MEMO: DELTA CHI FRATERNITY REGIONAL LEADERSHIP ACADEMY

Members of Delta Chi Fraternity on your campus will attend the Delta Chi [Regional Leadership Academy](#) at one of the following locations:

January 15 – January 17, 2027	January 22 – January 24, 2027
Southeastern Region In Atlanta, GA	Central & Midwest Regions In St. Louis, MO
Western Region In Los Angeles, CA	Mid-Atlantic & Northeastern Regions In Philadelphia, PA

The Regional Leadership Academy program brings together undergraduate members and alumni from campuses across the region for an experience of leadership development and training. This experience is an excellent opportunity for students to network and collaborate with other members from across North America while enhancing their personal and professional development and build transferrable skills. This includes tangible and transferrable skills for their role as a chapter leader, goal setting and action planning, and as well as Fraternity business.

Participants will experience three days of educational programs presented by university professionals, industry experts, and volunteers from across the country. Academic coursework is a priority, and students understand this as a part of membership and Delta Chi's value of "assist in the acquisition of a sound education." Participants are instructed to work individually with faculty members to discuss missed class sessions or assignments and to make appropriate arrangements to make up the work. Should you have any concerns or need further clarification regarding this event, please contact me via email.

Sincerely,

Kristen Kardas
