized a BBQ where we donated the proceeds to The V Foundation. We completed several improvement projects in Kimball's and look forward to hosting alumni back to see our work.

UNLV

The UNLV Chapter closed on October 14, 2011 due to failure to meet its financial obligations. Please contact Justin Sherman, justins@deltachi.org, with any questions.

USP

Neng Zhong '14 "E"

For information about our recent chartering banquet, see pages 16-17. In addition, Steve Tambon '12 was appointed Inter-Greek Council Vice President. Danny Davydovich '13 was appointed Vice President of Student Affairs in the Student Government Association. Kory Muto '14 was also appointed Vice President of Campus Activities in SGA.

Valdosta

Wesley Kostovetsky '12 "E"

We hosted our first "Boston Butts" fundraiser and raised \$1,500 for the women's soccer team. We also participated in the VSU Blood Drive, Zeta Tau Alpha's "Pink Out Game," brought home the People's Choice Award at Zeta Tau Alpha's "Big Man on Campus," and placed first and second at Chi Omega's Corn-hole tournament. Our members also won the intramural softball championship. We're actively preparing for our 9th annual softball tournament, where all proceeds will be given to the son of Josh Dykes '06, who passed away last year in a car accident.

Virginia Commonwealth

Bobby Cockerille '13 "E"

Brothers pose for a photo with Phi Mu after our basketball tournament.

This fall marked our 21st year on VCU's campus. We initiated 18 men as part of our Alpha Upsilon new member class. We have also been in contention for various intramural championships, including flag football, outdoor soccer, and dodgeball. We're thankful for all the support we've received from our ABT and alumni. Our "\$20 for 20 years" alumni fundraiser has been very successful. Our annual "3-on-3 for Jimmy V" basketball tournament featured 15 teams and raised money for The V Foundation this fall.

Washburn

Rizki Aljupri '12 "E"

Brothers after our associate member pinning ceremony.

For recruitment, we hosted capture the flag with water balloons, a barbecue, late night breakfast, and a kickball tournament during the first two weeks of school. Through this, we initiated five men this fall and have already extended two bids for the spring. We raised \$900 for our chapter by doing stadium cleanups during the football season. We went bowling with the women of Kappa Alpha Theta and visited Gary's Pumpkin Patch with the women of Alpha Phi.

Washington *Austin Hebert '13 "E"*

We began the year with 53 members in house, including 16 associate members. We've already begun recruiting for our spring new member class. We hosted our Founders' Day celebration on October 8 at the Broadmoor Country Club, with over 80 brothers and alumni in attendance. We were also able to reward brothers earning over a 3.5 GPA with close to \$3,000 in scholarships. We've also updated our website www.uwdeltachi.com to be a great tool for recruitment and alumni relations. To add to our service efforts, we adopted a street nearby and will clean it every quarter. Finally, our upperclassmen won 40-7 at our annual upperclassmen vs underclassmen football game.

Brothers face off against brothers during our annual fall football matchup.

Washington State

Zach Imperial '14 "E"

Brothers pose for a photo at our Greek Arête Awards.

We recruited the most men of any fraternity on campus this fall. Our members participated in several philanthropic events, including Chi Omega's "Kick-off," "Mr. Alpha Phi," and Delta Gamma's Anchor Splash. We're thankful for all of the support we've received from our most recent alumni newsletter. During our Dads' Weekend, we raised over \$1,200 for house improvements.

West Chester

Mohammed Tamzid Hossain '12 "E"

Brothers, associate members, and alumni at our annual football game.

We welcomed alumni back to campus for a flag football game at the south campus field this October. Our alumni team emerged victorious, defeating active and associate members 35-13. We initiated 12 men this fall and raised over \$1,000 for The V Foundation during our second annual "Quarters on the Quad" event. Mohammed Tamzid Hossain '12 was recognized with the Borelli Family Leadership Award in 2011. Juan Puppo '14 brought home second place in Delta Phi Epsilon's "Deeper Dude" event. We also held a bake sale to raise money for the Arizona Chapter after we learned of their recent tragedy. We also made a jersey, numbered "31," and will hang the jersey at all of our basketball games.

Western Michigan

Jacob Williams '14 "E"

Brothers pose for a photo.

We were recognized for having the greatest participation during Alpha Chi Omega's service event. We're also actively planning for our "Miss Delta Chi" pageant this spring, where we'll donate the proceeds to The V Foundation. We've also updated our website (www.wmudeltachi.org) and encourage everyone to check it out. We'd like to thank all the alumni who stopped by during Homecoming. Our spring golf outing will be April 28, 2012 at the Thornapple Creek Country Club. Contact deltachiwmu@gmail.com for more information.

West Georgia

Andrejs Malovs '12 "E"

This fall, we initiated 15 men into the Fraternity and hosted our 6th annual Family Day, with over 100 people in attendance.

West Virginia Tech

James Fincham '12 "E"

Despite losing the Provost of our University and a smaller recruitment class by the football team, our brothers are working closely as a group to grow our chapter. We're looking forward to extending several bids to interested men this spring.

Whitewater

Sean McLoraine '12 "E"

We placed third during Homecoming and placed first in the Variety Show. We also raised money for The V Foundation through hosting events and working with local businesses. On December 3, 2011, we initiated 17 men into the Fraternity.

William & Mary

Daniel Velez '13 "E"

Our 15 new members this fall made our chapter one of the largest on campus. Next school year, we'll move into a larger campus fraternity housing unit. We were recognized by our IFC for our inter-fraternalism and our outstanding new member program.

Wilmington

Cole Barney '14 "E"

Hunter Kunz '14 organized our first annual Mini-Golf tournament. At our semi-formal, we hosted a reggae band at a hotel in downtown Wilmington. We'll be focusing heavily this spring with recruitment and our "Viva La Skate" philanthropy event.

Windsor

Khalid Dafalla '14 "E"

Brothers pose for a photo during our road trip to visit the Ohio State Chapter.

This fall, we hosted poker nights with other Greeks, potluck dinners, a Founders' Day celebration, a Christmas social with Phi Sigma Sigma, and participated in intramural flag football and hockey. Our brothers also visited the Ohio State Chapter. We also added new red and buff letters to the back of our house.
